5. The Contractor has failed to comply with applicable federal, state, and local laws, rules, County ordinances, regulations, and orders when performing within the scope of the Contract.

6. The Contractor has engaged in conduct that has or may expose the County or the State to liability, as determined in the County's sole discretion; or a material breach of the terms of the Contract by County upon County's failure to cure such material breach after written notice thereof has been delivered in accordance with *ARTICLE #108.C* below constitutes cause for the Contractor to declare that the County is in default of its obligations under the Contract.

C. **Notice of Default.** If either Party causes any of the default events set out in *ARTICLE #108 – TERMINATION PROVISIONS*, then either Party shall issue a written Notice of Default to the Party that causes one (1) or more of the default events requesting that the breach or noncompliance be remedied within the period of time specified in the Notice of Default. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the non-breaching Party may:

1. Immediately terminate the Contract for default without additional written notice; and/or,
2. In the event of a breach by the Contractor, the County may procure substitute Services from another source and charge the difference between the Contract and the substitute Contract to the defaulting Contractor; and/or,
3. Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

D. **Termination Due to Non-Availability of Funds.** This Contract will terminate immediately and absolutely if the County determines that adequate funds are de-appropriated such that the County cannot fulfill its obligations under the Contract, such determination being at the County's sole discretion and conclusive. County agrees to provide prompt written notice to Contractor in the event of any de-appropriation.

E. **Termination due to Failure of Contractor to Act.** The County may terminate the Contract for any of the following reasons effective immediately without advance notice:

1. If the Contractor must be certified or licensed as a condition precedent to providing the Services, the revocation, suspension, or other loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect.
2. The County determines that the actions, or failure to act, of the Contractor, its agents, employees, or subcontractors have caused, or reasonably could cause, life, health, or safety to be jeopardized.
3. The Contractor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, criminal, or maliciously incorrect.
4. Failure of the Contractor to obtain, provide, maintain, and deliver the performance and payment bonds when required under this Contract, or failure to comply with any requirement pertaining to the appropriate amounts thereof as set forth in ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS.

F. **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by County, the County shall pay only those amounts, if any, due and owing to the Contractor for Services actually received and accepted by the County up to and including the date of termination of the Contract and for which the County is obligated to pay pursuant to the Contract.

G. **Contractor's Termination Duties.** Upon receipt of a Notice of Termination, the Contractor shall:

1. Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report within thirty (30) days of the date of Notice of Termination describing the status of all work under the Contract including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the County may require.
2. Immediately cease use and return to the County any personal property or materials, whether tangible or intangible, provided by the County to the Contractor.
3. Comply with the County's instructions for the timely transfer of any active files and work product produced by the Contractor under the Contract.
4. Cooperate in good faith with the County, its employees, agents, and Contractors during the transition period between the Notification of Termination and the substitution of any replacement Contractor.
5. Contractor is to immediately return any payments made by the County for goods and services that were not delivered by the Contractor.

H. **Liquidated Damages. – N/A for this contract.**

**ARTICLE #109 – NO DEFENSE OR INDEMNIFICATION BY COUNTY**

The Parties agree that the County shall not be responsible for defending or indemnifying any Contractor from any claim brought by any third party against the Contractor.

**ARTICLE #110 – ASSIGNMENT AND DELEGATION BY CONTRACTOR**

The Contractor shall not assign or delegate this Contract, or any performance required by it, in whole or in part, without the prior expressed written consent of the County.

**ARTICLE #111 – USE OF THIRD PARTIES (SUBCONTRACTORS)**

This Contract is for the benefit of the Parties hereto only and is not intended to benefit any third party or give rise to any duty or causes of action for any third party. All restrictions, obligations, and responsibilities of the Contractor under the Contract shall also apply to third parties such as subcontractors, if allowed in writing by the County. Any Contract with a subcontractor must also preserve the rights of the County.

**ARTICLE #112 – ENTIRE CONTRACT**

This Contract, as executed and approved, shall constitute the entire agreement between the Parties and supersedes all other prior and contemporaneous statements, agreements, and understandings between the Parties. No written or oral statements, agreements, or understandings that are not set out, referenced, or specifically incorporated in this Contract shall in any way be binding or of effect between the Parties.

**ARTICLE #113 – SEVERABILITY**

If any paragraph, sub-paragraph, sentence, clause, phrase, or portion of this Contract is declared invalid or unconstitutional by any Court of competent jurisdiction or if the provisions of any part of this Contract as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the remaining portions of this Contract not so held to be invalid or the application of this Contract to other circumstances not so held to be invalid.

**ARTICLE #114 – RECORDS**

A. **Public Records Request.** The Georgia Open Records Act, as provided in O.C.G.A. § 50-18-70 et seq, requires procurement records and all other records received by or prepared or maintained on behalf of the County shall be made open to public inspection unless otherwise provided by law.

B. **Record Retention and Access.** The Contractor shall maintain books, records, and documents in accordance with generally accepted accounting principles and procedures and which sufficiently and properly document and calculate all charges billed to the County throughout the term of the Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. Records to be maintained include both financial records and service records.

**ARTICLE #115 – ADDITIONAL TERMS**

The County shall not be bound by any terms and conditions included in any Contractor's sales-orders, literature, packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in addition to the terms and conditions contained herein.

**ARTICLE #116 – WAIVER**

The failure of any Party hereto to seek a remedy for any alleged breach of this Contract shall not constitute a waiver of any claim, cause of action, or remedy allowed by Georgia law for breach thereof.

**ARTICLE #117 – CONTRACTOR AND COUNTY RIGHTS AND OBLIGATIONS**

A. The County has the right at any time to require the Contractor to put an immediate stop to any procedure, or the use of any equipment, chemical, material, personnel, etc. considered by the County to be hazardous or toxic to persons, buildings, or surfaces. The Contractor will utilize acceptable substitutes approved by the County as quickly as possible. In the event of such replacement, Contractor shall (i) notify County of any resulting replacement, (ii) introduce the individual serving as the replacement to County, and/or (iii) provide County with a résumé and any other information regarding the individual that may be reasonably requested by County.

B. The County has the right to require the Contractor to reassign or remove any employee or subcontractor's employee from the premises temporarily or permanently when, in the County's sole opinion, the employee is not suitable. The County's decision shall be final, and Contractor will remove the employee immediately and replace with a person of at least equivalent training, experience, and requisite qualifications as quickly as possible, subject to the County's approval.

C. Contractor agrees to obtain prior written approval from the County for the use of subcontractors to provide the Services described in Scope of Work prior to subcontractor's performance of work.

**ARTICLE #118 – INSURANCE REQUIREMENTS**

The Contractor must procure and maintain insurance policies at the Contractor's own expense and must furnish the County with a certificate of insurance (COI) providing

evidence of proof of coverage at least in the amounts indicated in this subsection. The COI must list "Hall County, Georgia" as the certificate holder and as an additional insured under the commercial general, automobile, and umbrella liability policies as follows: "County of Hall, its Board of Commissioners, officers, employees, servants, and agents, 2875 Browns Bridge Rd, Gainesville, GA, 30504". The policy must protect the Contractor and the County (as an additional insured) from any claims for bodily injury, property damage, or personal injury covered by the indemnification obligations set forth herein throughout the duration of the Contract. The Contractor must maintain the following insurance coverage during the term of the Contract, in at least the minimum amounts set forth below, to cover all loss and liability for damages or destruction of property caused by or arising from any and all services carried on and any and all work performed by the Contractor pursuant to this Contract:

**Workers Compensation Insurance: Required for all contracts.**

- $500,000 Bodily Injury by Accident – Each Accident
- $500,000 Bodily Injury by Disease – Each Disease
- $500,000 Bodily Injury by Disease – Each Employee

**Additional Provisions: Waiver of Subrogation.** The insurer agrees to waive all rights of subrogation against Hall County Board of Commissioners (BOC), its elected or appointed officers, officials, agents, authorized volunteers, and employees for losses paid under the terms of this policy which arise from work performed by the Named Insured for Hall County BOC. This provision applies regardless of whether or not Hall County BOC has received a waiver of subrogation from the insurer.

**General Liability Insurance: Required for all contracts.**

- $2,000,000 General Aggregate
- $2,000,000 Products & Completed Operations Aggregate
- $1,000,000 Each Occurrence
- $1,000,000 Personal & Advertising Injury
- $500,000 Damages to Premises/Fire/Legal
- $5,000 Medical Payments

**Commercial Auto Liability Insurance: Required for all contracts**, except for goods and/or services that are remote in nature and/or are delivered by a professional delivery service.

- $1,000,000 Combined Single Limit Or $500,000 per Person/$1,000,000 per Occurrence
- $100,000 Property Damage
- $1,000 for Medical Payments (no fault coverage)

**Additional Provisions:**

- Uninsured motorist's coverage should be equal to the per occurrence limit except for contracts with other governmental entities.
- Coverage shall be included for any owned, leased, hired, or non-owned autos.
- For any contracts involving the transportation of hazardous materials, limited pollution endorsement ISO form CA9948 or its equivalent shall be on the policy.

**Umbrella Liability Insurance: Required for all contracts.**
$1,000,000 per Occurrence

**Additional Provisions: Required for all contracts.**

- Underlying coverage shall be General Liability, Automobile Liability, and Employers Liability (Workers Compensation).
- Minimum limit of $5,000,000 per occurrence for all contracts over $1,000,000 or involving any special risks or high hazard activities.
- Minimum limit of $5,000,000 for automobile coverage for any transportation contracts involving seniors, special education, transit services, students, or youths.
- Concurrent policy dates with primary liability policies except for workers compensation.

**ARTICLE #122 – COUNTY PAYMENT TO CONTRACTOR**

A. The County will issue a Notice to Proceed ("NTP") and a Purchase Order(s) ("PO") to the Contractor. The terms of this Contract shall be incorporated by reference into any PO(s) issued prior to the expiration or termination of this Contract. The County will issue the NTP and PO(s) by electronic mail (e-mail) to the Contractor's representative in *ARTICLE #103 – NOTICES*. A PO is considered "issued" when the e-mail containing the PO is sent by the County to the Contractor.

The Contractor shall not deliver any Services, equipment, devices, or components thereof until authorized in writing by the County through issuance of a PO, which shall provide a commencement date. Any work including, but not limited to, travel, preliminary meetings, planning, etc. performed outside of the terms and conditions of and before the issuance of a PO will not be considered for payment. Contractors are not to begin work or ship any product on any verbal communication from the County. The County will not be liable for payment for any work or product with the issuance of a verbal communication.

The Scope of Work shall remain in effect from the NTP date to completion of the project. The Parties agree that the County will not pay or otherwise compensate the Contractor for any Services, materials, equipment, devices, or components thereof outside of the Scope of Work and/or beyond the term of this Contract, unless specifically authorized in writing as evidenced by an amendment pursuant to *ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION*, a time extension letter, or as otherwise authorized by the County.

**B. Invoice/Payment**

B. 1. Contractor shall invoice the County via email each month solely to accountspayable@hallcounty.org and only after the County inspects and accepts the Services provided. Receipt of the Services does not constitute acceptance. Invoice amounts shall not exceed the Contractor's pricing set forth in Exhibit C – Cost Proposal Bid Form.

C.

~~D.~~ 2. Each properly prepared invoice must be sent in accordance with the instructions listed on the PO. Each invoice shall include the Contractor's current "Remit to" address, a description of the Services provided, the

invoice amount, the Contract number, and the associated PO number issued. Standard payment terms are net 30 days (N30) in arrears from the date the invoice is accepted, following delivery of the Services. The County does not pay for services not yet received but only in arrears.

E. 3. The County does not pay for services not yet received but only in arrears.

F. 4. The Contractor shall be solely responsible for paying all costs, expenses, and charges it incurs in connection with its performance under the Contract.

G.

C. **Unsatisfactory Performance/Delay of Payment**

1. If the County determines that the quality of the Services provided are deficient, 'unacceptable, or unsatisfactory the County's Project Manager identified in *ARTICLE #103 – NOTICES* shall issue a written Notice to Cure to Contractor. Contractor agrees that upon receipt of the written Notice to Cure it shall make every effort to correct the deficiency(ies) within the timeframe prescribed therein. If the Contractor fails to timely correct the deficiency(ies), the County reserves the right to delay or deny payment pursuant to this *ARTICLE* or terminate the Contract pursuant to *ARTICLE #108 – TERMINATION PROVISIONS.*

2. **Delay of Payment Due to Contractor's Failure.** If the County determines that the Contractor has failed to perform or deliver any Services as required by the Contract, the Contractor shall not be entitled to any compensation under the Contract until such Services are delivered and accepted. In this event, the County may withhold that portion of the Contractor's compensation, which represents payment for Services that were not delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the County to incur costs, the County may deduct the amount of such incurred costs as liquidated damages from any amounts payable to Contractor. The County's authority to deduct such incurred costs shall not in any way affect the County's authority to terminate the Contract.

D. **Set-Off Against Sums Owed by the Contractor.** If the Contractor owes the County any sum under the terms of this Contract, pursuant to any judgment or pursuant to any law, the County may set off the sum owed by the Contractor against any sum owed to the Contractor, in the County's sole discretion.

E. **Final Payment.** Contractor shall issue an invoice for final payment to the County no later than thirty (30) days following the expiration or termination date of the Contract.

F. The Contractor must not factor or assign payments to another entity or a financial institution. -The County will only pay the Party with whom it is contracted. The County will not under any circumstances pay a third party.

**ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS – N/A for this contract.**

(Required for construction, renovation, and repair projects over $100,000.00)

The Contractor must furnish to the County both a performance and payment bond, both equal to one hundred percent (100%) of the Contract's total award dollar amount. The County will only issue a Notice to Proceed after the bonds are received. Only surety companies licensed to do business in the State of Georgia are acceptable. The

Contractor is required to provide new bonds at the issuance of each renewal option term(s) or extension(s) that follow.

The Contractor must provide all required bonding instruments to the County prior to the commencement of any work. The County will consider any work done prior to the receipt of bonding instruments as null and void and thus not eligible for compensation.

**ARTICLE #124 – RETAINAGE** (Required for construction, renovation, and repair projects)
The County will retain and withhold funds from compensation in compliance with Georgia law. The County may hold up to five percent (5%) retainage throughout the entire project and will release said retainage at the point of completion and final acceptance by the County.

**ARTICLE #125 – VENUE AND GOVERNING LAW**
The Parties agree that this Contract shall be interpreted, construed, and enforced in accordance with the laws of the State of Georgia. Should either party bring a legal suit to enforce the terms of this Contract, including suit in equity, the Parties agree and consent to file any such suit in the Superior Court of Hall County, Georgia.

**ARTICLE #126 – NOTICE OF INTENT TO LITIGATE**
Contractor hereby agrees not to file any civil action of disputes or claims relating to the Contract except after first giving thirty (30) days written notice to the County of the claim and the intent to initiate a civil action.

**ARTICLE #127 – GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT (E-Verify)**

A. By signing this Contract, the Contractor certifies that prior to and throughout the performance of all applicable work under this Contract it will remain in full compliance with all federal and state immigration laws including, but not limited to, 8 U.S.C. § 1324a and the Georgia Security and Immigration Compliance Act (O.C.G.A. §13-10-90 et seq.), as amended by the Illegal Immigration Reform and Enforcement Act of 2011 regarding the verification of employment eligibility of employees under the Immigration Reform and Control Act of 1986. Contractor will ensure that only persons who are citizens or nationals of the United States or non-citizens authorized under federal immigration laws are employed to perform services under this Contract or any subcontract or sub-subcontract hereunder.

B. Contractor further certifies its compliance with the aforementioned federal and state immigration laws set forth by signing a sworn affidavit, the Georgia Security and Immigration Compliance Act Affidavit (herein known as *Exhibit E – E-Verify Affidavit*), notarized by an Official Notary Public and incorporated herein by reference, and obtaining the same affidavit(s) from any subcontractor providing services pursuant to this Contract.

**ARTICLE #128 – ORDER OF PRECEDENCE**
In the event of any inconsistency, ambiguity, or conflict among the specific provisions of the Contract and the Contractor's response, the order of precedence shall be as follows:

1. Any amendments to the Contract, including all exhibits thereto.
2. The Contract itself, including all exhibits thereto.
3. Attachments appended to the Contract.
4. All other Contract attachments appended to the Contract.

**ARTICLE #129 – CONTRACT EXHIBITS AND ATTACHMENTS**

The Parties mutually acknowledge that all exhibits and attachments listed below made a part of this Contract, as though expressly written in the solicitation documents and the Bidder's response, are herein incorporated into this Contract by reference.

**ARTICLE #130 – SALES TAX EXEMPTION STATUS**

The County is exempt from State of Georgia and Local Sales and Use Tax. The Bidder understands and acknowledges that they are responsible for any sales and use tax they may incur for materials. The Bidder must not charge the County any sales and use tax as a separate line item. The Contractor may request a copy of the County's Georgia Sales and Use Tax Exemption Certificate.

**ARTICLE #131 – HOLD HARMLESS AGREEMENT**

The successful respondent hereby agrees to indemnify, hold free and harmless Hall County Government, County Commissioners, its agents, servants, employees, officers, directors, elected officials, or any other person(s) against any loss or expense. This includes attorney fees because of any liability imposed by law upon the County, except in cases of the County's sole negligence, sustained by any person(s) on account of bodily injury or property damage arising out of or in the consequence of this Contract.

**ARTICLE #132 – NOT A JOINT VENTURE**

The County shall not be bound by any terms and conditions included in any Contractor packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in the addition to the terms and conditions contained herein.

**ARTICLE #133 – CONTRACT TERMS AND CONDITIONS**

1. All purchases must comply with the Official Code of Hall County Sections 3.10.010 – 3.10.190.
2. If any conflict or ambiguity arises between the terms and conditions herein and the Official Code of Hall County, the latter will govern.
3. The terms and conditions set forth herein shall supersede and govern over all Supplier's terms and conditions or service level agreements.
4. The County retains the right to "red line" sections of the Supplier's terms and conditions if such are in conflict with the best interest of the County.
5. Acceptance of a Purchase Order ("PO") and delivery of goods or services serves as the Supplier's full and complete acceptance of the County's terms and conditions.
6. The terms "supplier", "vendor", "bidder", "offeror", "contractor", "consultant", "designer", "distributor", "dealer" or "manufacturer" or otherwise purveyor or source of supply or performance of service shall mean one and the same, herein denoted as "supplier" for goods and "contractor" for services.
7. The terms "goods", "materials", "commodities", "components", "drawings", "drafts", "renderings", "plans" (physical or digital), software, SaaS, capital asset equipment, vehicles, heavy earth-moving or other equipment (purchased or leased), or other such deliverables are herein denoted as "goods" and shall mean one and the same.

8. "Services" shall mean all services, either financial, advisory, consultative, labor, staff augmentation, construction, rehabilitation, restoration, repair, support or maintenance, communication, telephony, internet, TV or streaming, pest control, grounds maintenance, custodial and janitorial, street or paved surfaces cleaning, drain cleaning, or otherwise where services are offered for consideration.
9. The Supplier shall transfer and deliver all goods or services described on the respective PO for the consideration set forth herein.
10. The Supplier shall only deliver goods and services as described on the respective PO and within the Scope of Work and the Supplier's bid response.
11. The County holds no obligation to pay for goods delivered or services rendered unless specified on a written PO or a Change Order of such.
12. The Supplier shall not construe any verbal consent to purchase goods or services as valid.
13. The County does not accept substitutions of services or goods that do not comply with the Scope of Work or specifications set forth in a PO, Contract, or Agreement unless mutually agreed in writing by both Parties.
14. The County does not accept automatic contract renewals except for monthly subscription services.
15. The County does not pay deposits towards goods ordered. Exceptions exist for custom made items such as window treatments, floor coverings, pre-mixed paints and stains, fabrication, decoration, or otherwise custom designed products specifically for the County.
16. The County will accept backorders only if goods are out of stock and with prior written notice. Suppliers shall ship all quantities that they have in stock and hold orders for backorders.
17. The County participates in cooperative purchasing agreements, State of Georgia Statewide Contracts, and other state, local, intergovernmental agreements, memorandums of understanding, and other such agreements.
18. In all cases, the jurisdiction shall be the State of Georgia, County of Hall, for arbitration or other legalities.
19. Deliveries shall be made to the ship-to address(es) listed on the PO and within the time specified. The Supplier must note if multiple ship-to addresses are used and deliver goods to the appropriate ship-to address.
20. Risk of loss of goods shall pass to the County upon inspection and acceptance only.
21. Title to the goods shall remain with the Supplier until acceptance by the County. Receipt of goods or services does not constitute acceptance.
22. Receipt of goods or services does not constitute acceptance.
23. Title to the goods shall remain with the Supplier until acceptance by the County.
24. The Supplier warrants that goods are merchantable, and the Supplier has a legal right to deliver the goods and services and as described herein.
25. The County shall have the right to inspect all goods or services at the time and place of delivery.
26. No right or interest in the contract shall be assigned by the Supplier without written permission of the County, and no delegation of any obligation owed or of the performance of any obligation by the Supplier shall be made without the written permission of the County. Any attempted assignment or delegation shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

27. The County is exempt from Federal Excise Tax and Georgia Sales and Use Tax.
28. This issuance of a PO shall not violate the Code of Ethics and Conflicts of Interest for Public Officers and Employees for Government Service set forth in the 2020 Section 45-1020 et seq. of the Official Code of Georgia Annotated and the Official Code of Hall County Section 3.10.070 governing Ethics.
29. All goods and services supplied pursuant to a PO shall, unless otherwise noted, conform exactly to all the descriptions, specifications, and attachments contained in the bid solicitation, request for proposals, invitation for bid, or other advertisements, upon which a PO is based, and the terms, conditions, and specifications of the bid solicitation are incorporated herein by reference and made a part hereof.
30. Any and all media production, recordings, videos, photo negatives, positives, artwork, plates, engravings, and other printed or digital media materials paid for in full and owned by the County are considered County property and shall be delivered to the County upon request.
31. Invoices should be submitted to the County as described on a PO, and each PO number and/or contract number must be shown on each invoice submitted.
32. In the event that a PO is issued with an attached Contract or Agreement, the terms and conditions of the latter shall govern in the event of any conflict with these terms and conditions.
33. The Supplier may be suspended, terminated, or debarred if it is determined that the Supplier has made false certification(s) or has violated such certification(s) by failure to carry out the requirements herein.
34. The Supplier certifies that it and any of its subcontractors have not been debarred, suspended, or declared ineligible by any agency of the County, State of Georgia, or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch. 1 Subpart 9.4.
35. The Supplier certifies that it is not currently engaged in an active or pending lawsuit or other grievance, injunction, or levy against the County.
36. Goods are Free-On-Board (F.O.B.) destination unless otherwise denoted. Freight, shipping, and delivery shall be pre-paid and added to the invoice as a separate line item.
37. The County does not pay late fees nor interest charges.
38. The Supplier shall charge the County the exact amount of freight, delivery, handling, and insurance charges the Supplier incurs.
39. The County is not bound to any minimum or maximum quantity or dollar amount set by the Supplier.
40. In the event there is a discrepancy between the unit price and extended price, the unit price shall govern.
41. Any changes to a PO in quantity or dollar amount require a written change order issued by the County.

**IN WITNESS WHEREOF**, said Parties have hereunto affixed their signatures and seals on the day, month, and year below. Bidder must print their company's full legal company name as it appears on their W-9 form below:

**CONTRACT # 46-001**

For the provision of

# Demand Services for Civil Engineering Services

## ARTICLE #101 – INTRODUCTION

This Contract for Demand Services for Civil Engineering Services (hereinafter "Services") as entered into on May 8, 2025 and with a limited term from to July 1, 2025 to June 30, 2026 is by and between Hall County, Georgia, Board of Commissioners, (hereinafter "County", "Owner") principally located at 2875 Browns Bridge Rd, Gainesville, Georgia 30504, and Columbia Engineering and Services, Inc., located at 2862 Buford Highway, Ste. 200, Duluth, GA 30096 (hereinafter "Contractor").

**WHEREAS** Contractor is an entity that is legally registered and qualified and holding any such licenses and certifications as may be required to render Services to do business in the State of Georgia. County and Contractor are known individually as a "Party" and collectively as the "Parties".

**WHEREAS** Nothing contained in this Contract shall be construed to convert the Contractor or any of its employees, agents, subcontractors, or sub-subcontractors into a partner, employee, or agent of the County, nor shall either Party to this Contract have any authority to bind the other in any respect.

**WHEREAS** the Contractor represents that it complies with the State of Georgia requirements for corporations and has signified a willingness to provide Services to the County and the County has relied on such representation; and,

**WHEREAS** the Parties mutually desire to enter into this Contract to document the provision of Services by the Contractor to the County in exchange for payment as compensation; and,

**WHEREAS** this contract will become legally binding upon signature by both Parties; and,

**WHEREAS** any attached documents, plans, exhibits, attachments, or references are all incorporated herein by reference, and

**NOW, THEREFORE** and in consideration of the mutual promises, terms, conditions, covenants, and agreements made as expressed and contained herein, or attached, incorporated, and made a part hereof, and other good and valuable consideration expressed by a valid offer and acceptance, the receipt and sufficiency of which the Parties hereby acknowledge, the Parties hereto agree as follows:

**ARTICLE #102 – CONTRACT**

A. Contractor agrees to provide the Services to the County as detailed in the Scope of Work.
B. County agrees to pay as compensation any fees as listed on the Exhibit C – Mandatory Cost Proposal Worksheet.

**ARTICLE #103 – NOTICES**

To the extent that either Party to this Contract is required to provide notice(s) to the other Party in compliance herewith, then the Party shall direct notice(s) to the following persons:

**REMIT TO ADDRESS (if different):** _____

**ARTICLE #104 – NON-EXCLUSIVE RIGHTS**

The Contract is not exclusive. The County reserves the right to select other Contractors to provide the Services similar to those described in this Contract during the term of the Contract should the need arise, or the Contractor fail to perform.

**ARTICLE #105 – CONTRACT TERM**

From Notice-to-Proceed until substantial and final completion of Services according to agreed time-schedule of and after all subcontractor(s) and material suppliers' liens are satisfied.

**ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION**

This Contract may only be modified, amended, or changed in writing and fully executed by both Parties hereto. This Contract constitutes the sole and entire Contract and understanding between the Parties as to the subject matter hereof, and no verbal promises have been made by either Party in relation hereto.

**ARTICLE #107 – REMEDIES AND CONTRACT PERFORMANCE**

In the event that either Party to this Contract breaches this Contract, including failure to meet the timetables set forth herein, the non-breaching Party shall provide a written Notice-to-Cure to the breaching Party which describes the breach of this Contract. The breaching Party shall have thirty (30) days from the date of receipt of the written Notice-to-Cure the breach or to otherwise negotiate a resolution of the breach.

If the breach has not been cured and the Parties hereto have not resolved the issue described in the Notice-to-Cure by thirty (30) days after receipt of the letter, the Party authoring the letter shall be entitled to seek any and all remedies allowed by Georgia law, including damages, equitable relief, declaratory relief, specific performance, and/or relief as to any bonds issued hereon. Additional provisions are:

A. **Delay or Impossibility of Performance.** Any failure or delay must be beyond the reasonable control of and without the fault or negligence of the Contractor. If the Services to be provided to the County are interrupted by a force majeure event, as defined below, the County will be entitled to an equitable adjustment to the fees and other payments due to the Contractor under this Contract. If delay results from a subcontractor's negligent conduct or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract.

Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached this Contract for failure or delay in fulfilling or performing any obligation under this Contract when such failure or delay is caused by or results from causes beyond the reasonable control of the affected Party including, but not limited to, fire, floods, embargoes, acts of war, civil unrest, insurrections, riots, strikes, lockouts or other labor disturbances, or acts of God; provided, however, that the Party so affected shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either Party shall provide the other Party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure.

**Definition:** The term "force majeure" as defined in Black's Law Dictionary is "an event or effect that can be neither anticipated nor controlled. It is a contractual provision allocating the risk of loss if performance becomes impossible or impracticable, especially as a result of an event that the Parties could not have anticipated or controlled."

B. **Obligations Beyond Contract Term.** The Contract shall remain in full force and effect to the end of the specified term or until terminated or canceled pursuant to *ARTICLE #108 – TERMINATION PROVISIONS.*

C. **Transition Cooperation with the County and Cooperation with Other Contractors.** Contractor agrees that upon termination of this Contract for any reason, it shall provide sufficient efforts and reasonable cooperation and assistance to the County to ensure an orderly and efficient transition to the County or an alternative Contractor. Further, if the County has entered into or enters into contracts with other Contractors related to the Services, Contractor agrees to cooperate fully with other such Contractors. Contractor shall not engage in any act that will interfere with the performance of work by any other Contractor(s).

**ARTICLE #108 – TERMINATION PROVISIONS**

The County may terminate this Contract by providing thirty (30) days written notice to the Contractor at any time. Should the County terminate this Contract prior to the date of automatic termination, Contractor shall provide the County with all deliverables up to the date of termination thirty (30) days after the Notice to Terminate is issued. The County shall pay the Contractor for all work properly performed in compliance with the terms of this Contract up to the date of termination.

A. **Termination for Convenience.** Following thirty (30) days' written notice, the County may terminate the Contract in whole or in part for any reason without the payment of any penalty or incurring any further obligation to the Contractor.

B. **Termination for Cause.** The occurrence of any of the following events shall constitute cause for the County to declare the Contractor in default of its obligations under the Contract:

1. The Contractor fails to deliver or has delivered nonconforming Services or fails to perform, to the County's satisfaction, any material requirement of the Contract or is in violation of a material provision of the Contract including, but without limitation, the expressed warranties made by the Contractor.
2. The County determines that Contractor's unsatisfactory performance substantially endangers completion or that default is likely to occur.
3. The Contractor fails to make substantial and timely progress toward performance of the Contract.
4. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the County reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law.
5. The Contractor has failed to comply with applicable federal, state, and local laws, rules, County ordinances, regulations, and orders when performing within the scope of the Contract.

6. The Contractor has engaged in conduct that has or may expose the County or the State to liability, as determined in the County's sole discretion; or a material breach of the terms of the Contract by County upon County's failure to cure such material breach after written notice thereof has been delivered in accordance with *ARTICLE #108.C* below constitutes cause for the Contractor to declare that the County is in default of its obligations under the Contract.

C. **Notice of Default.** If either Party causes any of the default events set out in *ARTICLE #108 – TERMINATION PROVISIONS*, then either Party shall issue a written Notice of Default to the Party that causes one (1) or more of the default events requesting that the breach or noncompliance be remedied within the period of time specified in the Notice of Default. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the non-breaching Party may:

1. Immediately terminate the Contract for default without additional written notice; and/or,
2. In the event of a breach by the Contractor, the County may procure substitute Services from another source and charge the difference between the Contract and the substitute Contract to the defaulting Contractor; and/or,
3. Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

D. **Termination Due to Non-Availability of Funds.** This Contract will terminate immediately and absolutely if the County determines that adequate funds are de-appropriated such that the County cannot fulfill its obligations under the Contract, such determination being at the County's sole discretion and conclusive. County agrees to provide prompt written notice to Contractor in the event of any de-appropriation.

E. **Termination due to Failure of Contractor to Act.** The County may terminate the Contract for any of the following reasons effective immediately without advance notice:

1. If the Contractor must be certified or licensed as a condition precedent to providing the Services, the revocation, suspension, or other loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect.
2. The County determines that the actions, or failure to act, of the Contractor, its agents, employees, or subcontractors have caused, or reasonably could cause, life, health, or safety to be jeopardized.
3. The Contractor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, criminal, or maliciously incorrect.
4. Failure of the Contractor to obtain, provide, maintain, and deliver the performance and payment bonds when required under this Contract, or failure to comply with any requirement pertaining to the appropriate amounts thereof as set forth in ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS.

F. **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by County, the County shall pay only those amounts, if any, due and owing to the Contractor for Services actually received and accepted by the County up to and including the date of termination of the Contract and for which the County is obligated to pay pursuant to the Contract.

G. **Contractor's Termination Duties.** Upon receipt of a Notice of Termination, the Contractor shall:

1. Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report within thirty (30) days of the date of Notice of Termination describing the status of all work under the Contract including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the County may require.
2. Immediately cease use and return to the County any personal property or materials, whether tangible or intangible, provided by the County to the Contractor.
3. Comply with the County's instructions for the timely transfer of any active files and work product produced by the Contractor under the Contract.
4. Cooperate in good faith with the County, its employees, agents, and Contractors during the transition period between the Notification of Termination and the substitution of any replacement Contractor.
5. Contractor is to immediately return any payments made by the County for goods and services that were not delivered by the Contractor.

H. **Liquidated Damages. – N/A for this contract.**

**ARTICLE #109 – NO DEFENSE OR INDEMNIFICATION BY COUNTY**

The Parties agree that the County shall not be responsible for defending or indemnifying any Contractor from any claim brought by any third party against the Contractor.

**ARTICLE #110 – ASSIGNMENT AND DELEGATION BY CONTRACTOR**

The Contractor shall not assign or delegate this Contract, or any performance required by it, in whole or in part, without the prior expressed written consent of the County.

**ARTICLE #111 – USE OF THIRD PARTIES (SUBCONTRACTORS)**

This Contract is for the benefit of the Parties hereto only and is not intended to benefit any third party or give rise to any duty or causes of action for any third party. All restrictions, obligations, and responsibilities of the Contractor under the Contract shall also apply to third parties such as subcontractors, if allowed in writing by the County. Any Contract with a subcontractor must also preserve the rights of the County.

**ARTICLE #112 – ENTIRE CONTRACT**

This Contract, as executed and approved, shall constitute the entire agreement between the Parties and supersedes all other prior and contemporaneous statements, agreements, and understandings between the Parties. No written or oral statements, agreements, or understandings that are not set out, referenced, or specifically incorporated in this Contract shall in any way be binding or of effect between the Parties.

**ARTICLE #113 – SEVERABILITY**

If any paragraph, sub-paragraph, sentence, clause, phrase, or portion of this Contract is declared invalid or unconstitutional by any Court of competent jurisdiction or if the provisions of any part of this Contract as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the remaining portions of this Contract not so held to be invalid or the application of this Contract to other circumstances not so held to be invalid.

**ARTICLE #114 – RECORDS**

A. **Public Records Request.** The Georgia Open Records Act, as provided in O.C.G.A. § 50-18-70 et seq, requires procurement records and all other records received by or prepared or maintained on behalf of the County shall be made open to public inspection unless otherwise provided by law.

B. **Record Retention and Access.** The Contractor shall maintain books, records, and documents in accordance with generally accepted accounting principles and procedures and which sufficiently and properly document and calculate all charges billed to the County throughout the term of the Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. Records to be maintained include both financial records and service records.

**ARTICLE #115 – ADDITIONAL TERMS**

The County shall not be bound by any terms and conditions included in any Contractor's sales-orders, literature, packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in addition to the terms and conditions contained herein.

**ARTICLE #116 – WAIVER**

The failure of any Party hereto to seek a remedy for any alleged breach of this Contract shall not constitute a waiver of any claim, cause of action, or remedy allowed by Georgia law for breach thereof.

**ARTICLE #117 – CONTRACTOR AND COUNTY RIGHTS AND OBLIGATIONS**

A. The County has the right at any time to require the Contractor to put an immediate stop to any procedure, or the use of any equipment, chemical, material, personnel, etc. considered by the County to be hazardous or toxic to persons, buildings, or surfaces. The Contractor will utilize acceptable substitutes approved by the County as quickly as possible. In the event of such replacement, Contractor shall (i) notify County of any resulting replacement, (ii) introduce the individual serving as the replacement to County, and/or (iii) provide County with a résumé and any other information regarding the individual that may be reasonably requested by County.

B. The County has the right to require the Contractor to reassign or remove any employee or subcontractor's employee from the premises temporarily or permanently when, in the County's sole opinion, the employee is not suitable. The County's decision shall be final, and Contractor will remove the employee immediately and replace with a person of at least equivalent training, experience, and requisite qualifications as quickly as possible, subject to the County's approval.

C. Contractor agrees to obtain prior written approval from the County for the use of subcontractors to provide the Services described in Scope of Work prior to subcontractor's performance of work.

**ARTICLE #118 – INSURANCE REQUIREMENTS**

The Contractor must procure and maintain insurance policies at the Contractor's own expense and must furnish the County with a certificate of insurance (COI) providing

evidence of proof of coverage at least in the amounts indicated in this subsection. The COI must list "Hall County, Georgia" as the certificate holder and as an additional insured under the commercial general, automobile, and umbrella liability policies as follows: "County of Hall, its Board of Commissioners, officers, employees, servants, and agents, 2875 Browns Bridge Rd, Gainesville, GA, 30504". The policy must protect the Contractor and the County (as an additional insured) from any claims for bodily injury, property damage, or personal injury covered by the indemnification obligations set forth herein throughout the duration of the Contract. The Contractor must maintain the following insurance coverage during the term of the Contract, in at least the minimum amounts set forth below, to cover all loss and liability for damages or destruction of property caused by or arising from any and all services carried on and any and all work performed by the Contractor pursuant to this Contract:

**Workers Compensation Insurance: Required for all contracts.**

- $500,000 Bodily Injury by Accident – Each Accident
- $500,000 Bodily Injury by Disease – Each Disease
- $500,000 Bodily Injury by Disease – Each Employee

**Additional Provisions: Waiver of Subrogation.** The insurer agrees to waive all rights of subrogation against Hall County Board of Commissioners (BOC), its elected or appointed officers, officials, agents, authorized volunteers, and employees for losses paid under the terms of this policy which arise from work performed by the Named Insured for Hall County BOC. This provision applies regardless of whether or not Hall County BOC has received a waiver of subrogation from the insurer.

**General Liability Insurance: Required for all contracts.**

- $2,000,000 General Aggregate
- $2,000,000 Products & Completed Operations Aggregate
- $1,000,000 Each Occurrence
- $1,000,000 Personal & Advertising Injury
- $500,000 Damages to Premises/Fire/Legal
- $5,000 Medical Payments

**Commercial Auto Liability Insurance: Required for all contracts**, except for goods and/or services that are remote in nature and/or are delivered by a professional delivery service.

- $1,000,000 Combined Single Limit Or $500,000 per Person/$1,000,000 per Occurrence
- $100,000 Property Damage
- $1,000 for Medical Payments (no fault coverage)

**Additional Provisions:**

- Uninsured motorist's coverage should be equal to the per occurrence limit except for contracts with other governmental entities.
- Coverage shall be included for any owned, leased, hired, or non-owned autos.
- For any contracts involving the transportation of hazardous materials, limited pollution endorsement ISO form CA9948 or its equivalent shall be on the policy.

**Umbrella Liability Insurance: Required for all contracts.**
$1,000,000 per Occurrence

**Additional Provisions: Required for all contracts.**

- Underlying coverage shall be General Liability, Automobile Liability, and Employers Liability (Workers Compensation).
- Minimum limit of $5,000,000 per occurrence for all contracts over $1,000,000 or involving any special risks or high hazard activities.
- Minimum limit of $5,000,000 for automobile coverage for any transportation contracts involving seniors, special education, transit services, students, or youths.
- Concurrent policy dates with primary liability policies except for workers compensation.

**ARTICLE #122 – COUNTY PAYMENT TO CONTRACTOR**

A. The County will issue a Notice to Proceed ("NTP") and a Purchase Order(s) ("PO") to the Contractor. The terms of this Contract shall be incorporated by reference into any PO(s) issued prior to the expiration or termination of this Contract. The County will issue the NTP and PO(s) by electronic mail (e-mail) to the Contractor's representative in *ARTICLE #103 – NOTICES*. A PO is considered "issued" when the e-mail containing the PO is sent by the County to the Contractor.

The Contractor shall not deliver any Services, equipment, devices, or components thereof until authorized in writing by the County through issuance of a PO, which shall provide a commencement date. Any work including, but not limited to, travel, preliminary meetings, planning, etc. performed outside of the terms and conditions of and before the issuance of a PO will not be considered for payment. Contractors are not to begin work or ship any product on any verbal communication from the County. The County will not be liable for payment for any work or product with the issuance of a verbal communication.

The Scope of Work shall remain in effect from the NTP date to completion of the project. The Parties agree that the County will not pay or otherwise compensate the Contractor for any Services, materials, equipment, devices, or components thereof outside of the Scope of Work and/or beyond the term of this Contract, unless specifically authorized in writing as evidenced by an amendment pursuant to *ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION*, a time extension letter, or as otherwise authorized by the County.

**B. Invoice/Payment**

B. 1. Contractor shall invoice the County via email each month solely to accountspayable@hallcounty.org and only after the County inspects and accepts the Services provided. Receipt of the Services does not constitute acceptance. Invoice amounts shall not exceed the Contractor's pricing set forth in Exhibit C – Cost Proposal Bid Form.

C.

~~D.~~ 2. Each properly prepared invoice must be sent in accordance with the instructions listed on the PO. Each invoice shall include the Contractor's current "Remit to" address, a description of the Services provided, the

invoice amount, the Contract number, and the associated PO number issued. Standard payment terms are net 30 days (N30) in arrears from the date the invoice is accepted, following delivery of the Services. The County does not pay for services not yet received but only in arrears.

E. 3. The County does not pay for services not yet received but only in arrears.

F. 4. The Contractor shall be solely responsible for paying all costs, expenses, and charges it incurs in connection with its performance under the Contract.

G.

C. **Unsatisfactory Performance/Delay of Payment**

1. If the County determines that the quality of the Services provided are deficient, unacceptable, or unsatisfactory the County's Project Manager identified in *ARTICLE #103 – NOTICES* shall issue a written Notice to Cure to Contractor. Contractor agrees that upon receipt of the written Notice to Cure it shall make every effort to correct the deficiency(ies) within the timeframe prescribed therein. If the Contractor fails to timely correct the deficiency(ies), the County reserves the right to delay or deny payment pursuant to this *ARTICLE* or terminate the Contract pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

2. **Delay of Payment Due to Contractor's Failure.** If the County determines that the Contractor has failed to perform or deliver any Services as required by the Contract, the Contractor shall not be entitled to any compensation under the Contract until such Services are delivered and accepted. In this event, the County may withhold that portion of the Contractor's compensation, which represents payment for Services that were not delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the County to incur costs, the County may deduct the amount of such incurred costs as liquidated damages from any amounts payable to Contractor. The County's authority to deduct such incurred costs shall not in any way affect the County's authority to terminate the Contract.

D. **Set-Off Against Sums Owed by the Contractor.** If the Contractor owes the County any sum under the terms of this Contract, pursuant to any judgment or pursuant to any law, the County may set off the sum owed by the Contractor against any sum owed to the Contractor, in the County's sole discretion.

E. **Final Payment.** Contractor shall issue an invoice for final payment to the County no later than thirty (30) days following the expiration or termination date of the Contract.

F. The Contractor must not factor or assign payments to another entity or a financial institution. -The County will only pay the Party with whom it is contracted. The County will not under any circumstances pay a third party.

**ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS – N/A for this contract.**

(Required for construction, renovation, and repair projects over $100,000.00)

The Contractor must furnish to the County both a performance and payment bond, both equal to one hundred percent (100%) of the Contract's total award dollar amount. The County will only issue a Notice to Proceed after the bonds are received. Only surety companies licensed to do business in the State of Georgia are acceptable. The

Contractor is required to provide new bonds at the issuance of each renewal option term(s) or extension(s) that follow.

The Contractor must provide all required bonding instruments to the County prior to the commencement of any work. The County will consider any work done prior to the receipt of bonding instruments as null and void and thus not eligible for compensation.

**ARTICLE #124 – RETAINAGE** (Required for construction, renovation, and repair projects)
The County will retain and withhold funds from compensation in compliance with Georgia law. The County may hold up to five percent (5%) retainage throughout the entire project and will release said retainage at the point of completion and final acceptance by the County.

**ARTICLE #125 – VENUE AND GOVERNING LAW**
The Parties agree that this Contract shall be interpreted, construed, and enforced in accordance with the laws of the State of Georgia. Should either party bring a legal suit to enforce the terms of this Contract, including suit in equity, the Parties agree and consent to file any such suit in the Superior Court of Hall County, Georgia.

**ARTICLE #126 – NOTICE OF INTENT TO LITIGATE**
Contractor hereby agrees not to file any civil action of disputes or claims relating to the Contract except after first giving thirty (30) days written notice to the County of the claim and the intent to initiate a civil action.

**ARTICLE #127 – GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT (E-Verify)**

A. By signing this Contract, the Contractor certifies that prior to and throughout the performance of all applicable work under this Contract it will remain in full compliance with all federal and state immigration laws including, but not limited to, 8 U.S.C. § 1324a and the Georgia Security and Immigration Compliance Act (O.C.G.A. §13-10-90 et seq.), as amended by the Illegal Immigration Reform and Enforcement Act of 2011 regarding the verification of employment eligibility of employees under the Immigration Reform and Control Act of 1986. Contractor will ensure that only persons who are citizens or nationals of the United States or non-citizens authorized under federal immigration laws are employed to perform services under this Contract or any subcontract or sub-subcontract hereunder.

B. Contractor further certifies its compliance with the aforementioned federal and state immigration laws set forth by signing a sworn affidavit, the Georgia Security and Immigration Compliance Act Affidavit (herein known as *Exhibit E – E-Verify Affidavit*), notarized by an Official Notary Public and incorporated herein by reference, and obtaining the same affidavit(s) from any subcontractor providing services pursuant to this Contract.

**ARTICLE #128 – ORDER OF PRECEDENCE**
In the event of any inconsistency, ambiguity, or conflict among the specific provisions of the Contract and the Contractor's response, the order of precedence shall be as follows:

1. Any amendments to the Contract, including all exhibits thereto.
2. The Contract itself, including all exhibits thereto.
3. Attachments appended to the Contract.
4. All other Contract attachments appended to the Contract.

**ARTICLE #129 – CONTRACT EXHIBITS AND ATTACHMENTS**

The Parties mutually acknowledge that all exhibits and attachments listed below made a part of this Contract, as though expressly written in the solicitation documents and the Bidder's response, are herein incorporated into this Contract by reference.

**ARTICLE #130 – SALES TAX EXEMPTION STATUS**

The County is exempt from State of Georgia and Local Sales and Use Tax. The Bidder understands and acknowledges that they are responsible for any sales and use tax they may incur for materials. The Bidder must not charge the County any sales and use tax as a separate line item. The Contractor may request a copy of the County's Georgia Sales and Use Tax Exemption Certificate.

**ARTICLE #131 – HOLD HARMLESS AGREEMENT**

The successful respondent hereby agrees to indemnify, hold free and harmless Hall County Government, County Commissioners, its agents, servants, employees, officers, directors, elected officials, or any other person(s) against any loss or expense. This includes attorney fees because of any liability imposed by law upon the County, except in cases of the County's sole negligence, sustained by any person(s) on account of bodily injury or property damage arising out of or in the consequence of this Contract.

**ARTICLE #132 – NOT A JOINT VENTURE**

The County shall not be bound by any terms and conditions included in any Contractor packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in the addition to the terms and conditions contained herein.

**ARTICLE #133 – CONTRACT TERMS AND CONDITIONS**

1. All purchases must comply with the Official Code of Hall County Sections 3.10.010 – 3.10.190.
2. If any conflict or ambiguity arises between the terms and conditions herein and the Official Code of Hall County, the latter will govern.
3. The terms and conditions set forth herein shall supersede and govern over all Supplier's terms and conditions or service level agreements.
4. The County retains the right to "red line" sections of the Supplier's terms and conditions if such are in conflict with the best interest of the County.
5. Acceptance of a Purchase Order ("PO") and delivery of goods or services serves as the Supplier's full and complete acceptance of the County's terms and conditions.
6. The terms "supplier", "vendor", "bidder", "offeror", "contractor", "consultant", "designer", "distributor", "dealer" or "manufacturer" or otherwise purveyor or source of supply or performance of service shall mean one and the same, herein denoted as "supplier" for goods and "contractor" for services.
7. The terms "goods", "materials", "commodities", "components", "drawings", "drafts", "renderings", "plans" (physical or digital), software, SaaS, capital asset equipment, vehicles, heavy earth-moving or other equipment (purchased or leased), or other such deliverables are herein denoted as "goods" and shall mean one and the same.

8. "Services" shall mean all services, either financial, advisory, consultative, labor, staff augmentation, construction, rehabilitation, restoration, repair, support or maintenance, communication, telephony, internet, TV or streaming, pest control, grounds maintenance, custodial and janitorial, street or paved surfaces cleaning, drain cleaning, or otherwise where services are offered for consideration.
9. The Supplier shall transfer and deliver all goods or services described on the respective PO for the consideration set forth herein.
10. The Supplier shall only deliver goods and services as described on the respective PO and within the Scope of Work and the Supplier's bid response.
11. The County holds no obligation to pay for goods delivered or services rendered unless specified on a written PO or a Change Order of such.
12. The Supplier shall not construe any verbal consent to purchase goods or services as valid.
13. The County does not accept substitutions of services or goods that do not comply with the Scope of Work or specifications set forth in a PO, Contract, or Agreement unless mutually agreed in writing by both Parties.
14. The County does not accept automatic contract renewals except for monthly subscription services.
15. The County does not pay deposits towards goods ordered. Exceptions exist for custom made items such as window treatments, floor coverings, pre-mixed paints and stains, fabrication, decoration, or otherwise custom designed products specifically for the County.
16. The County will accept backorders only if goods are out of stock and with prior written notice. Suppliers shall ship all quantities that they have in stock and hold orders for backorders.
17. The County participates in cooperative purchasing agreements, State of Georgia Statewide Contracts, and other state, local, intergovernmental agreements, memorandums of understanding, and other such agreements.
18. In all cases, the jurisdiction shall be the State of Georgia, County of Hall, for arbitration or other legalities.
19. Deliveries shall be made to the ship-to address(es) listed on the PO and within the time specified. The Supplier must note if multiple ship-to addresses are used and deliver goods to the appropriate ship-to address.
20. Risk of loss of goods shall pass to the County upon inspection and acceptance only.
21. Title to the goods shall remain with the Supplier until acceptance by the County. Receipt of goods or services does not constitute acceptance.
22. Receipt of goods or services does not constitute acceptance.
23. Title to the goods shall remain with the Supplier until acceptance by the County.
24. The Supplier warrants that goods are merchantable, and the Supplier has a legal right to deliver the goods and services and as described herein.
25. The County shall have the right to inspect all goods or services at the time and place of delivery.
26. No right or interest in the contract shall be assigned by the Supplier without written permission of the County, and no delegation of any obligation owed or of the performance of any obligation by the Supplier shall be made without the written permission of the County. Any attempted assignment or delegation shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

27. The County is exempt from Federal Excise Tax and Georgia Sales and Use Tax.
28. This issuance of a PO shall not violate the Code of Ethics and Conflicts of Interest for Public Officers and Employees for Government Service set forth in the 2020 Section 45-1020 et seq. of the Official Code of Georgia Annotated and the Official Code of Hall County Section 3.10.070 governing Ethics.
29. All goods and services supplied pursuant to a PO shall, unless otherwise noted, conform exactly to all the descriptions, specifications, and attachments contained in the bid solicitation, request for proposals, invitation for bid, or other advertisements, upon which a PO is based, and the terms, conditions, and specifications of the bid solicitation are incorporated herein by reference and made a part hereof.
30. Any and all media production, recordings, videos, photo negatives, positives, artwork, plates, engravings, and other printed or digital media materials paid for in full and owned by the County are considered County property and shall be delivered to the County upon request.
31. Invoices should be submitted to the County as described on a PO, and each PO number and/or contract number must be shown on each invoice submitted.
32. In the event that a PO is issued with an attached Contract or Agreement, the terms and conditions of the latter shall govern in the event of any conflict with these terms and conditions.
33. The Supplier may be suspended, terminated, or debarred if it is determined that the Supplier has made false certification(s) or has violated such certification(s) by failure to carry out the requirements herein.
34. The Supplier certifies that it and any of its subcontractors have not been debarred, suspended, or declared ineligible by any agency of the County, State of Georgia, or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch. 1 Subpart 9.4.
35. The Supplier certifies that it is not currently engaged in an active or pending lawsuit or other grievance, injunction, or levy against the County.
36. Goods are Free-On-Board (F.O.B.) destination unless otherwise denoted. Freight, shipping, and delivery shall be pre-paid and added to the invoice as a separate line item.
37. The County does not pay late fees nor interest charges.
38. The Supplier shall charge the County the exact amount of freight, delivery, handling, and insurance charges the Supplier incurs.
39. The County is not bound to any minimum or maximum quantity or dollar amount set by the Supplier.
40. In the event there is a discrepancy between the unit price and extended price, the unit price shall govern.
41. Any changes to a PO in quantity or dollar amount require a written change order issued by the County.

**IN WITNESS WHEREOF**, said Parties have hereunto affixed their signatures and seals on the day, month, and year below. Bidder must print their company's full legal company name as it appears on their W-9 form below:

**STATE OF GEORGIA**
**COUNTY OF HALL**

**CONTRACT # 46-001**

For the provision of

# Demand Services for Civil Engineering Services

## ARTICLE #101 – INTRODUCTION

This Contract for Demand Services for Civil Engineering Services (hereinafter "Services") as entered into on_____ and with a limited term from to July 1, 2025 to June 30, 2026 is by and between Hall County, Georgia, Board of Commissioners, (hereinafter "County", "Owner") principally located at 2875 Browns Bridge Rd, Gainesville, Georgia 30504, and KCI Technologies, Inc., located at 2160 Satellite Blvd, Ste 130, Duluth, GA 30097 (hereinafter "Contractor").

**WHEREAS** Contractor is an entity that is legally registered and qualified and holding any such licenses and certifications as may be required to render Services to do business in the State of Georgia. County and Contractor are known individually as a "Party" and collectively as the "Parties".

**WHEREAS** Nothing contained in this Contract shall be construed to convert the Contractor or any of its employees, agents, subcontractors, or sub-subcontractors into a partner, employee, or agent of the County, nor shall either Party to this Contract have any authority to bind the other in any respect.

**WHEREAS** the Contractor represents that it complies with the State of Georgia requirements for corporations and has signified a willingness to provide Services to the County and the County has relied on such representation; and,

**WHEREAS** the Parties mutually desire to enter into this Contract to document the provision of Services by the Contractor to the County in exchange for payment as compensation; and,

**WHEREAS** this contract will become legally binding upon signature by both Parties; and,

**WHEREAS** any attached documents, plans, exhibits, attachments, or references are all incorporated herein by reference, and

**NOW, THEREFORE** and in consideration of the mutual promises, terms, conditions, covenants, and agreements made as expressed and contained herein, or attached, incorporated, and made a part hereof, and other good and valuable consideration expressed by a valid offer and acceptance, the receipt and sufficiency of which the Parties hereby acknowledge, the Parties hereto agree as follows:

**ARTICLE #102 – CONTRACT**

A. Contractor agrees to provide the Services to the County as detailed in the Scope of Work.
B. County agrees to pay as compensation any fees as listed on the Exhibit C – Mandatory Cost Proposal Worksheet.

**ARTICLE #103 – NOTICES**

To the extent that either Party to this Contract is required to provide notice(s) to the other Party in compliance herewith, then the Party shall direct notice(s) to the following persons:

**COUNTY PROJECT MANAGER**
Brent Cook
County Engineer
Hall County Community Development and Infrastructure

City, State, ZIP: Duluth, GA 30097

Email: kerrie.boyette@kci.com

Phone: 470-299-1385

**REMIT TO ADDRESS (if different):** _____

**ARTICLE #104 – NON-EXCLUSIVE RIGHTS**

The Contract is not exclusive. The County reserves the right to select other Contractors to provide the Services similar to those described in this Contract during the term of the Contract should the need arise, or the Contractor fail to perform.

**ARTICLE #105 – CONTRACT TERM**

From Notice-to-Proceed until substantial and final completion of Services according to agreed time-schedule of and after all subcontractor(s) and material suppliers' liens are satisfied.

**ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION**

This Contract may only be modified, amended, or changed in writing and fully executed by both Parties hereto. This Contract constitutes the sole and entire Contract and understanding between the Parties as to the subject matter hereof, and no verbal promises have been made by either Party in relation hereto.

**ARTICLE #107 – REMEDIES AND CONTRACT PERFORMANCE**

In the event that either Party to this Contract breaches this Contract, including failure to meet the timetables set forth herein, the non-breaching Party shall provide a written Notice-to-Cure to the breaching Party which describes the breach of this Contract. The breaching Party shall have thirty (30) days from the date of receipt of the written Notice-to-Cure the breach or to otherwise negotiate a resolution of the breach.

If the breach has not been cured and the Parties hereto have not resolved the issue described in the Notice-to-Cure by thirty (30) days after receipt of the letter, the Party authoring the letter shall be entitled to seek any and all remedies allowed by Georgia law, including damages, equitable relief, declaratory relief, specific performance, and/or relief as to any bonds issued hereon. Additional provisions are:

A. **Delay or Impossibility of Performance.** Any failure or delay must be beyond the reasonable control of and without the fault or negligence of the Contractor. If the Services to be provided to the County are interrupted by a force majeure event, as defined below, the County will be entitled to an equitable adjustment to the fees and other payments due to the Contractor under this Contract. If delay results from a subcontractor's negligent conduct or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract.

Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached this Contract for failure or delay in fulfilling or performing any obligation under this Contract when such failure or delay is caused by or results from causes beyond the reasonable control of the affected Party including, but not limited to, fire, floods, embargoes, acts of war, civil unrest, insurrections, riots, strikes, lockouts or other labor disturbances, or acts of God; provided, however, that the Party so affected shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either Party shall provide the other Party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure.

**Definition:** The term "force majeure" as defined in Black's Law Dictionary is "an event or effect that can be neither anticipated nor controlled. It is a contractual provision allocating the risk of loss if performance becomes impossible or impracticable, especially as a result of an event that the Parties could not have anticipated or controlled."

B. **Obligations Beyond Contract Term.** The Contract shall remain in full force and effect to the end of the specified term or until terminated or canceled pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

C. **Transition Cooperation with the County and Cooperation with Other Contractors.** Contractor agrees that upon termination of this Contract for any reason, it shall provide sufficient efforts and reasonable cooperation and assistance to the County to ensure an orderly and efficient transition to the County or an alternative Contractor. Further, if the County has entered into or enters into contracts with other Contractors related to the Services, Contractor agrees to cooperate fully with other such Contractors. Contractor shall not engage in any act that will interfere with the performance of work by any other Contractor(s).

**ARTICLE #108 – TERMINATION PROVISIONS**

The County may terminate this Contract by providing thirty (30) days written notice to the Contractor at any time. Should the County terminate this Contract prior to the date of automatic termination, Contractor shall provide the County with all deliverables up to the date of termination thirty (30) days after the Notice to Terminate is issued. The County shall pay the Contractor for all work properly performed in compliance with the terms of this Contract up to the date of termination.

A. **Termination for Convenience.** Following thirty (30) days' written notice, the County may terminate the Contract in whole or in part for any reason without the payment of any penalty or incurring any further obligation to the Contractor.

B. **Termination for Cause.** The occurrence of any of the following events shall constitute cause for the County to declare the Contractor in default of its obligations under the Contract:

1. The Contractor fails to deliver or has delivered nonconforming Services or fails to perform, to the County's satisfaction, any material requirement of the Contract or is in violation of a material provision of the Contract including, but without limitation, the expressed warranties made by the Contractor.
2. The County determines that Contractor's unsatisfactory performance substantially endangers completion or that default is likely to occur.
3. The Contractor fails to make substantial and timely progress toward performance of the Contract.
4. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the County reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law.
5. The Contractor has failed to comply with applicable federal, state, and local laws, rules, County ordinances, regulations, and orders when performing within the scope of the Contract.

6. The Contractor has engaged in conduct that has or may expose the County or the State to liability, as determined in the County's sole discretion; or a material breach of the terms of the Contract by County upon County's failure to cure such material breach after written notice thereof has been delivered in accordance with *ARTICLE #108.C* below constitutes cause for the Contractor to declare that the County is in default of its obligations under the Contract.

C. **Notice of Default.** If either Party causes any of the default events set out in *ARTICLE #108 – TERMINATION PROVISIONS*, then either Party shall issue a written Notice of Default to the Party that causes one (1) or more of the default events requesting that the breach or noncompliance be remedied within the period of time specified in the Notice of Default. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the non-breaching Party may:

1. Immediately terminate the Contract for default without additional written notice; and/or,
2. In the event of a breach by the Contractor, the County may procure substitute Services from another source and charge the difference between the Contract and the substitute Contract to the defaulting Contractor; and/or,
3. Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

D. **Termination Due to Non-Availability of Funds.** This Contract will terminate immediately and absolutely if the County determines that adequate funds are de-appropriated such that the County cannot fulfill its obligations under the Contract, such determination being at the County's sole discretion and conclusive. County agrees to provide prompt written notice to Contractor in the event of any de-appropriation.

E. **Termination due to Failure of Contractor to Act.** The County may terminate the Contract for any of the following reasons effective immediately without advance notice:

1. If the Contractor must be certified or licensed as a condition precedent to providing the Services, the revocation, suspension, or other loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect.
2. The County determines that the actions, or failure to act, of the Contractor, its agents, employees, or subcontractors have caused, or reasonably could cause, life, health, or safety to be jeopardized.
3. The Contractor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, criminal, or maliciously incorrect.
4. Failure of the Contractor to obtain, provide, maintain, and deliver the performance and payment bonds when required under this Contract, or failure to comply with any requirement pertaining to the appropriate amounts thereof as set forth in ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS.

F. **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by County, the County shall pay only those amounts, if any, due and owing to the Contractor for Services actually received and accepted by the County up to and including the date of termination of the Contract and for which the County is obligated to pay pursuant to the Contract.

G. **Contractor's Termination Duties.** Upon receipt of a Notice of Termination, the Contractor shall:

1. Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report within thirty (30) days of the date of Notice of Termination describing the status of all work under the Contract including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the County may require.
2. Immediately cease use and return to the County any personal property or materials, whether tangible or intangible, provided by the County to the Contractor.
3. Comply with the County's instructions for the timely transfer of any active files and work product produced by the Contractor under the Contract.
4. Cooperate in good faith with the County, its employees, agents, and Contractors during the transition period between the Notification of Termination and the substitution of any replacement Contractor.
5. Contractor is to immediately return any payments made by the County for goods and services that were not delivered by the Contractor.

H. **Liquidated Damages. – N/A for this contract.**

**ARTICLE #109 – NO DEFENSE OR INDEMNIFICATION BY COUNTY**

The Parties agree that the County shall not be responsible for defending or indemnifying any Contractor from any claim brought by any third party against the Contractor.

**ARTICLE #110 – ASSIGNMENT AND DELEGATION BY CONTRACTOR**

The Contractor shall not assign or delegate this Contract, or any performance required by it, in whole or in part, without the prior expressed written consent of the County.

**ARTICLE #111 – USE OF THIRD PARTIES (SUBCONTRACTORS)**

This Contract is for the benefit of the Parties hereto only and is not intended to benefit any third party or give rise to any duty or causes of action for any third party. All restrictions, obligations, and responsibilities of the Contractor under the Contract shall also apply to third parties such as subcontractors, if allowed in writing by the County. Any Contract with a subcontractor must also preserve the rights of the County.

**ARTICLE #112 – ENTIRE CONTRACT**

This Contract, as executed and approved, shall constitute the entire agreement between the Parties and supersedes all other prior and contemporaneous statements, agreements, and understandings between the Parties. No written or oral statements, agreements, or understandings that are not set out, referenced, or specifically incorporated in this Contract shall in any way be binding or of effect between the Parties.

**ARTICLE #113 – SEVERABILITY**

If any paragraph, sub-paragraph, sentence, clause, phrase, or portion of this Contract is declared invalid or unconstitutional by any Court of competent jurisdiction or if the provisions of any part of this Contract as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the remaining portions of this Contract not so held to be invalid or the application of this Contract to other circumstances not so held to be invalid.

**ARTICLE #114 – RECORDS**

A. **Public Records Request**. The Georgia Open Records Act, as provided in O.C.G.A. § 50-18-70 et seq, requires procurement records and all other records received by or prepared or maintained on behalf of the County shall be made open to public inspection unless otherwise provided by law.

B. **Record Retention and Access**. The Contractor shall maintain books, records, and documents in accordance with generally accepted accounting principles and procedures and which sufficiently and properly document and calculate all charges billed to the County throughout the term of the Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. Records to be maintained include both financial records and service records.

**ARTICLE #115 – ADDITIONAL TERMS**

The County shall not be bound by any terms and conditions included in any Contractor's sales-orders, literature, packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in addition to the terms and conditions contained herein.

**ARTICLE #116 – WAIVER**

The failure of any Party hereto to seek a remedy for any alleged breach of this Contract shall not constitute a waiver of any claim, cause of action, or remedy allowed by Georgia law for breach thereof.

**ARTICLE #117 – CONTRACTOR AND COUNTY RIGHTS AND OBLIGATIONS**

A. The County has the right at any time to require the Contractor to put an immediate stop to any procedure, or the use of any equipment, chemical, material, personnel, etc. considered by the County to be hazardous or toxic to persons, buildings, or surfaces. The Contractor will utilize acceptable substitutes approved by the County as quickly as possible. In the event of such replacement, Contractor shall (i) notify County of any resulting replacement, (ii) introduce the individual serving as the replacement to County, and/or (iii) provide County with a résumé and any other information regarding the individual that may be reasonably requested by County.

B. The County has the right to require the Contractor to reassign or remove any employee or subcontractor's employee from the premises temporarily or permanently when, in the County's sole opinion, the employee is not suitable. The County's decision shall be final, and Contractor will remove the employee immediately and replace with a person of at least equivalent training, experience, and requisite qualifications as quickly as possible, subject to the County's approval.

C. Contractor agrees to obtain prior written approval from the County for the use of subcontractors to provide the Services described in Scope of Work prior to subcontractor's performance of work.

**ARTICLE #118 – INSURANCE REQUIREMENTS**

The Contractor must procure and maintain insurance policies at the Contractor's own expense and must furnish the County with a certificate of insurance (COI) providing

evidence of proof of coverage at least in the amounts indicated in this subsection. The COI must list "Hall County, Georgia" as the certificate holder and as an additional insured under the commercial general, automobile, and umbrella liability policies as follows: "County of Hall, its Board of Commissioners, officers, employees, servants, and agents, 2875 Browns Bridge Rd, Gainesville, GA, 30504". The policy must protect the Contractor and the County (as an additional insured) from any claims for bodily injury, property damage, or personal injury covered by the indemnification obligations set forth herein throughout the duration of the Contract. The Contractor must maintain the following insurance coverage during the term of the Contract, in at least the minimum amounts set forth below, to cover all loss and liability for damages or destruction of property caused by or arising from any and all services carried on and any and all work performed by the Contractor pursuant to this Contract:

**Workers Compensation Insurance: Required for all contracts.**

- $500,000 Bodily Injury by Accident – Each Accident
- $500,000 Bodily Injury by Disease – Each Disease
- $500,000 Bodily Injury by Disease – Each Employee

**Additional Provisions: Waiver of Subrogation.** The insurer agrees to waive all rights of subrogation against Hall County Board of Commissioners (BOC), its elected or appointed officers, officials, agents, authorized volunteers, and employees for losses paid under the terms of this policy which arise from work performed by the Named Insured for Hall County BOC. This provision applies regardless of whether or not Hall County BOC has received a waiver of subrogation from the insurer.

**General Liability Insurance: Required for all contracts.**

- $2,000,000 General Aggregate
- $2,000,000 Products & Completed Operations Aggregate
- $1,000,000 Each Occurrence
- $1,000,000 Personal & Advertising Injury
- $500,000 Damages to Premises/Fire/Legal
- $5,000 Medical Payments

**Commercial Auto Liability Insurance: Required for all contracts**, except for goods and/or services that are remote in nature and/or are delivered by a professional delivery service.

- $1,000,000 Combined Single Limit Or $500,000 per Person/$1,000,000 per Occurrence
- $100,000 Property Damage
- $1,000 for Medical Payments (no fault coverage)

**Additional Provisions:**

- Uninsured motorist's coverage should be equal to the per occurrence limit except for contracts with other governmental entities.
- Coverage shall be included for any owned, leased, hired, or non-owned autos.
- For any contracts involving the transportation of hazardous materials, limited pollution endorsement ISO form CA9948 or its equivalent shall be on the policy.

**Umbrella Liability Insurance: Required for all contracts.**
$1,000,000 per Occurrence

**Additional Provisions: Required for all contracts.**

- Underlying coverage shall be General Liability, Automobile Liability, and Employers Liability (Workers Compensation).
- Minimum limit of $5,000,000 per occurrence for all contracts over $1,000,000 or involving any special risks or high hazard activities.
- Minimum limit of $5,000,000 for automobile coverage for any transportation contracts involving seniors, special education, transit services, students, or youths.
- Concurrent policy dates with primary liability policies except for workers compensation.

**Professional Liability Insurance (Errors & Omissions):** Required for all professional service contracts. This shall include any consultants, medical, legal, technical, insurance agents, or other professions that require proper licenses.

- $1,000,000 Each Claim/Wrongful Act
- $2,000,000 General Aggregate
- If written on a claim's made policy, the policy must be maintained for at least two (2) years after the completion of the work and/or contract.

**ARTICLE # 119 – NO WAIVER:**

A. **Authority to Enter into Contract.** The Contractor represents and warrants that it has full authority to enter and perform its obligations under the Contract and that the Contract constitutes a legal, valid, and binding obligation upon the Contractor in accordance with its terms. The representatives of the parties hereto also represent and warrant that they are authorized to sign this Contract on behalf of each party hereto."

B. **Solicitation.** The Contractor warrants that no person or selling agency (except bona fide employees or selling agents maintained for the purpose of securing business) has been employed or retained to solicit and secure the Contract upon an agreement or understanding for commission, percentage, brokerage or contingency.

C. **Vehicles and Equipment.** Except for any specified County Owned Equipment and Vehicles listed herein, Contractor warrants that no Contractor employees, sub-contractors or others will not use County owned vehicles or equipment in the performance of this Contract without express written consent. Contractor shall be responsible for providing all transportation necessary to deliver Services under the Contract.

**ARTICLE # 120 – INTELLECTUAL PROPERTY RIGHTS and OWNERSHIP:**
The contractor agrees it will not use the name or any intellectual property, including but not limited to, County trademarks or logos in any manner,

including commercial advertising or as a business reference, without the expressed prior written consent of the County.

**ARTICLE # 121 - COMPENSATION:**

A. The County will pay the Contractor for the Services provided pursuant to this Contract and in accordance with the prices quoted and conditions set forth in the Bidder's response on Exhibit C – Mandatory Cost Proposal Worksheet, which is attached hereto and incorporated into this Contract as if fully set forth herein. Payments will be made monthly in arrears to the Contractor after acceptance of the Contractor's delivered Services by the County, and after receiving receipt of undisputed invoice to the County.

B. Prices quoted shall be firm and fixed throughout the term of this Contract, unless otherwise Amended or Modified by mutual agreement.

C. Cost may be prorated for Services added or removed under this Contract to align cost with the remaining term of Contract.

D. It is understood that this bid or proposal is made without collusion or fraud. Contractor understands and acknowledges that collusive bidding is a violation of state and federal law and may result in the cancellation of the Contract.

**ARTICLE #122 – COUNTY PAYMENT TO CONTRACTOR**

A. The County will issue a Notice to Proceed ("NTP") and a Purchase Order(s) ("PO") to the Contractor. The terms of this Contract shall be incorporated by reference into any PO(s) issued prior to the expiration or termination of this Contract. The County will issue the NTP and PO(s) by electronic mail (e-mail) to the Contractor's representative in *ARTICLE #103 – NOTICES*. A PO is considered "issued" when the e-mail containing the PO is sent by the County to the Contractor.

The Contractor shall not deliver any Services, equipment, devices, or components thereof until authorized in writing by the County through issuance of a PO, which shall provide a commencement date. Any work including, but not limited to, travel, preliminary meetings, planning, etc. performed outside of the terms and conditions of and before the issuance of a PO will not be considered for payment. Contractors are not to begin work or ship any product on any verbal communication from the County. The County will not be liable for payment for any work or product with the issuance of a verbal communication.

The Scope of Work shall remain in effect from the NTP date to completion of the project. The Parties agree that the County will not pay or otherwise compensate the Contractor for any Services, materials, equipment, devices, or components thereof outside of the Scope of Work and/or beyond the term of this Contract, unless

specifically authorized in writing as evidenced by an amendment pursuant to *ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION*, a time extension letter, or as otherwise authorized by the County.

**B. Invoice/Payment**

B. 1. Contractor shall invoice the County via email each month solely to accountspayable@hallcounty.org and only after the County inspects and accepts the Services provided. Receipt of the Services does not constitute acceptance. Invoice amounts shall not exceed the Contractor's pricing set forth in Exhibit C – Cost Proposal Bid Form.

C.

~~D.~~ 2. Each properly prepared invoice must be sent in accordance with the instructions listed on the PO. Each invoice shall include the Contractor's current "Remit to" address, a description of the Services provided, the invoice amount, the Contract number, and the associated PO number issued. Standard payment terms are net 30 days (N30) in arrears from the date the invoice is accepted, following delivery of the Services. The County does not pay for services not yet received but only in arrears.

E. 3. The County does not pay for services not yet received but only in arrears.

F. 4. The Contractor shall be solely responsible for paying all costs, expenses, and charges it incurs in connection with its performance under the Contract.

G.

C. **Unsatisfactory Performance/Delay of Payment**

1. If the County determines that the quality of the Services provided are deficient, unacceptable, or unsatisfactory the County's Project Manager identified in *ARTICLE #103 – NOTICES* shall issue a written Notice to Cure to Contractor. Contractor agrees that upon receipt of the written Notice to Cure it shall make every effort to correct the deficiency(ies) within the timeframe prescribed therein. If the Contractor fails to timely correct the deficiency(ies), the County reserves the right to delay or deny payment pursuant to this *ARTICLE* or terminate the Contract pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

2. **Delay of Payment Due to Contractor's Failure.** If the County determines that the Contractor has failed to perform or deliver any Services as required by the Contract, the Contractor shall not be entitled to any compensation under the Contract until such Services are delivered and accepted. In this event, the County may withhold that portion of the Contractor's compensation, which represents payment for Services that were not delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the County to incur costs, the County may deduct the amount of such incurred costs as liquidated damages from any amounts payable to Contractor. The County's authority to deduct such incurred costs shall not in any way affect the County's authority to terminate the Contract.

D. **Set-Off Against Sums Owed by the Contractor.** If the Contractor owes the County any sum under the terms of this Contract, pursuant to any judgment or pursuant to

any law, the County may set off the sum owed by the Contractor against any sum owed to the Contractor, in the County's sole discretion.

E. **Final Payment.** Contractor shall issue an invoice for final payment to the County no later than thirty (30) days following the expiration or termination date of the Contract.

F. The Contractor must not factor or assign payments to another entity or a financial institution. -The County will only pay the Party with whom it is contracted. The County will not under any circumstances pay a third party.

**ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS – N/A for this contract.**
(Required for construction, renovation, and repair projects over $100,000.00)
The Contractor must furnish to the County both a performance and payment bond, both equal to one hundred percent (100%) of the Contract's total award dollar amount. The County will only issue a Notice to Proceed after the bonds are received. Only surety companies licensed to do business in the State of Georgia are acceptable. The Contractor is required to provide new bonds at the issuance of each renewal option term(s) or extension(s) that follow.

The Contractor must provide all required bonding instruments to the County prior to the commencement of any work. The County will consider any work done prior to the receipt of bonding instruments as null and void and thus not eligible for compensation.

**ARTICLE #124 – RETAINAGE** (Required for construction, renovation, and repair projects)
The County will retain and withhold funds from compensation in compliance with Georgia law. The County may hold up to five percent (5%) retainage throughout the entire project and will release said retainage at the point of completion and final acceptance by the County.

**ARTICLE #125 – VENUE AND GOVERNING LAW**
The Parties agree that this Contract shall be interpreted, construed, and enforced in accordance with the laws of the State of Georgia. Should either party bring a legal suit to enforce the terms of this Contract, including suit in equity, the Parties agree and consent to file any such suit in the Superior Court of Hall County, Georgia.

**ARTICLE #126 – NOTICE OF INTENT TO LITIGATE**
Contractor hereby agrees not to file any civil action of disputes or claims relating to the Contract except after first giving thirty (30) days written notice to the County of the claim and the intent to initiate a civil action.

**ARTICLE #127 – GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT (E-Verify)**

A. By signing this Contract, the Contractor certifies that prior to and throughout the performance of all applicable work under this Contract it will remain in full compliance with all federal and state immigration laws including, but not limited to, 8 U.S.C. § 1324a and the Georgia Security and Immigration Compliance Act (O.C.G.A. §13-10-90 et seq.), as amended by the Illegal Immigration Reform and Enforcement Act of 2011 regarding the verification of employment eligibility of employees under the Immigration Reform and Control Act of 1986. Contractor will ensure that only persons who are citizens or nationals of the United States or non-

citizens authorized under federal immigration laws are employed to perform services under this Contract or any subcontract or sub-subcontract hereunder.

B. Contractor further certifies its compliance with the aforementioned federal and state immigration laws set forth by signing a sworn affidavit, the Georgia Security and Immigration Compliance Act Affidavit (herein known as *Exhibit E – E-Verify Affidavit*), notarized by an Official Notary Public and incorporated herein by reference, and obtaining the same affidavit(s) from any subcontractor providing services pursuant to this Contract.

**ARTICLE #128 – ORDER OF PRECEDENCE**

In the event of any inconsistency, ambiguity, or conflict among the specific provisions of the Contract and the Contractor's response, the order of precedence shall be as follows:

1. Any amendments to the Contract, including all exhibits thereto.
2. The Contract itself, including all exhibits thereto.
3. Attachments appended to the Contract.
4. All other Contract attachments appended to the Contract.

**ARTICLE #129 – CONTRACT EXHIBITS AND ATTACHMENTS**

The Parties mutually acknowledge that all exhibits and attachments listed below made a part of this Contract, as though expressly written in the solicitation documents and the Bidder's response, are herein incorporated into this Contract by reference.

**ARTICLE #130 – SALES TAX EXEMPTION STATUS**

The County is exempt from State of Georgia and Local Sales and Use Tax. The Bidder understands and acknowledges that they are responsible for any sales and use tax they may incur for materials. The Bidder must not charge the County any sales and use tax as a separate line item. The Contractor may request a copy of the County's Georgia Sales and Use Tax Exemption Certificate.

**ARTICLE #131 – HOLD HARMLESS AGREEMENT**

The successful respondent hereby agrees to indemnify, hold free and harmless Hall County Government, County Commissioners, its agents, servants, employees, officers, directors, elected officials, or any other person(s) against any loss or expense. This includes attorney fees because of any liability imposed by law upon the County, except in cases of the County's sole negligence, sustained by any person(s) on account of bodily injury or property damage arising out of or in the consequence of this Contract.

**ARTICLE #132 – NOT A JOINT VENTURE**

The County shall not be bound by any terms and conditions included in any Contractor packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in the addition to the terms and conditions contained herein.

**ARTICLE #133 – CONTRACT TERMS AND CONDITIONS**

1. All purchases must comply with the Official Code of Hall County Sections 3.10.010 – 3.10.190.

2. If any conflict or ambiguity arises between the terms and conditions herein and the Official Code of Hall County, the latter will govern.
3. The terms and conditions set forth herein shall supersede and govern over all Supplier's terms and conditions or service level agreements.
4. The County retains the right to "red line" sections of the Supplier's terms and conditions if such are in conflict with the best interest of the County.
5. Acceptance of a Purchase Order ("PO") and delivery of goods or services serves as the Supplier's full and complete acceptance of the County's terms and conditions.
6. The terms "supplier", "vendor", "bidder", "offeror", "contractor", "consultant", "designer", "distributor", "dealer" or "manufacturer" or otherwise purveyor or source of supply or performance of service shall mean one and the same, herein denoted as "supplier" for goods and "contractor" for services.
7. The terms "goods", "materials", "commodities", "components", "drawings", "drafts", "renderings", "plans" (physical or digital), software, SaaS, capital asset equipment, vehicles, heavy earth-moving or other equipment (purchased or leased), or other such deliverables are herein denoted as "goods" and shall mean one and the same.
8. "Services" shall mean all services, either financial, advisory, consultative, labor, staff augmentation, construction, rehabilitation, restoration, repair, support or maintenance, communication, telephony, internet, TV or streaming, pest control, grounds maintenance, custodial and janitorial, street or paved surfaces cleaning, drain cleaning, or otherwise where services are offered for consideration.
9. The Supplier shall transfer and deliver all goods or services described on the respective PO for the consideration set forth herein.
10. The Supplier shall only deliver goods and services as described on the respective PO and within the Scope of Work and the Supplier's bid response.
11. The County holds no obligation to pay for goods delivered or services rendered unless specified on a written PO or a Change Order of such.
12. The Supplier shall not construe any verbal consent to purchase goods or services as valid.
13. The County does not accept substitutions of services or goods that do not comply with the Scope of Work or specifications set forth in a PO, Contract, or Agreement unless mutually agreed in writing by both Parties.
14. The County does not accept automatic contract renewals except for monthly subscription services.
15. The County does not pay deposits towards goods ordered. Exceptions exist for custom made items such as window treatments, floor coverings, pre-mixed paints and stains, fabrication, decoration, or otherwise custom designed products specifically for the County.
16. The County will accept backorders only if goods are out of stock and with prior written notice. Suppliers shall ship all quantities that they have in stock and hold orders for backorders.
17. The County participates in cooperative purchasing agreements, State of Georgia Statewide Contracts, and other state, local, intergovernmental agreements, memorandums of understanding, and other such agreements.
18. In all cases, the jurisdiction shall be the State of Georgia, County of Hall, for arbitration or other legalities.

19. Deliveries shall be made to the ship-to address(es) listed on the PO and within the time specified. The Supplier must note if multiple ship-to addresses are used and deliver goods to the appropriate ship-to address.
20. Risk of loss of goods shall pass to the County upon inspection and acceptance only.
21. Title to the goods shall remain with the Supplier until acceptance by the County. Receipt of goods or services does not constitute acceptance.
22. Receipt of goods or services does not constitute acceptance.
23. Title to the goods shall remain with the Supplier until acceptance by the County.
24. The Supplier warrants that goods are merchantable, and the Supplier has a legal right to deliver the goods and services and as described herein.
25. The County shall have the right to inspect all goods or services at the time and place of delivery.
26. No right or interest in the contract shall be assigned by the Supplier without written permission of the County, and no delegation of any obligation owed or of the performance of any obligation by the Supplier shall be made without the written permission of the County. Any attempted assignment or delegation shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.
27. The County is exempt from Federal Excise Tax and Georgia Sales and Use Tax.
28. This issuance of a PO shall not violate the Code of Ethics and Conflicts of Interest for Public Officers and Employees for Government Service set forth in the 2020 Section 45-1020 et seq. of the Official Code of Georgia Annotated and the Official Code of Hall County Section 3.10.070 governing Ethics.
29. All goods and services supplied pursuant to a PO shall, unless otherwise noted, conform exactly to all the descriptions, specifications, and attachments contained in the bid solicitation, request for proposals, invitation for bid, or other advertisements, upon which a PO is based, and the terms, conditions, and specifications of the bid solicitation are incorporated herein by reference and made a part hereof.
    Standard of Care. Contractor will perform the Services in a manner consistent with the degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances at the same time and in the same or similar local ("Standard of Care") and conform, as applicable, to appropriate federal, state, and local laws, regulations and codes relevant to this Agreement. Nothing in this Agreement is intended to create, nor shall it be construed to create, a fiduciary duty owed by either party to the other.

30. Any and all media production, recordings, videos, photo negatives, positives, artwork, plates, engravings, and other printed or digital media materials paid for in full and owned by the County are considered County property and shall be delivered to the County upon request.
31. Invoices should be submitted to the County as described on a PO, and each PO number and/or contract number must be shown on each invoice submitted.
32. In the event that a PO is issued with an attached Contract or Agreement, the terms and conditions of the latter shall govern in the event of any conflict with these terms and conditions.
33. The Supplier may be suspended, terminated, or debarred if it is determined that the Supplier has made false certification(s) or has violated such certification(s) by failure to carry out the requirements herein.

34. The Supplier certifies that it and any of its subcontractors have not been debarred, suspended, or declared ineligible by any agency of the County, State of Georgia, or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch. 1 Subpart 9.4.
35. The Supplier certifies that it is not currently engaged in an active or pending lawsuit or other grievance, injunction, or levy against the County.
36. Goods are Free-On-Board (F.O.B.) destination unless otherwise denoted. Freight, shipping, and delivery shall be pre-paid and added to the invoice as a separate line item.
37. The County does not pay late fees nor interest charges.
38. The Supplier shall charge the County the exact amount of freight, delivery, handling, and insurance charges the Supplier incurs.
39. The County is not bound to any minimum or maximum quantity or dollar amount set by the Supplier.
40. In the event there is a discrepancy between the unit price and extended price, the unit price shall govern.
41. Any changes to a PO in quantity or dollar amount require a written change order issued by the County.

**IN WITNESS WHEREOF**, said Parties have hereunto affixed their signatures and seals on the day, month, and year below. Bidder must print their company's full legal company name as it appears on their W-9 form below:

EXHIBIT B – CONTRACT FOR SERVICES

**STATE OF GEORGIA**
**COUNTY OF HALL**

**CONTRACT # 46-001**

For the provision of

# Demand Services for Civil Engineering Services

## ARTICLE #101 – INTRODUCTION

This Contract for Demand Services for Civil Engineering Services (hereinafter "Services") as entered into on_____ and with a limited term from to July 1, 2025 to June 30, 2026 is by and between Hall County, Georgia, Board of Commissioners, (hereinafter "County", "Owner") principally located at 2875 Browns Bridge Rd, Gainesville, Georgia 30504, and Keck & Wood, Inc., located at 3090 Premiere Parkway, Suite 200, Duluth, Georgia 30097 (hereinafter "Contractor").

**WHEREAS** Contractor is an entity that is legally registered and qualified and holding any such licenses and certifications as may be required to render Services to do business in the State of Georgia. County and Contractor are known individually as a "Party" and collectively as the "Parties".

**WHEREAS** Nothing contained in this Contract shall be construed to convert the Contractor or any of its employees, agents, subcontractors, or sub-subcontractors into a partner, employee, or agent of the County, nor shall either Party to this Contract have any authority to bind the other in any respect.

**WHEREAS** the Contractor represents that it complies with the State of Georgia requirements for corporations and has signified a willingness to provide Services to the County and the County has relied on such representation; and,

**WHEREAS** the Parties mutually desire to enter into this Contract to document the provision of Services by the Contractor to the County in exchange for payment as compensation; and,

**WHEREAS** this contract will become legally binding upon signature by both Parties; and,

**WHEREAS** any attached documents, plans, exhibits, attachments, or references are all incorporated herein by reference, and

**NOW, THEREFORE** and in consideration of the mutual promises, terms, conditions, covenants, and agreements made as expressed and contained herein, or attached, incorporated, and made a part hereof, and other good and valuable consideration expressed by a valid offer and acceptance, the receipt and sufficiency of which the Parties hereby acknowledge, the Parties hereto agree as follows:

**ARTICLE #102 – CONTRACT**

A. Contractor agrees to provide the Services to the County as detailed in the Scope of Work.
B. County agrees to pay as compensation any fees as listed on the Exhibit C – Mandatory Cost Proposal Worksheet.

**ARTICLE #103 – NOTICES**

To the extent that either Party to this Contract is required to provide notice(s) to the other Party in compliance herewith, then the Party shall direct notice(s) to the following persons:

**COUNTY PROJECT MANAGER**
Brent Cook
County Engineer
Hall County Community Development and Infrastructure

City, State, ZIP: Duluth, Georgia 30097

Email: dsabia@keckwood.com

Phone: 803-727-6499 (mobile) | 678-417-4000 (main)

**REMIT TO ADDRESS (if different):** same

**ARTICLE #104 – NON-EXCLUSIVE RIGHTS**

The Contract is not exclusive. The County reserves the right to select other Contractors to provide the Services similar to those described in this Contract during the term of the Contract should the need arise, or the Contractor fail to perform.

**ARTICLE #105 – CONTRACT TERM**

From Notice-to-Proceed until substantial and final completion of Services according to agreed time-schedule of and after all subcontractor(s) and material suppliers' liens are satisfied.

**ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION**

This Contract may only be modified, amended, or changed in writing and fully executed by both Parties hereto. This Contract constitutes the sole and entire Contract and understanding between the Parties as to the subject matter hereof, and no verbal promises have been made by either Party in relation hereto.

**ARTICLE #107 – REMEDIES AND CONTRACT PERFORMANCE**

In the event that either Party to this Contract breaches this Contract, including failure to meet the timetables set forth herein, the non-breaching Party shall provide a written Notice-to-Cure to the breaching Party which describes the breach of this Contract. The breaching Party shall have thirty (30) days from the date of receipt of the written Notice-to-Cure the breach or to otherwise negotiate a resolution of the breach.

If the breach has not been cured and the Parties hereto have not resolved the issue described in the Notice-to-Cure by thirty (30) days after receipt of the letter, the Party authoring the letter shall be entitled to seek any and all remedies allowed by Georgia law, including damages, equitable relief, declaratory relief, specific performance, and/or relief as to any bonds issued hereon. Additional provisions are:

A. **Delay or Impossibility of Performance.** Any failure or delay must be beyond the reasonable control of and without the fault or negligence of the Contractor. If the Services to be provided to the County are interrupted by a force majeure event, as defined below, the County will be entitled to an equitable adjustment to the fees and other payments due to the Contractor under this Contract. If delay results from a subcontractor's negligent conduct or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract.

Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached this Contract for failure or delay in fulfilling or performing any obligation under this Contract when such failure or delay is caused by or results from causes beyond the reasonable control of the affected Party including, but not limited to, fire, floods, embargoes, acts of war, civil unrest, insurrections, riots, strikes, lockouts or other labor disturbances, or acts of God; provided, however, that the Party so affected shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either Party shall provide the other Party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure.

**Definition:** The term "force majeure" as defined in Black's Law Dictionary is "an event or effect that can be neither anticipated nor controlled. It is a contractual provision allocating the risk of loss if performance becomes impossible or impracticable, especially as a result of an event that the Parties could not have anticipated or controlled."

B. **Obligations Beyond Contract Term**. The Contract shall remain in full force and effect to the end of the specified term or until terminated or canceled pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

C. **Transition Cooperation with the County and Cooperation with Other Contractors**. Contractor agrees that upon termination of this Contract for any reason, it shall provide sufficient efforts and reasonable cooperation and assistance to the County to ensure an orderly and efficient transition to the County or an alternative Contractor. Further, if the County has entered into or enters into contracts with other Contractors related to the Services, Contractor agrees to cooperate fully with other such Contractors. Contractor shall not engage in any act that will interfere with the performance of work by any other Contractor(s).

**ARTICLE #108 – TERMINATION PROVISIONS**

The County may terminate this Contract by providing thirty (30) days written notice to the Contractor at any time. Should the County terminate this Contract prior to the date of automatic termination, Contractor shall provide the County with all deliverables up to the date of termination thirty (30) days after the Notice to Terminate is issued. The County shall pay the Contractor for all work properly performed in compliance with the terms of this Contract up to the date of termination.

A. **Termination for Convenience**. Following thirty (30) days' written notice, the County may terminate the Contract in whole or in part for any reason without the payment of any penalty or incurring any further obligation to the Contractor.

B. **Termination for Cause**. The occurrence of any of the following events shall constitute cause for the County to declare the Contractor in default of its obligations under the Contract:

1. The Contractor fails to deliver or has delivered nonconforming Services or fails to perform, to the County's satisfaction, any material requirement of the Contract or is in violation of a material provision of the Contract including, but without limitation, the expressed warranties made by the Contractor.
2. The County determines that Contractor's unsatisfactory performance substantially endangers completion or that default is likely to occur.
3. The Contractor fails to make substantial and timely progress toward performance of the Contract.
4. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the County reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law.
5. The Contractor has failed to comply with applicable federal, state, and local laws, rules, County ordinances, regulations, and orders when performing within the scope of the Contract.

6. The Contractor has engaged in conduct that has or may expose the County or the State to liability, as determined in the County's sole discretion; or a material breach of the terms of the Contract by County upon County's failure to cure such material breach after written notice thereof has been delivered in accordance with *ARTICLE #108.C* below constitutes cause for the Contractor to declare that the County is in default of its obligations under the Contract.

C. **Notice of Default.** If either Party causes any of the default events set out in *ARTICLE #108 – TERMINATION PROVISIONS*, then either Party shall issue a written Notice of Default to the Party that causes one (1) or more of the default events requesting that the breach or noncompliance be remedied within the period of time specified in the Notice of Default. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the non-breaching Party may:

1. Immediately terminate the Contract for default without additional written notice; and/or,
2. In the event of a breach by the Contractor, the County may procure substitute Services from another source and charge the difference between the Contract and the substitute Contract to the defaulting Contractor; and/or,
3. Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

D. **Termination Due to Non-Availability of Funds.** This Contract will terminate immediately and absolutely if the County determines that adequate funds are de-appropriated such that the County cannot fulfill its obligations under the Contract, such determination being at the County's sole discretion and conclusive. County agrees to provide prompt written notice to Contractor in the event of any de-appropriation.

E. **Termination due to Failure of Contractor to Act.** The County may terminate the Contract for any of the following reasons effective immediately without advance notice:

1. If the Contractor must be certified or licensed as a condition precedent to providing the Services, the revocation, suspension, or other loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect.
2. The County determines that the actions, or failure to act, of the Contractor, its agents, employees, or subcontractors have caused, or reasonably could cause, life, health, or safety to be jeopardized.
3. The Contractor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, criminal, or maliciously incorrect.
4. Failure of the Contractor to obtain, provide, maintain, and deliver the performance and payment bonds when required under this Contract, or failure to comply with any requirement pertaining to the appropriate amounts thereof as set forth in ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS.

F. **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by County, the County shall pay only those amounts, if any, due and owing to the Contractor for Services actually received and accepted by the County up to and including the date of termination of the Contract and for which the County is obligated to pay pursuant to the Contract.

G. **Contractor's Termination Duties.** Upon receipt of a Notice of Termination, the Contractor shall:

1. Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report within thirty (30) days of the date of Notice of Termination describing the status of all work under the Contract including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the County may require.
2. Immediately cease use and return to the County any personal property or materials, whether tangible or intangible, provided by the County to the Contractor.
3. Comply with the County's instructions for the timely transfer of any active files and work product produced by the Contractor under the Contract.
4. Cooperate in good faith with the County, its employees, agents, and Contractors during the transition period between the Notification of Termination and the substitution of any replacement Contractor.
5. Contractor is to immediately return any payments made by the County for goods and services that were not delivered by the Contractor.

H. **Liquidated Damages. – N/A for this contract.**

**ARTICLE #109 – NO DEFENSE OR INDEMNIFICATION BY COUNTY**

The Parties agree that the County shall not be responsible for defending or indemnifying any Contractor from any claim brought by any third party against the Contractor.

**ARTICLE #110 – ASSIGNMENT AND DELEGATION BY CONTRACTOR**

The Contractor shall not assign or delegate this Contract, or any performance required by it, in whole or in part, without the prior expressed written consent of the County.

**ARTICLE #111 – USE OF THIRD PARTIES (SUBCONTRACTORS)**

This Contract is for the benefit of the Parties hereto only and is not intended to benefit any third party or give rise to any duty or causes of action for any third party. All restrictions, obligations, and responsibilities of the Contractor under the Contract shall also apply to third parties such as subcontractors, if allowed in writing by the County. Any Contract with a subcontractor must also preserve the rights of the County.

**ARTICLE #112 – ENTIRE CONTRACT**

This Contract, as executed and approved, shall constitute the entire agreement between the Parties and supersedes all other prior and contemporaneous statements, agreements, and understandings between the Parties. No written or oral statements, agreements, or understandings that are not set out, referenced, or specifically incorporated in this Contract shall in any way be binding or of effect between the Parties.

**ARTICLE #113 – SEVERABILITY**

If any paragraph, sub-paragraph, sentence, clause, phrase, or portion of this Contract is declared invalid or unconstitutional by any Court of competent jurisdiction or if the provisions of any part of this Contract as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the remaining portions of this Contract not so held to be invalid or the application of this Contract to other circumstances not so held to be invalid.

**ARTICLE #114 – RECORDS**

A. **Public Records Request**. The Georgia Open Records Act, as provided in O.C.G.A. § 50-18-70 et seq, requires procurement records and all other records received by or prepared or maintained on behalf of the County shall be made open to public inspection unless otherwise provided by law.

B. **Record Retention and Access**. The Contractor shall maintain books, records, and documents in accordance with generally accepted accounting principles and procedures and which sufficiently and properly document and calculate all charges billed to the County throughout the term of the Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. Records to be maintained include both financial records and service records.

**ARTICLE #115 – ADDITIONAL TERMS**

The County shall not be bound by any terms and conditions included in any Contractor's sales-orders, literature, packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in addition to the terms and conditions contained herein.

**ARTICLE #116 – WAIVER**

The failure of any Party hereto to seek a remedy for any alleged breach of this Contract shall not constitute a waiver of any claim, cause of action, or remedy allowed by Georgia law for breach thereof.

**ARTICLE #117 – CONTRACTOR AND COUNTY RIGHTS AND OBLIGATIONS**

A. The County has the right at any time to require the Contractor to put an immediate stop to any procedure, or the use of any equipment, chemical, material, personnel, etc. considered by the County to be hazardous or toxic to persons, buildings, or surfaces. The Contractor will utilize acceptable substitutes approved by the County as quickly as possible. In the event of such replacement, Contractor shall (i) notify County of any resulting replacement, (ii) introduce the individual serving as the replacement to County, and/or (iii) provide County with a résumé and any other information regarding the individual that may be reasonably requested by County.

B. The County has the right to require the Contractor to reassign or remove any employee or subcontractor's employee from the premises temporarily or permanently when, in the County's sole opinion, the employee is not suitable. The County's decision shall be final, and Contractor will remove the employee immediately and replace with a person of at least equivalent training, experience, and requisite qualifications as quickly as possible, subject to the County's approval.

C. Contractor agrees to obtain prior written approval from the County for the use of subcontractors to provide the Services described in Scope of Work prior to subcontractor's performance of work.

**ARTICLE #118 – INSURANCE REQUIREMENTS**

The Contractor must procure and maintain insurance policies at the Contractor's own expense and must furnish the County with a certificate of insurance (COI) providing

evidence of proof of coverage at least in the amounts indicated in this subsection. The COI must list "Hall County, Georgia" as the certificate holder and as an additional insured under the commercial general, automobile, and umbrella liability policies as follows: "County of Hall, its Board of Commissioners, officers, employees, servants, and agents, 2875 Browns Bridge Rd, Gainesville, GA, 30504". The policy must protect the Contractor and the County (as an additional insured) from any claims for bodily injury, property damage, or personal injury covered by the indemnification obligations set forth herein throughout the duration of the Contract. The Contractor must maintain the following insurance coverage during the term of the Contract, in at least the minimum amounts set forth below, to cover all loss and liability for damages or destruction of property caused by or arising from any and all services carried on and any and all work performed by the Contractor pursuant to this Contract:

**Workers Compensation Insurance: Required for all contracts.**

- $500,000 Bodily Injury by Accident – Each Accident
- $500,000 Bodily Injury by Disease – Each Disease
- $500,000 Bodily Injury by Disease – Each Employee

**Additional Provisions: Waiver of Subrogation.** The insurer agrees to waive all rights of subrogation against Hall County Board of Commissioners (BOC), its elected or appointed officers, officials, agents, authorized volunteers, and employees for losses paid under the terms of this policy which arise from work performed by the Named Insured for Hall County BOC. This provision applies regardless of whether or not Hall County BOC has received a waiver of subrogation from the insurer.

**General Liability Insurance: Required for all contracts.**

- $2,000,000 General Aggregate
- $2,000,000 Products & Completed Operations Aggregate
- $1,000,000 Each Occurrence
- $1,000,000 Personal & Advertising Injury
- $500,000 Damages to Premises/Fire/Legal
- $5,000 Medical Payments

**Commercial Auto Liability Insurance: Required for all contracts**; except for goods and/or services that are remote in nature and/or are delivered by a professional delivery service.

- $1,000,000 Combined Single Limit Or $500,000 per Person/$1,000,000 per Occurrence
- $100,000 Property Damage
- $1,000 for Medical Payments (no fault coverage)

**Additional Provisions:**

- Uninsured motorist's coverage should be equal to the per occurrence limit except for contracts with other governmental entities.
- Coverage shall be included for any owned, leased, hired, or non-owned autos.
- For any contracts involving the transportation of hazardous materials, limited pollution endorsement ISO form CA9948 or its equivalent shall be on the policy.

**Umbrella Liability Insurance: Required for all contracts.**
$1,000,000 per Occurrence

**Additional Provisions: Required for all contracts.**

- Underlying coverage shall be General Liability, Automobile Liability, and Employers Liability (Workers Compensation).
- Minimum limit of $5,000,000 per occurrence for all contracts over $1,000,000 or involving any special risks or high hazard activities.
- Minimum limit of $5,000,000 for automobile coverage for any transportation contracts involving seniors, special education, transit services, students, or youths.
- Concurrent policy dates with primary liability policies except for workers compensation.

**ARTICLE #122 – COUNTY PAYMENT TO CONTRACTOR**

A. The County will issue a Notice to Proceed ("NTP") and a Purchase Order(s) ("PO") to the Contractor. The terms of this Contract shall be incorporated by reference into any PO(s) issued prior to the expiration or termination of this Contract. The County will issue the NTP and PO(s) by electronic mail (e-mail) to the Contractor's representative in *ARTICLE #103 – NOTICES*. A PO is considered "issued" when the e-mail containing the PO is sent by the County to the Contractor.

The Contractor shall not deliver any Services, equipment, devices, or components thereof until authorized in writing by the County through issuance of a PO, which shall provide a commencement date. Any work including, but not limited to, travel, preliminary meetings, planning, etc. performed outside of the terms and conditions of and before the issuance of a PO will not be considered for payment. Contractors are not to begin work or ship any product on any verbal communication from the County. The County will not be liable for payment for any work or product with the issuance of a verbal communication.

The Scope of Work shall remain in effect from the NTP date to completion of the project. The Parties agree that the County will not pay or otherwise compensate the Contractor for any Services, materials, equipment, devices, or components thereof outside of the Scope of Work and/or beyond the term of this Contract, unless specifically authorized in writing as evidenced by an amendment pursuant to *ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION*, a time extension letter, or as otherwise authorized by the County.

**B. Invoice/Payment**

B. 1. Contractor shall invoice the County via email each month solely to accountspayable@hallcounty.org and only after the County inspects and accepts the Services provided. Receipt of the Services does not constitute acceptance. Invoice amounts shall not exceed the Contractor's pricing set forth in Exhibit C – Cost Proposal Bid Form.

C.

~~D.~~ 2. Each properly prepared invoice must be sent in accordance with the instructions listed on the PO. Each invoice shall include the Contractor's current "Remit to" address, a description of the Services provided, the

invoice amount, the Contract number, and the associated PO number issued. Standard payment terms are net 30 days (N30) in arrears from the date the invoice is accepted, following delivery of the Services. The County does not pay for services not yet received but only in arrears.

E. 3. The County does not pay for services not yet received but only in arrears.

F. 4. The Contractor shall be solely responsible for paying all costs, expenses, and charges it incurs in connection with its performance under the Contract.

G.

C. **Unsatisfactory Performance/Delay of Payment**

1. If the County determines that the quality of the Services provided are deficient, unacceptable, or unsatisfactory the County's Project Manager identified in *ARTICLE #103 – NOTICES* shall issue a written Notice to Cure to Contractor. Contractor agrees that upon receipt of the written Notice to Cure it shall make every effort to correct the deficiency(ies) within the timeframe prescribed therein. If the Contractor fails to timely correct the deficiency(ies), the County reserves the right to delay or deny payment pursuant to this *ARTICLE* or terminate the Contract pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

2. **Delay of Payment Due to Contractor's Failure.** If the County determines that the Contractor has failed to perform or deliver any Services as required by the Contract, the Contractor shall not be entitled to any compensation under the Contract until such Services are delivered and accepted. In this event, the County may withhold that portion of the Contractor's compensation, which represents payment for Services that were not delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the County to incur costs, the County may deduct the amount of such incurred costs as liquidated damages from any amounts payable to Contractor. The County's authority to deduct such incurred costs shall not in any way affect the County's authority to terminate the Contract.

D. **Set-Off Against Sums Owed by the Contractor.** If the Contractor owes the County any sum under the terms of this Contract, pursuant to any judgment or pursuant to any law, the County may set off the sum owed by the Contractor against any sum owed to the Contractor, in the County's sole discretion.

E. **Final Payment.** Contractor shall issue an invoice for final payment to the County no later than thirty (30) days following the expiration or termination date of the Contract.

F. The Contractor must not factor or assign payments to another entity or a financial institution. The County will only pay the Party with whom it is contracted. The County will not under any circumstances pay a third party.

**ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS – N/A for this contract.**

(Required for construction, renovation, and repair projects over $100,000.00)

The Contractor must furnish to the County both a performance and payment bond, both equal to one hundred percent (100%) of the Contract's total award dollar amount. The County will only issue a Notice to Proceed after the bonds are received. Only surety companies licensed to do business in the State of Georgia are acceptable. The

Contractor is required to provide new bonds at the issuance of each renewal option term(s) or extension(s) that follow.

The Contractor must provide all required bonding instruments to the County prior to the commencement of any work. The County will consider any work done prior to the receipt of bonding instruments as null and void and thus not eligible for compensation.

**ARTICLE #124 – RETAINAGE** (Required for construction, renovation, and repair projects)
The County will retain and withhold funds from compensation in compliance with Georgia law. The County may hold up to five percent (5%) retainage throughout the entire project and will release said retainage at the point of completion and final acceptance by the County.

**ARTICLE #125 – VENUE AND GOVERNING LAW**
The Parties agree that this Contract shall be interpreted, construed, and enforced in accordance with the laws of the State of Georgia. Should either party bring a legal suit to enforce the terms of this Contract, including suit in equity, the Parties agree and consent to file any such suit in the Superior Court of Hall County, Georgia.

**ARTICLE #126 – NOTICE OF INTENT TO LITIGATE**
Contractor hereby agrees not to file any civil action of disputes or claims relating to the Contract except after first giving thirty (30) days written notice to the County of the claim and the intent to initiate a civil action.

**ARTICLE #127 – GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT (E-Verify)**

A. By signing this Contract, the Contractor certifies that prior to and throughout the performance of all applicable work under this Contract it will remain in full compliance with all federal and state immigration laws including, but not limited to, 8 U.S.C. § 1324a and the Georgia Security and Immigration Compliance Act (O.C.G.A. §13-10-90 et seq.), as amended by the Illegal Immigration Reform and Enforcement Act of 2011 regarding the verification of employment eligibility of employees under the Immigration Reform and Control Act of 1986. Contractor will ensure that only persons who are citizens or nationals of the United States or non-citizens authorized under federal immigration laws are employed to perform services under this Contract or any subcontract or sub-subcontract hereunder.

B. Contractor further certifies its compliance with the aforementioned federal and state immigration laws set forth by signing a sworn affidavit, the Georgia Security and Immigration Compliance Act Affidavit (herein known as *Exhibit E – E-Verify Affidavit*), notarized by an Official Notary Public and incorporated herein by reference, and obtaining the same affidavit(s) from any subcontractor providing services pursuant to this Contract.

**ARTICLE #128 – ORDER OF PRECEDENCE**
In the event of any inconsistency, ambiguity, or conflict among the specific provisions of the Contract and the Contractor's response, the order of precedence shall be as follows:

1. Any amendments to the Contract, including all exhibits thereto.
2. The Contract itself, including all exhibits thereto.
3. Attachments appended to the Contract.
4. All other Contract attachments appended to the Contract.

**ARTICLE #129 – CONTRACT EXHIBITS AND ATTACHMENTS**

The Parties mutually acknowledge that all exhibits and attachments listed below made a part of this Contract, as though expressly written in the solicitation documents and the Bidder's response, are herein incorporated into this Contract by reference.

**ARTICLE #130 – SALES TAX EXEMPTION STATUS**

The County is exempt from State of Georgia and Local Sales and Use Tax. The Bidder understands and acknowledges that they are responsible for any sales and use tax they may incur for materials. The Bidder must not charge the County any sales and use tax as a separate line item. The Contractor may request a copy of the County's Georgia Sales and Use Tax Exemption Certificate.

**ARTICLE #131 – HOLD HARMLESS AGREEMENT**

The successful respondent hereby agrees to indemnify, hold free and harmless Hall County Government, County Commissioners, its agents, servants, employees, officers, directors, elected officials, or any other person(s) against any loss or expense *to the extent caused by or resulting from the negligence, recklessness, or intentionally wrongful conduct of the Contractor or other persons employed or utilized by the Contractor in the performance of the contract.* This includes attorney fees because of any liability imposed by law upon the County, except in cases of the County's sole negligence, sustained by any person(s) on account of bodily injury or property damage arising out of or in the consequence of this Contract.

**ARTICLE #132 – NOT A JOINT VENTURE**

The County shall not be bound by any terms and conditions included in any Contractor packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in the addition to the terms and conditions contained herein.

**ARTICLE #133 – CONTRACT TERMS AND CONDITIONS**

1. All purchases must comply with the Official Code of Hall County Sections 3.10.010 – 3.10.190.
2. If any conflict or ambiguity arises between the terms and conditions herein and the Official Code of Hall County, the latter will govern.
3. The terms and conditions set forth herein shall supersede and govern over all Supplier's terms and conditions or service level agreements.
4. The County retains the right to "red line" sections of the Supplier's terms and conditions if such are in conflict with the best interest of the County.
5. Acceptance of a Purchase Order ("PO") and delivery of goods or services serves as the Supplier's full and complete acceptance of the County's terms and conditions.
6. The terms "supplier", "vendor", "bidder", "offeror", "contractor", "consultant", "designer", "distributor", "dealer" or "manufacturer" or otherwise purveyor or source

of supply or performance of service shall mean one and the same; herein denoted as "supplier" for goods and "contractor" for services.

7. The terms "goods", "materials", "commodities", "components", "drawings", "drafts", "renderings", "plans" (physical or digital), software, SaaS, capital asset equipment, vehicles, heavy earth-moving or other equipment (purchased or leased), or other such deliverables are herein denoted as "goods" and shall mean one and the same.
8. "Services" shall mean all services, either financial, advisory, consultative, labor, staff augmentation, construction, rehabilitation, restoration, repair, support or maintenance, communication, telephony, internet, TV or streaming, pest control, grounds maintenance, custodial and janitorial, street or paved surfaces cleaning, drain cleaning, or otherwise where services are offered for consideration.
9. The Supplier shall transfer and deliver all goods or services described on the respective PO for the consideration set forth herein.
10. The Supplier shall only deliver goods and services as described on the respective PO and within the Scope of Work and the Supplier's bid response.
11. The County holds no obligation to pay for goods delivered or services rendered unless specified on a written PO or a Change Order of such.
12. The Supplier shall not construe any verbal consent to purchase goods or services as valid.
13. The County does not accept substitutions of services or goods that do not comply with the Scope of Work or specifications set forth in a PO, Contract, or Agreement unless mutually agreed in writing by both Parties.
14. The County does not accept automatic contract renewals except for monthly subscription services.
15. The County does not pay deposits towards goods ordered. Exceptions exist for custom made items such as window treatments, floor coverings, pre-mixed paints and stains, fabrication, decoration, or otherwise custom designed products specifically for the County.
16. The County will accept backorders only if goods are out of stock and with prior written notice. Suppliers shall ship all quantities that they have in stock and hold orders for backorders.
17. The County participates in cooperative purchasing agreements, State of Georgia Statewide Contracts, and other state, local, intergovernmental agreements, memorandums of understanding, and other such agreements.
18. In all cases, the jurisdiction shall be the State of Georgia, County of Hall, for arbitration or other legalities.
19. Deliveries shall be made to the ship-to address(es) listed on the PO and within the time specified. The Supplier must note if multiple ship-to addresses are used and deliver goods to the appropriate ship-to address.
20. Risk of loss of goods shall pass to the County upon inspection and acceptance only.
21. Title to the goods shall remain with the Supplier until acceptance by the County. Receipt of goods or services does not constitute acceptance.
22. Receipt of goods or services does not constitute acceptance.
23. Title to the goods shall remain with the Supplier until acceptance by the County.
24. The Supplier warrants that goods are merchantable, and the Supplier has a legal right to deliver the goods and services and as described herein.
25. The County shall have the right to inspect all goods or services at the time and place of delivery.

26. No right or interest in the contract shall be assigned by the Supplier without written permission of the County, and no delegation of any obligation owed or of the performance of any obligation by the Supplier shall be made without the written permission of the County. Any attempted assignment or delegation shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.
27. The County is exempt from Federal Excise Tax and Georgia Sales and Use Tax.
28. This issuance of a PO shall not violate the Code of Ethics and Conflicts of Interest for Public Officers and Employees for Government Service set forth in the 2020 Section 45-1020 et seq. of the Official Code of Georgia Annotated and the Official Code of Hall County Section 3.10.070 governing Ethics.
29. All goods and services supplied pursuant to a PO shall, unless otherwise noted, conform exactly to all the descriptions, specifications, and attachments contained in the bid solicitation, request for proposals, invitation for bid, or other advertisements, upon which a PO is based, and the terms, conditions, and specifications of the bid solicitation are incorporated herein by reference and made a part hereof.
30. Any and all media production, recordings, videos, photo negatives, positives, artwork, plates, engravings, and other printed or digital media materials paid for in full and owned by the County are considered County property and shall be delivered to the County upon request.
31. Invoices should be submitted to the County as described on a PO, and each PO number and/or contract number must be shown on each invoice submitted.
32. In the event that a PO is issued with an attached Contract or Agreement, the terms and conditions of the latter shall govern in the event of any conflict with these terms and conditions.
33. The Supplier may be suspended, terminated, or debarred if it is determined that the Supplier has made false certification(s) or has violated such certification(s) by failure to carry out the requirements herein.
34. The Supplier certifies that it and any of its subcontractors have not been debarred, suspended, or declared ineligible by any agency of the County, State of Georgia, or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch. 1 Subpart 9.4.
35. The Supplier certifies that it is not currently engaged in an active or pending lawsuit or other grievance, injunction, or levy against the County.
36. Goods are Free-On-Board (F.O.B.) destination unless otherwise denoted. Freight, shipping, and delivery shall be pre-paid and added to the invoice as a separate line item.
37. The County does not pay late fees nor interest charges.
38. The Supplier shall charge the County the exact amount of freight, delivery, handling, and insurance charges the Supplier incurs.
39. The County is not bound to any minimum or maximum quantity or dollar amount set by the Supplier.
40. In the event there is a discrepancy between the unit price and extended price, the unit price shall govern.
41. Any changes to a PO in quantity or dollar amount require a written change order issued by the County.

**IN WITNESS WHEREOF**, said Parties have hereunto affixed their signatures and seals on the day, month, and year below. Bidder must print their company's full legal company name as it appears on their W-9 form below:

EXHIBIT B – CONTRACT FOR SERVICES

**STATE OF GEORGIA**
**COUNTY OF HALL**

**CONTRACT # 46-001**

For the provision of

## Demand Services for Civil Engineering Services

**ARTICLE #101 – INTRODUCTION**

This Contract for Demand Services for Civil Engineering Services (hereinafter "Services") as entered into on_____ and with a limited term from to July 1, 2025 to June 30, 2026 is by and between Hall County, Georgia, Board of Commissioners, (hereinafter "County", "Owner") principally located at 2875 Browns Bridge Rd, Gainesville, Georgia 30504, and Michael Baker International, Inc., located at 3930 East Jones Bridge Road, Suite 220 | Peachtree Corners, Georgia 30092 (hereinafter "Contractor").

**WHEREAS** Contractor is an entity that is legally registered and qualified and holding any such licenses and certifications as may be required to render Services to do business in the State of Georgia. County and Contractor are known individually as a "Party" and collectively as the "Parties".

**WHEREAS** Nothing contained in this Contract shall be construed to convert the Contractor or any of its employees, agents, subcontractors, or sub-subcontractors into a partner, employee, or agent of the County, nor shall either Party to this Contract have any authority to bind the other in any respect.

**WHEREAS** the Contractor represents that it complies with the State of Georgia requirements for corporations and has signified a willingness to provide Services to the County and the County has relied on such representation; and,

**WHEREAS** the Parties mutually desire to enter into this Contract to document the provision of Services by the Contractor to the County in exchange for payment as compensation; and,

**WHEREAS** this contract will become legally binding upon signature by both Parties; and,

**WHEREAS** any attached documents, plans, exhibits, attachments, or references are all incorporated herein by reference, and

**NOW, THEREFORE** and in consideration of the mutual promises, terms, conditions, covenants, and agreements made as expressed and contained herein, or attached, incorporated, and made a part hereof, and other good and valuable consideration expressed by a valid offer and acceptance, the receipt and sufficiency of which the Parties hereby acknowledge, the Parties hereto agree as follows:

**ARTICLE #102 – CONTRACT**

A. The only standard of care and skill applicable to the services shall be that ordinarily used by members of the same profession practicing under similar conditions at that time and locale.
B. County agrees to pay as compensation any fees as listed on the Exhibit C – Mandatory Cost Proposal Worksheet.

**ARTICLE #103 – NOTICES**

To the extent that either Party to this Contract is required to provide notice(s) to the other Party in compliance herewith, then the Party shall direct notice(s) to the following persons:

**REMIT TO ADDRESS (if different):** _____

_____

**ARTICLE #104 – NON-EXCLUSIVE RIGHTS**

The Contract is not exclusive. The County reserves the right to select other Contractors to provide the Services similar to those described in this Contract during the term of the Contract should the need arise, or the Contractor fail to perform.

**ARTICLE #105 – CONTRACT TERM**

From Notice-to-Proceed until substantial and final completion of Services according to agreed time-schedule of and after all subcontractor(s) and material suppliers' liens are satisfied.

**ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION**

This Contract may only be modified, amended, or changed in writing and fully executed by both Parties hereto. This Contract constitutes the sole and entire Contract and understanding between the Parties as to the subject matter hereof, and no verbal promises have been made by either Party in relation hereto.

**ARTICLE #107 – REMEDIES AND CONTRACT PERFORMANCE**

In the event that either Party to this Contract breaches this Contract, including failure to meet the timetables set forth herein, the non-breaching Party shall provide a written Notice-to-Cure to the breaching Party which describes the breach of this Contract. The breaching Party shall have thirty (30) days from the date of receipt of the written Notice-to-Cure the breach or to otherwise negotiate a resolution of the breach.

If the breach has not been cured and the Parties hereto have not resolved the issue described in the Notice-to-Cure by thirty (30) days after receipt of the letter, the Party authoring the letter shall be entitled to seek any and all remedies allowed by Georgia law, including damages, equitable relief, declaratory relief, specific performance, and/or relief as to any bonds issued hereon. Additional provisions are:

A. **Delay or Impossibility of Performance.** Any failure or delay must be beyond the reasonable control of and without the fault or negligence of the Contractor. If the Services to be provided to the County are interrupted by a force majeure event, as defined below, the County will be entitled to an equitable adjustment to the fees and other payments due to the Contractor under this Contract. If delay results from a subcontractor's negligent conduct or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract.

Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached this Contract for failure or delay in fulfilling or performing any obligation under this Contract when such failure or delay is caused by or results from causes beyond the reasonable control of the affected Party including, but not limited to, fire, floods, embargoes, acts of war, civil unrest, insurrections, riots, strikes, lockouts or other labor disturbances, or acts of God; provided, however, that the Party so affected shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either Party shall provide the other Party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure.

**Definition:** The term "force majeure" as defined in Black's Law Dictionary is "an event or effect that can be neither anticipated nor controlled. It is a contractual provision allocating the risk of loss if performance becomes impossible or impracticable, especially as a result of an event that the Parties could not have anticipated or controlled."

B. **Obligations Beyond Contract Term.** The Contract shall remain in full force and effect to the end of the specified term or until terminated or canceled pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

C. **Transition Cooperation with the County and Cooperation with Other Contractors.** Contractor agrees that upon termination of this Contract for any reason, it shall provide sufficient efforts and reasonable cooperation and assistance to the County to ensure an orderly and efficient transition to the County or an alternative Contractor. Further, if the County has entered into or enters into contracts with other Contractors related to the Services, Contractor agrees to cooperate fully with other such Contractors. Contractor shall not engage in any act that will interfere with the performance of work by any other Contractor(s).

**ARTICLE #108 – TERMINATION PROVISIONS**

The County may terminate this Contract by providing thirty (30) days written notice to the Contractor at any time. Should the County terminate this Contract prior to the date of automatic termination, Contractor shall provide the County with all deliverables up to the date of termination thirty (30) days after the Notice to Terminate is issued. The County shall pay the Contractor for all work properly performed in compliance with the terms of this Contract up to the date of termination.

A. **Termination for Convenience.** Following thirty (30) days' written notice, the County may terminate the Contract in whole or in part for any reason without the payment of any penalty or incurring any further obligation to the Contractor.

B. **Termination for Cause.** The occurrence of any of the following events shall constitute cause for the County to declare the Contractor in default of its obligations under the Contract:

1. The Contractor fails to deliver or has delivered nonconforming Services or fails to perform, any material requirement of the Contract or is in violation of a material provision of the Contract including, but without limitation, the expressed warranties made by the Contractor.
2. Contractor's performance substantially endangers completion or default is likely to occur.
3. The Contractor fails to make substantial and timely progress toward performance of the Contract.
4. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the County reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law.
5. The Contractor has failed to comply with applicable federal, state, and local laws, rules, County ordinances, regulations, and orders when performing within the scope of the Contract.

6. The Contractor has engaged in conduct that has or may expose the County or the State to liability, as determined in the County's sole discretion; or a material breach of the terms of the Contract by County upon County's failure to cure such material breach after written notice thereof has been delivered in accordance with *ARTICLE #108.C* below constitutes cause for the Contractor to declare that the County is in default of its obligations under the Contract.

C. **Notice of Default.** If either Party causes any of the default events set out in *ARTICLE #108 – TERMINATION PROVISIONS*, then either Party shall issue a written Notice of Default to the Party that causes one (1) or more of the default events requesting that the breach or noncompliance be remedied within the period of time specified in the Notice of Default. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the non-breaching Party may:

1. Immediately terminate the Contract for default without additional written notice; and/or,
2. In the event of a breach by the Contractor, the County may procure substitute Services from another source and charge the difference between the Contract and the substitute Contract to the defaulting Contractor; and/or,
3. Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

D. **Termination Due to Non-Availability of Funds.** This Contract will terminate immediately and absolutely if the County determines that adequate funds are de-appropriated such that the County cannot fulfill its obligations under the Contract, such determination being at the County's sole discretion and conclusive. County agrees to provide prompt written notice to Contractor in the event of any de-appropriation.

E. **Termination due to Failure of Contractor to Act.** The County may terminate the Contract for any of the following reasons effective immediately without advance notice:

1. If the Contractor must be certified or licensed as a condition precedent to providing the Services, the revocation, suspension, or other loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect.
2. The County determines that the actions, or failure to act, of the Contractor, its agents, employees, or subcontractors have caused, or reasonably could cause, life, health, or safety to be jeopardized.
3. The Contractor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, criminal, or maliciously incorrect.
4. Failure of the Contractor to obtain, provide, maintain, and deliver the performance and payment bonds when required under this Contract, or failure to comply with any requirement pertaining to the appropriate amounts thereof as set forth in ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS.

F. **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by County, the County shall pay only those amounts, if any, due and owing to the Contractor for Services actually received by the County up to and including the date of termination of the Contract and for which the County is obligated to pay pursuant to the Contract.

G. **Contractor's Termination Duties.** Upon receipt of a Notice of Termination, the Contractor shall:

1. Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report within thirty (30) days of the date of Notice of Termination describing the status of all work under the Contract including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the County may require.
2. Immediately cease use and return to the County any personal property or materials, whether tangible or intangible, provided by the County to the Contractor.
3. Comply with the County's instructions for the timely transfer of any active files and work product produced by the Contractor under the Contract.
4. Cooperate in good faith with the County, its employees, agents, and Contractors during the transition period between the Notification of Termination and the substitution of any replacement Contractor.
5. Contractor is to immediately return any payments made by the County for goods and services that were not delivered by the Contractor.

H. **Liquidated Damages. – N/A for this contract.**

**ARTICLE #109 – NO DEFENSE OR INDEMNIFICATION BY COUNTY**

Except as provided for by law or equity, The Parties agree that the County shall not be responsible for defending or indemnifying any Contractor from any claim brought by any third party against the Contractor.

**ARTICLE #110 – ASSIGNMENT AND DELEGATION BY CONTRACTOR**

Neither Party assign or delegate this Contract, or any performance required by it, in whole or in part, without the prior expressed written consent of other party which shall not be unreasonably withheld.

**ARTICLE #111 – USE OF THIRD PARTIES (SUBCONTRACTORS)**

This Contract is for the benefit of the Parties hereto only and is not intended to benefit any third party or give rise to any duty or causes of action for any third party. All restrictions, obligations, and responsibilities of the Contractor under the Contract shall also apply to third parties such as subcontractors, if allowed in writing by the County. Any Contract with a subcontractor must also preserve the rights of the County.

**ARTICLE #112 – ENTIRE CONTRACT**

This Contract, as executed and approved, shall constitute the entire agreement between the Parties and supersedes all other prior and contemporaneous statements, agreements, and understandings between the Parties. No written or oral statements, agreements, or understandings that are not set out, referenced, or specifically incorporated in this Contract shall in any way be binding or of effect between the Parties.

**ARTICLE #113 – SEVERABILITY**

If any paragraph, sub-paragraph, sentence, clause, phrase, or portion of this Contract is declared invalid or unconstitutional by any Court of competent jurisdiction or if the provisions of any part of this Contract as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be

construed to affect the remaining portions of this Contract not so held to be invalid or the application of this Contract to other circumstances not so held to be invalid.

**ARTICLE #114 – RECORDS**

A. **Public Records Request.** The Georgia Open Records Act, as provided in O.C.G.A. § 50-18-70 et seq, requires procurement records and all other records received by or prepared or maintained on behalf of the County shall be made open to public inspection unless otherwise provided by law.

B. **Record Retention and Access.** The Contractor shall maintain books, records, and documents in accordance with generally accepted accounting principles and procedures and which sufficiently and properly document and calculate all charges billed to the County throughout the term of the Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. Records to be maintained include both financial records and service records.

**ARTICLE #115 – ADDITIONAL TERMS**

The County shall not be bound by any terms and conditions included in any Contractor's sales-orders, literature, packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in addition to the terms and conditions contained herein.

**ARTICLE #116 – WAIVER**

The failure of any Party hereto to seek a remedy for any alleged breach of this Contract shall not constitute a waiver of any claim, cause of action, or remedy allowed by Georgia law for breach thereof.

**ARTICLE #117 – CONTRACTOR AND COUNTY RIGHTS AND OBLIGATIONS**

A. The County has the right at any time to require the Contractor to put an immediate stop to any procedure, or the use of any equipment, chemical, material, personnel, etc. considered by the County to be hazardous or toxic to persons, buildings, or surfaces. The Contractor will utilize acceptable substitutes approved by the County as quickly as possible. In the event of such replacement, Contractor shall (i) notify County of any resulting replacement, (ii) introduce the individual serving as the replacement to County, and/or (iii) provide County with a résumé and any other information regarding the individual that may be reasonably requested by County.

B. The County has the right to require the Contractor to reassign or remove any employee or subcontractor's employee from the premises temporarily or permanently when, in the County's sole opinion, the employee is not suitable. The County's decision shall be final, and Contractor will remove the employee immediately and replace with a person of at least equivalent training, experience, and requisite qualifications as quickly as possible, subject to the County's approval.

C. Contractor agrees to obtain prior written approval from the County for the use of subcontractors to provide the Services described in Scope of Work prior to subcontractor's performance of work.

**ARTICLE #118 – INSURANCE REQUIREMENTS**

The Contractor must procure and maintain insurance policies at the Contractor's own expense and must furnish the County with a certificate of insurance (COI) providing evidence of proof of coverage at least in the amounts indicated in this subsection. The COI must list "Hall County, Georgia" as the certificate holder and as an additional insured under the commercial general, automobile, and umbrella liability policies as follows: "County of Hall, its Board of Commissioners, officers, employees, servants, and agents, 2875 Browns Bridge Rd, Gainesville, GA, 30504". The policy must protect the Contractor and the County (as an additional insured) from any claims for bodily injury, property damage, or personal injury covered by the indemnification obligations set forth herein throughout the duration of the Contract. The Contractor must maintain the following insurance coverage during the term of the Contract, in at least the minimum amounts set forth below, to cover all loss and liability for damages or destruction of property caused by or arising from any and all services carried on and any and all work performed by the Contractor pursuant to this Contract:

**Workers Compensation Insurance: Required for all contracts.**

- $500,000 Bodily Injury by Accident – Each Accident
- $500,000 Bodily Injury by Disease – Each Disease
- $500,000 Bodily Injury by Disease – Each Employee

**Additional Provisions: Waiver of Subrogation.** The insurer agrees to waive all rights of subrogation against Hall County Board of Commissioners (BOC), its elected or appointed officers, officials, agents, authorized volunteers, and employees for losses paid under the terms of this policy which arise from work performed by the Named Insured for Hall County BOC. This provision applies regardless of whether or not Hall County BOC has received a waiver of subrogation from the insurer.

**General Liability Insurance: Required for all contracts.**

- $2,000,000 General Aggregate
- $2,000,000 Products & Completed Operations Aggregate
- $1,000,000 Each Occurrence
- $1,000,000 Personal & Advertising Injury
- $500,000 Damages to Premises/Fire/Legal
- $5,000 Medical Payments

**Commercial Auto Liability Insurance: Required for all contracts**, except for goods and/or services that are remote in nature and/or are delivered by a professional delivery service.

- $1,000,000 Combined Single Limit Or $500,000 per Person/$1,000,000 per Occurrence
- $100,000 Property Damage
- $1,000 for Medical Payments (no fault coverage)

**Additional Provisions:**

- Uninsured motorist's coverage should be equal to the per occurrence limit except for contracts with other governmental entities.
- Coverage shall be included for any owned, leased, hired, or non-owned autos.
- For any contracts involving the transportation of hazardous materials, limited pollution endorsement ISO form CA9948 or its equivalent shall be on the policy.

**Umbrella Liability Insurance: Required for all contracts.**
$1,000,000 per Occurrence

**Additional Provisions: Required for all contracts.**

- Underlying coverage shall be General Liability, Automobile Liability, and Employers Liability (Workers Compensation).
- Minimum limit of $5,000,000 per occurrence for all contracts over $1,000,000 or involving any special risks or high hazard activities.
- Minimum limit of $5,000,000 for automobile coverage for any transportation contracts involving seniors, special education, transit services, students, or youths.
- Concurrent policy dates with primary liability policies except for workers compensation.

**ARTICLE #122 – COUNTY PAYMENT TO CONTRACTOR**

A. The County will issue a Notice to Proceed ("NTP") and a Purchase Order(s) ("PO") to the Contractor. The terms of this Contract shall be incorporated by reference into any PO(s) issued prior to the expiration or termination of this Contract. The County will issue the NTP and PO(s) by electronic mail (e-mail) to the Contractor's representative in *ARTICLE #103 – NOTICES*. A PO is considered "issued" when the e-mail containing the PO is sent by the County to the Contractor.

The Contractor shall not deliver any Services, equipment, devices, or components thereof until authorized in writing by the County through issuance of a PO, which shall provide a commencement date. Any work including, but not limited to, travel, preliminary meetings, planning, etc. performed outside of the terms and conditions of and before the issuance of a PO will not be considered for payment. Contractors are not to begin work or ship any product on any verbal communication from the County. The County will not be liable for payment for any work or product with the issuance of a verbal communication.

The Scope of Work shall remain in effect from the NTP date to completion of the project. The Parties agree that the County will not pay or otherwise compensate the Contractor for any Services, materials, equipment, devices, or components thereof outside of the Scope of Work and/or beyond the term of this Contract, unless specifically authorized in writing as evidenced by an amendment pursuant to *ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION*, a time extension letter, or as otherwise authorized by the County.

**B. Invoice/Payment**

B. 1. Contractor shall invoice the County via email each month solely to accountspayable@hallcounty.org and only after the County inspects

and accepts the Services provided. Receipt of the Services does not constitute acceptance. Invoice amounts shall not exceed the Contractor's pricing set forth in Exhibit C – Cost Proposal Bid Form.

C.

~~D.~~ 2. Each properly prepared invoice must be sent in accordance with the instructions listed on the PO. Each invoice shall include the Contractor's current "Remit to" address, a description of the Services provided, the invoice amount, the Contract number, and the associated PO number issued. Standard payment terms are net 30 days (N30) in arrears from the date the invoice is accepted, following delivery of the Services. The County does not pay for services not yet received but only in arrears.

E. 3. The County does not pay for services not yet received but only in arrears.

F. 4. The Contractor shall be solely responsible for paying all costs, expenses, and charges it incurs in connection with its performance under the Contract.

G.

C. **Unsatisfactory Performance/Delay of Payment**

1. If the quality of the Services provided are deficient, the County's Project Manager identified in *ARTICLE #103 – NOTICES* shall issue a written Notice to Cure to Contractor. Contractor agrees that upon receipt of the written Notice to Cure it shall make every effort to correct the deficiency(ies) within the timeframe prescribed therein. If the Contractor fails to timely correct the deficiency(ies), the County reserves the right to delay or deny payment pursuant to this *ARTICLE* or terminate the Contract pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

2. **Delay of Payment Due to Contractor's Failure.** If the Contractor has failed to perform or deliver any Services as required by the Contract, the Contractor shall not be entitled to any compensation under the Contract until such Services are delivered. In this event, the County may withhold that portion of the Contractor's compensation, which represents payment for Services that were not delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the County to incur costs, the County may deduct the amount of such incurred costs as liquidated damages from any amounts payable to Contractor. The County's authority to deduct such incurred costs shall not in any way affect the County's authority to terminate the Contract.

D. **Set-Off Against Sums Owed by the Contractor.** If the Contractor owes the County any sum under the terms of this Contract, pursuant to any judgment or pursuant to any law, the County may set off the sum owed by the Contractor against any sum owed to the Contractor, in the County's sole discretion.

E. **Final Payment.** Contractor shall issue an invoice for final payment to the County no later than thirty (30) days following the expiration or termination date of the Contract.

F. The Contractor must not factor or assign payments to another entity or a financial institution. -The County will only pay the Party with whom it is contracted. The County will not under any circumstances pay a third party.

**ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS – N/A for this contract.**
(Required for construction, renovation, and repair projects over $100,000.00)
The Contractor must furnish to the County both a performance and payment bond, both equal to one hundred percent (100%) of the Contract's total award dollar amount. The County will only issue a Notice to Proceed after the bonds are received. Only surety companies licensed to do business in the State of Georgia are acceptable. The Contractor is required to provide new bonds at the issuance of each renewal option term(s) or extension(s) that follow.

The Contractor must provide all required bonding instruments to the County prior to the commencement of any work. The County will consider any work done prior to the receipt of bonding instruments as null and void and thus not eligible for compensation.

**ARTICLE #124 – RETAINAGE** (Required for construction, renovation, and repair projects)
The County will retain and withhold funds from compensation in compliance with Georgia law. The County may hold up to five percent (5%) retainage throughout the entire project and will release said retainage at the point of completion and final acceptance by the County.

**ARTICLE #125 – VENUE AND GOVERNING LAW**
The Parties agree that this Contract shall be interpreted, construed, and enforced in accordance with the laws of the State of Georgia. Should either party bring a legal suit to enforce the terms of this Contract, including suit in equity, the Parties agree and consent to file any such suit in the Superior Court of Hall County, Georgia.

**ARTICLE #126 – NOTICE OF INTENT TO LITIGATE**
Contractor hereby agrees not to file any civil action of disputes or claims relating to the Contract except after first giving thirty (30) days written notice to the County of the claim and the intent to initiate a civil action.

**ARTICLE #127 – GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT (E-Verify)**

A. By signing this Contract, the Contractor certifies that prior to and throughout the performance of all applicable work under this Contract it will remain in full compliance with all federal and state immigration laws including, but not limited to, 8 U.S.C. § 1324a and the Georgia Security and Immigration Compliance Act (O.C.G.A. §13-10-90 et seq.), as amended by the Illegal Immigration Reform and Enforcement Act of 2011 regarding the verification of employment eligibility of employees under the Immigration Reform and Control Act of 1986. Contractor will ensure that only persons who are citizens or nationals of the United States or non-citizens authorized under federal immigration laws are employed to perform services under this Contract or any subcontract or sub-subcontract hereunder.

B. Contractor further certifies its compliance with the aforementioned federal and state immigration laws set forth by signing a sworn affidavit, the Georgia Security and Immigration Compliance Act Affidavit (herein known as *Exhibit E – E-Verify Affidavit*), notarized by an Official Notary Public and incorporated herein by reference, and obtaining the same affidavit(s) from any subcontractor providing services pursuant to this Contract.

**ARTICLE #128 – ORDER OF PRECEDENCE**

In the event of any inconsistency, ambiguity, or conflict among the specific provisions of the Contract and the Contractor's response, the order of precedence shall be as follows:

1. Any amendments to the Contract, including all exhibits thereto.
2. The Contract itself, including all exhibits thereto.
3. Attachments appended to the Contract.
4. All other Contract attachments appended to the Contract.

**ARTICLE #129 – CONTRACT EXHIBITS AND ATTACHMENTS**

The Parties mutually acknowledge that all exhibits and attachments listed below made a part of this Contract, as though expressly written in the solicitation documents and the Bidder's response, are herein incorporated into this Contract by reference.

**ARTICLE #130 – SALES TAX EXEMPTION STATUS**

The County is exempt from State of Georgia and Local Sales and Use Tax. The Bidder understands and acknowledges that they are responsible for any sales and use tax they may incur for materials. The Bidder must not charge the County any sales and use tax as a separate line item. The Contractor may request a copy of the County's Georgia Sales and Use Tax Exemption Certificate.

**ARTICLE #131 – HOLD HARMLESS AGREEMENT**

The successful respondent hereby agrees to indemnify, hold free and harmless Hall County Government, County Commissioners, its agents, servants, employees, officers, directors, elected officials, or any other person(s) against any loss or expense to the extent caused by the negligence of contractor in connection with the performance of the agreement. This includes reasonable attorney fees because of any liability imposed by law upon the County, except in cases of the County's sole negligence, sustained by any person(s) on account of bodily injury or property damage arising out of or in the consequence of this Contract.

**ARTICLE #132 – NOT A JOINT VENTURE**

The County shall not be bound by any terms and conditions included in any Contractor packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in the addition to the terms and conditions contained herein.

**ARTICLE #133 – CONTRACT TERMS AND CONDITIONS**

1. All purchases must comply with the Official Code of Hall County Sections 3.10.010 – 3.10.190.
2. If any conflict or ambiguity arises between the terms and conditions herein and the Official Code of Hall County, the latter will govern.
3. The terms and conditions set forth herein shall supersede and govern over all Supplier's terms and conditions or service level agreements.
4. The County retains the right to "red line" sections of the Supplier's terms and conditions if such are in conflict with the best interest of the County.

5. Acceptance of a Purchase Order ("PO") and delivery of goods or services serves as the Supplier's full and complete acceptance of the County's terms and conditions.
6. The terms "supplier", "vendor", "bidder", "offeror", "contractor", "consultant", "designer", "distributor", "dealer" or "manufacturer" or otherwise purveyor or source of supply or performance of service shall mean one and the same, herein denoted as "supplier" for goods and "contractor" for services.
7. The terms "goods", "materials", "commodities", "components", "drawings", "drafts", "renderings", "plans" (physical or digital), software, SaaS, capital asset equipment, vehicles, heavy earth-moving or other equipment (purchased or leased), or other such deliverables are herein denoted as "goods" and shall mean one and the same.
8. "Services" shall mean all services, either financial, advisory, consultative, labor, staff augmentation, construction, rehabilitation, restoration, repair, support or maintenance, communication, telephony, internet, TV or streaming, pest control, grounds maintenance, custodial and janitorial, street or paved surfaces cleaning, drain cleaning, or otherwise where services are offered for consideration.
9. The Supplier shall transfer and deliver all goods or services described on the respective PO for the consideration set forth herein.
10. The Supplier shall only deliver goods and services as described on the respective PO and within the Scope of Work and the Supplier's bid response.
11. The County holds no obligation to pay for goods delivered or services rendered unless specified on a written PO or a Change Order of such.
12. The Supplier shall not construe any verbal consent to purchase goods or services as valid.
13. The County does not accept substitutions of services or goods that do not comply with the Scope of Work or specifications set forth in a PO, Contract, or Agreement unless mutually agreed in writing by both Parties.
14. The County does not accept automatic contract renewals except for monthly subscription services.
15. The County does not pay deposits towards goods ordered. Exceptions exist for custom made items such as window treatments, floor coverings, pre-mixed paints and stains, fabrication, decoration, or otherwise custom designed products specifically for the County.
16. The County will accept backorders only if goods are out of stock and with prior written notice. Suppliers shall ship all quantities that they have in stock and hold orders for backorders.
17. The County participates in cooperative purchasing agreements, State of Georgia Statewide Contracts, and other state, local, intergovernmental agreements, memorandums of understanding, and other such agreements.
18. In all cases, the jurisdiction shall be the State of Georgia, County of Hall, for arbitration or other legalities.
19. Deliveries shall be made to the ship-to address(es) listed on the PO and within the time specified. The Supplier must note if multiple ship-to addresses are used and deliver goods to the appropriate ship-to address.
20. Risk of loss of goods shall pass to the County upon inspection and acceptance only.
21. Title to the goods shall remain with the Supplier until acceptance by the County. Receipt of goods or services does not constitute acceptance.
22. Receipt of goods or services does not constitute acceptance.
23. Title to the goods shall remain with the Supplier until acceptance by the County.

24. The Supplier warrants that goods are merchantable, and the Supplier has a legal right to deliver the goods and services and as described herein.
25. The County shall have the right to inspect all goods or services at the time and place of delivery.
26. No right or interest in the contract shall be assigned by the Supplier without written permission of the County, and no delegation of any obligation owed or of the performance of any obligation by the Supplier shall be made without the written permission of the County. Any attempted assignment or delegation shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.
27. The County is exempt from Federal Excise Tax and Georgia Sales and Use Tax.
28. This issuance of a PO shall not violate the Code of Ethics and Conflicts of Interest for Public Officers and Employees for Government Service set forth in the 2020 Section 45-1020 et seq. of the Official Code of Georgia Annotated and the Official Code of Hall County Section 3.10.070 governing Ethics.
29. All goods and services supplied pursuant to a PO shall, unless otherwise noted, conform exactly to all the descriptions, specifications, and attachments contained in the bid solicitation, request for proposals, invitation for bid, or other advertisements, upon which a PO is based, and the terms, conditions, and specifications of the bid solicitation are incorporated herein by reference and made a part hereof.
30. Any and all media production, recordings, videos, photo negatives, positives, artwork, plates, engravings, and other printed or digital media materials paid for in full and owned by the County are considered County property and shall be delivered to the County upon request.
31. Invoices should be submitted to the County as described on a PO, and each PO number and/or contract number must be shown on each invoice submitted.
32. In the event that a PO is issued with an attached Contract or Agreement, the terms and conditions of the latter shall govern in the event of any conflict with these terms and conditions.
33. The Supplier may be suspended, terminated, or debarred if it is determined that the Supplier has made false certification(s) or has violated such certification(s) by failure to carry out the requirements herein.
34. The Supplier certifies that it and any of its subcontractors have not been debarred, suspended, or declared ineligible by any agency of the County, State of Georgia, or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch. 1 Subpart 9.4.
35. The Supplier certifies that it is not currently engaged in an active or pending lawsuit or other grievance, injunction, or levy against the County.
36. Goods are Free-On-Board (F.O.B.) destination unless otherwise denoted. Freight, shipping, and delivery shall be pre-paid and added to the invoice as a separate line item.
37. The County does not pay late fees nor interest charges.
38. The Supplier shall charge the County the exact amount of freight, delivery, handling, and insurance charges the Supplier incurs.
39. The County is not bound to any minimum or maximum quantity or dollar amount set by the Supplier.
40. In the event there is a discrepancy between the unit price and extended price, the unit price shall govern.

41. Any changes to a PO in quantity or dollar amount require a written change order issued by the County.

**ARTICLE #134 – WAIVER OF CONSEQUENTIAL DAMAGES:** To the fullest extent permitted by law, the parties expressly agree that the contractor shall not be liable to the owner for any special, incidental, indirect, exemplary or consequential loss, damage, expense (including, without limitation , loss or use, revenue, income, profit, financing, business and/or reputation) arising out of or relating in any way to the agreement, services , or project.

**IN WITNESS WHEREOF**, said Parties have hereunto affixed their signatures and seals on the day, month, and year below. Bidder must print their company's full legal company name as it appears on their W-9 form below:

**CONTRACT # 46-001**

For the provision of

# Demand Services for Civil Engineering Services

## ARTICLE #101 – INTRODUCTION

This Contract for Demand Services for Civil Engineering Services (hereinafter "Services") as entered into on_____ and with a limited term from to July 1, 2025 to June 30, 2026 is by and between Hall County, Georgia, Board of Commissioners, (hereinafter "County", "Owner") principally located at 2875 Browns Bridge Rd, Gainesville, Georgia 30504, and AtkinsRéalis USA Inc., located at 1600 RiverEdge Parkway NW, Suite 700, Atlanta, GA 30328 (hereinafter "Contractor").

**WHEREAS** Contractor is an entity that is legally registered and qualified and holding any such licenses and certifications as may be required to render Services to do business in the State of Georgia. County and Contractor are known individually as a "Party" and collectively as the "Parties".

**WHEREAS** Nothing contained in this Contract shall be construed to convert the Contractor or any of its employees, agents, subcontractors, or sub-subcontractors into a partner, employee, or agent of the County, nor shall either Party to this Contract have any authority to bind the other in any respect.

**WHEREAS** the Contractor represents that it complies with the State of Georgia requirements for corporations and has signified a willingness to provide Services to the County and the County has relied on such representation; and,

**WHEREAS** the Parties mutually desire to enter into this Contract to document the provision of Services by the Contractor to the County in exchange for payment as compensation; and,

**WHEREAS** this contract will become legally binding upon signature by both Parties; and,

**WHEREAS** any attached documents, plans, exhibits, attachments, or references are all incorporated herein by reference, and

**NOW, THEREFORE** and in consideration of the mutual promises, terms, conditions, covenants, and agreements made as expressed and contained herein, or attached, incorporated, and made a part hereof, and other good and valuable consideration expressed by a valid offer and acceptance, the receipt and sufficiency of which the Parties hereby acknowledge, the Parties hereto agree as follows:

**ARTICLE #102 – CONTRACT**

A. Contractor agrees to provide the Services to the County as detailed in the Scope of Work.
B. County agrees to pay as compensation any fees as listed on the Exhibit C – Mandatory Cost Proposal Worksheet.

**ARTICLE #103 – NOTICES**

To the extent that either Party to this Contract is required to provide notice(s) to the other Party in compliance herewith, then the Party shall direct notice(s) to the following persons:

**COUNTY PROJECT MANAGER**
Brent Cook

Phone: 678.247.2436

**REMIT TO ADDRESS (if different):** PO Box 409357, Atlanta, GA 30384-9357

**ARTICLE #104 – NON-EXCLUSIVE RIGHTS**

The Contract is not exclusive. The County reserves the right to select other Contractors to provide the Services similar to those described in this Contract during the term of the Contract should the need arise, or the Contractor fail to perform.

**ARTICLE #105 – CONTRACT TERM**

From Notice-to-Proceed until substantial and final completion of Services according to agreed time-schedule of and after all subcontractor(s) and material suppliers' liens are satisfied.

**ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION**

This Contract may only be modified, amended, or changed in writing and fully executed by both Parties hereto. This Contract constitutes the sole and entire Contract and understanding between the Parties as to the subject matter hereof, and no verbal promises have been made by either Party in relation hereto.

**ARTICLE #107 – REMEDIES AND CONTRACT PERFORMANCE**

In the event that either Party to this Contract breaches this Contract, including failure to meet the timetables set forth herein, the non-breaching Party shall provide a written Notice-to-Cure to the breaching Party which describes the breach of this Contract. The breaching Party shall have thirty (30) days from the date of receipt of the written Notice-to-Cure the breach or to otherwise negotiate a resolution of the breach.

If the breach has not been cured and the Parties hereto have not resolved the issue described in the Notice-to-Cure by thirty (30) days after receipt of the letter, the Party authoring the letter shall be entitled to seek any and all remedies allowed by Georgia law, including damages, equitable relief, declaratory relief, specific performance, and/or relief as to any bonds issued hereon. Additional provisions are:

A. **Delay or Impossibility of Performance.** Any failure or delay must be beyond the reasonable control of and without the fault or negligence of the Contractor. If the Services to be provided to the County are interrupted by a force majeure event, as defined below, the County will be entitled to an equitable adjustment to the fees and other payments due to the Contractor under this Contract. If delay results from a subcontractor's negligent conduct or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract.

Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached this Contract for failure or delay in fulfilling or performing any obligation under this Contract when such failure or delay is caused by or results from causes beyond the reasonable control of the affected Party including, but not limited to, fire, floods, embargoes, acts of war, civil unrest, insurrections, riots, strikes, lockouts or other labor disturbances, or acts of God; provided, however, that the Party so affected shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either Party shall provide the other Party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure.

**Definition:** The term "force majeure" as defined in Black's Law Dictionary is "an event or effect that can be neither anticipated nor controlled. It is a contractual provision allocating the risk of loss if performance becomes impossible or impracticable, especially as a result of an event that the Parties could not have anticipated or controlled."

B. **Obligations Beyond Contract Term.** The Contract shall remain in full force and effect to the end of the specified term or until terminated or canceled pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

C. **Transition Cooperation with the County and Cooperation with Other Contractors.** Contractor agrees that upon termination of this Contract for any reason, it shall provide sufficient efforts and reasonable cooperation and assistance to the County to ensure an orderly and efficient transition to the County or an alternative Contractor. Further, if the County has entered into or enters into contracts with other Contractors related to the Services, Contractor agrees to cooperate fully with other such Contractors. Contractor shall not engage in any act that will interfere with the performance of work by any other Contractor(s).

**ARTICLE #108 – TERMINATION PROVISIONS**

The County may terminate this Contract by providing thirty (30) days written notice to the Contractor at any time. Should the County terminate this Contract prior to the date of automatic termination, Contractor shall provide the County with all deliverables up to the date of termination thirty (30) days after the Notice to Terminate is issued. The County shall pay the Contractor for all work properly performed in compliance with the terms of this Contract up to the date of termination.

A. **Termination for Convenience.** Following thirty (30) days' written notice, the County may terminate the Contract in whole or in part for any reason without the payment of any penalty or incurring any further obligation to the Contractor.

B. **Termination for Cause.** The occurrence of any of the following events shall constitute cause for the County to declare the Contractor in default of its obligations under the Contract:

1. The Contractor fails to deliver or has delivered nonconforming Services or fails to perform, to the County's satisfaction, any material requirement of the Contract or is in violation of a material provision of the Contract including, but without limitation, the expressed warranties made by the Contractor.
2. The County determines that Contractor's unsatisfactory performance substantially endangers completion or that default is likely to occur.
3. The Contractor fails to make substantial and timely progress toward performance of the Contract.
4. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the County reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law.
5. The Contractor has failed to comply with applicable federal, state, and local laws, rules, County ordinances, regulations, and orders when performing within the scope of the Contract.

6. The Contractor has engaged in conduct that has or may expose the County or the State to liability, as determined in the County's sole discretion; or a material breach of the terms of the Contract by County upon County's failure to cure such material breach after written notice thereof has been delivered in accordance with *ARTICLE #108.C* below constitutes cause for the Contractor to declare that the County is in default of its obligations under the Contract.

C. **Notice of Default.** If either Party causes any of the default events set out in *ARTICLE #108 – TERMINATION PROVISIONS*, then either Party shall issue a written Notice of Default to the Party that causes one (1) or more of the default events requesting that the breach or noncompliance be remedied within the period of time specified in the Notice of Default. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the non-breaching Party may:

1. Immediately terminate the Contract for default without additional written notice; and/or,
2. In the event of a breach by the Contractor, the County may procure substitute Services from another source and charge the difference between the Contract and the substitute Contract to the defaulting Contractor; and/or,
3. Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

D. **Termination Due to Non-Availability of Funds.** This Contract will terminate immediately and absolutely if the County determines that adequate funds are de-appropriated such that the County cannot fulfill its obligations under the Contract, such determination being at the County's sole discretion and conclusive. County agrees to provide prompt written notice to Contractor in the event of any de-appropriation.

E. **Termination due to Failure of Contractor to Act.** The County may terminate the Contract for any of the following reasons effective immediately without advance notice:

1. If the Contractor must be certified or licensed as a condition precedent to providing the Services, the revocation, suspension, or other loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect.
2. The County determines that the actions, or failure to act, of the Contractor, its agents, employees, or subcontractors have caused, or reasonably could cause, life, health, or safety to be jeopardized.
3. The Contractor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, criminal, or maliciously incorrect.
4. Failure of the Contractor to obtain, provide, maintain, and deliver the performance and payment bonds when required under this Contract, or failure to comply with any requirement pertaining to the appropriate amounts thereof as set forth in ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS.

F. **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by County, the County shall pay only those amounts, if any, due and owing to the Contractor for Services actually received and accepted by the County up to and including the date of termination of the Contract and for which the County is obligated to pay pursuant to the Contract.

G. **Contractor's Termination Duties.** Upon receipt of a Notice of Termination, the Contractor shall:

1. Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report within thirty (30) days of the date of Notice of Termination describing the status of all work under the Contract including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the County may require.
2. Immediately cease use and return to the County any personal property or materials, whether tangible or intangible, provided by the County to the Contractor.
3. Comply with the County's instructions for the timely transfer of any active files and work product produced by the Contractor under the Contract.
4. Cooperate in good faith with the County, its employees, agents, and Contractors during the transition period between the Notification of Termination and the substitution of any replacement Contractor.
5. Contractor is to immediately return any payments made by the County for goods and services that were not delivered by the Contractor.

H. **Liquidated Damages. – N/A for this contract.**

**ARTICLE #109 – NO DEFENSE OR INDEMNIFICATION BY COUNTY**

The Parties agree that the County shall not be responsible for defending or indemnifying any Contractor from any claim brought by any third party against the Contractor.

**ARTICLE #110 – ASSIGNMENT AND DELEGATION BY CONTRACTOR**

The Contractor shall not assign or delegate this Contract, or any performance required by it, in whole or in part, without the prior expressed written consent of the County.

**ARTICLE #111 – USE OF THIRD PARTIES (SUBCONTRACTORS)**

This Contract is for the benefit of the Parties hereto only and is not intended to benefit any third party or give rise to any duty or causes of action for any third party. All restrictions, obligations, and responsibilities of the Contractor under the Contract shall also apply to third parties such as subcontractors, if allowed in writing by the County. Any Contract with a subcontractor must also preserve the rights of the County.

**ARTICLE #112 – ENTIRE CONTRACT**

This Contract, as executed and approved, shall constitute the entire agreement between the Parties and supersedes all other prior and contemporaneous statements, agreements, and understandings between the Parties. No written or oral statements, agreements, or understandings that are not set out, referenced, or specifically incorporated in this Contract shall in any way be binding or of effect between the Parties.

**ARTICLE #113 – SEVERABILITY**

If any paragraph, sub-paragraph, sentence, clause, phrase, or portion of this Contract is declared invalid or unconstitutional by any Court of competent jurisdiction or if the provisions of any part of this Contract as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the remaining portions of this Contract not so held to be invalid or the application of this Contract to other circumstances not so held to be invalid.

**ARTICLE #114 – RECORDS**

A. **Public Records Request.** The Georgia Open Records Act, as provided in O.C.G.A. § 50-18-70 et seq, requires procurement records and all other records received by or prepared or maintained on behalf of the County shall be made open to public inspection unless otherwise provided by law.

B. **Record Retention and Access.** The Contractor shall maintain books, records, and documents in accordance with generally accepted accounting principles and procedures and which sufficiently and properly document and calculate all charges billed to the County throughout the term of the Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. Records to be maintained include both financial records and service records.

**ARTICLE #115 – ADDITIONAL TERMS**

The County shall not be bound by any terms and conditions included in any Contractor's sales-orders, literature, packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in addition to the terms and conditions contained herein.

**ARTICLE #116 – WAIVER**

The failure of any Party hereto to seek a remedy for any alleged breach of this Contract shall not constitute a waiver of any claim, cause of action, or remedy allowed by Georgia law for breach thereof.

**ARTICLE #117 – CONTRACTOR AND COUNTY RIGHTS AND OBLIGATIONS**

A. The County has the right at any time to require the Contractor to put an immediate stop to any procedure, or the use of any equipment, chemical, material, personnel, etc. considered by the County to be hazardous or toxic to persons, buildings, or surfaces. The Contractor will utilize acceptable substitutes approved by the County as quickly as possible. In the event of such replacement, Contractor shall (i) notify County of any resulting replacement, (ii) introduce the individual serving as the replacement to County, and/or (iii) provide County with a résumé and any other information regarding the individual that may be reasonably requested by County.

B. The County has the right to require the Contractor to reassign or remove any employee or subcontractor's employee from the premises temporarily or permanently when, in the County's sole opinion, the employee is not suitable. The County's decision shall be final, and Contractor will remove the employee immediately and replace with a person of at least equivalent training, experience, and requisite qualifications as quickly as possible, subject to the County's approval.

C. Contractor agrees to obtain prior written approval from the County for the use of subcontractors to provide the Services described in Scope of Work prior to subcontractor's performance of work.

**ARTICLE #118 – INSURANCE REQUIREMENTS**

The Contractor must procure and maintain insurance policies at the Contractor's own expense and must furnish the County with a certificate of insurance (COI) providing

evidence of proof of coverage at least in the amounts indicated in this subsection. The COI must list "Hall County, Georgia" as the certificate holder and as an additional insured under the commercial general, automobile, and umbrella liability policies as follows: "County of Hall, its Board of Commissioners, officers, employees, servants, and agents, 2875 Browns Bridge Rd, Gainesville, GA, 30504". The policy must protect the Contractor and the County (as an additional insured) from any claims for bodily injury, property damage, or personal injury covered by the indemnification obligations set forth herein throughout the duration of the Contract. The Contractor must maintain the following insurance coverage during the term of the Contract, in at least the minimum amounts set forth below, to cover all loss and liability for damages or destruction of property caused by or arising from any and all services carried on and any and all work performed by the Contractor pursuant to this Contract:

**Workers Compensation Insurance: Required for all contracts.**

- $500,000 Bodily Injury by Accident – Each Accident
- $500,000 Bodily Injury by Disease – Each Disease
- $500,000 Bodily Injury by Disease – Each Employee

**Additional Provisions: Waiver of Subrogation.** The insurer agrees to waive all rights of subrogation against Hall County Board of Commissioners (BOC), its elected or appointed officers, officials, agents, authorized volunteers, and employees for losses paid under the terms of this policy which arise from work performed by the Named Insured for Hall County BOC. This provision applies regardless of whether or not Hall County BOC has received a waiver of subrogation from the insurer.

**General Liability Insurance: Required for all contracts.**

- $2,000,000 General Aggregate
- $2,000,000 Products & Completed Operations Aggregate
- $1,000,000 Each Occurrence
- $1,000,000 Personal & Advertising Injury
- $500,000 Damages to Premises/Fire/Legal
- $5,000 Medical Payments

**Commercial Auto Liability Insurance: Required for all contracts**, except for goods and/or services that are remote in nature and/or are delivered by a professional delivery service.

- $1,000,000 Combined Single Limit Or $500,000 per Person/$1,000,000 per Occurrence
- $100,000 Property Damage
- $1,000 for Medical Payments (no fault coverage)

**Additional Provisions:**

- Uninsured motorist's coverage should be equal to the per occurrence limit except for contracts with other governmental entities.
- Coverage shall be included for any owned, leased, hired, or non-owned autos.
- For any contracts involving the transportation of hazardous materials, limited pollution endorsement ISO form CA9948 or its equivalent shall be on the policy.

**Umbrella Liability Insurance: Required for all contracts.**
$1,000,000 per Occurrence

**Additional Provisions: Required for all contracts.**

- Underlying coverage shall be General Liability, Automobile Liability, and Employers Liability (Workers Compensation).
- Minimum limit of $5,000,000 per occurrence for all contracts over $1,000,000 or involving any special risks or high hazard activities.
- Minimum limit of $5,000,000 for automobile coverage for any transportation contracts involving seniors, special education, transit services, students, or youths.
- Concurrent policy dates with primary liability policies except for workers compensation.

**ARTICLE #122 – COUNTY PAYMENT TO CONTRACTOR**

A. The County will issue a Notice to Proceed ("NTP") and a Purchase Order(s) ("PO") to the Contractor. The terms of this Contract shall be incorporated by reference into any PO(s) issued prior to the expiration or termination of this Contract. The County will issue the NTP and PO(s) by electronic mail (e-mail) to the Contractor's representative in *ARTICLE #103 – NOTICES*. A PO is considered "issued" when the e-mail containing the PO is sent by the County to the Contractor.

The Contractor shall not deliver any Services, equipment, devices, or components thereof until authorized in writing by the County through issuance of a PO, which shall provide a commencement date. Any work including, but not limited to, travel, preliminary meetings, planning, etc. performed outside of the terms and conditions of and before the issuance of a PO will not be considered for payment. Contractors are not to begin work or ship any product on any verbal communication from the County. The County will not be liable for payment for any work or product with the issuance of a verbal communication.

The Scope of Work shall remain in effect from the NTP date to completion of the project. The Parties agree that the County will not pay or otherwise compensate the Contractor for any Services, materials, equipment, devices, or components thereof outside of the Scope of Work and/or beyond the term of this Contract, unless specifically authorized in writing as evidenced by an amendment pursuant to *ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION*, a time extension letter, or as otherwise authorized by the County.

**B. Invoice/Payment**

B. 1. Contractor shall invoice the County via email each month solely to accountspayable@hallcounty.org and only after the County inspects and accepts the Services provided. Receipt of the Services does not constitute acceptance. Invoice amounts shall not exceed the Contractor's pricing set forth in Exhibit C – Cost Proposal Bid Form.

C.

~~D.~~ 2. Each properly prepared invoice must be sent in accordance with the instructions listed on the PO. Each invoice shall include the Contractor's current "Remit to" address, a description of the Services provided, the

invoice amount, the Contract number, and the associated PO number issued. Standard payment terms are net 30 days (N30) in arrears from the date the invoice is accepted, following delivery of the Services. The County does not pay for services not yet received but only in arrears.

E. 3. The County does not pay for services not yet received but only in arrears.

F. 4. The Contractor shall be solely responsible for paying all costs, expenses, and charges it incurs in connection with its performance under the Contract.

G.

C. **Unsatisfactory Performance/Delay of Payment**

1. If the County determines that the quality of the Services provided are deficient, unacceptable, or unsatisfactory the County's Project Manager identified in *ARTICLE #103 – NOTICES* shall issue a written Notice to Cure to Contractor. Contractor agrees that upon receipt of the written Notice to Cure it shall make every effort to correct the deficiency(ies) within the timeframe prescribed therein. If the Contractor fails to timely correct the deficiency(ies), the County reserves the right to delay or deny payment pursuant to this *ARTICLE* or terminate the Contract pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

2. **Delay of Payment Due to Contractor's Failure.** If the County determines that the Contractor has failed to perform or deliver any Services as required by the Contract, the Contractor shall not be entitled to any compensation under the Contract until such Services are delivered and accepted. In this event, the County may withhold that portion of the Contractor's compensation, which represents payment for Services that were not delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the County to incur costs, the County may deduct the amount of such incurred costs as liquidated damages from any amounts payable to Contractor. The County's authority to deduct such incurred costs shall not in any way affect the County's authority to terminate the Contract.

D. **Set-Off Against Sums Owed by the Contractor.** If the Contractor owes the County any sum under the terms of this Contract, pursuant to any judgment or pursuant to any law, the County may set off the sum owed by the Contractor against any sum owed to the Contractor, in the County's sole discretion.

E. **Final Payment.** Contractor shall issue an invoice for final payment to the County no later than thirty (30) days following the expiration or termination date of the Contract.

F. The Contractor must not factor or assign payments to another entity or a financial institution. -The County will only pay the Party with whom it is contracted. The County will not under any circumstances pay a third party.

**ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS – N/A for this contract.**

(Required for construction, renovation, and repair projects over $100,000.00)

The Contractor must furnish to the County both a performance and payment bond, both equal to one hundred percent (100%) of the Contract's total award dollar amount. The County will only issue a Notice to Proceed after the bonds are received. Only surety companies licensed to do business in the State of Georgia are acceptable. The

Contractor is required to provide new bonds at the issuance of each renewal option term(s) or extension(s) that follow.

The Contractor must provide all required bonding instruments to the County prior to the commencement of any work. The County will consider any work done prior to the receipt of bonding instruments as null and void and thus not eligible for compensation.

**ARTICLE #124 – RETAINAGE** (Required for construction, renovation, and repair projects)
The County will retain and withhold funds from compensation in compliance with Georgia law. The County may hold up to five percent (5%) retainage throughout the entire project and will release said retainage at the point of completion and final acceptance by the County.

**ARTICLE #125 – VENUE AND GOVERNING LAW**
The Parties agree that this Contract shall be interpreted, construed, and enforced in accordance with the laws of the State of Georgia. Should either party bring a legal suit to enforce the terms of this Contract, including suit in equity, the Parties agree and consent to file any such suit in the Superior Court of Hall County, Georgia.

**ARTICLE #126 – NOTICE OF INTENT TO LITIGATE**
Contractor hereby agrees not to file any civil action of disputes or claims relating to the Contract except after first giving thirty (30) days written notice to the County of the claim and the intent to initiate a civil action.

**ARTICLE #127 – GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT (E-Verify)**

A. By signing this Contract, the Contractor certifies that prior to and throughout the performance of all applicable work under this Contract it will remain in full compliance with all federal and state immigration laws including, but not limited to, 8 U.S.C. § 1324a and the Georgia Security and Immigration Compliance Act (O.C.G.A. §13-10-90 et seq.), as amended by the Illegal Immigration Reform and Enforcement Act of 2011 regarding the verification of employment eligibility of employees under the Immigration Reform and Control Act of 1986. Contractor will ensure that only persons who are citizens or nationals of the United States or non-citizens authorized under federal immigration laws are employed to perform services under this Contract or any subcontract or sub-subcontract hereunder.

B. Contractor further certifies its compliance with the aforementioned federal and state immigration laws set forth by signing a sworn affidavit, the Georgia Security and Immigration Compliance Act Affidavit (herein known as *Exhibit E – E-Verify Affidavit*), notarized by an Official Notary Public and incorporated herein by reference, and obtaining the same affidavit(s) from any subcontractor providing services pursuant to this Contract.

**ARTICLE #128 – ORDER OF PRECEDENCE**
In the event of any inconsistency, ambiguity, or conflict among the specific provisions of the Contract and the Contractor's response, the order of precedence shall be as follows:

1. Any amendments to the Contract, including all exhibits thereto.
2. The Contract itself, including all exhibits thereto.
3. Attachments appended to the Contract.
4. All other Contract attachments appended to the Contract.

**ARTICLE #129 – CONTRACT EXHIBITS AND ATTACHMENTS**

The Parties mutually acknowledge that all exhibits and attachments listed below made a part of this Contract, as though expressly written in the solicitation documents and the Bidder's response, are herein incorporated into this Contract by reference.

**ARTICLE #130 – SALES TAX EXEMPTION STATUS**

The County is exempt from State of Georgia and Local Sales and Use Tax. The Bidder understands and acknowledges that they are responsible for any sales and use tax they may incur for materials. The Bidder must not charge the County any sales and use tax as a separate line item. The Contractor may request a copy of the County's Georgia Sales and Use Tax Exemption Certificate.

**ARTICLE #131 – HOLD HARMLESS AGREEMENT**

The successful respondent hereby agrees to indemnify, hold free and harmless Hall County Government, County Commissioners, its agents, servants, employees, officers, directors, elected officials, or any other person(s) against any loss or expense. This includes attorney fees because of any liability imposed by law upon the County, except in cases of the County's sole negligence, sustained by any person(s) on account of bodily injury or property damage arising out of or in the consequence of this Contract.

**ARTICLE #132 – NOT A JOINT VENTURE**

The County shall not be bound by any terms and conditions included in any Contractor packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in the addition to the terms and conditions contained herein.

**ARTICLE #133 – CONTRACT TERMS AND CONDITIONS**

1. All purchases must comply with the Official Code of Hall County Sections 3.10.010 – 3.10.190.
2. If any conflict or ambiguity arises between the terms and conditions herein and the Official Code of Hall County, the latter will govern.
3. The terms and conditions set forth herein shall supersede and govern over all Supplier's terms and conditions or service level agreements.
4. The County retains the right to "red line" sections of the Supplier's terms and conditions if such are in conflict with the best interest of the County.
5. Acceptance of a Purchase Order ("PO") and delivery of goods or services serves as the Supplier's full and complete acceptance of the County's terms and conditions.
6. The terms "supplier", "vendor", "bidder", "offeror", "contractor", "consultant", "designer", "distributor", "dealer" or "manufacturer" or otherwise purveyor or source of supply or performance of service shall mean one and the same, herein denoted as "supplier" for goods and "contractor" for services.
7. The terms "goods", "materials", "commodities", "components", "drawings", "drafts", "renderings", "plans" (physical or digital), software, SaaS, capital asset equipment, vehicles, heavy earth-moving or other equipment (purchased or leased), or other such deliverables are herein denoted as "goods" and shall mean one and the same.

8. "Services" shall mean all services, either financial, advisory, consultative, labor, staff augmentation, construction, rehabilitation, restoration, repair, support or maintenance, communication, telephony, internet, TV or streaming, pest control, grounds maintenance, custodial and janitorial, street or paved surfaces cleaning, drain cleaning, or otherwise where services are offered for consideration.
9. The Supplier shall transfer and deliver all goods or services described on the respective PO for the consideration set forth herein.
10. The Supplier shall only deliver goods and services as described on the respective PO and within the Scope of Work and the Supplier's bid response.
11. The County holds no obligation to pay for goods delivered or services rendered unless specified on a written PO or a Change Order of such.
12. The Supplier shall not construe any verbal consent to purchase goods or services as valid.
13. The County does not accept substitutions of services or goods that do not comply with the Scope of Work or specifications set forth in a PO, Contract, or Agreement unless mutually agreed in writing by both Parties.
14. The County does not accept automatic contract renewals except for monthly subscription services.
15. The County does not pay deposits towards goods ordered. Exceptions exist for custom made items such as window treatments, floor coverings, pre-mixed paints and stains, fabrication, decoration, or otherwise custom designed products specifically for the County.
16. The County will accept backorders only if goods are out of stock and with prior written notice. Suppliers shall ship all quantities that they have in stock and hold orders for backorders.
17. The County participates in cooperative purchasing agreements, State of Georgia Statewide Contracts, and other state, local, intergovernmental agreements, memorandums of understanding, and other such agreements.
18. In all cases, the jurisdiction shall be the State of Georgia, County of Hall, for arbitration or other legalities.
19. Deliveries shall be made to the ship-to address(es) listed on the PO and within the time specified. The Supplier must note if multiple ship-to addresses are used and deliver goods to the appropriate ship-to address.
20. Risk of loss of goods shall pass to the County upon inspection and acceptance only.
21. Title to the goods shall remain with the Supplier until acceptance by the County. Receipt of goods or services does not constitute acceptance.
22. Receipt of goods or services does not constitute acceptance.
23. Title to the goods shall remain with the Supplier until acceptance by the County.
24. The Supplier warrants that goods are merchantable, and the Supplier has a legal right to deliver the goods and services and as described herein.
25. The County shall have the right to inspect all goods or services at the time and place of delivery.
26. No right or interest in the contract shall be assigned by the Supplier without written permission of the County, and no delegation of any obligation owed or of the performance of any obligation by the Supplier shall be made without the written permission of the County. Any attempted assignment or delegation shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

27. The County is exempt from Federal Excise Tax and Georgia Sales and Use Tax.
28. This issuance of a PO shall not violate the Code of Ethics and Conflicts of Interest for Public Officers and Employees for Government Service set forth in the 2020 Section 45-1020 et seq. of the Official Code of Georgia Annotated and the Official Code of Hall County Section 3.10.070 governing Ethics.
29. All goods and services supplied pursuant to a PO shall, unless otherwise noted, conform exactly to all the descriptions, specifications, and attachments contained in the bid solicitation, request for proposals, invitation for bid, or other advertisements, upon which a PO is based, and the terms, conditions, and specifications of the bid solicitation are incorporated herein by reference and made a part hereof.
30. Any and all media production, recordings, videos, photo negatives, positives, artwork, plates, engravings, and other printed or digital media materials paid for in full and owned by the County are considered County property and shall be delivered to the County upon request.
31. Invoices should be submitted to the County as described on a PO, and each PO number and/or contract number must be shown on each invoice submitted.
32. In the event that a PO is issued with an attached Contract or Agreement, the terms and conditions of the latter shall govern in the event of any conflict with these terms and conditions.
33. The Supplier may be suspended, terminated, or debarred if it is determined that the Supplier has made false certification(s) or has violated such certification(s) by failure to carry out the requirements herein.
34. The Supplier certifies that it and any of its subcontractors have not been debarred, suspended, or declared ineligible by any agency of the County, State of Georgia, or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch. 1 Subpart 9.4.
35. The Supplier certifies that it is not currently engaged in an active or pending lawsuit or other grievance, injunction, or levy against the County.
36. Goods are Free-On-Board (F.O.B.) destination unless otherwise denoted. Freight, shipping, and delivery shall be pre-paid and added to the invoice as a separate line item.
37. The County does not pay late fees nor interest charges.
38. The Supplier shall charge the County the exact amount of freight, delivery, handling, and insurance charges the Supplier incurs.
39. The County is not bound to any minimum or maximum quantity or dollar amount set by the Supplier.
40. In the event there is a discrepancy between the unit price and extended price, the unit price shall govern.
41. Any changes to a PO in quantity or dollar amount require a written change order issued by the County.

**IN WITNESS WHEREOF**, said Parties have hereunto affixed their signatures and seals on the day, month, and year below. Bidder must print their company's full legal company name as it appears on their W-9 form below:

For the provision of

## Demand Services for Civil Engineering Services

**ARTICLE #101 – INTRODUCTION**

This Contract for Demand Services for Civil Engineering Services (hereinafter "Services") as entered into on 5/8/2025 and with a limited term from to July 1, 2025 to June 30, 2026 is by and between Hall County, Georgia, Board of Commissioners, (hereinafter "County", "Owner") principally located at 2875 Browns Bridge Rd, Gainesville, Georgia 30504, and BCC Engineering, LLC d/b/a Heath & Lineback, located at 2390 Canton Road, Bldg 200, Marietta, GA 30066 (hereinafter "Contractor").

**WHEREAS** Contractor is an entity that is legally registered and qualified and holding any such licenses and certifications as may be required to render Services to do business in the State of Georgia. County and Contractor are known individually as a "Party" and collectively as the "Parties".

**WHEREAS** Nothing contained in this Contract shall be construed to convert the Contractor or any of its employees, agents, subcontractors, or sub-subcontractors into a partner, employee, or agent of the County, nor shall either Party to this Contract have any authority to bind the other in any respect.

**WHEREAS** the Contractor represents that it complies with the State of Georgia requirements for corporations and has signified a willingness to provide Services to the County and the County has relied on such representation; and,

**WHEREAS** the Parties mutually desire to enter into this Contract to document the provision of Services by the Contractor to the County in exchange for payment as compensation; and,

**WHEREAS** this contract will become legally binding upon signature by both Parties; and,

**NOW, THEREFORE** and in consideration of the mutual promises, terms, conditions, covenants, and agreements made as expressed and contained herein, or attached, incorporated, and made a part hereof, and other good and valuable consideration expressed by a valid offer and acceptance, the receipt and sufficiency of which the Parties hereby acknowledge, the Parties hereto agree as follows:

**ARTICLE #102 – CONTRACT**

A. Contractor agrees to provide the Services to the County as detailed in the Scope of Work.
B. County agrees to pay as compensation any fees as listed on the Exhibit C – Mandatory Cost Proposal Worksheet.

**ARTICLE #103 – NOTICES**

To the extent that either Party to this Contract is required to provide notice(s) to the other Party in compliance herewith, then the Party shall direct notice(s) to the following persons:

**REMIT TO ADDRESS (if different):** _____

**ARTICLE #104 – NON-EXCLUSIVE RIGHTS**

The Contract is not exclusive. The County reserves the right to select other Contractors to provide the Services similar to those described in this Contract during the term of the Contract should the need arise, or the Contractor fail to perform.

**ARTICLE #105 – CONTRACT TERM**

From Notice-to-Proceed until substantial and final completion of Services according to agreed time-schedule of and after all subcontractor(s) and material suppliers' liens are satisfied.

**ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION**

This Contract may only be modified, amended, or changed in writing and fully executed by both Parties hereto. This Contract constitutes the sole and entire Contract and understanding between the Parties as to the subject matter hereof, and no verbal promises have been made by either Party in relation hereto.

**ARTICLE #107 – REMEDIES AND CONTRACT PERFORMANCE**

In the event that either Party to this Contract breaches this Contract, including failure to meet the timetables set forth herein, the non-breaching Party shall provide a written Notice-to-Cure to the breaching Party which describes the breach of this Contract. The breaching Party shall have thirty (30) days from the date of receipt of the written Notice-to-Cure the breach or to otherwise negotiate a resolution of the breach.

If the breach has not been cured and the Parties hereto have not resolved the issue described in the Notice-to-Cure by thirty (30) days after receipt of the letter, the Party authoring the letter shall be entitled to seek any and all remedies allowed by Georgia law, including damages, equitable relief, declaratory relief, specific performance, and/or relief as to any bonds issued hereon. Additional provisions are:

A. **Delay or Impossibility of Performance.** Any failure or delay must be beyond the reasonable control of and without the fault or negligence of the Contractor. If the Services to be provided to the County are interrupted by a force majeure event, as defined below, the County will be entitled to an equitable adjustment to the fees and other payments due to the Contractor under this Contract. If delay results from a subcontractor's negligent conduct or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract.

Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached this Contract for failure or delay in fulfilling or performing any obligation under this Contract when such failure or delay is caused by or results from causes beyond the reasonable control of the affected Party including, but not limited to, fire, floods, embargoes, acts of war, civil unrest, insurrections, riots, strikes, lockouts or other labor disturbances, or acts of God; provided, however, that the Party so affected shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either Party shall provide the other Party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure.

**Definition:** The term "force majeure" as defined in Black's Law Dictionary is "an event or effect that can be neither anticipated nor controlled. It is a contractual provision allocating the risk of loss if performance becomes impossible or impracticable, especially as a result of an event that the Parties could not have anticipated or controlled."

B. **Obligations Beyond Contract Term.** The Contract shall remain in full force and effect to the end of the specified term or until terminated or canceled pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

C. **Transition Cooperation with the County and Cooperation with Other Contractors.** Contractor agrees that upon termination of this Contract for any reason, it shall provide sufficient efforts and reasonable cooperation and assistance to the County to ensure an orderly and efficient transition to the County or an alternative Contractor. Further, if the County has entered into or enters into contracts with other Contractors related to the Services, Contractor agrees to cooperate fully with other such Contractors. Contractor shall not engage in any act that will interfere with the performance of work by any other Contractor(s).

**ARTICLE #108 – TERMINATION PROVISIONS**

The County may terminate this Contract by providing thirty (30) days written notice to the Contractor at any time. Should the County terminate this Contract prior to the date of automatic termination, Contractor shall provide the County with all deliverables up to the date of termination thirty (30) days after the Notice to Terminate is issued. The County shall pay the Contractor for all work properly performed in compliance with the terms of this Contract up to the date of termination.

A. **Termination for Convenience.** Following thirty (30) days' written notice, the County may terminate the Contract in whole or in part for any reason without the payment of any penalty or incurring any further obligation to the Contractor.

B. **Termination for Cause.** The occurrence of any of the following events shall constitute cause for the County to declare the Contractor in default of its obligations under the Contract:

1. The Contractor fails to deliver or has delivered nonconforming Services or fails to perform, to the County's satisfaction, any material requirement of the Contract or is in violation of a material provision of the Contract including, but without limitation, the expressed warranties made by the Contractor.
2. The County determines that Contractor's unsatisfactory performance substantially endangers completion or that default is likely to occur.
3. The Contractor fails to make substantial and timely progress toward performance of the Contract.
4. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the County reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law.
5. The Contractor has failed to comply with applicable federal, state, and local laws, rules, County ordinances, regulations, and orders when performing within the scope of the Contract.

G. **Contractor's Termination Duties.** Upon receipt of a Notice of Termination, the Contractor shall:

1. Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report within thirty (30) days of the date of Notice of Termination describing the status of all work under the Contract including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the County may require.
2. Immediately cease use and return to the County any personal property or materials, whether tangible or intangible, provided by the County to the Contractor.
3. Comply with the County's instructions for the timely transfer of any active files and work product produced by the Contractor under the Contract.
4. Cooperate in good faith with the County, its employees, agents, and Contractors during the transition period between the Notification of Termination and the substitution of any replacement Contractor.
5. Contractor is to immediately return any payments made by the County for goods and services that were not delivered by the Contractor.

H. **Liquidated Damages. – N/A for this contract.**

**ARTICLE #109 – NO DEFENSE OR INDEMNIFICATION BY COUNTY**

The Parties agree that the County shall not be responsible for defending or indemnifying any Contractor from any claim brought by any third party against the Contractor.

**ARTICLE #110 – ASSIGNMENT AND DELEGATION BY CONTRACTOR**

The Contractor shall not assign or delegate this Contract, or any performance required by it, in whole or in part, without the prior expressed written consent of the County.

**ARTICLE #111 – USE OF THIRD PARTIES (SUBCONTRACTORS)**

This Contract is for the benefit of the Parties hereto only and is not intended to benefit any third party or give rise to any duty or causes of action for any third party. All restrictions, obligations, and responsibilities of the Contractor under the Contract shall also apply to third parties such as subcontractors, if allowed in writing by the County. Any Contract with a subcontractor must also preserve the rights of the County.

**ARTICLE #112 – ENTIRE CONTRACT**

This Contract, as executed and approved, shall constitute the entire agreement between the Parties and supersedes all other prior and contemporaneous statements, agreements, and understandings between the Parties. No written or oral statements, agreements, or understandings that are not set out, referenced, or specifically incorporated in this Contract shall in any way be binding or of effect between the Parties.

**ARTICLE #113 – SEVERABILITY**

If any paragraph, sub-paragraph, sentence, clause, phrase, or portion of this Contract is declared invalid or unconstitutional by any Court of competent jurisdiction or if the provisions of any part of this Contract as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the remaining portions of this Contract not so held to be invalid or the application of this Contract to other circumstances not so held to be invalid.

6. The Contractor has engaged in conduct that has or may expose the County or the State to liability, as determined in the County's sole discretion; or a material breach of the terms of the Contract by County upon County's failure to cure such material breach after written notice thereof has been delivered in accordance with *ARTICLE #108.C* below constitutes cause for the Contractor to declare that the County is in default of its obligations under the Contract.

C. **Notice of Default.** If either Party causes any of the default events set out in *ARTICLE #108 – TERMINATION PROVISIONS*, then either Party shall issue a written Notice of Default to the Party that causes one (1) or more of the default events requesting that the breach or noncompliance be remedied within the period of time specified in the Notice of Default. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the non-breaching Party may:

1. Immediately terminate the Contract for default without additional written notice; and/or,
2. In the event of a breach by the Contractor, the County may procure substitute Services from another source and charge the difference between the Contract and the substitute Contract to the defaulting Contractor; and/or,
3. Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

D. **Termination Due to Non-Availability of Funds.** This Contract will terminate immediately and absolutely if the County determines that adequate funds are de-appropriated such that the County cannot fulfill its obligations under the Contract, such determination being at the County's sole discretion and conclusive. County agrees to provide prompt written notice to Contractor in the event of any de-appropriation.

E. **Termination due to Failure of Contractor to Act.** The County may terminate the Contract for any of the following reasons effective immediately without advance notice:

1. If the Contractor must be certified or licensed as a condition precedent to providing the Services, the revocation, suspension, or other loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect.
2. The County determines that the actions, or failure to act, of the Contractor, its agents, employees, or subcontractors have caused, or reasonably could cause, life, health, or safety to be jeopardized.
3. The Contractor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, criminal, or maliciously incorrect.
4. Failure of the Contractor to obtain, provide, maintain, and deliver the performance and payment bonds when required under this Contract, or failure to comply with any requirement pertaining to the appropriate amounts thereof as set forth in ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS.

F. **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by County, the County shall pay only those amounts, if any, due and owing to the Contractor for Services actually received and accepted by the County up to and including the date of termination of the Contract and for which the County is obligated to pay pursuant to the Contract.

evidence of proof of coverage at least in the amounts indicated in this subsection. The COI must list "Hall County, Georgia" as the certificate holder and as an additional insured under the commercial general, automobile, and umbrella liability policies as follows: "County of Hall, its Board of Commissioners, officers, employees, servants, and agents, 2875 Browns Bridge Rd, Gainesville, GA, 30504". The policy must protect the Contractor and the County (as an additional insured) from any claims for bodily injury, property damage, or personal injury covered by the indemnification obligations set forth herein throughout the duration of the Contract. The Contractor must maintain the following insurance coverage during the term of the Contract, in at least the minimum amounts set forth below, to cover all loss and liability for damages or destruction of property caused by or arising from any and all services carried on and any and all work performed by the Contractor pursuant to this Contract:

**Workers Compensation Insurance: Required for all contracts.**

- $500,000 Bodily Injury by Accident – Each Accident
- $500,000 Bodily Injury by Disease – Each Disease
- $500,000 Bodily Injury by Disease – Each Employee

**Additional Provisions: Waiver of Subrogation.** The insurer agrees to waive all rights of subrogation against Hall County Board of Commissioners (BOC), its elected or appointed officers, officials, agents, authorized volunteers, and employees for losses paid under the terms of this policy which arise from work performed by the Named Insured for Hall County BOC. This provision applies regardless of whether or not Hall County BOC has received a waiver of subrogation from the insurer.

**General Liability Insurance: Required for all contracts.**

- $2,000,000 General Aggregate
- $2,000,000 Products & Completed Operations Aggregate
- $1,000,000 Each Occurrence
- $1,000,000 Personal & Advertising Injury
- $500,000 Damages to Premises/Fire/Legal
- $5,000 Medical Payments

**Commercial Auto Liability Insurance: Required for all contracts**, except for goods and/or services that are remote in nature and/or are delivered by a professional delivery service.

- $1,000,000 Combined Single Limit Or $500,000 per Person/$1,000,000 per Occurrence
- $100,000 Property Damage
- $1,000 for Medical Payments (no fault coverage)

**Additional Provisions:**

- Uninsured motorist's coverage should be equal to the per occurrence limit except for contracts with other governmental entities.
- Coverage shall be included for any owned, leased, hired, or non-owned autos.
- For any contracts involving the transportation of hazardous materials, limited pollution endorsement ISO form CA9948 or its equivalent shall be on the policy.

**ARTICLE #114 – RECORDS**

A. **Public Records Request.** The Georgia Open Records Act, as provided in O.C.G.A. § 50-18-70 et seq, requires procurement records and all other records received by or prepared or maintained on behalf of the County shall be made open to public inspection unless otherwise provided by law.

B. **Record Retention and Access**. The Contractor shall maintain books, records, and documents in accordance with generally accepted accounting principles and procedures and which sufficiently and properly document and calculate all charges billed to the County throughout the term of the Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. Records to be maintained include both financial records and service records.

**ARTICLE #115 – ADDITIONAL TERMS**

The County shall not be bound by any terms and conditions included in any Contractor's sales-orders, literature, packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in addition to the terms and conditions contained herein.

**ARTICLE #116 – WAIVER**

The failure of any Party hereto to seek a remedy for any alleged breach of this Contract shall not constitute a waiver of any claim, cause of action, or remedy allowed by Georgia law for breach thereof.

**ARTICLE #117 – CONTRACTOR AND COUNTY RIGHTS AND OBLIGATIONS**

A. The County has the right at any time to require the Contractor to put an immediate stop to any procedure, or the use of any equipment, chemical, material, personnel, etc. considered by the County to be hazardous or toxic to persons, buildings, or surfaces. The Contractor will utilize acceptable substitutes approved by the County as quickly as possible. In the event of such replacement, Contractor shall (i) notify County of any resulting replacement, (ii) introduce the individual serving as the replacement to County, and/or (iii) provide County with a résumé and any other information regarding the individual that may be reasonably requested by County.

B. The County has the right to require the Contractor to reassign or remove any employee or subcontractor's employee from the premises temporarily or permanently when, in the County's sole opinion, the employee is not suitable. The County's decision shall be final, and Contractor will remove the employee immediately and replace with a person of at least equivalent training, experience, and requisite qualifications as quickly as possible, subject to the County's approval.

C. Contractor agrees to obtain prior written approval from the County for the use of subcontractors to provide the Services described in Scope of Work prior to subcontractor's performance of work.

**ARTICLE #118 – INSURANCE REQUIREMENTS**

The Contractor must procure and maintain insurance policies at the Contractor's own expense and must furnish the County with a certificate of insurance (COI) providing

**Umbrella Liability Insurance: Required for all contracts.**
$1,000,000 per Occurrence

**Additional Provisions: Required for all contracts.**

- Underlying coverage shall be General Liability, Automobile Liability, and Employers Liability (Workers Compensation).
- Minimum limit of $5,000,000 per occurrence for all contracts over $1,000,000 or involving any special risks or high hazard activities.
- Minimum limit of $5,000,000 for automobile coverage for any transportation contracts involving seniors, special education, transit services, students, or youths.
- Concurrent policy dates with primary liability policies except for workers compensation.

**Professional Liability Insurance (Errors & Omissions):** Required for all professional service contracts. This shall include any consultants, medical, legal, technical, insurance agents, or other professions that require proper licenses.

- $1,000,000 Each Claim/Wrongful Act
- $2,000,000 General Aggregate
- If written on a claim's made policy, the policy must be maintained for at least two (2) years after the completion of the work and/or contract.

**ARTICLE # 119 – NO WAIVER:**

A. **Authority to Enter into Contract.** The Contractor represents and warrants that it has full authority to enter and perform its obligations under the Contract and that the Contract constitutes a legal, valid, and binding obligation upon the Contractor in accordance with its terms. The representatives of the parties hereto also represent and warrant that they are authorized to sign this Contract on behalf of each party hereto."

B. **Solicitation.** The Contractor warrants that no person or selling agency (except bona fide employees or selling agents maintained for the purpose of securing business) has been employed or retained to solicit and secure the Contract upon an agreement or understanding for commission, percentage, brokerage or contingency.

C. **Vehicles and Equipment.** Except for any specified County Owned Equipment and Vehicles listed herein, Contractor warrants that no Contractor employees, sub-contractors or others will not use County owned vehicles or equipment in the performance of this Contract without express written consent. Contractor shall be responsible for providing all transportation necessary to deliver Services under the Contract.

**ARTICLE # 120 – INTELLECTUAL PROPERTY RIGHTS and OWNERSHIP:**
The contractor agrees it will not use the name or any intellectual property, including but not limited to, County trademarks or logos in any manner,

including commercial advertising or as a business reference, without the expressed prior written consent of the County.

**ARTICLE # 121 - COMPENSATION:**

A. The County will pay the Contractor for the Services provided pursuant to this Contract and in accordance with the prices quoted and conditions set forth in the Bidder's response on Exhibit C – Mandatory Cost Proposal Worksheet, which is attached hereto and incorporated into this Contract as if fully set forth herein. Payments will be made monthly in arrears to the Contractor after acceptance of the Contractor's delivered Services by the County, and after receiving receipt of undisputed invoice to the County.

B. Prices quoted shall be firm and fixed throughout the term of this Contract, unless otherwise Amended or Modified by mutual agreement.

C. Cost may be prorated for Services added or removed under this Contract to align cost with the remaining term of Contract.

D. It is understood that this bid or proposal is made without collusion or fraud. Contractor understands and acknowledges that collusive bidding is a violation of state and federal law and may result in the cancellation of the Contract.

**ARTICLE #122 – COUNTY PAYMENT TO CONTRACTOR**

A. The County will issue a Notice to Proceed ("NTP") and a Purchase Order(s) ("PO") to the Contractor. The terms of this Contract shall be incorporated by reference into any PO(s) issued prior to the expiration or termination of this Contract. The County will issue the NTP and PO(s) by electronic mail (e-mail) to the Contractor's representative in *ARTICLE #103 – NOTICES*. A PO is considered "issued" when the e-mail containing the PO is sent by the County to the Contractor.

The Contractor shall not deliver any Services, equipment, devices, or components thereof until authorized in writing by the County through issuance of a PO, which shall provide a commencement date. Any work including, but not limited to, travel, preliminary meetings, planning, etc. performed outside of the terms and conditions of and before the issuance of a PO will not be considered for payment. Contractors are not to begin work or ship any product on any verbal communication from the County. The County will not be liable for payment for any work or product with the issuance of a verbal communication.

The Scope of Work shall remain in effect from the NTP date to completion of the project. The Parties agree that the County will not pay or otherwise compensate the Contractor for any Services, materials, equipment, devices, or components thereof outside of the Scope of Work and/or beyond the term of this Contract, unless

any law, the County may set off the sum owed by the Contractor against any sum owed to the Contractor, in the County's sole discretion.

E. **Final Payment.** Contractor shall issue an invoice for final payment to the County no later than thirty (30) days following the expiration or termination date of the Contract.

F. The Contractor must not factor or assign payments to another entity or a financial institution. -The County will only pay the Party with whom it is contracted. The County will not under any circumstances pay a third party.

**ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS – N/A for this contract.**
(Required for construction, renovation, and repair projects over $100,000.00)
The Contractor must furnish to the County both a performance and payment bond, both equal to one hundred percent (100%) of the Contract's total award dollar amount. The County will only issue a Notice to Proceed after the bonds are received. Only surety companies licensed to do business in the State of Georgia are acceptable. The Contractor is required to provide new bonds at the issuance of each renewal option term(s) or extension(s) that follow.

The Contractor must provide all required bonding instruments to the County prior to the commencement of any work. The County will consider any work done prior to the receipt of bonding instruments as null and void and thus not eligible for compensation.

**ARTICLE #124 – RETAINAGE** (Required for construction, renovation, and repair projects)
The County will retain and withhold funds from compensation in compliance with Georgia law. The County may hold up to five percent (5%) retainage throughout the entire project and will release said retainage at the point of completion and final acceptance by the County.

**ARTICLE #125 – VENUE AND GOVERNING LAW**
The Parties agree that this Contract shall be interpreted, construed, and enforced in accordance with the laws of the State of Georgia. Should either party bring a legal suit to enforce the terms of this Contract, including suit in equity, the Parties agree and consent to file any such suit in the Superior Court of Hall County, Georgia.

**ARTICLE #126 – NOTICE OF INTENT TO LITIGATE**
Contractor hereby agrees not to file any civil action of disputes or claims relating to the Contract except after first giving thirty (30) days written notice to the County of the claim and the intent to initiate a civil action.

**ARTICLE #127 – GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT (E-Verify)**

A. By signing this Contract, the Contractor certifies that prior to and throughout the performance of all applicable work under this Contract it will remain in full compliance with all federal and state immigration laws including, but not limited to, 8 U.S.C. § 1324a and the Georgia Security and Immigration Compliance Act (O.C.G.A. §13-10-90 et seq.), as amended by the Illegal Immigration Reform and Enforcement Act of 2011 regarding the verification of employment eligibility of employees under the Immigration Reform and Control Act of 1986. Contractor will ensure that only persons who are citizens or nationals of the United States or non-

specifically authorized in writing as evidenced by an amendment pursuant to *ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION*, a time extension letter, or as otherwise authorized by the County.

**B. Invoice/Payment**

B. 1. Contractor shall invoice the County via email each month solely to accountspayable@hallcounty.org and only after the County inspects and accepts the Services provided. Receipt of the Services does not constitute acceptance. Invoice amounts shall not exceed the Contractor's pricing set forth in Exhibit C – Cost Proposal Bid Form.

C.

~~D.~~ 2. Each properly prepared invoice must be sent in accordance with the instructions listed on the PO. Each invoice shall include the Contractor's current "Remit to" address, a description of the Services provided, the invoice amount, the Contract number, and the associated PO number issued. Standard payment terms are net 30 days (N30) in arrears from the date the invoice is accepted, following delivery of the Services. The County does not pay for services not yet received but only in arrears.

E. 3. The County does not pay for services not yet received but only in arrears.

F. 4. The Contractor shall be solely responsible for paying all costs, expenses, and charges it incurs in connection with its performance under the Contract.

G.

C. **Unsatisfactory Performance/Delay of Payment**

1. If the County determines that the quality of the Services provided are deficient, unacceptable, or unsatisfactory the County's Project Manager identified in *ARTICLE #103 – NOTICES* shall issue a written Notice to Cure to Contractor. Contractor agrees that upon receipt of the written Notice to Cure it shall make every effort to correct the deficiency(ies) within the timeframe prescribed therein. If the Contractor fails to timely correct the deficiency(ies), the County reserves the right to delay or deny payment pursuant to this *ARTICLE* or terminate the Contract pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

2. **Delay of Payment Due to Contractor's Failure.** If the County determines that the Contractor has failed to perform or deliver any Services as required by the Contract, the Contractor shall not be entitled to any compensation under the Contract until such Services are delivered and accepted. In this event, the County may withhold that portion of the Contractor's compensation, which represents payment for Services that were not delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the County to incur costs, the County may deduct the amount of such incurred costs as liquidated damages from any amounts payable to Contractor. The County's authority to deduct such incurred costs shall not in any way affect the County's authority to terminate the Contract.

D. **Set-Off Against Sums Owed by the Contractor.** If the Contractor owes the County any sum under the terms of this Contract, pursuant to any judgment or pursuant to

citizens authorized under federal immigration laws are employed to perform services under this Contract or any subcontract or sub-subcontract hereunder.

B. Contractor further certifies its compliance with the aforementioned federal and state immigration laws set forth by signing a sworn affidavit, the Georgia Security and Immigration Compliance Act Affidavit (herein known as *Exhibit E – E-Verify Affidavit*), notarized by an Official Notary Public and incorporated herein by reference, and obtaining the same affidavit(s) from any subcontractor providing services pursuant to this Contract.

**ARTICLE #128 – ORDER OF PRECEDENCE**

In the event of any inconsistency, ambiguity, or conflict among the specific provisions of the Contract and the Contractor's response, the order of precedence shall be as follows:

1. Any amendments to the Contract, including all exhibits thereto.
2. The Contract itself, including all exhibits thereto.
3. Attachments appended to the Contract.
4. All other Contract attachments appended to the Contract.

**ARTICLE #129 – CONTRACT EXHIBITS AND ATTACHMENTS**

The Parties mutually acknowledge that all exhibits and attachments listed below made a part of this Contract, as though expressly written in the solicitation documents and the Bidder's response, are herein incorporated into this Contract by reference.

**ARTICLE #130 – SALES TAX EXEMPTION STATUS**

The County is exempt from State of Georgia and Local Sales and Use Tax. The Bidder understands and acknowledges that they are responsible for any sales and use tax they may incur for materials. The Bidder must not charge the County any sales and use tax as a separate line item. The Contractor may request a copy of the County's Georgia Sales and Use Tax Exemption Certificate.

**ARTICLE #131 – HOLD HARMLESS AGREEMENT**

The successful respondent hereby agrees to indemnify, hold free and harmless Hall County Government, County Commissioners, its agents, servants, employees, officers, directors, elected officials, or any other person(s) against any loss or expense. This includes reasonable attorney fees because of any liability imposed by law upon the County, except in cases of the County's sole negligence, sustained by any person(s) on account of bodily injury or property damage arising out of or in the consequence of this Contract.

**ARTICLE #132 – NOT A JOINT VENTURE**

The County shall not be bound by any terms and conditions included in any Contractor packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in the addition to the terms and conditions contained herein.

**ARTICLE #133 – CONTRACT TERMS AND CONDITIONS**

1. All purchases must comply with the Official Code of Hall County Sections 3.10.010 – 3.10.190..
2. If any conflict or ambiguity arises between the terms and conditions herein and the Official Code of Hall County, the latter will govern.
3. The terms and conditions set forth herein shall supersede and govern over all Supplier's terms and conditions or service level agreements.
4. The County retains the right to "red line" sections of the Supplier's terms and conditions if such are in conflict with the best interest of the County.
5. Acceptance of a Purchase Order ("PO") and delivery of goods or services serves as the Supplier's full and complete acceptance of the County's terms and conditions.
6. The terms "supplier", "vendor", "bidder", "offeror", "contractor", "consultant", "designer", "distributor", "dealer" or "manufacturer" or otherwise purveyor or source of supply or performance of service shall mean one and the same, herein denoted as "supplier" for goods and "contractor" for services.
7. The terms "goods", "materials", "commodities", "components", "drawings", "drafts", "renderings", "plans" (physical or digital), software, SaaS, capital asset equipment, vehicles, heavy earth-moving or other equipment (purchased or leased), or other such deliverables are herein denoted as "goods" and shall mean one and the same.
8. "Services" shall mean all services, either financial, advisory, consultative, labor, staff augmentation, construction, rehabilitation, restoration, repair, support or maintenance, communication, telephony, internet, TV or streaming, pest control, grounds maintenance, custodial and janitorial, street or paved surfaces cleaning, drain cleaning, or otherwise where services are offered for consideration.
9. The Supplier shall transfer and deliver all goods or services described on the respective PO for the consideration set forth herein.
10. The Supplier shall only deliver goods and services as described on the respective PO and within the Scope of Work and the Supplier's bid response.
11. The County holds no obligation to pay for goods delivered or services rendered unless specified on a written PO or a Change Order of such.
12. The Supplier shall not construe any verbal consent to purchase goods or services as valid.
13. The County does not accept substitutions of services or goods that do not comply with the Scope of Work or specifications set forth in a PO, Contract, or Agreement unless mutually agreed in writing by both Parties.
14. The County does not accept automatic contract renewals except for monthly subscription services.
15. The County does not pay deposits towards goods ordered. Exceptions exist for custom made items such as window treatments, floor coverings, pre-mixed paints and stains, fabrication, decoration, or otherwise custom designed products specifically for the County.
16. The County will accept backorders only if goods are out of stock and with prior written notice. Suppliers shall ship all quantities that they have in stock and hold orders for backorders.
17. The County participates in cooperative purchasing agreements, State of Georgia Statewide Contracts, and other state, local, intergovernmental agreements, memorandums of understanding, and other such agreements.
18. In all cases, the jurisdiction shall be the State of Georgia, County of Hall, for arbitration or other legalities.

19. Deliveries shall be made to the ship-to address(es) listed on the PO and within the time specified. The Supplier must note if multiple ship-to addresses are used and deliver goods to the appropriate ship-to address.
20. Risk of loss of goods shall pass to the County upon inspection and acceptance only.
21. Title to the goods shall remain with the Supplier until acceptance by the County. Receipt of goods or services does not constitute acceptance.
22. Receipt of goods or services does not constitute acceptance.
23. Title to the goods shall remain with the Supplier until acceptance by the County.
24. The Supplier warrants that goods are merchantable, and the Supplier has a legal right to deliver the goods and services and as described herein.
25. The County shall have the right to inspect all goods or services at the time and place of delivery.
26. No right or interest in the contract shall be assigned by the Supplier without written permission of the County, and no delegation of any obligation owed or of the performance of any obligation by the Supplier shall be made without the written permission of the County. Any attempted assignment or delegation shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.
27. The County is exempt from Federal Excise Tax and Georgia Sales and Use Tax.
28. This issuance of a PO shall not violate the Code of Ethics and Conflicts of Interest for Public Officers and Employees for Government Service set forth in the 2020 Section 45-1020 et seq. of the Official Code of Georgia Annotated and the Official Code of Hall County Section 3.10.070 governing Ethics.
29. All goods and services supplied pursuant to a PO shall, unless otherwise noted, conform exactly to all the descriptions, specifications, and attachments contained in the bid solicitation, request for proposals, invitation for bid, or other advertisements, upon which a PO is based, and the terms, conditions, and specifications of the bid solicitation are incorporated herein by reference and made a part hereof.
    Standard of Care. Contractor will perform the Services in a manner consistent with the degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances at the same time and in the same or similar local ("Standard of Care") and conform, as applicable, to appropriate federal, state, and local laws, regulations and codes relevant to this Agreement. Nothing in this Agreement is intended to create, nor shall it be construed to create, a fiduciary duty owed by either party to the other.

30. Any and all media production, recordings, videos, photo negatives, positives, artwork, plates, engravings, and other printed or digital media materials paid for in full and owned by the County are considered County property and shall be delivered to the County upon request.
31. Invoices should be submitted to the County as described on a PO, and each PO number and/or contract number must be shown on each invoice submitted.
32. In the event that a PO is issued with an attached Contract or Agreement, the terms and conditions of the latter shall govern in the event of any conflict with these terms and conditions.
33. The Supplier may be suspended, terminated, or debarred if it is determined that the Supplier has made false certification(s) or has violated such certification(s) by failure to carry out the requirements herein.

34. The Supplier certifies that it and any of its subcontractors have not been debarred, suspended, or declared ineligible by any agency of the County, State of Georgia, or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch. 1 Subpart 9.4.
35. The Supplier certifies that it is not currently engaged in an active or pending lawsuit or other grievance, injunction, or levy against the County.
36. Goods are Free-On-Board (F.O.B.) destination unless otherwise denoted. Freight, shipping, and delivery shall be pre-paid and added to the invoice as a separate line item.
37. The County does not pay late fees nor interest charges.
38. The Supplier shall charge the County the exact amount of freight, delivery, handling, and insurance charges the Supplier incurs.
39. The County is not bound to any minimum or maximum quantity or dollar amount set by the Supplier.
40. In the event there is a discrepancy between the unit price and extended price, the unit price shall govern.
41. Any changes to a PO in quantity or dollar amount require a written change order issued by the County.

**IN WITNESS WHEREOF**, said Parties have hereunto affixed their signatures and seals on the day, month, and year below. Bidder must print their company's full legal company name as it appears on their W-9 form below:

# AGENDA ITEM

## Consent Agenda

**REPORT TO:** **Work Session (08/11/25)**

**REPORT TO:** **Voting Meeting (08/14/25)**

**ITEM NO:** 473/2025

**SUBJECT:** Approve the purchase of five (5) new Ford Explorer Police Pursuit Vehicles for the Sheriff's Office to Billy Howell Ford Inc. of Cumming, GA, in the amount of $221,490.00.

## Meetings:

**Work Session Date:** 08/11/25

**Voting Meeting Date:** 08/14/25

## Executive Summary:

**Presenter:** JM

**Recommendation:**
Approve.

**Purpose of Request:**

Approve the purchase of five (5) new Ford Explorer Police Pursuit Vehicles for the Sheriff's Office to Billy Howell Ford Inc. of Cumming, GA, in the amount of $221,490.00.

**History:**
Beginning with the 1999 – 2000 academic year the Hall County Sheriff's Office, the Hall County Board of Commissioners, and the Hall County School System instituted and established a School Resource Officer Program, which placed a Deputy Sheriff in each of the middle and high schools within the Hall County School System for the purpose of providing Law Enforcement Services for the School System. The School Resource Officer Program has received overwhelming acceptance and support from the participating entities and the community in general. The School Resource Officer Program has been extremely successful in creating a safe environment in the Hall County School System as well as providing the students with outstanding role models. Funded 70% by the School Board and 30% by the Hall County Sheriff's Office.

**Facts and Issues:**
Each of the new Resource Officers will be provided a vehicle by the Sheriff's department.

Staff compared this pricing to the Statewide Contract and the pricing listed is comparable to State Contract pricing.

**Options:**

| | |
|---|---|
| **Funding Requested** | $ 221,490.00 |
| **Are funds within current budget?** | Yes |
| **Source of Funds** | Restricted Funds SRO Program |
| **Does the action involve a Resolution, Ordinance, Contract, Agreement, etc.?** | No |
| **Has it been reviewed by the County Attorney?** | Yes |
| **Is there a deadline for this item?** | |

**Approvals:**

| Buyer | Submit | Approve | Purchasing |

# AGENDA ITEM

## Consent Agenda

**REPORT TO:** **Work Session (08/11/25)**

**REPORT TO:** **Voting Meeting (08/14/25)**

**ITEM NO:** 464/2025

**SUBJECT:** Approve the renewal of the Records Management System and Jail Management System's yearly maintenance and support for the Sheriff's Office to CentralSquare Technologies of Lake Mary, FL, in the amount of $59,577.29.

## Meetings:

**Work Session Date:** 08/11/25

**Voting Meeting Date:** 08/14/25

## Executive Summary:

**Presenter:** LJM

**Recommendation:**
Approve

**Purpose of Request:**
Approve the renewal of the Records Management System and Jail Management System's yearly maintenance and support for the Sheriff's Office to CentralSquare Technologies of Lake Mary, FL, in the amount of $59,577.29.

**History:**
The original bid was RFQ/P#: 37-009, which included the purchase of hardware and software. The bid was awarded to Superion, LLC until their name was changed to CentralSquare Technologies.

**Facts and Issues:**
This is exempt under the purchasing ordinance as a software renewal subscription. This is a request for the Board to approve due to the cost threshold.

**Options:**

| | |
|---|---|
| **Funding Requested** | $ 59,577.29 |
| **Are funds within current budget?** | Yes |
| **Source of Funds** | General Fund |
| **Does the action involve a Resolution, Ordinance, Contract, Agreement, etc.?** | No |
| **Has it been reviewed by the County Attorney?** | Yes |
| **Is there a deadline for this item?** | 2025-08-14 |

**Approvals:**

**RE: Renewal of Equipment Placement Agreement in reference to the State of Georgia master agreement GBI 47100-GBI0000100 dated 10/05/2020, and the related Reagent Amendment to the Purchase of Drug Testing Services and Supplies Utilizing a Drugs of Abuse Analyzer on an Annual Renewable Contract.**

As stated in the original agreement, Northeastern Judicial Circuit has the option to renew the above referenced contract, for an additional twelve-month period. Renewal of this contract is based on the following:

1) Terms, conditions and pricing remain the same (or as indicated in the original pricing schedule) with the exception of the following amendments to the original terms and conditions:

13. MISCELLANEOUS (b) is amended to read as follows:

The rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Georgia. Each party hereby irrevocably consents to the exclusive jurisdiction of the state and federal courts located in Hall County, Georgia in any action arising out of or relating to this Agreement.

8.2 By Buyer is amended to read as follows:

To the extent permitted by law, Buyer shall indemnify, defend with competent and experienced counsel and hold harmless Seller, its parent, subsidiaries, affiliates and divisions, and their respective officers, directors, shareholders and employees, from and against any and all damages, liabilities, actions, causes of action, suits, claims, demands, losses, costs and expenses (including without limitation reasonable attorneys' fees and disbursements and court costs) to the extent arising from or in connection with (i) the negligence or willful misconduct of Buyer, its agents, employees, representatives or contractors; (ii) use of a Product in combination with equipment or software not supplied by Seller where the Product itself would not be infringing; (iii) Seller's compliance with designs, specifications or instructions supplied to Seller by Buyer; (iv) use of a Product in an application or environment for which it was not designed; or (v) modifications of a Product by anyone other than Seller without Seller's prior written approval.

## SECTION VII Reagent Rental Addendum

**Microgenics Corporation**
46500 Kato Road, Fremont, CA 94538
Technical/Customer Service: 800-232-3342

Buyer: **Northeastern Judicial Circui**

1. **REAGENT PURCHASE:** Under this Agreement, Customer agrees to purchase an Annual Purchase Commitment (as defined in Section II above) of Seller's products as described in Section II, V and VI (hereinafter the "Products") during the Term (as defined in Section I) commencing on the Effective Date. Each twelve- month period during the Term shall be referred to as a "Contract Year". In exchange, Seller will install the instrument(s) identified in Section II ("Instrument(s)") at the Buyer's above location, provided that Buyer shall be responsible for shipping costs and sales tax for the Instrument, if applicable.
   The Products will be ordered as needed by separate and individual purchase orders for each transaction, or standing order.
   The prices for the Products are listed in Sections V and VI and shall be firm for all purchase orders received by Seller during the first Contract Year. Seller may increase the prices for the Products no more than once in any Contract Year, by giving notice to Buyer. Notwithstanding the foregoing, upon 30 days written notice to the Buyer, Seller may increase the purchase price for any Product to account for (i) a significant increase in the cost of any raw material for the Product; (ii) any other significant increase in the cost to manufacture or supply the Product under this Agreement; or (iii) for a measurable decline in volume of Products purchased by Buyer. Should Buyer's Products consumption fall below the agreed Annual Purchase Commitment in any given Contract Year, Seller is entitled to the volume compliance amount(annual contract revenue minus actual sales) and reserves the right to re-negotiate pricing with the Buyer.
2. **SERVICE:** Seller or Seller's authorized representatives shall service the Instruments and shall replace parts necessary to keep the Instruments in working order at no additional cost to Buyer for the duration of the agreement. Buyer shall not alter the Instrument or make any repairs not clearly specified by Seller. Buyer shall operate the Instrument in accordance with the User Manual at all times and be responsible for maintaining the proper environment for the Instrument. Seller is not obligated to perform service on any Instrument that in Seller's sole judgment (i) has been damaged by environmental or operational conditions, including but not limited to the elements, an accident, failure of electrical power, or acts of nature; (ii) has been modified or utilized with unauthorized parts or non-Seller software or reagents; (iii) has been repaired by any individual that is not an authorized Seller employee or designee; or (iv) has been used by an operator that has failed to follow standard Instrument maintenance policies. Any work done on an instrument that was caused by one of the aforementioned events will be billed to the Buyer at the Seller's then current hourly rate.
3. **TITLE:** Seller or Seller's authorized representatives shall service the Instruments and shall replace parts necessary to keep the Instruments in working order at no additional cost to Buyer for the duration of the agreement. Buyer shall not alter the Instrument or make any repairs not clearly specified by Seller. Buyer shall operate the Instrument in accordance with the User Manual at all times and be responsible for maintaining the proper environment for the Instrument. Seller is not obligated to perform service on any Instrument that in Seller's sole judgment (i) has been damaged by environmental or operational conditions, including but not limited to the elements, an accident, failure of electrical power, or acts of nature; (ii) has been modified or utilized with unauthorized parts or non-Seller software or reagents; (iii) has been repaired by any individual that is not an authorized Seller employee or designee; or (iv) has been used by an operator that has failed to follow standard Instrument maintenance policies. Any work done on an instrument that was caused by one of the aforementioned events will be billed to the Buyer at the Seller's then current hourly rate.
4. **RISK OF LOSS:** Buyer assumes responsibility for loss or damage to the Instruments from any cause whatsoever, except for loss or damage caused by Seller, its employees or agents. Buyer shall promptly notify Seller of any loss or damage to the Instruments. If Seller, in its discretion, determines that the damaged Instruments are repairable, the Buyer shall pay the costs of repair and Seller, at its option, shall either repair or replace the Instruments. If Seller decides the Instruments are unrepairable, or if the Instruments are lost or stolen, then the Buyer shall pay Seller the balance of the amounts owed for the prorated cost of the instrument(s).
5. **INSPECTION AND LOCATION:** Seller may, with reasonable notice during regular business hours, enter upon the Buyer's premises where the Instruments are located for the purpose of inspecting the Instruments. Instruments may not be relocated without written approval from Seller.
6. **DISCOUNT/PRICE REDUCTION DISCLOSURE:** Buyer has been informed of and agrees to properly disclose and appropriately reflect any discounts or reductions in price associated with Products or Instruments described in this Agreement, in costs claimed or charges made by Buyer under Medicare, Medicaid, or federal or state healthcare programs requiring such disclosure or reporting, Social Security Act, section 1128B (b) (3) (A), 42 U.S.C. section 1320a-7b (b) (3) (A). If Buyer needs any additional information from Seller in order to meet such requirements, Buyer agrees to make a written request.
7. **INSURANCE:** The Buyer shall provide, maintain and pay for (a) insurance against the loss or theft of or damage to the Instruments, for full replacement value thereof, naming Seller as an additional insured, and (b) comprehensive product liability insurance protecting against claims for bodily injury, death and/or property damage arising out of the use, possession, operating or condition of the Instrument. The Buyer shall maintain general liability insurance having minimum limits of $1,000,000.00 per claim and $2,000,000.00 in the aggregate, and worker's compensation coverage having statutory limits. At Seller's request, the Buyer shall make available such insurance policies for Seller's review and inspection.
8. **TRANSPORTATION AND RETURN OF EQUIPMENT:** If, for any reason, the Buyer needs to return the Instruments, the Buyer must notify Seller Technical Service for packing and shipping instructions. The Instruments are to be returned in the same condition as received, ordinary wear and tear accepted. The Buyer will be responsible for the loss of or damage to the Instruments while they are in return transit and shall bear the packing and transportation expenses for the return of the Instruments.
9. **FORCE MAJEURE:** Except for Buyer's obligation to pay for Products under this Agreement, neither Party shall be liable to the other for its delay or failure to perform under this Agreement or shall have any right to terminate this Agreement for any such delay or failure in performance attributable to any Act of God including but not limited to, flood, fire, explosion, strike, lockout, labor dispute, casualty or accident, war, revolution, civil commotion, act of public enemies, blockage or embargo, injunction, law, order, proclamation, regulation, ordinance, demand or requirement of any government or subdivision, authority or representative of any such

government, or any other cause beyond the reasonable control of such Party, if the Party affected shall give prompt notice of any such cause to the other Party. The Party giving such notice shall thereupon be excused from such of its obligations, hereunder for the period of time that it is so disabled.

10. **DISCLAIMER:** The individual kit yields results may vary based on multiple factors, Yields should be used as a reference point only. Any change to the actual kit yield does not guarantee a retroactive credit or billing.

11. **ADDITIONAL TERMS/ENTIRE AGREEMENT:** This Agreement and the attached terms and conditions of sale in Section VIII, including but not limited to the warranty, indemnification and other terms of sale, supersedes all terms and conditions contained in any order form issued by the Buyer, which are hereby expressly rejected. If any terms in Section VIII conflict with this Agreement or other Section(s), the terms in this Agreement and/or such other Section(s) supersede the conflicting term in Section VIII. This Agreement hereby cancels and supersedes all previous Agreements between the parties hereto pertaining to the subject matter hereof whether in oral or in writing and constitutes the entire Agreement of the parties hereto, and shall not be amended or altered in any respect except in writing executed by the parties.

## SECTION VIII: TERMS & CONDITIONS OF SALE

UNLESS OTHERWISE EXPRESSLY AGREED IN WRITING, ALL SALES ARE SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

1. GENERAL. Seller hereby offers for sale to the buyer ("Buyer") the products listed on the face hereof (the "Products") on the express condition that Buyer agrees to accept and be bound by the terms and conditions set forth herein. Any provisions contained in any document issued by Buyer are expressly rejected and if the terms and conditions in this Agreement differ from the terms of Buyer's offer, this document shall be construed as a counter offer and shall not be effective as an acceptance of Buyer's document. Buyer's receipt of Products or Seller's commencement of the services provided hereunder will constitute Buyer's acceptance of this Agreement. This is the complete and exclusive statement of the contract between Seller and Buyer with respect to Buyer's purchase of the Products. No waiver, consent, modification, amendment or change of the terms contained herein shall be binding unless in writing and signed by Seller and Buyer. Seller's failure to object to terms contained in any subsequent communication from Buyer will not be a waiver or modification of the terms set forth herein. All orders are subject to acceptance in writing by an authorized representative of Seller.

2. PRICE. All prices published by Seller or quoted by Seller's representatives may be changed at any time without notice. All prices quoted by Seller or Seller's representatives are valid for thirty (30) days, unless otherwise stated in writing. All prices for the Products will be as specified by Seller or, if no price has been specified or quoted, will be Seller's price in effect at the time of shipment. All prices are subject to adjustment on account of specifications, quantities, raw materials, cost of production, shipment arrangements or other terms or conditions which are not part of Seller's original price quotation.

3. TAXES AND OTHER CHARGES. Prices for the Products exclude all sales, value added and other taxes and duties imposed with respect to the sale, delivery, or use of any Products covered hereby, all of which taxes and duties must by paid by Buyer. If Buyer claims any exemption, Buyer must provide a valid, signed certificate or letter of exemption for each respective jurisdiction.

4. TERMS OF PAYMENT. Seller may invoice Buyer upon shipment for the price and all other charges payable by Buyer in accordance with the terms on the face hereof. If no payment terms are stated on the face hereof, payment shall be net thirty (30) days from the date of invoice. If Buyer fails to pay any amounts when due, Buyer shall pay Seller interest thereon at a periodic rate of one and one-half percent (1.5%) per month (or, if lower, the highest rate permitted by law), together with all costs and expenses (including without limitation reasonable attorneys' fees and disbursements and court costs) incurred by Seller in collecting such overdue amounts or otherwise enforcing Seller's rights hereunder. Seller reserves the right to require from Buyer full or partial payment in advance, or other security that is satisfactory to Seller, at any time that Seller believes in good faith that Buyer's financial condition does not justify the terms of payment specified. All payments shall be made in U.S. Dollars.

5. DELIVERY; CANCELLATION OR CHANGES BY BUYER. The Products will be shipped to the destination specified by Buyer, FOB Seller's shipping point. Seller will have the right, at its election, to make partial shipments of the Products and to invoice each shipment separately. Seller reserves the right to stop delivery of Products in transit and to withhold shipments in whole or in part if Buyer fails to make any payment to Seller when due or otherwise fails to perform its obligations hereunder. All shipping dates are approximate only, and Seller will not be liable for any loss or damage resulting from any delay in delivery or failure to deliver which is due to any cause beyond Seller's reasonable control. In the event of a delay due to any cause beyond Seller's reasonable control, Seller reserves the right to terminate the order or to reschedule the shipment within a reasonable period of time; Buyer will not be entitled to refuse delivery or otherwise be relieved of any obligations as the result of such delay. Products as to which delivery is delayed due to any cause within Buyer's control may be placed in storage by Seller at Buyer's risk and expense and for Buyer's account. Orders in process may be canceled only with Seller's written consent and upon payment of Seller's cancellation charges. Orders in process may not be changed except with Seller's written consent and upon agreement by the parties as to an appropriate adjustment in the purchase price therefor. Credit will not be allowed for Products returned without the prior written consent of Seller.

6. TITLE AND RISK OF LOSS. Notwithstanding the trade terms indicated above and subject to Seller's right to stop delivery of Products in transit, title to & risk of loss to the Products will pass to Buyer upon delivery of possession of the Products by Seller to the carrier; provided, however, that title to any software incorporated within or forming a part of the Products shall at all times remain with Seller or the licensor(s) thereof, as the case may be.

7. WARRANTY. Seller warrants that the Products will operate or perform substantially in conformance with Seller's published specifications and be free from defects in material and workmanship, when subjected to normal, proper and intended usage by properly trained personnel, for the period of time set forth in the product documentation, published specifications or package inserts. If a period of time is not specified in Seller's product documentation, published specifications or package inserts, the warranty period shall be one (1) year from the date of shipment to Buyer for equipment and ninety (90) days for all other products (the "Warranty Period"). During the Warranty Period, Seller agrees, in its sole discretion, to repair or replace Products and/or provide additional parts or services as reasonably necessary to cause the Products to perform in substantial conformance with said published specifications; provided that Buyer shall (a) promptly notify Seller in writing upon the discovery of any defect, which notice shall include the product model and serial number (if applicable) and details of the warranty claim; and (b) after Seller's review, Seller will provide Buyer with service data and/or a Return Material Authorization ("RMA"), which may include biohazard decontamination procedures and other product-specific handling instructions, then, if applicable, Buyer may return the defective Products to Seller with all costs prepaid by Buyer. Seller further reserves the right, in its sole discretion, to extend any Warranty Period if at the time that the Warranty Period would otherwise expire, there are ongoing concerns regarding a Product's conformance to the warranty stated herein. Replacement parts may be new or refurbished, at the election of Seller. All replaced parts shall become the property of Seller. Shipment to Buyer of repaired or replacement Products shall be made in accordance with the Delivery provisions of the Seller's Terms and Conditions of Sale. Consumables are expressly excluded from this warranty. If Seller elects to repair defective medical device instruments, Seller may, in its sole discretion, provide a replacement loaner instrument to Buyer as necessary for use while the instruments are being repaired.

Notwithstanding the foregoing, Products supplied by Seller that are obtained by Seller from an original manufacturer or third party supplier are not warranted by Seller, but Seller agrees to assign to Buyer any warranty rights in such Product that Seller may have from the original manufacturer or third party supplier, to the extent such assignment is allowed by such original manufacturer or third party supplier.

In no event shall Seller have any obligation to make repairs, replacements or corrections required, in whole or in part, as the result of (i) normal wear and tear, (ii) accident, disaster or event of force majeure, (iii) misuse, fault or negligence of or by Buyer, (iv) use of the Products in a manner for which they were not designed, (v) causes external to the Products such as, but not limited to, power failure or electrical power surges, (vi) improper storage and handling of the Products or (vii) use of the Products in combination with equipment or software not supplied by Seller. If Seller determines that Products for which Buyer has requested warranty services are not covered by the warranty hereunder, Buyer shall pay or reimburse Seller for all costs of investigating and responding to such request at Seller's then prevailing time and materials rates. If Seller provides repair services or replacement parts that are not covered by this warranty, Buyer shall pay Seller therefor at Seller's then prevailing time and materials rates. ANY INSTALLATION, MAINTENANCE, REPAIR, SERVICE, RELOCATION OR ALTERATION TO OR OF, OR OTHER TAMPERING WITH, THE PRODUCTS PERFORMED BY ANY PERSON OR ENTITY OTHER THAN SELLER WITHOUT SELLER'S PRIOR WRITTEN APPROVAL, OR ANY USE OF REPLACEMENT PARTS NOT SUPPLIED BY SELLER, SHALL IMMEDIATELY VOID AND CANCEL ALL WARRANTIES WITH RESPECT TO THE AFFECTED PRODUCTS.

THE OBLIGATIONS CREATED BY THIS WARRANTY TO REPAIR OR REPLACE A DEFECTIVE PRODUCT SHALL BE THE SOLE REMEDY OF BUYER IN THE EVENT OF A DEFECTIVE PRODUCT. EXCEPT AS PROVIDED HEREIN, SELLER DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, WITH RESPECT TO THE PRODUCTS, INCLUDING WITHOUT LIMITATION ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. SELLER DOES NOT WARRANT THAT THE PRODUCTS ARE ERROR-FREE OR WILL ACCOMPLISH ANY PARTICULAR RESULT.

8. INDEMNIFICATION. 8.1 By Seller. Seller agrees to indemnify, defend and save Buyer, its officer, directors, and employees from and against any and all damages, liabilities, actions, causes of action, suits, claims, demands, losses, costs and expenses (including without limitation reasonable attorney's fees) ("Indemnified Items") for (i) injury to or death of persons or damage to property to the extent caused by the negligence or willful misconduct of Seller, its employees, agents or representatives or contractors in connection with the performance of services at Buyer's premises under this Agreement and (ii) claims that a Product infringes any valid United States patent, copyright or trade secret; provided, however, Seller shall have no liability under this Section to the extent any such Indemnified Items are caused by either (i) the negligence or willful misconduct of Buyer, its employees, agents or representatives or contractors, (ii) by any third party, (iii) use of a Product in combination with equipment or software not supplied by Seller where the Product would not itself be infringing, (iv) compliance with Buyer's

DocuSign Envelope ID: 30382759-1EFC-4943-9494-DC9C33F7D471

designs, specifications or instructions, (v) use of the Product in an application or environment for which it was not designed or (vi) modifications of the Product by anyone other than Seller without Seller's prior written approval. Buyer shall provide Seller prompt written notice of any third party claim covered by Seller's indemnification obligations hereunder. Seller shall have the right to assume exclusive control of the defense of such claim or, at the option of the Seller, to settle the same. Buyer agrees to cooperate reasonably with Seller in connection with the performance by Seller of its obligations in this Section.

Notwithstanding the above, Seller's infringement related indemnification obligations shall be extinguished and relieved if Seller, at its discretion and at its own expense (a) procures for Buyer the right, at no additional expense to Buyer, to continue using the Product; (b) replaces or modifies the Product so that it becomes non-infringing, provided the modification or replacement does not adversely affect the specifications of the Product; or (c) in the event (a) and (b) are not practical, refund to Buyer the amortized amounts paid by Buyer with respect thereto, based on a five (5) year amortization schedule. THE FOREGOING INDEMNIFICATION PROVISION STATES SELLER'S ENTIRE LIABILITY TO BUYER FOR THE CLAIMS DESCRIBED HEREIN.

8.2 By Buyer. Buyer shall indemnify, defend with competent and experienced counsel and hold harmless Seller, its parent, subsidiaries, affiliates and divisions, and their respective officers, directors, shareholders and employees, from and against any and all damages, liabilities, actions, causes of action, suits, claims, demands, losses, costs and expenses (including without limitation reasonable attorneys' fees and disbursements and court costs) to the extent arising from or in connection with (i) the negligence or willful misconduct of Buyer, its agents, employees, representatives or contractors; (ii) use of a Product in combination with equipment or software not supplied by Seller where the Product itself would not be infringing; (iii) Seller's compliance with designs, specifications or instructions supplied to Seller by Buyer; (iv) use of a Product in an application or environment for which it was not designed; or (v) modifications of a Product by anyone other than Seller without Seller's prior written approval.

9. SOFTWARE. With respect to any software products incorporated in or forming a part of the Products hereunder, Seller and Buyer intend and agree that such software products are being licensed and not sold, and that the words "purchase", "sell" or similar or derivative words are understood and agreed to mean "license", and that the word "Buyer" or similar or derivative words are understood and agreed to mean "licensee". Notwithstanding anything to the contrary contained herein, Seller or its licensor, as the case may be, retains all rights and interest in software products provided hereunder. Seller hereby grants to Buyer a royalty-free, non-exclusive, nontransferable license, without power to sublicense, to use software provided hereunder solely for Buyer's own internal business purposes on the hardware products provided hereunder and to use the related documentation solely for Buyer's own internal business purposes. This license terminates when Buyer's lawful possession of the hardware products provided hereunder ceases, unless earlier terminated as provided herein. Buyer agrees to hold in confidence and not to sell, transfer, license, loan or otherwise make available in any form to third parties the software products and related documentation provided hereunder. Buyer may not disassemble, decompile or reverse engineer, copy, modify, enhance or otherwise change or supplement the software products provided hereunder without Seller's prior written consent. Seller will be entitled to terminate this license if Buyer fails to comply with any term or condition herein. Buyer agrees, upon termination of this license, immediately to return to Seller all software products and related documentation provided hereunder and all copies and portions thereof. Certain of the software products provided by Seller may be owned by one or more third parties and licensed to Seller. Thus, Seller and Buyer agree that such third parties retain ownership of and title to such software products. The warranty and indemnification provisions set forth herein shall not apply to software products owned by third parties and provided hereunder.

10. LIMITATION OF LIABILITY. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE LIABILITY OF SELLER UNDER THESE TERMS AND CONDITIONS (WHETHER BY REASON OF BREACH OF CONTRACT, TORT, INDEMNIFICATION, OR OTHERWISE, BUT EXCLUDING LIABILITY OF SELLER FOR BREACH OF WARRANTY (THE SOLE REMEDY FOR WHICH SHALL BE AS PROVIDED UNDER SECTION 7 ABOVE)) SHALL NOT EXCEED AN AMOUNT EQUAL TO THE LESSER OF (A) THE TOTAL PURCHASE PRICE THERETOFORE PAID BY BUYER TO SELLER WITH RESPECT TO THE PRODUCT(S) GIVING RISE TO SUCH LIABILITY OR (B) ONE MILLION DOLLARS ($1,000,000). NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, IN NO EVENT SHALL SELLER BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES (INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF USE OF FACILITIES OR EQUIPMENT, LOSS OF REVENUE, LOSS OF DATA, LOSS OF PROFITS OR LOSS OF GOODWILL), REGARDLESS OF WHETHER SELLER (a) HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES OR (b) IS NEGLIGENT.

11. EXPORT RESTRICTIONS Buyer acknowledges that each Product and any related software and technology, including technical information supplied by Seller or contained in documents (collectively "Items"), is subject to export controls of the U.S. government. The export controls may include, but are not limited to, those of the Export Administration Regulations of the U.S. Department of Commerce (the "EAR"), which may restrict or require licenses for the export of Items from the United States and their re-export from other countries. Buyer shall comply with the EAR and all other applicable laws, regulations, laws, treaties, and agreements relating to the export, re-export, and import of any Item. Buyer shall not, without first obtaining the required license to do so from the appropriate U.S. government agency; (i) export or re-export any Item, or (ii) export, re-export, distribute or supply any Item to any restricted or embargoed country or to a person or entity whose privilege to participate in exports has been denied or restricted by the U.S. government. Buyer shall, if requested by Seller, provide information on the end user and end use of any Item exported by the Buyer or to be exported by the Buyer. Buyer shall cooperate fully with Seller in any official or unofficial audit or inspection related to applicable export or import control laws or regulations, and shall indemnify and hold Seller harmless from, or in connection with, any violation of this Section by Buyer or its employees, consultants, or agents.

12. MEDICARE/MEDICAID REPORTING REQUIREMENTS: If Buyer is a recipient of Medicare/Medicaid funds, Buyer acknowledges that it has been informed of and agrees to fully and accurately account for, and report on its applicable cost report, the total value of any discount, rebate or other compensation paid hereunder in a way that complies with all applicable federal, state and local laws and regulations which establish 'Safe Harbor" for discounts. Buyer shall make written request to Seller in the event Buyer requires additional information from Seller in order to meet its reporting requirements. Buyer acknowledges that agreement to such reporting requirement was a condition precedent to Seller's agreement to provide Products and that Seller would not have entered into this Agreement had Buyer not agreed to comply with such obligations.

13. MISCELLANEOUS. (a) Buyer may not delegate any duties nor assign any rights or claims hereunder without Seller's prior written consent, and any such attempted delegation or assignment shall be void. (b) The rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Seller's manufacturing location, without reference to its choice of law provisions. Each party hereby irrevocably consents to the exclusive jurisdiction of the state and federal courts located in the county and state of Seller's manufacturing location, in any action arising out of or relating to this Agreement. (c) Both parties waive any right they may have under applicable law or otherwise to a right to a trial by jury. Any action arising under this Agreement must be brought within one (1) year from the date that the cause of action arose. (d) The application to this Agreement of the U.N. Convention on Contracts for the International Sale of Goods is hereby expressly excluded. (e) In the event that any one or more provisions contained herein shall be held by a court of competent jurisdiction to be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall remain in full force and effect, unless the revision materially changes the bargain. (f) Seller's failure to enforce, or Seller's waiver of a breach of, any provision contained herein shall not constitute a waiver of any other breach or of such provision. (g) Unless otherwise expressly stated on the Product or in the documentation accompanying the Product, the Product is intended for research only and is not to be used for any other purpose, including without limitation, unauthorized commercial uses, *in vitro* diagnostic uses, *ex vivo* or *in vivo* therapeutic uses, or any type of consumption by or application to humans or animals. (h) Buyer agrees that all pricing, discounts and technical information that Seller provides to Buyer are the confidential and proprietary information of Seller. Buyer agrees to (1) keep such information confidential and not disclose such information to any third party, and (2) use such information solely for Buyer's internal purposes and in connection with the Products supplied hereunder. Nothing herein shall restrict the use of information available to the general public. (i) Any notice or communication required or permitted hereunder shall be in writing and shall be deemed received when personally delivered or three (3) business days after being sent by certified mail, postage prepaid, to a party at the address specified herein or at such other address as either party may from time to time designate to the other. (j) Seller may, in its sole discretion, provide (1) applicable Product training to Buyer or its employees, or (2) samples of Products to Buyer for distribution to patients of Buyer. Buyer agrees that any such samples shall be distributed to patients for patient use or, if not so distributed, returned to Seller. Buyer shall not use such samples to provide care to patient and shall not bill patients or third party payers for the provision of such samples.

STATE OF GEORGIA STANDARD
REAGENT AND CONSUMABLES MASTER AGREEMENT

ATTACHMENT A

ThermoFisher
SCIENTIFIC

# Equipment Placement Agreement

As of the date last signed below, **Northeastern Judicial Circuit (Hall and Dawson Counties)** (henceforward referred to as Customer) and Thermo Fisher Scientific (hereinafter, sometimes, the "Supplier") enter into this Agreement for drug testing services for a one year term. The terms of this agreement are in reference to the State of Georgia master agreement GBI 47100-GBI0000100. As of this date 10-01-20, (customer) agrees to accept the drug testing services of Thermo Fisher Scientific for a one year term.

## I. General Conditions

1. (Customer) agrees to accept drug testing equipment and supplies for onsite urinalysis and/or oral fluid substance abuse testing facilities.
2. Standard payment terms are net 30 days from date of invoice.
3. The pricing terms are based upon selected commitment in section III.

## II. Locations/Facilities

The following location(s) is (are) included in this agreement:

**2318 Browns Bridge Road**
**Gainesville, GA 30504**
**Phone:**
**770-536-3837**

DocuSign Envelope ID: 933DA226-62CD-411D-8847-C54B96CBF871

## III. Pricing/Commitments

| | | | |
|---|---|---|---|
| ___ A. | Less than 750 specimens per month | Indiko Analyzer | $0.60 per test |
| ___ B. | 751-1499 specimens per month | Indiko Plus Analyzer | $0.55 per test |
| ___ C. | 1500-2499 specimens per month | Mindray 480 Analyzer | $0.48 per test |
| **_X_ D.** | **2500 or more specimens per month** | **Indiko Plus and Mindray 800 Analyzer** | **$0.29 per test** |

1. The following are included upon each equipment placement option:
    a. Drug testing software and any supporting software
    b. Lab integration with Connexis or Five Points Case Management systems
    c. Supporting hardware (Computer, Printer, and Barcode Label Printer)
    d. Delivery and installation cf equipment
    e. Onsite training for employees for proper operation of laboratory equipment and software provided for data management

## IV. Software

___ A. Five Point Solutions Case Management

**_X_ B. Connexis Case Management**

Lab Management Systems will have the following features:

1. Web-Based Order Entry and Results
2. Global Search Capability
3. Random Scheduling
4. Barcode Label Generation
5. Multi-Tiered Hierarchy
6. Chain of Custody (COC)
7. Online or Printed Reports

## V. SERVICE

DocuSign Envelope ID: 933DA226-62CD-411D-8847-C54B96CBF871

1. The Supplier must supply service for the analyzer and the software throughout the life of the agreement.
2. The Supplier will have 24 hour technical assistance. All service for equipment will be provided by the Supplier.

## VI. AGREEMENT TERM

Term and Renewal. The "Term" shall begin **Date.**

Options for Renewal: After the initial term, the agreement may be renewed at the sole discretion of User Agency on a year-to-year basis (one year at a time) for up to 6 fiscal periods so that the total of the initial term together with all renewal terms (if User Agency exercises such options) is equivalent to a total of 84 months. User Agency may, at its sole option, renew as to all of the Equipment and Services to be provided hereunder or as to only selected Equipment and Services. The terms and conditions of this Agreement shall apply during any renewals of the term.

# AGENDA ITEM

## Consent Agenda

**REPORT TO:** **Work Session (08/11/25)**

**REPORT TO:** **Voting Meeting (08/14/25)**

**ITEM NO:** 479/2025

**SUBJECT:** Approve the ratification of the application for grant funds from the Georgia Opioid Crisis Abatement Trust in the amount of $276,914.00 to provide funding for transportation assistance, a full-time counselor to assist with drug treatment for the REACT program, audio-visual equipment and subscriptions that will help provide telehealth options for treatment, and training opportunities. If awarded, appoint the Grants Manager as the Program Designee and authorize the Chairman to execute all related application and award documents. No match required.

## Meetings:

**Work Session Date:** 08/11/25

**Voting Meeting Date:** 08/14/25

## Executive Summary:

**Presenter:** BW

**Recommendation:**
Recommend approval.

**Purpose of Request:**
Approve the ratification of the application for grant funds from the Georgia Opioid Crisis Abatement Trust in the amount of $276,914.00 to provide funding for transportation assistance, a full-time counselor to assist with drug treatment for the REACT program, audio-visual equipment and subscriptions that will help provide telehealth options for treatment, and training opportunities for additional staff to attend the All RISE conference. If awarded, appoint the Grants Manager as the Program Designee and authorize the Chairman to execute all related application and award documents as well as add one full-time counselor to position control. There is no match requirement.

**History:**

Treatment Services is the agency which operates all accountability court programs in our judicial circuit. The agency provides comprehensive treatment services, including substance abuse treatment, to program participants in the area we serve. This community has been impacted significantly by the opioid epidemic. Treatment Services seeks to mitigate the effects of Opioid Use Disorder (OUD) by providing programming to target this problem among criminal justice involved individuals.

**Facts and Issues:**

**Options:**

Treatment Services provides comprehensive mental health and drug and alcohol services to high-risk, high-need individuals involved in the criminal justice system. We provide an alternative to incarceration by offering intensive and individualized treatment to those suffering from mental health and substance use disorders. Opioid Use Disorder (OUD) remains prevalent in our community, and Treatment Services is seeking grant funding from the Georgia Opioid Crisis Abatement Trust to facilitate better outcomes for those in treatment. The Georgia Opioid Crisis Abatement Trust was created to administer Georgia's share of funds from national settlements with opioid manufacturers or distributors.

# CORE STRATEGY:

## CATEGORY

**Treatment**

## APPROVED USE

**Treatment for Criminal-Justice-Involved Individuals**

Treatment services and strategies for early diversion for individuals with OUD who are incarcerated or have criminal justice involvement.

# EXECUTIVE SUMMARY

Treatment Services is the agency that oversees the accountability court programs in the Northeastern Judicial Circuit (Hall and Dawson Counties). Hall County Drug Court began in 2001 as the first accountability court program in our circuit with H.E.L.P. (MHC), DUI, Family Treatment, REACT, Parental Accountability and Veterans Courts following throughout the years. As an agency, Treatment Services provides direct case management, clinical treatment, and judicial oversight to individuals whose involvement in the criminal justice system is in direct relation to substance use or mental/behavioral health disorders. Studies show that over 20 million American adults suffer from substance use disorders with another 43+ million suffering from mental health issues. Incarceration rates for individuals with SUD are markedly high with 65% of all US inmates meeting criteria for SUD. With over $89 billion dollars spent on incarceration in the United States annually, this trend is one that accountability courts fight to remedy.

The Northeastern Judicial Circuit is home to the largest accountability court network in the State and serving approximately 900 individuals in 2024. Our programs experienced a 9.3% increase in total individuals served from 2023, indicating a continued increase in demand for substance abuse treatment in the courts. In 2024, our retention rate was 83.4% with a total of 170 individuals graduating from our programs. Based on an economic impact study conducted by the Council of Accountability Court Judges and Carl Vinson Institute, each graduate of a felony accountability court program equates to a cost-savings of $25,921 to the State of Georgia. When we combine this figure with the cost-savings of community service work performed by our participants, our circuit contributed over $3.53M in positive economic impact in calendar year 2024. Treatment Services provides over 6,000 hours of treatment annually through individual and group therapeutic sessions with additional hours spent on direct case management, peer services, and supplemental resource linkage. All in all, our agency serves as one of the largest treatment providers in our region and is the top referral source to partnering agencies such as our local Community Service Board, Avita Community Partners, healthcare systems, ARSC, and local residential treatment centers.

Our circuit has a history of innovative approaches and collaboration with local stakeholders, and we continually strive to offer services and reduce barriers to treatment to as many of our citizens in need as possible. Unfortunately, despite our history of work in our circuit, Hall and Dawson counties continue to experience significant impacts related to opioid use over the past several years. As noted in the Gap Analysis Continuum of Care report, Hall County not only experienced the largest average annual growth rate of 44.5% from 2018 to 2022, but we also experienced one of the largest total numbers of opioid-related deaths in Region 1 in 2022. Grant funding will allow our agency to expand its services and continue to provide vital interventions which are so desperately needed in our region. Hall County did receive funding in the first round of applications from the trust, but the opioid crisis persists as evidenced by our increase in program census. We have identified four specific areas of need which qualify for funding through the Georgia Opioid Crisis Abatement Trust and are outlined in the narrative below.

## Demonstrated Need #1 – Other - Transportation

Reliable transportation can be a lifeline for people in recovery. It ensures they can consistently attend support meetings, therapy sessions, court sessions, medical appointments, and work, all of which are crucial for stability and long-term healing. Without dependable transportation, a participant might have difficulty with the structured nature of an accountability court. These challenges are most likely to disproportionately impact those that are economically disadvantaged and those with the least resources. Compounding this, some participants may have lost their ability to provide their own transportation. Recent criminal history and substance abuse can contribute to such circumstances, creating a cycle that is difficult to break.

## Collaboration - Transportation

We are proposing that Treatment Services partner with a local transportation agency to provide access to reliable transportation throughout Hall County. WeGo was initially created by Hall Area Transit as a public ride share app to serve the City of Gainesville, the county seat of Hall County. In 2021, the service was expanded to provide public transit for all of Hall County. Participants in Hall County accountability courts are required to reside within Hall County limits. Partnering with WeGo would effectively allow the program to ensure any program participants most likely to be at risk of transportation issues would not have their recovery hindered by limited mobility. This access will decrease the risk of relapse due to disrupted treatment and increase the likelihood of success.

## Workplan and Deliverables – Transportation

Treatment Services will work with WeGo to secure ride share vouchers to provide for those participants with the least resources. During the program, participants provide income verification and employment data. Currently, Hall County Treatment Services participant data shows an active census of almost 600 program participants. Treatment services seeks to provide those in the lowest 10% of income with a $25 transportation voucher per month. This will not cover all transportation costs for these participants, but it will give them a resource in times that other methods of transportation are not available to them. This will reduce the likelihood of a relapse for those who may otherwise miss appointments in times of hardship. It may also give increased access to other resources that a participant may forego, such as medical appointments.

## Budget Description - Transportation

WeGo will provide ride share transportation services to our program participants.

- A $25 voucher will be purchased for 60 paricipants each month = $1500
- This $1500 per month transportation voucher allowance would run the full 24 month award period = $36000

## Total Request Transportation: $36000

## Demonstrated Need #2 - Training

Proper training for those working in accountability courts is essential because these specialized courts handle cases involving individuals who need support beyond traditional legal consequences. Whether focused on drug recovery, mental health treatment, or veteran assistance, accountability courts are designed to reduce recidivism and promote rehabilitation. Without sufficient training, staff including judges, attorneys, case managers, and program coordinators, may struggle to implement evidence-based practices effectively. Training ensures that professionals understand addiction science, mental health disorders, trauma-informed approaches, and alternative sentencing options. This knowledge allows them to make informed decisions, provide appropriate resources, and create supportive environments that encourage recovery. Additionally, training helps court personnel recognize bias, avoid stigmatization, and maintain ethical standards.

Treatment Services employs 56 full and part-time professionals working directly with individuals whose criminal justice involvement is directly related to substance use and/or mental/behavioral health diagnosis. In addition to our direct hires, our agency is comprised of the various accountability court teams which each consist of professionals from the judiciary, legal community, law enforcement, community supervision, and others. We strive to provide ongoing training and education to all staff associated with our programs to ensure compliance with Best Practices, increase knowledge of current trends, and overall professional development.

## Collaboration – Training

The All Rise Conference is the world's premier event focused on addiction, mental health, and justice innovation. It brings together thousands of professionals, including judges, attorneys, treatment providers, and social service experts to explore solutions for individuals impacted by substance use and mental health disorders within the justice system. RISE offers hundreds of training sessions, continuing education credits, and networking opportunities, making it a vital resource for those working in accountability courts and related fields. The conference covers topics such as risk assessment, evidence-based interventions, and community supervision strategies.

## Workplan and Deliverables – Training

By attending the All Rise conference staff will receive 24 hours of continuing education on the most up to date trends and best practices in the operation of accountability courts.

## Budget Description - Training

- Training and registration fees for 10 accountability court staff  $1850 per person = $18,500
- This request is for both years in the award period = $37,000

## Total Request Training: $37000

## Demonstrated Need #3 – Equipment

Telehealth has improved substance abuse treatment by increasing accessibility and convenience for individuals seeking recovery. Many people face barriers to treatment and providing a remote option can increase tools to serve those struggling with addiction. While treatment planning for long-term recovery will likely always lean heavily on in-person treatment, virtual care can provide another way to overcome obstacles that may prevent in-person appointments. It can enable treatment providers to meet with program participants in some situations that may not otherwise be possible. By integrating digital solutions with traditional methods, telehealth increases flexibility, privacy, and engagement, making it a powerful tool in substance abuse recovery.

## Workplan and Deliverables – Equipment

Treatment Services will use funding to equip two small group rooms with audio visual equipment that will allow treatment staff to meet virtually with participants and/or other partner agency staff that contribute to the successful treatment of opioid use disorder. This will facilitate telehealth as a tool when appropriate and may also facilitate improved staffing among partners to create better outcomes.

## Budget Description - Equipment

- 2 $800 Displays = $1600
- 2 $5000 Logitech Rally Bar Cameras = $10000
- 2 $750 Logitech Rally microphones, mounts, and cables = $1500
- 2 $400 iPads = $800
- 2 $600 annual subscriptions to Zoom for the rooms = $1200 (x2 years in award period = $2400)

## Total Request Equipment: $16,300

## Demonstrated Need #4 – Personnel – Program/Project Staff

The REACT Drug Court Track is an innovative partnership between Hall County Treatment Services, the Department of Community Supervision and the Department of Corrections. The REACT Track targets high-risk offenders who are returning from the state prison system and is designed to assist participants with community and recovery resources, as well as enhanced structure and accountability as they reach probation/parole status through DCS. This program facilitates improved transitions from state inmates to productive community members by better preparing participants to confront the challenges formerly incarcerated individuals face. REACT is an existing project that has seen positive results. This program supports individuals that may not otherwise be eligible for treatment through a traditional accountability court, but that exhibit a significant need to address substance use disorders, such as Opioid Use Disorder. The program previously received limited term grant funding through an innovation grant to support a full-time counselor position. That funding is no longer available, but the need to provide treatment and support to this high-risk population persists.

## Collaboration – Personnel – Program/Project Staff

The REACT Drug Court Track is an innovative partnership between Hall County Treatment Services, the Department of Community Supervision and the Department of Corrections.

## Workplan and Deliverables – Personnel – Program/Project Staff

Hall County Treatment Services requests funding for a full-time counselor to serve the needs of the REACT program, to include salary and benefits. At any time, this program can serve between 30 and 40 high risk individuals that have significant criminal histories and substance use disorders. These individuals represent some of the greatest need for support to ensure substance abuse, including the abuse of opiates, is treated, thereby allowing them to transition back into a productive life in society. The organization is otherwise equipped to operate this program, to include judicial support, existing policy structure and workflows, and other infrastructure.

## Budget Description - Personnel – Program/Project Staff

- Salary for one full-time counselor ($56640) for the two-year award period = $113,280
- Benefits for one full-time counselor ($37167) for the two-year award period = $74337

## Total Request - Personnel – Program/Project Staff: $187,614

# Total Project Request: $276,914

Chairman David Gibbs
Hall County Board of Commissioners
P.O. Box 1435
Gainesville, GA 30503

**RE: Nominations for Board of Trustees of the Hospital Authority of Hall County and the City of Gainesville**

Dear Chairman Gibbs,

The Hospital Authority bylaws provide that terms will expire on September 30, 2025. The Authority members whose terms of office will be expiring this year are Benny Bagwell, Lee Hemmer and Connie Banks.

They have all served well during their term of office and are eligible and interested in serving a renewal term if the County Commissioners choose to include their names among its nominees.

As you know, the selection of new board members is made by the Authority from a list of three individuals nominated by the Board of Commissioners for each expiring term. I am enclosing a form for use by the Board of Commissioners in making its nominations. Please give me a call should you have any questions, or if I may be of assistance in any way.

Sincerely,

Andrei Boyarshinov

Gregg Poole, District 3 Commissioner
Jeff Stowe, District 4 Commissioner

**From:** Beth Garmon, Director of Planning & Zoning

**Date:** July 7, 2025

**Subject:** **6266 Yellow Creek Road | Rezone |** from Agricultural Residential 1 (AR-1) to Planned Residential Development (PRD) | on a 253.58± acre portion of a tract| Zoned AR-1; Tax Parcel 11112 000004 (pt.) **| Proposed Use: 253-lot residential development | Cook Communities, applicant**

---

The request before you is from Cook Communities to rezone from Agricultural Residential 1 (AR-1) to Planned Residential Development (PRD) for a 253-lot residential development. The request was later reduced to 191 lots. This item is located in Commission District 2.

At their June 16, 2025 meeting, the Hall County Planning Commission voted to recommend **denial, (3-1, Sosebee opposed, Varner absent).**

Staff recommendation: **Approval, with conditions,** as the proposed development is consistent with the "Rural Neighborhood" future land use classification within the Comprehensive Plan.

Public Comments:

- June 16, 2025 HCPC: **Two (2) comments in opposition were submitted** in advance of the Planning Commission meeting and **four (4) people spoke in opposition** during the public hearing.
- May 19, 2025 HCPC: **No comments were submitted** in advance of the Planning Commission meeting. No public hearing was held, and the request was tabled to June 16, 2025.
- May 5, 2025 HCPC: **One (1) comment in opposition was submitted** in advance of the Planning Commission meeting. No public hearing was held, and the request was tabled to May 19, 2025.

**Vote: 3-1 (Sosebee opposed, Varner absent)**

**Excerpts from the minutes of the June 16, 2025 meeting**

***Applicant's Presentation:***

**Vamsee Polamarasetty, Planner,** presented a summary of the request.

**Erin Moore, 3120 Frontage Road, Gainesville,** presented the request. The applicant is requesting to rezone a portion of a 253.58± acre tract from Agricultural Residential 1 (AR-1) to Planned Residential Development (PRD) for a 191-lot residential subdivision. The proposed development includes 191 single-

family detached residences along with various amenity features. The overall proposed density for the development is 0.75 dwelling unit per acre.

***Public Forum:***

**Greg Rutledge, 7724 Barkers Bend, Murrayville,** spoke in opposition. Concerns raised included that the development contrasts with the current community character and the future land use classification, the design includes insufficient buffers and the missing reference in the staff report to the greenspace overlay.

**Dr. Courtney St. John-Wacker, 7719 Elm Circle, Murrayville,** spoke in opposition. Concerns raised were the small lot sizes, and the development's inconsistency with the current local character and the future land use classification.

**Chuck Andrews, 6329 Yellow Creek Road, Murrayville,** spoke in opposition. Concerns raised were the negative environmental impacts to the Yellow Creek area, and the observance of construction equipment that was operating on-site earlier that day. Beth Garmon, Director of Planning and Zoning, stated that an inspector from the Hall County Engineering Department went out to the site and verified that the path clearing authorized by the applicant was allowed and did not require a grading permit.

**Katie Boyle, 7126 Barkers Bend, Murrayville,** spoke in opposition. Concerns raised were negative environmental and ecological impacts, potential of flooding from increased impervious surface, increased traffic, and the safety of the Yellow Creek community as wildlife would relocate closer to homes when their habitats were disturbed.

***Rebuttal***

The applicant spoke about the multiple community meetings and how the input was used to alter the project such as a reduction in the number of lots as well as an increase of the buffers with neighboring property owners. The applicant stated that these standards would be welcome as zoning conditions. The applicant went on to explain the commitment to maintaining greenspace within the development.

***Planning Commission Comments:***

Mr. Braswell thanked the applicant and opposing community members for working well with each other.

***Motion: A motion to deny was made by Stan Hunt and seconded by Shannon Davidson Vote: 3-1 (Sosebee opposed, Varner absent)***

---

**Excerpts from the minutes of the May 19, 2025 meeting**

***Applicant's Presentation:***

**Katie Greenway, Planning and Zoning Administrator,** presented a summary of the request. Ms. Greenway stated the site plan presented shows a reduction to 191 lots from the originally submitted plan, which showed 253 lots.

**Erin Moore, 3120 Frontage Road, Gainesville,** requested to table the request to the June 16, 2025 Planning Commission meeting to allow more time for further discussion with the Yellow Creek community.

***Planning Commission Comments:***

Mr. Braswell stated that the applicant would be expected to give their presentation or request to withdraw at the June 16th meeting.

***Motion: A motion to table to June 16, 2025 was made by Stan Hunt and seconded by Frank Sosebee. Vote: 4-0 (Varner absent)***

---

**Excerpts from the minutes of the May 5, 2025 meeting**

***Applicant's Presentation:***

**Katie Greenway, Planning and Zoning Administrator,** presented a summary of the request. Ms. Greenway stated the site plan presented shows a reduction of lots to 191 from the plan originally submitted with the application, which showed 253 lots.

**Beth Garmon, Planning and Zoning Director,** stated staff recommendations take into consideration multiple resources, including the Comprehensive Plan, Unified Development Code, as well as analyzing the surrounding area. She further acknowledged that this interpretation may be different than that of the board.

**Erin Moore, 3120 Frontage Road, Gainesville,** requested to table to allow for further discussion with the Yellow Creek community.

***Motion: A motion to table to May 19, 2025 was made by Stan Hunt and seconded by Frank Sosebee. Vote: 5-0***

---

**Staff recommends APPROVAL of the applicant's request with the following conditions:**

1. The property shall be developed in accordance with the site plan dated February 7, 2025, and as described in the project narrative dated March 7, 2025, and supplemental narratives dated April 4, 2025 and April 21, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.

2. The development shall be limited to a total of 191 lots.

3. The minimum heated floor area (HFA) of each residence shall be 1,800 square feet

4. All residences shall include two-car garages in addition to driveways that accommodate two parked cars. Driveways shall measure no less than 22 feet from back of sidewalk to the front of the garage door.

5. Amenities shall include a clubhouse, community swimming pool, pickleball courts, walking trails, playgrounds, pocket parks, and a mail kiosk with adjacent parking as depicted on the proposed site plan dated February 7, 2025. Amenities shall be completed prior to the issuance of thirty percent (30%) of the certificates of occupancy. Additional amenities may be constructed by the developer subject to the review and approval of the Director of Planning and Zoning, or their designee.

6. All designated open space within the development shall be commonly held and maintained and shall not be the responsibility of any individual homeowner(s). This common open space ownership shall be included in the deeds created for each lot.

7. The completed covenants for the subdivision and the documents establishing the property owners association shall be submitted for review. These documents shall include a provision that would assure maintenance of the amenity package through adequate assessment of the subdivision property and would provide for establishing a lien against any property failing to pay said assessment. These documents shall be recorded simultaneously with the final plat and/or prior to the sale of any lots within the subdivision.

8. A minimum of 75 acres shall be placed in permanent conservation with a land trust. Property preserved within the conservation agreement shall be separate from open space or common areas held by the HOA, and shall not be developed for residential use.

9. All traffic engineering standards shall be met, and associated costs shall be the sole responsibility of the developer.

10. Access to the development shall be approved by Hall County Engineering and/or the Georgia Department of Transportation, as applicable. The recommendations of the traffic study, subject to final review and approval by both Hall County Engineering and the Georgia Department of Transportation, shall be implemented. Any costs associated with these improvements shall be the responsibility of the developer.

11. Developer/HOA will maintain the Land Application System (LAS) and any conveyances to the Private Wastewater system. Perpendicular crossings within existing right-of-way shall be allowed where necessary for required road crossings for installation/conveyance purposes, and shall be cased in accordance with DOT standards. The collection system shall be installed in easements adjacent to the right-of-way. The Land Application/Drip System will be permitted through the Georgia Environmental Protection Division.

12. The development shall be limited to a maximum of three (3) model homes prior to approval and recording of the final plat, provided that the standards of section 7.9.5.C. of the Hall County Unified Development Code are met.

13. One sales office and one construction trailer shall be permitted, provided that the conditions of Section 7.9.4.B. & C. of the Hall County Unified Development Code are met.

14. The following statement regarding the potential impacts of agricultural operations in the area shall be made a part of any plat recorded on the property:
"Owners, occupants, and users of property shown on this plat are hereby informed of the impacts associated with normal farming practices which may take place on adjacent and nearby property including, but not limited to, noise, odors, dust, the operation of machinery of any kind, the storage and disposal of manure, and the application of fertilizers, herbicides, and pesticides. Therefore, owners, occupants, and users of the property shown on this plat should be prepared to expect the effects of such practices."

15. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to Environmental Health, the Fire Marshal, and Hall County Engineering. Where there are discrepancies between the proposed standards and County regulations, the County regulations shall overrule unless otherwise approved herein.

16. All conditions of zoning shall be made part of any plats created for the property.

---

**Summary Analysis**

The applicant is requesting to rezone a portion of a 253.58± acre tract from Agricultural Residential 1 (AR-1) to Planned Residential Development (PRD) for a 191-lot residential subdivision. The proposed development includes 191 single-family detached residences along with various amenity features. The overall proposed density for the development is 0.75 dwelling unit per acre.

The property is currently undeveloped. Yellow Creek runs north to south along the northeastern property line and bisects a portion of the eastern side of the parcel. This area is also within a FEMA flood zone. Surrounding properties are zoned and developed as follows:

- **North**: Agricultural Residential 1 (AR-1), Mix of undeveloped and agricultural uses including a horse farm (tax parcel 11128 000001A)
- **East**: Agricultural Residential 1 (AR-1), Developed with single-family residences and agricultural uses
- **South**: Vacation Cottage (V-C) and Agricultural Residential 1 (AR-1), Developed with single-family residences
- **West**: Agricultural Residential 1 (AR-1), Developed with single-family residences and agricultural uses including a chicken farm (tax parcel 11128 000001A)

Per the narrative, the proposed homes will be a minimum of 1,800 square feet of heated floor area and include at least three bedrooms, two bathrooms, and a two-car garage. Three lot sizes are proposed, with varying minimum frontages — ranging from 10,230 to 13,200 square feet, and 60 to 80 feet minimum lot widths —and will include a variety of architectural styles. Facades will feature architectural elements such as shake siding, board and batten siding, and stone or brick accents; architectural elevations were not provided to illustrate the home designs.

The development will have two access points from Yellow Creek Road, with the primary entrance designed as a parkway-style access with a landscaped median and a full access secondary entrance to the north. Community amenities will include a clubhouse/pavilion, swimming pool, pickleball courts, playgrounds,

pocket parks, sidewalks with connected walking trails, and a cluster mailbox unit (CBU) with associated parking located near the clubhouse.

The applicant proposes to maintain a total of 63.58 acres as secondary conservation area and a total of 69.4 acres of primary conservation area consisting of required vegetative buffers along property lines and stream buffers. Per the supplemental narrative dated April 21, 2025, the developer is in discussions with the North Georgia Land Trust to place these undeveloped portions of the property into permanent conservation.

The applicant held a community participation meeting on April 14, 2025 at the Hall County Public Library Murrayville Branch. Following community input, the applicant revised the plan to reduce the total number of lots from 253 to 191. In response to specific concerns:

- The LAS drip field was relocated 150–200 feet away from a neighboring chicken farm (tax parcel 11128 000001A), with fencing proposed.
- A portion of the site adjacent to an existing horse farm (tax parcel 11114 000003A), was removed from the development area and placed into conservation.
- The applicant is working with other adjacent landowners on specific requests including additional fencing and space for a potential American Chestnut tree orchard.

Per a separate supplemental narrative dated April 4, 2025, the applicant requests approval for three model homes prior to final plat approval. One sales trailer and one construction trailer are also proposed during the development period.

Water service will be provided by the City of Gainesville (confirmed March 27, 2025). Sanitary sewer service will be provided by on-site septic tanks and a shared community subsurface drip field system permitted by the Georgia Environmental Protection Division (EPD).

A traffic memo prepared by Southeastern Engineering, Inc. dated March 4, 2025, suggests that turn lanes may be needed at development access points along Yellow Creek Road, based on projected traffic volumes. The report summarizes that the additional trips generated by the proposed development are anticipated to not significantly impact safety and operations along Yellow Creek Road or adjacent intersections.

The development standards for the project are described in the table below and compared to the Planned Residential Development (PRD) standards outlined by the Hall County Unified Development Code (UDC):

| Development Standard | Proposed | Required | Compliance |
|---|---|---|---|
| Site Area | 253.58± acres | 5 acres | Complies |
| Density | 0.75 U/A | 2 U/A (max) | Complies |
| Minimum Lot Area | 42 Lots – 10,230 sf<br>82 Lots – 11,550 sf<br>67 Lots – 13,200 sf | 8,000 sf | Complies |
| Minimum Lot Width | 60 feet | 50 feet | Complies |

| | | | |
|---|---|---|---|
| Front Yard | 25 feet | 25 feet | Complies |
| Side Yard | 5 feet | 5 feet | Complies |
| Rear Yard | 20 feet | 20 feet | Complies |
| Maximum Building Height | 50 feet | 50 feet | Complies |
| Minimum Heated Floor Area | 1800 sq. ft. | N/A | N/A |
| Buffers | 75-100 feet | 50 feet | Complies |
| Landscaping | 2 trees per lot | 2 trees per lot | Complies |
| Sidewalks | Not depicted | 5 feet on both sides of street | Unknown |
| Open Space | 52.4% | 30% | Complies |
| Cluster Mailbox Unit (CBU) | CBU with parking spaces | CBU with 11 parking spaces | Complies |

**Based on the future land use plan, staff finds the requested rezoning *is consistent* with the Hall County Comprehensive Plan future land use designation of "Rural Neighborhood".** The intent of this future land use designation is that these areas should consist of active farms and agricultural enterprises and low-density, large-lot single-family residential use with density up to 0.75 dwellings per acre. These areas also consist of undeveloped lands likely to face development pressures for new residential or commercial development. Similar to Rural Agriculture, they should have deep setbacks and incorporate a high percentage of open space. Where it occurs, new development should preserve natural features, including tree canopy, waterways, and waterbodies. The development has an overall proposed density of 0.75 dwelling units per acre.

**Zoning Analysis**

When considering a zoning amendment to the zoning maps, the Planning Commission must study the need and justification for the change based on a determination of the facts applicable to the particular case, and the following general lines of inquiry must be considered:

a) Whether the zoning proposal will permit a use that is suitable in view of the use, development and zoning of adjacent and nearby property; **The proposal is unique as the majority of surrounding parcels are zoned AR-1 or Vacation Cottage (V-C) and consist of large lots occupied by low density residential and agricultural land uses. The individual lots of the proposed development are much smaller in comparison than surrounding property; however, the preservation of open space and lower density demonstrate principals of conservation subdivision design.**

b) Whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby property; **The proposed rezoning does not appear to adversely affect the existing use or usability of adjacent residential properties.**

c) Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned; **The property has reasonable economic use as currently zoned; however, the applicant cannot develop the property as proposed without approval by the Board of Commissioners.**

d) Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, schools, police protection, fire protection, public health facilities or emergency medical service; **The proposed rezoning is not expected to cause an excessive or burdensome use of existing streets, transportation facilities, utilities, schools, police protection, fire protection public facilities, or emergency medical service. The property will be served by City of Gainesville public water. Sanitary sewer services will be provided by on-site septic tanks and a shared community sub-surface drip field to be permitted through the Georgia Environmental protection division. Improvements such as turn lanes into the development from Yellow Creek Road are suggested by the submitted Traffic report.**

e) Whether the zoning proposal is in conformity with the policy and intent of the future land use plan for the physical development of the area; **The proposed use is consistent with the Comprehensive Plan and the "Rural Neighborhood" land use designation. The "Rural Neighborhood" designation envisions a density of up to 0.75 dwelling units per acre which is consistent with the proposed development.**

f) The extent to which property values are diminished by the existing zoning restrictions; **Staff is unable to determine the extent to which property values are affected by the existing zoning restrictions.**

g) The extent to which the destruction of the subject property's value under the existing zoning promotes the health, safety, morals or general welfare of the public; **Staff is unable to comment on the impact of property values without a full market analysis. Multiple factors impact property value including construction types, proposed uses, and maintenance.**

h) The relative gain to the public as compared to the hardship imposed upon the individual property owner; **Staff has not identified a hardship imposed on the property owner as the property is currently zoned.**

i) The length of time the property has been vacant as zoned considered in the context of land development in the area in the vicinity of the property; **The property is currently undeveloped.**

j) Whether there are other existing or changing conditions affecting the use or development of the property which give supporting grounds for either approval or disapproval of the zoning proposal; **Staff is not aware of any changing conditions affecting the use or development of the property.**

k) Whether the change would create an isolated district unrelated to the surrounding districts; ; **The proposed zoning is a Planned Residential Development (PRD). Per the Official Code of Hall County, Planned Development Districts are to be utilized as a "floating zone" which shall mean that areas will not be pre-designated as planned development districts but rather each such designation shall result from a specific and separate application for amendment.**

l) Whether the present zoning district boundaries are illogically drawn in relation to existing conditions in the area; **There is no evidence that the present zoning district boundaries are illogically drawn.**

m) Whether the change requested is out of scale with the needs of the county as a whole or the immediate neighborhood; **The proposed development does not appear to be out of scale with the needs of the county as a whole, as there is a need for additional and varied housing options.**

n) Whether it is impossible to find adequate sites for the proposed use in districts permitting such use and already appropriately zoned; **There are other properties within the county that support low-density single-family residential uses based on the Future Land Use Map; however, the development as proposed cannot be developed in any of the existing residential zoning categories without approval by the Board of Commissioners.**

o) Whether the need for rezoning could be handled instead by a variance request to the Planning Commission; **The request could not be handled alternatively as a variance.**

p) Whether there would be an ecological or pollution impact resulting from major modifications to the land if the request is granted; **Any land disturbance activities on the property shall be required to go through the land development permitting process, and as a result are subject to local, state, and federal regulations. As a result, there are no anticipated ecological or pollution impacts resulting from any modification to the land if the request is granted.**

q) Whether there is reasonable evidence based upon existing and anticipated land use that would indicate a mistake was made in the original zoning of the property; **There is no indication that a mistake was made in the original zoning.**

**11.2.6.E - Submission requirements**

1. Any person or persons requesting a change in the official zoning map or use subject to approval of the County Commission must file an application with a plat or map of the property attached thereto, together with payment of such fees set forth in this Sec 11.2. to cover administrative and advertising costs, in the Planning and Zoning Department office. Such person or persons or their authorized agent must appear in person at the public hearing held to consider the district change. **The proposal meets the requirement. The applicant has paid the appropriate fees and understands that someone must be present at both the Hall County Planning Commission meeting and the voting meeting of the Hall County Board of Commissioners.**

2. All applications for a change of zoning classification or use subject to approval of the County Commission must include:

    a. A narrative statement identifying the existing and proposed use of the property and addressing each of the criteria set forth in this Sec. 11.2. **The proposal provides a narrative outlining the intent of the development; however, the applicant has not prepared a response to each of the criteria listed in 11.2.6.E.2.**

    b. A site plan drawn to scale designating the area covered by the application and identifying existing and proposed buildings and uses, adjacent existing land uses, zoning on contiguous parcels, including those across an abutting public right-of-way, and any other significant site improvements proposed to accommodate the proposed use or buffer adjacent uses, etc., or

a plat of the subject property where no specific land use is proposed. In cases where only a plat or map is provided and no land use is proposed, the Planning Commission and County Commission may evaluate the application based on the most intense possible land use permitted in the proposed district**. The proposal meets the requirement.**

c. For any application for a slow rate land treatment system as defined in 7.6.9.D.1, additional requirements apply. **This standard is not applicable to the applicant's request**

d. For any application proposing the development of 100 or more residential dwelling units, a traffic impact study must be submitted prior to consideration of the application by the County Commission. At the applicant's expense, the traffic impact study must be prepared by a professional engineer in accordance with requirements established by the Hall County Engineering Department. The Engineering Department must review the traffic impact study and forward any comments to the County Commission. **The applicant submitted a traffic memo from Southeastern Engineering, Inc. dated March 4, 2025. Per the report, "turn lanes may need to be considered on Yellow Creek Road at the driveway intersections**. **Based on the characteristics of Yellow Creek Road the additional trips generated by the development are anticipated to not significantly impact safety and operations along Yellow Creek Road or adjacent intersections."**

**Development Support and Constraints**

**Hall County Environmental Health**
In an email dated April 3, 2025, Emily McGahee stated, "No comment. Proposed sewage disposal to be permitted by EPD."

**Georgia Department of Transportation**
In an email dated April 2, 2025, Henry Stevens, E.I.T., GDOT Civil Engineer 2, stated that GDOT coordination is not required.

**Hall County Public Works and Utilities**
In a memo dated April 3, 2025, Bill Nash, Director of Public Works and Utilities, provided the following comments:

**Engineering:**
This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
Show stream buffer and impervious setback from wrested vegetation not centerline of stream.
Show FEMA and Hall County studied Flood plains that are present on site.

**Traffic:**
Both proposed accesses must meet Hall County requirements at a minimum decel lanes will be required.

**Utilities**
Hall County service area. No infrastructure in the area.

**Hall County Fire Marshal**
In an email dated April 2, 2025, John Hornick, NPQ Fire Service Plans Examiner 1, stated, “If approved the plan may require modifications during the development review process.”

**Hall County Tax Assessor**
In an email dated March 28, 2025, Cher Melendez stated, “CUVA 2016 covenant.”

**SUPPLEMENTAL INFORMATION**

Rezoning for The Estates at Yellow Creek (Hall County, GA)
6266 Yellow Creek Road – Murrayville, GA 30564
Tax Parcel No. 11112 000004 / L.L. 112, 113, 128 & 129 / 11th District

Cook Communities would like to provide the following document to provide additional information regarding the submitted application for The Estates at Yellow Creek Development.

***Public Participation***

Cook Communities held a community participation meeting on April 14th,2025 at the Hall County Public Library (Murrayville Branch). 200+ letters were sent out to the surrounding community and approximately 50+ people attended with 35+ listed on the sign-in sheet.

Cook Communities presented the development as submitted and opened up the meeting for questions and concerns. Several local residents spoke, including the adjacent land owners and neighbors. As a result of the community participation meeting, Cook Communities decided to make additional changes to the site plan in hopes of easing the neighbors' concerns and be more in line with the recently updated Hall County Comprehensive Plan.

***Site Plan Changes made after Public Participation Input (Summary)***

- *Several Community members had concerns about the overall size of the development and the proposed density of 1 unit/acre (253 Lots)*
    - Cook Communities has adjusted the site plan down to an overall density of 0.75 units/acre (191 Lots) which is in line with the Hall County Comprehensive Plan.
- *The adjacent neighbor to the Northwest had concerns of his existing chicken farm in relation to the proposed LAS Drip field.*
    - Cook Communities revised the location of the LAS drip fields by relocating them a minimum of 150' to 200' from his common property line. We are also working with him on adding a fence along this area as well.

- *The adjacent neighbor to the east had concerns about the portion of the development that was closest to his horse farm.*

    - Cook Communities removed that portion of the development closest to his proposed farm and now is proposing it to be placed in conservation and never developed as a subdivision.

- *Cook Communities is in discussions with 2 other adjacent land owners and are working through specific requests to try and alleviate any additional concerns they may have.*

    - One landowner has requested a fence along the portion of the development that adjoins her farm. We hope to have the details of this worked out before the county commission meeting.

    - One landowner has requested a portion of the property to allow for the planning of an American Chestnut Tree Orchard. We are working through the technical details on how to accomplish this and feel is it feasible.

- *Cook Communities has reached out to the North Georgia Land Trust and are in discussions for the portion of the property not being developed be placed in permanent conservation. As mentioned previously in the submitted application, the intent of the development is to mirror the intent of a Conservation Subdivision. It is anticipated that approximately 75+ Acres will be place in permanent conservation which does not include the open space and common area surrounding the proposed lots*.

***Overall Summary***

Cook Communities has tried to listen to the community and take a partnership approach to the proposed development. As with any new development there will always be opposition, we feel this development is in line with the Hall County Comprehensive Plan and the character of the area. Our lot width, setbacks and density match that of an R-1-L Zoning with the exception of lot size. We feel this conservation style approach is less impactful to the surrounding area.

Respectfully,

Keith Cook
Cook Communities

**SUPPLEMENTAL INFORMATION**

Rezoning for The Estates at Yellow Creek (Hall County, GA)
6266 Yellow Creek Road – Murrayville, GA 30564
Tax Parcel No. 11112 000004 / L.L. 112, 113, 128 & 129 / 11th District

Cook Communities would like to provide the following document to provide additional information regarding the submitted application for The Estates at Yellow Creek Development.

***Public Participation***

Cook Communities scheduled a community participation meeting for April 14th,2025 at the Hall County Public Library (Murrayville Branch). 200+ letters were sent out to the surrounding community on March 18th, 2025. A sample copy of the letter is attached to this document. Feedback received from that meeting will be provided to staff.

Cook Communities has met with two adjacent landowners and additional community members to discuss the proposed development. One in-person meeting was held at our Oakwood office and the other via Microsoft Teams. We are currently working with the landowners to address some of their concerns to help mitigate any adverse impact.

***PRD Zoning/Conservation Subdivision***

While Cook Communities is requesting a Planned Residential Zoning Classification (PRD), the style of development being proposed is in line with a Conservation Subdivision (CS) as defined in Hall County UDC. Our lot width, setbacks and density match that of an R-1 Zoning with the exception being the lot size. We feel this conservation style approach to development is less impactful to the surrounding area. As mentioned in the Letter of Intent, we are requesting a 1 unit/acre density which mirrors the Rural Residential Character of the area.

***Model Home/Sales Office/Construction Trailer***

Cook Communities would like to request 3 Model Homes for the project. We would also request that a sales office and construction trailer be allowed as part of the development.

***Additional Information Regarding Onsite Septic/Land Application/Drip Fields***

As mentioned in the Letter of Intent, the Land Application/Drip System will be permitted through the Georgia Environmental Protection Division – Watershed Protection Branch. As part of the permit, portions of the system are required to be monitored monthly and quarterly. Monitoring Wells are located near the drip fields and quarterly samples are required to meet drinking water standards. There are several of these systems currently in use throughout the county. The most recent one in operation is the Cottages of Lanier Development located along US 129 on Lake Lanier. A portion of the Marina Bay development utilizes LAS drip technology as well. The newest project using this technology was recently permitted and will go to construction in the Fall 2025.

The applicant and its representatives welcome the opportunity to meet with Hall County staff to answer any questions or concerns you may have. Cook Communities respectfully requests your approval of this application.

Respectfully,

Keith Cook

**LETTER OF INTENT**

Rezoning for The Estates at Yellow Creek (Hall County, GA)
6266 Yellow Creek Road – Murrayville, GA 30564
Tax Parcel No. 11112 000004 / L.L. 112, 113, 128 & 129 / 11th District

Cook Communities submits this Letter of Intent and attached application for the purpose of rezoning to Hall County's Planned Residential Development (PRD) Zoning Classification for the 253.58-acre tract located at 6266 Yellow Creek Road in unincorporated Hall County. The subject property is currently undeveloped land and zoned AR-I (Agricultural Residential) and V-C (Vacation Cottage).

Cook Communities proposes to develop a distinctive and attractive single-family detached neighborhood with amenities. The neighborhood is intended to be developed in phases and will total 253 Single-Family Homes at full buildout (1 unit/acre density). Each home will have a minimum of 1,800 S.F.+ of heated floor space and will typically include a minimum of 3 bedrooms, 2 bathrooms and a two-car garage. Three (3) different lot sizes are proposed in the development which all meet the recommended guidelines set forth in the PRD zoning classification. The intent of providing differing lot sizes is to vary the architectural styles and product in the separate portions of the neighborhood. The homes will include attractive architectural elements including shake and board and batten siding, stone/brick accents and sodded yards.

Amenities proposed for the development include a community pool with clubhouse/pavilion, playgrounds, pickleball courts, sidewalks with connected walking trails, pocket parks and attractive landscaping. A portion of the subject property is being reserved with the intent of dedicating it to Hall County for a future use benefiting the surrounding community.

Access to the development will be provided along Yellow Creek Road and will include an attractive parkway-style main entrance with landscaping. A secondary entrance will also be provided as required by the Hall County Unified Development Code (UDC). A traffic memo is included with this submittal that summarizes the existing and proposed traffic conditions along Yellow Creek Road at the Subject Property. Cook Communities intends to install any

recommended improvements required by Hall County to minimize the impact of the proposed development.

The provisions for water will be provided by the City of Gainesville. Sanitary Sewer for the development will be provided onsite using septic tanks and a shared community sub-surface drip field. The Land Application/Drip System will be permitted through the Georgia Environmental Protection Division. As a part of the permit approval, the GA Environmental Protection Division requires a Trust Indenture be executed and in place to ensure operation in perpetuity.

The applicant and its representatives welcome the opportunity to meet with Hall County staff to answer any questions or concerns you may have. Cook Communities respectfully requests your approval of this application.

Respectfully,

Keith Cook

**EXECUTORS' DEED**

THIS INDENTURE is made as of JANUARY 3, 2012, between GREGORY N. GALLAGHER and DOROTHY Y. WALSH, as Co-executors of the Estate of WILTON MAXWELL YOUNG a/k/a MAXWELL WILTON YOUNG (hereinafter referred to as the "Deceased"), late of Cobb County, Georgia (hereinafter referred to as "Grantor") and ASHLEY BROOKE YOUNG (hereinafter referred to as "Grantee") ("Grantor" and "Grantee" to include their respective heirs, successors, executors, administrators, legal representatives and assigns where the context requires or permits).

WITNESSETH:

GRANTOR (acting under and by virtue of the power and authority contained in Item FOURTH of the will of the Deceased, it having been duly probated and recorded in the Probate Court of Cobb County, Georgia as Estate No. 10-1812), for and in consideration of the sum of Ten Dollars ($10.00) in hand paid at and before the sealing and delivery of these presents (the receipt of which is hereby acknowledged), has granted, bargained, sold and conveyed, and by these presents does grant, bargain, sell and convey unto Grantee all that tract or parcel of land lying and being in Land Lots 112, 113, 128 and 129 of the 11th District, Hall County, Georgia (hereinafter referred to as the "Land"), as more particularly described in the attached Exhibit "A", which Exhibit is incorporated herein, subject to the exceptions set out in Exhibit "B", which Exhibit is incorporated herein.

TO HAVE AND TO HOLD the Land with all and singular the rights, members and appurtenances thereof, to the same being, belonging, or in anywise appertaining, to the only proper use, benefit and behoof of Grantee forever, in as full and ample a manner as the same was held, possessed and enjoyed, or might have been held, possessed and enjoyed, by the Deceased.

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi Kristie,

Sorry about that. Yes, Gainesville owns and operates an existing 8-inch DIP water main in the R/W of Yellow Creek Road along the frontage of the subject property, and we currently have adequate domestic water capacity for the proposed 253-unit residential development. Please let me know if you need anything further.

Thanks,

**Nick Swafford**

---

Nick,

I am reaching out regarding an application we have for 6266 Yellow Creek Road, submitted by Cook Communities/Luke Pressley, for a proposed 253-unit single-family subdivision. For your reference, I have attached the site plan and narrative for your reference.

## HCPC Tentative Agenda 5.5.25

**From** Emily McGahee (Environmental Health) <emcgahee@hallcounty.org>
**Date** Thu 4/3/2025 12:34 PM
**To** Kaitlyn Elliott (Planning) <kelliott@hallcounty.org>; Beth Garmon (CDI: Planning) <bgarmon@hallcounty.org>; Katie L. Greenway (CDI: Planning) <klgreenway@hallcounty.org>; Kristie Turner (Planning) <kturner@hallcounty.org>
**Cc** Chad Harper (Environmental Health) <charper@hallcounty.org>; Kelly Hairston (Environmental Health) <khairston@hallcounty.org>

Please find Environmental Health comments below:

Item 1, 4340 Cherokee Trail, Wilcox: All proposed structures must meet all residential permitting requirements and/or required setbacks to existing septic system.

Item 2, 6551 Red Hawk Way, Acuff: No comment. Public sewer.

Item 3, 5962 Jim Crow Road, Burton: Must meet all Environmental Health commercial septic system permitting requirements. A detailed business plan, including details on the filtration of the pond water, must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation/modification may be required after review of business plan. The pond will be regulated and permitted under the DPH Rules and Regulations for Public Swimming Pools, Spas, and Recreational Water Parks if the water is recirculated. In this case, the well must also meet potable water supply standards if used to fill the pond.

Items 4A,B,C, 5323 Thompson Bridge Road, Cane: Must meet all Environmental Health commercial septic system permitting requirements. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation/modification may be required after review of business plan.

Item 5, 2505 Dana Drive, Karas: Must meet all Environmental Health commercial septic system permitting requirements. Further determination will be made during the civil plan review process. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation may be required after review of business plan.

Item 6, 6266 Yellow Creek Road, Cook: No comment. Proposed sewage disposal to be permitted by EPD.

## MEMORANDUM

**To:** Beth Garmon, Director of Planning and Zoning

**From:** Bill Nash, Director of Public Works and Utilities

**Date:** April 3, 2025
April 10, 2025 (revised for 2505 Dana Circle)

**Subject:** May 5, 2025 - Hall County Planning Commission Agenda

Please be advised that our office has reviewed the Hall County Planning Commission agenda for the May 5, 2025 meeting. Upon review, we provide the following comments.

**NEW BUSINESS**

**1. 4340 Cherokee Trail | Variance |** to reduce the minimum yards | on a 0.38± acre tract located on the east side of Cherokee Trail approximately 1,555 feet from its intersection with Twin Rivers Drive | Zoned R-1; Tax Parcel 08038 001026 | **Proposed Use: Accessory structure |** * Commission District 2 **| Sonia L. Wilcox, applicant**

a. **Engineering:** No comment

b. **Traffic:** No comment
c. **Utilities:** Gainesville Water. No sanitary sewer in area.

**2. 6551 Red Hawk Way | Variance |** to reduce the minimum yards | on a 0.30± acre tract located on the south side of Red Hawk Way approximately 195 feet from its intersection with Stag Leap Lane | Zoned PRD; Tax Parcel 15041D000370 | **Proposed Use: Deck addition |** * Commission District 1 | **Mary M. Acuff, applicant**

a. **Engineering:** No comment
b. **Traffic:** No comment
c. **Utilities:** Gainesville Water. Hall County sanitary sewer –onsite

**3. 5962 Jim Crow Road | Special Use |** to amend conditions of zoning | on a 1.42± acre tract located on the north side of Jim Crow Road approximately 252 feet from its intersection with Old Federal Road | Zoned PCD; Tax Parcel

08101 002002 | **Proposed Use: Expansion of services** | ** Commission District 2 | **Burton Outdoor Adventures c/o Jason Burton, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
b. **Traffic:** No comment
c. **Utilities:** Flowery Branch sanitary sewer area.

4. **(A) 5323 Thompson Bridge Road | Rezone** | from Agricultural Residential (AR-1) to Highway Business (H-B, GCOD) | on a 0.61± acre tract located on the southwest side of Thompson Bridge Road approximately 407 feet from its intersection with Marlow Road **|** Zoned AR-1; Tax Parcel 11082 000028A | **Proposed Use: Vehicle repair, major |** ** Commission District 2 | **John Cane, applicant**

**(B) 5323 Thompson Bridge Road | Special Use** | Vehicle repair, major in GCOD |on a 0.61± acre tract located on the southwest side of Thompson Bridge Road approximately 407 feet from its intersection with Marlow Road | Zoned AR-1; Tax Parcel 11082 000028A | **Proposed Use: Vehicle repair, major** | ** Commission District 2 | **John Cane, applicant**

**(C) 5323 Thompson Bridge Road | Variance to section 6.2** | Gateway Corridor Overlay District (GCOD) | on a 0.61± acre tract located on the southwest side of Thompson Bridge Road approximately 407 feet from its intersection with Marlow Road | Zoned AR-1; Tax Parcel 11082 000028A | **Proposed Use: Vehicle repair, major |** * Commission District 2 | **John Cane, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
b. **Traffic:** GDOT approval or access permit required.
c. **Utilities:** Hall County sanitary sewer area. Nearest infrastructure is 350’ south across parcel 11082 000028. Fieldale farms – easement required.

5. **2505 Dana Circle | Rezone** | from Agricultural Residential (AR-1) to Highway Business (H-B) | on a 0.33± acre tract located on the north side of Dana Circle at its intersection with Dana Drive | Zoned AR-1; Tax Parcel 15021A000036B | **Proposed Use: Vehicle sales |** ** Commission District 3 | **Tim Karas, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
b. **Traffic:** No comment
**Revised comment –** Dana Circle is a substandard roadway for commercial use. Improvements will be required and approved by Hall County Engineering. No

towing or car transports over 14,000 pounds Gross Vehicle Weight Ratings will be allowed. (4-10-25)

c. **Utilities:** Gainesville w/s

6. **6266 Yellow Creek Road | Rezone** | from Agricultural Residential 1 (AR-1) to Planned Residential Development (PRD) | on a 253.58± acre portion of a tract located on the northwest side of Yellow Creek Road approximately 1,457 feet from its intersection with Bent Tree Cove | Zoned AR-1; Tax Parcel 11112 000004 (pt.) | **Proposed Use: 253-lot residential development** | ** Commission District 2 | **Cook Communities, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
Show stream buffer and impervious setback from wrested vegetation not centerline of stream
Show FEMA and Hall County studied Flood plains that are present on site.

b. **Traffic:** Both proposed accesses must meet Hall County requirements at a minimum decel lanes will be required.

c. **Utilities:** Hall County service area. No infrastructure in the area.

Outlook

## Fire Comment

**From** John Hornick (Fire Services) <jhornick@hallcounty.org>
**Date** Wed 4/2/2025 4:02 PM
**To** Beth Garmon (CDI: Planning) <bgarmon@hallcounty.org>
**Cc** Kaitlyn Elliott (Planning) <kelliott@hallcounty.org>

**Monday, May 5, 2025** Hall County Planning Commission Meeting.

1. **6266 Yellow Creek Road | Rezone** | from Agricultural Residential 1 (AR-1) to Planned Residential Development (PRD) | on a 253.58± acre portion of a tract located on the northwest side of Yellow Creek Road approximately 1,457 feet from its intersection with Bent Tree Cove | Zoned AR-1; Tax Parcel 11112 000004 (pt.) | **Proposed Use: 253-lot residential development** | ** Commission District 2 | **Cook Communities, applicant**

   If approved the plan may require modifications during the development review process.

March 17th, 2025

John Doe
1234 John St
Gainesville GA 30501

Dear Neighbor,
You are receiving this letter because you own property near a proposed development of Cook Communities. We are seeking to develop the track of land located at 6266 Yellow Creek Rd, Murrayville, GA 30564.

Cook Communities would like to invite you to attend a Public Participation meeting being held on **April 14, 2025**, at the **Murrayville Public Library**.

We encourage you to attend the meeting to learn more about the proposal, ask questions, and provide comments. Your feedback is valuable to us.

**Meeting Details:**

- **Date:** April 14,2025
- **Time:** Meeting starts at 5:30pm. Presentation at 6pm. Q&A at 6:30pm.
- **Location:** Murrayville Public Library - 4796 Thompson Bridge Rd, Gainesville, GA 30506

Thank you for your time and consideration.

Sincerely,

Cook Communities
3120 Frontage Rd
Gainesville Ga 30504

24 April 2025

To: Chris Braswell, Stan Hunt, Johnny Varner, Shannon Davidson, Frank Sosebee; Planning and Zoning, and David Gibbs, Kathy Cooper, Billy Powell, Gregg Poole and Jeff Stowe; Commissioners

RE: 5 May 2025 meeting and our community opposition to the Cook Communities PRD zoning application for the "Estates at Yellow Creek," 6266 Yellow Creek Road, Murrayville

Planners and Commissioners-

We ask the Planners (and subsequently the Commissioners) to deny this zoning application in its entirety, primarily for the four reasons shown below:

1. It fails to meet the criteria established in Hall County Code of Ordinances, Sec 6.1/6.1.1, Planned Development Districts, and several criteria under Sec 6.1.6, Planned Residential Development (PRD). Details are on succeeding pages.
2. The proposed development represents a substantial, undesired, and damaging precedent-setting departure from the Future Land Use strategies, plans and zoning, detailed in the Comprehensive Plan Update, just adopted on December 9, 2024. It represents a bad "spot zoning" precedent, and dressing up such an action with labels such as "flexibility" and "floating zone" does not make it less egregious.
3. Given the property's location and Rural Neighborhood designation, a PRD zoning is inconsistent with both the letter of the Murrayville/Sardis Future Land Use & Zoning Compatibility table and the spirit of the Murrayville/Sardis Vision. R1-L remains appropriate given the region's decades-long history of and on-going rural-character, single-family, and large lot development.
4. The applicant has failed to make their case with the community for approval of South Hall-style "suburbanization" in the midst of our long-established, steadfastly defended, rural character, rural neighborhood community. Frankly, given the clear intent and specifics of the Future Land Use Strategy to the contrary of approval, AND our ongoing, steadfast and reasoned opposition to growth when said growth is demonstrably out of character, we hold the position that the burden of proof should be on the applicant to demonstrate why such a zoning change request should be approved. Simply presenting a properly formatted suburban-style plan is inadequate cause to support the abandonment of the County's plan for Yellow Creek, ignore precedent, **and** act in direct defiance of the residents' wishes. We are not opposed to growth; we simply want it to be the right kind. We expect and welcome the growth of R1-L or R1-L with reasonable variances within our community, and for this property in particular, without opposition.

We thank you for the excellent stewardship of the future of Hall County and look forward to your continuing the trend by voting to deny this PRD application, much as you did last month for the Yellow Creek Campground.

Very respectfully,

Greg Rutledge (and the entire ad-hoc Yellow Creek community resident working group)
Document curator, [redacted] / [redacted]
7724 Barkers Bend Dr., Murrayville, GA 30564

## Support for our positions and opinions follow

1. Applicant's application fails to meet the criteria established in Hall County Code of Ordinances --
    - Sec 6.1. Planned Development Districts, specifically
        - 6.1.1.A.2&3,[1]
            - Applicant has not presented evidence that this zoning change and this development are in the best interest of Hall County in terms of its long range plans.
                - Our position is that the burden of proof is on the developer to demonstrate why this is 'the right thing to do' given available options that align to current character, code and future plans.
                - Furthermore, it is not the community's burden to prove why the area's current use and character along with the future land use and zoning in the Comprehensive Plan are the preferred course forward. The County made and makes that case in the Comprehensive Plan, and applicant bears the burden of demonstrating why 'they know better' and their exception is warranted.
                - In fact applicant has presented a zoning change and development plan that is demonstrably incompatible with current and prior uses and current and future zoning.
        - 6.1.2.B.3.b.v,[2] [i]
            - Applicant has not presented plans and methods for protection of adjacent properties, given their current and prior use.
                - During applicant's 14 April public seminar at the Murrayville library, applicant spoke to an anticipated under-construction period approaching eight years. Eight years of construction traffic, noise, mud and runoff into Yellow Creek and Lake Lanier.
                - Imagine being the residents who purchased 54 farmland acres bordering this property (18 months ago) who are on the cusp of completing their horse farm residence there. Do you think they bought their notably rural property thinking "it'll be great for the horses and kids to have eight years of construction disruption next to us," followed by the realities of high-density "attainable" suburbia next door. How does this development and its potential PRD zoning even begin to protect the horse farms which border it east and west, and the operating chicken farm along its northwest border? A 75 – 100 foot buffer is sleeves from the vest for the land given flood plain locations, and not enough distance to mitigate noise and light pollution.
                    - How about no street lights like the rest of the area?

[1] "To permit for the development of property which: (2) is in the best interest of Hall County in terms of its long-range development plans; and (3) encourages a mix of uses which without proper design and planning might not be compatible with surrounding uses or zoning districts."
[2] "Plans and methods for protection of adjacent properties."

- 6.1.6.A.1
  - Applicant has failed to demonstrate their plan and accompanying zoning request "make maximum use of natural features and … conform to the existing character and development pattern of the surrounding area."
  - Demonstrably this proposed development and zoning stands in stark contrast to the existing character and development pattern of the surrounding area.
    - Regarding conforming to the existing character … of the surrounding area
      - For a Rural Neighborhood designation, which covers this region of Yellow Creek Rd[3], a PRD zoning is inconsistent with both the letter of the Murrayville/Sardis Future Land Use & Zoning Compatibility table[4] and the spirit of the Murrayville/Sardis Vision which reminds potential developers[5] the community "strongly values its rural identity and seeks to maintain it … to retain the peaceful and rustic feel that drew them to the area." Furthermore "development … in Murrayville/Sardis should avoid the urban sprawl that has occurred in other parts of the county … while preserving the aspects of community character that residents enjoy…"[6] Additionally by "concentrating growth exclusively along SR60/Thompson Bridge Road, … the County can preserve the rural character that is important to the residents."[7]
    - Regarding the existing development of the area--
      - There are four horse farms in the Yellow Creek Community.
      - All recent (prior 10+ years) development and existing home sites built along and adjacent to Yellow Creek Rd are all single-family homes on large lots. (includes the in-progress Hathaway 'horse farm' with home.)
      - With one exception (Lee), all recent Yellow Creek Rd (and adjacent/fronting) are built on lots exceeding one acre – in other words, R1-L. For example:
        1. Singleton, 6641 Yellow Creek Rd, 11.76 acres.
        2. Singleton, 6673 Yellow Creek Rd, 1.57 acres.
        3. Tate, 662 H Abercrombie/Yellow Creek driveway, 37.95 acres (house and outbuilding)
        4. Black, 6624 Yellow Creek, 4.2 acres (house and outbuildings)
        5. Hathaway, 6384 Yellow Creek, 54.37 acres (house and 'horse farm')
        6. McCrary, 6067 Walden Rd/Yellow Creek frontage, 4.74 acres

[3] Hall County Forward | Comprehensive Plan, Future Land Use Strategy, page 175
[4] Hall County Forward | Comprehensive Plan, Future Land Use Strategy, page 176
[5] Hall County Forward | Comprehensive Plan, Executive Summary – "Developers will use this plan to determine if new development meets the goals outlined in this document …"
[6] Hall County Forward | Comprehensive Plan, Future Land Use Strategy, page 174
[7] Hall County Forward | Comprehensive Plan, Future Land Use Strategy, page 174

7. Fauscett, 6645 Abercrombie, 3.24 acres
8. Baker, 6657 Abercrombie, 3.24 acres
9. Sykes, 6677 Abercrombie, 1.53 acres
10. Warneke, 6689 Abercrombie, 1.63 acres
11. Romero, 6701 Abercrombie, 2.21 acres
12. Lee, 6035 Yellow Creek, .86 acres.

- Applicant has failed to demonstrate they have made "every effort … to preserve and protect any existing residential uses from adverse impacts which might result from a higher density development." [repeating from 6.1.2.B.3.b.v above…]
    - During applicant's 14 April public seminar at the Murrayville library, applicant spoke to an anticipated under-construction period approaching eight years. Eight years of construction traffic, noise, mud and runoff into Yellow Creek and Lake Lanier.
    - Imagine being the residents who purchased 54 farmland acres bordering this property (18 months ago) who are on the cusp of completing their horse farm residence there. Do you think they bought their notably rural property thinking "it'll be great for the horses and kids to have eight years of construction disruption next to us," followed by the realities of "affordable/attainable" high-density suburbia next door.
    - How does this development and its potential PRD zoning even begin to protect the horse farms which border it east and west, and the operating chicken farm along its northwest border? A 75 – 100 foot buffer is sleeves from the vest for the land given flood plain and creek locations, and not enough distance to mitigate noise and light pollution.
        - How about no street lights like the rest of the area?
    - If we read the traffic memo in the application correctly, the development would increase daily trips by roughly 50%. That's quite the impact for a country road with residents used to driving and encountering 4-wheelers on the road, and children on bikes.

- 6.1.6.A.6.a[8]
    - Applicant's site plan shows two entrances, per code. Per GDOT and Brent Cook, County Engineer, the minimum sight distance for these entrances is 500 feet. Until final plans are submitted and approved by Hall County engineers, those of us who drive daily on Yellow Creek have doubts whether a 500 foot sight distance is present for either entrance, particularly the one further east.
        - It'll be interesting to see if the site and its development plan can meet sight distance requirements for one or both entrances.
        - See illustration below, from Google Earth Pro imagery.
    - Continuing … since the developer is quite limited as to where the two entrances can be placed due to the location of the Yellow Creek itself and the Corps of Engineers buffers, we have doubts they can locate two entrances with adequate line of sight. For example, we looked at Google

[8] "Any PRD with 150 or more lots must include at least two vehicular entrances with access to a city, state or county maintained public right-of-way."

Earth imagery and used the ruler tool to show 500' lines from the planned placement of entrances, and that reinforced our doubts.

- For westbound traffic, there seems to be nowhere close to 500' of visibility to the secondary entrance (the more easterly entrance). For westbound traffic the road is a decline in a fairly sharp, reduced speed curve.
- For eastbound traffic the corresponding issue seems to exist for the primary, more western entrance, but not as bad. Your engineers will course have the final say, after they receive and review the sealed sight distance certification from the developer's engineer, .

While entrance location is approximate, the white lines, indicating 500' each are fairly accurate. For illustration purposes only. (paper copies provided are grey scale).

Google Earth Pro imagery, with ruler tool lines for 500 feet.

NOTE WELL – this image is greyscale in the printed copies but color in the PDF submitted for the public record.

# End Notes

[i] Sec 6.1.2.B.3.b.v – Applicant does not provide "for protection of adjacent properties," For example the previously purchased (2023) and largely constructed horse farm adjacent to the western boundary of the planned 70 foot frontage lots along the western border. For example-

i. Applicant's plans, which show a 75-foot western-side buffer (with flexibility for more than 75, up to 100 feet) is inadequate to protect the rural quality of life and environment for the family, horses and planned activities.
ii. The property owners likely did not invest in a rural 54 acre property ***plus*** now adding their own development funds to their new home for a house and fenced horse farm, just to see suburbia get approved NEXT DOOR.
iii. The horse farm represents the fourth horse farm in the Yellow Creek Community (Powell, Hathaway, Humble and Cushard)

Print

## Planning Commission Comments - June 16, 2025 - Submission #119573

**Date Submitted: 6/12/2025**

Comments completed in the form below will be submitted into the record for the June 16, 2025 meeting of the Hall County Planning Commission.

**First Name***

Vickie

**Last Name***

Kanady

**Zoning Item for Comment***

6266 Yellow Creek Road | Rezone

Select from the list below which zoning item you would like to register a comment on. Items are listed in the order in which they appear on the agenda.

**Your Comments***

I propose we halt all new zoning requests and new developments for a short time. Just like Gregg Poole recommended.

Please write your comments in the box above.

**File Upload**

Choose File No file chosen

If you have files, such as photos, videos or text documents to include with your comments, upload them in the box above.

**Would you like follow-up communication?**

Please leave an email address and/or phone number if you would like a Hall County staff member to follow-up with you.

1. **6266 Yellow Creek Road | Rezone** | from Agricultural Residential 1 (AR-1) to Planned Residential Development (PRD) | on a 253.58± acre portion of a tract located on the northwest side of Yellow Creek Road approximately 1,457 feet from its intersection with Bent Tree Cove | Zoned AR-1; Tax Parcel 11112 000004 (pt.) | **Proposed Use: 253-lot residential development** | ** Commission District 2 | **Cook Communities, applicant**

# Staff Report

## Staff Recommendation

"Approval with conditions
as the proposed development is consistent[1] with the
"Rural Neighborhood" future land use classification
Within the Comprehensive Plan[2]"

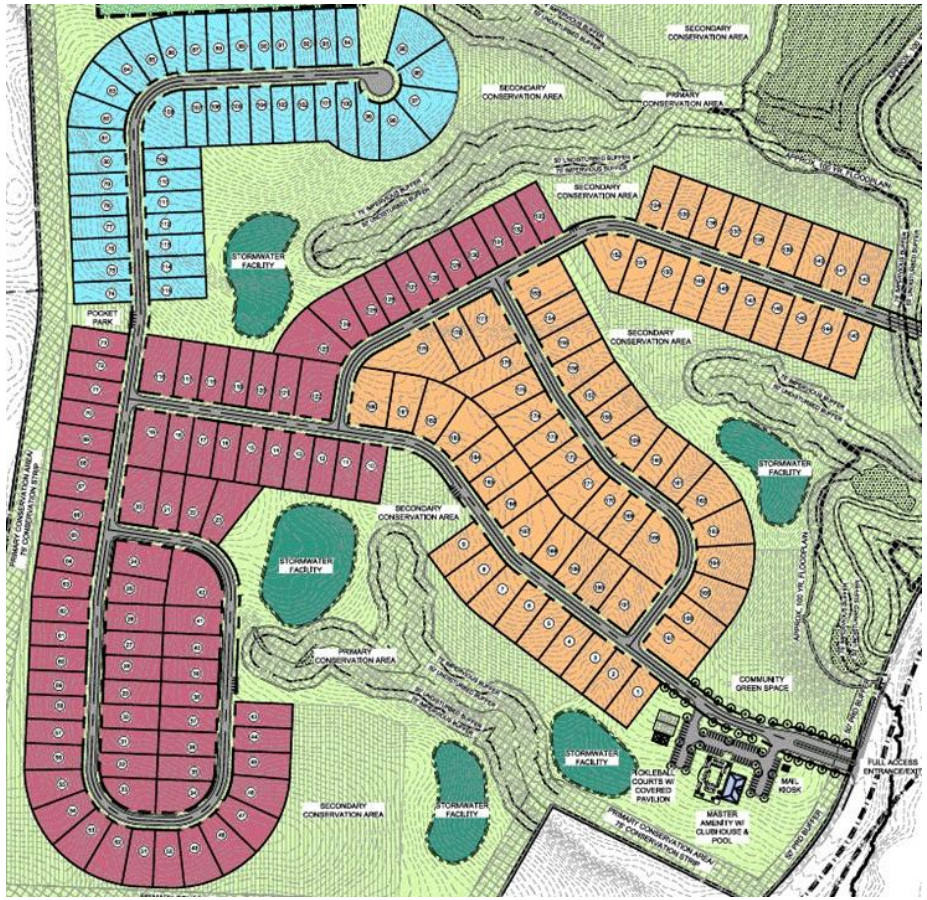
[1]Merriam-Webster online dictionary – **consistent** *adjective*
*1 a: free from variation or contradiction*
*2 : arbitrarily close to the true value of the parameter*

[2]QED, the defining parameters are
1. consistency with the Comprehensive Plan and
2. the future land use classifications therein.

*QED = "quod erat demonstrandum?" It means "that which was to be demonstrated"*

[*page 5 staff report*] "Based on the future land use plan, staff finds the requested rezoning is consistent with the Hall County Comprehensive Plan future land use designation of "Rural Neighborhood [*with Greenspace overlay, page 175 Comp Plan*]." The intent of this future land use designation is that these areas should consist of active farms and agricultural enterprises and low-density, large-lot single-family residential [use with density] up to 0.75 dwellings per acre. Similar to rural agriculture, they should have deep setbacks and incorporate a high percentage of open space." *[This region is classified as Wetlands (Comp Plan p89) and the Yellow Creek itself is the last remaining clean, unimpaired headwaters in the Chestatee watershed (EPA), so nonpoint source pollution and surface runoff from ~200+/- disturbed acres should be a consideration.]*

"The development has an overall proposed density of 0.75 dwelling units per acre…" ←***NO*** "overall" *verbiage is in the Comprehensive Plan or the UDC for Rural Neighborhood, AR-1, or PRD*.



**Design Examples**

**Agricultural Residential 1 (AR-I)**

In the updated UDC, AR-I is a new name for what is currently the AR-III district. The intent of the revised AR-I zoning district is to provide locations within the county to be developed and reserved for agricultural, residential, compatible commercial uses, and/or recreation. This example shows a commercial building fronting the main road that can serve both residents and neighboring areas, but most of the remaining land is devoted to houses on lots of at least one acre. Where land isn't developable, it is preserved as open space, and some areas feature trails for recreation that connect to the sidewalks along the streets, reinforcing walkability.

**Rural Neighborhood**

**Overview**

These areas should consist of active farms and agricultural enterprises and low-density, large-lot single-family residential up to 0.75 dwellings per acre. These areas also consist of undeveloped lands likely to face development pressures for new residential or commercial development. Similar to Rural Agriculture, they should have deep setbacks and incorporate a high percentage of open space. Where it occurs, new development should preserve natural features, including tree canopy, waterways, and waterbodies.

**Appropriate Zoning Districts:**

AR-1, R-1-L

*Gillsville Highway, Gillsville*

So you're telling us …

Figure A is consistent with the intent, verbiage & illustrations in the Comprehensive Plan, UDC and Figure B???

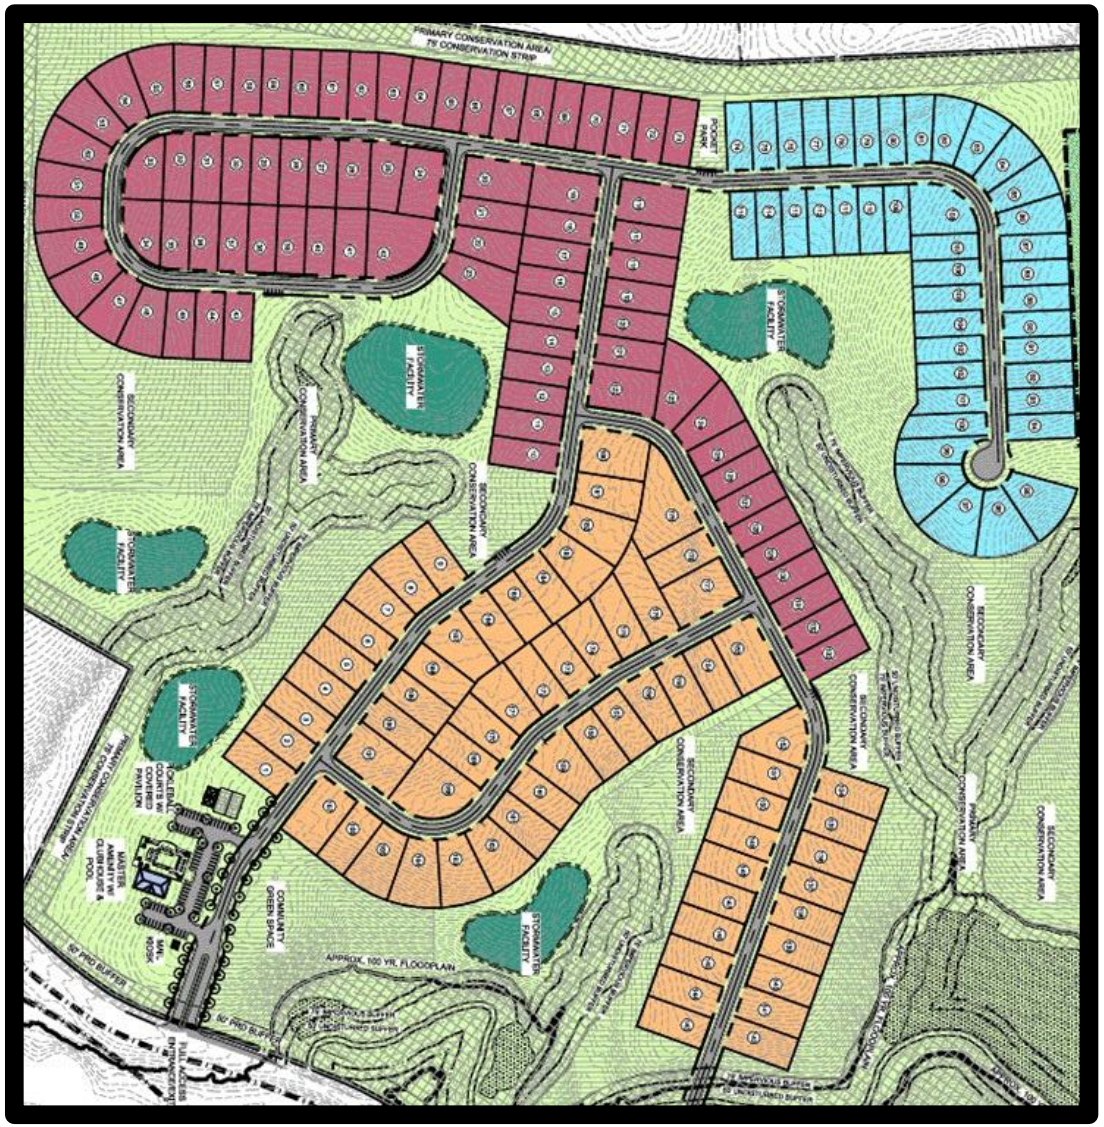


**Figure A**

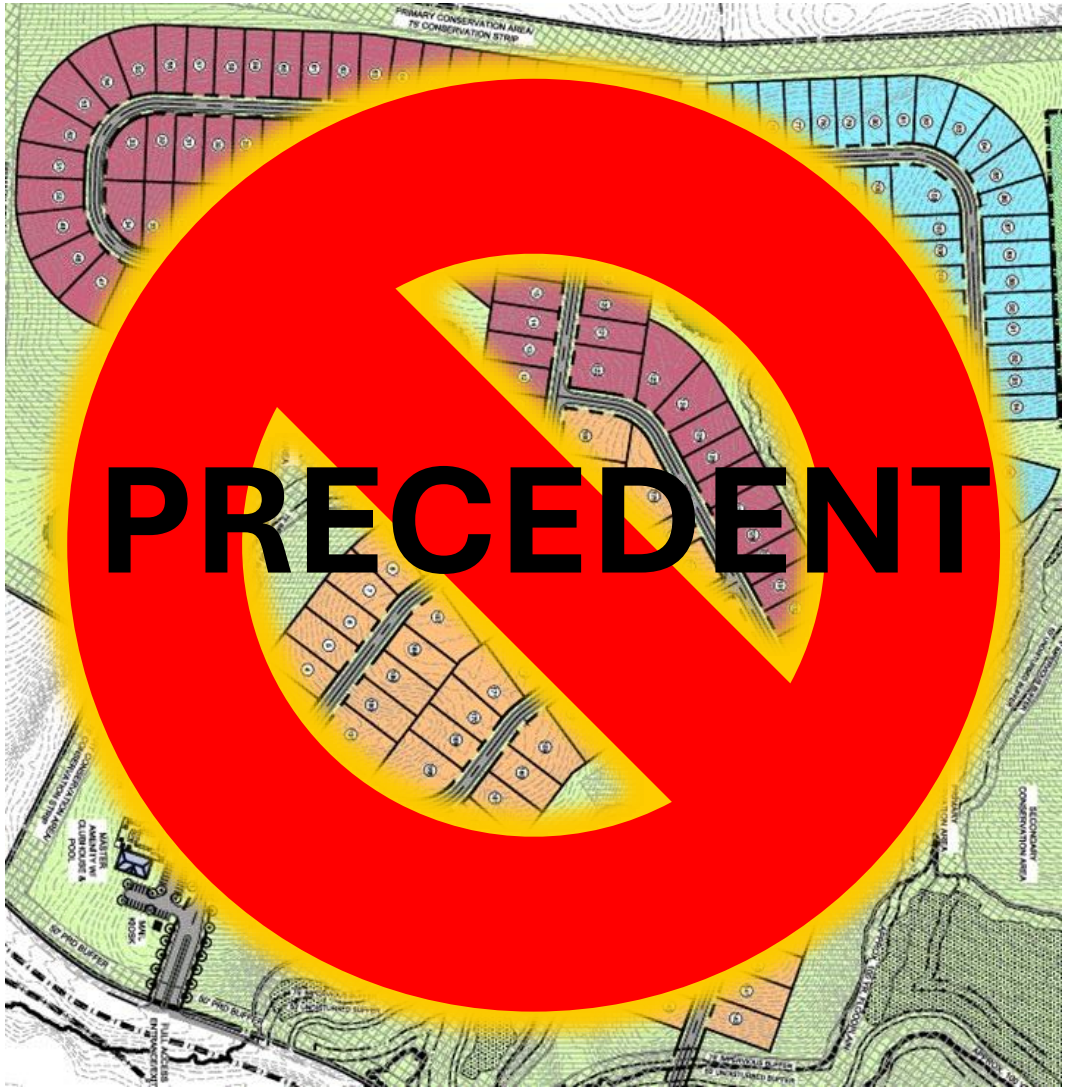
**Figure B**

# Sets a bad spot zoning precedent for the community at Hall County at-large



## Design Examples

### Agricultural Residential 1 (AR-I)

In the updated UDC, AR-I is a new name for what is currently the AR-III district. The intent of the revised AR-I zoning district is to provide locations within the county to be developed and reserved for agricultural, residential, compatible commercial uses, and/or recreation. This example shows a commercial building fronting the main road that can serve both residents and neighboring areas, but most of the remaining land is devoted to houses on lots of at least one acre. Where land isn't developable, it is preserved as open space, and some areas feature trails for recreation that connect to the sidewalks along the streets, reinforcing walkability.

## Rural Neighborhood

### Overview

These areas should consist of active farms and agricultural enterprises and low-density, large-lot single-family residential up to 0.75 dwellings per acre. These areas also consist of undeveloped lands likely to face development pressures for new residential or commercial development. Similar to Rural Agriculture, they should have deep setbacks and incorporate a high percentage of open space. Where it occurs, new development should preserve natural features, including tree canopy, waterways, and waterbodies.

### Appropriate Zoning Districts:

AR-1, R-1-L

*Gillsville Highway, Gillsville*

INTENT - “The **p**roposed **r**esidential development … should conform to the existing character and development pattern of the surrounding area.” (UDC)

All recent (prior 10 years) development and existing home sites built along Yellow Creek Rd are all single-family homes generally on multiple acres. (includes the in-progress Hathaway 'horse farm' with home.) With one exception (Lee), all recent Yellow Creek Rd (and adjacent/fronting) are built on lots exceeding one acre. For example:

- Singleton, 6641 Yellow Creek Rd, 11.76 acres.
- Singleton, 6673 Yellow Creek Rd, 1.57 acres.
- Tate, 662 H Abercrombie/Yellow Creek driveway, 37.95 acres (house and outbuilding)
- Black, 6624 Yellow Creek, 4.2 acres (house and outbuildings)
- Hathaway, 6384 Yellow Creek, 54.37 acres (house and 'horse farm')
- McCrary, 6067 Walden Rd/Yellow Creek frontage, 4.74 acres
- Fauscett, 6645 Abercrombie, 3.24 acres
- Baker, 6657 Abercrombie, 3.24 acres
- Sykes, 6677 Abercrombie, 1.53 acres
- Warneke, 6689 Abercrombie, 1.63 acres
- Romero, 6701 Abercrombie, 2.21 acres
- Lee, 6035 Yellow Creek, .86 acres.

We‘ve provided you before with two videos, shot in 2019 and 2025, documenting the rural reality and rural character of Yellow Creek.  These videos were provided in prior actions in opposition to inappropriate zoning and development requests.  (the links are live in the pdf)

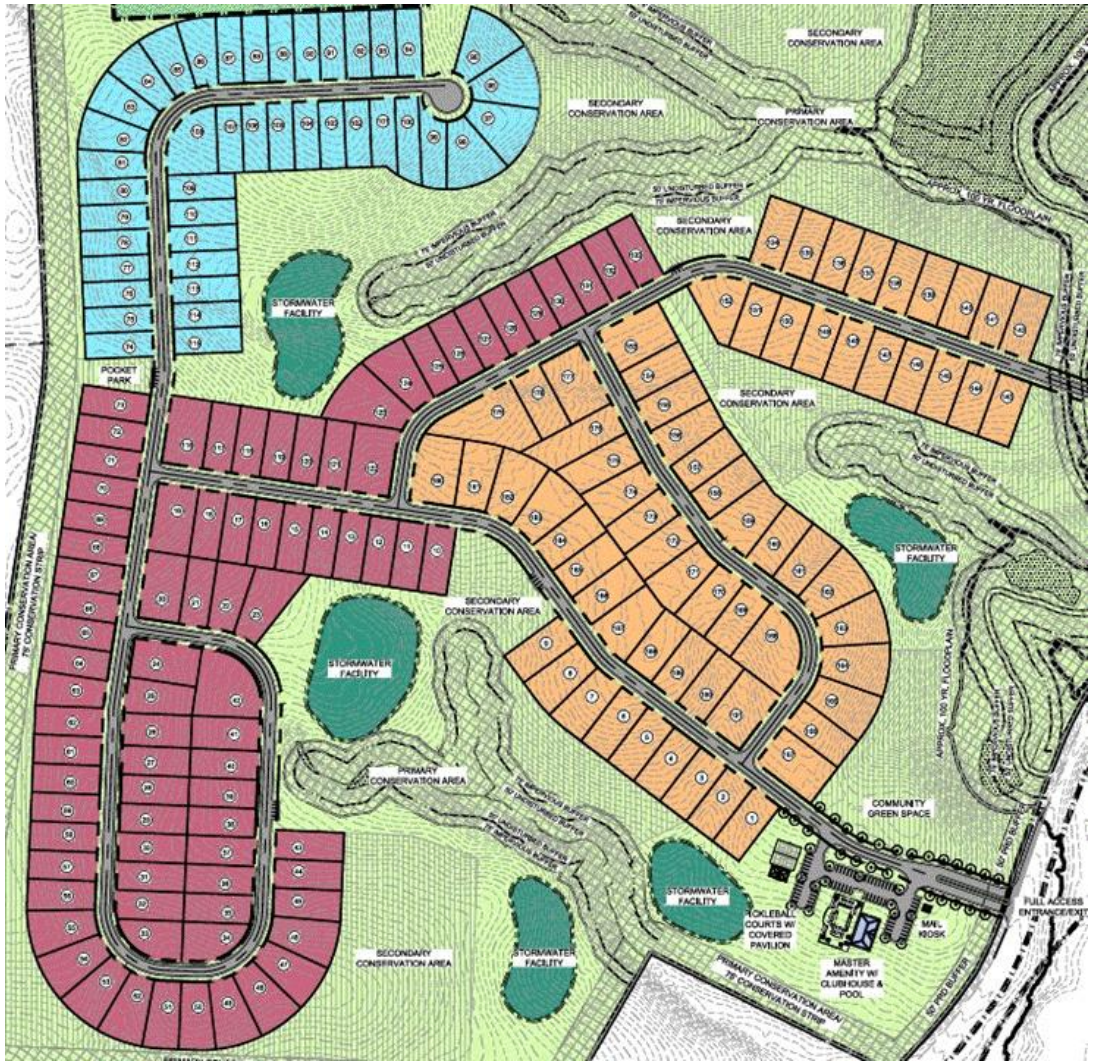
The Cook development plan should be built in an area that supports it and is in fact consistent with the Comprehensive Plan – such as proximal to the identified development corridors, **NOT** an area slated to remain rural in character and reality.

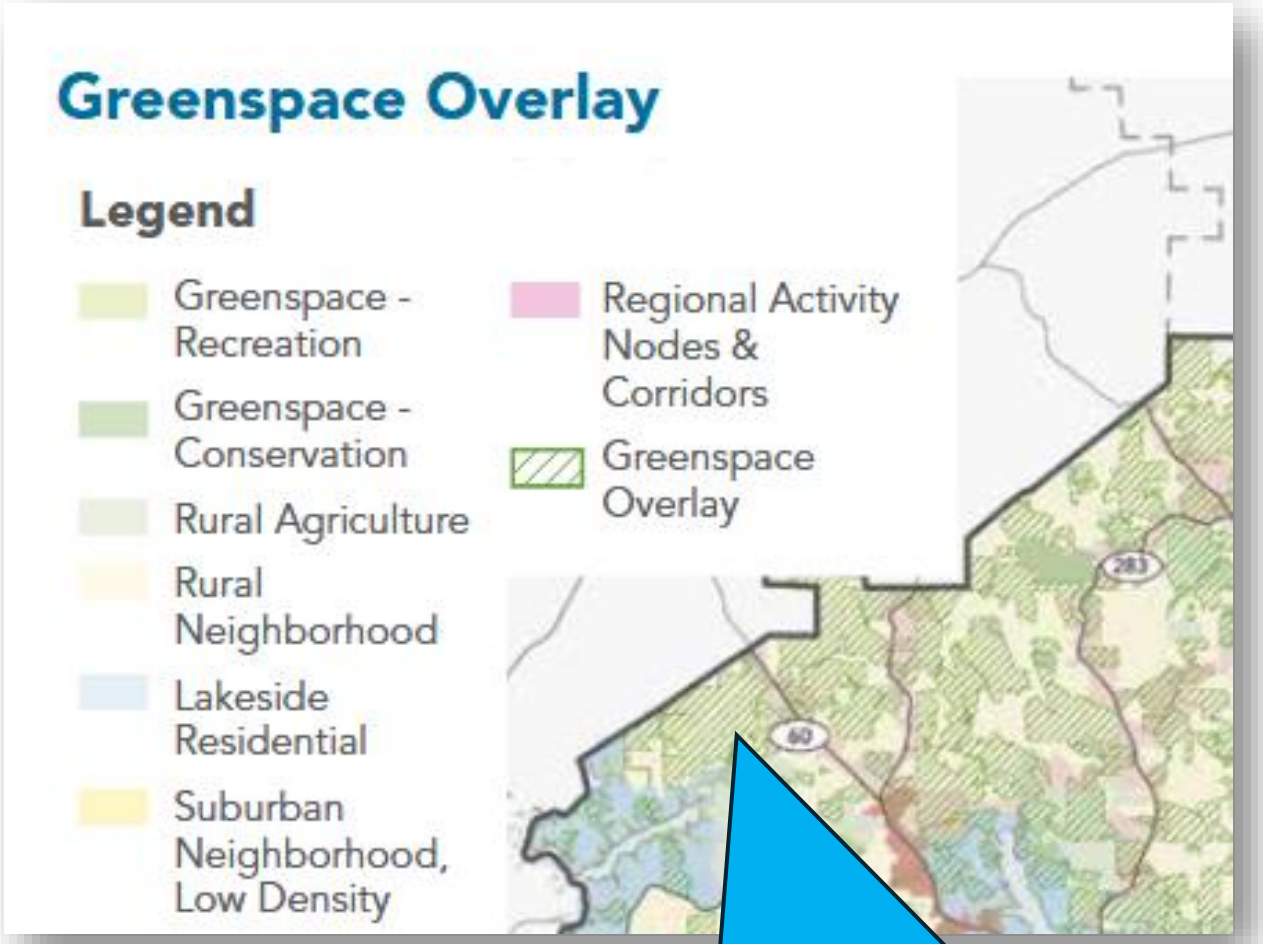
GREENSPACE

"It is understood that large-lot single-family houses in rural setting are going to be the preferred development pattern in some areas, namely … Murrayville/Sardis. However [examples shown]… with trade-offs … demonstrate[s] **rural development can't happen in some areas without building higher densities in other areas to support it**. [emphasis Hall] {highlights YCCC}

P 137 Comprehensive Plan

In a community slated to be Rural Neighborhood with a Greenspace Overlay we believe we have demonstrated this rezoning request and PRD plan are in fact inconsistent with the Comprehensive Plan, completely inappropriate and totally out of character with the existing and future Yellow Creek community. **Please deny this re-zoning.**





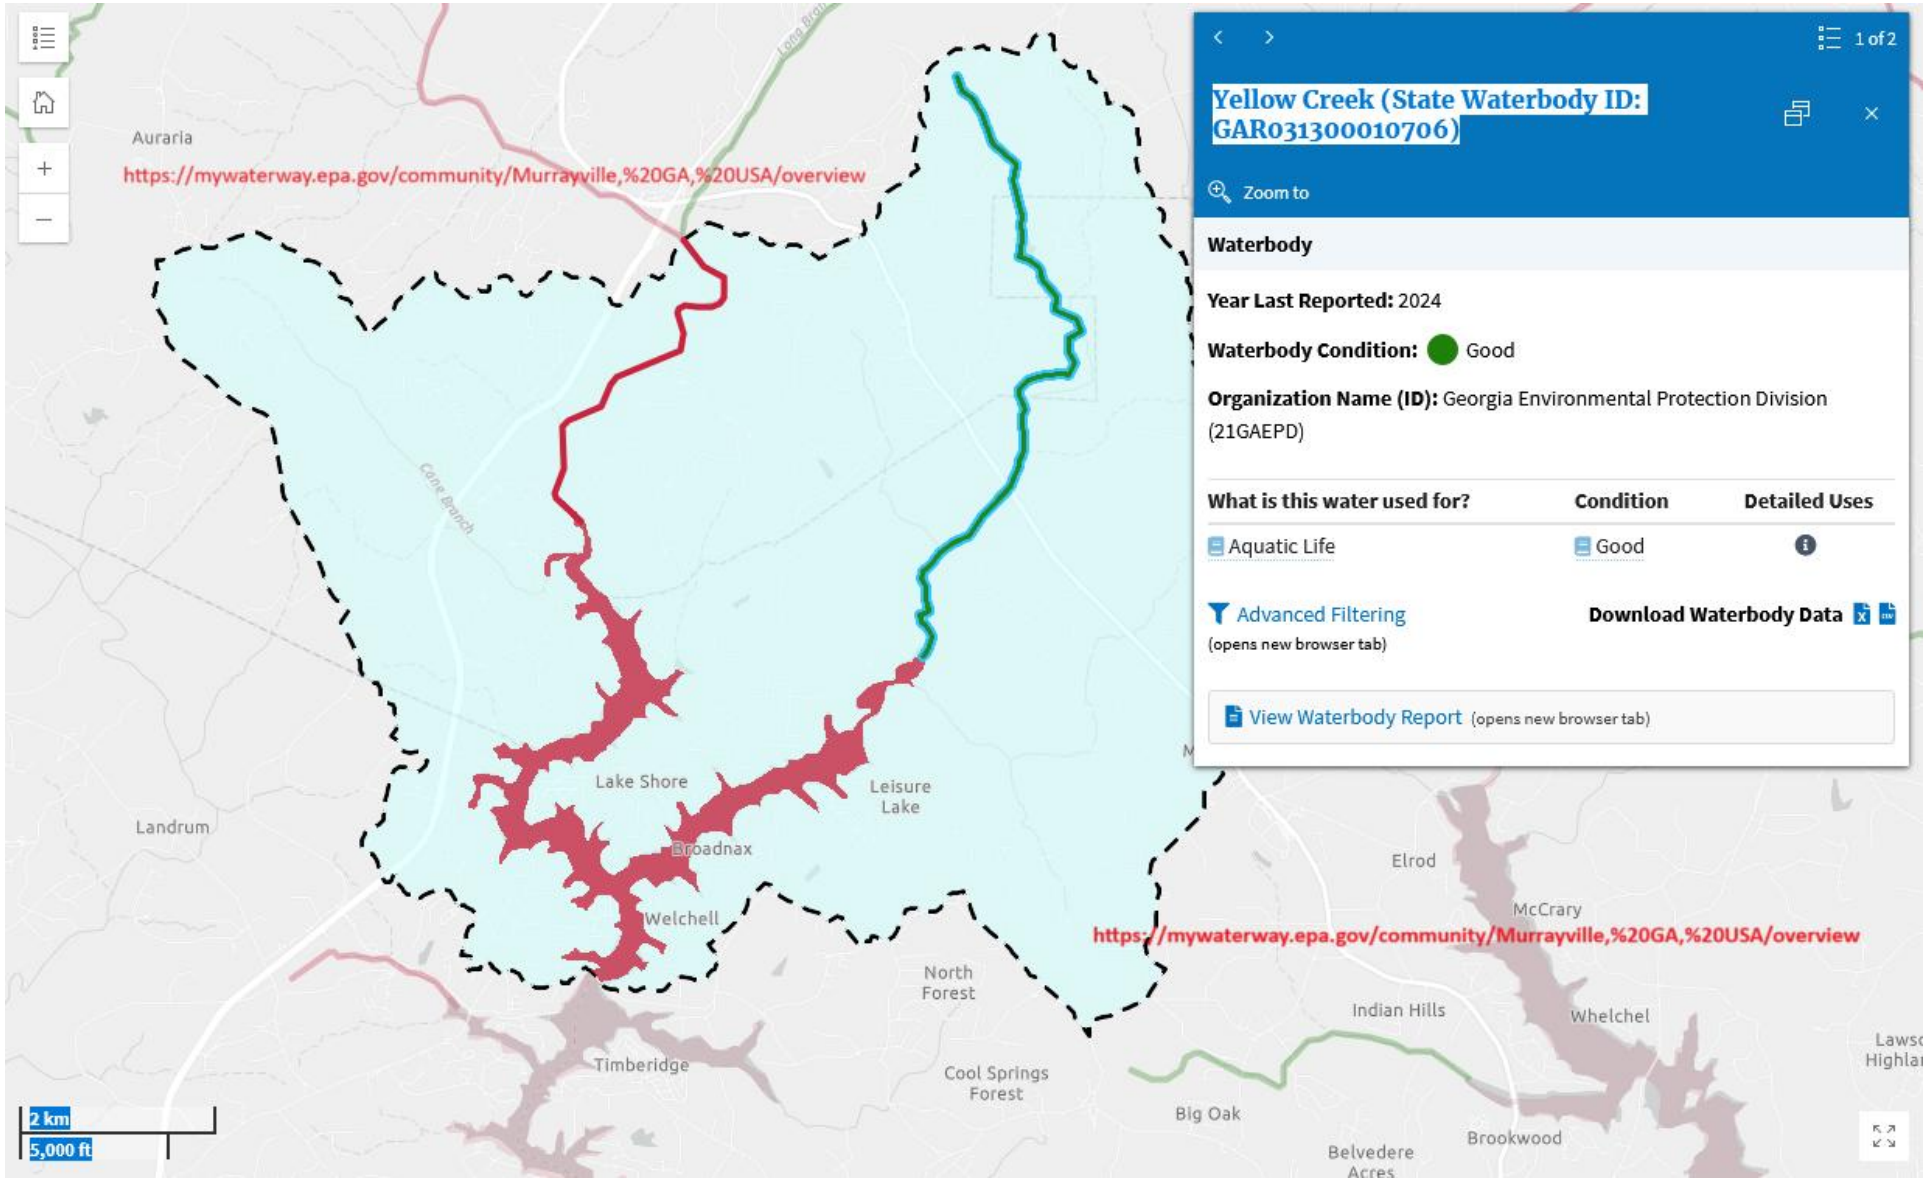
Wetlands [Comp Plan]
Yellow Creek itself is the last, clean, unimpaired headwaters [EPA]

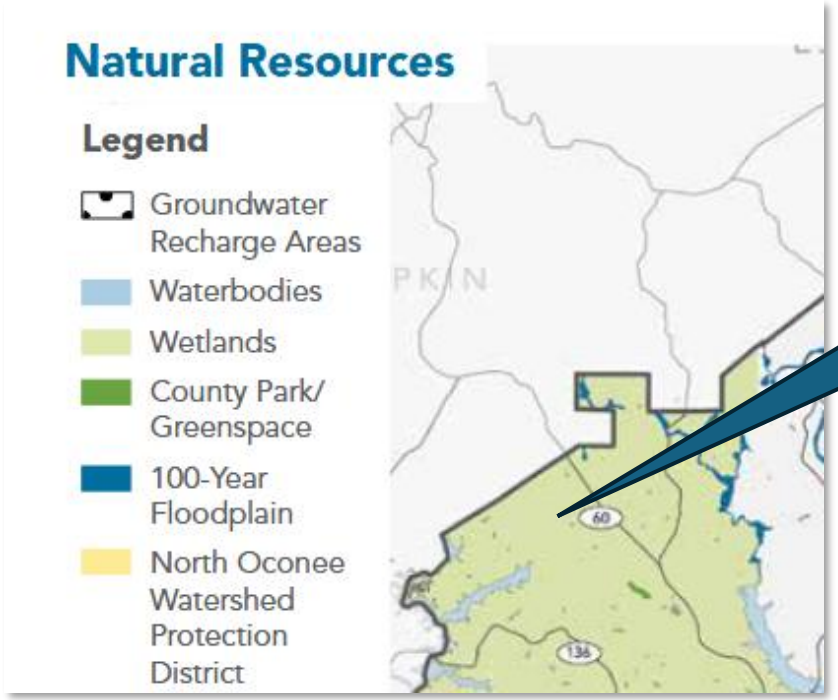
As a  professional courtesy, please recognize

Chuck Andrews

as the next speaker.

As mentioned before, Yellow Creek is the last clean, unimpaired headwater of Lake Lanier in the Chestatee region. Per the EPA





The region at issue is officially a Wetlands Comp Plan, p89, 90

| | | | |
|---|---|---|---|
| Wetlands | Areas that are inundated or saturated by surface or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. | County-wide, as delineated by the U.S. Fish and Wildlife Service National Wetlands Inventory; especially prominent in the Murrayville/Sardis Area. | Wetlands Protection Ordinance: Yes.<br><br>Typical provisions:<br>• Uses associated with contaminants are prohibited.<br>• Local development permit is required for regulated activity. |

ZONING NOTICE
AN APPLICATION HAS BEEN FILED WITH HALL COUNTY IN REGARD TO THE ZONING REGULATIONS AS THEY APPLY TO THIS PROPERTY
APPLICANT: COOK COMMUNITIES
REQUEST: REZONE FROM AR-1 TO PRD FOR A 253-LOT RESIDENTIAL DEVELOPMENT
PUBLIC HEARINGS WILL BE HELD ON:
PLANNING COMMISSION
Date: June 16, 2025
Time: 5:15 P.M.
&
Date: AUG 14, 2025
Time: 6:00 P.M.
HALL COUNTY GOVERNMENT CENTER, 2875 BROWNS BRIDGE ROAD, GAINESVILLE, GA

## PUBLIC NOTICE REQUIREMENTS

Zoning regulations require that public notice must be given prior to all zoning hearings as follows:

1. The Planning Department shall publish a legal advertisement no less than fifteen (15) days and no more than forty-five (45) days prior to the public hearing.

2. The Planning Department shall send notification by letter of all other property owners within a 500-foot radius of the applicant's property is standard administrative policy of the Planning Department.

3. The applicant/property owner shall place the public notice sign in a conspicuous location on the property not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing.

**The Planning Department shall post the legal advertisement and notify property owners within a 500ft radius to the subject property.**

**The applicant is required to post the public notice sign not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing. A photo of the sign placed at the location is required and must be sent to the Planning Department.**

Multiple sign postings on a site may be required as determined by the Planning Department. The sign must be in a location where it is clearly visible from the roadway. The sign cannot be obstructed in any manner, placed too far from the road, or placed in such manner as would cause it to blend into the landscape.

Should you find the sign missing or vandalized in any manner, contact the Planning Department for a replacement sign. When the proceeding is complete and final Board action has occurred, the sign shall then be removed from the property by the applicant.

**THE ZONING SIGN MUST BE POSTED NO EARLIER THAN MAR 28, 2025 AND NO LATER THAN APR 6, 2025.**

**THE ORGINAL SIGNED AFFIDAVIT MUST BE AND RETURNED TO THE PLANNING DEPARTMENT NO LATER THAN APR 6, 2025 ALONG WITH A MINIMUM OF ONE PHOTO SHOWING THE SIGN POSTED AT THE SUBJECT PROPERTY.**

**Failure to comply will result in a delay of the application.**

## Architectural Design

- Modern Farmhouse Design
- Board and Batten and hardi siding with accent stone/brick on various homes and Architectural Shingles
- 60' lots range in SF from 1800-2400 & $475k-$575k
- 70' lots range in SF from 2000-3000 & $525k- $650k
- 80' lots range in SF from 2400-3800 & $600k- $750k

## Landscaping

- Professionally landscaped sodded yards
- Trees throughout subdivision and yards
- Masonry entrance sign with seasonal flowering beds
- Seasonal flowering beds throughout amenity area
- 50 to 100-foot transitional buffer planted or existing

## Homeowners Association

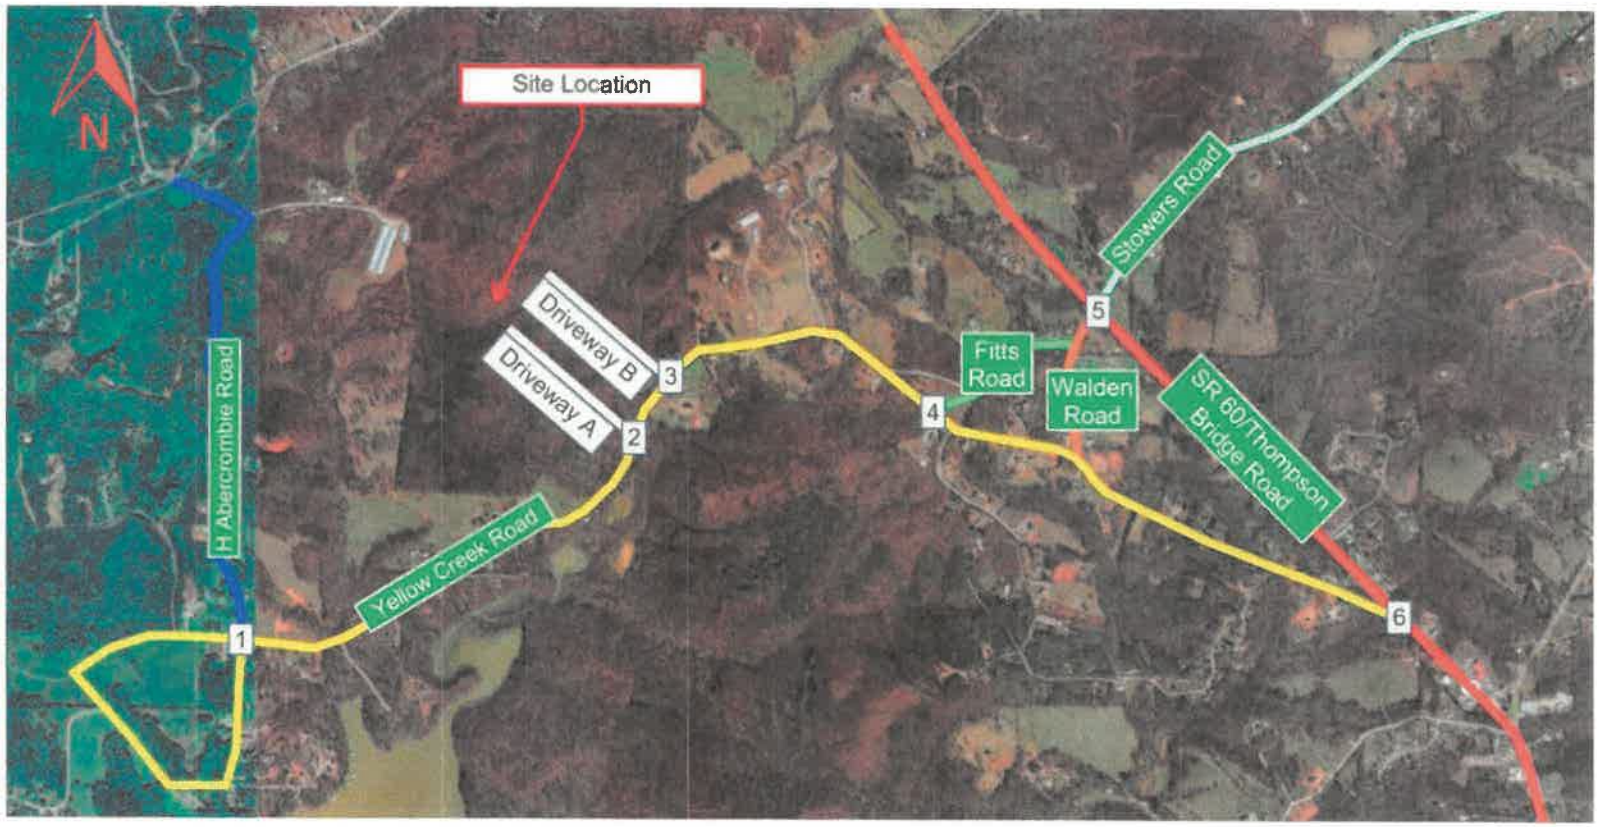
- Professional managed
- Quarterly assessed fees
- Neighborhood Watch implemented
- Covenants strictly enforced
- No Short-Term Rentals Allowed

## Utilities

- Water by City of Gainesville
- Electric provided by Jackson EMC
- Internet/cable provided by AT&T and Spectrum
- Sewer by onsite drip system

The Estates
AT YELLOW CREEK

# Traffic Impact Study Completed March 13th, 2025 (Intersections Analyzed Below)



# Traffic Impact Study Executive Summary

Note: GDOT is currently in the design stages of widening SR 60 From Price Road to just past Yellow Creek Road. Concept Plan at the SR 60/Yellow Creek Road Intersection on the next slide.

The site will be accessed by two new driveways along Yellow Creek Road. Driveway A will be the western access and is expected to serve 70% of the units. Driveway B will be the eastern access and will serve the remaining 30% of the units.

The existing study intersections are operating at overall acceptable levels of service under existing conditions and continue to operate acceptably in the future no-build condition. In the build condition, with future year traffic volumes and added traffic from the Yellow Creek Road development, the study intersections and their approaches are expected to continue to operate at the same levels of service as they do in the no-build condition with the addition of the development traffic. The site driveways are expected to operate at an acceptable level of service, LOS A and LOS B, during peak periods with minor street stop control.

The existing intersection of SR 60/Thompson Bridge Road at Yellow Creek Road is expected to service most of the trips generated by the development. The added trips will not have an impact on the intersection's level of service.

Yellow Creek Road at Driveway A

- Driveway A should be minor street stop controlled.
- Driveway A should have two lanes, one entry and one exit lane.
- Provide a southbound right turn lane on Yellow Creek Road, per GDOT minimum design standards.

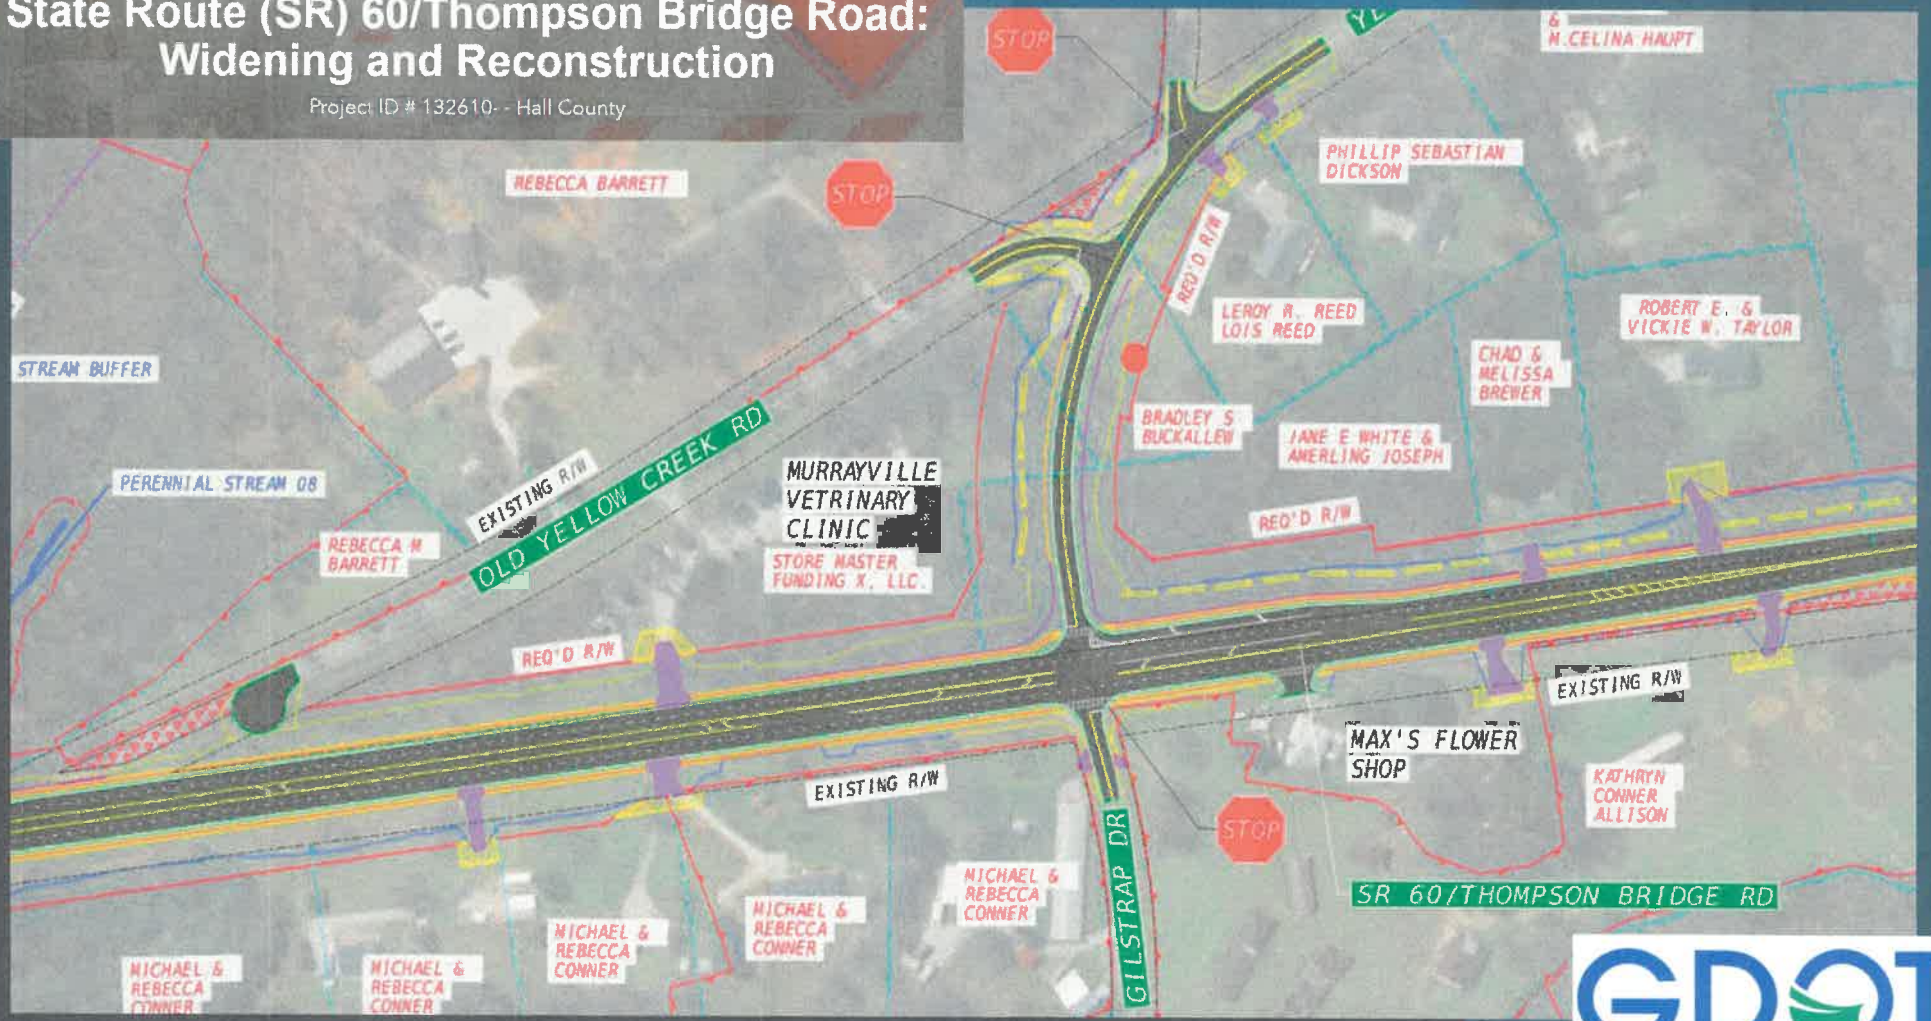
Yellow Creek Road at Driveway B

- Driveway B should be minor street stop controlled.
- Driveway B should have two lanes, one entry and one exit lane.
- Provide a southbound right turn lane on Yellow Creek Road, per GDOT minimum design standards.

No roadway improvements are recommended for this development.

# State Route (SR) 60/Thompson Bridge Road: Widening and Reconstruction

Project ID # 132610- - Hall County

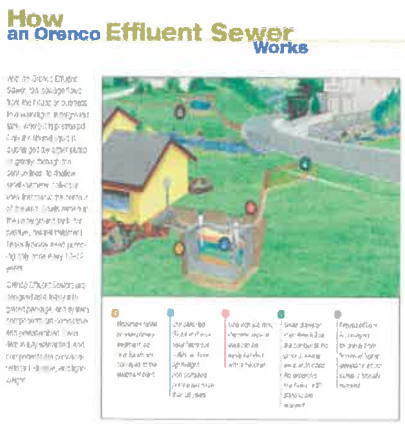


GDOT

Georgia Department of Transportation

Orenco EffluentSewers

# How the onsite sewer system works



1. Septic tank on lot. Solids stay in tank. Affluent is pumped from tank to street

2. Affluent is then sent by force main to a holding tank

3. Holding tank is below ground then pump house sends affluent to drip lines

4. Drip lines are below ground like septic lines at a home. These fields can be used as open space, ball fields, etc.

The Estates
AT YELLOW CREEK

Other subdivisions using this system in Hall County
Marina Bay, The Cottages of Lake Lanier, Chestatee North & Spouts Springs Treatment Planted began with this system..

## School Burden National Averages

Numbers show 47.8 students are generated per every 100 single family detached units

Estimated students added by The Estates at Yellow Creek
191 single family detached units = 92 students added

In addition, Cook Communities has checked with Lanier Elementary, Chestatee Middle School, and Chestatee High School and none of the schools are currently at capacity.

**Figure 1: Average Number of Children per 100 Housing Units (Includes Vacant Housing)**

The Estates AT YELLOW CREEK

# Timeline and Revisions Made to The Estates at Yellow Creek Design and Rezoning Application

- Meeting with Community Members/Adjacent Landowner in Office March 13th, 2025
- Microsoft Teams Meeting Adjacent Landowner April 11th,2025
- Community Meeting April 14th, 2025 (Murrayville Library)
  - 200 Letters Sent Out
  - 35 to 50 people attended
- While we are requesting a PRD Zoning Classification, the style of development is in line with a Conservation Subdivision (CS) as defined in the Hall County UDC.
  - Lot Width, Setbacks and Density match the R-1-L Zoning Classification with the exception of Lot Area.
- Since Application and After Community Meeting the following Changes have been made.
  - Revised Layout from a 1 unit/acre to a 0.75 unit/acre density
    - 253 Lots Submitted vs. 191 Lots (Current Site Plan)
  - Revised the location of the LAS drip fields to s minimum of 150' to 200' from property line.
  - Removed all Lots along Eastern side of Development and proposed 75 acres to be restricted for No future residential development.
- In discussions with Westerly Neighbors for Fence and Berm Placement along common property line.

# Overall Summary

- Cook Communities has tried to listen to the community and take a partnership approach to the proposed development. As with any new development there will always be opposition, we feel this development is in line with the Hall County Comprehensive Plan and the character of the area. Our lot width, setbacks and density match that of an R-1-L Zoning with the exception of lot size. We feel this conservation style approach is less impactful to the surrounding area.

# MURRAYVILLE/SARDIS

## *Vision*

The Murrayville/Sardis community places a paramount emphasis on maintaining its rural, tranquil charm through preserving its sense of safety and natural features. The community also wants to ensure affordable housing options, prevent suburbanization, improve road conditions, and mend other infrastructure woes. By concentrating growth exclusively along SR 60/Thompson Bridge Road, as it has existing and planned infrastructure and the beginnings of a regional activity center, the County can preserve the rural character that is important to the residents in the Murrayville/Sardis area.

## Supporting Ideas

- **Community Identity and Rural Charm.** The community strongly values its rural identity and seeks to maintain it by opposing over-commercialization and unwarranted growth. They want to retain the peaceful and rustic feel that drew them to the area.
- **Affordable Housing and Growth.** Residents in this area are deeply concerned about housing affordability, particularly for younger individuals and starter households. They emphasize a strong desire to limit future development to ensure that existing infrastructure isn't overwhelmed and rural character is preserved.
- **Quality of Life.** To ensure that those living in Murrayville/Sardis have the quality of life they have come to expect, access to services should be prioritized, including ensuring that there are adequate shopping and restaurants, housing for seniors, parks, libraries, schools, etc.
- **Visual Aesthetics and Architectural Quality.** When and where new development is built, the existing visual character of the area should be preserved and enhanced. Housing and commercial developments should be aesthetically pleasing.
- **Sustainability and Conservation.** There is a desire to uphold ongoing sustainability and conservation efforts through the preservation of greenspace and trees.
- **Balanced Growth.** New development or redevelopment in Murrayville/Sardis should avoid the urban sprawl that has occurred in other areas of the county. Balanced growth can occur while preserving the aspects of community character that residents enjoy through thoughtful zoning and development practices. The establishment of small scale mixed-use developments can promote walkability and access to local amenities should be prioritized where noted in the Future Development Strategy.
- **Sardis Connector.** Concentrating new growth along the future Sardis Connector can ensure new development in this area is supported by the necessary transportation and sewer infrastructure. This will allow the remainder of the Murrayville Sardis area to retain its rural charm while developing new amenities for the community. Land developed or redeveloped in the Regional Activity Nodes at the intersections with SR 60/Thompson Bridge Road and SR 53/Dawsonville Highway may do so at a lesser intensity in the Murrayville/Sardis Character Area than in other areas of the county.

# MURRAYVILLE/SARDIS

## Tying It Back to Growth...

Under this future land use strategy, Murrayville/Sardis can expect up to 5,300 new households before 2050 if land is developed or redeveloped to the highest density allowed by zoning. To ensure quality of life, this means that:

- Hall County will need to build or set aside up to 135 additional acres of programmed parks and/or greenspace (assuming 8.5 acres per new 1,000 residents).
- Hall County Schools will need to accommodate up to 2,500 additional students in this area.
- Anywhere between 1,800 and 7,000 additional vehicles will be on the road (assuming 1.7 cars per new household).

## *Key Strategies*

- Continue to protect greenspace.
- Explore ways to expand infrastructure to Murrayville/Sardis to keep up with increased growth pressures while maintaining rural character.
- Until infrastructure can fully catch up to the demands of new development, limit new greenfield development.
- Prioritize higher density developments along SR 60/Thompson Bridge Road and at the intersection of the new Sardis Connector with SR 53/Dawsonville Highway.

### Murrayville/Sardis Future Land Use & Zoning Compatibility

| Future Land Use | AG-1 | AR-1 | V-C | R-1-L | R-1 | R-TF | R-X | R-MF | MHP | O-I | S-S | H-B | M-U | I-1 | I-2 | PCD | PID | POD | PRD |

# MURRAYVILLE/SARDIS

The Murrayville/Sardis survey received 64 responses, almost entirely from those who lived in the area. 61% of residents felt the area's character was rural but changing. About 38% of respondents thought this area had gotten worse while 34% felt it had stayed the same. Residents' favorite things about the area were its level of safety, proximity to basic services (schools, groceries, medical, etc.), and its overall rural character.

Qualities identified for improvement in the area were difficulty walking and biking to places (41%) and overall cleanliness and maintenance (33%).

Residents indicated there have been too many residential hybrid neighborhoods. The comments expanded on this selection by citing the lack of infrastructure (water and road) and current traffic problems. Notably, 60% think there has been just the right level of single-family residential development. Murrayville/Sardis residents also indicated the top priority for the County over the next 10-20 years should be maintaining the quality of County services.

Turning to transportation, over 80% of respondents thought reducing traffic congestion at intersections and along key corridors and improvements to enhance traffic flow were the main two priorities for improvement to this area.

In terms of housing, the residents felt the only important housing type was neighborhoods with open space (78%) while the same number of respondents did not believe it was important to offer townhouses or multifamily housing.

Further housing comments raised concerns about abandoned mobile homes in the area and general code enforcement. Concluding comments were concerned about road and property maintenance by the County and fears of losing the area's rural character.

RESIDENTS SAID THE MOST IMPORTANT HOUSING TYPE FOR MURRAYVILLE/SARDIS IS NEIGHBORHOODS WITH OPEN SPACE

80% WANT TO SEE TRAFFIC CONGESTION REDUCED AT KEY INTERSECTIONS

**Subject:** Yellow Creek Road Development Traffic Memo

**Date:** March 4, 2025

The Yellow Creek Road development is a 253 single-family detached housing development proposed in Hall County, GA. The development is located on approximately 254 acres of undeveloped land along the north/west side of Yellow Creek Road, to the west of SR 60/Thompson Bridge Road and east of H Abercombie Road. The development will be accessed via two new driveways along Yellow Creek Road. The concept site plan is included in **Appendix A**. Southeastern Engineering, Inc (SEI) has reviewed the adjacent roadway network and concept site plan to summarize the characteristics of the study area and provide information on estimated new trips generated by the development.

Yellow Creek Road is a two-lane undivided roadway that runs east-west from H Abercrombie Road in the west to SR 60/Thompson Bridge Road in the east. It is functionally classified by GDOT as a minor collector and has a posted speed limit of 45 MPH. GDOT'S TADA system was referenced for historical traffic volumes on roadways in the vicinity of the development, but no stations were located along Yellow Creek Road. **Appendix B** includes an aerial view of station locations in relation to the development.

The residential development is expected to generate approximately 2,370 new daily trips (1,185 entering and 1,185 exiting). In the AM peak period, the development is expected to generate approximately 173 total trips (43 entering; 130 exiting), and in the PM peak period generate approximately 238 total trips (150 entering; 88 exiting). The Trip Generation Report is included in **Appendix B**. The generated trips are expected to head east towards SR 60/Thompson Bridge Road. With development traffic dispersing through the roadway network. Per GDOT's TADA system SR 60 has an AADT of 9,320 vehicles per day and 10,900 vehicles per day to the north and south of Yellow Creek Road, respectively, per TADA.

The two new driveway intersections on Yellow Creek Road are proposed to be full access, minor-street stop-controlled. Based on the estimated traffic volumes accessing the development, turn lanes may need to be considered on Yellow Creek Road at the driveway intersections. Crash history along Yellow Creek Road from H Abercrombie Road to SR 60/Thompson Bridge Road, was reviewed to see if any crash patterns exist in the area that may identify safety concerns for the new driveways. Per GDOT's Numetric crash data system there have been 23 crashes reported along the corridor for the past 5 years, 2019 to 2023. No identifiable crash patterns were observed along Yellow Creek Road in the vicinity of the proposed development. The crash summary report is included in **Appendix C.**

Based on the characteristics of Yellow Creek Road the additional trips generated by the development are anticipated to not significantly impact safety and operations along Yellow Creek Road or adjacent intersections. Please let me know if we can be of any additional assistance during the review process, or if you have any questions. Thank you.

Sincerely,

Chris Maddox, PE, PTOE,
*Traffic Engineering Division Manager*

## EXECUTIVE SUMMARY

The proposed Yellow Creek Road detached single-family homes development is located in Hall County, GA. The development will be built along the north side of Yellow Creek Road to the west of SR 60/Thompson Bridge Road. The development includes 253 detached single-family homes. The site will be accessed by two new driveways along Yellow Creek Road. The full build-out of the development is planned for 2033. This study analyzed the peak hour traffic operations and capacity analysis for the study intersections to determine if recommendations to the existing roadway network should be made to accommodate the new traffic and determine the intersection control for the proposed driveway.

This study analyzed the impacts the additional development's generated trips are expected to have on the surrounding roadway network and study intersections. The study intersections are listed below:

1. Yellow Creek Road at H Abercrombie Rd – Minor Street Stop Control
2. Yellow Creek Road at Driveway A – Minor Street Stop Control (*New Intersection)*
3. Yellow Creek Road at Driveway B – Minor Street Stop Control (*New Intersection)*
4. Yellow Creek Road at Fitts Road – Minor Street Stop Control
5. SR 60 at Walden Road – Minor Street Stop Control
6. SR 60 at Yellow Creek Road – Minor Street Stop Control

The ITE *Trip Generation Manual*, was referenced to estimate the trips generated by the residential development. The expected trips were added to the existing traffic volumes to analyze the delay and level of service at the study intersections in build condition and compare with the existing and no-build conditions.

The site will be accessed by two new driveways along Yellow Creek Road. Driveway A will be the western access and is expected to serve 70% of the units. Driveway B will be the eastern access and will serve the remaining 30% of the units.

The existing study intersections are operating at overall acceptable levels of service under existing conditions and continue to operate acceptably in the future no-build condition. In the build condition, with future year traffic volumes and added traffic from the Yellow Creek Road development, the study intersections and their approaches are expected to continue to operate at the same levels of service as they do in the no-build condition with the addition of the development traffic. The site driveways are expected to operate at an acceptable level of service, LOS A and LOS B, during peak periods with minor street stop control.

The existing intersection of SR 60/Thompson Bridge Road at Yellow Creek Road is expected to service most of the trips generated by the development. The added trips will not have an impact on the intersection's level of service.

The recommended driveway configuration and control type for the development are listed below:

<u>Yellow Creek Road at Driveway A</u>

- Driveway A should be minor street stop controlled.
- Driveway A should have two lanes, one entry and one exit lane.
- Provide a southbound right turn lane on Yellow Creek Road, per GDOT minimum design standards.

Yellow Creek Road at Driveway B

- Driveway B should be minor street stop controlled.
- Driveway B should have two lanes, one entry and one exit lane.
- Provide a southbound right turn lane on Yellow Creek Road, per GDOT minimum design standards.

No roadway improvements are recommended for this development.

## INTRODUCTION

A traffic impact study was conducted by Southeastern Engineering, Inc. for the proposed Yellow Creek Road residential development located in Hall County, GA. The development will be built on undeveloped land along the north side of Yellow Creek Road to the west of SR 60/Thompson Bridge Road (SR 60). The development includes 253 detached single-family homes. The site will be accessed by two new driveways along Yellow Creek Road. The build-out of the development is planned for 2033. A location map of the area near the site is shown in **Figure 1**.

**Figure 1 Location Map**

This study will identify the potential impacts of the proposed development traffic on the surrounding roadway network. The study includes the existing and future peak hour traffic operations and capacity analysis for the surrounding roadway network and development driveways. As necessary, operational improvements will be identified and analyzed to mitigate the traffic impacts caused by the development. Based on the results of the analysis for the study intersections, recommendations will be made for intersection geometry and control method.

## PROJECT DESCRIPTION

The development will be built along the north side of Yellow Creek Road to the west of SR 60 in Hall County, GA. The development includes 253 detached single-family homes. The site will be accessed by two new driveways along Yellow Creek Road. This study analyzes traffic impacts upon the full build-out of the development, which is planned for 2033. The site plan is attached in **Appendix A**.

### Study Network

The traffic study analyzes traffic operations for the study intersections in the vicinity of the development. Capacity analysis and level of service evaluations of the study intersections were conducted for the existing, no-build and build scenarios. The study intersections for this report are listed below:

1. Yellow Creek Road at H Abercrombie Rd – Minor Street Stop Control
2. Yellow Creek Road at Driveway A – Minor Street Stop Control (*New Intersection)*
3. Yellow Creek Road at Driveway B – Minor Street Stop Control (*New Intersection)*
4. Yellow Creek Road at Fitts Road – Minor Street Stop Control
5. SR 60 at Walden Road – Minor Street Stop Control
6. SR 60 at Yellow Creek Road – Minor Street Stop Control

### Roadway Conditions

The roadway network adjacent to the development was examined for the existing roadway characteristics. An aerial of the study area is shown in **Figure 2.**

Yellow Creek Road

Yellow Creek Road is a two-lane facility with a posted speed limit of 45 mph. It is classified by GDOT as a minor collector. It connects to SR 60 in the east and H Abercrombie Road in the west. There is no curb and gutter or sidewalk present along the road in the study area.

H Abercrombie Road

H Abercrombie Road is a two-lane facility with a posted speed limit of 45 mph. It is classified by GDOT as a local road. It connects to Yellow Creek Road in the south and SR 60 in the north. There is no curb and gutter or sidewalk present along the road in the study area.

Fitts Road/Walden Road

Fitts Road/Walden Road is a two-lane facility with no posted speed limit. It is classified by GDOT as a local road. It connects to Yellow Creek Road in the south and SR 60 in the north. Fitts Road changes names to Walden Road approximately 400 ft south of SR 60. There is no curb and gutter or sidewalk present along the road in the study area.

SR 60

SR 60 is a two-lane facility with a posted speed limit of 55 mph. It is classified by GDOT as a principal arterial. It connects to SR 400 to the north and the city of Gainesville to the south. There is no curb and gutter or sidewalk present along the road in the study area.

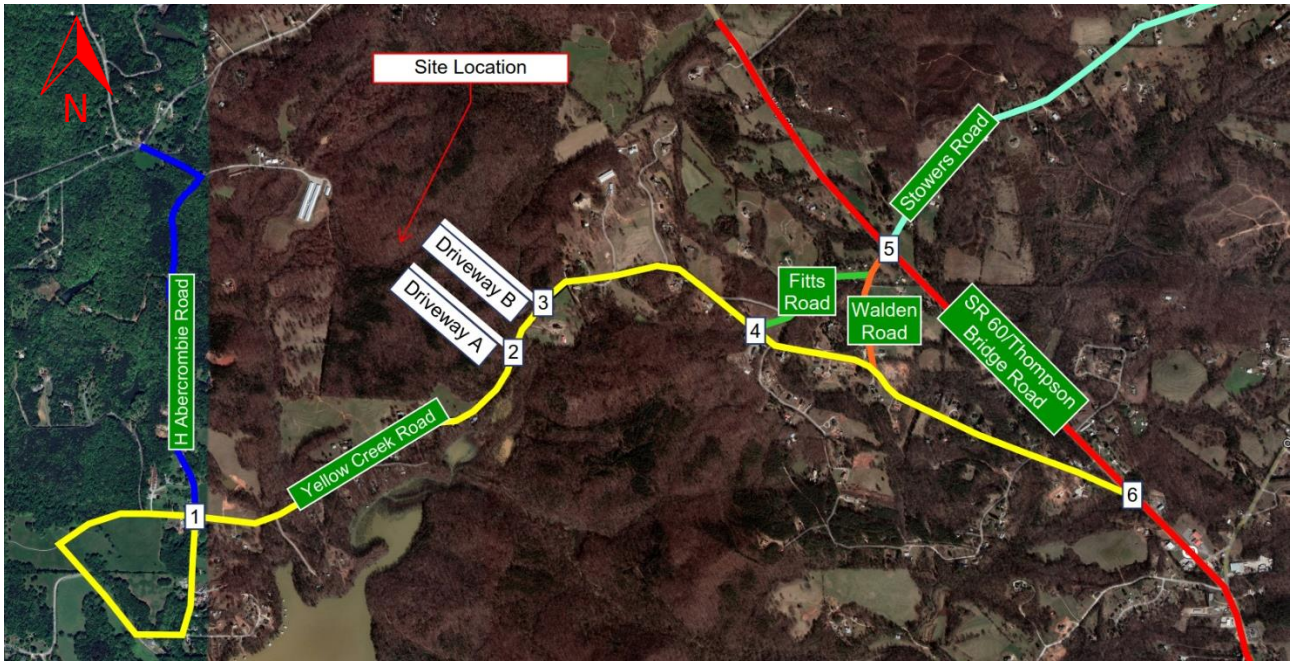

**Figure 2 Aerial of Study Area**

## EXISTING TRAFFIC CONDITIONS

The traffic impact study analyzes the current traffic operations of the study network. Capacity analysis and level of service evaluations of the study intersections were conducted for the existing and future conditions with and without the proposed development to determine the impacts of the development traffic on the network.

### Existing Traffic Volumes

Existing traffic volumes were collected on Wednesday, March 12 and Thursday, March 13, 2025. Daily traffic volumes (48 hours) were collected on primary roadways near the development with peak hour turning movement counts collected at the study intersections on March 12, 2025. For operational analysis, the peak hours were identified as 7:00-8:00 AM for the AM peak and 5:00-6:00 PM for the PM peak hour. Yellow Creek Road adjacent the development site has an average daily traffic volume of 772 vehicles per day (vpd). Existing daily traffic volumes collected in the study area are summarized in **Table 1**, and detailed traffic counts are attached in **Appendix B**. The existing AM and PM peak hour turning movement volumes for the study area are shown in **Figure 6**. GDOT's TADA system was referenced for traffic volumes on other study network roadways. In February 2025, SR 60 has an ADT of 9,992 vpd to the north of Walden Road (Station ID 139-0325).

**Table 1: Existing Traffic Volume (2025)**

| Location | Volume | | Total |
|---|---|---|---|
| | Eastbound | Westbound | |
| Yellow Creek Road east of H Abercrombie Road (3/12/2025) | 382 | 375 | 757 |
| Yellow Creek Road east of H Abercrombie Road (3/13/2025) | 397 | 388 | 785 |

DEVELOPMENT

## Level of Service Methodology

Intersection capacity analyses were performed using the methodology outlined in the *Highway Capacity Manual, 6th Edition* (HCM). This methodology is the industry standard for the evaluation of intersection capacity and delay. To facilitate the analysis, computer software Synchro 11 was used. This software conforms to the methodology of the HCM.

An analysis of peak hour traffic conditions was performed to determine the level of service (LOS) at the study intersections. LOS for an intersection is based on vehicular delay at the intersection and is a typical measure of effectiveness used to evaluate intersection operations. The HCM provides ranges of delay for each LOS definition, spanning from very minimal delays (LOS A) to high delays (LOS F). LOS F is generally considered unacceptable for most drivers.

For unsignalized intersections, where a stop sign controls side streets or minor streets, the criterion for evaluating traffic operations is the LOS for the controlled turning movements at the intersection. Methodology from the HCM to determine the delay and LOS for these turning movements is based on input data including intersection geometry, lane configuration, and turning movement volumes.

For the signalized intersections, LOS is based on input data including intersection geometry, lane configuration, turning movement volumes, and traffic signal timing.

**Table 2** below indicates the relationship between delay and LOS for signalized and unsignalized intersections, respectively.

**Table 2: Level of Service for Signalized and Unsignalized Intersections**

| Level of Service | Control Delay Per Vehicle (sec) | |
|---|---|---|
| | Signalized Intersection | Unsignalized Intersection |
| A | ≤10 | ≤10 |
| B | >10 and ≤20 | >10 and ≤15 |
| C | >20 and ≤35 | >15 and ≤25 |
| D | >35 and ≤55 | >25 and ≤35 |
| E | >55 and ≤80 | >35 and ≤50 |
| F | >80 | >50 |

## Existing Conditions Levels of Service

The existing geometric configuration and intersection controls were used to analyze the intersections for the existing conditions operational analysis. Overall, the existing study intersections are operating at acceptable levels of service under existing conditions. The results of the existing intersection operational analysis are summarized in **Table 3** and detailed Synchro reports are attached in **Appendix C**.

| Table 3: Level of Service and Delay for Existing Year (2025) | | | | |
|---|---|---|---|---|
| Intersection | Control | Approach | Delay (LOS) | |
| | | | AM | PM |
| Yellow Creek Road at H Abercrombie Road | Minor Street Stop Control | NB | 8.5 (A) | 8.7 (A) |
| | | SB | 9.0 (A) | 8.9 (A) |
| Yellow Creek Road at Fitts Road | Minor Street Stop Control | SB | 9.1 (A) | 9.5 (A) |
| SR 60 at Walden Road | Minor Street Stop Control | NB | 15.1 (C) | 15.9 (C) |
| | | SB | 13.1 (B) | 16.3 (C) |
| SR 60 at Yellow Creek Road | Minor Street Stop Control | EB | 12.1 (B) | 10.7 (B) |

## FUTURE CONDITIONS – WITHOUT THE PROPOSED DEVELOPMENT (NO-BUILD)

The impact of the proposed development on the roadway network was analyzed and evaluated in the future year (2033) without the proposed development (No-Build) to compare the future conditions with the proposed fully constructed development (Build).

### Growth Rate

The growth rate for the study area was calculated using different sources, including the annual volume statistics from GDOT's Traffic Analysis & Data Application (TADA), employment and population projections for the county from Regional Economic Models, Inc. (REMI), population projections for the county from the Governor's Office of Planning and Budget (OPB), and county census data from the US Census Bureau. Data and calculations from the sources are attached in **Appendix D**.

TADA traffic volume data between March 2020 and July 2022 has been exclude from the growth rate calculations due to COVID-19 impacts. As a result, the latest count data available before 2020 was used to calculate the 5-year growth rate. The growth rate calculated using the GDOT's Historical traffic data is summarized in **Table 4**.

| Table 4: GDOT Historical Growth Rate | | | | |
|---|---|---|---|---|
| Station ID | Location | 5-Year | 10-Year | 15-Year |
| 127-0332 | SR 60 north of Walden Rd | -0.3% | 1.5% | 1.2% |
| 139-0332 | Dahlonega Hwy south of Stowers Rd | -13.3% | -2.1% | - |
| 139-0334 | Price Rd west of H Thomas Rd | 5.8% | 4.6% | 4.7% |
| 5-,10- and 15-Year Average | | -2.6% | 1.4% | 2.9% |
| **Average Growth Rate** | | **0.6%** | | |

Population and employment projections from REMI were utilized in determining growth rates for the county. This data was used to calculate the growth rate for open year 2033. **Table 5** summarizes the growth rate calculated using REMI's projections.

| Table 5: Growth Rate Based on Regional Economic Models, Inc's Projections | |
|---|---|
| **Projection Type** | **2025-2033** |
| Employment Projection | **0.6%** |
| Population Projection | **0.9%** |

The population projection data for the county was obtained from the Georgia Governor's OPB. This data was used to calculate the growth rate for open year 2033. Growth rate calculated using projections from OPB are summarized in **Table 6**.

| Table 6: Georgia Governor's Office of Planning and Budget Annual Population Estimates | | |
|---|---|---|
| **Year** | **County Population** | **Growth Rate** |
| 2025 | 222,938 | |
| 2033 | 244,472 | **1.2 %** |

Census data from the U.S. Census Bureau was used to calculate a growth rate for the county. Growth rate calculated using the U.S. Census Bureau data is shown **Table 7**.

| Table 7: U.S. Census Bureau Annual Estimates of the Resident Population | | | |
|---|---|---|---|
| **Geographic Area** | **2010 Census** | **2020 Census** | **2010 to 2020 Growth Rate** |
| Hall County | 179,684 | 203,136 | **1.2%** |

The growth rate used to calculate the project's future volumes was obtained by averaging the growth rates from different sources for an overall project growth rate of 0.9%.

## Adjacent Projects

The area adjacent the development was reviewed for any transportation or development projects which may have any effect on traffic impacts.

GDOT PI 0013762 SR 60 from SR 400/Lumpkin to Yellow Creek Road/Hall is a widening project along SR 60 which is in the scoping phases. Based on the project's schedule it is not anticipated to be constructed by the time the development is completed so the project will not be considered in future year analysis, however the project is expected to increase capacity of SR 60 once completed.

## Future No-Build Traffic Volumes

The future background volumes for the 2033 were calculated by applying the annual exponential growth rate over eight (8) years to the existing 2025 background volumes. Future 2033 background volumes are shown in **Figure 4**.

## Future No-Build Conditions Level of Service

The future no-build (2033) intersection operational analysis was conducted for the study network, with existing geometric configuration and intersection controls. All study intersections are expected to operate at the same levels of service as in the existing scenario with a slightly higher delay, which is expected due to background growth. The results of the intersection operational analysis are summarized in **Table 8** and detailed Synchro reports are attached in **Appendix C**.

**Table 8: Level of Service and Delay for No-Build Scenario (2033)**

| Intersection | Control | Approach | Delay (LOS) | |
|---|---|---|---|---|
| | | | AM | PM |
| Yellow Creek Road at H Abercrombie Road | Minor Street Stop Control | NB | 8.6 (A) | 8.7 (A) |
| | | SB | 9.1 (A) | 8.9 (A) |
| Yellow Creek Road at Fitts Road | Minor Street Stop Control | SB | 9.1 (A) | 9.5 (A) |
| SR 60 at Walden Road | Minor Street Stop Control | NB | 16.1 (C) | 15.4 (C) |
| | | SB | 13.7 (B) | 15.3 (C) |
| SR 60 at Yellow Creek Road | Minor Street Stop Control | EB | 12.7 (B) | 10.9 (B) |

## PROPOSED DEVELOPMENT

The Yellow Creek Road single family residential development will be built along the north side of Yellow Creek Road to the west of SR 60. The development includes 253 detached single-family residential homes. The site will be accessed by two new driveways along Yellow Creek Road. Driveway A will be the western access and is expected to serve 70% of the units. Driveway B will be the eastern access and will serve the remaining 30% of the units. This study analyzes traffic impact upon the full build-out of the proposed development, which is planned for 2033.

## Trip Generation

The number of trips expected to be generated from the proposed development were estimated based on the method defined in the ITE *Trip Generation Manual, 11th Edition*. Due to the nature of land use of the development, no pass-by trip reductions are anticipated for the trips generated from the development. The trip generation for the proposed development is summarized in **Table 9**, and the trip generation reports are attached in **Appendix E**.

**Table 9: Proposed Site Trip Generation**

| Land Use (ITE Code) | Unit of Measure | Daily Traffic | | | AM Peak Hour | | | PM Peak Hour | | |
|---|---|---|---|---|---|---|---|---|---|---|
| | | Enter | Exit | Total | Enter | Exit | Total | Enter | Exit | Total |
| Single-Family Detached Housing (210) | 253 Units | 1,185 | 1,185 | 2,370 | 43 | 130 | 173 | 150 | 88 | 238 |

## Trip Distribution and Assignment

The trips expected to be generated from the proposed development were distributed on the roadway network in the study area. The proposed distribution is based on historical counts and observed traffic patterns in the area. Trips generated by the development assigned to the study network are shown in **Figure 5**.

## Auxiliary Lane Analysis

The need for auxiliary lanes on Yellow Creek Road at the development driveways were evaluated based on the guidelines from GDOT's *Regulations for Driveway and Encroachment Control* manual. Auxiliary lanes are recommended on approaches to intersections when the daily turning traffic volumes meet or exceed volume thresholds defined in the GDOT manual.

Based on the GDOT manual, a left-turn lane is recommended at an intersection if the threshold values as shown in **Table 10** are met or exceeded.

**Table 10: Left-Turn Lane Requirements**

| Posted Speed | 2 Lane Routes | | More than 2 Lanes on Main Road | |
|---|---|---|---|---|
| | ADT | | ADT | |
| | < 6,000 | ≥ 6,000 | < 10,000 | ≥ 10,000 |
| 35 MPH or Less | 300 LTV a day | 200 LTV a day | 400 LTV a day | 300 LTV a day |
| 40 to 50 MPH | 250 LTV a day | 175 LTV a day | 325 LTV a day | 250 LTV a day |
| ≥ 55 MPH | 200 LTV a day | 150 LTV a day | 250 LTV a day | 200 LTV a day |

Based on the GDOT manual, a right-turn lane is recommended at an intersection if the threshold values as shown in **Table 11** are met or exceeded.

**Table 11: Right-Turn Lane Requirements**

| Posted Speed | 2 Lane Routes | | More than 2 Lanes on Main Road | |
|---|---|---|---|---|
| | ADT | | ADT | |
| | < 6,000 | ≥6,000 | <10,000 | ≥10,000 |
| 35 MPH or Less | 200 RTV a day | 100 RTV a day | 200 RTV a day | 100 RTV a day |
| 40 to 50 MPH | 150 RTV a day | 75 RTV a day | 150 RTV a day | 75 RTV a day |
| 55 to 60 MPH | 100 RTV a day | 50 RTV a day | 100 RTV a day | 50 RTV a day |
| ≥65 MPH | Always | Always | Always | Always |

Yellow Creek Road is a two-lane roadway with a posted speed limit of 45 mph, and an average daily traffic (ADT) volume of approximately 772 vehicles per day (vpd). With background growth and the development generated traffic the future year (2033) average daily traffic will not exceed 6,000 vpd. Therefore, the threshold for a left-turn lane is set at 250 LTV per day, and the threshold for a right-turn lane is set at 150 RTV per day.

The results for the auxiliary lane analysis are shown in **Table 12**. Based on the estimated daily turning volumes right turn lanes are warranted on Yellow Creek Road at both Driveway A and Driveway B. Let turn lanes are not warranted at either driveway. The warranted turn lanes will be used in the build analysis.

**Table 12: Results for Auxiliary Lane Analysis**

| Intersection | Turning Movement Thresholds (vpd) | | Expected Turning Volumes (vpd) | |
|---|---|---|---|---|
| | LTV | RTV | LTV | RTV |
| Yellow Creek Road at Driveway A | 250 | 150 | 119 | 711 |
| Yellow Creek Road at Driveway B | 250 | 150 | 59 | 296 |

## FUTURE CONDITIONS- WITH THE PROPOSED DEVELOPMENT (BUILD)

To assess the traffic impact of the development, the site-generated trips were added to the future background traffic, and the combined volumes were analyzed.

### Future Build Traffic Volumes

This future build analysis was conducted to determine any impacts to the study intersections resulting from traffic from the full build-out of the development. The site-generated trips assigned to the adjacent roadway network were added to the background traffic volumes and are presented in **Figure 6.**

### Future Build Level of Service

The level of service criteria discussed in the prior sections was applied to the study intersections to determine the impacts of 2033 background traffic volumes plus total site-generated volumes and the addition of the proposed site driveways. The future build operational analysis was conducted to determine any impacts to the study intersections resulting from traffic generated after the full build-out of the proposed development.

The future build intersection operational analysis was conducted for the study network, with existing geometric configuration and intersection controls with the addition of the Yellow Creek Road development traffic and driveways. The existing intersections and their approaches are expected to operate at the same levels of service with the addition of the development traffic. The site driveways are expected to operate at an acceptable level of service, LOS A and LOS B, during peak periods. The results of the intersection capacity analysis are summarized in **Table 13**, and detailed Synchro reports are attached in **Appendix C**.

**Table 13: Level of Service and Delay for Build Scenario (2033)**

| Intersection | Control | Approach | Delay (LOS) | |
|---|---|---|---|---|
| | | | AM | PM |
| Yellow Creek Road at H Abercrombie Road | Minor Street Stop Control | NB | 8.6 (A) | 8.7 (A) |
| | | SB | 9.3 (A) | 9.3 (A) |
| Yellow Creek Road at Driveway A | Minor Street Stop Control | EB | 9.3 (A) | 9.5 (A) |
| Yellow Creek Road at Driveway B | Minor Street Stop Control | EB | 9.5 (A) | 10.1 (B) |
| Yellow Creek Road at Fitts Road | Minor Street Stop Control | SB | 8.8 (A) | 9.6 (A) |
| SR 60 at Walden Road | Minor Street Stop Control | NB | 18.2 (C) | 19.0 (C) |
| | | SB | 14.8 (B) | 18.8 (C) |
| SR 60 at Yellow Creek Road | Minor Street Stop Control | EB | 14.0 (B) | 11.4 (B) |

The 95th percentile queues were reviewed on Yellow Creek Road at the driveway intersection to determine whether the standard storage length recommended by GDOT would be sufficient to accommodate the queue. The analysis shows that during both peak periods, the expected right turn queues will be less than or equal to one vehicle, which is approximately 25 feet, at the site driveway. The standard GDOT storage lengths will be acceptable for the turn lanes.

YELLOW CREEK ROAD DEVELOPMENT

## CONCLUSION AND RECOMMENDATIONS

The proposed Yellow Creek Road detached single-family homes development is located in Hall County, GA. The development will be built along the north side of Yellow Creek Road to the west of SR 60/Thompson Bridge Road. The development includes 253 detached single-family homes. The site will be accessed by two new driveways along Yellow Creek Road. Driveway A will be the western access and Driveway B will be the eastern access. The full build-out of the proposed development is planned for 2033. This study analyzed the peak hour traffic operations and capacity analysis for the study intersections to determine if recommendations to the existing roadway network should be made to accommodate the new traffic and determine the intersection control for the proposed driveway.

The existing study intersections are operating at overall acceptable levels of service under existing conditions and continue to operate acceptably in the future no-build condition. In the build condition, with future year traffic volumes and added traffic from the Yellow Creek Road development, the study intersections and their approaches are expected to continue to operate at the same levels of service as they do in the no-build condition with the addition of the development traffic. The site driveways are expected to operate at an acceptable level of service, LOS A and LOS B, during peak periods with minor street stop control.

The existing intersection of SR 60/Thompson Bridge Road at Yellow Creek Road is expected to service most of the trips generated by the development. The added trips will not have an impact on the intersection's level of service.

The recommended driveway configuration and control type for the development are listed below:

Yellow Creek Road at Driveway A

- Driveway A should be minor street stop controlled.
- Driveway A should have two lanes, one entry and one exit lane.
- Provide a southbound right turn lane on Yellow Creek Road, per GDOT minimum design standards.

Yellow Creek Road at Driveway B

- Driveway B should be minor street stop controlled.
- Driveway B should have two lanes, one entry and one exit lane.
- Provide a southbound right turn lane on Yellow Creek Road, per GDOT minimum design standards.

No roadway improvements are recommended for this development.

To our BOCC members:

RE: 6266 Yellow Creek Rd | Rezone | Cook Communities Applicant

Here we, (the Yellow Creek Community) are again, requesting you disapprove yet another inappropriate rezoning request, for the third time in roughly two years. We thank you in advance for reading through our packet prior to the BOCC meeting on 24 July, 2025. What we'll present across four speakers, closely matches the color-printed booklet, along with the supplemental pages included with this cover letter.

First, we'll cover what we are <u>against</u> and why:

- We oppose a request like this Cook Communities rezoning because it is inappropriate for our community and its enduring and desirable rural character, and
- it is inconsistent with the Comprehensive Plan and appropriate UDC zoning, and
- they have proceeded with their request, despite direct community input and feedback to the contrary, while apparently ignoring much of Comprehensive Plan's Chapter 3 (Community Input,) and
- it insufficiently addresses real inherent risks to natural resources, specifically the Yellow Creek and the Yellow Creek wetlands, and/or our community's quality of life.

Secondly, here's what we are <u>for</u>, that is, what we are asking the BOCC to do:

We recommend the BOCC deny this rezoning application and establish the following conditions, a priori to the next submission of a development plan for <u>*this*</u> property:

- Hall County BOCC will only approve development that is authentically AR-1, Rural Neighborhood, with a Greenspace Overlay per the Comprehensive Plan,
- with appropriately large lots, in character with the existing 9.4-acre proximal lot size average,
- require substantial dedicated greenspace, with a limited number of homes overall,
- 100' streambed buffers (since the property encompasses the watershed of an unimpaired State Waterbody and the headwaters of a protected wetlands,) and
- require a CWA Section 404 Federal Permit with Section 401 State Certification, stipulating best management processes, plans and execution that pre-empt storm runoff and pollution damage to an authentically sensitive and unimpaired downstream aquatic wetlands area.

Each of the above conditions is consistent with O.C.G.A. § 36-66-1 et seq., the Comprehensive Plan, the UDC, the Clean Water Act of 1972 ("CWA"), 33 U.S.C. § 1251(a), and the Georgia

Erosion and Sedimentation Act (O.C.G.A. 12-7-1 et seq., **ALL** of which were in place and publicly available prior to Cook Communities applying to re-zone *this* property.

We want to emphasize, we're not against growth; we just want the right kind of growth and that is already defined in the Comprehensive Plan. We recognize each of our homes represented growth. In fact we agree with Geoff Cook that 'growth is inevitable.' But South Hall-style growth does not belong along Yellow Creek, and neither does development that risks serious damage to important natural resources.

Please deny this request for rezoning and consider establishing conditions for future applicants.

Very respectfully,

The Yellow Creek Working Group

by Greg Rutledge
7724 Barkers Bend Dr.
Murrayville, GA 30564
770.995.9520
gregrut1@bellsouth.net

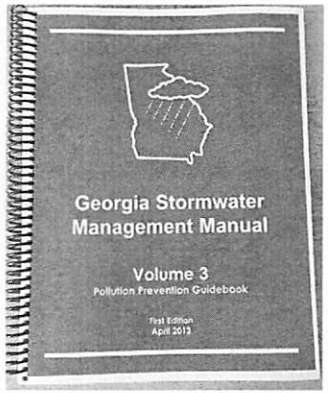
As mentioned before, Yellow Creek is the last clean, unimpaired headwater/watershed area of Lake Lanier in the Chestatee region. Per the EPA, and per the GA EPD [Georgia Erosion and Sedimentation Act (**O.C.G.A. 12-7-1 et seq.**)] ***ANY*** land disturb[illegible]within 200' of a State Waterbody requires:

- An LDP (Land Disturbance Permit),
- An Erosion, Sedimentation, and Pollution Control (ES&PC) plan with BMPs, (best manage[illegible]
- A filed NOI (Notice of Intent) ...

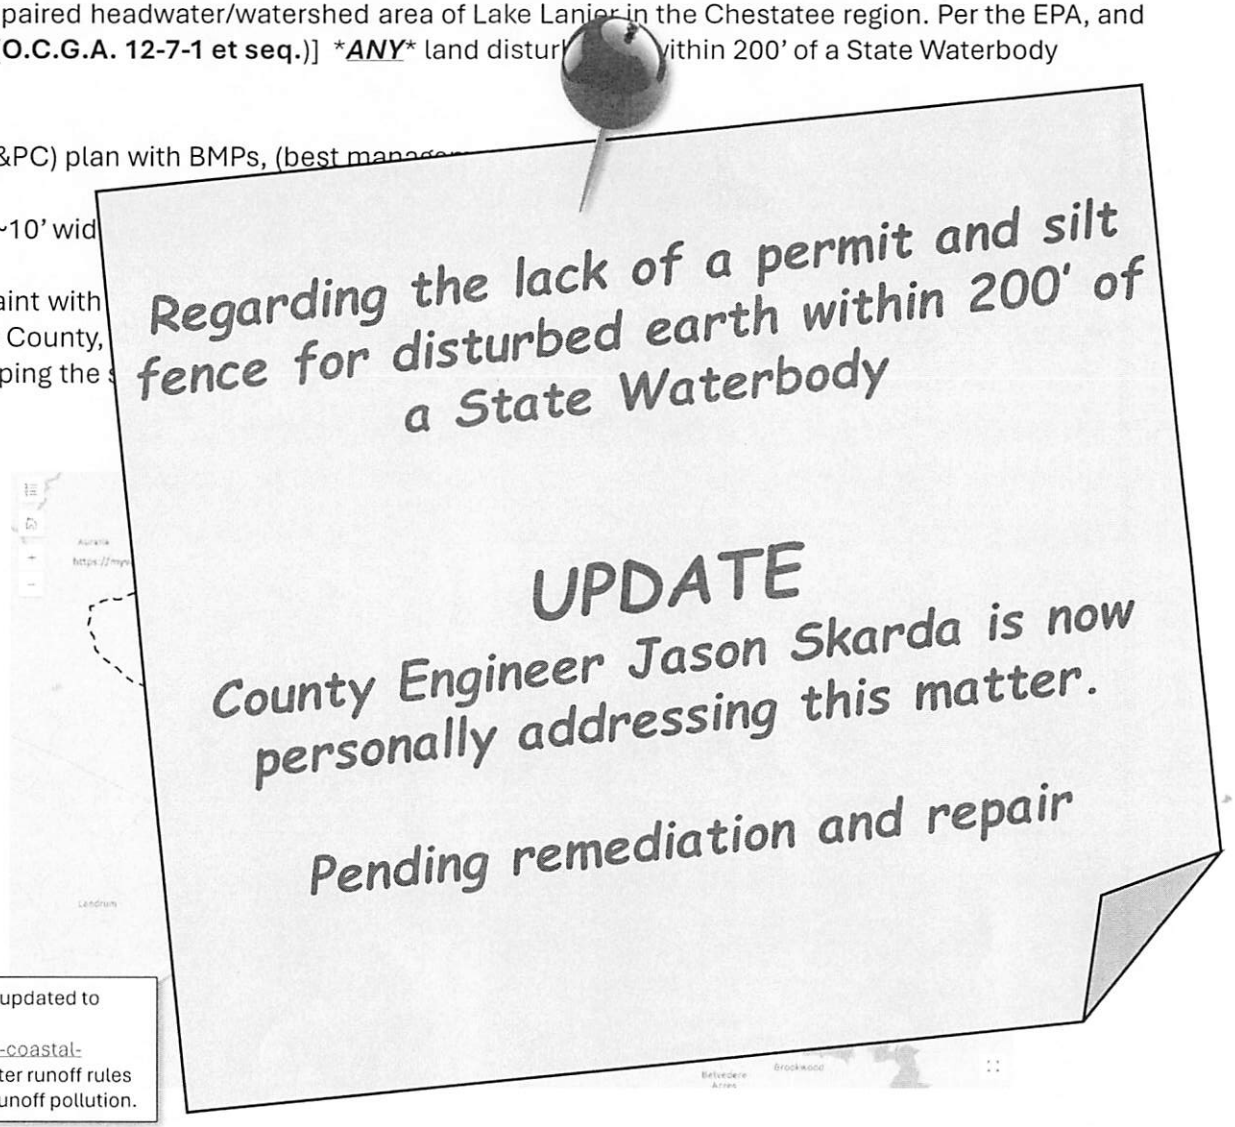
which apparently were not in place prior to cutting in the ~10' wid[illegible]

Note well shortly after the road was cut, we filed a complaint with [illegible] rain shower. Per SOPs, that complaint was referred to the County, [illegible] site and "could not find evidence that sediment was escaping the s[illegible] disturbed areas." That remediation is not yet scheduled.

This is all in the "Blue Book"



https://cdn.atlantaregional.org/wp-content/uploads/gsmm-whatsnew-final.pdf updated to focus on stormwater runoff
https://epd.georgia.gov/watershed-protection-branch/storm-water/georgia-epd-coastal-stormwater-supplement-stormwater ← update covers the specifics of stormwater runoff rules due to increasing adverse effects (from development) of runoff and the ensuing runoff pollution.



# The County is now working with Cook Communities to remediate any future silt/mud releases due to a lack of proper silt fences

The failure to install required silt fences in proximity to state waters, after disturbing earth without a permit, and within 200' of those state waters, followed by foreseeable rain events and observable sediment releases, fits the mold of a situation that:

- Would not ordinarily occur without negligence,
- Was within the developer's or their contractor's exclusive control,
- Produced direct and visible harm to water quality, and
- The absence of basic erosion controls — notably silt fencing — within 200 feet of the Yellow Creek, prior to typical and/or forecasted precipitation resulted in three observed releases of notable sediment into a protected state water, (the Yellow Creek) in a 30-day period. This kind of failure, absent extraordinary external factors, strongly suggests negligent site management.

Res Ipsa Loquitur (the thing speaks for itself)

We do not seek fines or punishment, just remediation and suitable permitting and care going forward.

The Cook development plan is not a bad plan but should be built in an area that supports it and is in fact consistent with the Comprehensive Plan – such as proximal to the identified development corridors along Highway 60 and the Sardis Connector, **NOT** an area slated to remain rural in character and reality.

When a development plan is submitted consistent with the Comprehensive Plan, we recommend the County require AR-1, Rural Neighborhood, Greenspace Overlay per the Comprehensive Plan, **with** appropriately large lots, in character with the 9.4-acre proximal lot size average, plus substantial dedicated greenspace, 100' streambed buffers (100' buffers are mentioned in the Comprehensive Plan) limiting the number of homes, and requiring a CWA Section 404 Permit with Section 401 Certification; these actions taken to deliberately pre-empt storm runoff and pollution damage to an authentically sensitive and unimpaired aquatic wetlands area.

Per the GA EPD "the goal is to ensure that development does not cause the unimpaired stream [*and the wetlands*] to become impaired in the first place."

GREENSPACE

"It is understood that large-lot single-family houses in rural setting are going to be the preferred development pattern in some areas, namely … Murrayville/Sardis. However [examples shown]… with trade-offs … demonstrate[s] **rural development can't happen in some areas without building higher densities in other areas to support it**. [**emphasis** Hall] {highlights YCCC}

Summary of Opposition; Recommendation

The Yellow Creek community has been consistent and resolute in its opposition to rezoning applications such as but not limited to this one, which:

* were/are inappropriate for our community and its character,
* inconsistent with the Comprehensive Plan and appropriate UDC zoning,
* brush off direct community input and feedback, and apparently the entirety of Chapter 3, Community Input, and
* insufficiently address risks to natural resources and/or our community's quality of life.

Our sort of community-based opposition effort, which has consumed considerable time and resources for the Yellow Creek community members in the last year, could have been avoided if ***all*** applicants had taken to heart and heeded the guidance of the **first two paragraphs** of the Comprehensive Plan, a publicly available document.

# EXECUTIVE SUMMARY

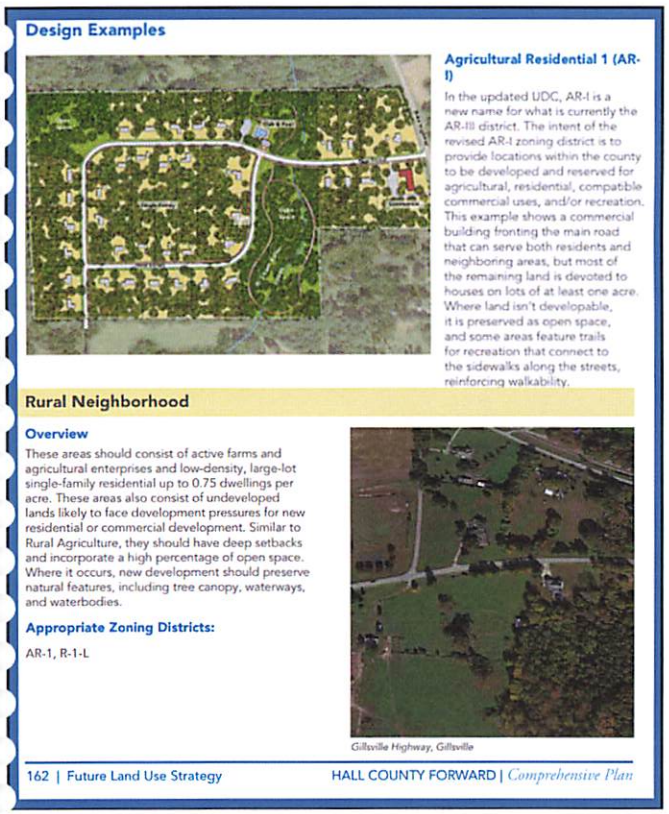
Hall County's comprehensive plan, *Hall County Forward,* is a policy document that guides the county's long-range vision for growth and development in the unincorporated portions of the county. This plan is intended to balance population, economic, and employment growth with the desire to maintain rural character, greenspace, and natural resources. This plan also addresses the need to coordinate new development with infrastructure capacity. This executive summary presents highlights from the plan, including the process used to develop recommendations, the recommendations themselves, and how the plan will be implemented.

This document is to be used as a guide by the following groups:

1. **Developers.** Developers will use this plan to determine if they can build what they want to build, where they want to build it, before undertaking their plans.
2. **Hall County Staff.** County staff will use this plan to determine if new development meets the goals outlined in this document, as well as to guide future planning and project efforts.
3. **The Hall County Board of Commissioners (BOC).** The BOC will use this plan as their guide to make decisions related to rezonings and approving new developments.

The Comprehensive Plan is clear that the appropriate, compatible and consistent zoning for this property is **as already defined** in the Comprehensive Plan: **AR-1, Rural Neighborhood with a Greenspace Overlay.** NOT PRD, and NOT R-1L.

We respectfully recommend that when a subsequent development plan is filed, you only approve one demonstrably compatible with AR-1, Rural Neighborhood, Greenspace Overlay with conditions that increase stream buffers and restrict the total number of lots in order to protect the unimpaired headwaters and watershed of the Yellow Creek and its immediately downstream wetlands, (which have Wetlands designation and EPD/EPA protection noted in the Comprehensive Plan. (*Speaker 3, Chuck Andrews will elaborate*)



**Design Examples**

**Agricultural Residential 1 (AR-I)**

In the updated UDC, AR-I is a new name for what is currently the AR-III district. The intent of the revised AR-I zoning district is to provide locations within the county to be developed and reserved for agricultural, residential, compatible commercial uses, and/or recreation. This example shows a commercial building fronting the main road that can serve both residents and neighboring areas, but most of the remaining land is devoted to houses on lots of at least one acre. Where land isn't developable, it is preserved as open space, and some areas feature trails for recreation that connect to the sidewalks along the streets, reinforcing walkability.

**Rural Neighborhood**

**Overview**

These areas should consist of active farms and agricultural enterprises and low-density, large-lot single-family residential up to 0.75 dwellings per acre. These areas also consist of undeveloped lands likely to face development pressures for new residential or commercial development. Similar to Rural Agriculture, they should have deep setbacks and incorporate a high percentage of open space. Where it occurs, new development should preserve natural features, including tree canopy, waterways, and waterbodies.

**Appropriate Zoning Districts:**

AR-1, R-1-L

# Proximal single-family homes have an average lot size of 9.4 acres.

**(28 home sites/ Rural Character)**

All recent (prior 10 years) development and existing home sites built along Yellow Creek Rd are all single-family homes generally on multiple acres. (includes the in-progress Hathaway 'horse farm' with home.) With one exception (Lee), all recent Yellow Creek Rd (and adjacent/fronting) are built on lots exceeding one acre. For example:

- Singleton, 6641 Yellow Creek Rd, 11.76 acres.
- Singleton, 6673 Yellow Creek Rd, 1.57 acres.
- Tate, 662 H Abercrombie/Yellow Creek driveway, 37.95 acres (house and outbuilding)
- Black, 6624 Yellow Creek, 4.2 acres (house and outbuildings)
- Hathaway, 6384 Yellow Creek, 54.37 acres (house and '
- McCrary, 6067 Walden Rd/Yellow Creek frontage, 4.74 a
- Fauscett, 6645 Abercrombie, 3.24 acres
- Baker, 6657 Abercrombie, 3.24 acres
- Sykes, 6677 Abercrombie, 1.53 acres
- Warneke, 6689 Abercrombie, 1.63 acres
- Romero, 6701 Abercrombie, 2.21 acres
- Lee, 6035 Yellow Creek, .86 acres.

**> 10 years**

Souther, 6212 Bent Tree Cove, 10.5 acres
Souther, 6216 Bent Tree Cove, 3.84 acres
Mulder, 6200 Bent Tree Cove, 4.35 acres
McClain, 6190 Bent Tree Cove, 1.15 acres
White 6144 Yellow Creek, 4.42 acres
Cochran, 6126 Yellow Creek, 35.77 acres
Et alia – 4.66, 40.56, 1.5, 2.58, 3.01, 1.77, 2.15, 7.10, 1.09, 2.50, 13.4 acres respectively

The Comprehensive Plan Future Land use designation is Rural Neighborhood with a Greenspace overlay, *[page 175 Comp Plan]*.

"The intent of this future land use designation is that these areas should consist of active farms and agricultural enterprises and low-density, large-lot single-family residential up to 0.75 dwellings per acre. Similar to rural agriculture, they should have deep setbacks and incorporate a high percentage of open space." *Furthermore, this region is classified as Wetlands (Comp Plan pp 89, 90, 91) and the Yellow Creek itself is the last remaining clean, unimpaired headwaters and watershed in the Chestatee region (EPA), so mitigating nonpoint source pollution and stormwater/surface runoff from perhaps ~200+/- disturbed acres should be a major consideration for conditions.*

The development application (below left) has an overall proposed density of 0.75 dwelling units per acre.

*There is **NO** "overall" verbiage in the Comprehensive Plan or the UDC for Rural Neighborhood, AR-1, R1-L or PRD.*

Yellow Creek wetlands and unimpaired watershed/headwaters at risk;
Georgia Erosion and Sedimentation Act
(O.C.G.A. 12-7-1 et seq.)

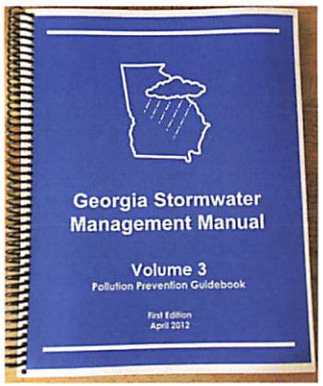
As mentioned before, Yellow Creek is the last clean, unimpaired headwater/watershed area of Lake Lanier in the Chestatee region. Per the EPA, and per the GA EPD [Georgia Erosion and Sedimentation Act (**O.C.G.A. 12-7-1 et seq.**)] ***ANY*** land disturbance within 200' of a State Waterbody requires:

- An LDP (Land Disturbance Permit),
- An Erosion, Sedimentation, and Pollution Control (ES&PC) plan with BMPs, (best management practices **which include silt fences**), and
- A filed NOI (Notice of Intent) ...

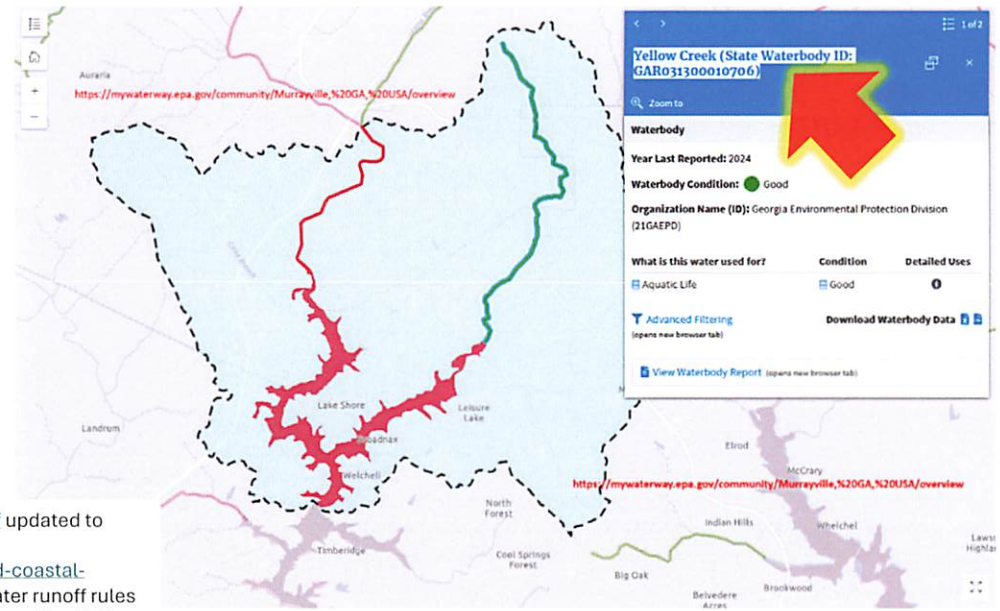
which apparently were not in place prior to cutting in the ~10' wide soil testing road with a dozer, exposing bare earth. (see Appendix B)

Note well shortly after the road was cut, we filed a complaint with the GA EPD due to substantial 'mud' observed in the Yellow Creek subsequent to a rain shower. Per SOPs, that complaint was referred to the County, as the LIA. 25 days after our complaint was filed, a County inspector visited the site and "could not find evidence that sediment was escaping the site, but he did note that mulch / vegetation [grass] should be added to stabilize any disturbed areas." That remediation is not yet scheduled.

This is all in the "Blue Book"



https://cdn.atlantaregional.org/wp-content/uploads/gsmm-whatsnew-final.pdf updated to focus on stormwater runoff
https://epd.georgia.gov/watershed-protection-branch/storm-water/georgia-epd-coastal-stormwater-supplement-stormwater ← update covers the specifics of stormwater runoff rules due to increasing adverse effects (from development) of runoff and the ensuing runoff pollution.



# In case there's any doubt ...

**O.C.G.A. 12-7-1**
**The Erosion and Sedimentation Act of 1975 as Amended**

## HISTORY

Georgia's Erosion and Sedimentation Act was passed in 1975 and became effective in 1977. It has been amended several times; in 1980, 1985, 1989, 1994, 1995 and 2000. The 1994 and 1995 amendments were significant in that the emphasis is now on Best Management Practices (BMPs) instead of water quality.

## AGENCIES

This law specifically defines the duties of four separate and distinct agencies:

1. Local Issuing Authority (LIA).
2. The Environmental Protection Division (EPD) of the Department of Natural Resources (DNR).
3. The Soil and Water Conservation District (SWCD).
4. The State Soil and Water Conservation Commission (SSWCC).

Unnamed, but critically important to the program, is the Natural Resource Conservation Service (NRCS) of the US Department of Agriculture (USDA).

124

## LAND-DISTURBING ACTIVITIES

The Law defines a land-disturbing activity as:

"Any land change which may result in soil erosion from water or wind and the movement of sediments into State Water or onto lands within the State including, but not limited to clearing, dredging, grading, excavating, transporting, and filling."

Page 125
**Field Manual for Erosion and Sediment Control**
Fourth Edition 2002

**Soil testing or roads cut for soil testing are NOT an exempted land-disturbing activity, especially within 200' of State Waters (Yellow Creek is a State Waterbody) OCGA § 12-7-17. Exemptions**

## EXEMPTED LAND-DISTURBING ACTIVITIES

The Law contains certain exemptions. Permits for land-disturbing activities are not required for the following:

1. Surface mining.
2. Granite quarrying.
3. Minor land-disturbing activities such as home gardens, home landscaping, etc.

125

4. Construction of single-family residences for or by the owner.
5. Agricultural Practices.
6. Forestry Practices.
7. Projects of the Natural Resources Conservation Service (NRCS).
8. Projects of 1.1 acre or less (if not within 200' of State Waters).
9. Construction or maintenance projects by the Department of Transportation, the Georgia Highway Authority, or Georgia Tollway Authority and road construction and maintenance projects by counties and cities.
10. Any LDA by an EMC or municipal electrical system or public utility regulated by the Public Service Commission.
11. Public Water System Reservoirs

Although permits are not required, exemptions 4, 8, 9, 10 and 11 must meet certain minimum requirements of the Law.

The Comprehensive Plan, the EPA & EPD and the photos make it clear Yellow Creek really is a wetlands worthy of protection.

*Numerous additional hi-res photos are available on request.*

Dr. Courtney St. John-Wacker

as the final speaker.

Summary and Closing

The Comprehensive Plan, particularly the Character Areas and Future Land Use Strategy sections are unambiguous that the appropriate, compatible and consistent zoning for this property is as already defined in the Comprehensive Plan: AR-1, Rural Neighborhood with a Greenspace Overlay. Not PRD, and NOT R-1L.

This is especially immutable given the property encompasses the unimpaired headwaters and watershed of the Yellow Creek and its immediately downstream wetlands, with designation and protection noted in the Comprehensive Plan. (as *Speaker 3, Chuck Andrews elaborated*)

**43 Citations** in the Comprehensive Plan and UDC alone support the retention of AR-1, Rural Neighborhood, Greenspace Overlay, Wetlands Protection and preservation of our Rural Character; irrespective of supportive GA EPD, USACOE and US EPA direction and regulation.

1. O.C.G.A. § 36-66-1 - 5.1 and The Comprehensive Plan establish the authority and supremacy of the BOCC overall, and the supremacy of the Comprehensive Plan over the UDC.
   - **One** Citation, shown at right, p 156
   - 'The UDC tail does not wag the dog,' i.e. the UDC is in service to the Comprehensive Plan and the BOCC, not the reverse.
   - Additionally, Applicant did not own the property at the time of the original filing for rezoning, and there are therefore certain reductions to their standing in this matter.
2. Maintaining Rural Character/ Consistency with nature of existing Community Development
   - **SIXTEEN** Relevant Citations
   - pp 4,9,10,28,33,46,120,121,137,138,139,142,143,159,156,174

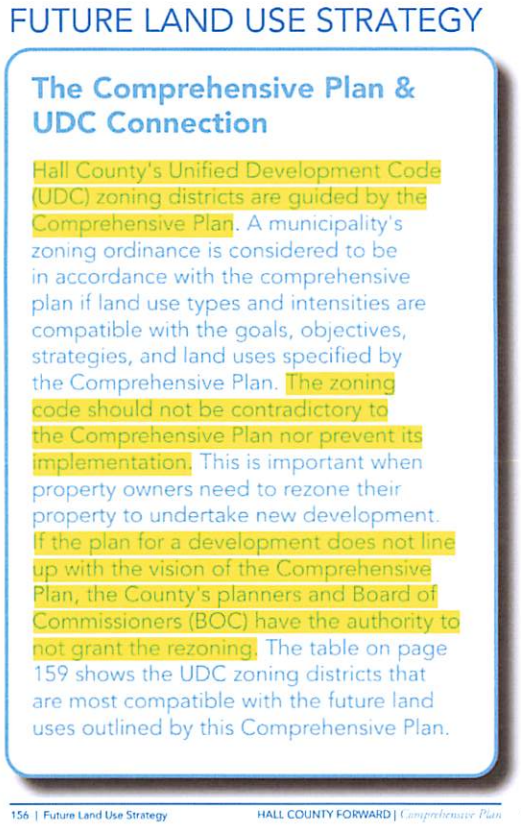
6. Plus, a score of other direct references to Community Input in the Comprehensive Plan



FUTURE LAND USE STRATEGY

The Comprehensive Plan & UDC Connection

Hall County's Unified Development Code (UDC) zoning districts are guided by the Comprehensive Plan. A municipality's zoning ordinance is considered to be in accordance with the comprehensive plan if land use types and intensities are compatible with the goals, objectives, strategies, and land uses specified by the Comprehensive Plan. The zoning code should not be contradictory to the Comprehensive Plan nor prevent its implementation. This is important when property owners need to rezone their property to undertake new development. If the plan for a development does not line up with the vision of the Comprehensive Plan, the County's planners and Board of Commissioners (BOC) have the authority to not grant the rezoning. The table on page 159 shows the UDC zoning districts that are most compatible with the future land uses outlined by this Comprehensive Plan.

156 | Future Land Use Strategy HALL COUNTY FORWARD | *Comprehensive Plan*

The Cook development plan is not a bad plan but should be built in an area that supports it and is in fact consistent with the Comprehensive Plan – such as proximal to the identified development corridors along Highway 60 and the Sardis Connector, **NOT** an area slated to remain rural in character and reality.

When a development plan is submitted consistent with the Comprehensive Plan, we recommend the County require AR-1, Rural Neighborhood, Greenspace Overlay per the Comprehensive Plan, **with** appropriately large lots, in character with the 9.4-acre proximal lot size average, plus substantial dedicated greenspace, 100' streambed buffers (100' buffers are mentioned in the Comprehensive Plan) and limiting the number of homes; these actions taken to deliberately pre-empt storm runoff and pollution damage to an authentically sensitive and unimpaired aquatic wetlands area.

Per the GA EPD "the goal is to ensure that development does not cause the unimpaired stream to become impaired in the first place."

> GREENSPACE
>
> "It is understood that large-lot single-family houses in rural setting are going to be the preferred development pattern in some areas, namely … Murrayville/Sardis. However [examples shown]… with trade-offs … demonstrate[s] **rural development can't happen in some areas without building higher densities in other areas to support it**. [**emphasis** Hall] {highlights YCCC}

**Your Comments***

Opposed to the rezoning request. Requested rezoning is inconsistent with rural area development within several miles of radius. Surrounding roads are traffic controlled, graded, or shouldered for the increased traffic that would result from the rezoning.

Please write your comments in the box above.

# Hall County Government
PLANNING AND ZONING

**To:** David Gibbs, Chairman
Kathy Cooper, District 1 Commissioner
Billy Powell, District 2 Commissioner
Gregg Poole, District 3 Commissioner
Jeff Stowe, District 4 Commissioner

**From:** Beth Garmon, Director of Planning & Zoning

**Date:** July 7, 2025

**Subject:** **2620 & 2634 Barrett Road | Rezone |** from Light Industrial (I-1) and Agricultural Residential 1 (AR-1) to Heavy Industrial (I-2) | on a combined 4.42± acre tract | Zoned I-1 & AR-1; Tax Parcels 15023A000037 & 15023A000007 **| Proposed use: Repackaging of processed animal products| DeGaria Dowdy, applicant**

---

The request before you is from Degaria Dowdy to rezone from Light Industrial (I-1) and Agricultural Residential 1 (AR-1) to Heavy Industrial (I-2) for repackaging of processed animal products. This item is located within Commission District 3.

At their June 16, 2025 meeting, the Hall County Planning Commission voted to recommend **approval, with nine (9) conditions (4-0, Varner absent).**

Staff recommendation: **Approval, with conditions,** as the proposed use is consistent with the Employment or Business Nodes and Corridors future land use classification within the Comprehensive Plan.

There were **no comments submitted** in advance of the Planning Commission meeting and **no one spoke during the public hearing.**

**Planning Commission Conditions:**

1. Development is approved as generally shown on the site plan dated March 27, 2025, and described in the supplemental project narrative dated April 03, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.

2. Access to the property shall be approved by the Georgia Department of Transportation. The developer shall be responsible for all costs associated with improvements necessary for access to the development.

3. No variances to Gateway Corridor Overlay District (GCOD) standards and no additional variances or development exceptions are granted as part of this request that are not explicitly granted herein.

4. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering.

5. All conditions of zoning shall be made as part of any plats or construction plans created for the property.

6. Any future improvements or development on the property shall be brought into compliance with the Hall County Unified Development Code. All proposed work must be submitted for review, and the appropriate permits shall be obtained prior to any construction.

7. No outdoor operations beyond loading and unloading of trucks shall be permitted on site. All operations shall be completely contained within the structure.

8. No outdoor storage shall be permitted per the Gateway Corridor Overlay District (GCOD) standards.

9. The following uses shall not be allowed:

    a. Adult establishments
    b. Funeral homes
    c. Crematorium
    d. Psychic or fortune teller
    e. Pawn shop or pawn broker
    f. Smoke or vape shop
    g. Truck stop

***Applicant's Presentation:***

**Vamsee Polamarasetty, Planner,** presented a summary of the request.

**DeGaria Dowdy, 607 Gordon Street, Jefferson,** presented the request. The applicant is requesting to rezone a 4.42± acre tract from Light Industrial (I-1) and Agricultural Residential I (AR-I) to Heavy Industrial (I-2) to allow for the repackaging of processed animal products. The subject property is located within the Gateway Corridor Overlay District (GCOD) and is currently developed with approximately 47,082 square feet of existing metal buildings, including two warehouses and an office building constructed in 1969 and 1987.

***Public Forum:***

*There were no comments in support or opposition.*

***Motion: A motion to approve, with conditions was made by Stan Hunt and seconded by Frank Sosebee. Vote: 4-0 (Varner absent)***

Conditions:

1. Development is approved as generally shown on the site plan dated March 27, 2025, and described in the supplemental project narrative dated April 03, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.

2. Access to the property shall be approved by the Georgia Department of Transportation. The developer shall be responsible for all costs associated with improvements necessary for access to the development.

3. No variances to Gateway Corridor Overlay District (GCOD) standards and no additional variances or development exceptions are granted as part of this request that are not explicitly granted herein.

4. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering.

5. All conditions of zoning shall be made as part of any plats or construction plans created for the property.

6. Any future improvements or development on the property shall be brought into compliance with the Hall County Unified Development Code. All proposed work must be submitted for review, and the appropriate permits shall be obtained prior to any construction.

7. No outdoor operations beyond loading and unloading of trucks shall be permitted on site. All operations shall be completely contained within the structure.

8. No outdoor storage shall be permitted per the Gateway Corridor Overlay District (GCOD) standards.

9. The following uses shall not be allowed:
    a. Adult establishments
    b. Funeral homes
    c. Crematorium
    d. Psychic or fortune teller
    e. Pawn shop or pawn broker
    f. Smoke or vape shop
    g. Truck stop

**Staff recommends APPROVAL of the applicant's requests with the following conditions:**

1. Development is approved as generally shown on the site plan dated March 27, 2025, and described in the supplemental project narrative dated April 03, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.

2. Access to the property shall be approved by the Georgia Department of Transportation. The developer shall be responsible for all costs associated with improvements necessary for access to the development.

3. No variances to Gateway Corridor Overlay District (GCOD) standards and no additional variances or development exceptions are granted as part of this request that are not explicitly granted herein.

4. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering.

5. All conditions of zoning shall be made a part of any plats or construction plans created for the property.

---

**Summary Analysis**

The applicant is requesting to rezone a 4.42± acre tract from Light Industrial (I-1) and Agricultural Residential I (AR-I) to Heavy Industrial (I-2) to allow for the repackaging of processed animal products.

The subject property is located within the Gateway Corridor Overlay District (GCOD) and is currently developed with approximately 47,082 square feet of existing metal buildings, including two warehouses and an office building constructed in 1969 and 1987.

The surrounding properties are zoned and developed as outlined below:

North: Agricultural Residential 1 (AR-1) and Office & Institutional (O-I): vacant
South: Agricultural Residential 1 (AR-1): single-family residences (Sherwood Forest Subdivision)
East: Light Industrial (I-1): gas holding tanks
Planned Industrial Development (PID): vacant
West: Agricultural Residential 1 (AR-1): single-family residences

The applicant is requesting to rezone the subject parcels to allow for the repackaging and handling of processed animal products, primarily poultry. The combined development site consists of approximately 4.42± acres. The narrative states that the location and existing infrastructure make the property well-suited for the proposed use.

The proposed use will operate within two warehouses and an office building, and will utilize the existing infrastructure along with existing connections to public water service and an on-site septic system. No

renovations or alterations to the existing buildings or the development site are proposed as part of this request.

The existing development standards for the project are identified in the table below and are compared to the GCOD requirements (6.2):

**GCOD Analysis**

| Standard | Proposed Work | Notes | Compliance |
|---|---|---|---|
| **6.2.5.A**.– Transitional buffers | The developed portion of the site is approximately 30 feet from the property zoned Agricultural Residential 1 (AR-1). | A 50-foot transitional buffer is required adjacent to residential property. Buffers shall comply with GCOD standards. | Deficient |
| **6.2.5.B.1** – Additional Landscape and Screening | None | Shrubs must be planted within ten feet of the foundation of the primary structure along each building facade at the rate of at least 20 shrubs per 100 lineal feet of building facade except for sides or rear of building used for loading or service areas. Foundation plantings may be clustered to provide visual interest. | Deficient |
| **6.2.5.B.2** – Additional Landscape and Screening | None | Along each street frontage there must be a landscape strip at least 10 feet in width except for perpendicular crossings for driveways and utilities. | Deficient |
| **6.2.5.C.1** – Parking Lot Design -Required # of Parking Spaces | The submitted site plan shows 59 existing parking spaces on site; only 15 are required. | Off-street parking space calculations are governed by Sec. 8.1 of the UDC.<br><br>The maximum number of parking spaces that may be constructed on impervious surfaces may be no more than 125 percent of the minimum number of parking spaces required in Sec. 8.1. | Deficient |

| | | | |
|---|---|---|---|
| **6.2.5.C.2.e –** Parking Lot Design - Location | Existing parking is located along the front of the property. | Off-street parking must be located to the side or rear of the principal building and may not be located between the building and the street. | Deficient |
| **6.2.5.D** – Outdoor lighting | Unknown | Shall comply with GCOD standards. | Unknown |
| **6.2.6** - Architectural Standards | Metal Buildings | Architectural metal panels are restricted to no more than 50 percent of the surface area of each side of a building. | Deficient |
| **6.2.7** – Signs | Unknown | Signage shall comply with GCOD standards. | Unknown |

**Based on the future land-use plan, staff finds the request *is consistent* with the Comprehensive Plan and future land use designation of Employment or Business Nodes & Corridors.** These areas could consist of industrial and/or office uses housed in either formalized campuses or along major road corridors that have existing or future access to water and sewer. They may also consist of higher-intensity commercial uses, low-intensity, consumer-facing industrial uses that house businesses that serve nearby communities, and some higher density residential, where appropriate.

**Zoning Analysis**

When considering a zoning amendment to the zoning maps, the Planning Commission must study the need and justification for the change based on a determination of the facts applicable to the particular case, and the following general lines of inquiry must be considered:

**a.** Whether the zoning proposal will permit a use that is suitable in view of the use, development and zoning of adjacent and nearby property; **The proposed Heavy Industrial (I-2) zoning district is consistent with the use, development, and zoning of adjacent and nearby properties.**

**b.** Whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby property; **The proposed rezoning should not adversely affect the existing use or usability of adjacent properties.**

**c.** Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned; **The property has reasonable economic use as currently zoned.**

**d.** Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, schools, police protection, fire protection, public health facilities or emergency medical service; **The proposed rezoning is not expected to cause an excessive or burdensome use of existing streets, transportation facilities, utilities, schools, police protection, fire protection public facilities, or emergency medical service. The property is served by on-site septic and City of Gainesville public water.**

**e.** Whether the zoning proposal is in conformity with the policy and intent of the future land use plan for the physical development of the area; **The proposed use is consistent with the future land use designation of "Business & Employment Nodes and Corridors" which may consist of industrial and/or office uses housed in either formalized campuses or along major road corridors that have existing or future access to water and sewer. They may also consist of higher-intensity commercial uses, low-intensity, consumer-facing industrial uses that house businesses that serve nearby communities, and some higher density residential, where appropriate.**

**f.** The extent to which property values are diminished by the existing zoning restrictions; **Staff is unable to determine the extent to which property values are diminished by the existing zoning restrictions.**

**g.** The extent to which the destruction of the subject property's value under the existing zoning promotes the health, safety, morals or general welfare of the public; **Staff is unable to comment on the impact of property values without a full market analysis. Multiple factors impact property value including construction types, proposed uses, and maintenance. Often it is difficult to determine the effect of a development on adjacent properties until the development is completed.**

**h.** The relative gain to the public as compared to the hardship imposed upon the individual property owner; **Staff has not identified a hardship imposed on the property owner as the property is currently zoned.**

**i.** The length of time the property has been vacant as zoned considered in the context of land development in the area in the vicinity of the property; **The property is currently developed with approximately 47,082 square feet of commercial space, including two warehouses and an office building constructed in 1969 and 1987.**

**j.** Whether there are other existing or changing conditions affecting the use or development of the property which give supporting grounds for either approval or disapproval of the zoning proposal; **Staff is not aware of any changing conditions affecting the use or development of the property.**

**k.** Whether the change would create an isolated district unrelated to the surrounding districts; **While the proposed rezoning to I-2 would create a distinct zoning district, it would not be considered isolated in context. Surrounding properties are zoned Planned Industrial Development (PID), Office Institutional (O-I), and Light Industrial (I-1), with an existing Heavy Industrial (I-2) district located in proximity. As such, the proposed zoning is generally compatible with the existing zoning pattern and is not anticipated to conflict with the surrounding development character.**

**l.** Whether the present zoning district boundaries are illogically drawn in relation to existing conditions in the area; **There is no evidence that the present zoning district boundaries are illogically drawn.**

**m.** Whether the change requested is out of scale with the needs of the county as a whole or the immediate neighborhood; **No, the request is not out of scale with the needs of the county as a whole.**

**n.** Whether it is impossible to find adequate sites for the proposed use in districts permitting such use and already appropriately zoned; **There are other properties within the county currently zoned for Heavy Industrial (I-2) uses; however, the applicant is seeking to establish the proposed use at the subject property, which is currently zoned Light Industrial (I-1). Rezoning to I-2 is necessary in order to accommodate the intended use of the repackaging of processed animal products.**

**o.** Whether the need for rezoning could be handled instead by a variance request to the Planning Commission; **The request for rezoning could not be handled alternatively as a variance.**

**p.** Whether there would be an ecological or pollution impact resulting from major modifications to the land if the request is granted; **Any land disturbance activities on the property shall be required to go through the land development permitting process, and as a result are subject to local, state, and federal regulations. As a result, there are no anticipated ecological or pollution impacts resulting from any modification to the land if the request is granted.**

**q.** Whether there is reasonable evidence based upon existing and anticipated land use that would indicate a mistake was made in the original zoning of the property; **There is no indication that a mistake was made in the original zoning.**

**11.2.6.E - Submission requirements**

1. Any person or persons requesting a change in the official zoning map or use subject to approval of the County Commission must file an application with a plat or map of the property attached thereto, together with payment of such fees set forth in this Sec 11.2. to cover administrative and advertising costs, in the Planning and Zoning Department office. Such person or persons or their authorized agent must appear in person at the public hearing held to consider the district change. **The proposal meets the requirement. The applicant has paid the appropriate fees and understands that someone must be present at both the Hall County Planning Commission meeting and the voting meeting of the Hall County Board of Commissioners.**

2. All applications for a change of zoning classification or use subject to approval of the County Commission must include:

    a. A narrative statement identifying the existing and proposed use of the property and addressing each of the criteria set forth in this Sec. 11.2. **The proposal provides a narrative outlining the intent of the development; however, the applicant has not prepared a response to each of the criteria listed in 11.2.6.E.2.**

b. A site plan drawn to scale designating the area covered by the application and identifying existing and proposed buildings and uses, adjacent existing land uses, zoning on contiguous parcels, including those across an abutting public right-of-way, and any other significant site improvements proposed to accommodate the proposed use or buffer adjacent uses, etc., or a plat of the subject property where no specific land use is proposed. In cases where only a plat or map is provided and no land use is proposed, the Planning Commission and County Commission may evaluate the application based on the most intense possible land use permitted in the proposed district. **The proposal meets the requirement.**

c. For any application for a slow rate land treatment system as defined in 7.6.9.D.1, additional requirements apply. **This standard is not applicable to the applicant's request.**

d. For any application proposing the development of 100 or more residential dwelling units, a traffic impact study must be submitted prior to consideration of the application by the County Commission. At the applicant's expense, the traffic impact study must be prepared by a professional engineer in accordance with requirements established by the Hall County Engineering Department. The Engineering Department must review the traffic impact study and forward any comments to the County Commission. **This standard is not applicable to the applicant's request.**

**Development Support and Constraints**

**Hall County Environmental Health**
In an email dated May 13, 2025, Emily McGahee stated "Must meet all Environmental Health commercial septic system permitting requirements if able to be permitted by Environmental Health. Environmental Health can only permit residential strength wastewater; therefore, non-domestic wastewater will be required to be disposed of through public sewer or an EPD permitted system. Further determination will be made during the civil plan review process."

**Georgia Department of Transportation**
In an email dated May 8, 2025, Nakia Nembhard Civil Engineer 3, stated that GDOT coordination is required.

**Hall County Public Works and Utilities**
In a memorandum from Public Works and Utilities dated May 16, 2025, Director Bill Nash stated the following:

**Engineering:**
This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.

**Traffic:**
Driveways will need to meet County industrial standards

**Utilities:**
No sanitary sewer service in area. Hall County/Gainesville shared service area.

**Hall County Fire Marshal**
In an email dated May 9, 2025, John Hornick, NPQ Fire Service Plans Examiner 1, stated,
"Hall County Fire Marshal's comments:

According to the Survey buildings 2620 and 2634 are classified as warehouses which would be classified according to Life Safety Code as Storage, the change of use will be to food handling and packaging which would be classified as industrial. Life Safety Code Section 43.7 Change of Use and Occupancy Classification requires all buildings to meet current fire code for the occupancy classification that the buildings will be used for, such as but not limited to the following 1) Installation of a fire protection system 2) Installation of a fire alarm system. 3) All 3 buildings will be required to meet the life safety code requirements of the occupancy that they are classified as before a passing life safety report will be issued. 4) ERRCS emergency responder radio communication system testing will be required in all 3 buildings to determine the emergency radio strength inside the structure. 5) Before any site development or building reconstruction occurs engineered / architectural plans will have to be submitted for review."

P.O. Drawer 1435
Gainesville, GA 30503

RE: Letter of Intent – Rezoning Application for 2620 & 2634 Barrett Road, Gainesville, GA 30507

To Whom It May Concern,

This letter serves as a formal statement of intent to request the rezoning of the property located at 2620 & 2634 Barrett Road, Gainesville, GA 30507, with parcel numbers 15023A000007 & 15023A000037. The properties encompass approximately 4.42 acres and are currently zoned as Light Industrial (I-1). The request is to rezone the property to Heavy Industrial (I-2) to support the proposed development of a food packaging and handling facility. The subject properties currently have warehouses used for staffing solutions for poultry companies. The property is positioned to support the proposed rezoning request due to the change of business that will be conducted in the warehouses, from staffing solutions to food handling and packaging.

The request to rezone the property to Heavy Industrial (I-2) is justified by several factors. The proposed development aligns with Hall County's Comprehensive Plan, which designates this area for industrial use. The transition to I-2 zoning supports the plan's objectives to promote industrial growth in appropriate areas, fostering economic development. The property's location and existing infrastructure make it well-suited for the intended food packaging and handling operations. The I-2 zoning designation permits such uses, ensuring compliance with county regulations while maintaining responsible land use. The establishment of a food packaging and handling facility will contribute to local economic growth by creating job opportunities and strengthening the poultry industry's supply chain.

We are confident that the proposed rezoning and development will provide significant benefits to the community by addressing local economic needs and enhancing the industrial landscape of the area. We are committed to working collaboratively with Hall County Planning & Zoning and engaging with stakeholders to address any concerns that may arise during the review process.

Thank you for considering this application. We welcome the opportunity to discuss the proposal in more detail and provide any additional information as needed. Please feel free to contact us at 706.265.1234 or submittals@davisengineers.com.

Sincerely,

*Austin McKinney*

## ~SURVEYOR CERTIFICATION~

THIS PLAT IS A RETRACEMENT OF AN EXISTING PARCEL OR PARCELS OF LAND AND DOES NOT SUBDIVIDE OR CREATE A NEW PARCEL OR MAKE ANY CHANGES TO ANY REAL PROPERTY BOUNDARIES. THE RECORDING INFORMATION OF THE DOCUMENTS, MAPS, PLATS, OR OTHER INSTRUMENTS WHICH CREATED THE PARCEL OR PARCELS ARE STATED HEREON. RECORDATION OF THIS PLAT DOES NOT IMPLY APPROVAL OF ANY LOCAL JURISDICTION, AVAILABILITY OF PERMITS, COMPLIANCE WITH LOCAL REGULATIONS OR REQUIREMENTS, OR SUITABILITY FOR ANY USE OR PURPOSE OF THE LAND. FURTHERMORE, THE UNDERSIGNED LAND SURVEYOR CERTIFIES THAT THIS PLAT COMPLIES WITH THE MINIMUM TECHNICAL STANDARDS FOR PROPERTY SURVEYS IN GEORGIA AS SET FORTH IN THE RULES AND REGULATIONS OF THE GEORGIA BOARD OF REGISTRATION FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS AND AS SET FORTH IN O.C.G.A. SECTION 15-6-67.

**LIMITED WARRANTY DEED**

STATE OF Georgia
COUNTY OF Hall

THIS DEED is made the 31st day of July, in the year two thousand nineteen (2019) between National Auto Research Division of Hearst Business Media Corporation, as party of the first part, hereinafter called Grantor, and Westcroft Properties L.L.C., as party of the second part, hereinafter called Grantee (the words "Grantor" and "Grantee" to include their respective heirs, successors and assigns where the context requires or permits).

WITNESSETH, that Grantor, for and in consideration of Ten and No/100 ($10.00) Dollars, and other valuable consideration, in hand paid at and before the sealing and delivering of these presents, the receipt and sufficiency of which are hereby acknowledged, has granted, bargained, sold, aliened, conveyed and confirmed, and by these presents does grant, bargain, sell, alien, convey and confirm unto said Grantee, the following described property:

**SEE EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF.**

TO HAVE AND TO HOLD the said property with all and singular the rights, members and appurtenances thereof, to the same being, belonging, or in anywise appertaining, to the proper use, benefit and behoof of Grantee, subject only to those matters set forth in Exhibit "B" attached hereto and by this reference incorporated herein, forever in FEE SIMPLE.

AND Grantor will only warranty and forever defend the right and title to the Property unto Grantee against the claims of those persons claiming by, through or under Grantor only, but no others.

[*Remainder of page intentionally left blank*]

732795963.3

IN WITNESS WHEREOF, Grantor has caused this instrument to be executed and sealed the day and year first above written.

Signed, sealed and delivered in the presence of:

**GRANTOR:**

## HCPC Tentative Agenda 6.16.25

**From** Emily McGahee (Environmental Health) <emcgahee@hallcounty.org>
**Date** Tue 5/13/2025 9:01 AM
**To** Kaitlyn Elliott (Planning) <kelliott@hallcounty.org>; Katie L. Greenway (CDI: Planning) <klgreenway@hallcounty.org>; Beth Garmon (CDI: Planning) <bgarmon@hallcounty.org>
**Cc** Kelly Hairston (Environmental Health) <khairston@hallcounty.org>; Chad Harper (Environmental Health) <charper@hallcounty.org>

Item 1, 5183 Glen Forrest Drive, Ozoemena: All proposed structures must meet all residential permitting requirements and/or required setbacks to existing septic system.

Item 2, 5235/5241 Winder Hwy, Genuine Mapping: Must meet all Environmental Health commercial septic system permitting requirements. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation may be required after review of business plan.

Item 3, 3654 Friendship Rd, Taylor Morrison: No comment. Public sewer.

Item 4, 3654 Thompson Bridge Rd, Fifth Third Bank: No comment. Public sewer.

Items 5A/B, 2978 Athens Hwy, Mistry: Must meet all Environmental Health commercial septic system permitting requirements. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation may be required after review of business plan.

Item 6, 2620/2634 Barrett Rd, Dowdy: Must meet all Environmental Health commercial septic system permitting requirements if able to be permitted by Environmental Health. Environmental Health can only permit residential strength wastewater; therefore, non-domestic wastewater will be required to be disposed of through public sewer or an EPD permitted system. Further determination will be made during the civil plan review process.

Item 7, 5401 Old Winder Hwy, K2P Land Partners: No comment. Public sewer.

Item 8, 5401 Old Winder Hwy, K2P Land Partners: No comment. Public sewer.

**Date:** May 16, 2025

**Subject:** June 16, 2025 - Hall County Planning Commission Agenda

Please be advised that our office has reviewed the Hall County Planning Commission agenda for the June 16, 2025 meeting. Upon review, we provide the following comments.

**NEW BUSINESS**

1. **5183 Glen Forrest Drive | Variance to section 4.3 |** to reduce the minimum yards | on a 1.72± acre tract located on the south side of Glen Forrest Drive, approximately 1,363 feet from its intersection with Glen Forrest Court | Zoned R-1; Tax Parcel 15043K000021 **| Proposed Use: Bring an existing residence into compliance |** * Commission District 1 | **Chinyere Ozoemena, applicant**

a. **Engineering**: No comment
b. **Traffic:** No comment
c. **Utilities:** No sewer in area. Gainesville water

2. **5235 & 5241 Winder Highway | Variance to Section 6.2 |** GCOD Transitional Buffers | on a combined 1.47± acre traced located on the northeast side of Winder Highway, approximately 2,665 feet from its intersection with Howington Road | Zoned I-1; Tax Parcels 15028 000019 & 15028 000029 **| Proposed use: Office/warehouse |** *Commission District 1 **| Genuine Mapping & Design c/o Ben Drerup**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
Show stream buffer and impervious setback from wrested vegetation not centerline of stream

Show FEMA and Hall County studied Flood plains that are present on site.

b. **Traffic:** No comment
c. **Utilities:** Sanitary sewer is available to these via a force main on the south side of Winder Hwy. A pump station will be required.

3. **3654 Friendship Road, 3760, 3746 & 3778 Friendship Circle | Special Use |** to amend conditions of zoning | on a 116.04± acre tract located on the south side of Friendship Circle at its intersection with Friendship Place | Zoned PRD; Tax Parcels 15048 000008, 000007, 000025C, & 000204A **| Proposed use: Model homes & construction trailer |** **Commission District 1 | **Taylor Morrison of GA, LLC, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
Show stream buffer and impervious setback from wrested vegetation not centerline of stream
Show FEMA and Hall County studied Flood plains that are present on site.
b. **Traffic:** No comment
c. **Utilities:** The new Friendship Road gravity sewer line runs through this property. It is available for connection.

4. **3654 Thompson Bridge Road | Special Use |** to amend conditions of zoning | on a 1.37± acre tract located on the northeast side of Thompson Bridge Road, approximately 736 feet from its intersection with Southers Road | Zoned PCD; Tax Parcel 10104 000002 **| Proposed use: Financial Institution |** ** Commission District 2 | **Fifth Third Bank c/o Tammala Brooks, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
b. **Traffic:** No comment
c. **Utilities:** Gainesville sanitary sewer service area.

5. **(A) 2978 Athens Highway | Rezone |** from Light Industrial (I-1) to Highway Business (H-B) | on a 1.12± acre tract located on the southwest side of Athens Highway at its intersection with Baker Road | Zoned I-1; Tax Parcel 15023 000173 | **Proposed use: Convenience store with fuel sales** | ** Commission District 3 | **Asif Mistry, applicant**

**(B) 2978 Athens Highway | Special Use |** for fuel sales in GCOD | on a 1.12± acre tract located on the southwest side of Athens Highway at its intersection with Baker Road | Zoned I-1; Tax Parcel 15023 000173 **| Proposed use: Convenience store with fuel sales |** ** Commission District 3 | **Asif Mistry, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
b. **Traffic:** GDOT permit required for proposed Athens Hwy (SR 11/ US 129) access.
Proposed Baker Road access will need to meet Hall County commercial standards
c. **Utilities:** Sanitary sewer is only available at this site via a force main. A pump station will be required.

6. **2620 & 2634 Barrett Road | Rezone |** from Light Industrial (I-1) and Agricultural Residential 1 (AR-1) to Heavy Industrial (I-2) | on a combined 4.42± acre tract located on the southeast of Athens Highway, at its intersection with Barrett Road | Zoned I-1 & AR-1; Tax Parcels 15023A000037 & 15023A000007 | **Proposed use: Repackaging of processed animal products** | ** Commission District 3 | **Degaria Dowdy, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
b. **Traffic:** Driveways will need to meet County industrial standards
c. **Utilities:** No sanitary sewer service in area. Hall County/Gainesville shared service area.

7. **5401 Old Winder Highway | Rezone |** from Agricultural Residential 1 (AR-1) to Residential Multi-Family (R-MF) | on a 84.30± acre portion of a tract located on the east side of Old Winder Highway at its intersection with Pleasant Hill Lane | Zoned AR-1; Tax Parcel 15039A000007(pt) | **Proposed use: 700 unit residential development** | ** Commission District 1 | **K2P Land Partners, LLC, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage. Show stream buffer and impervious setback from wrested vegetation not centerline of stream
b. **Traffic:** GDOT comments required. GDOT approval and permit required for proposed Old Winder Hwy (SR 211) access.
We have questions regarding proposed parkway. This should be discussed with County Engineering. Additional comments may be necessary
c. **Utilities:** Hall County sanitary sewer runs through the site.

8. **5401 Old Winder Highway | Rezone |** from Agricultural Residential 1 (AR-1) to Light Industrial (I-1) | on a 194.10± acre portion of a tract located on the east side of Old Winder Highway at its intersection with Pleasant Hill Lane | Zoned AR-1; Tax Parcel 15039A000007(pt) **| Proposed use: Industrial park |** ** Commission District 1 | **K2P Land Partners, LLC, applicant**
9.

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage. Show stream buffer and impervious setback from wrested vegetation not centerline of stream
b. **Traffic:** GDOT comments required. GDOT approval and permit required for proposed Old Winder Hwy (SR 211) access.
We have questions regarding proposed parkway. This should be discussed with County Engineering. Additional comments may be necessary
c. **Utilities:** Hall County sanitary sewer runs through the site.

**June 16, 2025** Hall County Planning Commission Meeting

1. **2620 & 2634 Barrett Road | Rezone |** from Light Industrial (I-1) and Agricultural Residential 1 (AR-1) to Heavy Industrial (I-2) | on a combined 4.42± acre tract located on the southeast of Athens Highway, at its intersection with Barrett Road | Zoned I-1 & AR-1; Tax Parcels 15023A000037 & 15023A000007 | **Proposed use: Repackaging of processed animal products** | ** Commission District 3 | **Degaria Dowdy, applicant**
   Hall County Fire Marshal Comments:

   According to the Survey buildings 2620 and 2634 are classified as warehouses which would be classified according to Life Safety Code as Storage, the change of use will be to food handling and packaging which would be classified as industrial. Life Safety Code Section 43.7 Change of Use and Occupancy Classification requires all buildings to meet current fire code for the occupancy classification that the buildings will be used for, such as but not limited to the following 1) Installation of a fire protection system 2) Installation of a fire alarm system. 3) All 3 buildings will be required to meet the life safety code requirements of the occupancy that they are classified as before a passing life safety report will be issued. 4) ERRCS emergency responder radio communication system testing will be required in all 3 buildings to determine the emergency radio strength inside the structure. 5) Before any site development or building reconstruction occurs engineered / architectural plans will have to be submitted for review.

Regards,

## PUBLIC NOTICE REQUIREMENTS

Zoning regulations require that public notice must be given prior to all zoning hearings as follows:

1. The Planning Department shall publish a legal advertisement no less than fifteen (15) days and no more than forty-five (45) days prior to the public hearing.

2. The Planning Department shall send notification by letter of all other property owners within a 500-foot radius of the applicant's property is standard administrative policy of the Planning Department.

3. The applicant/property owner shall place the public notice sign in a conspicuous location on the property not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing.

**The Planning Department shall post the legal advertisement and notify property owners within a 500ft radius to the subject property.**

**The applicant is required to post the public notice sign not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing. A photo of the sign placed at the location is required and must be sent to the Planning Department.**

Multiple sign postings on a site may be required as determined by the Planning Department. The sign must be in a location where it is clearly visible from the roadway. The sign cannot be obstructed in any manner, placed too far from the road, or placed in such manner as would cause it to blend into the landscape.

Should you find the sign missing or vandalized in any manner, contact the Planning Department for a replacement sign. When the proceeding is complete and final Board action has occurred, the sign shall then be removed from the property by the applicant.

**THE ZONING SIGN MUST BE POSTED NO EARLIER THAN MAY 09, 2025 AND NO LATER THAN MAY 18, 2025.**

**THE ORGINAL SIGNED AFFIDAVIT MUST BE AND RETURNED TO THE PLANNING DEPARTMENT NO LATER THAN MAY 18, 2025 ALONG WITH A MINIMUM OF ONE PHOTO SHOWING THE SIGN POSTED AT THE SUBJECT PROPERTY.**

**Failure to comply will result in a delay of the application.**

---

## AFFIDAVIT

**By my signature, I,** DeSara Dowdy (Please Print Name), **hereby acknowledge that I have read and understand the sign posting requirements. I further certify that the required public notice sign was posted on** May 13, 2025 (Date) for _____ (Name application filed as).

**Cc:** Zachary Propes (Administration); John Gentry (Administration); Jennifer Rivera (Administration); Kaitlyn Elliott (Planning)
**Subject:** 2620/2634 Barrett Road - Request to Table and Supplemental Info

Good afternoon, Commissioners.

Please be aware that Degaria Dowdy has requested to table her rezoning request from this Thursday to August 14, 2025.

Also, Ms. Dowdy provided some additional information for your consideration:

- The property utilizes a customized trash compactor system designed specifically for efficient and sanitary waste disposal. The waste management process includes freezing solid waste to prevent decomposition and odor. A licensed waste disposal company is contracted to transport and dispose of the waste on a weekly basis.
- There will not be any detectable odor, as the combination of freezing technology and the use of iodine-based odor neutralization effectively eliminates any potential smells at the source.
- The property is served by a septic system that is appropriately sized and equipped to support the operational demands of the business. The system was last professionally serviced in January 2025 and is maintained in accordance with local health and environmental standards.

Jennifer, would you please add this information to the application file?

As always, please let me know if you have any questions.

Thank you,
Beth

# AGENDA ITEM

**Public Hearing to amend Hall County's Zoning Map as follows:**

---

| | |
|---|---|
| **REPORT TO:** | **Work Session (08/11/25)** |
| **REPORT TO:** | **Voting Meeting (08/14/25)** |
| **ITEM NO:** | 453/2025 |
| **SUBJECT:** | **3024 Dale Road \| Amend Conditions of Zoning \|** on a 36.90± acre tract located on the north side of Dale Road at its intersection with Candler Road \| Zoned I-1 (GCOD); Tax Parcel 15025 000006 \| **Proposed Use: Outdoor storage** \| Commission District 3 \| **Rochester \| DCCM, applicant** |

---

## Meetings:

**Work Session Date:** 08/11/25 **Voting Meeting Date:** 08/14/25

## Executive Summary:

**Presenter:** BG
**Recommendation:**

Approval, with conditions

1. Phase 1 development of the property shall be identified and approved as follows: the property shall be used only for outdoor storage of shipping containers and transportation trailers. Shipping containers shall be stacked no higher than 1 unit tall with no more than 2 units per space. No other outdoor storage as described in the Unified Development Code of Hall County shall be allowed.
2. At the end of 48 months after the date of final approval by the Board of Commissioners, the approved uses of storage of shipping containers and transportation trailers shall expire.
3. The development shall allow two curb cuts on Candler Road, subject to GDOT approval. No driveway will be allowed on Dale Road.
4. The development of the property beyond Phase 1 shall not include any proposed uses not permitted based on the regulations of the Light Industrial zoning district and the Gateway Corridor Overlay District. Such uses shall only be authorized in accordance with the process(es) identified in the Unified Development Code, except as shown on the site plan and amended through final zoning conditions approved by the Board of Commissioners.
5. Building specifications shall be as follows for any phase beyond Phase 1 of the development:
    a. Main Building shall be concrete tilt-up construction or steel frame construction with 3-sided brick similar to submitted photos with a maximum height of 55 feet.
    b. The Smaller Building in the rear shall be steel frame construction with 3-sided brick or stone with the option of cementitious siding. The building may be one or two stories with a maximum height of 40 feet.
6. There shall be a 50 foot undisturbed landscape buffer along the right-of-way of Dale Road, as shown on the site plan. The buffer will reduce to 25 feet where it intercepts the Jackson EMC easement and be located on the development side of the easement. This standard shall apply to all phases of the development.
7. There shall be a 100 foot undisturbed buffer along the southwestern property line. This standard shall apply to all phases of the development.
8. Outdoor storage areas located within the Gateway Corridor as shown on the site plan, will be screened to Hall County buffer requirements along the roadway frontages. Outdoor storage areas located at the rear of buildings shall not require screening. This standard shall apply to all phases beyond Phase 1 of the development.
9. The developer will utilize non-spill lighting on the site. This standard shall apply to all phases of the development.
10. The developer will install an 8 foot tall white PVC fence along the frontage adjacent to Candler Road and Dale Road at the development side of the edge of the buffer specified in condition #6 above. All other fencing may be 6 foot tall vinyl-coated chain link fence with opaque slats or alternative fencing with the same degree of opacity. This standard shall apply to all phases of the development and in accordance with the approved concept plans.
11. During construction of the site, the developer shall conduct any required blasting operations in accordance with all state and local ordinances. This standard shall apply to all phases of the development.
12. To improve sight distance, the developer shall clear the corner of the site between the relocated Jackson EMC transmission line and Dale Road right-of-way.
13. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering. This standard shall apply to all phases of the development.
14. All conditions of zoning shall be made a part of any plats or construction plans created for the property.
15. Phase 1 development shall require storage areas to be paved with asphalt or concrete wherever these areas fall within 300 feet of the centerline of Candler Road. No gravel shall be permitted in these areas.
16. The hours of operation shall be limited to 6:30 am to 7:00 pm Monday through Saturday.

**Purpose of Request:**

**3024 Dale Road | Amend Conditions of Zoning |** on a 36.90± acre tract located on the north side of Dale Road at its intersection with Candler Road | Zoned I-1 (GCOD); Tax Parcel 15025 000006 | **Proposed Use: Outdoor storage** | Commission District 3 | **Rochester | DCCM, applicant**

# Hall County Government
PLANNING AND ZONING

**To:** David Gibbs, Chairman
Kathy Cooper, District 1 Commissioner
Billy Powell, District 2 Commissioner
Gregg Poole, District 3 Commissioner
Jeff Stowe, District 4 Commissioner

**From:** Beth Garmon, Director of Planning & Zoning

**Date:** July 28, 2025

**Subject:** **3024 Dale Road | Special Use** | to amend conditions of zoning | on a 36.90± acre tract | Zoned I-1 (GCOD); Tax Parcel 15025 000006 | **Proposed Use: Outdoor storage | Rochester | DCCM, applicant**

---

The request before you is from Rochester | DCCM for a special use to amend conditions of zoning for outdoor storage. This item is located within Commission District 3.

At their July 7, 2025 meeting, the Hall County Planning Commission voted to recommend **approval, with sixteen (16) conditions (3-1, Davidson opposed).**

Staff recommendation: **Denial**, as the proposed use is not consistent with the Rural Scenic Nodes & Corridors future land use classification within the Comprehensive Plan.

There were **no comments submitted** in advance of the Planning Commission meeting and **two (2) people spoke in opposition during the public hearing.**

**Planning Commission Conditions:**

1. Phase 1 development of the property shall be identified and approved as follows: the property shall be used only for outdoor storage of shipping containers and transportation trailers. Shipping containers shall be stacked no higher than 1 unit tall with no more than 2 units per space. No other outdoor storage as described in the Unified Development Code of Hall County shall be allowed.

2. At the end of 48 months after the date of final approval by the Board of Commissioners, the approved uses of storage of shipping containers and transportation trailers shall expire.

3. The development shall allow two curb cuts on Candler Road, subject to GDOT approval. No driveway will be allowed on Dale Road.

4. The development of the property beyond Phase 1 shall not include any proposed uses not permitted based on the regulations of the Light Industrial zoning district and the Gateway Corridor Overlay District. Such uses shall only be authorized in accordance with the process(es) identified in the Unified Development Code, except as shown on the site plan and amended through final zoning conditions approved by the Board of Commissioners.

5. Building specifications shall be as follows for any phase beyond Phase 1 of the development:
    a. Main Building shall be concrete tilt-up construction or steel frame construction with 3-sided brick similar to submitted photos with a maximum height of 55 feet.
    b. The Smaller Building in the rear shall be steel frame construction with 3-sided brick or stone with the option of cementitious siding. The building may be one or two stories with a maximum height of 40 feet.

6. There shall be a 50 foot undisturbed landscape buffer along the right-of-way of Dale Road, as shown on the site plan. The buffer will reduce to 25 feet where it intercepts the Jackson EMC easement and be located on the development side of the easement. This standard shall apply to all phases of the development.

7. There shall be a 100 foot undisturbed buffer along the southwestern property line. This standard shall apply to all phases of the development.

8. Outdoor storage areas located within the Gateway Corridor as shown on the site plan, will be screened to Hall County buffer requirements along the roadway frontages. Outdoor storage areas located at the rear of buildings shall not require screening. This standard shall apply to all phases beyond Phase 1 of the development.

9. The developer will utilize non-spill lighting on the site. This standard shall apply to all phases of the development.

10. The developer will install an 8 foot tall white PVC fence along the frontage adjacent to Candler Road and Dale Road at the development side of the edge of the buffer specified in condition #6 above. All other fencing may be 6 foot tall vinyl-coated chain link fence with opaque slats or alternative fencing with the same degree of opacity. This standard shall apply to all phases of the development and in accordance with the approved concept plans.

11. During construction of the site, the developer shall conduct any required blasting operations in accordance with all state and local ordinances. This standard shall apply to all phases of the development.

12. To improve sight distance, the developer shall clear the corner of the site between the relocated Jackson EMC transmission line and Dale Road right-of-way.

13. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing

departments, including, but not limited to the Fire Marshal and Hall County Engineering. This standard shall apply to all phases of the development.

14. All conditions of zoning shall be made a part of any plats or construction plans created for the property.

15. Phase 1 development shall require storage areas to be paved with asphalt or concrete wherever these areas fall within 300 feet of the centerline of Candler Road. No gravel shall be permitted in these areas.

16. The hours of operation shall be limited to 6:30 am to 7:00 pm Monday through Saturday.

**Vote: 3-1 (Davidson opposed)**

***Planning Commission Conditions:***

1. Phase 1 development of the property shall be identified and approved as follows: the property shall be used only for outdoor storage of shipping containers and transportation trailers. Shipping containers shall be stacked no higher than 1 unit tall with no more than 2 units per space. No other outdoor storage as described in the Unified Development Code of Hall County shall be allowed.

2. At the end of 48 months after the date of final approval by the Board of Commissioners, the approved uses of storage of shipping containers and transportation trailers shall expire.

3. The development shall allow two curb cuts on Candler Road, subject to GDOT approval. No driveway will be allowed on Dale Road.

4. The development of the property beyond Phase 1 shall not include any proposed uses not permitted based on the regulations of the Light Industrial zoning district and the Gateway Corridor Overlay District. Such uses shall only be authorized in accordance with the process(es) identified in the Unified Development Code, except as shown on the site plan and amended through final zoning conditions approved by the Board of Commissioners.

5. Building specifications shall be as follows for any phase beyond Phase 1 of the development:
    a. Main Building shall be concrete tilt-up construction or steel frame construction with 3-sided brick similar to submitted photos with a maximum height of 55 feet.
    b. The Smaller Building in the rear shall be steel frame construction with 3-sided brick or stone with the option of cementitious siding. The building may be one or two stories with a maximum height of 40 feet.

6. There shall be a 50 foot undisturbed landscape buffer along the right-of-way of Dale Road, as shown on the site plan. The buffer will reduce to 25 feet where it intercepts the Jackson EMC easement and be located on the development side of the easement. This standard shall apply to all phases of the development.

7. There shall be a 100 foot undisturbed buffer along the southwestern property line. This standard shall apply to all phases of the development.

8. Outdoor storage areas located within the Gateway Corridor as shown on the site plan, will be screened to Hall County buffer requirements along the roadway frontages. Outdoor storage areas located at the rear of buildings shall not require screening. This standard shall apply to all phases beyond Phase 1 of the development.

9. The developer will utilize non-spill lighting on the site. This standard shall apply to all phases of the development.

10. The developer will install an 8 foot tall white PVC fence along the frontage adjacent to Candler Road and Dale Road at the development side of the edge of the buffer specified in condition #6 above. All other fencing may be 6 foot tall vinyl-coated chain link fence with opaque slats or alternative fencing with the same degree of opacity. This standard shall apply to all phases of the development and in accordance with the approved concept plans.

11. During construction of the site, the developer shall conduct any required blasting operations in accordance with all state and local ordinances. This standard shall apply to all phases of the development.

12. To improve sight distance, the developer shall clear the corner of the site between the relocated Jackson EMC transmission line and Dale Road right-of-way.

13. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering. This standard shall apply to all phases of the development.

14. All conditions of zoning shall be made a part of any plats or construction plans created for the property.

15. Phase 1 development shall require storage areas to be paved with asphalt or concrete wherever these areas fall within 300 feet of the centerline of Candler Road. No gravel shall be permitted in these areas.

16. The hours of operation shall be limited to 6:30 am to 7:00 pm Monday through Saturday.

**Excerpts from the minutes of the July 7, 2025 meeting**

***Applicant's Presentation:***

**Vamsee Polamarasetty, Planner,** presented a summary of the request.

**Bradley Dunckel, 425 Oak Street, Gainesville,** presented the request. The applicant has submitted two concurrent requests as part of a proposed industrial development: (A) special use to amend conditions of zoning to allow for outdoor storage of transportation trailers and shipping containers; and (B) a variance request to parking lot design standards of the Gateway Corridor Overlay District (GCOD) (6.2.5.C.2.d) to allow a surface of graded aggregate base (GAB) where asphalt, concrete or Director-approved pervious materials are required. The subject property measures approximately 36.90± acres and is zoned Light Industrial (I-1). The property falls within the Gateway Corridor Overlay District (GCOD).

The subject property was rezoned on June 9, 2022, from Agricultural Residential IV (AR-IV) to Light Industrial (I-1) to allow light industrial uses (ZON2022-00005) subject to 12 conditions.

***Public Forum:***

**Tony Towe, 3032 Dale Road, Gainesville,** spoke in opposition. Mr. Towe is concerned this property will become a truck stop. Other concerns raised were the condition and maintenance of the fencing over time, increased traffic during all hours, the proximity to a school zone, and the contrast to the current local character. Mr. Towe requests that the applicant be required to follow all GCOD standards to ensure an aesthetically pleasing property near the adjacent residences.

**Mary Nealis, 3039 Dale Road, Gainesville,** spoke in opposition. Concerns raised were the extent of gravel parking which would also cause a lot of dust in the air, an increase in traffic, and questioned whether the proposed landscaping and fencing would be sufficient during the winter months to limit the property's visibility.

***Rebuttal***

The applicant clarified this property would not be a truck stop but only used for the storage of trailers and containers. The applicant stated that the proposed fencing is similar to surrounding outdoor storage facilities, but they are open to other specifications. The applicant also stated that the proposed gravel parking was approved as part of the original zoning conditions and they wished to maintain this standard.

***Planning Commission Comments:***

Mr. Hunt stated the zoning precedence for the use has been set with the original approval in 2022. Mr. Hunt stated he would be agreeable to an 8 foot tall opaque fence along Candler Road and Dale Road and similar fencing of 6 foot height around the rest of the property. Mr. Hunt referenced the GCOD standard of having asphalt or concrete paving 300 feet from the road centerline and that gravel parking could be permitted at the back of the property beyond these limits. Mr. Hunt asked the applicant how high they intended to stack the shipping containers. The applicant stated they intended to stack two containers high. Mr. Hunt asked for the proposed hours of operation, and the applicant stated they did not have set hours but were open to what had already been approved at the previous zoning approval. Mr. Hunt and Mr. Sosebee proposed 6:30 am to 7:00 pm and the applicant stated they would try to work within those parameters. Mr. Hunt asked for the time frame of how long the trailers and containers would be stored and the applicant stated it would be dependent on whether they were coming in from a job site or leaving. Mr. Hunt asked if this would be an individual lot rental and the applicant confirmed it would be.

Mr. Hunt asked Ms. Garmon, Director of Planning and Zoning, if the future development would need to follow the original zoning conditions. Ms. Garmon stated the conditions must be upheld unless they were amended by the board. Mr. Davidson asked if the storage facility was designed to accommodate the Inland Port, and the applicant stated that would be the main source for demand. Mr. Hunt questioned whether the intent of the storage facility would be to drop-off and leave and whether anyone would be permitted after hours. Mr. Braswell asked what type of lighting would be used. The applicant stated there would be typical security lighting. Mr. Braswell stated the lighting would have to follow the low-level, non-spill, semi-cut off lighting within GCOD standards. Mr. Braswell asked how many parking spaces are shown on the site plan. The applicant stated there were 230 spaces. Mr. Sosebee asked what the maximum capacity of storage would be and the applicant explained it would be limited to the 230 spaces shown on the site plan. The Planning Commission discussed limiting spaces, what would be allowed in a single space, and requiring the applicant to revise a note on the site plan identifying semi-truck parking.

Mr. Braswell explained to the applicant that any required revisions to the concept plan based on the zoning conditions shall be subject to the approval of the Director of Planning and Zoning before the request goes before the Board of Commissioners. The amended site plan must be submitted to the Director for review within 10 business days of the Planning Commission's recommendation. If the amended site plan is not submitted by the specified date, then the application shall be remanded back to the Planning Commission.

***A***
***Motion:*** ***A motion to approve, with conditions was made by Stan Hunt and seconded by Frank Sosebee. Vote: 3-1 (Davidson opposed)***

***B***
***Motion:*** ***A motion to approve, with conditions was made by Stan Hunt and seconded by Frank Sosebee. Vote: 3-1 (Davidson opposed)***

Conditions:

1. Phase 1 development of the property shall be identified and approved as follows: the property shall be used only for outdoor storage of shipping containers and transportation trailers. Shipping containers shall be stacked no higher than 1 unit tall with no more than 2 units per space. No other outdoor storage as described in the Unified Development Code of Hall County shall be allowed.

2. At the end of 48 months after the date of final approval by the Board of Commissioners, the approved uses of storage of shipping containers and transportation trailers shall expire.

3. The development shall allow two curb cuts on Candler Road, subject to GDOT approval. No driveway will be allowed on Dale Road.

4. The development of the property beyond Phase 1 shall not include any proposed uses not permitted based on the regulations of the Light Industrial zoning district and the Gateway Corridor Overlay District. Such uses shall only be authorized in accordance with the process(es) identified in the Unified Development Code, except as shown on the site plan and amended through final zoning conditions approved by the Board of Commissioners.

5. Building specifications shall be as follows for any phase beyond Phase 1 of the development:
    a. Main Building shall be concrete tilt-up construction or steel frame construction with 3-sided brick similar to submitted photos with a maximum height of 55 feet.
    b. The Smaller Building in the rear shall be steel frame construction with 3-sided brick or stone with the option of cementitious siding. The building may be one or two stories with a maximum height of 40 feet.

6. There shall be a 50 foot undisturbed landscape buffer along the right-of-way of Dale Road, as shown on the site plan. The buffer will reduce to 25 feet where it intercepts the Jackson EMC easement and be located on the development side of the easement. This standard shall apply to all phases of the development.

7. There shall be a 100 foot undisturbed buffer along the southwestern property line. This standard shall apply to all phases of the development.

8. Outdoor storage areas located within the Gateway Corridor as shown on the site plan, will be screened to Hall County buffer requirements along the roadway frontages. Outdoor storage areas located at the rear of buildings shall not require screening. This standard shall apply to all phases beyond Phase 1 of the development.

9. The developer will utilize non-spill lighting on the site. This standard shall apply to all phases of the development.

10. The developer will install an 8 foot tall white PVC fence along the frontage adjacent to Candler Road and Dale Road at the development side of the edge of the buffer specified in condition #6 above. All other fencing may be 6 foot tall vinyl-coated chain link fence with opaque slats or alternative fencing with the same degree of opacity. This standard shall apply to all phases of the development and in accordance with the approved concept plans.

11. During construction of the site, the developer shall conduct any required blasting operations in accordance with all state and local ordinances. This standard shall apply to all phases of the development.

12. To improve sight distance, the developer shall clear the corner of the site between the relocated Jackson EMC transmission line and Dale Road right-of-way.

13. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering. This standard shall apply to all phases of the development.

14. All conditions of zoning shall be made a part of any plats or construction plans created for the property.

15. Phase 1 development shall require storage areas to be paved with asphalt or concrete wherever these areas fall within 300 feet of the centerline of Candler Road. No gravel shall be permitted in these areas.

16. The hours of operation shall be limited to 6:30 am to 7:00 pm Monday through Saturday.

---

**Staff recommends <u>DENIAL</u> of the applicant's request. However, if the Planning Commission chooses to approve this request, staff recommends the following conditions:**

1. The property shall be developed in accordance with the site plan dated May 14, 2025, and as described in the project narrative dated June 9, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.

2. The development shall be allowed two curb cuts on Candler Road, subject to GDOT approval. No driveway will be allowed on Dale Road.

3. Any proposed uses not permitted based on the regulations of the Light Industrial zoning district and the Gateway Corridor Overlay District shall only be authorized in accordance with the process(es) identified in the Unified Development Code, except as shown on the site plan and amended through final zoning conditions approved by the Board of Commissioners.

4. Building specifications shall be as follows:
    a. Main Building – concrete tilt-up construction or steel frame construction with 3-sided brick similar to submitted photos. Maximum height of 55'.
    b. Smaller Building - steel frame construction with 3-sided brick or stone with the option of cementitious siding. The building may be one or two stories with a maximum height of 40'.

5. There shall be a 50 foot undisturbed landscape buffer along the right-of-way of Dale Road, as shown on the site plan. The buffer will reduce to 25 feet where it intercepts the Jackson EMC easement and be located on the development side of the easement.

6. There shall be a 100 foot undisturbed buffer along the southwestern property line.

7. Outdoor storage areas located within the Gateway Corridor as shown on the site plan, will be screened to Hall County buffer requirements along the roadway frontages. Outdoor storage areas located at the rear of buildings shall not require screening.

8. The developer will utilize non-spill lighting on the site.

9. The developer will install a 6 foot tall vinyl coated chain link fence with opaque slats or alternative fencing with the same degree of opacity along the Dale Road frontage at the development side of the edge of the buffer specified in condition #5 above and along the top of the slope of the proposed outdoor storage area. The developer will also install a 6 foot tall vinyl coated chain link fence with opaque slats or alternative fencing with the same degree of opacity along the top of the slope on one side of the outdoor storage area above the detention pond behind the main building as shown on the same site plan. All other fencing may be galvanized chain link. Installation and location of additional fencing shall be at the developer's discretion.

10. During construction of the site, the developer shall conduct any required blasting operations in accordance with all state and local ordinances.

11. To improve sight distance, the developer shall clear the corner of the site between the relocated Jackson EMC transmission line and Dale Road right-of-way.

12. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering.

13. All conditions of zoning shall be made a part of any plats or construction plans created for the property.

---

**The following is a variance requested by the applicant, and shall warrant further determination by the Board should it choose to approve the submitted narrative and site plan:**

**Section 6.2.5.C.2.d – Parking Lot Design** - All parking areas must be paved with asphalt, concrete or pervious materials approved by the Director.

- The applicant proposes gravel surface (graded aggregate base, GAB) for outdoor storage/parking areas in the Phase 1 development. **This does not meet the standard.**

---

**Summary Analysis**

The applicant has submitted two concurrent requests as part of a proposed industrial development: (A) special use to amend conditions of zoning to allow for outdoor storage of transportation trailers and shipping containers; and (B) a variance request to parking lot design standards of the Gateway Corridor Overlay District (GCOD) (6.2.5.C.2.d) to allow a surface of graded aggregate base (GAB) where asphalt, concrete or Director-approved pervious materials are required. The subject property measures approximately 36.90± acres and is zoned Light Industrial (I-1). The property falls within the Gateway Corridor Overlay District (GCOD).

The subject property was rezoned on June 9, 2022, from Agricultural Residential IV (AR-IV) to Light Industrial (I-1) to allow light industrial uses (ZON2022-00005) subject to the following conditions:

1. The development shall conform substantially to the updated site plan.
2. Outdoor storage shall be screened from the Candler Road and Dale Road rights of way by a solid fence or wall at least 8 feet in height. These fences/walls may be removed when the outdoor storage component is eliminated and upon completion of Phase 2 development.
3. The development shall be allowed two curb cuts on Candler Road, subject to GDOT approval. No driveway will be allowed on Dale Road.
4. Any proposed uses not permitted based on the regulations of the I-I and Gateway Corridors Overlay Districts shall only be authorized in accordance with the process(es) identified in the Zoning Ordinance, except as shown on the site plan and amended through final zoning conditions approved by the Board of Commissioners.
5. Applicant proposes to utilize building materials and height as follows:
    a. Main Building – concrete tilt-up construction or steel frame construction with 3-sided brick similar to submitted photos. Maximum Height of 55 feet.
    b. Smaller Building - steel frame construction with 3-sided brick or stone with the option of cementitious siding. The building may be one or two stories with a maximum height of 40 feet.
6. There shall be a 50 foot wide undisturbed landscape buffer along the right-of-way of Dale Road, as shown on the site plan. The buffer will reduce to a 25 foot landscape buffer where it intercepts the Jackson EMC easement and will be located on the development side of the easement.
7. There shall be a 100 foot wide undisturbed buffer along the southwestern property line, as shown on the site plan.
8. Outdoor storage areas, located within the Gateway Corridor as shown on the site plan, will be screened to Hall County buffer requirements along the roadway frontages. Outdoor storage areas, located at the rear of buildings shall not require screening.
9. The developer will utilize non-spill lighting on the site.
10. The developer will install a 6’ vinyl coated chain link fence with opaque slats or alternative fencing with the same degree of opacity along the Dale Road frontage at the development side of the edge of the buffer specified in condition #5 above and along the top of the slope of the proposed outdoor storage area, as shown on the site plan. The developer will also install a 6’ vinyl coated chain link fence with opaque slats or alternative fencing with the same degree of opacity along the top of the slope on one side of the outdoor storage area above the detention pond behind the main building as shown on the site plan. All other fencing may be galvanized chain link. Installation and location of additional fencing shall be at the developer’s discretion.
11. During construction of the site, the developer shall conduct any required blasting operations in accordance with all state and local ordinances.

12. To improve site distance, the developer shall clear the corner of the site, between the Jackson EMC transmission line and Dale Road right-of-way.

A land disturbance permit (LDP) was issued on April 2, 2024, for the development of a 150,000 square foot warehouse building with associated parking, gravel storage area behind the building, septic system, graded pad for future development, and stormwater management facilities (HDEV23-0102), consistent with the conditions of the previous rezoning (ZON2022-00005). The permit was renewed on April 2, 2025.

The surrounding properties are zoned and developed as outlined below:

North: Agricultural Residential 1 (R-1): Undeveloped
South: Agricultural Residential 1 (AR-1): Developed with a mobile home and several accessory structures.
East: Heavy Industrial (I-2): Developed with a quarry and asphalt plant.
West: Agricultural Residential 1 (AR-1) & Residential 1 (R-1): Developed with single-family residences.

Per the submitted narrative, the current owner proposes to amend conditions of zoning to allow a Phase 1 development that would consist of outdoor storage of transportation trailers and shipping containers. This business would operate 7 days a week, 24 hours a day. Phase 2 development would remain consistent with the previous approval (ZON2022-00005). No timeline is provided specifying when the transition will occur from Phase 1 to Phase 2.

Per the narrative, the applicant is concurrently requesting a variance from the parking lot design standards of the Gateway Corridor Overlay District (GCOD) to allow a surface of graded aggregate base (GAB) where asphalt, concrete or Director-approved pervious materials are required (6.2.5.C.2.d). Gravel surface is proposed for the entirety of the developed portion of the site where the parking of transportation trailers and shipping containers will occur. The applicant proposes a 10 foot wide landscape strip and 6 foot tall privacy fence adjacent to the Candler Road right-of-way and a 25 foot wide landscape strip and 6 foot tall privacy fence adjacent to the Dale Road right-of-way. All other buffers, fencing and screening will remain part of the development standards in accordance with the previous approval. The applicant requests that the removal of the wooden privacy fence along Candler Road be permitted after Phase 2 development occurs. No buildings are proposed for Phase 1.

Water service will be provided by the City of Gainesville Department of Water Resources. Sanitary sewer service will be provided by an on-site septic system.

**Based on the future land use plan, staff finds the special use request *is not consistent* with the Comprehensive Plan's future land use classification of Rural Scenic Nodes & Corridors.** This future land use designation states that the county's rural roadways boast significant natural, historic, or cultural features, and scenic or pastoral views. To balance that with necessary growth, new development along these minor road corridors and intersections should be limited to low-intensity, small-scale commercial uses to serve nearby communities, and well as agricultural uses of all scales. Where there is residential development, the density should be up to 0.75 dwellings per acre. Within this Chestnut Mountain Candler Character Area, compatible zoning districts include Agricultural 1 (AG-1), Agricultural Residential 1 (AR-1), Office and Institutional (O-I), Suburban Shopping (S-S), Planned Commercial Development (PCD).

**(A) Zoning Analysis – Special Use**

When considering a zoning amendment to the zoning maps, the Planning Commission must study the need and justification for the change based on a determination of the facts applicable to the particular case, and the following general lines of inquiry must be considered:

a) Whether the zoning proposal will permit a use that is suitable in view of the use, development and zoning of adjacent and nearby property; **The proposal is not suitable in view of the use, development, and zoning of adjacent and nearby properties as many adjacent parcels are zoned agricultural residential (AR-1) and Residential (R-1). The proposed use of the property is not in line with the future land use plan or permitted uses within the Gateway Corridor Overlay District; however, property across Candler Road is zoned Heavy Industrial (I-2) and is developed with a quarry and asphalt plant.**

b) Whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby property; **It is difficult to anticipate whether the expanded use would adversely affect adjacent or nearby property.**

c) Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned; **The property has reasonable economic use as currently zoned.**

d) Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, schools, police protection, fire protection, public health facilities or emergency medical service; **If approved, the use is not anticipated to cause an excessive or burdensome use of the existing streets, transportation facilities, utilities, schools, police protection, fire protection, public facilities, or emergency medical service. The property is served by City of Gainesville public water.**

e) Whether the zoning proposal is in conformity with the policy and intent of the future land use plan for the physical development of the area; **The proposed use is not consistent with the Comprehensive Plan and the Rural Scenic Nodes & Corridors future land use designation which supports limited to low-intensity, small-scale commercial uses to serve nearby communities and agricultural uses of all scales.**

f) The extent to which property values are diminished by the existing zoning restrictions; **Staff is unable to determine the extent to which property values are affected by the existing zoning restrictions.**

g) The extent to which the destruction of the subject property's value under the existing zoning promotes the health, safety, morals or general welfare of the public; **Staff is unable to comment on the impact of property values without a full market analysis. Multiple factors impact property values including construction types, proposed uses, and maintenance. Often it is difficult to determine the effect of a development on adjacent properties until the development is completed.**

h) The relative gain to the public as compared to the hardship imposed upon the individual property owner; **Staff has not identified a hardship imposed on the property owner as the property is currently zoned.**

i) The length of time the property has been vacant as zoned considered in the context of land development in the area in the vicinity of the property; **The property was rezoned to Light Industrial (I-1) on June 9, 2022, (ZON2022-00005) and a land disturbance permit (LDP) renewed on April 2, 2025 (HDEV23-0102). Grading of the site has commenced.**

j) Whether there are other existing or changing conditions affecting the use or development of the property which give supporting grounds for either approval or disapproval of the zoning proposal; **Staff is not aware of any changing conditions affecting the use or development of the property.**

k) Whether the change would create an isolated district unrelated to the surrounding districts; **This question is not applicable as there are no proposed changes to the zoning classification.**

l) Whether the present zoning district boundaries are illogically drawn in relation to existing conditions in the area; **There is no evidence that the present zoning district boundaries are illogically drawn.**

m) Whether the change requested is out of scale with the needs of the county as a whole or the immediate neighborhood; **Staff is unable to determine whether the requested change is out of scale with the needs of the county as a whole.**

n) Whether it is impossible to find adequate sites for the proposed use in districts permitting such use and already appropriately zoned; **The proposed use of outdoor storage requires approval by the Board of Commissioners for any parcel located in the Gateway Corridor Overlay District (GCOD).**

o) Whether the need for rezoning could be handled instead by a variance request to the Planning Commission; **The request could not be handled alternatively as a variance.**

p) Whether there would be an ecological or pollution impact resulting from major modifications to the land if the request is granted; **Any land disturbance activities on the property shall be required to go through the land development permitting process, and as a result are subject to local, state, and federal regulations. As a result, there are no anticipated ecological or pollution impacts resulting from any modification to the land if the request is granted.**

q) Whether there is reasonable evidence based upon existing and anticipated land use that would indicate a mistake was made in the original zoning of the property; **There is no indication that a mistake was made in the original zoning.**

**(B) <u>Zoning Analysis</u> – Variance to Section 6.2**

The Planning Commission may grant variances in individual cases of unnecessary hardship upon a finding of the board that:

1. There are extraordinary and exceptional conditions pertaining to the particular lot in question because of its size, shape, or topography (the hardship must relate to the physical character of the lot and not to a personal or economic hardship); **No, there are no extraordinary conditions pertaining to the physical character of the lot to prevent the project design from meeting development standards.**

2. The application of the requirements of this UDC to this particular piece of property would create an unusual hardship; **No evidence has been provided that an unusual hardship exists to prevent the development from complying with parking requirements.**

3. Such conditions are peculiar to the property involved and are not common to other properties in the neighborhood; **There are no conditions peculiar to the subject property that are not common to other properties in the neighborhood.**

4. Such conditions are not the result of any actions of the property owner; **As the subject parcel is undeveloped, the project can be designed to comply with development standards.**

5. Relief, if granted, would not cause substantial detriment to the public good or impair the purposes and intent of this UDC; provided, however, that no variance may be granted for a use of land or building or structure that is prohibited by this UDC or for a Conditional Use Permit which has been denied by the Planning Commission. **Relief, if granted, may impair the purposes and intent of the Unified Development Code of Hall County as the intent of the Gateway Corridor Overlay District is to encourage development projects that set standards for landscaping, community design and aesthetics.**

**11.2.6.E - Submission requirements**

1. Any person or persons requesting a change in the official zoning map or use subject to approval of the County Commission must file an application with a plat or map of the property attached thereto, together with payment of such fees set forth in this Sec 11.2. to cover administrative and advertising costs, in the Planning and Zoning Department office. Such person or persons or their authorized agent must appear in person at the public hearing held to consider the district change. **The proposal meets the requirement. The applicant has paid the appropriate fees and understands that someone must be present at both the Hall County Planning Commission meeting and the voting meeting of the Hall County Board of Commissioners.**

2. All applications for a change of zoning classification or use subject to approval of the County Commission must include:

    a. A narrative statement identifying the existing and proposed use of the property and addressing each of the criteria set forth in this Sec. 11.2. **The proposal provides a narrative outlining the intent of the development; however, the applicant has not prepared a response to each of the criteria listed in 11.2.6.E.2.**

    b. A site plan drawn to scale designating the area covered by the application and identifying existing and proposed buildings and uses, adjacent existing land uses, zoning on contiguous parcels, including those across an abutting public right-of-way, and any other significant site improvements proposed to accommodate the proposed use or buffer adjacent uses, etc., or

a plat of the subject property where no specific land use is proposed. In cases where only a plat or map is provided and no land use is proposed, the Planning Commission and County Commission may evaluate the application based on the most intense possible land use permitted in the proposed district**. The proposal meets the requirement.**

c. For any application for a slow rate land treatment system as defined in 7.6.9.D.1, additional requirements apply. **This standard is not applicable to the applicant's request**

d. For any application proposing the development of 100 or more residential dwelling units, a traffic impact study must be submitted prior to consideration of the application by the County Commission. At the applicant's expense, the traffic impact study must be prepared by a professional engineer in accordance with requirements established by the Hall County Engineering Department. The Engineering Department must review the traffic impact study and forward any comments to the County Commission. **This standard is not applicable to the applicant's request.**

**Development Support and Constraints**

**Hall County Environmental Health**
In an email dated June 5, 2025, Emily McGahee stated, "Must meet all Environmental Health commercial septic system permitting requirements. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation may be required after review of business plan."

**Georgia Department of Transportation**
In an email dated May 29, 2025, Nakia Nembhard, GDOT Civil Engineer 3, stated that GDOT coordination is required.

**Gainesville-Hall Metropolitan Planning Organization**
In an email dated June 2, 2025, Joseph Boyd, MPO Director, provided the following comment:
"This parcel is along State Route 60/Candler Road, which is scheduled to be widened (GH-111B) in the long-range portion of the MPO's 2055 Metropolitan Transportation Plan. Construction is currently scheduled to occur after 2055, but the timing is fluid and could change. There are no known pre-engineering plans at this time for the applicant to reference."

**Hall County Fire Marshal**
In an email dated June 5, 2025, John Hornick, NPQ Fire Service Plans Examiner 1, stated, "The Hall County Fire Marshal's Office has no comments on item A or B as proposed."

**Hall County Public Works and Utilities**
In a memorandum from Public Works and Utilities dated June 6, 2025, Bill Nash, Director of Public Works, stated the following:

**Engineering:**
This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.

Show stream buffer and impervious setback from wrested vegetation not centerline of stream.

**Traffic:**
GDOT permit for access is required.

**Utilities:**
No sewer in area.

# First Amended and Restated Operating Agreement

Candler Hall LLC a Georgia Limited Liability Company

This First Amended and Restated Operating Agreement (the "Agreement") is entered into on or as of February 24, 2025 by and among the Members listed on page 9 of this Agreement.

## Recitals

A. On January 24, 2024 Articles of Organization for Candler Hall LLC (the "Company"), a limited liability company under the laws of the State of Georgia, were filed with the Georgia Secretary of State.

B. The Members hereby adopt and approve this First Amended and Restated Operating Agreement for the Company on the following terms and conditions:

## Agreement
## Article I
## Organizational Matters

1.1. **Name.** The Company shall conduct business under the name "Candler Hall LLC." If the majority of Members approve, the Company may also conduct business under a fictitious name filed with the county clerk of the county where the Company has its principal office.

1.2 **Term**. The Company's beginning date is the date that the Articles of Organization were filed. The Company shall automatically terminate at the earlier of twenty-five (25) years or as provided in Article 9.1 of this Agreement. The Members may unanimously to continue the Company as provided in Article 9.

1.3 **Office and Agent.** The Company shall continuously maintain an office and a registered agent within the State of Georgia. The principal office of the company shall be at 2791 Elder Mill Road, Watkinsville, GA 30677 or such location as the Members may determine. As required, the Company shall file a Statement of Information with the Georgia Secretary of State stating its registered agent for service of process.

1.4 **Business of the company.** The Company shall engage in the following business, and any activities necessary or appropriate to carry out that business, unless all the Members approve a change in the Company's business: Real Estate Investment and all other purposes allowed by law.

## Article 2
## Capital Contributions

2.1 **Capital Contributions**. Each Member shall contribute initial capital to the Company. No Member shall be required to make any additional contributions to the Company without the unanimous consent of the other Members.

2.2 **Capital Accounts.** The Company shall keep books and records which clearly show each Member's capital contributions and withdrawals ("Capital Account").

- The Company shall determine the balance of each Member's Capital Account according to Treasury Regulations Section 1.704-1(b)(2)(iv).

- If a Member sells or transfers his Membership Interest in the Company that Member's Capital Account shall carry over to the new owner according to Treasury Regulations Section 1.704-a(b)(2)(iv)(1).

2.3 **No Interest.** The Company shall not pay any interest on capital contributions.

## Article 3
## Members

3.1 **Admission of Additional Members.** Upon unanimous approval of the existing Members, additional members may be admitted into the Company on terms determined by the Members.

3.2 **Withdrawals or Resignations.** No member may withdraw without the unanimous approval of the Members. However, if a Member's interest is based on providing services to the Company, that Member shall be allowed to withdraw or resign as a Member at any time upon 120 days prior written notice to the Company. In the event of such withdrawal, such Member's Membership Interest will be available for sale as described in Section 7.2. If it is not purchased, the withdrawing Member shall have only an economic interest in the Company after withdrawal. The Withdrawing Member shall have the right to share in the Company's income, gain, losses, deductions, credit or similar items, and to receive distributions from the Company, but not the right to access Company business information or to participate in the Company management, except as required by law. The Withdrawing Member shall not be entitled to a return of the Member's capital, and may not withdraw contracts or personal guarantees that (s)he may have given.

3.3 **Payments to Members.** There will be no minimum or guaranteed payments to Members. The Company shall reimburse the Members for the actual costs including organization expenses incurred to form the Company.

## Article 4
## Management and Control of the Company

4.1 **Management and Powers.** The intent of each Member is to actively engage in the Company management. Accordingly, each Member shall have full, complete and exclusive authority, power and discretion to manage and control the business, property and affairs of the Company, to make all decisions regarding those matters and to perform any and all other acts or activities customary or incident to the management of the Company's business property and affairs. In the event of the death or disability of one member, the surviving Member shall have all management authority to continue the business of the Company.

4.2 **Limitations on Power of Members.** Notwithstanding any other provisions of this Agreement, no debt or liability of more than $100,000 may be contracted on behalf of the Company without the approval of the majority of Membership Interests. The signature of one Member is required to sign contracts and obligations on behalf of the Company. Additionally, the unanimous approval of the Members must be obtained prior to:

A. The merger of the Company with another business entity.
B. The establishment of different Member classes.
C. A change in the authorized businesses of the Company (Section 1.4),
D. Any act which would make it impossible to carry on the ordinary business of the Company
E. The confession of judgment against the Company
F. Any other transaction described in this Agreement which requires the approval, consent or

vote of all of the Members.

G. The sale, exchange or other disposition of substantially all of the Company's assets occurring as part of single or multiple transactions or plan.

4.3 **Member Approval.** The "vote" or "approval" of the Members shall mean approval by a majority percentage of Membership Interest. Members shall vote or approve by their percentage interest as shown on Exhibit A of this Agreement. No annual or regular meetings of the Members are required. However, if such meetings are held, such meetings shall be noticed, held and conducted pursuant to the Act.

4.4 **Devotion of Time**. The Members are not required to devote all of their time or business efforts to the Company. Each Member shall devote whatever time or effort (s) he deems appropriate to carry out the Company's business.

4.5 **Protection of Trade Secrets**. Each Member acknowledges that the customer lists, trade secrets, processes, methods and technical information of the Company and any other matters designated by the majority of the Members are the Company's assets. Each Member agrees not to disclose any of these assets to anyone outside the Company, except with written consent by the Company, even if the Member withdraws from the Company.

4.6 **Transactions between the Company and the Members.** Any Member may enter into a contract or transaction with the Company with the approval of the majority of other Members. If there is a potential conflict of interest, this approval must be in writing.

## Article 5
## Allocations of Net Profits and Net Losses and Distribution

5.1 **Allocations of Net Loss and Quarterly Distributions**

A. Net Loss. Net loss for income tax purposes shall be allocated to Members in proportion to their Membership Interest. Loss allocations to a Member shall be made only to the extent that such loss allocations will not create a Capital Gain for that Member in the event of foreclosure of the Company's assets.

B. Any loss not allocated to a Member because of the 5.1.A. shall be allocated to the other Members to the extent where it does not create a Capital Gain to another Member.

C. Quarterly Distribution of Available Cash. At the end of each calendar quarter, the available cash of the Company, if any, must be distributed to the Members, pro rata according to their percentage interest. Available cash means cash beyond what is required as reasonable working capital, as determined by the Members.

5.2 **Special allocations.**

A. **Minimum Gain Chargeback for Nonrecourse and Recourse Liabilities.** The Company shall allocate income, loss and gain to comply with the minimum gain chargeback requirement contained in Treasury Regulations Section 1.704-2(f) and 1.704-2(i)(5)). Nonrecourse Liability shall be allocated in accordance with Treasury Regulations Section 1.704-2(g)(2). Recourse Liability shall be allocated to Members in accordance with Treasury Regulations Section 1.704-2(i)(4).

B. **Nonrecourse Deductions.** Notwithstanding Section 5.2, any nonrecourse deductions (as defined in Treasury Regulations Section 1.704-2(b)(1)) for any fiscal year or other period shall be specially allocated to the Members in proportion to their Membership Interests.

C. **Member Nonrecourse Deductions.** Those items of Company loss, deduction or Code Section 705(a)(2)(B) expenditures which are attributable to Member Nonrecourse Debt shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt according to Treasury Regulations Section 1.704-2(i).

D. **Qualified Income Offset.** Notwithstanding Section 5.2, if a Member unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulations

Section 1.704-1(b)(2)ii)(d)(4),(5) or (6), or any other event creates a deficit balance in such Member's Capital Account in excess of such Member's share of Company Minimum Gain, items of Company income and gain shall be specially allocated to such Member so that such excess deficit balance is eliminated as quickly as possible.

5.4 **Code Section 704(c) Allocations.** Notwithstanding any other provision in this Article VI, in accordance with Treasury Regulations Code Section 704(c), income, gain, loss and deduction with respect to any property contributed to the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its fair market value on the date of contribution. This shall be solely for tax purposes and shall not affect a Member's Capital Account, share of profits, losses or other items of distributions.

## Article 6
## Transfer and Assignment of Interests

6.1 **Transfer and Assignment of Interests.** With the exception of transfers between family members, stated in 6.3, Members who wish to transfer, assign, convey or sell their Membership Interest must obtain unanimous written approval from the other Members. The other Members may approve or reject this request in their sole discretion.

6.2 **Substitution of Members.** If unanimous written approval is received, the transferee shall:

(i) Execute an instrument satisfactory to the Members which accepts and adopts the terms and provisions of this Agreement.

(ii) Pay any reasonable expenses in connection with his or her admission as a new Member.

The admission of a new Member shall not release the Member who assigned the Membership Interest from any liability that Member may have to the Company.

6.3 **Family Transfers**. The Membership Interest of any Member may be transferred by inter vivos gift or by testamentary transfer to any spouse, parent, sibling, child or grandchild of the Member, or to a trust for the benefit of the Member or such spouse, parent, sibling, child or grandchild of the Member. If the transfer is to a revocable living trust, the transferring Member may also reacquire the Membership in whole or in part upon complying with Section 6.2.

6.4 **Transfers in violation of this Agreement and Transfers of Partial Membership Interest.** Transfers violating this Article 6 shall only have an economic interest in the Company, with no right to participate in the Company management or exercise any rights of a Member.

Notwithstanding the proceeding sentence, if, in the determination of the Remaining Members, a transfer violating Article 6 would cause the termination of the Company under the Code, in the sole discretion of the Managers, the transfer shall be null and void.

## Article 7
## Consequences of Death, Dissolution, Retirement or Bankruptcy of Member

7.1 **Dissolution Event.** Upon the occurrence of the death, withdrawal, resignation, expulsion, bankruptcy or dissolution of any Member ("Dissolution Event"), the Company shall not dissolve . The surviving Member shall have all authority to manage and to continue the business of the Company. The deceased Member's Membership Interest shall automatically pass to the surviving Member.

7.2 **Purchase Price.** In the event of voluntary withdrawal or event of dissolution other than death, the purchase price for the Former Member's interest shall be the fair market value of the Former Member's Interest as determined by agreement of the former Member and the Purchasing Members. If the Former Member and the Purchasing Members cannot agree on the purchase price within 30 days after the Dissolution Event, the purchase price shall be determined by an independent appraiser. The Purchasing Members as a group, and the Former Member, shall each pay one-half of the cost of the appraisal. If the Dissolution Event results from a breach of this Agreement by the Former Member, the purchase price shall be reduced by an amount equal to the damages suffered by the Company or the Purchasing Members as a result of such breach.

7.3 **Notice of Intent to Purchase.** Within fifteen (15) days after a Dissolution Event, each Remaining Member shall notify the Members in writing of whether (s)he chooses to purchase a portion of the Former Member's Interest. Each Purchasing Member shall be entitled to purchase a portion of the Former Member's Interest in the same proportion as their Membership Interest compared with the percentage interest of all Purchasing Members. If the Remaining Members fail to purchase the entire interest of the Former Member, the company shall purchase any remaining share of the Former Member's Interest.

7.4 **Payment of Purchase Price**. The closing shall occur no later than 30 days following the determination of the purchase price. The Purchasing Members may pay all of the purchase in cash, or one fifth (1/5) at closing, with the remainder due in a negotiable promissory note, payable in four equal annual principal installments plus prevailing interest

7.5 **Closing of Purchase of Former Member's Interest.** At the closing for the sale of a Former Member's Interest, the Former Member shall provide a document conveying their interest and representing that the interest is free of encumbrances.

## Article 8
## Accounting, Records, Reporting by Members.

8.1 **Books and Records.** The Company's books and records shall be kept using standard accounting methods for federal income tax purposes. The Company shall maintain at its principal office:

A. A current Members list showing their full name and last known business or residence, their capital contributions, Capital Account balance and Membership Interest;

B. A copy of the Articles of Organization and any and all amendments

C. Copies of the Company's federal, state, and local income tax or information returns for the six (6) most recent taxable years;

D. A copy of this Operating Agreement and any and all amendments;

E. The Company's books and records as they relate to the internal affairs or the company for at least the current and past four (4) fiscal years.

8.2 **Reports.** By March 30th of each year, the Company shall prepare information necessary for the Members to prepare their annual federal and state income tax returns.

8.3 **Bank Accounts.** The Members shall maintain Company funds in one or more separate bank accounts in the name of the Company and shall not commingle the funds with any other person or entity. Any Member, acting alone, may endorse and deposit into the Company's accounts any checks made payable to the Company. The Members shall authorize one or more of the Members to sign checks and drafts in the Company's name.

8.4 **Tax Matters for the Company**. Ernest T. Lopez III is designated as "Tax Matters Partner" to represent the Company (at the Company's expense) in connection with all tax authorities. The Tax Matters Partner may spend Company funds for associated professional services and costs.

## Article 9
## Dissolution and Winding Up

9.1 **Conditions of Dissolution.** The Company shall dissolve:

A. Automatically twenty-five (25) years after filing of the Articles or Organization, unless the Members unanimously vote to continue the company and file a Certificate of Continuation with the Georgia Secretary of State;

B. If there is a judicial dissolution pursuant to Section 17351 of the Corporations Code;

C. If the Members unanimously vote to dissolve the Company; or

D. Upon the sale of substantially all of the assets of the Company.

9.2 **Winding Up.** Upon the dissolution, the Company's assets shall be disposed of and its affairs wound up. After determining that all the known debts and liabilities of the Company have been paid, the remaining assets shall be distributed to the Members according to their Capital Account balances, after taking into account income and loss allocations for the Company's final taxable year.

9.3 **Limitations on Payments Made In Dissolution.** Except as otherwise specifically provided in this Agreement, each Member shall only be entitled to look solely at the assets of the Company for the return of his or her positive Capital Account balance and shall have no recourse against any other Member except as provided in Article 10.

## Article 10
## Indemnification

10.1 **Indemnification of Agents.** The Company shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason that (s)he was a Member, officer, employee or other agent of the Company to the fullest extent permitted by applicable law. The standard of the fiduciary duty each member is to act in the highest good faith to the members and the Company. A member may not seek to obtain an advantage in the Company affairs by misconduct, misrepresentation, concealment, threat or adverse pressure.

## Article 11
## Investment Representations

Each Member hereby represents and warrants to, and agrees with, the Members, the other Members and the company as follows:

11.1 **Preexisting Relationship or Experience.** (S)he has a preexisting personal or business relationship with the Company or one or more of its Members, or by reason of his or her business or financial experience (s)he is capable of evaluating the risks and merits of an investment in the Company and of protecting his or her own interests in connection with this investment.

11.2 **No Advertising.** (S)he has not seen, received, been presented with or been solicited by a leaflet, public promotional meeting, article or any other form of advertising with respect to the sale of the Membership Interest.

11.3 **Investment Intent.** (S)he is acquiring the Membership Interest for investment purposes for his or her own account only and not with a view to or for. No other person will have any direct or indirect beneficial interest in or right to the Membership Interest.

## Article 12
## Miscellaneous

12.1 **Complete Agreement.** This Agreement and the Articles of Organization constitute the complete and exclusive statement of agreement among the Members and replace and

supersede all prior written and oral agreements among the Members. To the extent that any provision of the Articles of Organization conflict with any provision of this agreement, the Articles of Organization shall control.

12.2 **Binding Effect.** Subject to the provisions of this Agreement relating to transferability, this Agreement will be binding upon and inure to the benefit of the Members and their respect successors and assigns.

12.3 **Jurisdiction.** Each Member hereby consents to the exclusive jurisdiction of the state and federal courts sitting in Georgia in any action on a claim arising out of, under or in connection with this Agreement.

12.4 **Severability.** If any provision of this Agreement shall be held invalid, the remainder of this Agreement shall not be affected.

12.5 **Notices.** Any notice to be given or to be served upon the Company or any party hereto in connection with this Agreement must be in writing at the addresses shown below. Any party may designate any other address in substitution of the foregoing address by giving 5 days written notice to all Members.

12.7 **Amendments**. All amendments to this Agreement will be in writing and signed by all the Members.

12.6 **Multiple Counterparts**. This agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which shall constitute one or the same instrument.

12.7 **Attorney Fees.** In the event that any dispute between the Company, the Members or among the Members should result in litigation or arbitration, the prevailing party in such a dispute shall be entitled to recover from the other party all reasonable fees, cost and expenses of enforcing any right of the prevailing party, including without limitation, reasonable attorneys' fees and expenses.

12.8 **Remedies Cumulative.** The remedies under this Agreement are cumulative and shall not exclude any other remedies to which any person may be lawfully entitled.

All of the Members of Candler Hall LLC, a Georgia Limited Liability Company, have executed this agreement, effective as of the date written above.

# Project Narrative for Candler Road Tract

# Revised June 9, 2025

**LOCATION** – 3024 Dale Road Gainesville, GA 30507
**ACREAGE** – 36.9 acres +/-
**APPLICANT** – Rochester | DCCM

**Summary**

The accompanying application seeks a Conditional Use Permit (CUP) within a I-I (Light Industrial) District for 36.9 acres of partially developed property located on Candler Highway (SR 60) and Dale Road in east Hall County near the intersection of Candler Highway (SR 60) and Tanners Mill Road (SR 211). The intent is to develop multiple uses as allowed in the Light Industrial district. This narrative will propose specific variances to the existing zoning for a CUP for outdoor storage use. The location and proposed use is consistent with the Hall County Comprehensive Plan's designation as a "Rural Scenic Nodes & Corridors" and appropriate for Hall County's Light Industrial (I-I) District. Completion of development is anticipated by 2026.

**Site Description**

The site has approximately 1750 LF of frontage along Candler Highway (SR 60) and another 600 LF along Dale Road. The site is rectangular in shape and several unnamed tributaries of Walnut Creek have been identified within the site. The site is mostly wooded with a mix of mature trees with rolling topography. Domestic water is provided by the City of Gainesville and is located in the Candler Highway and Dale Road rights-of-way. The site will be served by an on-site sewage management system and all other dry utilities are located within a reasonable distance for service extensions. A 30' wide Jackson EMC easement is located on the front portion of the site with plans to relocate as necessary.

**Adjacencies**

The property is surrounded primarily by residential zonings (AR – IV) and (R-1). CW Matthews operates an asphalt plant to the east of the property and Heidleberg Materials operates a quarry to the east of the property.

**Access**

Access to the property is planned from Candler Highway (SR 60), subject to GDOT approval.

**Proximity to Other Uses**

- Nearest distance to undeveloped commercial property – parcel 15025B 000041 zoned H-B, approximately 900 LF south at the intersection of Tanners Mill Road.
- Nearest distance to developed commercial property – parcel 15025 000006A zoned I-I approximately 500 LF south.

- Nearest distance to a single family home – a single family home at 3032 Dale Road is located within 45’ of the boundary.
- Nearest distance to a subdivision – The Poplar Springs S/D is located immediately west of the property.

**Comprehensive Plan Consistency**

The project is consistent with the “Rural Scenic Nodes & Corridors” of the Future Land Use Map and the primary future land uses notes as:

- Industrial Uses, business parks, technology based operations.

The project is consistent with the Goals, Policies and Objectives of the Comprehensive Plan.

**Aerial View**

**Proposed Uses**

The project may contain a variety of uses consistent with those approved by the BOC on June 13, 2022. This request is to amend these uses to include a Phase 1 development for stand-alone outdoor storage, within the GCOD, for all transportation trailers and shipping containers. Phase 2 development would remain consistent with the previous approval. Specific requests associated with this CUP include the following:

- Phase 1 development may include graded aggregate base (GAB) for parking/storage areas. All driveways located within the existing rights-of-way shall be paved with asphalt or concrete to comply with Georgia Department of Transportation (GDOT) Standards.
- Phase 1 development will impose a 10’ landscape strip and 6’ tall privacy fence adjacent to the Candler Road ROW and a 25’ landscape strip and 6’ tall privacy fence adjacent to the Dale Road ROW. All other buffers, fencing and screening shall be in accordance with the previous approval. The wooden privacy fence along Candler Road may be removed when Phase 2 development occurs.

**Hours of Operation**

Operations may occur on a 24/7 basis.

**Conceptual Master Plan**

The development of the Candler Road Tract shall be controlled by the Conceptual Master Plan (the "Plan") attached as exhibit "A". The plan is considered conceptual in nature, and as such may require modifications during the engineering and development process. Modifications to the locations and arrangement of buildings, roads, and other improvements that do not conflict with specific standards and requirements of these conditions may be made by the Developer or End User, so long as such modifications do not change the land use, increase the overall density of the project or reduce any established exterior buffers or setbacks.

## Hall County Government
PLANNING AND ZONING

July 11, 2025

Rochester DCCM
425 Oak Street
Gainesville, GA 30501

Dear Applicant:

On July 7, 2025 the Hall County Planning Commission voted to approve, with conditions, the application of:

**3024 Dale Road | Variance to section 6.2 |** Gateway Corridor Overlay District | on a 36.90± acre tract located on the north side of Dale Road at its intersection with Candler Road | Zoned I-1 (GCOD); Tax Parcel 15025 000006 | **Proposed Use: Outdoor storage with graded aggregate base (GAB)** | Commission District 3 | **Rochester | DCCM, applicant**

Conditions:

1. Phase 1 development of the property shall be identified and approved as follows: the property shall be used only for outdoor storage of shipping containers and transportation trailers. Shipping containers shall be stacked no higher than 1 unit tall with no more than 2 units per space. No other outdoor storage as described in the Unified Development Code of Hall County shall be allowed.
2. At the end of 48 months after the date of final approval by the Board of Commissioners, the approved uses of storage of shipping containers and transportation trailers shall expire.
3. The development shall allow two curb cuts on Candler Road, subject to GDOT approval. No driveway will be allowed on Dale Road.
4. The development of the property beyond Phase 1 shall not include any proposed uses not permitted based on the regulations of the Light Industrial zoning district and the Gateway Corridor Overlay District. Such uses shall only be authorized in accordance with the process(es) identified in the Unified Development Code, except as shown on the site plan and amended through final zoning conditions approved by the Board of Commissioners.
5. Building specifications shall be as follows for any phase beyond Phase 1 of the development:
   a. Main Building shall be concrete tilt-up construction or steel frame construction with 3-sided brick similar to submitted photos with a maximum height of 55 feet.
   b. The Smaller Building in the rear shall be steel frame construction with 3-sided brick or stone with the option of cementitious siding. The building may be one or two stories with a maximum height of 40 feet.
6. There shall be a 50 foot undisturbed landscape buffer along the right-of-way of Dale Road, as shown on the site plan. The buffer will reduce to 25 feet where it intercepts the Jackson EMC easement and be located on the development side of the easement. This standard shall apply to all phases of the development.
7. There shall be a 100 foot undisturbed buffer along the southwestern property line. This standard shall apply to all phases of the development.
8. Outdoor storage areas located within the Gateway Corridor as shown on the site plan, will be screened to Hall County buffer requirements along the roadway frontages. Outdoor storage areas located at the rear of buildings shall not require screening. This standard shall apply to all phases beyond Phase 1 of the development.
9. The developer will utilize non-spill lighting on the site. This standard shall apply to all phases of the development.
10. The developer will install an 8 foot tall white PVC fence along the frontage adjacent to Candler Road and Dale Road at the development side of the edge of the buffer specified in condition #6 above. All other fencing may be 6 foot tall vinyl-coated chain link fence with opaque slats or alternative fencing with the same degree of opacity. This standard shall apply to all phases of the development and in accordance with the approved concept plans.
11. During construction of the site, the developer shall conduct any required blasting operations in accordance with all state and local ordinances. This standard shall apply to all phases of the development.
12. To improve sight distance, the developer shall clear the corner of the site between the relocated Jackson EMC transmission line and Dale Road right-of-way.
13. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering. This standard shall apply to all phases of the development.
14. All conditions of zoning shall be made a part of any plats or construction plans created for the property.
15. Phase 1 development shall require storage areas to be paved with asphalt or concrete wherever these areas fall within 300 feet of the centerline of Candler Road. No gravel shall be permitted in these areas.
16. The hours of operation shall be limited to 6:30 am to 7:00 pm Monday through Saturday.

The Planning Commission's decision on this item will be the final action taken **unless appealed.** The Planning Commission's decision regarding the above request **may be appealed** to the Hall County Board of Commissioners by filing an application and **appropriate appeal fee** with the Hall County Planning Department within thirty (30) days of the date of the Planning Commission's decision notification.

***If appealed,*** the above-referenced request will be heard by the Hall County Board of Commissioners at a public hearing on **Thursday, August 14, 2025 at 6:00 p.m.** at the Hall County Government Center, 2nd Floor Meeting Room, 2875 Browns Bridge Road, Gainesville, Georgia.

***Please remember that removal of all Public Notice signs posted on the property is your responsibility and should be removed within five (5) working days following the Planning Commission's decision.***

If you have any questions, please call this office.

Sincerely,

Beth Garmon
Director of Planning and Zoning

# EXHIBIT "A"
## Description of Property

A one-half (1/2) undivided interest in all that tract or parcel of land lying and being situated in the Candler District, GMD 1385, Hall County, Georgia, and being shown and delineated on plat of survey prepared for James Simpson and Greg Simpson by Patton Land Surveying, LLC, Georgia Registered Land Surveyors, dated September 28, 2021, being more particularly described according to said survey as follows: TO FIND THE POINT OF BEGINNING, being at a P. K. nail set at the centerline intersection of State Route No. 60 a/k/a Candler Highway and Dale Road; thence North 72° 42' 12" West 53.23 feet to a calculated point on the Westerly right of way of State Route No. 60 and the Northerly right of way of Dale Road being the POINT OF BEGINNING; thence along the Northerly right of way of Dale Road in a westerly direction 553.57 feet to a point being 1.83 feet from an iron pin on outside right of way and 5.89 feet from an iron pin inside the right of way; thence leaving said right of way North 15° 24' 56" East 67.27 feet to an axle found at a rock; thence North 66° 16' 04" West 429.90 feet to an iron pin found; thence North 66° 03' 26" West 905.95 feet to an iron pin found; thence North 16° 26' 40" East 580.51 feet to an axle found in the centerline of a creek; thence North 49° 07' 04" East 536.88 feet to an iron pin set in a large rock pile; thence North 79° 19' 02" East 503.26 feet to an iron pin set on the Westerly right of way of State Route No. 60 a/k/a Candler Highway; thence along the said right of way South 23° 58' 55" East 139.67 feet to a point; thence continuing along said right of way South 24° 18' 23" East 733.18 feet to a point; thence along said right of way South 24° 33' 31" East 478.03 feet to a point; thence along said right of way South 23° 59' 22" East 382.11 feet to a point being the POINT OF BEGINNING. Containing 36.90 acres according to said survey. This being the same property as described in that Special Warranty Deed from Hanson Aggregates Southeast, LLC to James E. Simpson and Gregory S. Simpson dated October 22, 2021 and recorded in Deed Book 8973, Page 347, Hall County, Georgia Deed Records. This property is known as **3024 Dale Road and Tax Parcel 15-025-000-006** according to the 2022 system of numbering properties in Hall County, Georgia. Said property is conveyed together with and subject to all easements, covenants and restrictions of record, if any.

James E. & Greg S. Simpson
1364 Candler Road
Gainesville, GA 30507

RE: **Application to Rezone**

Dear James E. & Greg S. Simpson:

Please be advised that in its Voting Meeting on June 9, 2022, the Hall County Board of Commissioners voted to approve with conditions the following application.

Application of James E. and Greg S. Simpson to rezone from Agricultural Residential-IV (AR-IV) to Light Industrial (I-I) on a 37.30± acre tract located on the north side of Dale Road at its intersection with Candler Road; a.k.a. 3024 Dale Road; Zoned AR-IV; Tax Parcel 15025 000006. Proposed Use: light industrial uses. Commission District 3.

Conditions:

1. The development shall conform substantially to the updated site plan.
2. The development shall be allowed two curb cuts on Candler Road, subject to GDOT approval. No driveway will be allowed on Dale Road.
3. Any proposed uses not permitted based on the regulations of the I-I and Gateway Corridors Overlay Districts shall only be authorized in accordance with the process(es) identified in the Zoning Ordinance, except as shown on the site plan and amended through final zoning conditions approved by the Board of Commissioners.
4. Applicant proposes to utilize building materials and height as follows:
    a. Main Building – concrete tilt-up construction or steel frame construction with 3-sided brick similar to submitted photos. Maximum Height of 55'.
    b. Smaller Building - steel frame construction with 3-sided brick or stone with the option of cementitious siding. The building may be one or two stories with a maximum height of 40'.
5. Applicant agrees to a 50' undisturbed buffer along the right-of-way of Dale Road, as shown on the site plan. The buffer will reduce to a 25' landscape buffer where it intercepts the re-located Jackson EMC easement and will be located on the development side of the easement.
6. Applicant agrees to a 100' undisturbed buffer along the southwestern property line, as shown on the site plan.
7. Outdoor storage areas, located within the Gateway Corridor as shown on the site plan, will be screened to Hall County buffer requirements along the

roadway frontages. Outdoor storage areas, located at the rear of buildings shall not require screening.

8. The developer will utilize non-spill lighting on the site.
9. The developer will install a 6' vinyl coated chain link fence with opaque slats or alternative fencing with the same degree of opacity along the Dale Road frontage at the development side of the edge of the buffer specified in condition #5 above and along the top of the slope of the proposed outdoor storage area, as shown on the site plan. The developer will also install a 6' vinyl coated chain link fence with opaque slats or alternative fencing with the same degree of opacity along the top of the slope on one side of outdoor storage area above the detention pond behind the main building, as shown on the site plan. All other fencing may be galvanized chain link. Installation and location of additional fencing shall be at the developer's discretion.
10. During construction of the site, the developer shall conduct any required blasting operations in accordance with all state and local ordinances.
11. To improve site distance, the developer shall clear the corner of the site, between the relocated Jackson EMC transmission line and Dale Road right-of-way, as shown on the site plan.

Please contact me if you have questions or if you require any additional information concerning this action of the Board.

Sincerely,

Jennifer Rivera

## MEMORANDUM

**To:** Beth Garmon, Director of Planning and Zoning

**From:** Bill Nash, Director of Public Works and Utilities

**Date:** June 6, 2025

**Subject:** July 7, 2025 - Hall County Planning Commission Agenda

Please be advised that our office has reviewed the Hall County Planning Commission agenda for the July 7, 2025 meeting. Upon review, we provide the following comments.

**NEW BUSINESS**

1. **(A) 3024 Dale Road | Special Use** | to amend conditions of zoning | on a 36.90± acre tract located on the north side of Dale Road at its intersection with Candler Road | Zoned I-1 (GCOD); Tax Parcel 15025 000006 | **Proposed Use: Outdoor storage** | ** Commission District 3 **| Rochester | DCCM, applicant**
**(B) 3024 Dale Road | Variance to section 6.2 |** Gateway Corridor Overlay District | on a 36.90± acre tract located on the north side of Dale Road at its intersection with Candler Road | Zoned I-1 (GCOD); Tax Parcel 15025 000006 | **Proposed Use: Outdoor storage with graded aggregate base (GAB) |** * Commission District 3 **| Rochester | DCCM, applicant**

a. **Engineering**: This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
   Show stream buffer and impervious setback from wrested vegetation not centerline of stream
b. **Traffic:** GDOT permit for access is required.
c. **Utilities:** No sewer in area

2. **(A) 2353 Athens Highway | Special Use** | on a 1.19± acre tract located on the east side of Athens Highway, approximately 530 feet from its intersection with Pine Grove Road | Zoned H-B (GCOD); Tax Parcel 15022C000016 | **Proposed Use: Vehicle sales |** ** Commission District 4 | **Morteza Modaber, applicant**
**(B) 2353 Athens Highway | Variances to section 6.2 |** Gateway Corridor Overlay District | on a 1.19± acre tract located on the east side of Athens Highway, approximately 530 feet from its intersection with Pine Grove Road | Zoned H-B (GCOD); Tax Parcel 15022C000016 | **Proposed Use: Parking & landscape requirements |** * Commission District 4 | **Morteza Modaber, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
b. **Traffic:** Driveway must be upgraded to commercial and GDOT permit required.
c. **Utilities:** Gainesville sewer service area gravity sewer is 0.3 miles away on James Simpson Blvd.

## RE: July 7, 2025 Hall County Planning Commission Meeting

**From** Joseph Boyd (GHMPO) <jboyd@hallcounty.org>
**Date** Mon 6/2/2025 11:26 AM
**To** Kaitlyn Elliott (Planning) <kelliott@hallcounty.org>
**Cc** Beth Garmon (CDI: Planning) <bgarmon@hallcounty.org>

Hey Kaitlyn, see below for my comment:

1. Rochester/DCCM – 3024 Dale Road
    a. This parcel is along State Route 60/Candler Road, which is scheduled to be widened (GH-111B) in the long-range portion of the MPO's 2055 Metropolitan Transportation Plan. Construction is currently scheduled to occur after 2055, but the timing is fluid and could change. There are no known pre-engineering plans at this time for the applicant to reference.

## PUBLIC NOTICE REQUIREMENTS

Zoning regulations require that public notice must be given prior to all zoning hearings as follows:

1. The Planning Department shall publish a legal advertisement no less than fifteen (15) days and no more than forty-five (45) days prior to the public hearing.

2. The Planning Department shall send notification by letter of all other property owners within a 500-foot radius of the applicant's property is standard administrative policy of the Planning Department.

3. The applicant/property owner shall place the public notice sign in a conspicuous location on the property not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing.

**The Planning Department shall post the legal advertisement and notify property owners within a 500ft radius to the subject property.**

**The applicant is required to post the public notice sign not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing. A photo of the sign placed at the location is required and must be sent to the Planning Department.**

Multiple sign postings on a site may be required as determined by the Planning Department. The sign must be in a location where it is clearly visible from the roadway. The sign cannot be obstructed in any manner, placed too far from the road, or placed in such manner as would cause it to blend into the landscape.

Should you find the sign missing or vandalized in any manner, contact the Planning Department for a replacement sign. When the proceeding is complete and final Board action has occurred, the sign shall then be removed from the property by the applicant.

**THE ZONING SIGN MUST BE POSTED NO EARLIER THAN MAY 30, 2025 AND NO LATER THAN JUNE 08, 2025.**

**THE ORGINAL SIGNED AFFIDAVIT MUST BE AND RETURNED TO THE PLANNING DEPARTMENT NO LATER THAN JUNE 08, 2025 ALONG WITH A MINIMUM OF ONE PHOTO SHOWING THE SIGN POSTED AT THE SUBJECT PROPERTY.**

**Failure to comply will result in a delay of the application.**

---

## AFFIDAVIT

**By my signature, I,** SCOTT HINCHMAN **, hereby acknowledge that I have read and understand the sign posting requirements. I further certify that the required public notice sign was posted on** 5/30/2025 **for** ROCHEGESTER.

# AGENDA ITEM

## Public Hearing to amend Hall County's Zoning Map as follows:

**REPORT TO:** **Work Session (08/11/25)**

**REPORT TO:** **Voting Meeting (08/14/25)**

**ITEM NO:** 451/2025

**SUBJECT:** **3654 Thompson Bridge Road | Amend Conditions of Zoning |** on a 1.37± acre tract located on the northeast side of Thompson Bridge Road, approximately 736 feet from its intersection with Southers Road | Zoned PCD; Tax Parcel 10104 000002 | **Proposed use: Financial Institution** | Commission District 2 | **Fifth Third Bank c/o Tammala Brooks, applicant**

## Meetings:

**Work Session Date:** 08/11/25 **Voting Meeting Date:** 08/14/25

## Executive Summary:

**Presenter:** BG

**Recommendation:**
Approval, with conditions

1. Development is approved as generally shown on the site plan dated December 17, 2024, and described in the project narrative dated March 26, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.
2. The development shall comply with the architectural design standards as described in the project narrative, with final materials and colors approved by the Director of Planning and Development, or their designee.
3. The driveway into the property from Thompson Bridge Road (S.R. 60) will serve both the financial institution and the storage facility by utilizing a shared driveway easement.
4. An easement for shared stormwater detention facilities shall be established to serve both Tract A and Tract B.
5. Hours of operation for the financial institution shall be limited to 9:00 a.m. to 5:00 p.m., Monday through Friday; 9:00 a.m. to 12:00 p.m. on Saturdays and closed on Sundays.
6. An eight foot tall opaque wood fence with a ten foot landscape buffer shall be constructed along the northwest property line which abuts Lanier Village Estates as reflected on the site plan dated December 17, 2024.
7. No variances or development exceptions are granted as part of this request that are not explicitly granted herein. The development shall comply with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering.
8. All conditions of zoning shall be made a part of any plats or construction plans created for the property.

**Purpose of Request:** **History:**

---

The request before you is from Fifth Third Bank care of Tammala Brooks for a special use to amend conditions of zoning for a financial institution. This item is located within Commission District 2.

At their July 7, 2025 meeting, the Hall County Planning Commission voted to recommend **approval, with eight (8) conditions (4-0).**

Staff recommendation: **Approval, with conditions,** as the proposed use is consistent with the "Regional Activity Nodes and Corridors" future land use designation within the Comprehensive Plan.

**Public Comment:**

- July 7, 2025 HCPC: There were **no comments submitted** in advance of the Planning Commission meeting**. Two (2) people spoke in favor** during the public hearing.
- June 16, 2025 HCPC: There were **no comments submitted** in advance of the Planning Commission meeting. The request was tabled to July 7, 2025.

**Planning Commission Conditions:**

1. Development is approved as generally shown on the site plan dated December 17, 2024, and described in the project narrative dated March 26, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.

2. The development shall comply with the architectural design standards as described in the project narrative, with final materials and colors approved by the Director of Planning and Development, or their designee.

3. The driveway into the property from Thompson Bridge Road (S.R. 60) will serve both the financial institution and the storage facility by utilizing a shared driveway easement.

4. An easement for shared stormwater detention facilities shall be established to serve both Tract A and Tract B.

5. Hours of operation for the financial institution shall be limited to 9:00 a.m. to 5:00 p.m., Monday through Friday; 9:00 a.m. to 12:00 p.m. on Saturdays and closed on Sundays.

6. An eight foot tall opaque wood fence with a ten foot landscape buffer shall be constructed along the northwest property line which abuts Lanier Village Estates as reflected on the site plan dated December 17, 2024.

7. No variances or development exceptions are granted as part of this request that are not explicitly granted herein. The development shall comply with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering.

8. All conditions of zoning shall be made a part of any plats or construction plans created for the property.

**Excerpts from the minutes of the July 7, 2025 meeting**

***Applicant's Presentation:***

**Vamsee Polamarasetty, Planner,** presented a summary of the request.

**Anthony Ponting, 302 West Third Street, Cincinnati,** presented the request. The applicant is requesting to amend the conditions of zoning on a 1.37± acre tract zoned Planned Commercial Development (PCD) within the Gateway Corridor Overlay District (GCOD) for a financial institution. Per the narrative, the applicant is requesting to develop a bank with drive-thru banking services. The subject property was rezoned on May 26, 2022, from Agricultural Residential III (AR-III) and Residential II (R-II) to Planned Commercial Development (PCD) for a climate-controlled storage facility and medical office facility (ZON2022-00019). The rezoning approval was subject to two conditions.

***Public Forum:***

**Richard Bergen, 4514 Evening Song Lane, Gainesville,** spoke in favor. Mr. Bergen thanked the applicant for listening to the community during the preliminary project meetings and believes the bank will be a low-impact neighbor. Mr. Bergen asked for clarification if the outdoor lighting would be directed downward.

**Dustin Barrett, 1744 South Lumpkin Street, Athens,** spoke in favor. Mr. Barrett described the application as beneficial for both the developer and the community as the bank will provide a service to the community and be a low-impact neighbor to the adjacent residents.

***Planning Commission Comments:***

Mr. Braswell clarified the Gateway Corridor Overlay District (GCOD) does have standards that the applicant must adhere to which requires all lighting to be directed downward and non-spill. Mr. Braswell

thanked the applicant for selecting an underground detention pond solution as it is a great improvement to the development.

***Motion:* A motion to approve, with conditions was made by Shannon Davidson and seconded by Frank Sosebee. Vote: 4-0**

Conditions:

1. Development is approved as generally shown on the site plan dated December 17, 2024, and described in the project narrative dated March 26, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.

2. The development shall comply with the architectural design standards as described in the project narrative, with final materials and colors approved by the Director of Planning and Development, or their designee.

3. The driveway into the property from Thompson Bridge Road (S.R. 60) will serve both the financial institution and the storage facility by utilizing a shared driveway easement.

4. An easement for shared stormwater detention facilities shall be established to serve both Tract A and Tract B.

5. Hours of operation for the financial institution shall be limited to 9:00 a.m. to 5:00 p.m., Monday through Friday; 9:00 a.m. to 12:00 p.m. on Saturdays and closed on Sundays.

6. An eight foot tall opaque wood fence with a ten foot landscape buffer shall be constructed along the northwest property line which abuts Lanier Village Estates as reflected on the site plan dated December 17, 2024.

7. No variances or development exceptions are granted as part of this request that are not explicitly granted herein. The development shall comply with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering.

8. All conditions of zoning shall be made a part of any plats or construction plans created for the property.

---

**Memo to the Planning Commission**

Dear Planning Commission,

This application was tabled at the June 16, 2025 Planning Commission meeting to July 7, 2025 due to the Public Notice Sign not being posted within the state mandated window. A public hearing was not held.

---

**Excerpts from the minutes of the June 16, 2025 meeting**

***Applicant's Presentation:***

**Vamsee Polamarasetty, Planner,** recommended that the application be tabled to the July 7, 2025 meeting to allow the public notice sign to be posted the required minimum of 15 days before the public hearing.

***Motion: A motion to table to July 7, 2025, was made by Stan Hunt and seconded by Frank Sosebee. Vote: 4-0 (Varner absent)***

---

**Staff recommends APPROVAL of the applicant's request, with the following conditions:**

1. Development is approved as generally shown on the site plan dated December 17, 2024, and described in the project narrative dated March 26, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.

2. The development shall comply with the architectural design standards as described in the project narrative, with final materials and colors approved by the Director of Planning and Development, or their designee.

3. The driveway into the property from Thompson Bridge Road (S.R. 60) will serve both the financial institution and the storage facility by utilizing a shared driveway easement.

4. An easement for shared stormwater detention facilities shall be established to serve both Tract A and Tract B.

5. Hours of operation for the financial institution shall be limited to 9:00 a.m. to 5:00 p.m., Monday through Friday; 9:00 a.m. to 12:00 p.m. on Saturdays and closed on Sundays.

6. An eight foot tall opaque wood fence with a ten foot landscape buffer shall be constructed along the northwest property line which abuts Lanier Village Estates as reflected on the site plan dated December 17, 2024.

7. No variances or development exceptions are granted as part of this request that are not explicitly granted herein. The development shall comply with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal and Hall County Engineering.

8. All conditions of zoning shall be made a part of any plats or construction plans created for the property.

---

**Summary Analysis**

The applicant is requesting to amend the conditions of zoning on a 1.37± acre tract zoned Planned Commercial Development (PCD) within the Gateway Corridor Overlay District (GCOD) for a financial institution. Per the narrative, the applicant is requesting to develop a bank with drive-thru banking services.

The subject property was rezoned on May 26, 2022, from Agricultural Residential III (AR-III) and Residential II (R-II) to Planned Commercial Development (PCD) for a climate-controlled storage facility and medical office facility (ZON2022-00019). The rezoning approval was subject to the following two conditions:

1. The development shall substantially conform to the submitted building elevations with colors approved by the Director of Planning and Development.
2. The building materials and architectural design shall be consistent with §17.420.050. subject to the following variances:
    a. Applicant requests that the PCD allow the property to be divided into two parcels, one to hold the medical office building (Tract A) and the other to hold the storage facility (Tract B) as depicted on the site plan. If divided, Tract A will be approximately 1.31 acres and Tract B will be approximately 4.23 acres.
    b. Hall County Ordinance 17.240.160 requires that lots abutting a divided four-lane highway have a minimum of 500 feet of frontage. The subject property has approximately 300 feet of frontage. Applicant requests a variance allowing this rezoning despite the property not having 500 feet of frontage. Applicant further requests that the variance allow for the lots to be divided as requested in the immediately preceding paragraph with the existing frontage. If divided, Tract A will have approximately 220 feet of frontage, and Tract B will have approximately 80 feet of frontage.
    c. The driveway into the property from Thompson Bridge Road (S.R. 60) will serve both the medical office building and the storage facility, for which the Applicant requests approval of a shared driveway easement. Applicant also shall request plans for interparcel access with the abutting Kroger shopping center site south of the subject property.
    d. Applicant shall request approval of shared easement for stormwater detention facilities to serve Tract A and Tract B.
    e. Applicant requests a variance from Hall County Ordinance 17.420.050.F.4. to allow up to two internally illuminated LED digital signs, with automatic change capacity, for the subject property, one for the medical office building and the other for the storage facility.
    f. Applicant requests approval of building materials consistent with the elevations provided with Applicant's rezoning and variance application. Applicant requests variance from the Hall County Ordinance 17.420.050.H.2. to allow use of materials displayed in elevations.

The subject property is currently undeveloped. A previous structure on the site was demolished (HCNEW23-0046) as part of the planned commercial development for the construction of the self-storage facility (HCNEW23-0007). A land disturbance permit (HDEV25-0071) has been submitted for the subject property for the construction of the proposed financial institution.

The surrounding properties are zoned and developed as follows:

North: Planned Commercial Development (PCD): Retirement community, Lanier Village Estates (ZON2018-00063)
East: Planned Commercial Development (PCD): Self-storage facility (ZON2022-00019)
South: Highway Business (H-B) & Planned Commercial Development (PCD): Shopping center
West: Planned Office Development (POD): Undeveloped

Per the submitted site plan and narrative, the applicant is requesting to amend conditions of the original rezoning (ZON2022-00019) to develop a 2,400 square foot bank with two lanes to provide drive-thru banking services and 14 parking spaces including 1 ADA space.

The site plan shows that access to the proposed development will be provided through the existing driveway serving the self-storage facility. The narrative states that one illuminated monument sign will be placed along Thompson Bridge Road. To provide additional screening from the adjacent residential properties, the applicant proposes an eight foot tall opaque wood fence, along the northwest property line abutting Lanier Village Estates. No changes are being proposed to the previously approved buffer, setback or development standards.

Water and sanitary sewer service will be provided by the City of Gainesville as confirmed in a letter dated April 3, 2025.

**Zoning Analysis**

When considering a zoning amendment to the zoning maps, the Planning Commission must study the need and justification for the change based on a determination of the facts applicable to the particular case, and the following general lines of inquiry must be considered:

a) Whether the zoning proposal will permit a use that is suitable in view of the use, development and zoning of adjacent and nearby property; **The proposed amendments to the site plan and conditions are suitable in view of the use and development of adjacent and nearby properties.**

b) Whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby property; **It is not anticipated that the proposed amendments to the development would adversely affect adjacent or nearby property.**

c) Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned; **The property has reasonable economic use as currently zoned; however, approval from the Board of Commissioners is required to amend conditions of zoning.**

d) Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, schools, police protection, fire protection, public health facilities or emergency medical service; **If approved, the proposed amendments are not anticipated to cause an excessive or burdensome use of the existing streets, transportation facilities, utilities, schools, police protection, fire protection, public facilities, or emergency medical service.**

e) Whether the zoning proposal is in conformity with the policy and intent of the future land use plan for the physical development of the area; **The zoning designation has been established by previous board action with the original approval of the development. The requested modification does not significantly impact the designated future land use of the area.**

f) The extent to which property values are diminished by the existing zoning restrictions; **Staff is unable to determine the extent to which property values are diminished by the existing zoning restrictions.**

g) The extent to which the destruction of the subject property's value under the existing zoning promotes the health, safety, morals or general welfare of the public; **Staff is unable to comment on the impact of property values without a full market analysis. Multiple factors impact property values including construction types, proposed uses, and maintenance. Often it is difficult to determine the effect of a development on adjacent properties until the development is completed.**

h) The relative gain to the public as compared to the hardship imposed upon the individual property owner; **Staff has not identified a hardship imposed on the property owner as the property is currently zoned.**

i) The length of time the property has been vacant as zoned considered in the context of land development in the area in the vicinity of the property; **The subject property is currently zoned Planned Commercial Development (PCD) and development of the property is currently pending the decision of the Board of Commissioners whether to amend conditions.**

j) Whether there are other existing or changing conditions affecting the use or development of the property which give supporting grounds for either approval or disapproval of the zoning proposal; **Staff is not aware of any changing conditions affecting the use or development of the property.**

k) Whether the change would create an isolated district unrelated to the surrounding districts; **As the request is to amend zoning conditions of an existing Planned Commercial Development (PCD), this amendment does not create an isolated district unrelated to surrounding zoning.**

l) Whether the present zoning district boundaries are illogically drawn in relation to existing conditions in the area; **There is no evidence that the present zoning district boundaries are illogically drawn.**

m) Whether the change requested is out of scale with the needs of the county as a whole or the immediate neighborhood; **The request is not out of scale with the needs of the immediate neighborhood or the county as a whole.**

n) Whether it is impossible to find adequate sites for the proposed use in districts permitting such use and already appropriately zoned; **A request to amend the conditions of zoning requires approval by the Board of Commissioners.**

o) Whether the need for rezoning could be handled instead by a variance request to the Planning Commission; **The request to amend conditions could not be handled alternatively as a variance.**

p) Whether there would be an ecological or pollution impact resulting from major modifications to the land if the request is granted; **Any land disturbance activities on the property shall be required to go through the land development permitting process, and as a result are subject to local, state, and federal regulations. As a result, there are no anticipated ecological or pollution impacts resulting from any modification to the land if the request is granted.**

q) Whether there is reasonable evidence based upon existing and anticipated land use that would indicate a mistake was made in the original zoning of the property; **There is no indication that a mistake was made in the original zoning.**

**11.2.6.E - Submission requirements**

1. Any person or persons requesting a change in the official zoning map or use subject to approval of the County Commission must file an application with a plat or map of the property attached thereto, together with payment of such fees set forth in this Sec 11.2. to cover administrative and advertising costs, in the Planning and Zoning Department office. Such person or persons or their authorized agent must appear in person at the public hearing held to consider the district change. **The proposal meets the requirement. The applicant has paid the appropriate fees and understands that someone must be present at both the Hall County Planning Commission meeting and the voting meeting of the Hall County Board of Commissioners.**

2. All applications for a change of zoning classification or use subject to approval of the County Commission must include:

    a. A narrative statement identifying the existing and proposed use of the property and addressing each of the criteria set forth in this Sec. 11.2. **The proposal provides a narrative outlining the intent of the development; however, the applicant has not prepared a response to each of the criteria listed in 11.2.6.E.2.**

    b. A site plan drawn to scale designating the area covered by the application and identifying existing and proposed buildings and uses, adjacent existing land uses, zoning on contiguous parcels, including those across an abutting public right-of-way, and any other significant site improvements proposed to accommodate the proposed use or buffer adjacent uses, etc., or a plat of the subject property where no specific land use is proposed. In cases where only a plat or map is provided and no land use is proposed, the Planning Commission and County Commission may evaluate the application based on the most intense possible land use permitted in the proposed district. **The proposal meets the requirement.**

    **c.** For any application for a slow rate land treatment system as defined in 7.6.9.D.1, additional requirements apply. **This standard is not applicable to the applicant's request**

    d. For any application proposing the development of 100 or more residential dwelling units, a traffic impact study must be submitted prior to consideration of the application by the County Commission. At the applicant's expense, the traffic impact study must be prepared

by a professional engineer in accordance with requirements established by the Hall County Engineering Department. The Engineering Department must review the traffic impact study and forward any comments to the County Commission. **This standard is not applicable to the applicant's request.**

**Development Support and Constraints**

**Hall County Environmental Health**
In an email dated May 13, 2025, Emily McGahee stated "No comment. Public sewer."

**Georgia Department of Transportation**
In an email dated May 8, 2025, Nakia Nembhard, GDOT Civil Engineer 2, stated that GDOT coordination is required.

**Hall County Public Works and Utilities**
In a memo dated May 16, 2025, Bill Nash, Director of Public Works and Utilities, provided the following comments:

**Engineering:**
This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.

**Traffic:**
No comment.

**Utilities**:
Gainesville sanitary sewer service area.

**Hall County Fire Marshal**
In an email dated May 9, 2025, John Hornick, NPQ Fire Service Plans Examiner 1, stated, "The Hall County Fire Marshal's Office has no comments as proposed."

FIFTH THIRD BANK

## SECRETARY'S CERTIFICATE

The undersigned does hereby certify that she is the duly elected, qualified and acting Assistant Secretary of Fifth Third Bank, National Association, and the undersigned does hereby further certify that:

1. The individuals listed below have achieved the title set forth opposite his or her name and is acting in his or her capacity at this date.

| Name | Title |
|---|---|
| Lynn Blackwell | Senior Vice President |
| Thomas Neltner | Senior Vice President |
| Gloria Samuel | Senior Vice President |
| DeeDee Wiele | Senior Vice President |
| Daniel Bowman | Vice President |
| Tammala Brooks | Vice President |
| Amanda Darnell | Vice President |
| Brian Fulton | Vice President |
| DeAnn Leonard | Vice President |
| Karen Majors | Vice President |
| Randall Morrissey | Vice President |
| Chad Pendlay | Vice President |
| Thomas Quill | Vice President |
| Thomas Ross | Vice President |
| Jeff Wagner | Vice President |
| Jennifer Hume | Assistant Vice President |

2. At a meeting held and convened on February 27, 2024, the Fifth Third Bank Board of Directors adopted general resolutions of authority (the "Corporate Resolutions"). The Corporate Resolutions, attached hereto as Exhibit A, have not been modified or repealed and are still in full force and effect.

IN WITNESS WHEREOF, I have hereunto subscribed my name this 18th day of June, 2024.

Lori G. Heilman
Assistant Secretary

FIFTH THIRD BANK

**EXHIBIT A**

**FIFTH THIRD BANK, NATIONAL BANK**

**Feburary 27, 2024**

**RESOLUTION APPROVING GENERAL AUTHORITY DELEGATION**

**RESOLVED,** that the Chairman of the Board, Vice Chairman, Chief Executive Officer, President, or any Executive Vice President, Regional President, Senior Vice President or Vice President, or any Assistant Vice President, the Cashier, Secretary or Treasurer, or any Assistant Cashier or Officer, Assistant Secretary or Assistant Treasurer, or any Branch Manager, or any other officer or employee designated by this Board of Directors or a Committee thereof, is authorized to sign loan or credit agreements, security agreements or instruments, leases, purchase or participation agreements relating to loans or leases or other extensions of credit, financing statements, and any modifications or amendments thereof, or other documents ancillary to loans and leases and other extensions of credit made by this Bank; contracts for treasury management and corporate card services and any modifications or amendments thereof, or other documents ancillary to such banking services or the collateralization thereof provided by this Bank; checks, drafts, certificates of deposit, bill of exchange, or other orders for the payment of money drawn by this Bank on any office of this Bank or its depositaries or correspondents, certification of checks, drafts and other orders for the payment of money drawn on this Bank, and endorsements on behalf of this Bank on checks drafts, bills of exchange, acceptances, bills of lading, warehouse receipts, insurance policies, and other similar documents; appointments of attorneys in fact, or proxies issued in connection with the same with or without power of substitution and with full power of revocation; to guarantee signatures on assignment of stock certificates and all other forms of securities, also to guarantee signatures on any and all other forms of documents; and to execute satisfactions and releases of mortgages or deeds of trust and other indentures, chattel mortgages and conditional sales contracts, or any other collateral, with like power to affix the corporate seal of this Bank thereto, and to acknowledge the same;

**RESOLVED,** that the Chairman of the Board, or the Vice Chairman, or the Chief Executive Officer, or the President, or any Executive Vice President, Regional President, Senior Vice President or Vice President, acting in conjunction with the Cashier, Secretary or Treasurer, or any Assistant Vice President, or any Assistant Cashier or Officer, Assistant Secretary or Assistant Treasurer, or any other officer or employee designated by the Board of Directors or its Executive Committee, is authorized to sign assignments of stocks, registered bonds, notes, mortgages, certificates of indebtedness, notes and certificates of interest in real or personal property owned by this Bank; bonds or other instruments necessary or proper to secure deposits of public or private funds, deeds, bills of sale and conveyances with or without covenants of warranty and other instruments of a similar nature in respect of real or personal property owned by this Bank; mortgages, deeds of trust, security agreements, pledge agreements, financing statements, satisfactions, and releases of mortgages and other indentures in respect of real or personal property owned by this Bank; contracts, license agreements, leases perpetual or for terms of years for personal or real property and with privilege and obligation of purchase letters of credit issued by this Bank, with power to affix the corporate seal of this Bank thereto and to acknowledge the same;

FIFTH THIRD BANK

**RESOLVED FURTHER,** that notwithstanding the foregoing, the authority conferred by the above resolutions is hereby restricted to exclude any person who, as an officer of the Bank, would otherwise have been authorized to act, in all situations in which that officer, or any member of his immediate family, shall have any existing or potential economic interest, any existing or potential tax relationship, or any existing or potential conflict of interest, with respect to any trust in which the officer is grantor, settlor, beneficiary or trustee, it being the intent of this restricting resolution to authorize only officers of the Bank who shall have no individual interest in the subject matter of the proposed fiduciary action; specifically, no officer who shall have created any interest subject to fiduciary action by the Bank, or who shall hold any power over such interest, including a beneficial interest, created by another shall have any authority to act on behalf of the Bank with respect to that interest;

**RESOLVED FURTHER**, that any act of any director or officer of the Bancorp or Bank and of any person designated or authorized to act by the Board of Directors or any officer of the Bancorp or Bank, which act would have been authorized by the foregoing resolutions except that such act was taken prior to the adoption of such resolutions is hereby ratified, confirmed, approved, and adopted as the act of the Bancorp or Bank, respectively; and

**RESOLVED FURTHER**, that the officers of the Bancorp and Bank be, and each are hereby, authorized, directed, and empowered to perform all other acts and things as in such officer's opinion may be necessary or appropriate to carry out the intent and purposes of the foregoing resolutions.

## CAMPAIGN CONTRIBUTIONS DISCLOSURE FORM

This form must be completed by the applicant and property owner, or person representing the property owner, for all zoning actions.

OCGA § 36-67A-3[C] Disclosure of campaign contributions:

(b) When any applicant for zoning action has made, within two years immediately preceding the filing of the applicant's application for the zoning action, campaign contributions aggregating $250.00 or more to a local government official who will consider the application, it shall be the duty of the applicant to file a disclosure report with the governing authority of the respective local government showing:

(3) The name and official position of the local government official to whom the campaign contribution was made; and

(4) The dollar amount and description of each campaign contribution made by the applicant to the local government official during the two years immediately preceding the filing of the application for the rezoning action and the date of each such contribution.

(b) The disclosures required by subsection (a) of this Code section shall be filed within ten days after the application for the zoning action is first filed. (Code 1981, Section OCGA § 36-67A-3[C], enacted by GA L. 1986, page 1269, Section 1, GA L. 1991, page 1365, Section 1).

---

I hereby certify that I have read the above and that:

I have**____ I have not ✓

within the two years immediately preceding this date, made any contribution(s) aggregating $250.00 or more to any local government official involved in the review or consideration of this application.

**If you have made such contributions, you must provide the data required below within ten (10) days of filing this application.

Name of Official(s): _____ Office: _____

Dollar Amount: _____ Date of Contribution: _____

**Applicant's/Owner's Signature:** _____ **Date:** _____

**Applicant's/Owner's Name (Printed):** Dustin S. Barrett

BHDP

March 26th, 2025

Fifth Third Bank – Thompson Bridge
3654 Thompson Bridge Rd., Gainesville, GA 60506
Project Narrative.

Project Narrative for a Bank Branch in Hall County, Georgia.

**Existing zoning and overlay districts:** The existing property is situated within a Planned Commercial Development (PCD) zoning district, with a Gateway Corridors Overlay District (GCOD).

**Proposed Use:** The site is in Hall County near Gainesville Georgia. The proposed use of the property is to establish a full-service bank branch that will provide a range of financial services to the community, including personal banking, business banking, and financial advising. Currently, the site is approved for a medical office building; however, the proposed use will have to change to allow a bank. This process will require the approval from the Board of Commissioner. The proposed bank will be a 2400 square foot building with two drive through lanes. One lane with a VAT Tube and a night drop box, and the other shall have an ATM. All services except the VAT tube shall be available twenty four hours per day. The bank will be open from 9AM to 5PM on weekdays and 9AM-12PM on Saturdays, and there will be private meeting rooms for client consultations.

**Proposed Standards for Development:** The development will adhere to all zoning regulations, including setback requirements to ensure compliance and maintain neighborhood aesthetics. The site prior to Fifth Third was a vacant gas station that has recently been demolished. After the demolition of the gas station a self-storage facility was built to the rear of the lot. In the scope of the self-storage facility a drive connection to the existing development to the south containing Wendys and Kroger was also built as well as the curb cut for the Fifth Third Out lot. The proposed Fifth Third Out lot is known as Tract A and is 1.71 Acres. The zoning of tract A requires a thirty-foot front setback, ten-foot rear setback, twenty-foot side setback and a ten-foot landscape buffer. To the south is the drive to the self-storage facility and connection to Wendys and Kroger. To the west is Thompson Bridge Rd (S.R 60), to the east is the self-storage facility and to the north there is a residential lot. To screen the storage facility and Fifth Third from the residential lot there is an eight-foot wooden fence as well as landscape plantings. The parking lot will accommodate 16 vehicles, including one designated ADA accessible space including an adjacent accessible striped area.

**Proposed Signs and Specifications:** The bank will feature a singular monument sign along Thompson Bridge Road, designed to comply with local sign ordinances. The sign will be tastefully illuminated and incorporate the bank's branding while maintaining a height and size that is harmonious with the surrounding environment. There are also building signs and directional signs all complying with sign code.

**Proposed Lighting:** Exterior lighting will be strategically placed to enhance safety and security while minimizing light pollution. Downward-facing LED fixtures will be used to illuminate parking areas and walkways, ensuring adequate visibility without impacting neighboring properties.

**Provisions for Water, Wastewater Disposal, and Storm Run-Off:** The bank branch water and sanitary services shall tap into the existing mains along Thompson Bridge Rd. The water service will have a domestic water meter and an irrigation meter. These are located on the exterior of the building between the parking lot and the right-of-way. During the self-storage construction an above ground detention pond was built on Tract A; but due to site constraints Fifth Third filled in the pond and replaced it with an underground chamber system which will meet location stormwater regulations.

**Plans for protecting abutting properties (buffers):** The architectural design will reflect modern aesthetics, featuring sustainable materials and energy-efficient systems. To ensure minimal impact on neighboring properties, the project will include landscape buffers consisting of native trees and shrubs along the property boundaries. These buffers will provide visual screening and noise reduction, contributing to the privacy and enjoyment of adjacent properties.

Sincerely,
**Andrew Lehman**

3. Exhibit A - Water & Storm As-Built Survey of Gainesville Storage for Barrett Development Group, by Travis Pruitt and Associates Inc. dated 07/16/2024. (FN:218-E-163)

## SURVEY NOTES

1. This plat was prepared for the exclusive use of the person, persons, or entity named in the title block. Said use does not extend to any unnamed person without express permission by the surveyor naming said person.
2. The survey shown hereon was prepared without benefit of any abstract of title; therefore, Travis N. Pruitt, Jr. and Travis Pruitt & Associates, Inc. makes no guarantees or representations regarding information shown hereon pertaining to easements, rights of way, setback lines, agreements, reservations, and other similar matters.
3. Unless otherwise specified, all distances shown are horizontal ground distances.
4. The project horizontal datum is relative to the North American Datum 1983 (NAD83), 2011 adjustment, projected to the Georgia State Plane Coordinate System, Georgia West Zone. The vertical datum is relative to the North American Vertical Datum of 1988 (NAVD88) using the National Geodetic Survey (NGS) Geoid 12A.
5. By graphic plotting only, this property Does Not lie within a 100 year Flood Hazard Zone and is depicted as zone(s) X as defined by the FEMA Flood Insurance Rate Map of Hall County, Georgia and Incorporated areas, Map Number 13139C0180G, effective date 04/04/2018.
6. No common observable evidence of cemeteries, burial grounds or isolated gravesites were found during the course of the survey.
7. No observable evidence that the site was used as a solid waste dump, sump or sanitary landfill.
8. The Property has direct vehicular and pedestrian access to Thompson Bridge Road (a.k.a S.R. 60), a dedicated public right of way, as shown on the survey.
9. No wetland delineation markers were observed at the time of the survey.
10. No buildings observed at time of field work.
11. There is observable evidence of earth moving work, but no observable building construction or building additions at the time of the survey.
12. No observable evidence or proposed changes in right of way made available to the surveyor.
13. No observable evidence of recent street or sidewalk construction or repairs.
14. Information regarding the reputed presence, size, character and location of existing underground utilities and structure is shown hereon. There is no certainty of the accuracy of this information and it shall be considered in that light by those using this drawing. The location and arrangement of underground utilities and structures shown hereon may be inaccurate and utilities and structure not shown may be encountered. The owner, his employees, his consultants and his contractors shall hereby distinctly understand that the surveyor is not responsible for the correctness or sufficiency of this information.
15. Underground utility research, field markings, size and character of material has been provided by MC Utility Surveying, LLC on 09/19/2024.

## CERTIFICATION:

This plat is a retracement of an existing parcel or parcels of land and does not subdivide or create a new parcel or make any changes to any real property boundaries. The recording information of the documents, maps, plats, or other instruments which created the parcel or parcels are stated hereon. RECORDATION OF THIS PLAT DOES NOT IMPLY APPROVAL OF ANY LOCAL JURISDICTION, AVAILABILITY OF PERMITS, COMPLIANCE WITH LOCAL REGULATIONS OR REQUIREMENTS, OR SUITABILITY FOR ANY USE OR PURPOSE OF THE LAND. Furthermore, the undersigned land surveyor certifies that this plat complies with the minimum technical standards for property surveys in Georgia as set forth in the rules and regulations of the Georgia Board of Registration for Professional Engineers and Land Surveyors and as set forth in Section 15-6-67.

This is to certify that this survey was made under my supervision and is a true representation of the land surveyed. The field data upon which this survey is based, was performed using a eGPS 20TL dual frequency receiver with network adjusted real time kinematic measurements referenced to the eGPS network. The GPS survey included redundant measurements with positional accuracy better than 0.07'.

This map or plat has been calculated for closure and is found to be accurate within one foot in 136,704 feet.

To The Kleingers Group:

This is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys, jointly established and adopted by ALTA and NSPS, and includes Items 1-5, 6 (a), 7 (b), 8, 9, 11 (b), 13, 19 (5,000,000) of Table A thereof. The fieldwork was completed on 09/13/2024.

07.07.2025 Item 3

## GENERAL NOTES

1. THE CITY OF GAINSEVILLE, HALL COUNTY, AND THE CURRENT EDITION OF THE STATE OF GEORGIA DEPARTMENT OF TRANSPORTATION CONSTRUCTION MANUAL (GDOT CM), INCLUDING ALL SUPPLEMENTS, SHALL GOVERN ALL MATERIALS AND WORKMANSHIP INVOLVED IN THE IMPROVEMENTS SHOWN ON THIS PLAN. IGNORE REFERENCES TO MEASUREMENT AND PAYMENT IN THE GDOT CM UNLESS NOTED OTHERWISE. IN THE CASE OF CONFLICTS BETWEEN THE GDOT CM AND THE HALL COUNTY REQUIREMENTS, THE HALL COUNTY REQUIREMENTS SHALL PREVAIL.
2. THE CONTRACTOR IS RESPONSIBLE FOR THE INVESTIGATION, LOCATION, SUPPORT, PROTECTION, AND RESTORATION OF ALL EXISTING UTILITIES AND APPURTENANCES WHETHER SHOWN ON THESE PLANS OR NOT. THE CONTRACTOR SHALL EXPOSE ALL UTILITIES OR STRUCTURES PRIOR TO CONSTRUCTION TO VERIFY THE VERTICAL AND HORIZONTAL EFFECT ON THE PROPOSED CONSTRUCTION. THE CONTRACTOR SHALL CALL, TOLL FREE, GEORGIA 811 (811 OR 800-282-4332) 48 HOURS PRIOR TO CONSTRUCTION AND SHALL NOTIFY ALL UTILITY COMPANIES WHO ARE NON-MEMBERS OF THE GEORGIA 811 SERVICE AT LEAST 48 HOURS PRIOR TO WORK IN THE VICINITY OF THEIR UNDERGROUND LINES.
3. CONTRACTOR SHALL OBTAIN A PERMIT FOR ALL CONSTRUCTION ACTIVITIES IN ACCORDANCE WITH LOCAL, STATE, & FEDERAL REGULATIONS.
4. THE CONTRACTOR IS TO PERFORM ALL INSPECTIONS AS REQUIRED BY THE GEORGIA DEPARTMENT OF PUBLIC HEALTH FOR THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT AND FURNISH OWNERS REPRESENTATIVE WITH WRITTEN REPORTS.
5. THE CONTRACTOR IS REQUIRED TO VISIT THE SITE AND FULLY INFORM THEMSELVES CONCERNING ALL CONDITIONS AFFECTING THE SCOPE OF THE WORK. FAILURE TO VISIT THE SITE SHALL NOT RELIEVE THEM FROM ANY RESPONSIBILITY IN THE PERFORMANCE OF THE CONTRACT.
6. NO ADDITIONAL COMPENSATION SHALL BE ALLOWED FOR EXPENSES INCURRED DUE TO SOIL CONDITIONS, GROUNDWATER, AND/OR ROCK EXCAVATION, ALL OF THESE ITEMS SHALL BE INCLUDED IN THE PRICE BID FOR THE PROJECT.
7. THE COST OF ALL DEWATERING REQUIRED FOR THE CONSTRUCTION OF THIS PROJECT SHALL BE INCLUDED IN THE PRICE BID FOR THE PROJECT.
8. THE DIRECT OR INDIRECT DISCHARGE OR PUMPING OF UNFILTERED SEDIMENT-LADEN WATER INTO THE STORM DRAINAGE SYSTEM OR WATERCOURSE IS ILLEGAL AND PROHIBITED
9. ANY WELL, WELL POINT, PIT, OR OTHER DEVICE INSTALLED FOR THE PURPOSE OF LOWERING THE GROUND WATER TO FACILITATE CONSTRUCTION OF THIS PROJECT SHALL BE PROPERLY ABANDONED IN ACCORDANCE WITH THE PROVISIONS OF THE CITY OF GAINESVILLE UNIFIED LAND DEVELOPMENT CODE OR IN ACCORDANCE WITH THE PROVISIONS OF THIS PLAN AS DIRECTED BY THE DIRECTOR OF PUBLIC UTILITIES OR HIS REPRESENTATIVE.
10. THE CONTRACTOR SHALL BE SOLELY RESPONSIBLE TO THE OZNR FOR THE REGISTRY, MAINTENANCE AND ABANDONMENT OF ANY WITHDRAWAL DEVICE USED IN CONSTRUCTION OF THIS PROJECT.
11. ALL DIMENSIONS ARE TO THE EDGE OF PAVEMENT AND/OR FACE OF CURB, UNLESS OTHERWISE NOTED.
12. ALL SITE SIGNAGE, STRIPING COLOR AND WIDTH SHALL BE PER THE GDOT MANUAL OF UNIFORM TRAFFIC CONTROL DEVICES.
13. ALL EXISTING PAVEMENTS, WALKS, CURBS, ETC. SHALL BE SAWCUT BEFORE REMOVAL. IF, DURING CONSTRUCTION, THE PAVEMENT, WALKWAY, CURB, ETC. IS DAMAGED BEYOND THE ORIGINAL SAWCUT, THE DAMAGED AREA SHALL BE RECUT TO NEAT LINES AS DIRECTED BY THE ENGINEER. PAYMENT FOR SAWCUTTING SHALL BE INCLUDED IN THE PRICE BID FOR THE PROJECT.
14. THE CONTRACTOR SHALL SAWCUT EXISTING PAVEMENT TO PROVIDE A SMOOTH VERTICAL FULL DEPTH BUTT JOINT BETWEEN THE EXISTING PAVEMENT OR CURB AND THE PROPOSED PAVEMENT. CONTRACTOR SHALL LOCATE SOUND PAVEMENT EDGE AND CUT AND TRIM PAVEMENT TO A NEAT LINE. INCLUDE THE COST OF PAVEMENT REMOVAL AND DISPOSAL IN THE PRICE BID FOR THE PROJECT.

## GRADING NOTES

1. CONTRACTOR TO REMOVE TREES AND CLEAR AREAS AS NECESSARY TO PERFORM ALL SITE WORK INCLUDING GRADING AND UTILITY WORK.
2. PROTECTION OF EXISTING TREES AND VEGETATION: PROTECT EXISTING TREES AND OTHER VEGETATION INDICATED TO REMAIN IN PLACE AGAINST UNNECESSARY CUTTING, BREAKING OR SKINNING OF ROOTS, SKINNING OR BRUISING OF BARK, SMOTHERING OF TREES BY STOCKPILING CONSTRUCTION MATERIALS OR EXCAVATED MATERIALS WITHIN DRIP LINE, EXCESS FOOT OR VEHICULAR TRAFFIC, OR PARKING OF VEHICLES WITHIN DRIP LINE. PROVIDE TEMPORARY GUARDS TO PROTECT TREES AND VEGETATION TO BE LEFT STANDING.
3. ALL ELEVATIONS SHOWN ARE FINISHED GRADE ELEVATIONS.
4. SITE BUILDING PAD EXCAVATION AND CONSTRUCTION TO BE PER GEOTECHNICAL ENGINEER'S RECOMMENDATIONS. BUILDING PAD PREPARATION SHALL BEGIN BY CLEARING & STRIPPING UNSUITABLE MATERIAL FROM PAD SITE. THEN PLACE & COMPACT BACKFILL MATERIAL AT GEOTECHNICAL ENGINEER'S AND ARCHITECT'S RECOMMENDATIONS. ALL BACKFILL MATERIAL MUST BE ACCEPTABLE TO THE GEOTECHNICAL ENGINEER.
5. ALL FILL UNDER PAVEMENT SHALL BE COMPACTED TO THE GEOTECHNICAL ENGINEER'S RECOMMENDATIONS.
6. THE CONTRACTOR IS RESPONSIBLE FOR BALANCING THE SITE EARTHWORK ON SITE. THE CONTRACTOR IS RESPONSIBLE FOR BURY/BORROW PITS AS NEEDED TO BALANCE THE SITE. GEOTECH AND ENGINEER MUST APPROVE AREAS PRIOR TO BURY/BORROW OPERATIONS. AS-BUILT OF BURY/BORROW PIT WILL BE REQUIRED AT COMPLETION OF CONTRACTOR WORK AND MUST BE SUBMITTED TO THE CONSTRUCTION MANAGER.
7. CONTRACTOR SHALL IMPLEMENT ALL SOIL AND EROSION CONTROL PRACTICES REQUIRED BY HALL COUNTY AND THE GEORGIA DPH.
8. ALL GROUND SURFACE AREAS THAT HAVE BEEN EXPOSED OR LEFT BARE AS A RESULT OF CONSTRUCTION AND ARE TO FINAL GRADE AND ARE TO REMAIN SO, SHALL BE SEEDED AND MULCHED AS SOON AS PRACTICAL IN ACCORDANCE WITH THE PROJECT SPECIFICATIONS. IF NO SPECIFICATIONS ARE SUPPLIED, USE GDOT.
9. CONTRACTOR TO LAYOUT BUILDING BASED ON ARCHITECTURAL/FOUNDATION PLANS. SITE PLAN IS FOR CONCEPTUAL PURPOSES ONLY.

## UTILITY NOTES

1. ALL DRAIN TILE AND STORM SEWERS DAMAGED, DISTURBED OR REMOVED AS A RESULT OF THE CONTRACTOR'S OPERATIONS SHALL BE REPLACED WITH THE SAME QUALITY PIPE OR BETTER, MAINTAINING THE SAME GRADIENT AS EXISTING. THE DRAIN TILE AND/OR STORM SEWER SHALL BE CONNECTED TO THE CURB SUBDRAIN, STORM SEWER SYSTEM OR OUTLETTED INTO THE ROADWAY DITCH AS APPLICABLE. REPLACED DRAIN TILE/STORM SEWER SHALL BE LAID ON COMPACTED BEDDING EQUAL IN DENSITY TO SURROUNDING STRATUM. REPLACEMENT SHALL BE DONE AT THE TIME OF THE BACKFILL OPERATION. COST OF THIS WORK TO BE INCLUDED IN THE PRICE BID FOR THE PROJECT.
2. ALL EXISTING UTILITIES KNOWN TO EXIST HAVE BEEN SHOWN ON THESE PLANS IN THEIR APPROXIMATE LOCATION. PRIOR TO THE BEGINNING OF CONSTRUCTION OR EARTH MOVING OPERATIONS, THE CONTRACTOR SHALL VERIFY THE LOCATION AND ELEVATION OF THE UTILITIES SHOWN. THE CONTRACTOR IS ALSO RESPONSIBLE FOR THE PROTECTION AND/OR RELOCATION OF ANY UTILITIES THAT MAY EXIST AND ARE NOT SHOWN.
3. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATING THE RELOCATION AND/OR PROTECTION OF ANY UTILITIES AS REQUIRED BY THE PLAN WITH THE OWNER OF THE AFFECTED UTILITY.
4. UTILITY POLES WITHIN INFLUENCE OF THE UTILITY OPERATIONS SHALL BE REINFORCED BY THE UTILITY COMPANY PRIOR TO THESE CONSTRUCTION ACTIVITIES. NOTIFICATION OF THE UTILITY COMPANY PRIOR TO CONSTRUCTION SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR.
5. COMPACTED FILLS ARE TO BE MADE TO A MINIMUM OF THREE FEET ABOVE THE CROWN OF ANY PROPOSED SEWER PRIOR TO CUTTING OF TRENCHES FOR PLACEMENT OF SAID SEWERS. ALL FILLS SHALL BE CONTROLLED, COMPACTED, AND INSPECTED BY AN APPROVED TESTING LABORATORY OR AN INSPECTOR FROM THE APPROPRIATE GOVERNMENTAL AGENCY.
6. CONTRACTOR TO REPLACE ANY PAVEMENT OR UTILITIES DAMAGED WHICH ARE NOT SPECIFIED TO BE REMOVED ON THESE PLANS.
7. ALL CATCH BASINS PLACED WITHIN THE PAVEMENT SHALL HAVE HEAVY DUTY FRAMES AND GRATES AND CONFORM TO ADA REQUIREMENTS.
8. ADJUST ALL EXISTING CASTINGS AND CLEANOUTS WITHIN PROJECT AREA TO GRADE AS REQUIRED.
9. ALL CATCH BASINS WITH DEPTH GREATER THAN 4.5' SHALL BE PROVIDED WITH STEPS. STEPS SHALL MEET THE REQUIREMENTS OF GDOT.
10. ALL STORM AND SANITARY SEWER MANHOLES WITH A DEPTH GREATER THAN 4' SHALL BE PROVIDED WITH STEPS. STEPS SHALL MEET THE REQUIREMENTS OF GDOT.
11. DISTANCES SHOWN FOR BOTH SANITARY AND STORM SEWER PIPES ARE MEASURED FROM CENTER OF STRUCTURE. THE CONTRACTOR IS RESPONSIBLE FOR ACTUAL FIELD CUT LENGTH. COORDINATES FOR STORM AND SANITARY STRUCTURES ARE SHOWN TO THE CENTER OF STRUCTURE, UNLESS OTHERWISE NOTED.
12. IMMEDIATELY AFTER PLACEMENT OF ANY CONDUITS, THE CONTRACTOR SHALL CONSTRUCT THE END TREATMENTS REQUIRED BY THE PLANS AT BOTH THE OUTLET AND INLET ENDS. THIS SHALL INCLUDE HEADWALLS, CONCRETE, RIP RAP, ROCK CHANNEL PROTECTION, SODDING, POURING BOTTOMS, MUDDING LIFT HOLES, ETC.
13. ALL PROPOSED STORM SEWERS, SURFACE OR OTHER DRAINAGE FACILITIES ARE TO BE PRIVATE AND MAINTAINED BY THE OWNER. EROSION CONTROL MEASURES MUST PROVIDE PROTECTION UNTIL COMPLETION OF THE PROJECT AND VEGETATIVE STABILIZATION.
14. THE CONTRACTOR IS TO CONSTRUCT CURBS, CATCH BASINS, DOWNSPOUTS, PIPING AND CONNECTIONS ETC. AS REQUIRED TO CONVEY THE ROOF AND PAVED SURFACE DRAINAGE TO THE UNDERGROUND DETENTION SYSTEM.
15. ROOF DRAINS, FOUNDATION DRAINS AND ALL OTHER CLEAR WATER CONNECTIONS TO THE SANITARY SEWER SYSTEMS ARE PROHIBITED.
16. SITE CONTRACTOR SHALL PICK UP ALL UTILITIES, WITH THE EXCEPTION OF DOWNSPOUTS, 5' OUTSIDE BUILDING WALL. COORDINATE WITH CONSTRUCTION MANAGER.
17. ALL STORM STRUCTURES ARE GDOT TYPES UNLESS OTHERWISE INDICATED.
18. STORM SEWER PIPE LABELED "STM" SHALL BE ONE OF THE FOLLOWING: PVC SDR-35, PVC PROFILE PIPE PER GDOT SPECIFICATION, HIGH DENSITY POLYETHYLENE PER GDOT SPECIFICATIONS, GALVANIZED CORRUGATED METAL PER GDOT SPECIFICATIONS, OR REINFORCED CONCRETE PIPE, GDOT SPECIFICATIONS CLASS IV. STORM SEWER PIPE LABELED "RCP" SHALL BE REINFORCED CONCRETE PIPE, GDOT SPECIFICATIONS CLASS IV. ALL STORM IS TO BE INSTALLED AS PER GDOT SPECIFICATIONS. ALL STORM PIPE USED MUST HAVE A MANUFACTURER SPECIFIED FRICTION FACTOR OF 0.013 (N=0.013) OR LESS.
19. ALL CATCH BASINS IN THE PAVEMENT ARE TO HAVE 4, 4" PERFORATED UNDERDRAINS EXTENDING 10 LF FROM THE CATCH BASIN IN THE UPHILL DIRECTION AND CAPPED. ALL CATCH BASINS IN THE CURB ARE TO HAVE 2, 4" PERFORATED UNDERDRAINS EXTENDING 10 LF FROM THE CATCH BASIN IN THE UPHILL DIRECTION AND CAPPED.
20. FOR EXACT LOCATION OF DOWN SPOUTS & ROOF DRAINS, COORDINATE WITH CONSTRUCTION MANAGER. ALL ROOF DRAINS ARE TO BE 8" UNLESS OTHERWISE NOTED.
21. ALL YARD DRAINS SHALL BE ONE OF THE FOLLOWING: NYLOPLAST-ADS DRAIN BASIN, NDS DURACAST FABRICATED PVC CATCH BASIN, AGRI-DRAIN CATCH BASIN, OR APPROVED EQUAL.
22. ALL EXISTING INVERTS ALONG THE PROPOSED TOP OF CASTING ELEVATIONS SHALL BE VERIFIED BY THE CONTRACTOR PRIOR TO CONSTRUCTION OF THE SEWER.
23. ANY FIELD TILE CUT IN EXCAVATION WHICH DRAINS IN AN OFFSITE AREA MUST BE TIED INTO THE STORM DRAINAGE SYSTEM.
24. THE FLOW IN ALL SEWERS, DRAINS, FIELD TILES AND WATERCOURSES ENCOUNTERED SHALL BE MAINTAINED BY THE CONTRACTOR AT HIS OWN EXPENSE, AND WHENEVER SUCH WATERCOURSES AND DRAINS ARE DISTURBED OR DESTROYED DURING THE PROSECUTION OF THE WORK, THEY SHALL BE RESTORED BY THE CONTRACTOR AT HIS OWN EXPENSE TO A CONDITION SATISFACTORY TO THE ENGINEER.
25. SANITARY SEWER SHALL BE SDR-35 OR APPROVED EQUAL AND CONFORM TO THE STANDARDS AND SPECIFICATIONS OF THE CITY OF GAINESVILLE. PIPE MUST MEET MINIMUM SLOPE REQUIREMENTS OF THE CITY OF GAINESVILLE AND GEORGIA DPH. SANITARY SEWER SHALL BE INSTALLED AT A MINIMUM DEPTH OF FOUR FEET (4') UNLESS OTHERWISE NOTED. A MINIMUM OF 18" CLEARANCE SHALL BE MAINTAINED AT ALL WATERLINE CROSSINGS. SANITARY SERVICE JOINTS SHALL CONFORM TO ASTM D-3212.
26. SANITARY SEWER IS TO BE BEDDED WITH CLEAN GRANULAR MATERIAL-AGGREGATES NOT TO BE LARGER THAN 3/4" AND NOT SMALLER THAN NO. 8 SIEVE, FREE OF SILT AND FINES, AASHTO M43 SIZE #67, 7 OR 8. BEDDING TO BE MINIMUM OF 6" BELOW & 12" ABOVE THE PIPE.
27. ALL WATERLINE CROSSINGS SHALL MAINTAIN A VERTICAL SEPARATION OF 18" MINIMUM. SANITARY SEWER SHALL BE LOCATED A MINIMUM OF 18" BELOW WATERLINE AT ALL CROSSINGS. WATERLINE SHALL BE LOCATED A MINIMUM OF 10' HORIZONTALLY FROM ANY SANITARY SEWER. ALL MEASUREMENTS SHALL BE TAKEN FROM OUTSIDE OF SEWER PIPE TO THE OUTSIDE OF WATERLINE PIPE. ONE FULL LENGTH OF WATERLINE PIPE SHALL BE LOCATED AT ALL CROSSINGS TO ENABLE BOTH JOINTS TO BE LOCATED AS FAR FROM SEWER AS POSSIBLE. ALL WATER SHALL HAVE A MINIMUM OF 4' OF COVER.
28. WATERLINE SHALL BE DUCTILE IRON PIPE CLASS 52, MINIMUM 250 PSI.

## SANITARY SEWER NOTES

All cleanout locations are approximate based on ref Plat #1 no evidence of cleanouts found at time of field work.

## LANDLORD PLAN NOTES

1. Lessee shall be responsible for all other work required to build Lessees improvements including, but not limited to all site work, construction of its building, lighting, parking lot, landscaping and all applicable signage.
2. Lessee will be responsible for connecting to all utilities including any and all connection fees and/or taps.

LOCATION MAP
NOT TO SCALE

## SITE ADDRESS

3654 Thompson Bridge Road
Gainesville GA, 30506

## SITE AREA

Total = 59,645 square feet or 1.369 acres

## REFERENCE PLATS

1. Construction Plans for Gainesville Storage prepared by TravisPruitt & Associates, Inc., dated 6/8/2021 and last revised 3/8/2023. (FN: 215-E-095)
2. Minor Subdivision Plat for D. Barrett Investments Properties, L.L.C. prepared by Travis Pruitt & Associates, Inc., dated 3/14/2023. (FN: 217-E-089)
3. Exhibit A - Water & Storm As-Built Survey of Gainesville Storage for Barrett Development Group, by Travis Pruitt and Associates Inc. dated 07/16/2024. (FN:218-S-163)

## SURVEY NOTES

1. This pat was prepared for the exclusive use of the person, persons, or entity named in the title block. Said use does not extenc to any unnamed person without expess permission by the surveyor naming said person.
2. The survey shown hereon was prepared without benefit of any abstract of title; therefore, Travis N. Pruitt, Jr. and Travis Pruitt & Associates, Inc. makes no guarantees or representations regarding information shown hereon pertaining to easements, rights of way, setback lines, agreements, reservations, and other similarmatters.
3. Unless otherwise specified, all distances shown are horizontal ground distances.
4. The project horizontal datum is relative to thr North Amerlcan Datum 1983 (NAD83), 2011 adjustment, projected to the Georgia State Plane Coordinate System, Georgia West Zone. The vertical datum is relative to the North Amerlcan Vertical Datum of 1988 (NAVD88 using the National Geodetic Surver (NGS) Geoid 12A
5. By graphic plotting only, his property Does Not lie within a 100 year Flood Hazard Zone and is depicted as zone(s) X as defined by the FEMA Flood Insurance RateMap of Hall County, Georgia and incorporated areas, Map Number 13139C0180G, effective date 04/04/2018.
6. No common observable evidence of cemeteries, burial grounds or isolated gravesites were found curing the course of the survey.
7. No observable evidence that the site was used as a solid waste dump, sump or sanitary landfill.
8. The Property has direct rehicular and pedestrian access to Thompson Bridge Road a.k.a S.R. 60), a dedicated public right of way, as shown on the survey.
9. No wetand delineation markers were observed at the time of the survey.
10. No buildings observed at time of field work.
11. There is observable evidence of earth moving work, but no observable building construction or buildingadditions at the time o' the survey.
12. No observable evidence or proposed changes in right of way made available to the surveyor.
13. No observable evidence of recent street or sidewalk construction or repairs.
14. Information regarding the reputed presence size, character and location of existing underground utilities and structure is shown hereon. There is no certainty of the accuracy of this information and it shall be considered in the light by those using his drawing. The location and arrangement of underground utilities and structures shown hereon may be inaccurate and utilities and structure not shown may be encountered. The owner his employees, his consultants and his contractors shall hereby distinctly understand that the surveyor is not responsible for the correctnes or sufficiency of this information.
15. Underground utility research, field markings, size and character of material has been provided by xIC Utility Surveing, LLC on 09/19/2024.

## CERTIFICATION:

This plat is a retracement of an existing parcel or parcels of land and does not subdivide or create a new parcel o make any changes to any real property boundaries. The recording informationof the documents, maps, plats, or other instruments which created the parcel or parcels are stated hereon. RECORDATION OF THIS PLAT DOES NOT IMPLY APPROVAL OF ANY LOCAL JURISDICTION, AVAILABILITY OF PERMITS, COMPLIANCE WITH LOCAL REGULATIONS OR REQUIREMENTS, OR SUITABILITY FOR ANY :ISE OR PURPOSE OF THE LAND. Furthermore, the undersigned land surveyor certifies that this plat complies with the minimum technical standards for property surveys in Georgia as set forth in the rules and regulations of the Georgia Board o' Registration for Professional Engineers and Land Surveyors and as set forth in Section 15-6-67.

This is to certify that this survey was made under my supervision and is a true representation of the land surveyed. The field data upon which this survey is based, was performed using a eGPS 20TL dual frequency receiver with network adjusted real time kinematic measurements referenced to the eGPS network. The GPS surver included redundant measurements with positional accuracy better than 0.07'.

This map or plat has been calculated for closure and is found to be accurate within one foot in 136,704 feet.

To The Klengers Group:

This is to certify that this map or plat and the survey on which it is based were made in accordance with the 2021 Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys, jointly established and adopted by ALTA and NSPS, and includes items 1-5, 6 (a), 7 (b), 8, 9, 11 (b), 13, 19 (5,000,000) d Table A thereof. The fieldwork was completed on 09/13/2024.

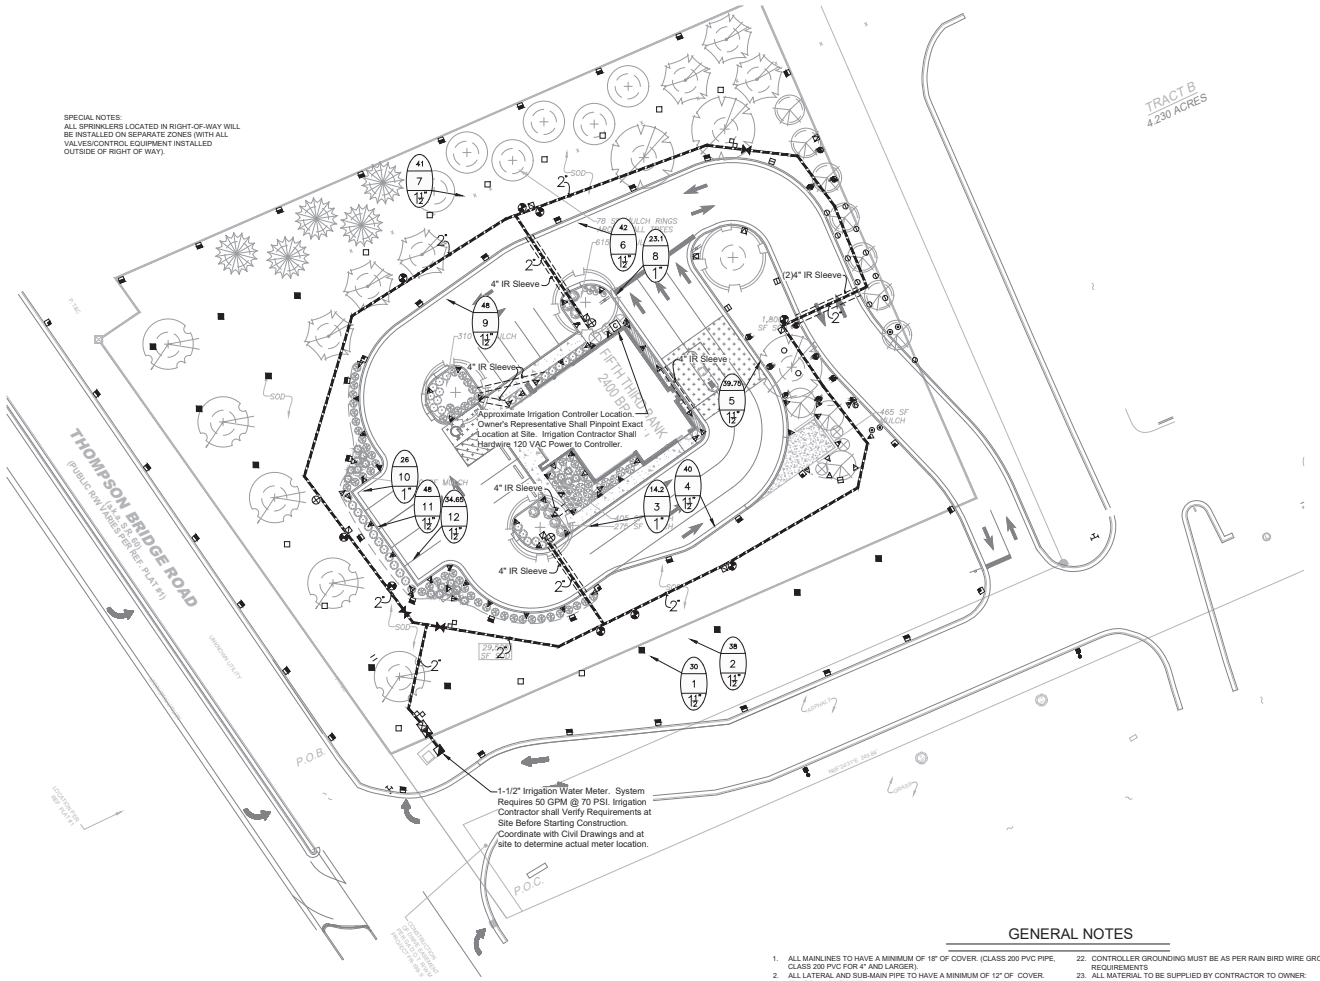
TREE PROTECTION / LANDSCAPE PLAN

Project Manager: JMJ
Drawn: OK
Checked: JMJ
Drawing Date: 1-22-2025
Project Number: 240106.001

Sheet No. L100

2025 Item 3



NOTES:
1. ALL SPRINKLER TO BE MOUNTED ON MARLEX ELLS OR UNITIZED SWING JOINTS (AS SPECIFIED ON DETAILS).
2. CONTRACTOR TO UTILIZE A AUTOMATIC DRAIN CHECK VALVE DEVICE WHERE LOW HEAD DRAINAGE MAY OCCUR.
3. ALL TWO-WIRE CABLE TO BE MINIMUM SIZE OF 14-2 MAXI-CABLE
4. ALL TWO-WIRE CABLE TO BE INSTALLED IN 1" SCH 40 PVC ELECTRICAL CONDUIT.
5. ALL ELECTRICAL CONDUITS OPENINGS TO BE FOAM SEALED.
6. ALL WIRE SPLICES TO BE MADE WITH 3M DBR/Y-6 CONNECTORS MOUNTED IN A MINIMUM OF 10" CARSON VALVE BOX
7. ALL PIPING AND WIRING UNDER HARDTOPS WILL BE IN CLASS 200 PVC PIPE SLEEVE.
8. LSP-1 SURGE ARRESTORS SHALL BE INSTALLED EVERY 300' OR EVERY 6 DECODERS (WHICHEVER IS SHORTER) ALONG TWO-WIRE PATH. LSP-1 SURGE ARRESTORS SHALL ALSO BE INSTALLED AT ALL TERMINAL ENDS OF TWO-WIRE CABLE PATHS (STAR CONFIGURATION). REFER TO DETAIL-O.
9. INSTALLATION CONTRACTOR SHALL ADHERE TO ALL MANUFACTURER SPECIFICATIONS FOR TWO-WIRE CONTROL SYSTEM INSTALLATION (WIRE SIZING, WIRE LENGTH OF RUNS, GROUNDING, ETC).

## IRRIGATION LEGEND

- 1-1/2" WATER METER AND BACKFLOW PREVENTION, SYSTEM REQUIRES 50 GPM @ 70 PSI. IRRIGATION CONTRACTOR SHALL BE RESPONSIBLE TO VERIFY THE SYSTEM REQUIREMENTS AT SITE BEFORE STARTING CONSTRUCTION.
- WINTERIZATION ASSEMBLY. DETAIL-Q.
- WATTS 9LF909-M1-QT-2", 2" REDUCED PRESSURE ASSEMBLY BACKFLOW PREVENTER. DETAIL-N.
- MANUAL DRAIN VALVE. SCH 80 PVC TRUE UNION BALL VALVE. DETAIL-E.
- RAIN BIRD ESP-LXD CONTROLLER, 50 TOTAL STATIONS, 2-WIRE/DECODER BASED MODULAR CONTROLLER, FOUR PROGRAMS, PLASTIC, WALL MOUNTED. DETAIL-J,K,P. IRRIGATION CONTRACTOR SHALL ALSO INSTALL A WIRELESS RAIN/FREEZE SENSOR FOR EACH CONTROLLER.
- RAIN BIRD 150-PEB PLASTIC ELECTRIC REMOTE CONTROL VALVE, 1-1/2" OR 2" SIZE, MOUNTED WITH SCH 80 PVC TRUE UNION BALL VALVE, MOUNTED WITH RAIN BIRD SINGLE STATION DECODER (FD-101TURF). DETAIL-A.
- RAIN BIRD 100-PEB PLASTIC ELECTRIC REMOTE CONTROL VALVE, 1" SIZE, MOUNTED WITH SCH 80 PVC TRUE UNION BALL VALVE, MOUNTED WITH RAIN BIRD SINGLE STATION DECODER (FD-101TURF). DETAIL-A.
- RAIN BIRD 1806-SAM, 6" POP-UP LAWN SPRAY SPRINKLER, 15' RADIUS, FULL-4.0 GPM, HALF-2.0 GPM, QUARTER-1.0 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1806-SAM, 6" POP-UP LAWN SPRAY SPRINKLER, 12' RADIUS, FULL-3.0 GPM, HALF-1.5 GPM, QUARTER-0.75 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1806-SAM, 6" POP-UP LAWN SPRAY SPRINKLER, 10' RADIUS, FULL-2.0 GPM, HALF-1.0 GPM, QUARTER-0.5 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1806-SAM, 6" POP-UP LAWN SPRAY SPRINKLER, 8' RADIUS, FULL-1.2 GPM, HALF-0.6 GPM, QUARTER-0.3 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1806-SAM, 6" LAWN POP-UP SIDE STRIP SPRAY SPRINKLER, 9' X 18' RADIUS, 2.0 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1806-SAM, 6" LAWN SIDE STRIP SPRAY SPRINKLER, 4' X 30' RADIUS, 1.5 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1806-SAM, 6" LAWN END STRIP SPRAY SPRINKLER, 4' X 15' RADIUS, 1.0 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1812-SAM, 12" HI-POP SHRUB SPRAY SPRINKLER, 15' RADIUS, FULL-4.0 GPM, HALF-2.0 GPM, QUARTER-1.0 GPM, 30 PSI. DETAIL-B.
- RAIN BIRD 1812-SAM, 12" HI-POP SHRUB SPRAY SPRINKLER, 12' RADIUS, FULL-3.0 GPM, HALF-1.5 GPM, QUARTER-0.75 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1812-SAM, 12' HI-POP SHRUB SPRAY SPRINKLER, 10' RADIUS, FULL-2.0 GPM, HALF-1.0 GPM, QUARTER-0.5 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1812-SAM, 12" HI-POP SHRUB SPRAY SPRINKLER, 8' RADIUS, FULL-1.2 GPM, HALF-0.6 GPM, QUARTER-0.3 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1812-SAM, 12" HI-POP SHRUB SPRAY SPRINKLER, 5' RADIUS, HALF-0.2 GPM, QUARTER-0.1 GPM, 30 PSI. DETAIL-C.
- RAIN BIRD 1812-SAM, 12" HI-POP SHRUB SIDE STRIP SPRAY SPRINKLER, 9' X 18' RADIUS, 2.0 GPM, 30 PSI. DETAIL-B.
- RAIN BIRD 1812-SAM, 12" HI-POP SHRUB SIDE STRIP SPRAY SPRINKLER, 4' X 30' RADIUS, 1.5 GPM, 30 PSI. DETAIL-B.
- RAIN BIRD 1812-SAM, 12" HI-POP SHRUB END STRIP SPRAY SPRINKLER, 4' X 15' RADIUS, 1.0 GPM, 30 PSI. DETAIL-B.
- HUNTER I-20-06-SSLAWN ROTOR, 40' RADIUS, FULL-8.0 GPM, HALF-4.0 GPM, QUARTER-2.0 GPM, 45 PSI, DETAIL-B.
- HUNTER I-20-06-SS LAWN ROTOR, 30' RADIUS, FULL-4.0 GPM, HALF-2.0 GPM, QUARTER-1.0 GPM, 45 PSI, DETAIL-B.
- RAIN BIRD #5 QUICK COUPLING VALVE 1" SIZE. CONTRACTOR TO SUPPLY TWO QCV KEYS AND MATCHING HOSE SWIVELS. DETAIL-F.
- SCH 80 PVC TRUE UNION BALL VALVE, SIZED SAME AS MAINLINE, MOUNTED IN CARSON VALVE BOX, DETAIL-L.
- MAINLINE PIPE: 2" CLASS 200 PVC PIPE UTILIZING SCH 40 PVC SOLVENT WELD FITTINGS.
- IRRIGATION SLEEVE: CLASS 200 PVC, SIZE NOTED ON PLAN. DETAIL-H.
- LATERAL LINE PIPE: CLASS 200 PVC SOLVENT WELD PIPE UTILIZING SCH 40 PVC SOLVENT WELD FITTINGS, SIZE NOTED.
- ELECTRICAL CONDUIT SLEEVE, REFER TO NOTES ON PLANS.

## GENERAL NOTES

1. ALL MAINLINES TO HAVE A MINIMUM OF 18" OF COVER. (CLASS 200 PVC PIPE, CLASS 200 PVC FOR 4" AND LARGER).
2. ALL LATERAL AND SUB-MAIN PIPE TO HAVE A MINIMUM OF 12" OF COVER. (CLASS 200 PVC PIPE).
3. NO ROCKS, BOULDER, OR OTHER EXTRANEOUS MATERIALS TO BE USED IN BACKFILLING OF TRENCH.
4. ALL PIPE TO BE INSTALLED AS PER MANUFACTURERS' SPECIFICATIONS.
5. ALL THREADED JOINTS TO BE COATED WITH TEFLON TAPE OR LIQUID TEFLON.
6. ALL LINES TO BE THOROUGHLY FLUSHED BEFORE INSTALLATION OF SPRINKLER HEADS.
7. SPRINKLER AND RELATED EQUIPMENT TO BE INSTALLED AS PER DETAILS.
8. ALL ELECTRICAL JOINTS TO BE MADE USING WATERPROOF CONNECTIONS AS SHOWN ON DETAILS.
9. ALL EQUIPMENT NOT SPECIFIED IN THE LEGEND SHALL BE DETERMINED AND FURNISHED BY THE CONTRACTOR.
10. NO ELECTRICAL CONNECTIONS SHALL BE MADE IN THE FIELD EXCEPT AT A VALVE CONTROL BOX OR ANOTHER VALVE BOX SPECIFICALLY FOR CONNECTIONS.
11. ANY DISCREPANCY BETWEEN THIS SHEET AND OTHERS IN THIS SET MUST BE REFERRED TO THE IRRIGATION CONSULTANT BY THE CONTRACTOR FOR CLARIFICATION BEFORE PRECEEDING WITH THE WORK.
12. ALL TWO-WIRE CONTROL WIRES SHALL BE #14-2 MAXI CABLE, INSTALLED IN 1" SCH 40 PVC ELECTRICAL CONDUIT.
13. CONTRACTOR TO BE RESPONSIBLE FOR PROPER COVERAGE OF AREAS TO BE WATERED, I.E. ADJUST HEADS WITH INSUFFICIENT COVERAGE DUE TO BLOCKAGE BY EXISTING OR PROPOSED SITE FEATURES.
14. CONTRACTOR TO REFER TO LANDSCAPE PLAN TO KEEP SPRINKLER EQUIPMENT AND ACCESSORY MATERIAL FROM INTERFERING WITH PROPER PLANTING, i.e. VERIFY ROOT BALL SIZE FOR PLANTING.
15. CONTRACTOR SHALL PROVIDE EXPANSION COILS AT EACH WIRE CONNECTION IN VALVE BOX (WRAP AROUND 3/4" PIPE 12 TIMES).
16. CONTRACTOR TO UTILIZE APPROPRIATE AUTOMATIC DRAIN DEVICE WHERE LOW HEAD DRAINAGE MAY OCCUR.
17. ALL SPRINKLERS TO BE INSTALLED AS DETAILED ON PLANS.
18. CONTRACTOR SHALL UTILIZE VALVE I.D. TAGS ON ALL REMOTE CONTROL VALVES.
19. 24 VOLT WIRE SHALL BE COLOR CODED PER SEPARATE WIRE RUNS.
20. CONTRACTOR SHALL INSTALL MANUFACTURERS' RECOMMENDED GROUNDING EQUIPMENT FOR POWER SUPPLY AND VALVE OUTPUT WITH PAIGE WIRE GROUND PLATE ASSEMBLY.
21. CONTRACTOR SHALL INSTALL MANUFACTURERS' RECOMMENDATION ON FAULT GROUND AND LIGHTNING PROTECTION.
22. CONTROLLER GROUNDING MUST BE AS PER RAIN BIRD WIRE GROUNDING REQUIREMENTS
23. ALL MATERIAL TO BE SUPPLIED BY CONTRACTOR TO OWNER:
    A. TWO WRENCHES FOR DISASSEMBLING AND ADJUSTING EACH TYPE OF SPRINKLER HEADS AND VALVE SUPPLIED.
    B. TWO KEYS FOR EACH OF THE AUTOMATIC CONTROLLERS.
    C. TWO QUICK COUPLER KEYS WITH MATCHING HOSE SWIVELS.
24. SYSTEM IS DIAGRAMMATIC TO IMPROVE CLARITY. ALL MAINLINE PIPING ELECTRIC VALVES AND WIRING ARE TO BE INSTALLED IN LANDSCAPE AREAS AND WITHIN PROPERTY BOUNDARIES. CONTRACTOR SHALL REFERENCE THE LANDSCAPE PLAN PRIOR TO THE INSTALLATION OF PIPING TO AVOID CONTACT WITH PLANT MATERIALS EXISTING OR NEW.
25. CONTRACTOR TO ADD EXTENSION RISER TO POP-UP HEADS WHEN NEEDED FOR PROPER COVERAGE.
26. CONTRACTOR SHALL INSTALL SPRINKLER EQUIPMENT 12" FROM FOUNDATIONS. ALSO INSTALL SPRINKLERS 4" FROM CURB OR WALKS.
27. PRIOR TO BID IRRIGATION CONTRACTOR SHALL VERIFY RIGHT-OF-WAY AND BACKFLOW REQUIREMENTS. NO LATER THAN FIVE DAYS BEFORE BID SUBMITTALS CONTRACTOR SHALL NOTIFY CONSULTANT OF ANY CHANGES FROM PLANS AND SPECIFICATIONS.
28. IRRIGATION CONTRACTOR SHALL PROVIDE THE OWNER AND LANDSCAPE ARCHITECT WITH A REPRODUCIBLE CROSS MEASURED AS-BUILT DRAWING OF THE INSTALLED IRRIGATION SYSTEM IN AUTOCAD 2010 FORMAT BEFORE FINAL ACCEPTANCE.
29. A 1-YEAR WARRANTY PERIOD SHALL BE PROVIDED FOR SYSTEM AFTER SUBSTANTIAL COMPLETION IS ACCEPTED. START UP AND ADJUSTING OF SYSTEM IN SPRING TIME SHALL BE INCLUDED IN WARRANTY.
30. PRIOR TO BID, CONTRACTOR SHALL VERIFY THAT ALL MATERIALS, INSTALLATION PARAMETERS AND OPERATIONS CONFORM TO ALL APPLICABLE CODES AND ORDINANCES. NO LATER THAN FIVE DAYS BEFORE BID SUBMITTALS CONTRACTOR SHALL NOTIFY IRRIGATION CONSULTANT/DESIGNER OF ANY CHANGES REQUIRED DUE TO CURRENT CODE OR ORDINANCE DISCREPANCIES. IF CONTRACTOR DOES NOT COMPLY TO THIS NOTIFICATION, THE CONTRACTOR SHALL BE RESPONSIBLE FOR ALL NECESSARY INSTALLATION CHANGE AND REDESIGN COSTS FOR NON-COMPLIANCE.
31. UNLESS OTHERWISE NOTED, THE CONTRACTOR MUST COMPLETE 2 PRESSURE TESTS OF THE IRRIGATION SYSTEM MAINLINE (BOTH TO SHOW NO DROP IN PRESSURE DURING DURATION OF TEST.
    A. 2-HOUR PRESSURE TEST AT 1.5 TIMES THE SYSTEM STATIC PRESSURE
    B. 24-HOUR PRESSURE TEST AT THE SYSTEM STATIC PRESSURE
32. IRRIGATION INSTALLATION CONTRACTOR SHALL PROVIDE OWNER WITH A COLOR-CODED ZONES DIAGRAM PLAN, 8-1/2"X11" LAMINATED SHEET(S), TO IDENTIFY CONTROLLER STATION TO THE CONTROL VALVE NUMBER FOR EACH CONTROLLER. TO BE LOCATED IN ADHESIVE POUCH ATTACHED INSIDE OF CONTROLLER(S).

**UNDERGROUND IRRIGATION SYSTEM**

**PART 1- GENERAL**

**1.1 SYSTEM DESCRIPTION**

A. The sprinkler system shall include sprinklers, valves, piping fittings, controller, wiring, all of sizes and types as shown on the drawings and specified. The system shall be constructed to grades and conform to areas and locations as shown on the drawings.

B. Sprinkler lines shown on the drawings are essentially diagrammatic. Spacing of the sprinkler heads or quick coupling valves are shown on the drawings and shall be exceeded only with written permission of the Designer.

C. Unless otherwise specified or indicated on the drawings, the construction of the sprinkler system shall include the furnishing, installing, and testing of all mains, laterals, risers and fittings, sprinkler heads, gate valves, control valves, controllers, electric wire, controls, backflow preventers, enclosures, and other necessary specialties and the removal and/or restoration of existing improvements, excavating and backfill, and all other work in accordance with the plans and specifications a required for a complete system.

**1.2 QUALITY ASSURANCE**

A. Installer Qualifications: Irrigation Contractor shall have successfully completed five (5) projects similar in material, size, scope and complexity to that indicated for this Project that have resulted in construction with a record of successful in-service performance. This requirement includes Pump installation Contractor.

1. Firm Experience Period: Five (5) years of experience

2. Field Foreman Experience: Five (5) years of experience with installing firm.

B. Conference: Before any work is started a conference shall be held between the Contractor and the Owner concerning the work under this contract.

B. The Contractor shall maintain continuously a competent superintendent, satisfactory to the Owner, on the work during progress with authority to act or him in all matter pertaining to the work.

C. It is the Irrigation Contractor's responsibility to coordinate and cooperate with the other Contractors to enable work to proceed rapidly and efficiently.

D. The Contractor shall confine his operations to the area to be improved and to the areas allotted him by the Designer and General Contractor for material and equipment.

E. Contractor shall take all necessary to protect the existing site conditions and vegetation.

**1.3 SUBMITTALS**

A. General: Submit in accordance with Shop Drawings, Product Data, and Samples.

B. Shop Drawings and Equipment Product Information:

1. Prior to purchasing materials, submit product information on all sprinkler heads, automatic valves, quick coupling valves, controller, and pipe to be used on the project.

2. Contractor shall review drawings and data to supply actual precipitation rates and times for each zone in maintenance package.

3. Prior to trenching, Contractor shall submit proposed trenching equipment to Designer for approval.

C. Record Drawings and Instructions

1. Upon completion of installation, Contractor shall produce as-built drawings in Autocad 2017 format and furnish one set of reproducible and one set of printed record drawings showing all sprinkler heads, valves, drains, and pipelines to scale with dimensions. These drawings shall have dimensions from easily located stationary points (cross measured) as they relate to all valves, mainlines, and wire. Clearly note all approved substitutions of size, material, etc. Complete, concise instruction sheets and parts lists covering all operating equipment and weathering techniques shall be bound into folders and furnished to the Owner in three (3) copies. Submission of this information is a requirement for final acceptance.

**1.4 SITE CONDITIONS**

A. The Contractor shall examine the site, plans and specifications (i.e. system requirements).

B. It shall be the Contractor's responsibility to report in writing to the Designer any deviations between drawings, specification, and actual site conditions. Failure to do so prior to the installing of equipment shall be done at the Contractor's expense.

C. Adjustment of the sprinkler heads and automatic equipment will be done by the Contractor, upon completion of installation, to provide optimum performance.

D. After completion, testing, and acceptance of the system, the Contractor shall verbally instruct the Owner's personnel in the operation and maintenance of the system. All written instruction shall be included in the bound maintenance package as stated in Paragraph 1.3 - Submittals.

**PART 2 - PRODUCTS**

**2.1 PIPE AND FITTINGS**

A. Pipe sizes shall conform to those shown on the drawings. No substitutions of smaller pipe sizes will be permitted, but substitutions of larger size may be approved. All pipe damaged or rejected because of defects shall be removed from the site at the time of said rejection.

B. All mainline piping (21/2") two and one half inches and larger will be equipped with gaskets.

C. All fittings for mainline pipes two and one half (21/2") inches or larger will be equipped with gaskets.

D. All piping downstream of electric valves, sizes (3) inches and smaller, shall be rigid unplasticized PVC 200 PSI working pressure extruded from virgin parent material of the type specified on the drawings. The pipe shall be homogeneous throughout and free from visible cracks, holes, foreign materials, blisters, wrinkles and permanently marked with the manufacture's name, material, size, and schedule type. Pipe must bear the NFS seal.

E. All mainline piping and underground piping under continuous pressure shall be rigid unplasticized PVC-Class 200 PSI working pressure extruded from virgin parent material of the type specified on the drawings. The pipe shall be homogeneous throughout and free from visible cracks, holes, and foreign materials, blisters, wrinkles and dents.

F. All plastic fittings to be installed shall be molded fittings manufactured of the same material as the pipe and shall be suitable for solvent weld, slip joint ring tight seal, or screwed connections NO fitting made of other material shall be used except as hereinafter specified.

G. Slip fitting socket tapers shall be so sized that a dry unsoftened pipe end conforming to these special provisions can be inserted no more than halfway into the socket. Plastic saddle and flange fittings will not be permitted. Only Schedule 80 pipe may be threaded.

H. Fittings for all Mainline Piping 4" and larger shall be Harco Ductile Iron Gasketed Fittings. All mainline shall utilize approved thrust blocking and or restraints. Thrust Blocking and restraints to be installed as per manufacturer's recommendations for pipe type, pipe size and local environmental conditions.

**2.2 SLEEVES**

A. All sleeves shall be Class 200 PVC or stronger. All sleeves are required at every crossing indicated on drawings. (Size Noted)

B. All sleeves shall be installed under proposed pavement areas prior to subgrade and base construction.

C. Sleeves shall have a minimum horizontal separation of 18" and a maximum of twenty-four (24) inch clearance below bottom of curb.

D. All sleeves shall have a minimum horizontal separation of twenty-four (24) and maximum of thirty-six inches from center to center.

E. Stub up sleeve pipe twelve (12) inches above ground surface and cap. Paint cap with fluorescent orange paint for easy identification.

F. The location of all sleeves shown on the plans is schematic. The contractor shall make any adjustments necessary to accommodate existing vegetation, utilities, or other existing conditions.

G. If the road crossings are designated as being bore locations the bore must be ample size to accommodate the size sleeve specified.

**2.3 CONTROL SYSTEM**

A. The Controller shall be two-wire, decoder based system (as stated on plans).

B. The automatic controllers shall be as shown on the plans and shall be made by the same manufacturer as valves.

C. Install Rain Check or Mini-Click type shut off device to override the control timer in the event of rain.

**2.4 CONTROL WIRE**

A. Two-wire Control wire shall be type UF, UL approved, for direct burial and shall be #14-2/MAXI (MINIMUM SIZE), solid copper, double jacked, insulated.

B. Joining of underground wires shall be made with watertight connectors in valve boxes. No splicing between boxes is acceptable. Utilize 3M DBR/Y-6 Connections unless directed otherwise.

C. All wire connections in valve boxes; first example shall stay open until the Designer approves.

D. Install LSP-1 Surge Protection Device every 300 feet or every 6 decoders, whichever is less, with Ground Rod, on two-wire path and at end of wire run that terminates in field (star configuration).

**2.5 IRRIGATION VALVES**

A. Zone Control Valves

1. Globe-type diaphragm valves of normally closed design, with bronze bodies or heavy- duty plastic and covers (type noted on drawings). Operation accomplished by means of an integrally mounted heavy-duty 24 volt AC solenoid complying with National Electrical Code, Class II Circuit, solenoid coil potted in epoxy resign within a plastic-coated stainless steel housing. Solenoids shall be completely waterproof, suitable for direct underground burial. Provide a flow stem adjustment in each valve.

2. To be installed with Single Station Decoder (as specified on plans).

**2.6 VALVE BOXES**

A. All valves shall be installed in thermoplastic valve access boxes of the size required to permit access to the valve. Valve boxes shall include black thermoplastic locking covers. Manufacturer - Carson or approved equal.

B. All valve boxes shall be installed on at least a two (2) cubic foot gravel base to provide foundation and drainage.

C. All valve box elevations shall be ½" below finished grade.

**2.7 THRUST BLOCKS**

A Place one cubic ft. of concrete for each inch of pipe diameter for thrust block. Thrust shall not allow vertical or horizontal movement of pipe in any direction unless otherwise noted on design. Thrust blocking shall be provided on all piping three (3) inch diameter and larger.

**2.8 DRIP IRRIGATION**

A. Drip irrigation equipment shall be as specified on plans (emitter types, emitter flow rates, etc).

**PART 3 - EXECUTION**

**3.1 EXCAVATION AND BACKFILL**

A. Trenches for pipe sprinkler lines shall be excavated of sufficient depth and width to permit proper handling and installation by any other method the Contractor may desire if approved by the Owner, pipe manufacturer, and Designer. The backfill shall be thoroughly compacted and evened off with the adjacent soil level. Selected fill dirt or sand shall be used if soil conditions are rocky. In rocky areas the trenching depth shall be two (2) inches below normal trenching depth to allow for this bedding. The fill dirt or sand shall be used in filling (4) inches above the pipe. The remainder of the backfill shall contain no lumps or rocks larger than three (3) inches. The top twelve (12) inches of backfill shall be topsoil, free of rocks, subsoil, or trash. Any open trenches or partially backfilled trenches left overnight or left unsupervised shall be barricaded to prevent undue hazard to the public.

B. The Contractor shall backfill in six (6) inch compacted lifts as needed to bring the soil to its original density.

C. In the spring following the year of installation, the Contractor shall repair any settlement of the trenches by bringing them to grade with topsoil, and seeding with the existing lawn type(s). Watering and maintenance of the repaired areas shall be the Owner's responsibility.

**3.2 INSTALLATION OF PLASTIC PIPE**

A. Plastic pipe shall be installed in a manner that permits expansion and contraction as recommended by the manufacturer.

B. Plastic pipe shall be cut with a handsaw or hacksaw with the assistance of a square in sawing vice or in a manner so as to ensure a square cut. Burrs at cut ends shall be removed prior to installation so that a smooth unobstructed flow will be obtained.

C. All plastic-to-plastic joints shall be solvent weld joints or slip seal joints. Only the solvent recommended for the pipe and fittings shall be installed as outlined and instructed by the pipe manufacturer. The Contractor shall assume full responsibility for the correct installation.

D. The joints shall be allowed to set at least twenty-four (24) hours before pressure is applied to the system on PVC pipe.

**3.3 CONTROLLER AND ELECTRICAL CONNECTIONS**

A. All electrical connections shall conform to the National Electrical Code, latest edition.

B. Control wires installed beneath walks, drives, or other permanent surfaces shall be placed in sleeves.

C. Wires shall be spliced only at valve boxes.

D. Leave twenty-four (24) inch loop of wire at each valve for expansion/contraction and servicing.

E. Controllers and valves shall be from the same company e.g. (Rain Bird, Toro or approved equal).

F. 120 VAC electrical power supply to the controller location shall be supplied by others.

**3.4 FLUSHING AND TESTING**

A. After all new sprinkler piping and risers are in place and connected for a given section and all necessary division work has been completed and prior to the installation of sprinkler heads all control valves shall be opened and a full head of water used to flush out the system.

B. Sprinkler main shall be pressure tested as follows:
1. Two (2) hour pressure test at 1.5 times the system operating pressure
2. Twenty four (24) hour pressure test at the system operating pressure
If leaks occur, repair and repeat the test until no leaks occur (pressure does not drop). Give Designer twenty-four hours notice prior to testing.

C. Testing of the system shall be performed after completion of the entire installation and any necessary repairs shall be made at the Contractor's expense to put the system in good working order before final payment by the Owner.

D. Adjustment of the sprinkler heads, and automatic equipment, will be done by the Contractor upon completion of installation to provide optimum performance. Minor adjustments during the guarantee period will be made by the Owner.

E. After completion, testing, and acceptance of the system, the Contractor will instruct the Owner's personnel in the operation and maintenance of the system.

**3.5 CLEAN UP AND PROTECTION**

A. During irrigation work, Contractor shall keep project site clean and orderly

B. Upon Completion of Work, clear grounds of debris, superfluous materials and all equipment.
Remove from site to satisfaction of the Owner's Representative.

**3.6 WINTERIZING THE SYSTEM**

A. Contractor's responsibility to winterize the irrigation system the first winter following Substantial Completion of the Project.

**3.7 INSPECTION**

A. Periodic Inspections will be made by the Landscape Architect/Owner's Representative to review the quality and progress of the work. Work found to be unacceptable must be corrected within a timely mater (to be determined by Owner's Representative). Remove rejected materials promptly from the project site.

B. It will be the responsibility of the Irrigation Contractor to provide a reliable communication system (i.e. Two way radios or remote radio control activation system) for Substantial Completion and all periodic inspections.

**PART 4.0 - CODES, PERMITS, WARRANTY, AND GUARANTEE**

**4.1 CODES AND ORDINANCES**

A. All materials, installation parameters, and operations shall conform to all applicable codes and ordinances. It is the Contractor's responsibility to investigate and follow all regulations. Contractor is responsible to verify applicable codes and ordinances prior to submitting bid. Before bid submittal, it is the Contractor's responsibility to notify the Irrigation Consultant/Designer at least 5 days before bid submittal, of any changes due to code or ordinance discrepancies. If the Contractor does not comply with this process and notification, the Contractor shall be responsible for the necessary installation change and redesign costs for non-compliance.

**4.2 PERMITS AND FEES**

A. The Contractor shall obtain, at his expense, all required permits and shall pay all required fees. Any penalties imposed due to failure to obtain any permit or pay any fee shall be the responsibility of the Contractor.

**4.3 WARRANTY AND GUARANTEE**

A. The Contractor shall furnish a certificate of warranty registration and a written guarantee of work and materials for a one year period from the date of final acceptance of the Irrigation System by the Owner and the Designer.

**END OF SECTION**

This document is the product and property of Baker Hood Donnelly Preston Inc. Under its document nor shall it be used in whole or in part or used for other than the specified project for which it was prepared without the written consent of Baker Hood Donnelly Preston, Inc.

**EXHIBIT A**

All that tract or parcel of land situated, lying and being in Bark Camp District, Hall County, Georgia, and being Lot No. Eleven (11) of the John A. Gaines Subdivision, on the Gainesville-Murrayville-Bark Camp Road, as shown by plat of said subdivision made by S.C. Moon, County Surveyor, of Hall County, on July 1, 1936, being plat recorded in Plat Book 3, Page 118, to which plat reference is hereby made for a full description of the lot herein conveyed with all improvements thereon consisting of a five-room frame dwelling. This is the same property described in a Warranty Deed dated October 22, 1946 from Frank H. Peck to Robert Martin Jr. and as described in a Warranty Deed dated March 6, 1980 from Robert Martin, Jr. to Foy Martin.

LESS AND EXCEPT:

ALL that tract or parcel of land being more particularly described in that certain Department of Transportation Right of Way Deed executed by Foy Martin and Robert Martin, Jr., dated July 1, 1991, and recorded in Deed Book 1621, page 328, Hall County, Georgia records.

Re: Water & Sanitary Sewer Availability
Proposed Commercial Site
PIN: 10104 000002

Dear Mr. Lehman,

The purpose of this letter is to confirm the availability of water and sanitary sewer service to the above-referenced property.

The City of Gainesville owns and operates an existing 24-inch DIP water main in the right-of-way of Thompson Bridge Road along the frontage of the subject property. The City also owns and operates existing 12-inch gravity sanitary sewer located on the subject property.

The City of Gainesville has adequate domestic capacity for your proposed commercial development, which we understand will generate an anticipated average sewage flow of 120 GPD and a peak flow of 300 GPD.

This confirmation of water and sanitary sewer availability is good for one year from the date of this letter at which time, it will become null and void unless engineered plans have been submitted for issuance of a development permit.

Please call me at (770) 538-2452 should you have any questions.

Sincerely,

Nick Swafford

## HCPC Tentative Agenda 6.16.25

**From** Emily McGahee (Environmental Health) <emcgahee@hallcounty.org>
**Date** Tue 5/13/2025 9:01 AM
**To** Kaitlyn Elliott (Planning) <kelliott@hallcounty.org>; Katie L. Greenway (CDI: Planning) <klgreenway@hallcounty.org>; Beth Garmon (CDI: Planning) <bgarmon@hallcounty.org>
**Cc** Kelly Hairston (Environmental Health) <khairston@hallcounty.org>; Chad Harper (Environmental Health) <charper@hallcounty.org>

Item 1, 5183 Glen Forrest Drive, Ozoemena: All proposed structures must meet all residential permitting requirements and/or required setbacks to existing septic system.

Item 2, 5235/5241 Winder Hwy, Genuine Mapping: Must meet all Environmental Health commercial septic system permitting requirements. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation may be required after review of business plan.

Item 3, 3654 Friendship Rd, Taylor Morrison: No comment. Public sewer.

Item 4, 3654 Thompson Bridge Rd, Fifth Third Bank: No comment. Public sewer.

Items 5A/B, 2978 Athens Hwy, Mistry: Must meet all Environmental Health commercial septic system permitting requirements. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation may be required after review of business plan.

Item 6, 2620/2634 Barrett Rd, Dowdy: Must meet all Environmental Health commercial septic system permitting requirements if able to be permitted by Environmental Health. Environmental Health can only permit residential strength wastewater; therefore, non-domestic wastewater will be required to be disposed of through public sewer or an EPD permitted system. Further determination will be made during the civil plan review process.

Item 7, 5401 Old Winder Hwy, K2P Land Partners: No comment. Public sewer.

Item 8, 5401 Old Winder Hwy, K2P Land Partners: No comment. Public sewer.

## MEMORANDUM

**To:** Beth Garmon, Director of Planning and Zoning

**From:** Bill Nash, Director of Public Works and Utilities

**Date:** May 16, 2025

**Subject:** June 16, 2025 - Hall County Planning Commission Agenda

Please be advised that our office has reviewed the Hall County Planning Commission agenda for the June 16, 2025 meeting. Upon review, we provide the following comments.

**NEW BUSINESS**

1. **5183 Glen Forrest Drive | Variance to section 4.3 |** to reduce the minimum yards | on a 1.72± acre tract located on the south side of Glen Forrest Drive, approximately 1,363 feet from its intersection with Glen Forrest Court | Zoned R-1; Tax Parcel 15043K000021 **| Proposed Use: Bring an existing residence into compliance |** * Commission District 1 | **Chinyere Ozoemena, applicant**

a. **Engineering**: No comment
b. **Traffic:** No comment
c. **Utilities:** No sewer in area. Gainesville water

2. **5235 & 5241 Winder Highway | Variance to Section 6.2 |** GCOD Transitional Buffers | on a combined 1.47± acre traced located on the northeast side of Winder Highway, approximately 2,665 feet from its intersection with Howington Road | Zoned I-1; Tax Parcels 15028 000019 & 15028 000029 **| Proposed use: Office/warehouse |** *Commission District 1 **| Genuine Mapping & Design c/o Ben Drerup**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
Show stream buffer and impervious setback from wrested vegetation not centerline of stream

Show FEMA and Hall County studied Flood plains that are present on site.

b. **Traffic:** No comment

c. **Utilities:** Sanitary sewer is available to these via a force main on the south side of Winder Hwy. A pump station will be required.

3. **3654 Friendship Road, 3760, 3746 & 3778 Friendship Circle | Special Use |** to amend conditions of zoning | on a 116.04± acre tract located on the south side of Friendship Circle at its intersection with Friendship Place | Zoned PRD; Tax Parcels 15048 000008, 000007, 000025C, & 000204A **| Proposed use: Model homes & construction trailer |** **Commission District 1 | **Taylor Morrison of GA, LLC, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
Show stream buffer and impervious setback from wrested vegetation not centerline of stream
Show FEMA and Hall County studied Flood plains that are present on site.

b. **Traffic:** No comment

c. **Utilities:** The new Friendship Road gravity sewer line runs through this property. It is available for connection.

4. **3654 Thompson Bridge Road | Special Use |** to amend conditions of zoning | on a 1.37± acre tract located on the northeast side of Thompson Bridge Road, approximately 736 feet from its intersection with Southers Road | Zoned PCD; Tax Parcel 10104 000002 **| Proposed use: Financial Institution |** ** Commission District 2 | **Fifth Third Bank c/o Tammala Brooks, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.

b. **Traffic:** No comment

c. **Utilities:** Gainesville sanitary sewer service area.

5. **(A) 2978 Athens Highway | Rezone |** from Light Industrial (I-1) to Highway Business (H-B) | on a 1.12± acre tract located on the southwest side of Athens Highway at its intersection with Baker Road | Zoned I-1; Tax Parcel 15023 000173 | **Proposed use: Convenience store with fuel sales** | ** Commission District 3 | **Asif Mistry, applicant**

**(B) 2978 Athens Highway | Special Use |** for fuel sales in GCOD | on a 1.12± acre tract located on the southwest side of Athens Highway at its intersection with Baker Road | Zoned I-1; Tax Parcel 15023 000173 **| Proposed use: Convenience store with fuel sales |** ** Commission District 3 | **Asif Mistry, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
b. **Traffic:** GDOT permit required for proposed Athens Hwy (SR 11/ US 129) access.
Proposed Baker Road access will need to meet Hall County commercial standards
c. **Utilities:** Sanitary sewer is only available at this site via a force main. A pump station will be required.

6. **2620 & 2634 Barrett Road | Rezone |** from Light Industrial (I-1) and Agricultural Residential 1 (AR-1) to Heavy Industrial (I-2) | on a combined 4.42± acre tract located on the southeast of Athens Highway, at its intersection with Barrett Road | Zoned I-1 & AR-1; Tax Parcels 15023A000037 & 15023A000007 | **Proposed use: Repackaging of processed animal products** | ** Commission District 3 | **Degaria Dowdy, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.
b. **Traffic:** Driveways will need to meet County industrial standards
c. **Utilities:** No sanitary sewer service in area. Hall County/Gainesville shared service area.

7. **5401 Old Winder Highway | Rezone |** from Agricultural Residential 1 (AR-1) to Residential Multi-Family (R-MF) | on a 84.30± acre portion of a tract located on the east side of Old Winder Highway at its intersection with Pleasant Hill Lane | Zoned AR-1; Tax Parcel 15039A000007(pt) | **Proposed use: 700 unit residential development** | ** Commission District 1 | **K2P Land Partners, LLC, applicant**

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage. Show stream buffer and impervious setback from wrested vegetation not centerline of stream
b. **Traffic:** GDOT comments required. GDOT approval and permit required for proposed Old Winder Hwy (SR 211) access.
We have questions regarding proposed parkway. This should be discussed with County Engineering. Additional comments may be necessary
c. **Utilities:** Hall County sanitary sewer runs through the site.

8. **5401 Old Winder Highway | Rezone |** from Agricultural Residential 1 (AR-1) to Light Industrial (I-1) | on a 194.10± acre portion of a tract located on the east side of Old Winder Highway at its intersection with Pleasant Hill Lane | Zoned AR-1; Tax Parcel 15039A000007(pt) **| Proposed use: Industrial park |** ** Commission District 1 | **K2P Land Partners, LLC, applicant**
9.

a. **Engineering:** This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage. Show stream buffer and impervious setback from wrested vegetation not centerline of stream
b. **Traffic:** GDOT comments required. GDOT approval and permit required for proposed Old Winder Hwy (SR 211) access.
We have questions regarding proposed parkway. This should be discussed with County Engineering. Additional comments may be necessary
c. **Utilities:** Hall County sanitary sewer runs through the site.

## PUBLIC NOTICE REQUIREMENTS

Zoning regulations require that public notice must be given prior to all zoning hearings as follows:

1. The Planning Department shall publish a legal advertisement no less than fifteen (15) days and no more than forty-five (45) days prior to the public hearing.

2. The Planning Department shall send notification by letter of all other property owners within a 500-foot radius of the applicant's property is standard administrative policy of the Planning Department.

3. The applicant/property owner shall place the public notice sign in a conspicuous location on the property not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing.

**The Planning Department shall post the legal advertisement and notify property owners within a 500ft radius to the subject property.**

**The applicant is required to post the public notice sign not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing. A photo of the sign placed at the location is required and must be sent to the Planning Department.**

Multiple sign postings on a site may be required as determined by the Planning Department. The sign must be in a location where it is clearly visible from the roadway. The sign cannot be obstructed in any manner, placed too far from the road, or placed in such manner as would cause it to blend into the landscape.

Should you find the sign missing or vandalized in any manner, contact the Planning Department for a replacement sign. When the proceeding is complete and final Board action has occurred, the sign shall then be removed from the property by the applicant.

**THE ZONING SIGN MUST BE POSTED NO EARLIER THAN MAY 09, 2025 AND NO LATER THAN MAY 18, 2025.**

**THE ORGINAL SIGNED AFFIDAVIT MUST BE AND RETURNED TO THE PLANNING DEPARTMENT NO LATER THAN MAY 18, 2025 ALONG WITH A MINIMUM OF ONE PHOTO SHOWING THE SIGN POSTED AT THE SUBJECT PROPERTY.**

**Failure to comply will result in a delay of the application.**

---

## AFFIDAVIT

# AGENDA ITEM

## Public Hearing to amend Hall County's Zoning Map as follows:

**REPORT TO:** **Work Session (08/11/25)**

**REPORT TO:** **Voting Meeting (08/14/25)**

**ITEM NO:** 454/2025

**SUBJECT:** **2353 Athens Highway | Special Use |** on a 1.19± acre tract located on the east side of Athens Highway, approximately 530 feet from its intersection with Pine Grove Road | Zoned H-B (GCOD); Tax Parcel 15022C000016 | **Proposed Use: Vehicle sales** | Commission District 4 | **Morteza Modaber, applicant**

## Meetings:

**Work Session Date:** 08/11/25 **Voting Meeting Date:** 08/14/25

## Executive Summary:

**Presenter:** BG

**Recommendation:**

Approval, with conditions

1. The property shall be developed in accordance with the site plan and as described in the project narrative, both dated May 25, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval. Notes on the site plan designating "gravel paving" shall be disregarded per condition #2.
2. The total number of parking spaces for sales shall be limited to a total of 34 spaces. All driveways and parking areas shall be paved with asphalt or concrete. No gravel shall be allowed.
3. No servicing or maintenance of vehicles shall be allowed.
4. The hours of operation shall be Monday through Friday 9:30 a.m. to 6:00 p.m., Saturday 9:30 a.m. to 4:00 p.m. and closed on Sunday.
5. Storage of wrecked, junk, and/or inoperable vehicles shall be prohibited.
6. Plans for any improvements or development of the property shall be submitted for review and appropriate permits obtained.
7. Access to the development shall be approved by Georgia Department of Transportation (GDOT) and all traffic engineering standards shall be met. The developer shall be responsible for all associated costs of improvements necessary for the development.
8. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal, and Hall County Engineering.
9. All conditions of zoning shall be made part of any plats created for the property.
10. Any exterior modifications, improvements, or alterations to the site shall comply with the Unified Development Code as well as those standards outlined within Article 6 - Gateway Corridor Overlay District.

**Purpose of Request:** **History:**

**2353 Athens Highway | Special Use |** on a 1.19± acre tract located on the east side of Athens Highway, approximately 530 feet from its intersection with Pine Grove Road | Zoned H-B (GCOD); Tax Parcel 15022C000016 | **Proposed Use: Vehicle sales** | Commission District 4 | **Morteza Modaber, applicant**

**Facts and Issues:** **Options:**

**Beth Garmon**

# Hall County Government
PLANNING AND ZONING

**To:** David Gibbs, Chairman
Kathy Cooper, District 1 Commissioner
Billy Powell, District 2 Commissioner
Gregg Poole, District 3 Commissioner
Jeff Stowe, District 4 Commissioner

**From:** Beth Garmon, Director of Planning & Zoning

**Date:** July 28, 2025

**Subject:** **2353 Athens Highway | Special Use** | on a 1.19± acre tract | Zoned H-B (GCOD); Tax Parcel 15022C000016 | **Proposed Use: Vehicle sales | Morteza Modaber, applicant**

---

The request before you is from Morteza Modaber for a special use for vehicle sales within the Gateway Corridor Overlay District. This item is located within Commission District 4.

At their July 7, 2025 meeting, the Hall County Planning Commission voted to recommend **approval, with ten (10) conditions (4-0).**

Staff recommendation: **Approval, with conditions,** as the proposed zoning is consistent with the commercial nature of the surrounding properties and previous county approval.

There were **no comments submitted** in advance of the Planning Commission meeting and **no one spoke during the public hearing.**

**Planning Commission Conditions:**

1. The property shall be developed in accordance with the site plan and as described in the project narrative, both dated May 25, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval. Notes on the site plan designating "gravel paving" shall be disregarded per condition #2.

2. The total number of parking spaces for sales shall be limited to a total of 34 spaces. All driveways and parking areas shall be paved with asphalt or concrete. No gravel shall be allowed.

3. No servicing or maintenance of vehicles shall be allowed.

4. The hours of operation shall be Monday through Friday 9:30 a.m. to 6:00 p.m., Saturday 9:30 a.m. to 4:00 p.m. and closed on Sunday.

5. Storage of wrecked, junk, and/or inoperable vehicles shall be prohibited.

6. Plans for any improvements or development of the property shall be submitted for review and appropriate permits obtained.

7. Access to the development shall be approved by Georgia Department of Transportation (GDOT) and all traffic engineering standards shall be met. The developer shall be responsible for all associated costs of improvements necessary for the development.

8. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal, and Hall County Engineering.

9. All conditions of zoning shall be made part of any plats created for the property.

10. Any exterior modifications, improvements, or alterations to the site shall comply with the Unified Development Code as well as those standards outlined within Article 6 - Gateway Corridor Overlay District.

10. Any exterior modifications, improvements, or alterations to the site shall comply with the Unified Development Code as well as those standards outlined within Article 6 - Gateway Corridor Overlay District.

**Excerpts from the minutes of the July 7, 2025 meeting**

***Applicant's Presentation:***

**Vamsee Polamarasetty, Planner,** presented a summary of the request.

**Morteza Modaber, 1130 East Street, Suwanee,** presented the request. The applicant has submitted two concurrent requests as part of a proposed vehicle sales business: (A) special use for vehicle sales within the Gateway Corridor Overlay District (GCOD); and (B) a variance to section 6.2 of the UDC for gravel parking within the GCOD. The property is zoned Highway Business (H-B), measures approximately 1.19± acres, and is currently developed with a single-family residence. The subject property was approved for a conditional use on October 12, 2023 for used vehicle sales (HZCU23-0035) subject to 12 conditions. Per the conditions, the approval expired on April 13, 2025 as no action was taken to implement the use on the subject property.

***Public Forum:***

*There were no comments in support or opposition.*

***Planning Commission Comments:***

Mr. Braswell asked the applicant to clarify if the proposed business would only be auto sales. The applicant confirmed that the application was only for auto sales and there would not be any repair of vehicles.

***A***
***Motion:* A motion to approve, with conditions was made by Frank Sosebee and seconded by Stan Hunt. Vote: 4-0**

Conditions:

1. The property shall be developed in accordance with the site plan and as described in the project narrative, both dated May 25, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval. Notes on the site plan designating "gravel paving" shall be disregarded per condition #2.

2. The total number of parking spaces for sales shall be limited to a total of 34 spaces. All driveways and parking areas shall be paved with asphalt or concrete. No gravel shall be allowed.

3. No servicing or maintenance of vehicles shall be allowed.

4. The hours of operation shall be Monday through Friday 9:30 a.m. to 6:00 p.m., Saturday 9:30 a.m. to 4:00 p.m. and closed on Sunday.

5. Storage of wrecked, junk, and/or inoperable vehicles shall be prohibited.

6. Plans for any improvements or development of the property shall be submitted for review and appropriate permits obtained.

7. Access to the development shall be approved by Georgia Department of Transportation (GDOT) and all traffic engineering standards shall be met. The developer shall be responsible for all associated costs of improvements necessary for the development.

8. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Unified Development Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal, and Hall County Engineering.

9. All conditions of zoning shall be made part of any plats created for the property.

10. Any exterior modifications, improvements, or alterations to the site shall comply with the Unified Development Code as well as those standards outlined within Article 6 - Gateway Corridor Overlay District.

---

**(A) Staff recommends APPROVAL of the applicant's requests with the following conditions:**

1. The property shall be developed in accordance with the site plan and as described in the project narrative, both dated May 25, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.

2. The total number of parking spaces for sales shall be limited to a total of 34 spaces.

3. No servicing or maintenance of vehicles shall be allowed.

4. The hours of operation shall be Monday through Friday 9:30 a.m. to 6:00 p.m., Saturday 9:30 a.m. to 4:00 p.m. and closed on Sunday.

5. Storage of wrecked, junk, and/or inoperable vehicles shall be prohibited.

6. Plans for any improvements or development of the property shall be submitted for review and appropriate permits obtained.

7. Access to the development shall be approved by Georgia Department of Transportation (GDOT) and all traffic engineering standards shall be met. The developer shall be responsible for all associated costs of improvements necessary for the development.

8. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Official Code of Hall County, as well as any other agencies or reviewing departments, including, but not limited to the Fire Marshal, and Hall County Engineering.

9. All conditions of zoning shall be made part of any plats created for the property.

**(B) Staff recommends DENIAL of the applicant's request.**

---

**The following should be considered as exceptions to the Official Code of Hall County, and shall warrant further determination by the Board should it choose to approve the submitted narrative and site plan:**

1. **Section 6.2.5.B.2** – Site Development Standards – Along street frontage there must be a landscape strip at least 10 feet in width except for perpendicular crossings for driveways and utilities.
    - The applicant proposes frontage landscape plantings within the ROW. **This does not meet the standard.**

2. **Section 6.2.5.C.1.b. –** Parking Lot Design **-** The maximum number of parking spaces that may be constructed on impervious surfaces may be no more than 125 percent of the minimum number of parking spaces required in Sec. 8.1.
    - The applicant proposes 9 customer parking spaces. The total parking spaces required is 3 spaces. **This does not meet the standard.**

3. **Section 6.2.5.C.2.a** - Parking Lot Design - Each parking area with at least 20 spaces must include landscaped islands within the parking area equivalent to not less than 10 percent of the total paved area of the parking lot, not including pervious paving surfaces.
    - The applicant proposes 43 total parking spaces. There are no landscape islands shown. **This does not meet the standard.**

4. **Section 6.2.5.C.2.d** - Parking Lot Design - All parking areas shall be paved with asphalt, concrete or pervious materials approved by the Director.
    - The applicant proposes gravel for parking and outdoor storage areas. **This does not meet the standard.**

5. **Section 6.2.5.C.e** - Parking Lot Design - Off-street parking must be located to the side or rear of the principal building and may not be located between the principal building and the street. The applicant proposes inventory parking along Athens Highway in front of the principal building. **This does not meet the standard.**

---

**Summary Analysis**

The applicant has submitted two concurrent requests as part of a proposed special use for Vehicle sale: (A) special use for vehicle sales within the Gateway Corridor Overlay District (GCOD); and (B) a variance to section 6.2 of the UDC for gravel parking within the GCOD. The property is zoned Highway Business (H-B), and measures approximately 1.19± acres and is currently developed with a single-family residence.

The subject property was approved for a conditional use on October 12, 2023 for used vehicle sales (HZCU23-0035) subject to the following conditions:

1. The property shall be approved for used vehicle sales only, subject to all conditions herein and development standards enforced at the time of site plan approval. No variances are approved as part of this request other than those stated. No other uses shall be permitted unless approved by the Board of Commissioners.
2. Development is approved as generally shown on the concept plan and described in the project narrative (both dated May 8, 2023), modified as necessary for compliance with the conditions herein and development standards enforced at the time of site plan approval.
3. Plans for any further improvements or development of the property shall be submitted for review and appropriate permits obtained.
4. Storage of wrecked, junk, and/or inoperable vehicles shall be prohibited.
5. Any outdoor storage shall be screened as required by the standards listed in section 17.420 Gateway Corridors Overlay District.
6. Vehicles displayed for sale may be parked on geogrid with gravel as shown on the submitted site plan.
7. Per, 2.60.060. - effective period of approved applications, all applications approved by the board, whether a request for variance from the terms of Title 17, a request for conditional use, a request for the enlargement, change or continuance of a nonconforming use or a request to appeal a decision by an administrative official in the enforcement of Title 17, shall be effective

for a period of six months. If no action is taken by the applicant to implement the purpose of the application by obtaining the proper permit and/or license and proceeding with the building, occupancy or establishment of business within six months from the date of approval by the board, said approval shall become null and void.

8. All conditions of zoning shall be made part of any plats created for the property.
9. There shall be a vegetative buffer to the east of the property. A landscape plan shall be submitted to be approved by staff.
10. No servicing or maintenance of vehicles shall be allowed.
11. The hours of operation shall be Monday thru Friday 9:30am to 6pm, Saturday 9:30am to 4pm and closed on Sunday.
12. The applicant shall install a 10 foot wide landscape strip along Athens Highway, and shall work with planning staff to determine the appropriate plantings.

Per condition #7, the approval expired on April 13, 2025 as no action was taken to implement the proposed use on the subject property.

The surrounding properties are zoned and developed as follows:

North: Highway Business (H-B): Developed as a vehicle sales lot.
East: Highway Business (H-B) and Agricultural Residential 1 (AR-1): Developed with a mobile home park.
South: Highway Business (H-B): Developed with single-family residences and a business.
West: Residential 1 (R-1): Developed with single-family residence.

Per the submitted narrative and site plan, the applicant is requesting a special use for vehicle sales and gravel parking within the Gateway Corridor Overlay District (GCOD). The proposed development includes a 1,369 square foot existing residence that will be converted into a sales office. There are 43 parking spaces proposed on gravel parking areas; this area includes customer parking. Per the submitted narrative, the used vehicle sales business will operate Monday through Saturday from 8:00 a.m. to 6:00 p.m.

The applicant states that the property is currently being served by City of Gainesville public water and Hall County sewer; however, staff has not identified a sewer line near the property and no sewer availability letter was submitted as part of this application.

The development standards for the project are identified in the table below and compared to the GCOD requirements (6.2):

**GCOD Analysis**

| Standard | Proposed Work | Notes | Compliance |
|---|---|---|---|
| **6.2.5.A**.– Transitional buffers | N/A | A 25 foot transitional buffer is required adjacent to residential property. | N/A |

| | | | |
|---|---|---|---|
| **6.2.5.B.1** & 2– Additional Landscape and Screening | Unknown. Site plan shows plantings within Hall County right-of-way. | 1. Shrubs must be planted within ten feet of the foundation of the primary structure along each building facade at the rate of at least 20 shrubs per 100 lineal feet of building facade except for sides or rear of building used for loading or service areas. Foundation plantings may be clustered to provide visual interest.<br>2. Along each street frontage there must be a landscape strip at least 10 feet in width except for perpendicular crossings for driveways and utilities. | Deficient |
| **6.2.5.C.1** – Parking Lot Design -Required # of Parking Spaces | 9 customer parking spaces are identified on the submitted site plan which includes 2 ADA accessible spaces and a total of 34 inventory car parking spaces. | Off-street parking space calculations are governed by Sec. 8.1 of the UDC.<br>3 parking spaces required.<br>4 parking spaces are allowed (per 125 percent maximum) | Deficient |
| **6.2.5.C.2.e –** Parking Lot Design - Location | All parking spaces are proposed in front of and beside the building. | Off-street parking must be located to the side or rear of the principal building and may not be located between the building and the street. | Deficient |
| **6.2.5.D** – Outdoor lighting | LED lighting is proposed to be located on the building and directed downward. | All outdoor lighting must be the semi-cutoff type. | Complies |

| | | | |
|---|---|---|---|
| **6.2.6** - Architectural Standards | Unknown, applicant proposes to convert existing single family residence to sales center by adapting and reusing the building. | Building materials used for all four sides of new or reconstructed buildings are restricted to the following: i. Brick. ii. Stone. Natural stone such as, but not limited to, granite, limestone, and marble are allowed building materials. Terra cotta and/or cast stone, which simulate natural stone, are also acceptable. Painted stone is prohibited. iii. Split-face block/concrete masonry unit (CMU) is restricted to 50 percent of the surface area of each side of a principal building. iv. Stucco is restricted to 50 percent of the surface area of each side of a building. v. Glass and glass block. vi. Exposed concrete block, painted concrete block, metal, tilt/up and pre-cast concrete are prohibited materials for any exterior wall. | Unknown |
| **6.2.7** – Signs | One freestanding monument sign and a wall sign is proposed, no renderings submitted. | One wall sign is permitted along each facade adjacent to a public right of way. | Unknown |

**Based on the future land use plan, staff finds the requested zoning designation *is not consistent* with the Hall County Comprehensive Plan future land use designation of "Employment Nodes and Corridors."** These employment nodes and corridors should consist of industrial and/or office uses housed in either formalized campuses or along major road corridors that have existing or future access to water and sewer. These areas may also include higher density residential uses, where appropriate. Site designs should use the quality development principals discussed earlier to the fullest extent possible.

Although not consistent with the future land use plan, the underlying zoning district does support the proposed use; however, vehicle sales require special use approval within the Gateway Corridor Overlay District.

**(A) Zoning Analysis - Special Use**

When considering a zoning amendment to the zoning maps, the Planning Commission must study the need and justification for the change based on a determination of the facts applicable to the particular case, and the following general lines of inquiry must be considered:

a) Whether the zoning proposal will permit a use that is suitable in view of the use, development and zoning of adjacent and nearby property; **The proposed use is suitable in view of the use and development of adjacent and nearby properties along Athens Highway as there are other commercial uses in the surrounding area.**

b) Whether the zoning proposal will adversely affect the existing use or usability of adjacent or nearby property; **The proposed use does not appear to adversely affect the existing use or usability of adjacent properties.**

c) Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned; **The property has reasonable economic use as currently zoned.**

d) Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, schools, police protection, fire protection, public health facilities or emergency medical service; **The proposed use is not anticipated to cause an excessive or burdensome use of the existing streets, transportation facilities, utilities, schools, police protection, fire protection, public facilities, or emergency medical service.**

e) Whether the zoning proposal is in conformity with the policy and intent of the future land use plan for the physical development of the area; **The proposed use is consistent with the commercial nature of the surrounding properties; however, the existing Highway Business (H-B) zoning is not supported by the current future land use plan.**

f) The extent to which property values are diminished by the existing zoning restrictions; **Staff is unable to determine the extent to which property values are diminished by the existing zoning restrictions.**

g) The extent to which the destruction of the subject property's value under the existing zoning promotes the health, safety, morals or general welfare of the public; **Staff is unable to comment on the impact of property values without a full market analysis. Multiple factors impact property value including construction types, proposed uses, and maintenance. Often it is difficult to determine the effect of a development on adjacent properties until the development is completed.**

h) The relative gain to the public as compared to the hardship imposed upon the individual property owner; **Staff has not identified a hardship imposed on the property owner as the property is currently zoned.**

i) The length of time the property has been vacant as zoned considered in the context of land development in the area in the vicinity of the property; **The property is developed with a single-family residence built in 1960.**

j) Whether there are other existing or changing conditions affecting the use or development of the property which give supporting grounds for either approval or disapproval of the zoning proposal; **There are no known changing conditions affecting the use or development of the property.**

k) Whether the change would create an isolated district unrelated to the surrounding districts; **No, this would not create an isolated district unrelated to the surrounding districts as the H-B zoning district is already established.**

l) Whether the present zoning district boundaries are illogically drawn in relation to existing conditions in the area; **There is no evidence that the present zoning district boundaries are illogically drawn.**

m) Whether the change requested is out of scale with the needs of the county as a whole or the immediate neighborhood; **No, the request is not out of scale with the needs of the county as a whole.**

n) Whether it is impossible to find adequate sites for the proposed use in districts permitting such use and already appropriately zoned; **The existing zoning of the subject site supports the proposed use; however, the proposed use in the Gateway Corridor Overlay District requires approval by the Board of Commissioners.**

o) Whether the need for rezoning could be handled instead by a variance request to the Planning Commission; **The request for a special use in the Gateway Corridor Overlay District could not be handled alternatively as a variance.**

p) Whether there would be an ecological or pollution impact resulting from major modifications to the land if the request is granted; **Any land disturbance activities on the property shall be required to go through the land development permitting process, and as a result are subject to local, state, and federal regulations. As a result, there are no anticipated ecological or pollution impacts resulting from any modification to the land if the request is granted.**

q) Whether there is reasonable evidence based upon existing and anticipated land use that would indicate a mistake was made in the original zoning of the property; **There is no indication that a mistake was made in the original zoning.**

**(B) <u>Zoning Analysis</u> – Variance to section 6.2**

The Planning Commission may grant variances in individual cases of unnecessary hardship upon a finding of the board that:

1. There are extraordinary and exceptional conditions pertaining to the particular lot in question because of its size, shape, or topography (the hardship must relate to the physical character of the lot and not to a personal or economic hardship); **No, there are no extraordinary or exceptional conditions pertaining to the physical character of the lot to prevent the project design from meeting development standards.**

2. The application of the requirements of this UDC to this particular piece of property would create an unusual hardship; **No evidence has been provided that an unusual hardship exists to prevent the development from complying with architectural requirements.**

3. Such conditions are peculiar to the property involved and are not common to other properties in the neighborhood; **There are no conditions peculiar to the property involved that are not common to other properties in the neighborhood.**

4. Such conditions are not the result of any actions of the property owner; **The gravel parking area is a direct action of the property owner.**

5. Relief, if granted, would not cause substantial detriment to the public good or impair the purposes and intent of this UDC; provided, however, that no variance may be granted for a use of land or building or structure that is prohibited by this UDC or for a Conditional Use Permit which has been denied by the Planning Commission. **Relief, if granted, will not impair the purposes and intent of the Unified Development Code of Hall County.**

**11.2.6.E - Submission requirements**

1. Any person or persons requesting a change in the official zoning map or use subject to approval of the County Commission must file an application with a plat or map of the property attached thereto, together with payment of such fees set forth in this Sec 11.2. to cover administrative and advertising costs, in the Planning and Zoning Department office. Such person or persons or their authorized agent must appear in person at the public hearing held to consider the district change. **The proposal meets the requirement. The applicant has paid the appropriate fees and understands that someone must be present at both the Hall County Planning Commission meeting and the voting meeting of the Hall County Board of Commissioners.**

2. All applications for a change of zoning classification or use subject to approval of the County Commission must include:

    a. A narrative statement identifying the existing and proposed use of the property and addressing each of the criteria set forth in this Sec. 11.2. **The proposal provides a narrative outlining the intent of the development; however, the applicant has not prepared a response to each of the criteria listed in 11.2.6.E.2.**

b. A site plan drawn to scale designating the area covered by the application and identifying existing and proposed buildings and uses, adjacent existing land uses, zoning on contiguous parcels, including those across an abutting public right-of-way, and any other significant site improvements proposed to accommodate the proposed use or buffer adjacent uses, etc., or a plat of the subject property where no specific land use is proposed. In cases where only a plat or map is provided and no land use is proposed, the Planning Commission and County Commission may evaluate the application based on the most intense possible land use permitted in the proposed district**. The proposal meets the requirement.**

**c.** For any application for a slow rate land treatment system as defined in 7.6.9.D.1, additional requirements apply. **This standard is not applicable to the applicant's request**

d. For any application proposing the development of 100 or more residential dwelling units, a traffic impact study must be submitted prior to consideration of the application by the County Commission. At the applicant's expense, the traffic impact study must be prepared by a professional engineer in accordance with requirements established by the Hall County Engineering Department. The Engineering Department must review the traffic impact study and forward any comments to the County Commission. **This standard is not applicable to the applicant's request.**

**Development Support and Constraints**

**Hall County Environmental Health**
In an email dated June 5, 2025, Emily McGahee stated, "Must meet all Environmental Health commercial septic system permitting requirements as public sewer is not available to this parcel. Further determination will be made during the civil plan review process. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation/modification may be required after review of business plan."

**Georgia Department of Transportation**
In an email dated May 29, 2025, Nakia Nembhard, GDOT Civil Engineer 3, stated that GDOT coordination is required.

**Hall County Public Works and Utilities**
In a memo dated June 6, 2025, Bill Nash, Director of Public Works and Utilities, provided the following comments:

**Engineering:**
This site may require a stormwater management report should the site plan indicate the proposed development meets stormwater thresholds for impervious surfaces and/or disturbed acreage.

**Traffic:**
Driveway Must be upgraded to commercial and GDOT permit required.

**Utilities**

Gainesville sewer service area gravity sewer is 0.3 miles away on James Simpson Blvd.

**Hall County Fire Marshal**

In an email dated June 5, 2025, John Hornick, NPQ Fire Service Plans Examiner 1, stated, "The Hall County Fire Marshal's has no comments on items A or B as proposed."

## CAMPAIGN CONTRIBUTIONS DISCLOSURE FORM

This form must be completed by the applicant and property owner, or person representing the property owner, for all zoning actions.

OCGA § 36-67A-3[C] Disclosure of campaign contributions:

(b) When any applicant for zoning action has made, within two years immediately preceding the filing of the applicant's application for the zoning action, campaign contributions aggregating $250.00 or more to a local government official who will consider the application, it shall be the duty of the applicant to file a disclosure report with the governing authority of the respective local government showing:

(3) The name and official position of the local government official to whom the campaign contribution was made; and

(4) The dollar amount and description of each campaign contribution made by the applicant to the local government official during the two years immediately preceding the filing of the application for the rezoning action and the date of each such contribution.

(b) The disclosures required by subsection (a) of this Code section shall be filed within ten days after the application for the zoning action is first filed. (Code 1981, Section OCGA § 36-67A-3[C], enacted by GA L. 1986, page 1269, Section 1, GA L. 1991, page 1365, Section 1).

---

I hereby certify that I have read the above and that:

I have**____ I have not ✓

within the two years immediately preceding this date, made any contribution(s) aggregating $250.00 or more to any local government official involved in the review or consideration of this application.

**If you have made such contributions, you must provide the data required below within ten (10) days of filing this application.

Name of Official(s): _____ Office: _____

Dollar Amount: _____ Date of Contribution: _____

**Applicant's/Owner's Signature:** M.K **Date:** 5/9/2025

**Applicant's/Owner's Name (Printed):** Morteza Modabir

Revised December 2019

Scanned with CamScanner

# Narrative

**Project Address:** 2353 Athens Hwy, Gainesville, GA

30507

**Applicant/Business Name**: Morteza Modaber 05/25/2025

## 1. Existing and Proposed Use of the Property

The property at 2353 Athens Hwy is currently developed with an existing residential structure that has been vacant since 2023. The proposed use of the property is for commercial retail use for used vehicle sales.

## 2. Current Zoning District and Applicable Overlay Districts

The property is located within the **Highway Business (H-B)** zoning district. Additionally, it is subject to the Gateway Corridors Overlay District (GCOD), which imposes design, signage, landscaping, and development standards to ensure aestheΘcally consistent development along designated gateway corridors.

## 3. Proposed Use and Business Operations

The business will operate as a used vehicle sales center to be operated Monday through Saturday from 8:00 AM to 6:00 PM and will be closed on Sundays. The site will support vehicle parking for inventory, employees and customers.

## 4. Proposed Standards for Development

**Restrictions on Use:** Limited to commercial used vehicle sales. No heavy mechanical or auto body work is proposed.

**Density / Lot Size:** The property is approximately **1.19 acres**, with no subdivision proposed.

**Setback Requirements:** Existing structure complies with zoning setback requirements. No new structures are planned that would alter current setbacks.

## 5. Proposed Signs and Specifications

**Signage will include:**

- One freestanding monument sign compliant with GCOD and **H-B** signage regulations, not exceeding 15 feet in height and 32 square feet in area per face.
- One wall-mounted sign on the front façade of the existing building, also in compliance with GCOD standards.

## 6. Proposed Lighting

**Lighting will include:**

- Downcast, shielded LED wall-pack fixtures mounted on the building façade to illuminate entryways and the parking area.
- All lighting will conform to GCOD lighting regulations, ensuring no light spillover onto adjacent properties and preserving the character of the gateway corridor.

## 7. Water and Wastewater Disposal

The property is currently served by the City of Gainesville public water and Hall County public sewer. No changes are proposed to the existing water or sewer connections. No hazardous materials will be stored onsite.

## 8. Buffering and Protection of Abutting Properties

25’ Transitional buffer applied through natural plantations. No fence will be required. See attached site diagram. Proper maintenance will be applied by the property owner.

## 9. GAB Parking

GAB Parking added per GCOD.

## 10. Parking Between Road & Primary Building

Parking spaces located between the principal building and the street removed. Please see the “Proposed Site Plan” sheet.

All of the other parking spaces located to the side and rear of the principal building.

**11.Shade Trees in Landscape Strip**

Street frontage landscape strip of 10 feet will be provided between the edge of the road and the gravel.

Shade trees will be planted in the landscape strip as shown in the site plan.

**12.The Maximum Number of Parking Spaces Constructed on Impervious Surfaces**

Pervious gravel paving designated for all of the proposed parking spaces.

Only the proposed asphalt driveway is impervious.

# *CHAPTER 17.420. GATEWAY CORRIDORS OVERLAY DISTRICT (GCOD)*

## Property Address: 2353 Athens Hwy, Gainesville, GA 30507

## Architectural Site Plan:

## 17.420.010. Purpose.

The purpose of the GCOD is:

A. To promote the general health, safety and welfare of the community.

B. To improve the efficient operation of traffic around the county.

C. To promote safe and efficient movement within the Overlay District for persons using all modes of travel - motorized vehicles, bicycles and walking.

D. To create a sense of place that is aesthetically appealing and environmentally responsible.

E. To encourage innovative development projects that set standards for landscaping, community design and aesthetics.

F. To establish consistent and harmonious design standards for public improvements and private property development within the Overlay District so as to unify the distinctive visual quality of the Gateway Corridors.

(Res. of 3-22-07, § 1; Res. of 8-9-07, § 1)

## 17.420.020. Design guidelines.

The GCOD Design Guidelines are hereby adopted and made part of this chapter and shall apply to property in the GCOD. Within the GCOD, building design and construction that is not in substantial conformity with the GCOD Design Guidelines is prohibited. In cases of a conflict between the design guidelines and the text of this chapter, the text of this chapter shall govern.

(Res. of 3-22-07, § 1; Res. of 8-9-07, § 1)

## 17.420.030. Boundaries.

A. The provisions of this chapter apply to land parcels of record within the unincorporated portion of Hall County having frontage on the following road segments as of the date this ordinance is adopted. Hereafter, these road segments shall be referred to as the "Gateway Corridors."

1. S.R. 211 from S.R. 53 (Winder Highway), south to Thompson Mill Road.

2. U.S. 129 (Athens Highway) from the Gainesville City limits, south to Gillsville Highway.

3. S.R. 53 (Winder Highway) from S.R. 13 (Falcon Parkway), east to the Jackson County line.

4. S.R. 13 (Atlanta Highway and Falcon Parkway) from the Flowery Branch City limits, north to S.R. 53 (Winder Highway).

5. McEver Road from the Buford City limits, north to the northernmost intersection with Radford Road.

6. Spout Springs Road from the Flowery Branch City limits, south to Friendship Road.

7. Friendship Road from Bogan Road, east to Thompson Mill Road.

8. Realigned Thompson Mill Road from Spout Springs Road east to S.R. 211 (Old Winder Highway), pursuant to final alignment approved by GDOT.

9. All state roadways within the jurisdiction of Hall County.

B. This chapter shall also apply to any land parcel of record within the unincorporated portion of Hall County when a portion of said parcel falls within 300 feet of the centerline of the Gateway Corridors as of the date

this ordinance is adopted. Any parcel subject to the ordinance on the date of adoption shall continue to be subject to the provisions of this chapter, even if the parcel is subdivided in the future.

C. Upon written application, the director may grant exemptions from the requirements of this chapter for parcels or portions of a parcel that would otherwise be included in the GCOD, based on one or more of the following findings:

1. Portions of the subject property to be exempted lie more than 300 feet from the centerline of a Gateway Corridor.

2. The property to be exempted does not have access to a Gateway Corridor and will not require access to Gateway Corridor when developed.

3. Due to site topography development of the property to be exempted will not be visible from a Gateway Corridor.

4. Due to the location, size and shape of the property, development of the parcel under its current zoning and in conformity with the requirements of the GCOD would present a severe and unique hardship.

If the director does not render a written decision regarding such exemption within 15 working days of receipt of the application required in this paragraph, then the exemption shall be deemed to be approved.

(Res. of 3-22-07, § 1; Res. of 8-9-07, § 1; Ord. of 8-24-17 )

## 17.420.040. Effect of GCOD provisions.

A. *Application.* This Overlay District is supplemental to the underlying zoning district classifications established in the Hall County Zoning Regulations governing all properties and approvals within this Overlay District. The provisions of this chapter shall be overlaid upon and shall be imposed in addition to said underlying zoning regulations and other Hall County ordinances.

B. *Relationship to standards of the underlying zoning district and subdivision regulations.* In any case where the standards and requirements of the GCOD conflict with those of the underlying zoning district or subdivision regulations, the standards and requirements of the GCOD shall govern.

C. *Exceptions.* The provisions of this chapter shall not apply to the following:

1. Completion of work subject to preliminary plats, site development plans, construction plans, building permits, or interior finish permits approved prior to the effective date of this chapter.

2. Reconstruction, rehabilitation, restoration, repair or addition of an existing non-residential structure, interior renovations or interior finishes within an existing structure, or addition to an existing non-residential structure that was permitted prior to the enactment of this chapter shall not be subject to the provisions of the GCOD, provided that such construction is on a lot of record and does not result in addition or change to more than 75 percent of the floor area of the existing permitted structure.

3. Rezonings and planned developments that were approved by the board of commissioners prior to the date of this ordinance with the exception of those approvals with specific reference to the GCOD.

D. The following requirements apply to reconstruction, replacement or addition to a legally permitted and existing nonresidential structure when such change consists of more than 75 percent of the floor area of the existing structure:

1. The portion of the project that is reconstructed, replaced or added shall meet the Architectural Standards of 17.420.050.H.

2. If the reconstruction, replacement or addition includes the addition of 50 parking spaces or more, the newly constructed parking spaces shall meet the parking lot design requirements of section 17.420.050.E.

3. If the reconstruction, replacement or addition decreases the distance between the subject building and abutting property that is zoned or used for single-family residential purposes, the property line where the distance abutting residential property has been decreased shall provide a transitional buffer as required in section 17.420.050.C.

4. If the reconstruction, replacement or addition includes the reconstruction or addition of loading and service areas adjacent to property that is zoned or used for single-family residential purposes, such loading and service areas shall be screened as required by section 14.420.050.D.3.

5. Any new signs shall meet the requirements of section 17.420.070.

E. *Building plan application.*

1. All building plans submitted pursuant to an application for a building permit should clearly indicate compliance with all of the proposed landscaping, architectural design, building materials, access management, and signage requirements of this chapter.

2. The plans should clearly show the location and calculate the amount/percentages of all building materials per building face as indicated in section 17.420.050.H.2.

3. Groups of buildings on the same parcel of land may be reviewed and permitted as a single project rather than individual buildings.

(Res. of 3-22-07, § 1; Res. of 8-9-07, § 1)

## 17.420.050. Non-residential property development standards.

A. *Prohibited uses.*

1. Adult establishments.

2. Junk yards.

3. Billboard signs.

**B. *Conditional uses.* The following uses are allowed in the GCOD only if such use is permitted in the underlying zoning district and the board of commissioners grants a conditional use for such use pursuant to the procedures of the Hall County Zoning Ordinance:**

1. Self-storage warehouse.

**2. Vehicle sales lots, new or used.**

3. Automobile repair and maintenance.

4. Commercial outdoor recreation.

5. Car wash.

6. Outdoor storage (as per the requirements of section 17.420.050.D.4.d.

**C. Transitional buffers.**

**1. *Applicability.***

**a. Transitional buffers required in this section shall provide an effective visual screen between dissimilar uses or activities.**

**b.** **A transitional buffer shall be required along and inside the property line of a non-residential property abutting a residentially zoned property.**

**c.** **Transitional buffers are required along and inside the property line at the perimeter of a planned development district that abuts single-family residential zoning or uses, in accordance with the requirements of this subsection, but no transitional buffers are required between dissimilar uses within the planned development district.**

**2.** ***Width of transitional buffer.***

**a.** **Where a commercial zoning district abuts property zoned for single-family residential or agricultural use, the minimum width shall be 25 feet.**

**b.** **Where a commercial zoning district abuts property zoned for multi-family residential use the minimum width shall be 25 feet.**

**c.** **Where an industrial zoning district abuts property zoned for residential or agricultural use, the minimum width shall be 50 feet.**

**d.** **Where an industrial zoning district abuts property zoned for multi-family residential or agricultural use, the minimum width shall be 25 feet.**

**e.** **Public and institutional uses shall comply with the standards in this section that apply to commercial zoning districts.**

**3.** ***Materials for transitional buffer*. Transitional buffers that are 25 feet in width or greater shall meet at least two of the three following criteria: be planted with a staggered double row of evergreen trees at least six feet in height, a single row of deciduous shade trees at least two inches caliper dbh, (minimum 30 feet height at maturity) and two staggered rows of evergreen shrubs at least three feet in height, planted a maximum of four feet on center, or other arrangement approved by the director that provides a dense visual screen.**

**4.** ***Adjustments to buffer width.***

**a.** **If a six-foot high solid wood fence or masonry wall is incorporated into the design of a transitional buffer, the width of the buffer may be reduced by ten feet. The fence or wall shall be located on the inside of the vegetation required in paragraph 3., above, with finished side facing the abutting property.**

**b.** **Walls or fences required to screen loading and service areas, outdoor storage, and accessory equipment required in section 17.420.D.3. and 4. shall not be used to reduce the width of a transitional buffer required in section 17.420.050.C.2.**

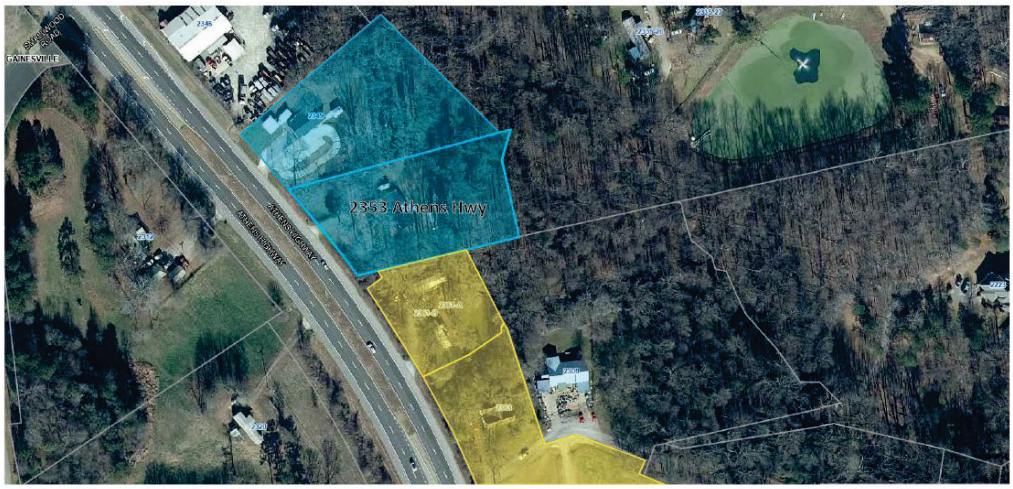
**5.** ***Maintenance of buffer.***

**a.** **A transitional buffer required in this section shall be maintained in a healthy condition so as to provide an effective visual screen from the ground to a height of eight feet at maturity. Should vegetation die or be removed such that the buffer no longer functions as required in this section, that vegetation shall be replaced by the property owner.**

**b.** **A fence that is provided pursuant to paragraph 4., above, shall be maintained by the property owner so that it is structurally stable and provides a solid visual screen.**

**25' Transitional buffer applied through natural plantations. No Fence will be required. See attached site diagram. Proper maintenance will be applied by the property owner.**

**Adjacent Properties Use Analysis:**



RESIDENTIAL USE
COMMERCIAL USE
TRANSITIONAL BUFFER

*Existing trees on the South Side of the property, creating a buffer between the two properties. – Photo Taken on 6/15/2023*

**D.** ***Other landscape and screening standards.***

**1.** ***Building perimeter*** **walls. Shrubs shall be planted within ten feet of the foundation of the primary structure along each building facade at the rate of at least 20 shrubs per 100 lineal feet of building facade except for sides or rear of building used for loading or service areas. Foundation plantings may be clustered to provide visual interest.**

**Shrubs will be planted around the building perimeter wall. See architectural site plan.**

**2.** ***Street frontage.***

**a.** **Along each street frontage there shall be a ten-foot wide landscape strip, continuous along the frontage except for perpendicular crossings for driveways and utilities. The landscape strip shall be planted with shade trees (six feet tall, two inches caliper, dbh, at time of planting, and not less than 35 feet tall at maturity) planted not less than 40 feet on center, and shrubbery forming an intermittent hedge not less than three feet in height designed to provide an adequate screen.**

**Street frontage landscape buffer of 10 feet will be provided between the edge of the road and the gravel. However, we will need to avoid planting shade trees along the street.**

**The display of cars is essential to the operation of the dealership. The cars that are parked on the side of the road will be in great aesthetic conditions and will only add to the visual quality of the neighborhood.**

**In addition, with signs or billboard above 8' being prohibited (per 17.420.060.), placing car by the road will help customers locate the dealership easier and will result in a better traffic circulation as well as lowering the chances of accidents caused by confused drivers trying to locate the facility.**

**The property is also on a much lower grade than the road (Athens Hwy) and planting trees will make it difficult to locate and see the dealership specially when visiting for the first time which will be the case for most of our customers.**

*Property visual accessibility from Athens Hwy, Hard to see the building behind existing trees. – Photo Taken on 6/15/2023*

b. The planning director shall have authority to approve alternative methods for landscaping and screening parking lots that include at least the same amount of landscape material or screening effect when viewed from the street.

3. *Loading and service areas.* In addition to general perimeter landscaping and required buffers, if a loading or service area is located within 50 feet of a side or rear lot line abutting property that is residentially zoned or used for residential purposes, or public or institutional use, then the loading or service areas shall be surrounded by either a six feet high masonry screening wall, or a six feet high solid wooden fence, placed on the inside of the landscaped buffer required in section 17.420.050.C.

**No loading areas required or dedicated for the proposed use.**

**4.** ***Screening of storage and accessory equipment.***

**a.** ***Waste receptacles.*** **Waste receptacles, including dumpsters, garbage cans, or grease containers shall be located in the rear or side yard and placed at least 20 feet from any street, public sidewalk, or property line that abuts residential zoning or residential use. Such waste receptacles shall be screened from view from all property lines and public areas of the site by a minimum six feet high wall constructed of masonry or solid wood with an opaque gate.**

b. *Rooftop mechanical equipment.* Rooftop mechanical equipment, including HVAC and utility equipment shall be screened from adjacent streets, sidewalks, residential, public and institutional uses. Screening shall consist of parapet walls or an opaque enclosure around the equipment that is constructed of one of the materials used on the primary facade of the principal structure.

**No storage, waste receptacles, or accessory equipment necessary for the proposed use.**

**c.** **Ground or wall-mounted mechanical equipment. Ground-mounted or wall-mounted equipment such as HVAC equipment, transformers, and gangs of multiple utility meters shall be screened from adjacent streets, sidewalks, residential, public and institutional uses. Screening shall consist of a solid masonry wall or wooden fence or other opaque enclosure around the equipment that is constructed of one of the permanent and durable materials used on the primary facade of the building. The height of the fence or wall shall be sufficient to effectively screen the equipment from view.**

**The existing HVAC equipment is located in the back side of the building not visible from the street or the front entrance.**

**d.** *Outdoor storage.* Outdoor storage or sales displays shall be prohibited from front yards except when permitted in the underlying zoning district and further authorized by a conditional use permit pursuant to the procedures of the Hall County Zoning Ordinance. Outdoor storage or sales displays shall be screened from view from public streets and adjacent property by a permanent opaque enclosure consisting of a minimum eight-foot high solid fence or wall, except as follows:

e. Temporary sale of seasonal goods may be permitted on properties other than residentially zoned property, if such temporary sales are authorized by the director for a period not to exceed 60 days, with up to a 30-day extension, to be approved no more than two times in a given calendar year. Such temporary sales shall be limited to sites that:

a. Provide adequate off-street parking on approved surfaces;

b. Provide safe and adequate vehicular access; and

c. Are not adjacent to residentially zoned property.

Outdoor display and sale of goods shall be prohibited in existing designated parking areas.

**No storage or accessory equipment dedicated for the proposed use.**

5. **Visual blending of slopes. Cuts and fills shall be terraced to blend into the natural terrain. Cut or fill slopes more than ten feet in height shall be landscaped with evergreen shrubbery planted at the rate of ten shrubs per 100 lineal feet.**

**No cut or fill slopes more than ten feet dedicated for the proposed use.**

**E.** ***Parking lot design.***

**1.** ***Parking requirements.*** **Off-street parking shall be required as in Chapter 17.250 of the Hall County Zoning Regulations, except as provided in this subsection:**

**a.** ***Shared parking.*** **The director may approve a reduction of up to 25 percent in the number of parking spaces required for a specific use where inter-parcel access is provided and a shared parking analysis approved by the director demonstrates that adequate parking will be provided with the approved reduction.**

**b.** ***Maximum number of parking spaces.*** **The maximum number of parking spaces that may be constructed on impervious surfaces shall be no more than 125 percent of the minimum number of required parking spaces required in Chapter 17.250 of the Hall County Zoning Regulations.**

**Minimum and maximum parking requirements met.**

2. *Pedestrian circulation.* Parking areas shall be designed to facilitate safe and convenient use by pedestrians. Commercial and multi-family developments shall provide designated pedestrian pathways or sidewalks connecting parking aisles to the front entrance of the principal building.

3. **Paving materials for parking lots. All parking areas shall be paved with asphalt, concrete (or pervious materials approved by the director.)**

**Driveway paved with asphalt and app parking spaces paved with gravel as shown in the site plan.**

**4.** ***Parking lot landscaping.***

**a.** **Each parking area of over 50 spaces shall include landscaped islands within the parking area equivalent to not less than five to ten percent with planning director discretion of the total paved area of the parking lot, not including pervious paving surfaces.**

**b.** **Landscaping in parking lots shall contain at least one shade tree (minimum of six feet tall and two inches caliper dbh at time of planting and 35 feet tall at maturity) for each 200 square feet of landscaping. Shade trees shall be planted in a bed of ground cover, sod and/or low shrubbery.**

**Landscaped island and shade tree indicated in architectural site plan.**

5. *Perimeter landscaping.*

a. Where parking lots abut adjacent residentially zoned or residentially used property, a transitional buffer is required as provided in section 17.420.050.C.2.

b. Where parking lots abut public streets, a landscape strip is required, as provided in section 17.420.050.D.2.

**Transitional buffer and street frontage landscape strip indicated in architectural site plan.**

**c. Appropriate shade tree species for landscaping parking lots include the following:**

**i. Nuttall Oak.**

**ii. Shumard Oak.**

**iii. Willow Oak.**

**iv. Gingko (Variety: President, Autumn Gold, male gender).**

**v. Princeton Elm.**

**vi. Chinese Elm (varieties Allee, Athena, Drake, Bosque).**

**vii. Bald Cypress (variety: Shawnee Brave).**

**viii. Zelkova (variety Green Vase or Village Green).**

**ix. Northern Red Oak.**

**x. Autumn Maple**

**xi. Other indigenous species approved by the director.**

**All proposed trees will be chosen from species above to be planted.**

F. *Outdoor lighting.*

1. *Streetlights.*

a. Streetlights shall be provided on all public streets.

b. The spacing of street lights shall be staggered, 300 feet on-center, along both sides of the roadway.

c. All street lighting shall be subject to review and approval of the Hall County Public Works Department.

d. All outdoor lighting, shall be the semi-cutoff type.

**2. *Parking lot, sidewalk, and building illumination.***

**a. Lighting shall be designed to avoid intrusion on adjacent properties and away from adjacent thoroughfares. All lighting shall be semi-cutoff luminary fixtures mounted in such a manner that the cone of light is directed downward.**

**b. Only incandescent, florescent, metal halide, low-pressure sodium, or color corrected, high-pressure sodium may be used. The same type of lighting must be used for the same or similar types of lighting on any one site.**

**c. Parking light fixtures shall be the box head type, shall have a maximum height of 35 feet.**

**The property is dominantly used for day-time operations and outdoor lighting will be minimal.**

**All lights to be installed in accordance with 17.420.050 lighting standards and no fixtures over 35' in height.**

3. *Security lighting.* Semi-cutoff luminaries shall be used for all security lighting.

4. *Sign illumination.*

a. Internally illuminated signs, automatic changeable copy signs, and externally mounted neon signs are prohibited.

b. Signs may be illuminated with external lighting fixtures provided that fixtures are directed downward and away from streets and adjacent property and public streets. All lighting shall have recessed luminaries, or be semi-cutoff luminary fixtures.

G. *Interparcel access.*

1. Interparcel access, joint driveways, cross access drives and access easements shall be strongly encouraged for adjacent non-residential development along an arterial or collector street, except where the director determines that they are unfeasible because of topographic or other site-specific constraints.

2. Joint driveways and cross access easements shall be strongly encouraged for non- residential development that abuts other non-residential development, whether existing or planned. The building site shall incorporate the following:

a. Continuous cross-access drive located in a cross-access easement, where necessary to connect adjacent parcels along the thoroughfare.

b. A design speed of 15 mph and a two-way travel aisle with a minimum paved width of 22 feet (back of curb to back of curb). Paving, base and curb specifications shall meet Hall County's standards for public streets.

c. Driveway aprons, stub-outs and other design features to indicate that abutting properties may be connected to provide cross access via a service drive.

d. A five-foot wide sidewalk on one side of the cross-access drive.

e. New commercial developments that abut residential property are strongly encouraged to provide a five-foot wide sidewalk connecting the two uses.

**No inter-parcel access or joint driveways proposed.**

H. *Architectural standards for non-residential buildings.* The following design guidelines and standards apply to all newly constructed buildings used for office, commercial, industrial, institutional, and public purposes.

1. *General architectural requirements.*

a. *Street orientation.* Principal building entrances shall be oriented to public streets with the exception of internal buildings not directly fronting on the street.

b. *Building height.* Any non-residential building located within 250 feet of a residential or agricultural use street shall be limited to no more than three stories in height.

c. Non-residential buildings shall have at least 1,000 square feet of heated floor space.

2. *Building materials.*

a. The use of a common palette of building materials should be maintained for all four sides of principal buildings to create a consistent and traditional architectural identity. For large commercial/retail buildings and multifamily buildings, variation in building materials, texture, and depth should be employed to provide design variation.

b. Buildings that are located on outparcels and all accessory buildings shall be constructed of materials complementing the principal building with which they are associated.

c. Building materials used for all four sides of new or reconstructed buildings are restricted to the following:

i. Brick.

ii. Stone. Natural stone such as, but not limited to, granite, limestone, and marble are allowed building materials. Terra cotta and/or cast stone, which simulate natural stone, are also acceptable. Painted stone is prohibited.

iii. Split-face block/concrete masonry unit (CMU) is restricted to 50 percent of the surface area of each side of a principal building.

iv. Stucco is restricted to 50 percent of the surface area of each side of a building.

v. Glass and glass block.

vi. Exposed concrete block, painted concrete block, metal, tilt/up and pre-cast concrete are prohibited materials for any exterior wall.

d. Restrictions on the use of metal building materials shall not apply to entry doors and/or roll-up doors.

e. Calculation of ratios of building materials.

The amount of permitted material shall be calculated using the gross square footage of wall area for each elevation (side) of the building. See example below.

For example, a building has a side elevation with a gross wall surface area of 1,200 square feet with 400 square feet consisting of windows and doors. Begin with 1,200 square feet for required building material calculations. A wall area of 1,200 square feet shall have no more than 600 square feet of stucco on the front façade [e.g. (1,200 X 50% = 600)]. The balance shall be brick or other allowed material.

3. *Roof materials.* Materials for pitched roofs shall be limited to architectural grade composition shingles, natural slate, natural terra cotta, natural wood shake, or factory finished metal with standing seams.

(Res. of 3-22-07, § 1; Res. of 8-9-07, § 1; Res. of 5-26-22(1) , § 2)

**No new construction for the property. The existing building will be adapted and reused.**

## 17.420.060. Signs.

The following signs shall be permitted for office, institutional, commercial, industrial and non-residential use, in addition to other signs permitted for these uses in Chapter 17.270 of the Zoning Regulations.

1. *Monument signs.*

**a. One ground mounted, monument sign shall be permitted on each lot, except that in the case of a corner lot, the provisions of this section shall apply separately to each street frontage. However, no sign on a corner lot shall be closer than 50 feet from the lot corner, defined by the lot lines extended.**

**i.** **The sign structure shall be constructed of the same materials that are used in the facade of the principal building.**

ii. Dimensional standards for monument signs are set forth in the table below:

**Maximum Monument Sign Dimensions for Non-Residential Uses**

| Gross floor area of buildings | Maximum sign area | Maximum sign height |
|---|---|---|
| 0—10,000 sq. ft. | 32 sq. ft. (each side) | 8 ft. above street grade |
| 10,001—50,000 sq. ft. | 48 sq. ft. (each side) | 8 ft. above street grade |
| 50,001—100,000 sq. ft. | 64 sq. ft. (each side) | 10 ft. above street grade |
| Over 100,000 sq. ft. | 96 sq. ft. (each side) | 12 ft. above street grade |

**No Sign over 8’ will be placed on the property.**

2. ***Pole signs. Pole signs are prohibited.***

**No Pole Signs will be placed on the property.**

3. ***Wall signs and marquee signs.*** **One wall sign or marquee sign shall be permitted for each building or for each tenant in a multi-tenant building.** ***The maximum sign area shall be 64 square feet per building, or one square foot per linear foot of storefront, whichever is greater. Wall signs*** **and marquee signs are only permitted on the side of a building that includes the primary public entrance. A tenant that has less than 16 lineal feet of storefront shall be a permitted a wall sign or marquee sign with a maximum area of 16 square feet.**

4. *Master plan for signs in multi-tenant developments.* For all multi-tenant buildings or developments, a coordinated program of wall signs shall be developed and approved by the county at the time of site plan approval. The signage master plan shall specific the sign type, design, height, colors, illumination, and other specifications to give a coordinated appearance to the building or development. The county's review and approval of the signage master plan shall be based on the compatibility of the proposed signage with the siting and architecture of the subject building or development and the compatibility of the signage with surrounding land uses. (Res. of 3-22-07, § 1; Res. of 8-9-07, § 1)

## 17.420.070. Appeals and modifications.

A. *Procedures for appeals.*

1. It is the intent of the board of commissioners that all development shall conform to the standards and procedures set forth in this chapter. In the event that the intent of this chapter can be achieved with minor deviations that do not substantially impair the purpose or intent of this chapter, the Hall County Planning Director has the authority to modify the specific provisions to allow for such minor deviations.

2. If substantial modifications or changes are necessary, any person, firm, group or organization may apply for relief from the requirements set forth in this chapter to the Hall County Planning Commission, unless otherwise specified in this chapter.

3. Appeals from requirements set forth in this chapter can be heard by the planning commission as provided in Chapter 17.360 of the Hall County Zoning Regulations.

(Res. of 3-22-07, § 1; Res. of 8-9-07, § 1)

## 17.420.080. Definitions.

[The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:]

*Cross-access drive:* A drive created for the purpose of providing vehicular or pedestrian access between properties.

*Cross-access easement:* A private covenant or easement between owners of abutting properties that allows driveways for public access by vehicles and pedestrians connecting two or more properties having different owners.

*Diameter at breast height (DBH):* A standard measure of the diameter of a tree trunk measured in inches at a height of four and one-half feet above the ground. If a tree splits into multiple trunks below four and one-half feet, then the trunk is measured at its most narrow point beneath the split. Externally mounted neon signs.

*Drive-through window:* An opening in the outside wall of a commercial building or structure intended to be used to provide for sales and/or service to patrons who remain in their vehicles.

*Facade:* The exterior side of a building that faces, and is most nearly parallel to, a public street. The facade includes the entire area of a building, extending from the roof or parapet to the ground, and from one corner of the building to another. Buildings generally have one facade for each street frontage.

*Joint access driveway:* A driveway that provides direct vehicular access to two or more abutting properties from a public street.

*Modulation:* The rhythmic variation in the massing and architectural treatments of a building that divides its roofline and facade into small harmonious components that create visual interest, as distinct from the appearance of a large building with a featureless facade built on a single plane with a single roof line. Modulations of a facade should break the vertical plane with variations that are at least two feet in depth, measured from the forward plane of the facade.

*Sign area:* That portion of the surface of a sign structure where words, letters, figures, symbols, logos, fixtures, colors, or other design elements are or may be located in order to convey the message, idea, or intent for which the sign has been erected or placed. The sign face may be composed of two or more modules on the same surface that are separated or surrounded by open space or by portions of a sign structure not intended to contain any advertising message or idea and are purely structural or decorative in nature.

*Sign, automatic changeable copy:* A sign on which the copy changes automatically on a lamp bank or through mechanical means, e.g., electrical or electronic time and temperature units. Copy shall mean words and numbers.

*Sign, internally illuminated:* Any sign that is illuminated by an artificial light source from within the sign structure over any or all of its sign face.

*Sign, pole:* A sign that is mounted on a freestanding pole, columns, or similar support such that the bottom of the sign face or lowest sign module is not in contact with the ground.

*Storefront:* That elevation of a commercial building having a single tenant (or that portion of the elevation of a multi-tenant building that is occupied by a single establishment) and that contains the principal public entry to the establishment.

*Transitional buffer:* An area of natural vegetation or manmade construction, which is intended to provide a visual and dimensional separation between dissimilar land uses.

*Vehicle sales lot:* An open premises arranged, designed, or used for outdoor storage and display for sale or lease of automobiles, vans, trucks, motorcycles, lawnmowers, sports utility vehicles, recreational vehicles, all terrain vehicles, trailers, boats, manufactured homes, mobile homes, outdoor storage structures, tractors, fork lifts, construction equipment, or other similar vehicles or structures, but not including plant nurseries, building materials or lawn and garden supplies.

(Res. of 3-22-07, § 1; Res. of 8-9-07, § 1)

## GENERAL INFORMATION

1. THE DESIGNER HAS UTILIZED AND RELIED UPON THE AVAILABLE CONSTRUCTION DRAWINGS OF THE EXISTING BUILDING/SITE IN THE PREPARATION OF THESE CONSTRUCTION DRAWINGS. CONTRACTOR MAY NOT RELY SOLELY UPON THE COMPLETENESS OF THESE DRAWINGS. IN ADDITION TO THIS SET OF DOCUMENTS, CONTRACTOR HAS BEEN PROVIDED WITH AND IS RESPONSIBLE TO BECOME FAMILIAR WITH ALL OF THE EXISTING BUILDING/SITE, ARCHITECTURAL, AND ENGINEERING DRAWINGS, AND THE EXISTING PHYSICAL CONDITIONS ON OR RELATING TO THE SITE. CONTRACTOR SHALL VERIFY THE EXISTING CONDITIONS FOR BIDDING AND CONSTRUCTION PURPOSES. COMMENCEMENT OF WORK CONSTITUTES ACCEPTANCE OF EXISTING CONDITIONS AS ACCEPTABLE TO PERFORM ALL WORK.

2. NOTIFY DESIGNER IMMEDIATELY UPON DISCOVERY OF CONFLICTS BETWEEN THE CONTRACT DOCUMENTS, THE EXISTING BUILDING/SITE DRAWINGS, AND/OR ACTUAL SITE CONDITIONS. IF A DISCREPANCY OCCURS BETWEEN CONTRACT DOCUMENTS, PROVIDE GREATER QUANTITY AND/OR HIGHER QUALITY REQUIRED.

3. DRAWINGS SHALL NOT BE SCALED FOR DETERMINATION OF LENGTHS, FIT, OR QUANTITIES OF MATERIALS, ETC.

4. 3D PERSPECTIVE VIEWS WHERE PROVIDED ARE FOR REFERENCE ONLY TO ASSIST THE CONTRACTOR IN UNDERSTANDING THE DESIGN CONCEPT FOR ARCHITECTURAL COMPONENTS AND ARE NOT INTENDED TO SUPERSEED INFORMATION CONTAINED IN OTHER CONTRACT DOCUMENTS RELATING TO THIS WORK. ISSUES REQUIRING CLARIFICATION AND/OR INTERPRETATION OF THESE PERSPECTIVE VIEWS SHALL BE DIRECTED TO THE DESIGNER IN WRITING.

5. DETAILS, SECTIONS, AND NOTES DESIGNATED AS "TYPICAL" OR "TYP" SHOW INTENT. THEY INDICATE THAT THE SAME COMPLETE SYSTEM, COMPONENT, OR ASSEMBLY SHALL BE PROVIDED WHERE NOTED.

6. DETAILS, SECTIONS AND NOTES DESIGNATED AS "SIMILAR" OR "SIM" SHOW INTENT. THEY INDICATE THAT A COMPLETE SYSTEM, COMPONENT, OR ASSEMBLY SHALL BE PROVIDED WHERE NOTED TO PROVIDE A COMPARABLE INSTALLATION, AND SHALL INCLUDE ANY MODIFICATIONS NEEDED DUE TO ITS LOCATION. DESIGNER SHALL BE THE JUDGE OF COMPLIANCE WITH DESIGN INTENT AT SIMILAR CONDITIONS.

7. "ALIGN" INDICATES DESIGN INTENT FOR FINISH FACES OF MATERIALS TO HAVE STRAIGHT, TRUE, LEVEL, AND/OR PLUMB RELATION TO ADJACENT SURFACES WITHIN INDUSTRY STANDARD TOLERANCES.

8. INTERIOR WALLS ARE DIMENSIONED TO FACE OF STUD UNLESS NOTED OTHERWISE. EXTERIOR WALLS ARE DIMENSIONED TO FACE OF STUD OR CONCRETE.

9. ALL FASTENERS AND ATTACHMENTS IN PUBLIC AREAS SHALL BE FULLY CONCEALED FROM VIEW UNLESS NOTED OTHERWISE.

## ZONING INFORMATION

THE FOLLOWING IS AN ANALYSIS OF APPLICABLE SECTIONS OF THE **"HALL COUNTY, GA"**, CODE OF ORDINANCES.

**ZONING CLASSIFICATION : H-B**

| | |
|---|---|
| NET LOT AREA (N.L.A.) : | 1.19 ACRES = 51,836 SF |
| BUILDING COVERAGE : | 1,369 SF = 2.64% |
| FLOOR AREA RATIO (F.A.R.) : | 891 SF = 1.71% |
| BUILDING HEIGHT : | 14' / 1 STORIES |
| **IMPERVIOUS SURFACE RATIO :** | **8,241 SF = 15.89%** |

PROPOSED BUILDING COVERAGE : 889 SF
PROPOSED ASPHALT DRIVEWAY : 7,352 SF

## EROSION AND SEDIMENT CONTROL BMPs

**Ds1** **DISTURBED AREA STABILIZATION (WITH MULCHING ONLY)** ; A TEMPORARY COVER OF PLANT RESIDUES APPLIED TO THE SOIL SURFACE FOR A PERIOD OF **(6) MONTHS OR LESS** WHEN SEEDING IS NOT PRACTICAL.

**Ds2** **DISTURBED AREA STABILIZATION (WITH TEMPORARY SEEDING)** ; ESTABLISHING A TEMPORARY NEGATIVE COVER WITH FAST GROWING SEEDING ON DISTURBED AREAS. SEE EROSION CONTROL NOTES.

**Ds3** **DISTURBED AREA STABILIZATION (WITH PERMANENT VEGETATION)** ; ESTABLISHING PERMANENT VEGATATIVE COVER SUCH AS TREES, SHRUBS, VINES, GRASSES OR LEGUMES ON DISTURBED AREAS. SEE ENLARGED PLANS.

**SS** **SLOPE STABILIZATION ;** ALL SLOPES GREATER THAN **3H:1V** SHALL BE SUPPLEMENTED WITH MATTING.

**Co** **CONSTRUCTION EXIT ;** A STONE-STABILIZED PAD LOCATED AT ANY POINT WHERE TRAFFIC WILL BE LEAVING A CONSTRUCTION SITE TO A PUBLIC RIGHT-OF-WAY, STREET, ALLEY, SIDEWALK, OR PARKING AREA.

**NOTES:**
A) NO PROPOSED GRADING EXCEEDING **TWO (2)°**.
B) CONTOURS SHOWN ARE EXISTING. **MAX. 2H:1V** SLOPES.
C) THE EXISTING DRIVEWAY MAY BE USED AS A CONSTRUCTION EXIT.

## RUNOFF REDUCTION CALCULATION

$RR_v$ (RUNOFF REDUCTION VOLUME) = **( P x A x $R_v$ ) / 12** (CUBIC FT)

*WHERE:*

P (PRECIPITATION DEPTH) = **1.0"**

A (LOT AREA) = 1.19 ACRES = **51,836 SF**

$R_v$ (VOLUMETRIC RUNOFF COEFFICIENT) = $a + b\,i + c\,i^2 + d\,i^3$

i (IMPERVIOUS SURFACE RATIO) = 8,241 SF / 51,836 SF ≈ **16%**

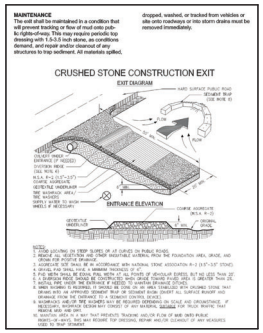
$R_v$ = 0.05 + 0.009 (16) = **0.194**

$RR_v$ = (1 × 51,836 × 0.194) / 12 = **838.01** CUBIC FT

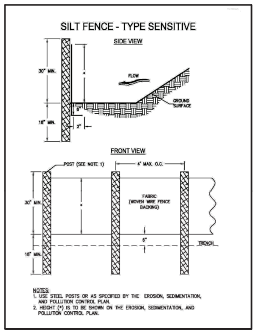
838.01 / **0.4** (ASSUMING THE 40% VOID RATIO) ≈ **2,095** CUBIC FT

**PROVIDED VOLUME** = 3'(W) x 4'(D) x 197'(L) = **2,364** CUBIC FT

**THE REQ'D VOLUME HAS BEEN SATISFIED.**



**DETAIL #1 - CONSTRUCTION EXIT (Co)**



**DETAIL #2 - SILT FENCE (Sd1-S)**

## GENERAL NOTES

A. TOPOGRAPHY IS BASED ON FIELD RUN DATA BY (COMPANY) ON (DATE). THE FIELD RUN TOPOGRAPHY DATE SHOULD NOT BE EARLIER THAN THE SITE'S FINAL PLAT DATE.

B. NO DECKS, PATIOS, OR PERMANENT STRUCTURES PERMITTED IN BUFFERS OR EASEMENTS.

C. NON-EXEMPT ACTIVITIES SHALL NOT BE CONDUCTED WITHIN THE 25 OR 50-FOOT UNDISTURBED BUFFERS AS MEASURED FROM THE POINT OF WRESTED VEGETATION WITHOUT FIRST ACQUIRING THE NECESSARY VARIANCES AND PERMITS.

D. WASTE MATERIALS SHALL NOT BE DISCHARGED TO WATERS OF THE STATE, EXCEPT AS AUTHORIZED BY A SECTION 404 PERMIT.

E. THE ESCAPE OF SEDIMENT FROM THE SITE SHALL BE PREVENTED BY THE INSTALLATION OF EROSION AND SEDIMENT CONTROL MEASURES AND PRACTICES PRIOR TO LAND DISTURBING ACTIVITIES.

F. EROSION AND SEDIMENT CONTROL MEASURES SHALL BE MAINTAINED AT ALL TIMES. IF FULL IMPLEMENTATION OF THE APPROVED PLAN DOES NOT PROVIDE FOR EFFECTIVE EROSION CONTROL, ADDITIONAL EROSION AND SEDIMENT CONTROL MEASURES SHALL BE IMPLEMENTED TO CONTROL OR TREAT THE SEDIMENT SOURCE.

G. ANY DISTURBED AREA LEFT EXPOSED FOR A PERIOD GREATER THAN 14 DAYS SHALL BE STABILIZED WITH MULCH OR TEMPORARY SEEDING.

H. THE DESIGN PROFESSIONAL WHOSE SIGNED AND DATED SEAL APPEARS HEREON, AFFIRMS THAT THE SITE WAS VISITED PRIOR TO THE PREPARATION OF THIS SITE PLAN BY (HIMSELF / HERSELF) OR (HIS / HER) AUTHORIZED AGENT UNDER (HIS / HER) SUPERVISION.

I. CONTACT THE DEPARTMENT OF COMMUNITY DEVELOPMENT THROUGH THE PORTAL TO SCHEDULE A PRE-CONSTRUCTION MEETING WITH THE SITE INSPECTOR PRIOR TO ANY LAND DISTURBANCE. (THE CUT-OFF TIME FOR NEXT DAY INSPECTION IS 2PM.)

## SITE PLAN NOTES

A. THE EXISTING DRIVEWAY MAY BE USED AS A CONSTRUCTION EXIT PROVIDED THAT ALL CONSTRUCTION VEHICLES ARE CONFINED TO EXISTING PAVED AREAS ON SITE. ANY TRACKING OF DIRT, SILT, MUD, ETC. ONTO STREET WILL RESULT IN AN IMMEDIATE 'STOP WORK' ORDER. THE 'STOP WORK' ORDER WILL NOT BE LIFTED UNTIL A CONSTRUCTION EXIT IS CONSTRUCTED IN ACCORDANCE WITH THE CURRENT DETAIL.

B. ANY TRACKING OF DIRT, SILT, MUD, ETC. ONTO STREET WILL RESULT IN AN IMMEDIATE "STOP WORK" ORDER.

STATE OF GEORGIA
COUNTY OF HALL
APN/Parcel ID: **15022C000016**

THIS INDENTURE, made this **24th day of February, 2023**, between

**Hattie Louise Bates**

as party or parties of the first part, hereinafter called Grantor, and

**Chase Car Center, LLC**

as party or parties of the second part, hereinafter called Grantee (the words "Grantor" and "Grantee" to include their respective heirs, successors and assigns where the context requires or permits).

W I T N E S S E T H: That Grantor, for and in consideration of the sum of TEN AND 00/100'S ($10.00) Dollars and other good and valuable consideration in hand paid at and before the sealing and delivery of these presents, the receipt whereof is hereby acknowledged, has granted, bargained, sold, aliened, conveyed and confirmed, and by these presents does grant, bargain, sell, alien, convey and confirm unto the said Grantee, the following described property, to wit:

**See Exhibit A attached hereto and made a part hereof.**

Subject to all easements and restrictions of record.

TO HAVE AND TO HOLD the said tract or parcel of land, with all and singular the rights, members and appurtenances thereof, the same being, belonging, or in anywise appertaining, to the only proper use, benefit and behoof of the said Grantee, forever in FEE SIMPLE.

AND THE SAID GRANTOR will warrant and forever defend the right and title to the above described property against the claims of all persons owning, holding, or claiming by, through and under the said Grantor.

IN WITNESS WHEREOF, Grantor has hereunto set Grantor's hand and seal this day and year first above written.

Signed, sealed and delivered
in the presence of:

GRANTOR:

Unofficial Witness

# EXHIBIT A

TRACT I:

All that tract or parcel of land lying and being in Tadmore District. G.M.D. 268, Hall County, Georgia, lying on the East side of U.S. Highway 129 described as follows:

BEGINNING at an iron pin at the Southeast corner of property formerly deeded to Charlie N. Nix, said iron pin being 0.45 mile Southeast of the New Gaines Mill Road; run thence along U.S. Highway 129 North 39 degrees 15 minutes West 25 feet; thence, North 39 degrees 15 minutes West 25 feet; thence North 74 degrees 03 minutes East 356 feet to an iron pin; thence, South 13 degrees 20 minutes East 25 feet to an iron pin at the Northeast corner of property formerly deeded to Charlie N. Nix; thence South 74 degrees 23 minutes West 345 feet to the point of beginning.

TRACT II:

All that tract or parcel of land lying and being in Tadmore District, GM 268, Hall County, Georgia and being more fully described as follows:

BEGINNING at an iron pin corner between the property of Charlie N. Nix and property now or formerly of Mrs. George Smith Rich, Mrs. Evelyn Cato, Mrs. Clara Mae Whitmire, Willie W. Smith and Thomas J. Smith, said iron pin lying 50 feet Northeast of center line of U.S. 129 (Athens Highway) and Southeast 0.45 mile from New Gaines Mill Road; thence along Rich line North 63 degrees 15 seconds East 155.7 feet to iron pin corner; thence, along Rich line North 82 degrees 10 minutes East, 205 feet to iron pin corner between Rich and Nix; thence, South 74 degrees 03 minutes West 356 feet to point of beginning. This deed is described from plat made by George D. Newton, October 31, 1960 and revised September 12, 1963 to show triangular tract of land above described.

TRACT III:

All that tract or parcel of land lying and being in the Tadmore District, G.M. Ball County, Georgia and Miss Rosa Veal Subdivision and described as follows:

BEGINNING at an iron pin on U.S. Highway 129 right-of way in Lot No. 3 of the Rosa Veal Subdivision; thence, running in a Northerly direction along the right-of-way of U.S. Highway 129, 50 feet to an iron pin: thence, running a straight line in an Easterly direction, which is parallel with the A.N. Head line to an iron pin; thence running South 15 degrees 30 minutes West, 50 feet to an iron pin on the Charlie Nix corner; thence, running South 82 degrees 10 minutes West, 205 feet to an iron pin; thence, South 63 degrees 15 minutes West to an iron pin and beginning corner.

TRACT IV:

All that property lying and being in Tadmore District, GMD 268, Hall County, Georgia, lying on the East side of U.S. Highway 129, containing 0.71 acres, more or less, and described as follows:

BEGINNING at an iron pin corner 50 feet Northeast of the center line of U.S. Hiqhway 129 said iron pin being 0.45 mile Southeast of the New Gaines Mill Road and 0.6 feet Southeast of a Highway right-of-way marker; run thence along the right-of-way of U.S. 129 South 39 degrees 15 minutes East 100 feet to an iron pin on the A.N. Head line; then with A.N. Head North 76 degrees 00 minutes East 300 feet to an iron pin; thence, North 13 degrees 20 minutes West 100 feet to an iron pin; thence, South 74 degrees 23 minutes West 345 feet to the point of beginning.

Suwanee, GA 30024

RE: **Use Subject Application**

Dear Morteza Modaber:

Please be advised that in its Voting Meeting on October 12, 2023, the Hall County Board of Commissioners voted to approve the following application with conditions.

**2353 Athens Highway | Use Subject to County Commission Approval** | 17.420.050 vehicle sales lot, new or used | on a 1.14± acre parcel located on the east side of Athens Highway, approximately 430 feet from its intersection with Smallwood Road | Zoned H-B (GCOD), Tax Parcel 15022C000016 | **Proposed Use: used vehicle sales** | Commission District 4 | **Morteza Modaber, applicant.**

Conditions:

1. The property shall be approved for used vehicle sales only, subject to all conditions herein and development standards enforced at the time of site plan approval. No variances are approved as part of this request other than those stated. No other uses shall be permitted unless approved by the Board of Commissioners.
2. Development is approved as generally shown on the concept plan and described in the project narrative (both dated May 8, 2023), modified as necessary for compliance with the conditions herein and development standards enforced at the time of site plan approval.
3. Plans for any further improvements or development of the property shall be submitted for review and appropriate permits obtained.
4. Storage of wrecked, junk, and/or inoperable vehicles shall be prohibited.
5. Any outdoor storage shall be screened as required by the standards listed in section 17.420 Gateway Corridors Overlay District.
6. Vehicles displayed for sale may be parked on geogrid with gravel as shown on the submitted site plan.
7. Per, 2.60.060. – effective period of approved applications, all applications approved by the board, whether a request for variance from the terms of Title 17, a request for conditional use, a request for the enlargement, change or continuance of a nonconforming use or a request to appeal a decision by an administrative official in the enforcement of Title 17, shall be effective for a period of six months. If

no action is taken by the applicant to implement the purpose of the application by obtaining the proper permit and/or license and proceeding with the building, occupancy or establishment of business within six months from the date of approval by the board, said approval shall become null and void.

8. All conditions of zoning shall be made part of any plats created for the property.
9. There shall be a vegetative buffer to the east of the property. A landscape plan shall be submitted to be approved by staff.
10. No servicing or maintenance of vehicles shall be allowed.
11. The hours of operation shall be Monday thru Friday 9:30am to 6pm, Saturday 9:30am to 4pm and closed on Sunday.
12. The applicant shall install a 10 foot wide landscape strip along Athens Highway, and shall work with planning staff to determine the appropriate plantings.

"Pursuant to section 17.380.130.E.8 of the Official Code of Hall County, the approval of any application for a use subject to approval of the County Commission shall be effective for a period of no longer than 12 months from the date of approval unless action is taken by the applicant to implement the use proposed in the application by obtaining the proper permit and/or license, and development plat approval, and proceeding with the building, occupancy or establishment of business."

Please contact me if you have questions or if you require any additional information concerning this action of the Board.

Sincerely,

Jennifer Rivera

Jennifer Rivera
Hall County Commission Clerk

## HCPC Tentative Agenda 7.7.25

**From** Emily McGahee (Environmental Health) <emcgahee@hallcounty.org>
**Date** Thu 6/5/2025 4:41 PM
**To** Kaitlyn Elliott (Planning) <kelliott@hallcounty.org>; Beth Garmon (CDI: Planning) <bgarmon@hallcounty.org>; Katie L. Greenway (CDI: Planning) <klgreenway@hallcounty.org>
**Cc** Kelly Hairston (Environmental Health) <khairston@hallcounty.org>; Chad Harper (Environmental Health) <charper@hallcounty.org>

Please find Environmental Health comments below:

Item 1A/B, 3024 Dale Road, DCCM: Must meet all Environmental Health commercial septic system permitting requirements. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation may be required after review of business plan.

Item 2A/B, 2353 Athens Hwy: Must meet all Environmental Health commercial septic system permitting requirements as public sewer is not available to this parcel. Further determination will be made during the civil plan review process. A detailed business plan must be submitted to Hall County Environmental Health for review. Additional items, including, but not limited to: recorded plat, soil evaluation, and septic system installation/modification may be required after review of business plan.

## PUBLIC NOTICE REQUIREMENTS

Zoning regulations require that public notice must be given prior to all zoning hearings as follows:

1. The Planning Department shall publish a legal advertisement no less than fifteen (15) days and no more than forty-five (45) days prior to the public hearing.
2. The Planning Department shall send notification by letter of all other property owners within a 500-foot radius of the applicant's property is standard administrative policy of the Planning Department.
3. The applicant/property owner shall place the public notice sign in a conspicuous location on the property not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing.

**The Planning Department shall post the legal advertisement and notify property owners within a 500ft radius to the subject property.**

**The applicant is required to post the public notice sign not less than fifteen (15) days and not more than forty-five (45) days prior to the public hearing.** A photo of the sign placed at the location is required and must be sent to the Planning Department.

Multiple sign postings on a site may be required as determined by the Planning Department. The sign must be in a location where it is clearly visible from the roadway. The sign cannot be obstructed in any manner, placed too far from the road, or placed in such manner as would cause it to blend into the landscape.

Should you find the sign missing or vandalized in any manner, contact the Planning Department for a replacement sign. When the proceeding is complete and final Board action has occurred, the sign shall then be removed from the property by the applicant.

**THE ZONING SIGN MUST BE POSTED NO EARLIER THAN** MAY 30, 2025 **AND NO LATER THAN** JUNE 08, 2025.

**THE ORGINAL SIGNED AFFIDAVIT MUST BE AND RETURNED TO THE PLANNING DEPARTMENT NO LATER THAN** JUNE 08, 2025 **ALONG WITH A MINIMUM OF ONE PHOTO SHOWING THE SIGN POSTED AT THE SUBJECT PROPERTY.**

**Failure to comply will result in a delay of the application.**

---

## AFFIDAVIT

By my signature, I, Morteza Modaber (Please Print Name), **hereby acknowledge that I have read and understand the sign posting requirements. I further certify that the required public notice sign was posted on** 6/11/2025 (Date) for Morteza Modaber (Name application filed as).

**Signature** M.Bn
(The original document is required)
