Dear Mr. Smith,

On Tuesday, June 4, 2019, the Harrisonburg City School Board directed Kevin Rose, School Board Attorney, to discontinue editing and/or revising the contract submitted to the Harrisonburg City School Board by Secure Futures, LLC. This directive concludes any negotiations and discussion regarding the installation of photovoltaic panels on any school division property at this time.

Although an agreement could not be reached, the School Board does appreciate the time and effort Secure Futures has invested in this initiative.

Sincerely,

Craig D. Mackail, M.Ed.  
Assistant Superintendent of Operations & School Safety
