Public Hearing to amend Hall County's Zoning Map as follows:

Beth Garmon, Assistant Director of Planning and Development, addressed the Board.

26 **3580 and 3526 Poplar Springs Road and 3601 Pierce Drive | Amend Conditions** | of a Planned Residential Development (PRD) on a combined 97.48± acre tract located on the south side of the Poplar Springs Road at its intersection with Poplar Springs Church Road | Zoned PRD; Tax Parcel 15036A000001, 000003 & 000011 | **Proposed Use: 192-lot single-family residential development** | Commission District 1 | **Clint Dixon for Clayton Properties Group, Inc, applicant.**

Mr. Lawhon introduced the item. Ms. Garmon discussed the item. Mr. Lawhon conducted the Public Hearing.

The following people addressed the Board:

Favor:

- Clint Dixon, 5230 Bellewood Court, Buford*

Opposition:

- Wes Robinson, 200 E. E. Butler Parkway, Gainesville*

Commissioner Cooper/Commissioner Powell — approve with the five (5) conditions listed below — unanimous

Conditions:

- 1. All previous conditions of zoning included herein shall apply as listed below:
 - a. There shall be no more than 192 single-family units in the development.*
 - b. All costs associated with any required right-of-way improvements shall be the Developer's responsibility.*
 - c. Access to the development shall be approved by Hall County Traffic and/or the Georgia Department of Transportation, whichever applies.*
 - d. Any necessary access modifications must be approved and permitted by the Georgia Department of Transportation (GDOT). All costs associated with any required improvements shall be the developer's responsibility.*
 - e. The following statement regarding the potential impacts of agricultural operations in the area shall be made a part of any plat recorded on the property: "Owners, occupants, and users of property shown on this plat are hereby informed of the impacts associated with normal farming practices which may take place on adjacent and nearby property including, but not limited to, noise, odors, dust, the operation of machinery of any kind, the storage and disposal of manure, and the application of fertilizers, herbicides, and pesticides. Therefore, owners, occupants, and users of the property shown on this plat should be prepared to expect the effects of such practices."*
 - f. All conditions of zoning shall be made part of any new plat created for the property.*
 - g. The development shall adhere to the Hall County Erosion Control Ordinance Best Management Practices for Large Developments, which include the 3 BMPs from the County-approved list, even if the phase of development is less than 20 acres.*
 - h. The development shall connect to a public sewer system.*
 - i. Any yard runoff that would possibly flow into the creek, shall be sodded. If runoff flows to a different detention pond, it is not a requirement to have the yard sodded.*
 - j. No back yards shall abut Poplar Springs Road.**
- 2. A second emergency only entrance is approved.*
- 3. Building elevations shall be composed of a mixture of cement siding, stone, and/or brick façade, with a minimum of brick or stone accents on the front of the homes. The balance of the home may be the same material or of fiber-cement material. Vinyl siding is prohibited. Homes shall be consistent*

with the submitted renderings. Final review and approval of building elevations is subject to the Director of Community Development and Infrastructure, or their designee.

4. *A garage shall not extend more than 10 feet 6 inches further toward the front yard property line than the façade of the habitable area of the first story.*
5. *The width of the garage wall shall not exceed 56% for a two-car garage of the front façade of the dwelling.*

27 **4670 Union Church Road | Amend Conditions |** of a Planned Residential Development (PRD) on a 50.75± acre tract located on the east side of Union Church Road, approximately 166 feet from its intersection with Steeple Chase Lane | Zoned PRD; Tax Parcel 15043 000001 | **Proposed Use: 100-lot single-family residential development | Commission District 1 | Ridgeline Land Planning, Inc. applicant.**

Mr. Lawhon introduced the item. Ms. Garmon discussed the item. Mr. Lawhon conducted the Public Hearing.

The following people addressed the Board:

Favor:

- *Chad Barrett, 3715 Brook Fall Landing, Suwanee*

Commissioner Cooper/Commissioner Powell — approve with the six (6) conditions listed below — unanimous

Conditions:

1. *All previous conditions of zoning included herein shall apply as listed below:*
 - a. *The development shall generally occur as depicted on the site plan and described in the project narrative. Minimum lot standards shall be as follows:*
 - i. *Minimum lot width: 50 feet*
 - ii. *Minimum lot depth: 125 feet*
 - iii. *Minimum lot area: 6,250 square feet*
 - iv. *Minimum average lot area: 8,000 square feet*
 - v. *Front setback: 20 feet from right of way with minimum of 25 feet from rear of sidewalk to face of garage*
 - vi. *Side setback: 5 feet, subject to Fire Department approval*
 - vii. *Rear setback: 20 feet*
 - b. *There shall be no more than 125 total units in the development, equaling a density of 2.5 units per acre.*
 - c. *The following statement regarding the potential impacts of agricultural operations in the area shall be made a part of any plat recorded on the property: "Owners, occupants, and users of property shown on this plat are hereby informed of the impacts associated with normal farming practices which may take place on adjacent and nearby property including, but not limited to, noise, odors, dust, the operation of machinery of any kind, the storage and disposal of manure, and the application of fertilizers, herbicides, and pesticides. Therefore, owners, occupants, and users of the property shown on this plat should be*

prepared to expect the effects of such practices."

- d. A 6-foot-tall wooden privacy fence will be constructed along the northern property line adjacent to parcel #15043 000203 within 60 days of issuance of the land disturbance permit (LDP).*
- e. The northern entrance depicted on the site plan nearest to Steeple Chase Lane shall be removed. The southern entry shall be the only entrance provided and shall include a deceleration lane.*
- 2. The property shall be developed in accordance with the project narrative dated November 16, 2023 and site plan dated June 21, 2023, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.*
- 3. Front-entry garage orientation may be semi-flush with the front façade, measuring between 1 and 20 feet behind the front façade or extending the same measurement toward the street. Garage door width shall not exceed 43% of the width of the front façade of the residence.*
- 4. Building elevations shall be composed of a mixture of cement siding, stone, and/or brick façade, with a minimum of brick or stone accents on the front of the homes. The balance of the home may be the same material or of fiber-cement material. Vinyl siding is prohibited. Homes shall be consistent with the submitted renderings. Final review and approval of building elevations is subject to the Director of Community Development and Infrastructure, or their designee.*
- 5. The development shall be limited to a maximum of two (2) model homes prior to recording of the final plat.*
- 6. All conditions of zoning shall be made a part of any plats or construction plans created for the subdivision.*

28

4363 Sardis Road | Rezone | from Agricultural Residential III (AR-III) to Planned Residential Development (PRD) on a on a 41.71± acre parcel located on the west side of Sardis Road, approximately 361 feet from its intersection with Short Road | Zoned AR-III; Tax Parcel 10075 000004 | **Proposed use: 125-lot single-family residential development** | Commission District 2 | **Grace of Georgia Developments, LLC, applicant.**
