

Sauvignon Blanc 2022

BACKGROUND

Produced in Northern Italy's Trentino region with grapes sourced from select hillside vineyard sites, Alta Luna offers expressive wines from the region's native varieties. Established in 2011, Alta Luna offers a quartet of wines that appeal to a wide range of consumer preferences. With a name that means "High Moon" in Italian, Alta Luna's sleek and modern packaging features a watercolor depiction of the Dolomite mountains.

TERROIR & VINTAGE NOTES

The Alta Luna vineyards are situated along the foothills of the Adige Valley, bordering Trentino and Alto Adige, in the town of Roverè delle Luna. These high-altitude vineyards benefit from an ideal aspect and unique, well-draining glacial-alluvial soils. The climate in this region makes all the difference. Northern Trentino enjoys warm temperatures in the summer, contributing to the development of ripe, concentrated fruit and elegant aromatics, while the cool evenings maintain the fruit's acidity. The result is wines that are refreshing and well balanced.

WINEMAKING & AGING

Grapes are harvested in the second half of September. Whole clusters are crushed and undergo a cold maceration for 12 hours in contact with the skins.

TASTING NOTES

Pale straw yellow color. Sage and elderflower are present on the nose. The palate offers flavors of lime, green apple, passion fruit, and white peach. Excellent as an aperitif, ideal with vegetable dishes or fresh fish.

ORIGIN

Dolomiti IGT, Trentino, Italy

GRAPE VARIETIES

100% Sauvignon Blanc

SIZES

750ml

TECHNICAL DETAILS

ABV: 12.5%, Closure: Screw Cap
