

Crema de Alba

BACKGROUND

Crema de Alba is blend of delicate, high-quality aromatic components including cream, cacao and vanilla, in perfect balance with the world-famous Gran Duque d'Alba Brandy de Jerez. The deliciously rich, complex flavor is developed using Brandy aged for at least 15 years under Solera ageing system, and is the only cream-based liqueur from an ultra-premium Solera Gran Reserva Brandy. It's velvety white with golden hues, with notes of vanilla and cacao. It is sweet, creamy and well-balanced. Excellent for dessert or special occasions, and best served chilled on ice.
