

"Don Zoilo" Pedro Ximenez

BACKGROUND

For over 130 years, Bodegas Williams & Humbert have been producing the finest sherries and brandies; as well as a diverse portfolio of spirits, utilizing one of the most traditional methods of ageing, the solera method. Founded in 1877 by Sir Alexander Williams and Arthur Humbert, Bodega Williams & Humbert has been considered to be one of the worlds most prestigious wine producers in the world. Located in the heart of Jerez de la Frontera, Bodega Williams & Humbert has more than 1,200 acres of vineyards, and the largest wine cellar in Europe. The family owned and operated Bodega has produced a great variety of high quality sherries, while maintaining the traditional methods of solera aging. Solera is a method of producing wines, where small amounts of younger wines are systematically blended with the more mature wines over a period of time.
