

Prosecco

BACKGROUND

Lunetta ("Little Moon" in Italian) celebrates life's small pleasures. Lunetta Prosecco is produced by Cavit, internationally recognized as northern Italy's largest and most reliable source of quality varietal wines. All production takes place at Cavit's state-of-the-art sparkling wine facility located just outside the regional capital of Trento. It is the largest facility in Italy dedicated exclusively to producing world-class sparkling wines.

WINEMAKING & AGING

Grapes handpicked and vinified using the Italian Charmat method, with temperature-controlled fermentation in stainless steel and secondary fermentation in sealed tanks for 30 days. The wine is then promptly bottled and released.

TASTING NOTES

Pale straw with greenish reflections, fine bubbles, and a creamy white foam. Fragrant, with enticing aromas of apple and peach. Refreshing, dry, and harmonious, with crisp fruit flavors and a clean finish.
