

# Multi-Fit Supply Adapter

Don't have or have the wrong size toilet supply connector? Now with the new Multi-Fit Supply Adapter kit you can convert faucet and other size braided connectors into a toilet supply.

Accepts braided supplies that have 1/2" basin, 7/16" and 3/8" compression connections. Kit includes toilet fill valve adapter with rubber seal and two reducers.

**Features:**

- Solid brass
- Lead free
- Nickel plated
