

8u Modified Kid Pitch Special Rules

Pitching Rules: Player-pitchers throw to batters. If ball four is reached, the batter's coach takes over to throw a set number of pitches (usually 2-3) or up until the batter strikes out.

- **No Walks or Dropped Third Strikes:** A batter cannot walk; they must put the ball in play or strike out. The dropped third strike rule is not in effect.
- **Bunting and Stealing:** Bunting and slash-hitting are strictly prohibited. Stealing is not allowed.
