- Clock will start immediately after Ground Rules and or when the umpire announces it.

- **START OF NEW GAMES, SUSPENDED, COMPLETED GAMES AND WEATHER:**
 1. On all non-lighted fields, no new game will begin after 7:15 pm. If a game is called due to weather or other hazardous conditions, it is ruled an official game providing one of the below criteria has been met (this includes all games being played on turf fields).
 - 7 inning games: three and one-half innings have been completed if the home team is ahead or four innings if the home team is behind
 - 6 inning games: two and one-half innings have been completed if the home team is ahead or three innings if the home team is behind.

If the suspended game cannot be completed on the same day, the game will then be resumed on the next day prior to the start of the regular scheduled games. This may cause teams to start as early as 7:00 am.
 3. The tournament Staff will make every effort to complete the event, however, based on field availability and weather conditions, the event may or could be changed and or cancelled at any time.

- **GROUP/SEED GAMES:** Flip for home team. Ties will be allowed in the group/seed rounds for all ages. No extra innings will be played in all group/seeding rounds. **Any Team receiving a Forfeit will record a score of 8-0**

- **SINGLE ELIMINATION CHAMPIONSHIP ROUND/BRACKETS:** **HIGHEST SEED HAS THE OPTION OF BEING HOME TEAM** throughout bracket play (Including Championship Game). If there is a tie during bracket/elimination rounds after regulation, up to one regular inning will be played. If a winner is not determined by the end of the regulation extra inning, we will then revert to the **Ohio Sudden Death Method** (this method will be used until a winner is determined). Semi-finals and Championship games will not use this method.

- **OHIO SUDDEN DEATH METHOD:**
 - The last 2 batters of record in the batting order the previous inning will be placed in order at 1st and 2nd base (the second last batter from the previous inning goes to 2nd base and the last batter from the previous inning out goes to 1st base) and the offense will have no outs. No pinch runners will be allowed for the last 2 batters that are being positioned during this process.

- **REGARDING TIE BREAKERS:**
 - A. Once a tie is broken with three or more teams, teams advance to the next tie breaker rule until the tie is broken.
 - B. The following rule determines how teams advance or are seeded after their group or seed games.
 1. Win-Loss Record
 2. Head to Head (two teams only)
 3. Fewest Runs Allowed
 4. Highest Run Differential (This calculation is determined by taking total runs scored minus total runs allowed. The maximum run differential per game is +8 or -8.)
 5. Coin Flip
 - C. When three or more teams are tied, fewest runs allowed in all pool play games is used in determining all three places. If there is still a three-way tie, the highest run differential is used to determine who advances.
 - D. When a three-way tie is broken, and the remaining two teams are tied with runs allowed, the next tie breaker is highest run differential and so on (Head to Head is Skipped)

- **MERCY RULE:** For all six- and seven-inning games include
 - 15 runs after three innings, or two-and-one-half innings (if the home team is ahead).
 - 10 runs after four innings, or three-and-one-half innings (if the home team is ahead).
 - 8 runs after five innings, or four-and-one-half innings (if the home team is ahead).* If the home team has run-ruled the visiting team, the game is declared complete, and the winner is named.

- **COURTESY RUNNERS:** If eligible, a courtesy runner can be used any time for the pitcher or catcher of record. A courtesy runner is defined as a player not currently active in the lineup. If roster batting, the courtesy runner is the player with the last recorded batted out.

- *Pitching Limitations – Make sure you know the rules – do not penalize your kids. Do not blame the tournament, its directors and or association if your team or staff does not follow the rules and or does not catch an infraction. Pitching is tracked and recorded, and it is available online for viewing, but it is up to each team to make sure pitchers are eligible (including your opponent). If the online score and pitching is not updated, send a team coach to tourney HQ to get any updates. Pitching limitations/restrictions can be found on your rule reference sheet. Tracking of pitching will be done by recorded outs. Make sure your pitching is correct prior to signing your official game card at the conclusion of your game. Protests and or complaints on pitching will not be discussed after the game is completed, official game card is signed by both team representatives and recorded at tournament headquarters.*

RULES NOT REFERENCED/COVERED: If a rule is not covered in this reference sheet, the tournament staff will revert to the High School Baseball Rulebook. Items not covered we will then revert to Major League Baseball rules that will take precedent. Tournament Director, Staff and UIC as a group have the ability to make changes to any rule for this event if deemed necessary.
