1. **Create an account.** Go to **ringradar.com**, click **Login**, then **Sign-up**. Enter your info and click the verification link from RingRadar.com. One account per rider (or per family). Trainers can enter for their riders from a trainer account.
2. **Find the show.** In the search bar type **SJCEC** and select the November 6–8 show.
3. **Click Enter.** Add your horse, rider, and trainer from the dropdowns. First time? Use **Add New** at the bottom of each dropdown. If one horse has more than one rider, pick the rider first, then the classes.
4. **Pick your classes.** Add every class you might ride. There is no per-class charge, so over-enter now and scratch later. Choose your entry type: boarder, non-boarder with stall, or trailer-in / walk-in.
5. **Review fees and save your payment info.** Your card is not charged when you enter. The Show Office collects payment at check-in when you pick up your back number. AT THE SHOW

- **Adds and scratches:** at the Horse Show Office, south end of the San Juan Barn, or ask the in-gate to call the Show Office. Adds & scratches are free; just make sure the Show Office and the gate know before the class starts.
- **Rain or Shine:** Our footing is built to handle rain, so a little weather will not stop us and the show will go on. If the rain becomes a real problem, we will cancel the show. Entry fees are not refunded for a weather cancellation.
- **Schedule, orders of go and results** post live on RingRadar.com. Check your phone before you walk to the ring.
- **Back numbers and BBQ wristbands** are handed out at the Show Office once you are entered, paid, and signed.
- **Office hours:** Friday 11 AM until warm-ups end, Saturday and Sunday 7 AM until the show is done.

Stuck? Contact RingRadar.com at **(352) 644-9477** or email **info@ringradar.com.** You may also email the Show Office at **SJCECShowOffice@gmail.com** or come find us at the Show Office. We will get you entered.

SJCEC Fall Schooling Show

November 6–8 • Friday, November 6 — Warm-Up Day

Large Covered Arena

12:00 noon – 6:00 PM — Hunter Warm-Ups

Jumps set around 2'3" to 2'6". Raise or lower as you like.

Back Jumping Ring

12:00 noon – 6:00 PM — Jumper Warm-Ups

Jumps set around 3'. Jump crew on hand to help raise or lower.

> ### Friday Warm-Up Guidelines
>
> - No classes Friday. The point is simple: get your horse around a few times so they are settled and not spooky on Saturday.
> - Max 5 riders in a ring at a time. If it feels crowded or unsafe, wait for a spot.
> - Back number required to enter a ring. You must be entered on RingRadar.com, paid, and have the waiver signed before a number is issued. Pick up at the Horse Show Office, south end of the San Juan Barn. Pay by cash, check, Zelle or Venmo in the Show Office.

Rules & Guidelines

Jumper Classes

- Saturday: the first class at each height (0.90 m and up) is Power & Speed; the second is a jump-off class.
- Sunday: the first class at each height (0.90 m and up) is a Speed class; the second is a jump-off class.
- Immediate jump-offs in every division.
- The Cross Rails, 0.70 m and 0.80 m divisions run Optimum Time classes each day, not speed classes.
- The Mini Prix will run as one round followed by a jump-off.

Attire

- Casual — beige or white breeches preferred; collared shirts/polos encouraged.
- Jackets are not necessary, but you're welcome to wear one. Tidy turnout appreciated.
- No braids for the hunters.

Tack

- USEF tack rules followed loosely. Draw reins may be used in the jumpers up to 1.10 m, and beyond that at the judge's discretion.
- Conventional tack for the hunters — but this is a schooling show, so if you need to add something, just ask. It shouldn't be a problem.

General

- Classes follow USEF rules, but if there's an issue and you need to jump an extra jump, just ask the judge — it shouldn't be a problem.
- **We want this show to be fun and a chance to learn as well as compete — competition isn't the primary goal. We encourage you to speak with the judges (between classes only). This is your opportunity to review your ride and gain insights first hand.**
