Good afternoon Jorge,
ERS would like to submit a price proposal for the Claude Parks Culvert replacement project.
Our price for this work is \$799,173.00.

Our price includes the following:

Removal & disposal of existing culvert
Excavation, up to 12" of #57 stone bedding under new culvert, and backfill of new box culvert and associated roadway grading.
New box culvert, concrete & rebar, for a Triple 8' x 8' x 70 LF, Design 1 (up to 10' fill), 90 degree skew, 2 sets of wingwalls & parapets, 2 aprons.
Rip rap & plastic filter fabric.
Grassing & Erosion Control.
Graded Aggregate Base & Asphalt Paving & Striping.

Our price does not include:

Paying for utility conflicts/relocations. ERS will assist Hall Co. in the handling of utilities but we will not pay for their relocation costs.
R/W issues, easements, or environmental permits.
Guardrail.
Testing or QC inspections.

Please let us know if we can assist you with this project. Thank you

Randy Griffin, P.E.
