

Majestic Pines Cabernet Sauvignon 2020

BACKGROUND

With more than a century of winemaking and farming experience, High Heaven Vintners believes in growing great grapes first to make amazing wine. Located in Eastern Washington State, High Heaven Vintners is inspired by the natural backdrop that surrounds their vines. High Heaven Vintners wines are estate grown and bottled. This means 100% of the grapes are grown or controlled by the winery.

TERROIR & VINTAGE NOTES

Vineyards are located in the "rain shadow" formed by the Cascade Mountains. This unique cloud and rain barrier protects the vines from harsh element and creates a sunny, dry climate ideal for grape growing.

WINEMAKING & AGING

Grapes are harvested from the McNary Vineyard, whose cool climate means grapes ripen slowly to develop complex, ripe berry flavors and soft tannins. Grapes are destemmed, crushed & fermented for 10 days before aging in stainless steel vats for 2 years.
