

## THE COMPANY

Wright Industrial Group was formed to offer full range solutions for industry in a one-stop contact point. Simplify your tedious projects. Let us manage, procure, and perform all phases of your expansion.

## WHY WRIGHT INDUSTRIAL GROUP?

We provide our customers a single point of contact, from design to finish. Our in-house resources, include 250 managers, estimators, accounting services. We also provide a fully staffed safety department, supervisors and skilled trade craftsmen that can deliver a job from concept to completion. Our network of in-house companies can extend to over 700 associates covering every aspect of construction and maintenance services.

**Multiple contractors are a thing of the past with Wright Industrial Group.**
