

2023 DUBLIN WAYNE WILLIAMS MEMORIAL BASEBALL TOURNAMENT RULES

UMPIRES AND COACHES NEED TO REVIEW THESE RULES BEFORE THE GAMES START
WE WILL USE OHSAA RULES UNLESS OTHERWISE NOTED ON THIS SHEET

- All teams must be at their assigned field 30 minutes prior to the scheduled time. We will start early if we can.
- GAME Cards must have Pitchers Names and Number (no nicknames), outs recorded for each pitcher, team name, age of teams - game time and field number.
 - After each game, the managers or coaches **MUST** meet to review and sign the game summary card. This card will represent the game's official scoring and pitching records. Manager or Coach's failure to sign the game summary card prior to leaving the field, will result in his/her team relinquishing its ability to challenge that game's official scoring or pitching records and could result in forfeiture of that game.
 - Home team is responsible for the official scorebook and scorecard. Home scorekeeper will confirm scores and pitching statistics with the visiting team at the end of every full inning.
- For pool play games, a coin flip between the umpire(s) and a manager (or coach) from each team will determine the home team.
- A tournament director or coordinator is permitted to manage or coach a team.
- A regulation game will last 6 innings for 7U thru 12U age groups and 7 innings for 13U & 14U.

A pool play game can end in a tie as a result of the time limit.
 - All pool play games tied at the end of regulation (innings) or at the end of the time limit will be counted as a tie in the standings. No extra innings will be played in the pool play round.

- If an inning is started it must be finished.
- INFIELD PRACTICE IS NOT ALLOWED. Prior to games, your team may warm up in the outfield. No infield warm-ups are permitted in fair or foul territory while the grounds crew prepares the field for an upcoming game. Players, including pitchers, must be warmed up and prepared to play at game time.

 - 13U & 14U - 30 outs {10 innings}
- o Pitching records are tracked to the detail of outs in an inning (Example: if the starting pitcher is removed with 1 out in the 4th inning, that pitcher is credited with having 3 ½ innings which is 10 outs). Exceeding the innings pitching limitation as a result of a double or triple play is not a violation.
- o To support fair play, pitching records for Friday games will be considered as Saturday game records.
- o Tournament Days:
 - Saturday (includes Friday games)
 - Sunday
 - Monday
- o Only a team manager or coach can challenge pitching limitation rule violations. Violation challenges must be made to the home plate umpire prior to the next legal pitch (by either team) in that game. If a game ends with an illegal pitcher, the challenge must be made prior to the challenging manager or coach signing the game summary card.

BRACKET PLAY RULES

Bracket Play Qualification

- There will be up to two (2) brackets after pool play: Gold and Silver single elimination brackets.
 - o Bracket Play Seeding
 - In even numbered team divisions, the top half of teams will advance to the Gold bracket.
 - In odd numbered team divisions, the total number of teams plus one will be divided in half, with the resulting quotient being the exact number of

teams advancing to the Gold bracket (IE- 17 teams in division. $(17+1)/2 = 9$ teams advancing to Gold bracket)

- For bracket play games, the highest seed is the home team. Game clock starts after the home plate meeting is over.
 - o The game clock will stop in the event of an injury to a player on the field, protest if the protest procedure is followed or for a rule interpretation. Judgment calls cannot be protested.
 - o All bracket games will be played until there is a winner. If tied at the end of regulation (inning) or time limit, we will play one extra inning and if still tied, followed by the Ohio Sudden Death rule except for the championship game. Championship games will be played out until there is a winner.

Ohio Sudden Death Method: *The last 2 batters of record in the batting order the previous inning will be placed in order at 1st and 2nd base (the second last batter from the previous inning goes to 2nd base and the last batter from the previous inning goes to 1st base) and the offense will have no outs. No pinch runners will be allowed for the last 2 batters that are being positioned during the process.*

Tie Breaker Priorities: Bracket Play and Seeding

1. Win-Loss Record (winning percentage)
2. Head to Head (two teams only)
3. Fewest Runs Allowed
4. Highest Run Differential (Total runs scored - Total runs allowed)
5. Virtual Coin Toss

Appeal of Seeding

- Teams will have 15 minutes from posting of seeds to make an appeal. After that time, all seeding will be finalized.
