

Bianco Dolce

BACKGROUND

Roscato is an irresistible range of high-quality wines from northern Italy. Whether you are a fan of sweet, rich, bold, or soft and silky wines, the enticing Roscato Bianco meets the surging demand for sweet, slightly sparkling wines. Roscato seamlessly combines a long-held grape growing tradition with the flair of modern winemaking techniques and style. Made from a blend of native and international grape varieties, the result is an irresistible, delicately sweet, frizzante wine with a low alcohol of 8% and a touch of sparkle to flawlessly balance the sweetness.

TERROIR & VINTAGE NOTES

The Tre Venezie offers a combination of geography and climate well suited for producing high quality grapes.

WINEMAKING & AGING

Each variety is harvested and vinified separately, allowing the grapes to reach perfect ripeness. Following de-stemming, the must is macerated with the skins allowing it to retain maximum fragrance. The must is kept at a low temperature until fermentation, at which point the varieties are blended together. When the wine has reached an alcohol content of 8%, fermentation is interrupted by lowering temperature to approximately 32°F leaving a high level of natural residual sugar.

TASTING NOTES

Pale straw color with fine, delicate bubbles. Delicate aromas of peach, yellow apples, and candied citrus. Sweet yet refreshing with a lingering finish.
