A WORD IN SEASON

NO FAILURE, ONLY FEEDBACK

"So teach us to number our days..." Psalm 90:12

David Seidman
Head of School

"Students should be put into situations where they might experience failure...young people grow most profoundly when challenged and given latitude to make mistakes" (Tom Sturtevant, former Head of School at Northfield Mount Hermon Prep).

The end of the school year is not just a time for relief, but also for reflection; it is an opportunity to look back on the struggles and failures of the school year with an eye to learning.

Consider the baseball player who takes a cut at a bad pitch for the third strike, the scholar who draws a blank because of a lack of preparation for the big test, the musician who hits a wrong note during a solo, or the friend who posts something on social media that cripples a relationship.

You can pay for failure by suffering the consequences, and then putting your head down and grumbling at the world, getting angry at someone, or making yourself the victim of circumstance. Or, you can invest in failure by looking at the lesson learned, and the actions, habits, or attitudes that need to change, asking, "What is the message I am supposed to be getting about me here?"

The Psalmist said, "So teach us to number our days that we may get a heart of wisdom" (Psalm 90:12). The Apostle Paul echoed this when he said, "Look carefully then how you walk, not as unwise but as wise, making the best use of the time, because the days are evil" (Ephesians 5:15-16).

Carole Hyatt and Linda Gottlieb, co-authors of *When Smart People Fail*, offer this take on redeeming failure:

"I divide the world into learners and nonlearners. There are people who learn, who are open to what happens around them, who listen, who hear lessons. When they do something stupid, they don't do it again. And when they do something that works a bit, they do it even better and harder the next time. The question to ask is not whether you are a success or a failure, but whether you are a learner or a nonlearner."

Perhaps there is no failure, only feedback. Perhaps we should not be asking ourselves *why we failed*, but *what we learned*. That is one way we can redeem our days. May we look back on this year and see only successes and growing pains!

HCA HIGHLIGHTS

CAMPUS FEATURES

Exciting events and accomplishments abound!

JOG-A-THON 2018

HCA held its twenty-eighth annual Jog-A-Thon on May 4, 2018. This event has been an HCA favorite since its inception in 1990. Despite some cloudy skies and a little rain this year, our joggers' spirits remained undampened. It was a day of fun for HCA students, parents, teachers, and supporters.

Though our turf field was approaching completion in early May, it was not quite ready for the jogging feet of our 450 students on Jog-A-Thon day. In lieu of a field, our middle and high school students turned the entire HCA campus into a track, and ran their laps around all five of our campus buildings. They enthusiastically took on the challenge of completing as many of these longer laps as possible to raise support for their school. While jogging along this scenic route was a fun and different experience, HCA is excited to return to the field next year, and to use our amazing new turf field for many Jog-A-Thons to come!

The day of excitement was completed with a beautiful plant and flower sale, and a delicious barbeque lunch. Thanks to our jogging students, parent volunteers, and ambitious PTF, this year's Jog-A-Thon raised more than \$30,000 for HCA.

"Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith" (Hebrews 12:1-2).

5TH GRADE PUBLISHED POETS

Fifteen talented HCA fifth graders were selected to be published poets in Creative Communications' annual poetry contest, and their work will be printed in a hardcover anthology. As of 2018, HCA is officially in the top ten for the number of entries received and accepted in NJ since 2010.

Sports

Playing sports is really fun,
Except for when they are done.
I love to run and play outside,
It's better than a carnival ride.
Soccer is the best sport of all.
I play that sport in the fall.
Baseball, skiing, tennis too,
They are also fun to do.
No matter what sport I play,
I want to do it everyday.
No matter what sport I do,
It's always better to play with you.
When I get home I get in my shorts,
To run and play some interesting sports.
And even though the sport has to end,
The best part is to play with a friend.

-Zacharias Burres

God

Awesome, talented
Wonderful, great, amazing
He is so good to me
Omnipresent, kind
Omnipotent, omniscient
He loves me so much

-Joseph Lee

ACTIVITIES & ACCOMPLISHMENTS

“And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him.” Colossians 3:17

LOWER SCHOOL PROJECT FAIR

Bulletin boards, hallway walls, and hanging streamers showcased the artwork of every lower school student in this year's Project Fair. Each class presented exhibits that reflected its specific classroom topics and areas of learning. Students used different artistic styles and media to creatively express educational concepts in fun and innovative ways. Parents, family members, and friends were able to browse all artistic creations in a walk-through of each lower school classroom.

NNJCSA FIELD DAY

Qualifying third through eighth graders competed in NNJCSA's 2018 Field Day. HCA placed third in Divisions I and II, and our own Coach Stanford headed up the entire event. HCA's first place winners were: Alyssa Manasse (3), obstacle course; Elijah Alvarado (4), softball throw; Seth Fitchett (4), softball throw, broad jump; Jillian Wesseldyke (5), obstacle course; Austin Tucker (6), softball throw; Joel Walker (6), obstacle course, broad jump; Brock Burres (7), obstacle course; David Gonzalez (7), 50/100 meter dash; and Luis Goenaga (8), broad jump.

SPRING BREAK MISSION TRIPS

Twenty-nine HCA middle and high school students, four HCA faculty members, and one HCA alumnus spent the week of spring break ministering to the lost. Three mission trips were coordinated through Touch the World Ministries, who has been partnering with HCA for several years. Our students ministered in the refugee communities of Dallas, the garbage dumps of Guatemala, and a rural community of Uganda. Students returned with new perspectives, praising the Lord that lives were changed and God was glorified.

AAA POSTER CONTEST

Twelve second and third grade students represented HCA as finalists in the AAA National Traffic Safety Poster Contest in April 2018. Over 20,000 student participants across the country entered posters that reflected a traffic and pedestrian safety slogan. HCA student finalists were: Sophie Arrieta, Jeremy Basta, Jed Cha, Jianna Clay, Kezia Gunawan, Chase Hawthorne, Edward Hwang, Alyssa Manasse, Abigail Marrero, Moriah Ng, Irene Seo, and Madelyn Van Dyk.

FEED MY STARVING CHILDREN

HCA's fourth through eighth graders participated in Hawthorne Gospel Church's annual Feed My Starving Children (FMSC) MobilePack event this year. FMSC is a Christian non-profit organization that fights world hunger by sending volunteer-packed meals to schools,

orphanages, clinics, and feeding programs worldwide. Our students packed over one ton of rice, dehydrated vegetables, soy powder, and vitamin powder into 22,896 meals during our MobilePack shift. This constitutes enough meals to feed 62 children for a whole year.

STUDENT COUNCIL CAR WASHES

HCA's Student Council has been hard at work raising money for the purchase of an ultrasound machine for Dream Center Uganda. They recently held two car wash events in Ridgewood, each of which raised over \$1,000, enabling them reach their \$6,400 goal.

NATIONAL DAY OF PRAYER

The National Day of Prayer stirred the hearts of HCA students this May. In honor of the day, HCA high schoolers held a Prayer Lunch where they led their classmates and teachers in prayer to intercede for America's leaders and families.

VALEDICTORIAN

As the class of 2018 prepares to move forward, Valedictorian **Christian Silos** challenges his classmates to take initiative in their lives and in their faith. "Do not let the fear of uncertainty prevent you from taking hold of opportunities, and do not let the fear of judgment prevent you from taking ownership of your faith."

SALUTATORIAN

In his salutatory address, **Jayson Hoogerhyde** implores his fellow graduates to always seek God's plan and direction for their lives, to completely trust that His way is best, and to represent Christ in everything they do. "We have all spent a lot of time learning Bible verses, and now it is time to start applying them."

ACADEMY ATHLETICS

GO DEFENDERS!

Our high school teams experienced the most successful spring season to date, even amidst the ongoing construction on our new turf field!

VARSITY BOYS BASEBALL

The Varsity Boys Baseball team persevered through a hectic season, as the installation of HCA's beautiful new turf field was completed. Without a home field to practice or play on, the boys were stretched and tested, having to adapt, think on their feet, and make necessary adjustments. Though their first game was not until May 11, the team put forth a valiant effort for the season and displayed genuine dedication to the program. Our league, the NJIC Patriot, is one of the best Group 1 leagues in the state, and the boys fought hard for their victories. They ended the season with an exciting comeback win against Trinity Christian. Every senior athlete contributed to the team's victory that day, and it was a thrilling way to finish the 2018 season.

Senior Christian Silos made First Team All League for the third consecutive season, which has never been accomplished in the history of HCA. Christian was also named First Team All County, which is a great achievement and another first for HCA baseball.

Special thanks go to our coaches, Aaron Van Dyk ('96), Andrew Mui, Jessey Michaels, and Brian Capozzi ('01) for their dedication and support during a challenging season.

HIGH SCHOOL TRACK & FIELD

HCA had an exciting 2018 Track and Field season. The team experienced great individual and team accomplishments on league, county, and state levels. Fifteen student-athletes qualified for the NJSIAA State Meet, which is a record for HCA Track. Some team accomplishments included multiple dual meet victories, record-breaking HCA team scores at league championships, and a record number of athletes advancing from state sectionals to group championships. Senior Justin Augustin won the league championship and placed third at the county championships in the 1600 meter. HCA's three pole vaulters (Grace Guingon, Zoe Higby, and Colleen Moran) each finished in the top six in the league, and the top ten in the county. Throughout the season, the athletes grew closer together as a unit, and were a light for Christ during every competition.

HIGH SCHOOL SPORTS BANQUET

The HCA Athletic Department held its 31st annual High School Sports Awards Banquet on May 23 at The Tides Estate. Over 200 people were in attendance, and the following Department Awards were presented:

DESSERT THEATRE 2018

HCA's 10th annual Dessert Theatre was held on April 27 and 28 in the Pavilion. These nights of incredible music, compelling drama, and delicious desserts have become a beloved HCA tradition. This year's student-written script told the story of the fictional land of Melodia, which is threatened when a villain seeks to steal the source of its power (music, of course). Princess Aria must travel to the distant land of New York City in order to find the answer to save her kingdom.

ADVANCEMENT UPDATE

ADVANCING THE MISSION OF HCA

"Rejoice in the Lord always; again I will say, rejoice!" Philippians 4:4

Sandy Vasquez-Chong
Director of Advancement

It is said that experience is invaluable. During this past year at HCA, I have been blessed to have experiences that were nothing short of incredible. I have been able to be part of a community that loves the Lord and selflessly works to fulfill His mission. I have met families who are strong in their faith, and reflect the wisdom and love He represents. I have come to know students who are the embodiment of fruit - fruit that provides life to a hard and misguided world - fruit that is grown and nurtured by faithful families and the incredibly dedicated and loving faculty at HCA. All of these experiences have strengthened my faith and given hope during tumultuous times.

These experiences also bring hope and excitement for the future. Because we have Him, every day is a celebration! We also celebrate our achievements and blessings. We have had incredibly successful athletic seasons, marked by team and individual

achievements. We have graduates going on to spread His Word and positively impact colleges and universities, such as NYU, Penn State, NJIT, and Bethel School of Supernatural Ministry. We have a beautiful new sign to announce our presence. And we have been blessed with a brand new, state-of-the-art athletic turf field and scoreboard. The synthetic turf field will provide a safe and lasting home field, where the HCA community can host games and enthusiastically support its Defenders (photo below, taken by the HCA drone). Our new scoreboard proudly proclaims 1 Timothy 4:8, "Physical training is good, but training for godliness is much better, promising benefits in this life and in the life to come."

All these incredible blessings, and a myriad of others, give everyone many more reasons to celebrate - to celebrate HCA, celebrate each other, and celebrate the Lord and His unwavering love, mercy, and blessings.

WEDDINGS & BIRTHS

Nicole Ryan ('05) and JR Kanu celebrated their marriage on May 26, 2018, following their traditional Ibo wedding in Nigeria in December. Their US ceremony was held at HGC, and their reception at the Woodcliff Lake Hilton. The couple met as students at Calvin College, and will soon relocate to Lagos, Nigeria. [1]

Megan (Pabon) Romero ('06) and her husband, Jordan, announced the birth of their first child, Oliver Daniel Romero, on January 30, 2018, at 1:57pm. The Romeros currently live in Wayne, New Jersey. [2]

Stephanie Amaro ('07) became Mrs. Luis Angel Nieves on May 25, 2018, at the Rockleigh Country Club in Rockleigh, New Jersey. The couple met through a mutual friend during their undergraduate careers at Montclair State University, and will now make their home in Verona, New Jersey. [3]

Delia (Hynes) Cornwell ('07) and her husband, Sam, welcomed twin daughters, Amelia Hope Cornwell and Avery Brave Cornwell, on May 25, 2018, at 1:06pm and 1:36pm. Amelia and Avery join their older sister, two-year-old Emelyn. [4]

ALUMNI FEATURE

"The white knight, one who comes to the aid of others and fights with honor and hope for their good - that is the calling I have on my life."

Joseph Battistella ('15) graduated Summa Cum Laude from the University of Valley Forge on April 27, 2018, with a BS in Criminal Justice. Following the Lord's call to the legal profession, Joseph will be attending Regent University School of Law in the fall. The selfless nature of supporting, protecting, and defending those who would not otherwise have a voice is what has drawn him to the field of law. Joseph considers HCA teacher, Daniel Frederiks, an inspiration in this regard, stating, "A high school teacher and personal mentor of mine, also a lawyer himself, has the greatest heart for helping others that I have ever known... This is the role of the white knight, to rally behind the King and fight for His Kingdom and for others, even if we fight alone."
