

Metro United Way

Virtual Trivia Game Resources

TriviaMaker – Add a little fun to your virtual meetings and create your own customized trivia game show with this app! Easy to edit and create with four different game styles available. Basic games are free and special discounted prices offered for customizable games.

We have already created a Metro United Way Trivia Game, available for your use for free:

<https://www.triviamaker.com/game-preview/?gm=TR20200818159777656044500>

Kahoot! – A game-based learning platform that make it fun to learn any subject, on any device for all ages! Free for up to 10 players; plus it offers a variety of additional games and price options.

Crowdpurr – Customize a live crowd trivia game for your team! Create a free account to enjoy the basic plan features. Participants uses their mobile devices to play.

Random Trivia Generator – This game offers participants six categories ranging from arts to entertainment. Free and easy to play, just simply pick your category and scroll through the questions. To see the answer, click on it. We suggest having one person to host, share their screen with the group and reveal the answers.
