Open Division: Will use a "3 Game Seed" format with all divisions advancing to Gold and Silver Single Elimination Championship brackets. The exact schedule, format, bracket structure will be finalized by the Tournament Directors and Committee after the tournament field is finalized.

Participating teams should have already entered our event using our online registration system and fulfilled our participation requirements to enter this event.

THE PARKS

Every effort will be made to make sure the facilities are clean, and the fields are groomed. If you have a concern during your stay regarding the facility, please discuss with the Tournament Site Director for the event.

THE PLAYERS

All teams must have their roster entered on their on-line tournament roster.

- Teams may add up to 3 same age and same team division (ie: D3) (2 days prior to the start date of the event).
- No roster moves, or additions may take place during the event or after the above deadline.
- Roster additions will not be permitted at the manager meeting or check in regardless of your situation.

If a player is not on your official printed roster (printed 2 days prior to the even start date) then they will not be allowed to participate and will be considered an illegal player.

If a player is on two different age level rosters, then that player must choose which team they will participate during the event (not both – even if a team is eliminated). Please take the time to review the player and classification guidelines pages in the Nations Baseball guidelines manual.

All players participating in the State tournament shall have photocopies of their original birth certificates in the possession of their team manager. Failure to comply with one or the other regarding birth certificates will result in the offending team losing the game, being ejected from the tournament, being placed last in the standings, and forfeiting all awards, sponsors travel money and tournament berths that would have been awarded at the tournament.

In age divisions 14 and below, the player's age on April 30th determines the player's eligible age division for the current season that includes April 30th. Players can play up an age division but can never play down an age.

Players are not permitted to wear jewelry of any kind.
