

JCPS buildings are closed to the public.

If your child has not attended a JCPS school before and you need to register/apply for school, please visit <https://apps.jefferson.kyschools.us/StudentAssignment/LandingPad/Register.aspx>. This process is online only.

You may also begin the process by scanning the QR code below. Do this by opening up your phone's camera feature, holding it up to the square while in camera mode, and clicking the link that appears.

If this is regarding any other manner, you may call 313-HELP.
