\$1.4 Million Grant Expanded to Support Critical Mental Health Services and PPE Procurement
Southern Indiana Counties Received Grant to Address COVID-19 Relief Efforts

Louisville, Ky. [May 26,2020] – To aid in COVID-19 relief, Metro United Way (MUW) has been awarded a \$1.4 million COVID-19 Economic Relief Initiative Grant. The relief grant was issued to MUW by The Lilly Endowment Inc. in partnership with Indiana United Ways, and is dedicated to nonprofit agencies serving Floyd, Clark, and Harrison counties. The grant’s funds provide immediate financial aid and long-term recovery to organizations and programs on the frontlines of COVID-19 and was recently expanded to support organizations dedicated to mental health services and PPE procurement.

“Communities across Southern Indiana are in need of our agencies now more than ever. The COVID-19 Economic Relief Initiative Grant will support our partners who are proving resources and relief to those most affected,” said Pam Ottersbach, Director of Metro United Way Southern Indiana. “We are pleased to expand this grant to support the mental health services and PPE procurement, both of which are necessary to the long-term recovery and renewal efforts in our region.”
