

Ktown Flavored Soju Grape Transfusion

BACKGROUND

Inspired by house flavored soju created in Korean night clubs by combining juice and soju, our KTOWN Soju combines real fruit juice, all natural flavors, and our premium gluten free soju. The flavors are bright and juicy with no artificial ingredients of any kind.

AGING

The Grape and Ginger transfusion flavored soju is a genuinely bold spin on the classic grape flavor, the perfect balance of rich sweetness of Concord grape juice and the bracing heat of ginger balanced with a squeeze of lime.

TASTING NOTES

The bold grape flavor is nostalgic of the grape juices had as children balances with a vibrant punch of fresh ginger and sweetness, creating a round and warm flavor profile
