SPECIAL CLASSES

HUNTER SECTION

\$2,500 — HARVEST HUNT & GO DERBY

Single Continuous Ride: Instead of stopping after the first phase or requiring only the top riders to return for a second round, every participant jumps a single long course of 10 to 16 fences. Two Phases: The first half of the track serves as the Classic Hunter phase (flowing lines and traditional fences), while the second half immediately transitions into the Handy Hunter phase (tighter turns, rollbacks, and tighter options). Judges score both portions consecutively to give a final combined total score, which determines the winner.

Winnings are to be paid in the following manner: 1st 33%, 2nd 24%, 3rd 15%, 4th 10%, 5th 10%, 6th 8%.

Rider must ride for ribbons at the end of the class.

There must be a minimum of six horses entered for this class to fill. With fewer than six horses, the prize money drops to 50%.

\$1,500 — 3FT EQUITATION CHALLENGE

Rider Focus: Judges evaluate how correctly and effectively the rider sits, steers, and communicates with the animal. No Horse Faults: Mistakes made strictly by the horse do not penalize the rider unless caused by poor

riding instructions. Movements and Patterns: Competitors perform specific rail work (walk, trot, canter) or navigate an obstacle and fence course using a precise designated pattern.

Winnings are to be paid in the following manner: 1st 33%, 2nd 24%, 3rd 15%, 4th 10%, 5th 10%, 6th 8%.

Rider must ride for ribbons at the end of the class.

There must be a minimum of six horses entered for this class to fill. With fewer than six horses, the prize money drops to 50%.

COSTUME CLASS

A flat class judged in two phases:

Phase 1 — Costume: Judged on who has the best costume.

Phase 2 — Hunter Flat: Judged on a walk, trot, and canter hunter flat class round.

GENERAL RULES & WELFARE STANDARDS

1. Non-Rated Competition and USEF Welfare Standards

The GSH Developmental Show is a non-rated horse show and is not represented as a USEF-rated or USEF-recognized competition. However, Global Sport Horse Stables is committed to maintaining high standards for the safety, welfare, and humane treatment of all horses and riders participating in or present at the event. Global Sport Horse Stables follows USEF rules and standards relating to horse and rider welfare, safety, sportsmanship, protective headgear, humane treatment of horses, and appropriate conduct on the competition grounds. All exhibitors, trainers, owners, riders, handlers, coaches, spectators, and other participants are expected to comply with these standards at all times while on Global Sport Horse Stables property, including during schooling, warm-up, competition, stabling, and general handling of horses. The welfare and safety of the horse and rider shall take priority. Show Management reserves the right to intervene, issue warnings, restrict participation, or require any individual or horse to leave the property when Management determines that conduct is unsafe, abusive, inhumane, unsportsmanlike, or inconsistent with the welfare and safety standards of the show. By entering or participating in the GSH Hunter Jumper Harvest Festival, each participant acknowledges and agrees to comply with these requirements and with all additional rules established by Global Sport Horse Stables and Show Management.

2. Amateur Status

Amateur status follows USEF standards. A person who receives money or the equivalent of payment for teaching or training horses or riders is not considered an amateur. Riders entering Adult Amateur divisions must meet current USEF amateur requirements.

4. Incomplete Entries

An entry is incomplete if required signatures, vaccination proof, or a current Coggins report for an out-of-state horse is missing.

6. Condition of Entry

Every horse entered is under the control of Show Management. The additional text supplied for this rule ended mid-sentence; the complete provision can be inserted when provided.

RULES, REGULATIONS & INFORMATION

The following rules are incorporated into the GSH Hunter Jumper Harvest Festival Prize Book. All municipal references have been updated to the City of Temecula.

GSH ENTRY AGREEMENT

By entering this competition & signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of GSH and the local rules of Competition. I agree to be bound by the Bylaws and Rules of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, and/or the Competition may use or assign photographs, videos, audios, cable -casts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, & sport. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of California, and any action instituted against GSH must be filed in California.

CONDITIONS OF ENTRY

Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, Global Sport Horse, City of Temecula and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

MANAGEMENT

Horse Show Management reserves the right to interpret all questions and conditions in regard to or arising out of an incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by Horse Show Management-their decision to be final. Horse Show Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries and cancel award prizes, without claim for damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate or change judges and officials; to change specifications in jumper classes in order to facilitate the time schedule. Management reserves the right to combine or cancel. Management reserves the right to limit entries in a class. Refused entries will be returned.

ASSUMPTION OF RISK

By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

DAMAGE

Owners and exhibitors shall be held responsible for damage caused by them, their agents or employees to stalls, buildings and other properties on the show grounds, and shall be billed accordingly.

ADHERENCE TO THE RULES

All individuals on the horse park property are required to adhere to the rules mentioned in the prize list or as directed by the employees at the horse park. Trainers are all responsible for employees adhering to the rules. Violations will result in expulsion from the horse park.

THE FOLLOWING IS REQUIRED FOR EACH ENTRY

A. All horses on grounds must be registered on an entry blank including horses not entered in classes. One entry blank per horse.

B. Entry forms must be complete with owner, riders, trainers and payee information including association membership numbers.&

C. Date of Birth of all minor exhibitors.

D. Signatures of owner, riders, trainer and parent or guardian of minor exhibitors. Parents or guardians of minor exhibitors shall hold the Horse Show, Global Sport Horse, the City of Temecula and staff harmless for

injury to such minor(s).

E. Entries must be submitted electronically through WWW.RINGRADAR.COM

F. For all horses include Stall Fees as a deposit. Make checks payable to GLOBAL SPORT HORSE or complete the credit card information

through your WWW.RINGRADAR.COM account.

Accounts must be closed at the end of each show week. Management will close Exhibitor Accounts that have not been settled at the

conclusion of each show. Back numbers will not be issued until previous week balances are closed. Exhibitors must close out their account

online through WWW.RINGRADAR.COM. Exhibitors who do not close out by the Monday following each show automatically authorize GSH to close their account using the Credit Card on file. Billing questions or refunds will not be considered after two weeks following the conclusion of the show. Should you have any questions or concerns with your bill, please email the horse show office directly. The Horse Show policies herein stated regarding scratches and refunds will be followed regardless of weather. Receipt of any entry form to GSH, whether bearing signature or not, will constitute an entry and will be subject to the Rules and Regulations of this prize list.

PAYMENT

An open check or credit card is required at time of check in before numbers will be issued. See 6F for deposit information. A 4% surcharge will be applied to all credit card transactions and is nonrefundable once the card has been processed.

REFUNDS

Request for a refund of the deposit must be in writing and received before the closing date of entries and a \$35.00 fee will be deducted. The stall fees are not refundable under any condition after the close of entries. Credit Card fees are nonrefundable at any time

after the card has been processed.

POST ENTRIES

Entries received with payment after entries are due will pay a \$150.00 late fee per show.

OFFICE & GROUNDS

All horses entered in the competition must pay a mandatory office/grounds fee of \$50.00.

TRAINER SPLITS

GSH allows trainers to split the show charges for miscellaneous items to their clients. Splits will be accepted until noon on the Friday of a show week. No exceptions will be made. Only items billed by the horse show directly can be split. Splits will revert back to the

trainer for payment if uncollected.

ADDS/SCRATCHES

All adds must be made by 4:00 pm the day prior to each class. No entries will be accepted for a class scheduled on the same day. In the unusual case the time schedule allows a management approved add the day of a class. All scratches must be received in the show office before the start of the class in writing to be considered for a refund; scratches via phone call or at the gate will NOT be considered. The only other refunds given will be for cancellation of a class by Management, overpayment of fees, or the rejection of entries

because of ineligibility or lack of stall space.

RAIN

In the event of rain prior to the Show, it is the riders' responsibility to call Show Management to determine whether the show is

canceled.

RESPONSIBILITY OF PAYMENT OF SERVICES AND SUPPLIES

All owners and exhibitors will be held responsible for any damage incurred by them, their animals, agents, or employees, to stalls, buildings and other properties on the Show grounds and shall be billed accordingly. All bills for veterinary, farrier services and feed/bedding are due and payable during the Show. Management reserves the right to deduct any unpaid veterinary, farrier and feed/bedding bills from premium money due the exhibitor. Any exhibitor not meeting his obligations to the official Show Veterinarian, farrier and feed/ bedding vendor will be termed an undesirable exhibitor and

entries from that exhibitor may not be accepted at subsequent shows.

RETURNED CHECKS/CHARGEBACKS

Checks returned by the bank or Credit card chargebacks for any reason are regarded as a most serious offense and will be handled according to the following procedure: A \$50 penalty will be assessed for each returned check or chargeback OR 10% of the face value of the check or chargeback, whichever is greater. Accounts will be given ten (10) days to be paid in full with cash or cash equivalent. Checks will not be deposited a second time. In the case that the debt is not cleared within 30 days of the conclusion of the

show, all prize money will be forfeited.

UNPAID CHARGES

Any exhibitor leaving the show with an unpaid balance will be billed for these charges and a \$20 PER DAY billing fee will be added to the total due. Until these charges are settled, all further entries of rider and owner will be returned.

SAFETY REGULATIONS

Unauthorized use of the light fixtures will result in removal of your appliance. Smoking or open flame devices are not permitted within the stables. Keep flammable decorations to a minimum. Electrical outlets are provided.

CLOSED RINGS

Horses are not permitted in any ring where a course is set unless otherwise given permission from management, or when there is equipment in the ring. The management in consultation with respected veterinarians and local animal health authorities strongly recommend and urge that all horses attending the show follow a two-part West Nile vaccination protocol consisting of a primary vaccination, followed by a booster 3-6 weeks later. Should you have any

questions please contact the CDFA.

EQUINE HEALTH REQUIREMENTS

Equine Health Requirements will be enforced. All horses (competing or not) that enter the grounds are required to present the Required Health Entry Requirements, including the Event Participation Declaration and Proof of Vaccination. All horses are subject to examination by GSH officials/designated representatives and/or state officials (collectively “officials”) for determining whether such animals are, have been infected/exposed, or are likely to become infected with an infectious or contagious disease. If after such examination, officials have reason to believe that an animal’s health condition places other animals at risk, such officials, at their sole discretion, may quarantine such animal (and others that may have been infected/exposed) or, if appropriate, require that such animals be transported off the grounds. All participants agree to fully cooperate with event officials and abide by their decisions and instructions. Failure to comply shall be grounds for immediate expulsion and potential disciplinary action by organization, state/local or federal animal health officials. All exhibitors are encouraged to review the equine health entry/transport requirements of the destination state prior to entry. Additional information can be obtained from the State Vet
