

Orange Liqueur

BACKGROUND

The name is French for “Beautiful Song” and its unique recipe has remained unchanged since its creation over 50 years ago. Bauchant melds together a soft texture from the aged Cognac and the flavors of orange and honey to generate a flavor that starts and ends fruit forward. The cognac base is a combination of precious reserves of fine quality VS and VSOP Cognac; while the orange flavor profile, a unique creation to the category, uses both bitter and sweet oranges. In order to achieve the perfect orange blossom flavor profile, Bauchant utilizes 3 different orange varieties –Andalusian, Mandarin, and Tangerine. This combination creates a cohesive nose to palate profile, fresh and light and orange forward, with a slight hint of honey on the finish.

TASTING NOTES
