A WORD IN SEASON

FULFILLING OUR PURPOSE

"And whatever you do or say, do it as a representative of the Lord Jesus." Colossians 3:17

David Seidman
Head of School

As a community, HCA is focused on helping young people seek God's purpose for their lives. Our mission of inspiring students toward spiritual maturity, to achieve academic excellence, and to impact the world for Christ, makes us unique, in contrast to other school options and programs. Yet we have to acknowledge that we are in a battle, as the culture is wooing our young people to find purpose outside of God's calling on their lives.

Rick Warren, pastor and author of *The Purpose Driven Life*, shares what gets in the way of people realizing their purpose:

The two greatest barriers that keep people from fulfilling their purpose are envy and people-pleasing. Envy is the idea that I must be like you in order to be happy. If I'm envying you, then I'm going to miss God's purpose for my life. The other barrier is people-pleasing, which says, "I must be liked by you to be happy"...The fear of disapproval and the need to please people are barriers to living your purpose.

What comes to mind here is the cult of celebrity and the pull of social media. The trap is being set to turn young people into followers of the world, rather than followers of Christ. Even if you feel your children are too young

to be exposed to these ideas, you still need to be proactive in battling the envy and people-pleasing temptations that will creep in when you least expect them.

Romans 12 warns against being conformed to the image of the world. Here are some questions we can ask to help our young people heed God's call to be conformed to His Son:

- Is your home immersed in God's Word? (Psalm 119:105)
- Do your children know they are created in God's image? (Genesis 1:27, Romans 8:29)
- Do they understand what it means to be Christ-like? (Philippians 2:1-8)
- Are problems and challenges met with an attitude of gratitude? (1 Thessalonians 5:18)

As we openly discuss these issues with our children, not only will they discover who they are in Christ, but they will begin to build God's kingdom through the way they treat others and exercise the gifts God has given each of them. The goal is that all of us - young people and adults alike - will gravitate towards God's purpose for our lives. We need to become God pleasers, as envy and people-pleasing become foreign to us. And foreign they should be; after all, we are citizens of another world!

HCA HIGHLIGHTS

CAMPUS FEATURES

Our students are accomplishing incredible things for God's glory!

UGANDA FUNDRAISING

HCA's high school Student Council is leading an effort to raise funds for an ultrasound machine for Dream Center Uganda (DCU). DCU is an international ministry branch of Touch the World, seeking to restore lives in the Adak community of Gulu in northern Uganda. At its inception, DCU recognized the urgent need for medical care in the community, which birthed the construction and operation of a medical center. This center is currently planning to expand to include maternity and labor/delivery. HCA's Student Council has come together to advance this mission by providing the DCU medical center with a much-needed ultrasound machine. Our students have taken offerings in chapel, hosted pizza lunches, and held car washes in an effort to reach their \$6,000 goal. The provision of an ultrasound machine will support the mission of DCU's medical center: to bring both physical and spiritual healing to the community. A group of HCA high schoolers visited DCU in 2017, and returned for a missions trip in April of 2018.

NATIONAL HONOR SOCIETY

Nineteen HCA students were inducted into the Hawthorne Christian Academy Chapter of the National Honor Society (NHS) this year. NHS is the nation's premier organization established to recognize outstanding high school students. Four main purposes have guided chapters of NHS since 1921: to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character.

In order to be a member of NHS, each student must be a junior or senior, have attended HCA for a full academic year prior to applying for membership, have a minimum cumulative grade point average of 3.7 on a 4.0 point scale, and have an exemplary discipline record.

The HCA students sworn into the HCA Chapter of NHS for the 2017-2018 school year are: Jonathan Alektiar (12), Sophia Alvarez (12), Justin Augustin (12), Adriana Bayron (12), Kali Bures (11), Rachel Eelman (11), Mikaela Hamlet (12), Kristina Hickey (11), Jason Hoogerhyde (12), Bethany Kudisch (11), Angie Lovato (12), Charlene Manipon (11), Timothy Mastroberti (12), Abigail Ng (11), Abigail Palacios (11), Rachel Rypkema (11), Christian Silos (12), Emily Vasquez (12), and Olivia White (12). Congratulations to these talented, hardworking new NHS members!

National Honor Society Oath:

I pledge myself to uphold the high purposes of the National Honor Society to which I have been selected. I will be true to the principles for which it stands; I will be loyal to my school, and will maintain and encourage high standards of Scholarship, Service, Leadership, and Character.

ADVANCEMENT UPDATE

ADVANCING THE MISSION OF HCA

"Our goal is to deliver the best possible education to our students each year."

Sandy Vasquez-Chong
Director of Advancement

This year's Annual Banquet was truly one to remember. The Lord's blessing was upon us, and empowered all to share and appreciate His love. The evening included powerful and inspiring speeches from HCA students. Their expressions of what it means to be a Defender of Academics, Athletics, Music, Art, and Community truly exemplified the unparalleled education at HCA. In addition, faculty member Kevin Standford reminded us of the importance and lasting value of the HCA family and an HCA education.

Matt Andersen, our distinguished alumnus, shared an empowering message and his support for HCA (with an incredibly touching introduction from his father, Pastor David Andersen). The evening also included a live auction, emceed by faculty member and alumnus, Aaron Van Dyk, in addition to great food, great auction items, and great people.

The Lord's love was present in words and actions. So much so, this year's Banquet raised \$10,000 more than last year!

We concluded the evening with a vital announcement: the initiation of an ambitious but necessary campaign to raise \$10 million for our endowment. This campaign not only benefits current and incoming students through the advancement of our programs and technology, but also builds a solid and stable foundation for the future. A contribution to the endowment aids families who cannot financially afford a Christian education for their child and supports our faculty. Our goal is to deliver the best possible education to our students each year. Please prayerfully consider playing a role in creating this foundation for our children, and if the Lord lays it on your heart to give, please do so willingly, sacrificially, and significantly. May the Lord bless you always.

The HCA Endowment is made up of donations that are invested to grow the principle. The interest on the investment helps with tuition aid, scholarships, teacher salaries, and institution expenses.

A NEW OPEN HOUSE

HCA held our first-ever Interactive Open House on Tuesday, March 27, 2018. This inaugural event provided a unique opportunity for parents and children to experience HCA through the eyes of our students. Families engaged in dynamic hands-on learning, participated in classroom activities, and interacted with our teachers in our lower school, middle school, and high school classrooms. This exciting Open House was a rousing success, with over twenty families in attendance! Contact our Admissions Office to plan a visit and discover the HCA difference!

ANNUAL BANQUET & AUCTION

DEFENDER DEFINED

Friends of HCA gathered at the Rockleigh Country Club for an amazing evening of music, message, food, and fun!

WE ARE DEFENDERS

What is a Defender? Many know the Defenders as HCA's athletic teams, but being a Defender goes far beyond the fields and courts. A Defender is someone who represents Christ in every aspect of his or her life. At HCA, we are Defenders. We are Defenders of the Lord and of the gifts He has given us to use for His glory. This year's annual Banquet delved more deeply into the definition of a Defender, and into what it means to our students, our faculty, and our community.

HCA is uniquely qualified to train the next generation of Defenders for Christ. HCA coach, alumnus, and parent, Kevin Stanford, addressed our banquet attendees and explained why:

- 1) HCA knows who our Defender is
- 2) HCA is committed to the Truth
- 3) HCA has a mission-minded faculty who love the Lord & their students

"The LORD is your mighty defender, perfect and just in all his ways."
-Deuteronomy 32:4 (GNT)

ALUMNUS OF THE YEAR

Matt Andersen ('95) was honored with the Distinguished Alumni Award for his work as the Executive Director at Star of Hope Ministries and the Senior Pastor of Calvary Chapel Oasis in Paterson, New Jersey. Matt ministers to many who suffer from drug and alcohol addiction, homelessness, joblessness, and hopelessness. Matt's vision is to see people from all different walks of life worshipping and serving alongside one another as a true picture of Kingdom diversity. Matt is passionate about teaching the Word of God. His ultimate dream is to see a mighty work of God among the people of God, through the Word of God, by the Spirit of God.

DEFENDER DEFINED: A WORD FROM OUR STUDENTS

"The knowledge of the truth has provided me with the courage to define myself as a Defender of Christian Education and to truly live to bring honor to Him."
Angie Lovato (12), Defender of Academics

"A Defender of Athletics is a person who strives to achieve a standard of excellence while playing his particular sport, but who also allows Christ to lead this excellence."
Justin Augustin (12), Defender of Athletics

"So what does it mean to be a Defender of Music at HCA? I believe it means to bring all glory to Him, whether in song or deed. Proclaim His glory to all the earth."
Jonathan Alektiar (12), Defender of Music

"Defenders are like living mirrors who imitate Christ. As a Defender of Art, I hope that what I create reminds people that an Ultimate Artist exists, and that we are His beloved creation."
Czarina Manipon (12), Defender of Art

"My goal as a Defender is to cultivate relationships that revolve around the person of Jesus, and that are characterized by truth, trust, honesty, reliability, and accountability."
Christine Pelliccio (11), Defender of Community

STUDENT SPOTLIGHT

ACTIVITIES & ACCOMPLISHMENTS

“Whatever you do, work heartily, as for the Lord and not for men.” Colossians 3:23

MOCK TRIAL

On January 24, our 2018 Intro to Law students reached the furthest point in HCA's twelve-year history of participation in the Passaic County Mock Trial Competition! Students gathered at the ceremonial courtroom in Paterson to present their well-prepared defense and prosecution. Our teams won the initial two-round phase of the trial and advanced to the Passaic County Championship. After a valiant effort, our Defense Team finished only one point away from winning the championship and advancing to the state-level competition. Congratulations to the team for a stellar second place finish!

MAKERSPACE CLASS

This semester welcomed many new additions to our Makerspace, including an elective class for seventh and eighth graders. In this exciting new course, students learned to use CAD programming and computer numerical controls (CNC). They designed and produced objects on our 3D printers, and created beautiful wood carvings using our CNC router. Members of the class have enjoyed fun and creativity, while fostering their science, technology, engineering, and mathematics skills. Our Makerspace is also available to all other middle and high school students for independent study and discovery.

NNJCSA MATH COMPETITION

HCA hosted the NNJCSA Math Contest on March 20, 2018. This year, our lower and middle school teams took first place overall, and each won their individual divisions. These powerful HCA teams included: third graders Irene Seo and Jed Cha (2nd place), fourth graders Ethan Cha (1st place) and Elias Atekpe (3rd place), fifth graders Sydney Chung and Hugh Ryan (3rd place), sixth graders Anne Guanga and Yaelin Hough (1st place), seventh graders Julian Hough (1st place) and Luke Mitchell (2nd place), and eighth graders Bethany Kwak and Rhiannon Atekpe.

STOCK MARKET GAME

HCA's twelfth grade Selected Topics math class competed in the Fall 2017 nationally acclaimed Stock Market Game. Each student received a hypothetical \$100,000 to manage, and final rankings were based on the stock market closing prices in December. Many of our students finished in the top 50 of over 700 teams of portfolio managers in our extremely competitive region. Eric Harley's portfolio grew over \$9,000 in value and outperformed the general market by over 5.6%. Eric finished in second place overall and will be attending an awards ceremony in the spring.

DOLAN DNA LEARNING CENTER

Nine students from HCA's AP Biology course spent the day at the Dolan DNA Learning Center (affiliated with Cold Spring Harbor Laboratory) on February 28. At the Learning Center, students are exposed to principles of genetics and disease risk and have the opportunity to do hands-on experiments with DNA. Our AP students completed an extended human DNA fingerprinting lab using Alu insertion polymorphisms. This was an incredible learning experience for the group, as the majority of these students are planning on pursuing medical or science careers.

6TH GRADE TECHNOLOGY FAST

In an effort to intentionally pursue the Lord more deeply, HCA's sixth grade class decided to participate in a five-day technology fast. The students put aside their cell phones and televisions during their personal time at home in order to spend more time in prayer and Scripture. As a group, they were able to encourage and challenge one another in this effort, and in their relationships with the Lord.

SOUS SCHOLARSHIP

Jaiden Fuller (9) and Adrielle Perde (9) were the 2018 recipients of the Sous Memorial Scholarship. This scholarship is intended to extend the legacy of Michelle Sous's passions for both the sciences and for unity among her classmates and community through her HCA family.

ACADEMY ATHLETICS

GO DEFENDERS!

“Let us run with endurance the race that is set before us.” Hebrews 12:1

VARSITY BOYS BASKETBALL

The 2017-2018 season provided many exciting moments for the varsity boys basketball team. They finished with a final record of 10-12, with a victorious win over Palisades Park, an overtime win against Midland Park, and an exciting late-season buzzer beater against Wallington. Ben Maura (11) achieved the season high for the team, scoring 30 points against Bogota. Though the team experienced many ups and downs throughout the season, the boys grew in character and learned to be leaders on and off the court. They matured individually and as a team, and truly allowed God to lead that growth.

VARSITY GIRLS BASKETBALL

The theme of this year's girls basketball season was *goal setting*. The goal of each game was to improve over the last, and to reach numerical targets, such as the number of points, steals, and rebounds. This exceptionally coachable group of young women met and exceeded goal after goal, game after game. They improved their offensive strategies, and implemented a new defensive procedure mid-season which increased turnovers and steals. Overall, it was a season of great improvement and growth. The girls finished with a better record than last year and laid the foundation for an even more successful season next year.

MS BASKETBALL

Both middle school basketball teams learned the meaning of hard work and dedication this year. Though neither team had a winning record, they each saw vast improvement throughout the course of the season. For every minute of every game, they worked hard and fought for victory. They never quit, regardless of the score. The middle school boys finished the season with two wins, including a thrilling victory over our rival, EC.

NJSIAA SPORTSMANSHIP AWARD

For the seventh consecutive year, HCA has been voted the unanimous recipient of the NJSIAA Sportsmanship Award. This vote is conducted by the Athletic Directors in our League and is based on all athletic competitions and interactions with student-athletes, officials, coaches, and fans. Each year we compete in hundreds of games, matches, and meets. On any given day, our teams may be the only representation of Christ that our opponent has the chance to interact with. While we always strive for victory, we know that there is much more to sports than just winning and losing. Being a witness for the Lord is the ultimate goal and achievement.

HIGH SCHOOL BOWLING

Four bowlers represented HCA in this tenth season of high school bowling. This small team of dedicated athletes displayed constant determination and commitment, with each member participating in every match and achieving many team and personal goals. This is the most decorated bowling team in HCA history. Team captain, Kirk Schmidt, and team members, Sarah Campbell, Philip Duncan, and Timothy Jackson, all received accolades on both the county and state levels. Tim Jackson also placed second for high series with a score of 641. In expressing her appreciation for her team, Coach Boonstra said, “I want to thank everyone for their dedication and hard work. It was a memorable season and I am very proud of all of you.”

WINTER VARSITY AWARDS

VARSITY BOYS BASKETBALL

DAVID FALCON (12)

MUSIC NOTES

NEWS FROM THE MUSIC DEPARTMENT

HCA's Servants of the King excelled at the prestigious Heritage Gold Festival!

UPCOMING COMPETITIONS

In May, all of our performing ensembles will participate in the Music in the Parks competitions at Six Flags Great Adventure. These competitive performances provide the opportunity for our music students to interact and compete with other schools and music programs from across the northeast. The HCA Middle School Chorus will compete on May 12, and May 19 will feature our Chorale, Servants of the King, Allegro Handbells, and Prelude Handbells. Please be in prayer as our students prepare their hearts, minds, and music for these exciting events!

HERITAGE GOLD FESTIVAL 2018

Servants of the King traveled to Nashville, TN, on March 16-20, for the national WorldStrides Heritage Festival of Gold, held at the Schermerhorn Symphony Center. Each participating school previously placed first at a Heritage Festival competition in 2017, thus qualifying them to attend this prestigious invitational event. At the festival, Servants of the King participated in several hours of intensive workshops under the direction of Dr. Craig Jessop, Dean of the Caine College of the Arts at Utah State University and former musical director of both the world-famous Mormon Tabernacle Choir and the US Air Force Singing Sergeants. At the adjudication on the third day, Servants of the King performed and was critiqued

by three nationally renowned choral experts. Their performance received a Superior rating with an exceptional score of 96.5. In addition to the workshops and adjudication, Servants of the King collaborated with other choirs and orchestras to prepare a program of beautiful and challenging music, which was performed at the Schermerhorn Symphony Center in Downtown Nashville. It was a wonderful opportunity to get to know others and to proclaim the Gospel through lifting voices in song! This experience led to great conversations about the Lord, and spiritual renewal in our own students. The trip was a special experience for our students in every way - musically, educationally, and spiritually!

ART STUDIO

FOCUSED FACES & CREATIVE SPACES

Our art students are busy at work creating museum-worthy masterpieces!

POSTER CONTEST

HCA's fourth grade class participated in the Passaic County Poster Contest this year, competing against hundreds of other students from around the county. Our own Luke Hanna was one of only twelve students chosen to have their posters displayed in the official Passaic County 2018 calendar. HCA student, Adam Malasits, also received honorable mention.

AP STUDIO ART

Seniors Nylah Hindsman, Czarina Manipon, and Emily Vasquez joined HCA's first-ever AP Studio Art class this year. These talented young women are diligently preparing for their AP Sustained Investigation, a portfolio of twelve pieces displaying a range of materials and approaches. Work from our AP students will be featured at HCA's Gallery Walk on May 22.

ART CLUB

Mrs. Philippy recently started an after-school art club for fourth and fifth graders. A series of classes are held in the fall and spring, which have welcomed up to fifteen students each. This season's club members are painting owls surrounded by three-dimensional bark. The students have greatly improved their skills while having a whole lot of fun!

ALUMNI NEWS

WHERE ARE THEY NOW?

Send your alumni news to tina.tatum@hca.org.

WEDDINGS & BIRTHS

Chad De Boer ('92) and his wife, Theresa, announced the birth of Bayne Chad De Boer on January 17, 2018. Bayne joins his sister, Violet Theresa. Chad currently serves as the Church Administrator at HGC. [1]

Jaimee Merriman Wenzel ('04) and her husband, Rob, welcomed Camryn Jaine Alice Wenzel on January 18, 2018. She joins her siblings, Charlotte, Caleb, and Catherine. [2]

Nicole Ryan ('05) married JR Kanu in December 2017 in Nigeria. The couple will celebrate their wedding in the US in May 2018. [3]

Jordan Minnema ('06) and his wife, Mandy, announced the birth of their third child, Mason Jeremiah Minnema, on January 6, 2018. Mason joins his siblings, Laityn and Evan. [4]

Grace (Abma) Curcio ('07) and her husband, Christian, welcomed their 5th child, Evangelyn Hope Curcio, on June 16, 2017. [5]

Jacob Hart ('14) married Stephanie Barillaro on August 11, 2017, at The Ranch Golf Club in Massachusetts. The couple met as students at Gordon College and are currently finishing their degrees. [6]

ALUMNI FEATURE

Giovanna Cicerchia ('94) starred in the first season of NBC's fitness reality show, *Strong*, where she conquered physical and mental obstacles. She is passionate about talking to women and teens about struggles with weight gain, sadness, and hurts, and how she turns insecurities into strengths. Giovanna recently launched Not Just a Pretty Plate (NJAPP), a food, meal prep, and lifestyle blog, focused on making meal prep beautiful and manageable. NJAPP will be partnering with the World for Christ Crusade to inspire and motivate through fitness, nutrition, and God's Word.

HCA ANNOUNCEMENTS

UPDATES & EVENTS

"For everything there is a season, and a time for every matter under heaven." Ecclesiastes 3:1

IN MEMORIAM

HOWARD M. VAN DYK, SR.

AUGUST 7, 1929
MARCH 4, 2018

Howard Van Dyk, Sr. went home to be with his Lord on Sunday, March 4, 2018. Howie served on HCA's Academy Committee from its beginnings, working to expand the school, and playing a major role in the addition of HCA's high school. His support in establishing the academic and spiritual standards by which HCA operates today is a wonderful legacy for which we will be forever grateful.

Howie is survived by Anna Van Dyk, his wife of nearly 70 years, and their four children, seven grandchildren, and three great-grandchildren.
