

Students Who Do Not Receive Pointe Shoes

For those students who need extra time to strengthen and develop, it's important that they still feel emotionally included and motivated to continue their ballet education. We ask these students to please purchase:

- 1 extra set of flat technique shoes
- White or pink sewing thread, needle, scissors
- Pointe ribbons. Link here to Bloch Double Satin Ribbons:

These students will attend the pointe sewing date on Monday, March 9. They will sew ribbons onto their new flat shoes. They will then wear these particular ribboned shoes for "pointe class" and do the same exercises in their ribboned flat shoes as everyone else. This serves many purposes, including strengthening, time with friends, and also knowledge of how to sew and tie ribbons. If they get reevaluated over the summer and pass, they will be ready to sew their pointe shoes and get started in pointe class because they will have already practiced the necessary skills. These items can be purchased on Amazon or can also be found at any dance store.
