

Pinot Gris 2022

BACKGROUND

Yealands wines are inspired by the coast that surrounds their property in New Zealand, so close to the ocean that the vines are often misted with sea spray. The beauty of the environment influences how Yealands crafts wine, respectful of nature and the land. Yealands believes in sustainable winemaking and creating thoughtfully crafted wines that work in harmony with their landscape. Based in the Awatere Valley, the southernmost, coolest, and driest of Marlborough's growing regions, Yealands is one of only a handful of wineries around the world to be certified as carbon neutral and the first ever to be certified from inception. Yealands' sustainable Seaview Vineyard is one of the most coastal vineyards in New Zealand; its proximity to the coastline provides distinctive mineral characteristics.

TERROIR & VINTAGE NOTES

in the Awatere Valley were used to create this wine.

WINEMAKING & AGING

Select parcels of Pinot Gris were individually harvested and gently pressed. The juice was cold settled for 48 hours then racked to remove solids. The clear juice underwent a long cool fermentation in stainless steel tanks to capture and enhance the fruit flavours of pear, fig and stone fruit. Each parcel was fermented separately using a range of selected yeasts. Following fermentation the wine was blended, stabilised and filtered prior to bottling.

TASTING NOTES

Pale lemon. Notes of pear, fig, and honeycomb on the nose. Flavors of stone fruit and subtle spices. Rich on the palate with a balanced silky finish.

750ML

YEALANDS
WINES
MARLBOROUGH NEW ZEALAND

ORIGIN

Marlborough, Marlborough, New Zealand

GRAPE VARIETIES

100% Pinot Gris

SIZES

750ml

TECHNICAL DETAILS

ABV: 13%, TA: 6.8, RS: 3.4, Ph: 3.4,
Closure: Screw Cap

WINEMAKER

Natalie Christensen
