THE INCREDIBLE YOUTH.

The *INCREDIBLE YOUTH* is my way of encouraging kids all over who have it in themselves to be what God wants them to be.

I was a youth myself. I lead many youth groups. Daily as a pastor, I encounter the potential of young people. As I travel the world, I see the searching in the youthful eyes for a greater level of achievement. And through our youth outreach every Saturday afternoon and the great vibrant music ministries like Proclaim, and many more, we have set an atmosphere simply to raise up INCREDIBLE YOUTH.

If you happen to visit the Miracle Center Cathedral or any of our 3000+ branches all across the world, you will notice that 75% of the ministers are youthful. Now let me pen down some tips for the excellence-hungry youth on how to keep at it and focus until the job is done.

ACKNOWLEDGEMENTS

Great pieces of work are done, not just by a few people, but rather, by great people who work together. This great piece of work is as a result of such input. I am especially indebted to my family, the Kayanjas, who always let me study, write and prepare the messages God gives me from His word.

I also want to appreciate my staff in the production department, Sam Nicholas Ssebambulidde, Arthur Nsamba, Elan Blackwell and everyone who has helped edit and proof-read this work.

To you all, thanks a lot for your great work. You always make it wonderful.

CHAPTER ONE

THE INCREDIBLE YOUTH IN GENESIS.

I would like to start with the first two youths on planet earth; **CAIN** and **ABEL**. They were born after their parents had lost the God planted garden, a place called paradise. They could only know about it when their parents talked about it either through a fight due to lack or probably when one would accuse the other of bringing the family down.

They were born at the time when Adam and Eve were starting to rebuild their lives. Sweating was everywhere; therefore scarcity of stuff was real. Perhaps because they were the only humans on earth, they did not have too much famine to deal with.

CAIN means acquired **MANKIND** from God; and whatsoever is acquired will also require; and some times require much. **ABEL** means a **SHEPHERD** or a keeper of flock. Cain chose to be a tiller of the ground, the one who digs up the soils. Abel chose to raise sheep, a keeper of sacrifices prepared and offered unto God.

What makes me wonder is who told them what to do? I guess perhaps from the story their parents told them, they figured it all out. What and how they did what they did is recorded in Genesis 3.

Genesis 3:16-19.

Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth children; and thy desire shall be to thy husband, and he shall rule over thee.

And unto Adam he said, "Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed is the ground for your sake; in sorrow shalt thou eat of it all the days of thy life;

Thorns also and thistles shall it bring forth to thee; and thou shalt eat the herb of the field; In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return."

'You will sweat, from the dust you came to the dust you will go'. It seems, **CAIN** took this and started digging up the dust to see where he came from. You see you cannot go far by trying to

go back to what you came from. He was trying to go back to his roots. Every time you try to dig up where you came from you will be abandoning what you are to become, and the greatness coming to you. Secondly, no one can change their present condition by reliving the past; 'I am this or I came from that'. There isn't anything good where we came from. There is no inspiration there except for where we are going. Man was cursed to return to the ground. Where he came from death is. Anybody who digs up your past reminds you of your death.

The earth Cain was tilling had a curse in it. That's why God persuades us to set our minds on things above, what He is doing in our lives rather than what the devil has done to us. Cain was a tiller, the digger of the ground. He wasn't a farmer because farmers sow seeds that bring up a harvest. He tilled the ground, and whatever came up, in whatever state it came, he presented it to God. You cannot run life like that; it took him no effort whatsoever because the ground had its own strength.

Genesis 4:11-12

And now art thou cursed from the earth, which hath opened her mouth to receive thy brother's blood from thy hand; When thou tillest the ground, it shall not henceforth yield unto thee her strength; a fugitive and a vagabond shalt thou be in the earth.

It was a show. Telling God that 'Lord you said the ground is cursed, see let me show you my first fruit.' GOD IS NOT INTERESTED NOR CAN HE GLORY IN OUR CURSES, that's why He said to Cain, "If you do well you will be accepted." The incredible youth does not just accept life the way it has been handed down to him, especially when it involves digging up curses; he does something about the situation.

But Abel was a keeper of flock. Because of Adam and Eve's sin, God came and killed an animal which provided a covering and a sacrifice for their sins and actions. Therefore Abel decided to keep that which covered the family's shame of wearing leaves. This brought about a great opportunity to connect with God again; through his offering, to fulfill God's purpose for their lives.

Abel was a keeper of that which preserves the family:

Cain was a tiller of the lowness of humanity.

Man came from the ground. The difference in these two youths, Cain and Abel, is that though both had the same parents, heard the same story, it was their choices that landed them their outcome. Choices are very important in the life of the incredible youth.

CHAPTER TWO

INCREDIBLE YOUTH ARE DISTINCT.

Incredible kids make a decision either to remember and cling to their past and background or to embrace a new way and purpose to preserve their family, and go forward. Choose ye this day.

7 Distinctions of an incredible Youth:

The incredible youth is explained by the following words, One of its kind, superb, distinction scorer, special, great, peculiar, genuine, rioter, powerful, on and on, words cannot describe the kid as well as this one; INCREDIBLE.

Mindset

It is the way the kids deal with their thought process. Never thinking of oneself more highly than we ought to be and yet standing behind the lines makes one humble.

Romans 12:3

For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith.

Nowadays youths are gate crashers, chance grabbers and opportunity seekers who leave home without all they need to think through their pressure. The first distinction of an incredible youth is the ability to sit for the test for a testimony.

A distinction is a score one gets at an ordinary level examination. It is not only needed to pass because all can pass. But an incredible youth distances themselves from the ordinary performer by distinctive achievement. People who pass their tests anyhow are ordinary.

They that score distinctions distance themselves from the crowd of such ordinary people. They are achievers, not performers as the passers are. For anybody to achieve distinction there will be qualities in them. One of the amazing revelations of this is in the very word DISTINCTION. One can get the following words; Distance, District, Tin etc. The incredible kid will distance himself from danger, mediocrity

and self-destruction by paying attention to the very words everybody listens to in a different way. THE INCREDIBLE YOUTH IS AN ATTENTIVE LISTENER.

Remember, this kid is in the same DISTRICT with everybody else, but will not allow anything, not even his youthfulness, to replace the thought pattern that makes people incredible. Just because you came from a poor or remote district doesn't mean you should destroy yourself like anybody else would.

DISTINCTION SCORERS listen to the same teachers, and read the same books like everybody else. They also have to deal with the same timetable like everybody else. But the difference is in the results of their testing. They look forward to being examined. King David says, Lord examine me; check me out if there is anything wrong remove it.

Psalms 139:23-24

Search me, O God, and know my heart: try me, and know my thoughts:

And see if there be any wicked way in me, and lead me in the way everlasting.

God doesn't test to fail us; but to examine us; to see if we have learned anything that will help us to go to another level. Are you a distinction achiever? If not check out the following: If the test is to be given to you how will you score? All of us in life are going to be tested if we expect to go to another level.

TIN:

It is amazing that in every country there are distinctions of life. These days we use the word TIN to mean a lot, for some it means **T**ax **I**dentification **N**umber. To me it means **T**emperature **I**ndex **N**umber. How cold are you? How lukewarm are you? How hot are you? **THE INCREDIBLE YOUTH ALWAYS MEASURES THEIR SPIRITURAL TEMPERATURE.**

Revelation 3:15-16.

I know thy works, that thou art neither cold nor hot: I would thou wert cool or hot.

So then because thou art lukewarm, and neither cold nor hot, I will spew thee out of my mouth.

A TIN is a container. It is a metal to keep things longer and safer. It keeps valuables in a container. It is better than a

basket. Tins are used to transport contents better especially fragile materials than other materials like plastic or paper.

We all need a Tin in order to transport our content safely. Your life is special. Don't package it anyhow. Put it into the hand of a container that will help you reach your destination in one piece. Tin, distance, district all comes from one word, Distinction.

You can have as many Tins as possible, go many distances in life as one can imagine and move from that terrible District to a place of affluence. Don't just be a performer; for such simply pass out of the ordinary level to another ordinary level with ordinary successes common among men. But be an achiever by distancing yourself from the districts of pain and suffering as you break from the self-tin that contains your mindset from being an incredible teen.

An incredible youth resists any annotations that confine one to a tin. Treat yourself incredibly, you are not a product of those who are attempting to package you, they don't even know who you are. They put labels on you calling you things you are not, and then put you on a shelf, waiting for the time they will open you up and see if you are what

they thought you are or what they have made you out to be in their imaginations. Remember this; you were wonderfully made by God.

Psalms 139:14

I will praise thee; for I am fearfully and wonderfully made: marvelous are thy works; and that my soul knoweth right well.

Jesus is the only one who can make you. He said to Simon Peter, ‘You call yourself a fisherman but you spent nights catching nothing. Now I will make you a fisher of men’. If you let Jesus, He will make you an **Incredible Youth**.

Incredible youths refuse to be subjected to the packaging process; by eluding capture because the producers of the world only can tin what they managed to capture. Don’t let the cigarette company capture your lungs or the beer companies capture a great chunk of your income everyday in the bars. Eluding those trappings, you will avoid capture and swim free.

A swimming fish will not have to be labeled or have price

tags on its tin. Those words are for the captured salmon and sardines. Don't forget that fishermen don't care about the age of the fish. All they care about is profit. I used the example of a fish because it is the sign of Christians. You are either a dead or a swimming fish.

Once you have been tinned, they not only will label you, but they will also put on you an expiry date. Incredible kids do not expire but re-fire to inspire others to be incredible youths too. Don't accept religious labels. The only way you resist this is by avoiding capture. Don't let the enemy capture you.

To let the world's producing- processors have their hands on you will change you into a tomato soup, with a touch of seafood. That's how they can contain your dreams and plans. And they will nullify them so that they are able to move you from district to district. That's how they can merchandize you, tricking you into losing your innocence. They make you feel guilty and the only way you can be of any value, is when they market you or package you accordingly. Don't you ever forget this; Christ came to give us life more abundantly.

John 10:10

The thief comet h not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

YOU ARE NOT FOR SALE. You should not be in a market place, in the stall priced for the seller and the buyer. You are valuable. Look at the word that is used to describe you. **YOU ARE INCREDIBLE.** You are the limit to yourself. You are the answer to the many questions in life. You, you, you, youth. It's at this stage in your life that you need to look in the mirror, and say to yourself; the one in the mirror that you are incredible. I do that all the time. That's how I prepare my sermons. I preach them to myself before I do to crowds.

Another thing I want you to know is that life is in the power of the spoken word. Therefore let us examine another word that speaks about you; YOUTH. We find words like YOU, OUT, THOU, and TOY. If you happen to go out in the world, make sure you are not turned into a toy to be played with. Is that what you want? Being a youth doesn't mean you are somebody's toy.

That's how the incredible youth deal with challenges of

excellence. They realize they have been boxed or tinned in by certain, culture, society and labelers. But they talk to themselves telling the one who is inside them that worldly processors cannot touch or use them. To get out of the rut and confusion of this destructive containment, one must gather all their youthful strength at hand and refuse to be party to these evil traditions.

You are a fish designed to swim the ocean blue, and the tin is too small for your fins and tail. Incredible youths will always address themselves as well as dress themselves up before they are paraded. Preparation for what lies ahead of them helps to discern what they should or shouldn't do. They say to each other "You can escape the trap of the fowler"(PSALMS 91:3)

Psalms 91:2-3

I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust.

Surely he shall deliver thee from the snare of the fowler, and from the noisome pestilence.

He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler.

CHAPTER THREE

INCREDIBLE YOUTH ESCAPE DANGER.

You are an eagle, fly baby fly. Incredible youth use words like ESCAPE, BREAKTHROUGH, DISAPPEAR, SAVED, STORMING THE GATES, not just as punch lines, but to them such words are codes that reflect their determination as individuals. The best word I could use to elaborate in this particularly is **ESCAPE**. Moses escaped Egypt for his life to find meaning and purpose, to achieve his destiny in life as a deliverer. Joseph escaped Potiphar's wife in order to be in closer proximity with the Pharaoh. IF YOU CAN ESCAPE POTIPHAR YOU WILL CAMP WITH THE PHAROAH

Genesis 39:7-12.

And it came to pass after these things, that his master's wife cast her eyes upon Joseph; and she said, Lie with me.

But he refused, and said unto his master's wife, Behold my master wotteth not what is with me in the house, and he hath committed all that he hath to my hand;

There is none greater in this house than I; neither hath he kept back any thing from me but thee, because thou art his wife: how then can I do this great wickedness, and sin against God?

And it came to pass, as she spake to Joseph day by day that he hearkened not unto her, to lie by her, or to be with her.

And it came to pass about this time, that Joseph went into the house to do his business; and there was none of the men of the house there within.

And she caught him by his garment, saying, Lie with me: and he left his garment in her hand, and fled, and got him out.

John 10:39-42

Therefore they sought again to take him: but he escaped out their hand,

And went away again beyond Jordan into the place where John at first baptized; and there he abode.

And many resorted unto him, and said, John did no miracle: but all things that John spake of this man were true.

And many believed on him there.

Our Lord Jesus Christ was born to die. But he had to escape those attempting to murder Him before His time, so that he could die on the cross as predestined and planned beforehand for Him. He was to lay down His own life willingly; it was not to be done any other way. Martyrs are those who are murdered for their faith; the Savior out of His own free will lay down His life for all.

THE INCREDIBLE YOUTH DO ESCAPE

We escape in order to tell the story. You must escape peer pressure in order to live with dignity. Dare to escape the traps of the devil like sex before marriage in order to have it meaningful in God's appointed time; in marriage. Escapees are a testimony, and they live to tell their stories which bring about a mighty deliverance. Don't be the next victim; None who goes to the grave praises God.

Psalms 115:17.

The dead praise not the Lord, neither any that go down into silence.

A NEW TESTAMENT INCREDIBLE YOUTH

Mark 14:50-52

And they all forsook him, and fled. And there followed him a certain young man, having a linen cloth cast about his naked body; and the young men laid hold on him: And he left the linen cloth, and fled from them naked.

This young man escaped the hands of his peers totally naked and he kept following the lamb that was about to die on the cross. Incredible persons escape from peers to the real power.

Escape from your peers who tell you smoking is cool; sex is the way you show you are in love. ESCAPE FROM SUCH; because the truth of the matter is, sex is not simply Physical, it is Mathematical. I will deal with this on its own later. Escape from the district and houses of confusion. Escape for your life. Broad is the way that leads to destruction; all the ordinary fellows go there. Why don't you incredibly escape?

Jacob escaped from his father's house. Why? It had become a house of death. This was to be a house of God's chosen people. Isaac is the son of the mighty friend of God, Abraham, but their house had become a breeding ground for Satan.

The mother of the two youthful men, ESAU and JACOB had allowed herself to be used of the devil to set up her own children against each other. She was twisting the truth to achieve her own satisfaction, to gratify her own desire. Regardless of where you are or the people you are dealing with; if you sense any attitudes of manipulation and lies, **ESCAPE**.

Proverbs 25:21

If thine enemy be hungry, give him bread to eat; and if he be thirsty, give him water to drink:

WHAT HAPPENED TO MY BROTHERS KEEPER?

Esau is hungry and Jacob trades his food for Esau's birthright. If your neighbor is hungry and he asks you for bread, give it to him. Apparently these were not neighbors, they were blood brothers. Why was the concept of freely give so far off? It is more blessed to give than to receive. If he wanted a blessing, all that Jacob needed to do then was to give to Esau, and he would have been blessed by both God and man.

Acts 20:35

I have shewed you all things, how that so laboring ye ought to support the weak, and to remember the words of the Lord Jesus, how he said, It is more blessed to give than to receive.

When father Isaac was about to give Esau his blessing, the mother came in and set up Jacob against Esau and he stole not only the birthright but also the blessing. She trained her own kids to steal and to lie. Esau was about to murder Jacob so he escaped from such a home. You cannot survive in such a house of contention, malice, envy, jealousy, theft, trickery!! If you do not escape you will be another statistic on the list of those murdered by their siblings. Because of Rebecca, the sin of Cain against Abel was about to be repeated in the house of faith. Incredible youths do not participate in that which causes a repetition of evil. INCREDIBLE YOUTH ARE GENERATIONAL CURSE BREAKERS.

Escape, escape, escape! Just because alcohol has for generations been in your family, incredible kids do not have to struggle with it. Escape the drinking practices of your clan and lineage. The witchcraft worship that your grandparents practiced has no power over you. Escape, run to a place where God will speak

to you as Jacob did. He ran away from all that, and on his way he met God who showed him mighty and powerful things he did not know. Jacob escaped and came to Bethel. He didn't have much with him. He left the comfort he had enjoyed for so long; the wool and the warmth and now he didn't have so much as a pillow for his head. The son of man had no pillow for his own head.

Matthew 8:20.

And Jesus saith unto Him, "The foxes have holes, and the birds of air have nests; but the Son of man hath not where to lay his head."

You'd rather have a stone for your head than a pillow on the lap of Delilah, the woman who caused the incredible youth Samson to lose his anointing because he put his head in her lap.

The dream Jacob had was to show him that all blessings are from God and not by tricks, theft, lies or blackmail. In this dream it is proved that Heaven has more blessings than we could imagine; as we see the angels descending with the blessings and ascending with requests.

Incredible youths don't sell their gifts to purchase what only God can give. Esau acted foolishly because of physical hunger. He gave away that which only God could give; the determination of who is the first-born. He sold it for lentil soup. Judas sold off God in the flesh for a mere 30 silver coins. I wish he had at least done better than that, sold Christ for diamonds perhaps? Do not sell out, don't sell your bodies for nothing; once the blessing of God comes upon you, you will have it in plenty. Finally, when you escape, do not run off to the same mindset that put you in your situation in the first place. Rebecca was a relative of Laban. If Rebecca Jacob's mom could lie, Laban his uncle could steal from him.

INCREDIBLE YOUTH DO NOT SELL OUT

Often times, we jump from the pan only to fall into the blazing fire. Jacob should have trusted God, but instead he listened to the voice of his mother and went to Laban. There he labored for twenty years. If you escape, run to a place where the Labans of life will not and cannot find you. If God sends you there, He will protect you. But if you take yourself there you will be at their mercy. That's why it took so long to free the Hebrew slaves in Egypt; they took

themselves there, i.e. on their own accord! Let God send you there.

FROM COMPETITION TO CONFUSION

Jacob escaped from the house of competition, Isaac's home, to a house of confusion, Laban's house. In his own house he was made to be a wolf dressed in a sheep's skin. In his uncle's house, he totally lost his MINDSET as a man of God who had had an open heaven right over him, and who had heard his father prophesy upon his life.

He labored for a whole seven years, only to receive the wrong woman. Then he worked for the right one for the next seven years, just to find out she was barren and that she couldn't produce. Then he married all the concubines in the house, giving birth to unfaithful youths, who had no regard to life, were very insecure youthful men who would lie openly, sleep with their father's concubines and sell their very own incredible brother. This was total confusion. Escape from such because you will spend the rest of your life mourning like Jacob.

Ask yourself, where did these sons of Jacob with great names like Judah, which means praise, get the idea to tell

lies and the hatred to kill? In my tribe we say, “IT WAS GOTTEN FROM THE CRIB”.

Escape from religious people who prophesy the fear of God but deny the power of God. I am amazed that youth are drawn to what is **popular** and not what is **proper**. They go where a certain class of people goes, instead of setting above and classing themselves so all can go where they are. Because you attended a game in a stadium where the great players are doesn't make you one of them. You may even wear their uniform with their names on it. You still don't belong to their class.

Escape, be rioters. Rioters escape from traditions and arrangements that demean a life and a people. All over the world, cronies and dictators use youth to commit evil crimes. The armies that fight many of the wars today comprise mostly of youthful people. Escape from the poverty mentality and prayerlessness. They will make you powerless. Escape from cursing and

use of dirty and vulgar language that makes of you a waste and a dumping place.

Escape from aimless people, for you have a destiny. Escape

from any mindset that tells you that you are nothing. Escape, escape, escape!

Go for the ultimate even though everybody may be running away from it:

Luke 2:52

And Jesus increased in wisdom and stature, and in favor with God and man.

The incredible youth is about increasing in wisdom, stature (status) and favor. The Jesus we follow did. Incredible kids will refrain from all that which will demean life. Incredible kids understand the power of credit. To be incredible is to have a credit, instead of the credit having you. Credit is a status that allows you to obtain services that are very needed to allow you do the needful.

Credit is not borrowing. To get a credit is to admit that you are capable of paying back. To borrow is to accept your position from the lender. Credit demands an interest but borrowing demands a return. When you take a credit it is not mortgaging your life for the present pleasure. That's spending lustfully like the prodigal son. He spent all that he had on lustful pleasure. He mortgaged his

own life for present pleasure. The ‘have it now, we die tomorrow mentality’.

Sex is math and not physics:

Once you start having sex you do not stop at one time. You will be adding to yourself. (Mathematics +, -) You will be having spiritual and soul ties from the other person you are having sex with.

You will be dividing yourself up and your heart will be divided into segments. You will be obliged to have heartaches and love headaches. Disappointments will create a division in your spirit about life. You think we are all one until the dividing force invades your conscience and then strife becomes the dividing line.

We begin to hate people who talk to our so-called love mates because of lack of commitment, since they are just boyfriend and girlfriend. That’s what they are, so we are divided between lust and real love. Sex is math.

When figures do matter:

The truth of the matter is that sex is a MATH THING. Why? BECAUSE FIGURES DO NOT LIE BUT LIARS

DO. Once you have sex that's 'once too many' you will either be hooked or feel rejected when your partner goes for another. So you retaliate by going out with another one. That's already too many. You are now on the multiplication part of the MATH CALLED SEX.

$1 + 1 = 2$ IN THE ORIGINAL MATHEMATICS.

$1 + 1 = \text{MANY}$ IN THE SEX MATHS

In original math one plus one equals to two. In the sex math one plus one equals many. Because if you sleep with one partner who had sex before you, you will have slept with all the other sex partners. You have now multiplied yourself with all his/her background. That means whatever he had you now have. All the diseases, all the viruses and all the soul ties, demons etc. That's why the personalities in people change whenever they have sex with people they are not supposed to have it with.

The MULTIPLICATION FACTOR is what I don't like the most, because an innocent virgin kid can become a den of demons in one night because of a one night stand. If any multiplication of love is to be done, let it be done in the right way. Let it be for increasing good not evil. Have you heard about exponentials, sines and cosines? That's what

I am talking about. Let it be done to outnumber sin and disease instead of multiplying cases of venereal diseases and terminal diseases like HIV/AIDS. Sex is a math thing.

Subtraction:

When sex reaches the math of subtraction, it reduces your self-worth, and leaves you afraid and uncertain of the future. It robs you of your innocence and brings you a feeling of being used. A minus sign or negative sign is only needed in life when you are testing for HIV or sickle cells or cancer. That's when you need to have a negative for the above. But not for your self esteem, self-worth, dignity and respect.

Always remember that sex was designed to make one happy and satisfied and to continue reproducing. That's why when someone has sex with you, talk will follow. He will let friends know that he was successful in getting you as though you are a thing. And then everyone else will try you out because now you are cheap.

Sex outside marriage is a minus to you. It takes away the valuable in you and leaves you empty, wanting and full of uncertainties rendering you guilty and ashamed.

Physics is about force and space. Math is about figures and

numbers. That's what sex is all about; Figures and numbers. That's why you are here. Ask your parents, they were single and when they got together, you and your siblings arrived and now you are a clan. Please get it, it is about numbers.

Therefore since physics is about force and space you need math to do physics, but you don't necessarily need physics to do math. Therefore incredible kids don't need to be rocket scientists to figure out the ramifications of sex outside marriage.

Incredible youth tips about sex:

When your hormones tell you its time to have sex, tell them it's not yet honeymoon; or WAIT for the honeymoon. "All hormones balance out at honeymoon and that can only happen when you are married. Tell your hormones "wait until I get my own home; not a house, but a home, for a home is made of two people, a husband and a wife.

When your peers pressure you, give it a parental and a pastoral pill. They that want to have sex with you will not jump your parents to grab you. In fact if you always go out with your bible and you put it in between each other, the one under pressure will have to jump over the Old Testament

prophets Elijah and the likes of John the Baptist, what about Paul and the book of Revelation where it is written that fornicators will burn.

Revelation 21:8

But the fearful, and the unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, will have their part in the Lake burning with fire and brimstone, which is the second death.

CHAPTER FOUR

INCREDIBLE YOUTH WORK.

“Take a lesson from the ants, you lazy fellow. Hard work brings prosperity; playing around brings poverty”. (See Proverbs 6:6, 28:19)

AN INCREDIBLE YOUTH IS DEFINED BY WHAT THEY DO.

WORK:

Growing up in a family of 13 kids, we had to work REGARDLESS OF OUR AGE. We copied it from dad and mom. They were hard workers. Each one of us had to have his/her own garden, because if you needed anything you had to grow it. Work was part of our lives; fetching water and gathering firewood, preparing food, to mention but a few. Checking out in the banana plantation the ripe banana bunches. We enjoyed the banana juice; it tastes like the apple juice of today. We had jackfruits, mangos, oranges, pawpaws, pineapples etc.

Because of work, we had our own well and that required a periodical clearing and digging around it and also to clear the way to fetch water. Work was part of life, so begging had no chance in our lives. I remember I earned my first money not from asking anybody but by making charcoal. I had to cut the tree in sizeable logs, start a fire on them and cover them with earth till the next day.

I bagged them, put them on a bicycle and sold them three miles away to earn some money. Work was the way to earn a living. These days I meet kids who are supposed to be incredible but they are so lazy and slump. They can't even tie their pants strong. They can't even bathe themselves clean. Everything they need they get by asking someone to help them. No wonder we have so many school drop outs. People go to school every day only to fail. FOR THE INCREDIBLE YOUTHS, WORK IS BETTER THAN CANDIES.

Work ethics define an incredible youth. Work at your talents; work at your opportunities, WORK, WORK, and WORK. For workers will soon be wealthy. In fact WEALTH IS SPELT W-O-R-K. Incredible kids do not only work but they love to work. For work is the discipline of the dedicated

and set apart. They do their home chores; they simply do it because it is the only practice they have to secure an experience for the life they want to live.

John 2:5

His mother saith unto the servants, "Whatsoever he saith unto you, do it."

Proverbs about work:

It is better to get your hands dirty and eat, than to be too proud to work and starve...

Proverbs 12:9

Proverbs 19:15

Slothfulness casteth into a deep sleep; and an idle soul shall suffer hunger.

Proverbs 12:27

Proverbs 18:9

He also that is slothful in his work is brother to him that is a great waster.

Proverbs 10:4-5

He becometh poor that dealeth with a slack hand: but the hand of the diligent maketh rich.

He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame.

Proverbs 19:15

***The slothful man saith, There is a lion without, I shall be slain
in the streets.***

Proverbs 24:30

***I went by the field of the slothful, and by the vineyard of the
man void of understanding;***

Proverbs 24:31

And, lo, it was all grown over with thorns, and nettles had covered the face thereof, and the stone wall thereof was broken down.

Proverbs 24:32

Then I saw, and considered it well: I looked upon it, and received instruction.

Proverbs 24:33

Yet a little sleep, a little slumber, a little folding of the hands to sleep:

Proverbs 24:34

So shall thy poverty come as one that traveleth; and thy want as an armed man.

Proverbs 13:11

Wealth gotten by vanity shall be diminished: but he that gathereth by labor shall increase.

Proverbs 14:23

In all labor there is profit: but the talk of the lips tendeth only to penury.

Proverbs 20:4

The sluggard will not plow by reason of the cold; therefore shall he beg in harvest, and have nothing.

Proverbs 14:4

Where no oxen are, the crib is clean: but much increase is by the strength of the ox.

Subjects given to you at school need to be done. HOMEWORK! It is work that will discipline the rebel on the inside of you to qualify you to be an incredible kid.

1. Exercise is work, if you need a super look and a healthy body.
2. Practice is work, if you want to be perfect at your game.
3. Schooling is work that burns the cell of ignorance to recreate an intelligent being.
4. Performance is work people pay to come and watch.
5. Giving is work and the only thing that buys happiness, joy and increase.
6. Receiving is work because it allows you to look back at your investment - you can't receive unless you exchange it

with that which was valuable to you and valuable things cost a price.

7. Distinction is work. Let's work. They that graduate from ordinary levels of life with distinctions do it by work. It is a combination of study, practice, productivity and focus.

The amazing thing about work is that it produces wealth.
GOD WILL PROVIDE THE POWER; BUT TO
CREATE THE WEALTH IS YOUR RESPONSIBILITY,

Deuteronomy 8:18

But thou shalt remember the LORD thy God: for it is he that giveth thee power to get wealth, that he may establish his covenant which he swore unto thy fathers, as it is this day.

Whether you are in full time ministry or in secular employment, it demands hands that are skilled.

Prophet Daniel was appointed because he was skilled.

Daniel 6:1-3

It pleased Darius to set over the kingdom a hundred and twenty princes, which should be over the whole kingdom;

And over these three presidents; of whom Daniel was first:

that the princes might give accounts unto them, and the king should have no damage.

Then this Daniel was preferred above the presidents and princes, because an excellent spirit was in him; and the king thought to set him over the whole realm.

Our Lord Jesus Christ came to Simon Peter because he had skills in fishing and boating. You will be successful not because of the color of your skin but your skills. Hands that are working and doing the job will soon handle wealth. Hands that work know the door of wealth. Hands that do work daily wash off poverty and cream them with wealth.

Don't be deceived; wealth is created by working at it. It is a tragedy if what you have now is less than what your parents had at your age. Because the cost of living now is higher than it was then. AN INCREDIBLE YOUTH ALWAYS PLACES WORK BEFORE PLEASURE, so that they can determine what kind of a party they want.

CHAPTER FIVE

INCREDIBLE YOUTH PRAY AND FAST.

Incredible youth must embrace the truth. This is because a good man is known by his truthfulness and a false man by deceit and lies. No real harm befalls the good, but there is a constant trouble for the wicked.

Proverbs 12:18, 21.

Incredible youth seek the truth because the truth you know sets you free.

John 8:32.

Incredible youth are those who know how to pray. Prayer and fasting creates the incredibility or the uniqueness in you in most cases. We know Daniel a young man brought out of millions of Hebrews from Babylon. We discover that he was distinct in two areas. EXCELLENCE and SKILL.

Prayer and fasting do produce skill and a spirit of excellence. There is nothing DISSAPOINTIG like having a 21st century youth having a 19th century mindset. What you wear, what

you eat, the way you address your challenges, will reveal if you are fit to rule or to be ruled.

Excellence in all you do is not a choice, it is the only way. The way you conduct your business must be skillful. For one to have the ability to operate in excellence and skill, fasting and prayer must be a lifestyle. When was the last time you had a day of prayer? Look at the prayer our Lord taught us to pray.

Matthew 6:9, 10.

Our Father which art in Heaven... thy will be done in earth as it is in heaven.

INCREDIBLE YOUTH ALWAYS KNOW WHERE THEIR GOD IS. You see heaven is more organized, well set, wealthy and perfect. That's where Daddy lives. Like Father like son. Wouldn't you like to have a little heaven here on earth? It is prayer that will do it.

You can have a little heaven here. How? Through prayer. People who really pray push the walls of limitation to create room for more. Prayer is a force that crumbles the walls of mediocrity.

Lions Don't Eat Them:

In order to be like Daniel a man who could not be eaten by lions, Daniel 6:16-23 you must be prayerful. Like our Savior Jesus who was still a young man just turned 30 and the wild beasts couldn't feast on Him because He was praying and fasting. Matthew 4.

Both Jesus and Daniel did everything excellently and skillfully because they believed in God. They had faith. Faith is not only to give you a miracle. Faith fights for you. Faith speaks. Faith overcomes. Faith pleases God. Faith is a teacher that mentors you into skillfulness. Faith drives you to a position in life where excellence is experienced every day.

Faith in God makes the lion's den comfortable like a presidential suite in a five star hotel. Faith in God is the greatest mentor. Faith in God is the greatest university that will graduate you with honors or distinction. It is the only thing in the world that purchases righteousness from God. Faith makes you become incredible. What your mom couldn't do for you, what your dad couldn't do for you, faith in God will.

The Lord our Savior only recognizes faith. Your surrounding may call your faith insanity but God calls it incredible. The truth of the matter is that people don't like you. The way you look and the way you talk. Faith in God is the only thing you have that really knows who you are. And it is the only standard the righteous live by.

CHAPTER SIX.

INCREDIBLE YOUTH ARE HUMBLE.

HUMILITY:

In the end people appreciate frankness more than flattery. True humility and respect for the Lord leads a man to riches, honor and long life.

Proverbs 28:23, 22:4.

Incredible kids are humble. To me humility is better than humiliation. Humility is the temperature without humidity. Humidity is the pressure and mixture of heat and cold. The bible says in Revelation 3, that you are neither cold nor hot. I don't like it humid.

Humid temperatures are a result of living below sea levels. In an extreme hot temperature, spiritually this means God pours out His Spirit to take you to another

level, but your lifestyle is way too low beneath the swimming or river level creating an uncomfortable weather for your spirit.

Those on the higher altitudes like the city of Kampala and Nairobi do not suffer humidity. They are hot but not humid because both cities are over 3000 ft. above sea level. But Dar-es-Salaam is a humid city because it lies low. No wonder Tanzania has moved the capital city.

The reason is that the higher you go in disciplining yourself you become humble not a wimp. Remember humility is not when you stand at the end of the food line, but it's when you allow those who might not get anything go first before you.

Do you realize that humility is not PASSIVE but AGGRESSIVE? It gives the weak and needy of grace the only chance they have to make it. Humility confronts pride. Humility is the character of God. Godly people are humble not wimps. They are under control and nothing upsets them except the fact that people don't seem to get it.

Humility is the ability to do it. Do what? All things through Christ who gives you the strength. In humility you choose to give a chance to those who are weak. The litmus test of humility is when egos are involved. You either show it or you shovel it in haste. It is amazing that people have related humility to ignorance. Humble people know more and have

done more than their hosts but they celebrate others.

Incredible kids celebrate and do not compete. They participate enthusiastically demanding nothing because humble people will never be on the payroll of the proud.

The only way for any kid to stay out of trouble is to humble oneself.

1 Peter 5:6

Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time:

Lack of humility has landed many good youth behind bars. YES MOM, YES SIR is not a weak response. It is a deterrent to cruelty and anger that is found looking for its next victim all the time.

It is the show of high mannerisms that will disarm those who hate you. An eye for an eye leaves all blind.

When you are spoken to or directed by all regardless of their academic, spiritual or public status, respond as though you are talking to the one you love. You will disarm them without a fight. Because some of the people's battles are not worthy of your fight as an incredible kid.

Incredible kids don't fight. They simply fail it. To fight is to bleed but to fail a fight is to breathe fresh air. You can't breathe if you are too crowded therefore separate yourself from cheap arguments. It helps you breathe better.

Humility is aggressive. Why? Because it treasures what it has and invests it in the future. Humility is the only thing that will keep you wise among ignorant people. It is the humble that will inherit the kingdom of God, (*Matthew 5:5*)

To inherit means that those ahead of you think highly of you because you humbled yourself and by so doing you have convinced them to leave you an inheritance.

Let the rest think highly of you while you humble yourself. To be humble is to accept mentorship into good things. Look for mentorship not apprenticeship. Humility deflates the balloons of the proud.

Desire to be disciplined rather than being disgruntled all the time. Titles that go before experience have no repute, but rather are disputed all the time. The reason why you call yourself all manner of titles and names is because you are a wanna-be. But then you get frustrated all the time simply because the people around you only call you what they see

and know. If you know you are what you ought to be, just be that. But don't impose it on anybody. That's the nature of humility. You as a boy or girl, the enemy of lack of humility in people is trying to use them to upset you. When you don't let them do that to you, no matter how they treat you, you have humility because when you are humble the mighty hand of God will raise you up.

Whenever you are despised, don't worry, the next thing to happen to you if you don't faint is exaltation by God.

Example of Humility in the Bible:

Numbers 12:3

(Now the man Moses was very meek, above all the men which were upon the face of the earth.)

Matthew 11:28-30

Come unto me, all ye that labor and are heavy laden, and I will give you rest.

Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls.

For my yoke is easy, and my burden is light.

My testimony with T.L as an interpreter.

As a young man in ministry my life was tremendously revolutionized by the greatest miracle evangelists and teachers Drs. TL and Daisy OSBORN. When they came to Uganda in 1985 at Lugogo stadium, the Lord dealt with me and in return I became their Interpreter.

Let me tell you how it happened. I was not even supposed to sit on the crusade platform. Throughout all this I learned HUMILITY the best way, for I was ordered to sit down from interpreting in front of 200,000 people. IT WAS EMBARRASSING. IT MEANT THAT I WAS INCOMPETENT, I DIDN'T HAVE A COMMAND OF THE ENGLISH LANGUAGE, AND THAT I WAS NOT ANOINTED. DO YOU WANT TO KNOW WHAT I DID? I DIDN'T LOSE MY HEAD. I KEPT MY COOL; I DID NOT WALK OFF IN SHAME. THE NEXT DAY WHILE I WAS INTERPRETING, I LEARNED A GREAT LESSON. HUMBLING LESSONS COME TO INTRODUCE YOU TO GREATNESS.

My time on Praise the Lord program on Trinity Broadcasting Network (TBN) has been very humbling. They give you a specified amount of time to preach, so you prepare, but

on the very day the time flies and goes quickly. I have seen other guests lose their cool, but the Holy Spirit says to me all the time, if you cannot tell it in the opportune time given you, you shouldn't sell it. So I adjust. Let me help you to understand what I am trying to say. You have a message of 20 minutes to be reduced to less than 7 minutes. It takes a total surrender to the Holy Spirit in order to make sense to the listeners. We must humble ourselves not to the world or to the devil, but to the Holy Spirit, to our Lord Jesus Christ, and to our Father God. IF YOU HUMBLE YOURSELF BEFORE THE TRINITY, YOU WILL BE EXALTED BEFORE HUMANITY

In humility we honor our fathers and mothers. It doesn't matter whether they are biological or spiritual, adopted or natural; we humble ourselves by honoring them.

The sin of the eldest son of Noah laughing at his father's nakedness was so great that he missed a blessing. His next generation received a curse instead. Why? He didn't have to tell though he saw. What he saw was so natural because he too was a man who looked at another man's nakedness. What was so funny about that? Secondly he was a grown up youth who was even married. So what was it he saw that

made him laugh? (Genesis 9:20-27)

The problem of Noah's son was that he laughed at a natural thing as though it was abnormal. Never treat that which is natural as though it is unnatural. Let me tell you, he saw the humanity of a man that was exposed

that which is natural as though it is unnatural. Let me tell you, he saw the humanity of a man that was exposed because of alcohol in the wine. When people get drunk they will say or do things that are not appropriate or required of them to perform. Don't judge them under those circumstances but cover them. That means forgive them and let go.

That's what incredible kids do. They cover, they shield those whom they respect and love so that they will save themselves from falling from the same and from the curses of the future.

CHAPTER SEVEN

INCREDIBLE YOUTH EXCHANGE FOR CHANGE.

INCREDIBLE YOUTH STAY FAR AWAY FROM ALCOHOL.

Drinking alcohol is a weakness that incredible kids stay away from that which will cause them to lose their dignity and bring humiliation down on them. Noah's problem was drinking. Lot's problem was drinking. Incredible kids will stay away from alcohol. It is in a sense a stimulant and a mockery.

Well you have heard it so many times, people saying the bible doesn't say you shouldn't drink. Does the bible say you should never go on the top of the tallest tree or building in your city and jump? The bible also doesn't say that don't eat all the time you will get fat.

The bible also doesn't tell us how many kids we should have. Adam had many kids, Noah had three and David had several. My dad had thirteen of us. Are you going to have

a football team?

True humility is when you honor God in you to the extent that you begin to respect others. Do unto others what you want to be done unto you,

Matthew 7:12

Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets.

Incredible kids lead others not to a place of change but a place called EXCHANGE. Never ask God to change you but rather tell Him to give you what you need by allowing you to exchange your life with His life. He gave his only begotten Son, (John 3:16) so that you can exchange your life with His Son's life. That's not change, its exchange. That will lead you into a transformed person.

If you ask God to change you, after a while you may

change again. People are capable of changing over and over again. King Saul when he was given bread according to the prophecy he changed into another man,

1 Samuel 10:6

And the Spirit of the LORD will come upon thee, and thou shalt prophesy with them, and shalt be turned into another man.

He never exchanged into another man; he never exchanged the life he had before God met with him. He was changed alright, but he changed again and even became a worse man than he had ever been; a killer.

1 Samuel 22:21

And Abiathar showed David that Saul had slain the LORD'S priests.

**MAY YOU BE TOASTED BY THE FIRE OF HIS
PRESENCE**

I don't want just a change. I want to exchange my life for His life. Let the poor say, I am rich. Let the sick say, we are healed. Let the sinner say I am saved. That's not a change. It is an EXCHANGE for TRANSFORMATION. I just want to be toasted by His fire of glory that I will never again be changed into what I used to be or even worse.

Incredible kids go for an exchange not just a change. You can't get much out of change, but what you trade in will lead you to another level. Judas Iscariot changed when he followed Jesus Christ. But again he changed on Jesus by betraying Him to the religious people.

St. Peter was changed even his name was changed but when the survival was sighted he denied the Lord. But listen what the Master said, 'Peter you changed from Bar Jonah to Simon Peter but you are not yet transformed into another man. You will have to trade in who you are. Let me pray for you', says Christ. After you are converted or exchanged what you are or used to be into what I want you to become then strengthen your brethren, (Luke 22:31 -32)

We can change all we want but until we convert, transform, exchange, trading in what we are for what He is, we will not and we cannot strengthen the weak. On weddings, brides and grooms do change into different attires. I remember on one wedding. I saw a bride and groom change three times. How? Yes, it's possible but it was the same bride, same attitude, same face, and same ways. You would think that the more she changed her walk, smile, even her hairstyle, her character and skin will

change but no it didn't. Salvation in Christ or having a life of an incredible youth is not a change, it requires exchange.

Incredible kids don't change the changeable but exchange it for that which is great. We shouldn't rend our clothes but hearts,

Joel 2:13

And rend your heart, and not your garments, and turn unto the LORD your God: for he is gracious and merciful, slow to anger, and of great kindness, and repenteth him of the evil. and repenteth him of the evil.

And once the heart is ripped open or once it receives damage it cannot be used again.

CHAPTER EIGHT

INCREDIBLE YOUTH CHOOSE RIGHT

**NOTHING COMES TO US BY CHANCE, BUT BY
CHOICE.**

CHOICE:

Everything in this world comes to us by choice. Salvation, sin, mediocrity, love etc. One can say I didn't choose to be born in this continent or country even by these parents of mine. Yes. But somebody made that choice for you. The choices we make while we are young will eventually play out in our old age.

Some relatives of yours who are now living or were born overseas, somebody made that choice. Nothing comes to us by chance but by choice. And the choice we make carry within itself an opportunity to make it happen.

Don't wait for a chance that's seasonal, choice is any time, choose ye this day.

Joshua 24:15

And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

When I was about to be born, my mom developed complications so rear that she was moved to the hospital a week before delivery. This was not the case in all previous pregnancies. After spending a week, I was ready to be born. All of my siblings were either born at Mulago hospital or Mengo hospital.

I was going to be born in Mulago at around 11:45 p.m. ready to come out. My mom lost all her strength. They rushed her to the theatre but the doctors were

not available and they experienced a power loss at the hospital. She had pushed my head out but because she lost all her strength she became unconscious in the process. Everybody thought she was dead. A decision had to be made. My head by now was sticking out; my mom is unconscious so they put both of us in an ambulance.

They then rushed us to Nsambya hospital where they had everything needed for the operation. And finally when we arrived at Nsambya, my dad told me when I grew up that he prayed all the prayers in the prayer book, the Psalms, the Lord's Prayer a million times. Upon arrival at Nsambya in the ambulance an hour and half later, in the corridors of the hospital theatre my mom revived and pushed me out.

So I was born on 24th January at Nsambya hospital. I became the only member of my family to be born in a different hospital. Somebody made a decision to save my mom and me. Had the electricity not gone out at Mulago, I wouldn't be here today. Because my dad had made a decision to keep his wife instead of me since they already had eleven kids, instead of losing his wife.

I don't blame him. But God intervened and they took me out there so that I can live to serve Him. You see maybe what you didn't understand is that I was out of my mom's body; my head and half neck. That means if they were to operate to save my mum, they had to cut my head off, open her up and pull the rest of me through her belly. In order to save the mother, death was all over me. But a choice to move to another hospital provided an opportunity to wake up my

mother and in that haste she pushed me out. May be the potholes in the road woke her up, I don't know, but I know I am here today. What a mighty God.

No matter what is trying to take you out, God will provide a way of escape for you but right choices have to be made. Therefore I had no choice to come into the world. That's why I was being moved from hospital to hospital. But now I have a choice to make to live or not to.

**WITH ALL DUE RESPECT; DONT LET ANYBODY
MAKE CHOICES FOR YOU**

Somebody was deciding whether I should live or my mom or both of us. Now I can choose to live and in

the life to come. We all come to the place of choosing. Please incredible kids do choose. Don't let somebody else choose for you. If you do you are living by chance.

In order to choose right one needs to **START TO SEE** by placing on all things value which are done by thinking. **INCREDIBLE YOUTH DO THINK.** Thinking has levels, I recommend the only safe way to choose is through the cross, for it is the power of God to salvation,

Romans 1:16

For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to everyone that believeth; to the Jew first, and also to the Greek.

All other ways of choosing have not been through the test of time. This will lead you or bring to all four-touch points of your life. Your head needs wisdom on how to excel. Your feet need guidance on how to move. Your left hand needs power on how to retain. Your right hand needs defense which is your safety.

The following four touch points in our lives will make or produce the two levels or realms of thinking; THE VERTICAL THINKING and THE HORIZONTAL THINKING. All incredible youths must operate in these dimensions. If you are going to overcome, outwit and outlive your challenges. The vertical thinking is about where you are and where your potential is calling you from.

It's you and your God, your maker the one who knows you. That's why you need to talk to Him. That's how to vertically think. It's called prayer, meditation worship, and inner peace.

With the horizontal thinking, it is about where you are now and where you need to go back and forth. It is about your progress, about your plans, about your personality, your pace, speed, and your power.

All the above thinking will allow you to take:

- 1 .Initiatives to be that incredible youth
2. Allow you to take a personal mission statement that will act as a life compass to take you to your personal destination not to the land where everybody is. It's too crowded, there's too much traffic.
3. It will allow you to affect others without you knowing the efforts. Your actions will speak for themselves. Your gifts will usher you in the doors of greatness, thus making you an incredible youth, developing you into a manager. God didn't say let us make our image into a child or youth to grow up into a man. God makes perfect things.

But we have to develop those qualities in us to become MAN-AGERS. Man of age to handle the success and power, the money, the fame, the bank accounts. The

relationships, families, love issues, sex, death, promotions, luxury, prosperity etc.

You don't need to be old to handle life.

Youths can have sincerity.

Youths can apologize sincerely.

Youths can communicate.

Youths are incredible.

Youths can think posterity.

Youths can serve unselfishly.

Youths can give.

Youths can love passionately and faithfully.

Youths can lead. Incredible youth can.

But we need to become THINKERS. Start thinking. What do I have to do now that will make me great tomorrow?

Answer:_____.

What can I have now that will give me peace of mind so that I can concentrate on my future?

Answer:_____.

What should I avoid now that will guarantee my divine and good health 20 years from now?

Answer:_____.

Do you like the moon and the stars? Living youths should shine brighter. Our greatness is inside our hearts not outside ourselves. We need not a mere change of guards but a fundamental change.

To obtain the impossible, THE NEVER THOUGHT must not be entertained. JOY IS THE SPIRIT SET FREE TO LIVE IN THE GARDEN OF LOVE AND TO WALK THE PATH OF GRACE BY RESTING IN TOTAL GRATITUDE. ALL THINGS CAN BE CHANGED IF CONFRONTED.

HOW DO YOU LIVE? DO YOU LIVE A LIFE OF CHANCE OR DO YOU HAVE A MIRACLE LIFE?

NELSON MANDELA said,' We must realize that the time is always ripe to do right', Hhaaaaaaaaaaaaaaaaa ROBERT KAYANJA BELEIVES IT; once you have production on one hand and production capability on the other, then you are now at a defining moment in your life to succeed

The above THINKING will lead you into a new field where people who desire success CONSTANTLY go. Be like David in the valley where he slew Goliath. He had to choose five stones to be successful against a giant. In your case giants may be many but these are the stones to use against them.

1. Freedom to choose.
2. Potential inside you.
3. Imagination.
4. Your great habits.
5. Personal mission statement.

Incredible youths must balance life and this is the philosophy of successful living. I know all youths want to be successful.

How to balance living and work?

We do not live to work, rather we work to live. That's how you balance out what you are working at. The balance is here - Production and Production capability. Production is short-term markets and production capability is long term well-being.

CHAPTER NINE

A NEW YOUTH

I decide to end this writer's edition with a new youth. After a tragic ending of two great lives, it seems God gave Adam and eve another youth. That's what God will always do; give us another opportunity to achieve greatness.

It was a tragic ending for the youths Cain and Abel. You know Cain killed Abel, but also Cain became a vagabond, junk bond, useless bond; cannot and will never hold value and cannot be invested. That's what vagabonds are. Cain could never be invested. Cain could never be invested to create a new start for the human race.

I call it tragic because the ground received the first curse in Genesis 3,

Genesis 3:17

And unto Adam he said, Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed is

the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life;

Because of Cain who was supposed to bring forth a revival to the earth, the anointing needed to break the yoke and to destroy it. He caused the ground to receive another curse, bringing double jeopardy for mankind

Genesis 4:12

When thou tillest the ground, it shall not henceforth yield unto thee her strength; a fugitive and a vagabond shalt thou be in the earth.

Though he managed to take back a life to God in verse 13, it was full of himself. He said, ‘My punishment is too great to bear’, instead of, ‘Lord what can I do now to change?’

So it was a tragic ending of a great opportunity; man had to change his destiny. But in chapter 4, we read and see in verse 25.

Genesis 4:25

And Adam knew his wife again; and she bore a son, and called his name Seth: For God, said she, has appointed me another seed instead of Abel whom Cain slew.

The Incredible Youth believes in the God of a second chance who appoints days and dates, possessions and positions, who does debt restructuring so that He can erase them totally. Because this new youth, Seth, for the human race, had a son called Enos.

The incredible youth accepts responsibility to produce that which will cause revival. Seth was born as an appointed agent of revival and had to accept the responsibility to bring it to pass or to father that which will bring revival.

Incredible youth rise up to the call.

They do not remain youth forever. They realize that the ground is doubly cursed, God is getting further and further and the past generation doesn't have it in them to produce what it will take to usher in blessings that will underwrite off the debt caused by the father and the son-Adam and Cain. A new youth is the one who acknowledges that if you are appointed, you can be dropped if you do not show forth

the fruits.

Seth seized the moment by fathering that which calls upon the name of the Lord

Genesis 4:26

And to Seth, to him also there was born a son; and he called his name Enos: then began men to call upon the name of the LORD.

And whosoever calls upon the name of the Lord shall be saved. When God is called upon, He responds with mercy and forgiveness. Can you imagine God had the record of man's sin from Adam but chapter 5 starts the genealogy of man (verse 3)?

Genesis 5:3

And Adam lived a hundred and thirty years, and begot a son in his own likeness, after his image; and called his name Seth:

Adam begot Seth, why not Cain or Abel? Double tragedy. Because Seth called upon the name of the Lord, God erased Cain and Abel forever. A new youth realizes that the only way to change your past is to assume responsibility,

to produce that which can erase and eradicate the past in order to provide your family with a blessing.

That is why in my next edition of this book called *The Rioting Youth*, I will be talking about whose responsibility are they anyway? Do you know that the moment you become a youth and outgrow being a baby or a little child, you assume the responsibility of taking your family to another level, not your parents? Stay tuned for the rioters edition.

A new youth is an incredibly blessed youth who seeks revival, rises to the call and challenges the status quo. This is that youth who assumes the responsibility to the devil's onslaught. Such a youth brings revival joy to a depressed family by producing that which causes God to respond otherwise.

CHAPTER 10

THE FANTASTIC FOUR (M.A.D.S)

Meshach, Abednego, Daniel and Shadrach were mad. When you look at how they lived their lives, they were just mad. No one disobeys the king's command directly before the king unless they are mad. No one sanely chooses to be thrown in the lions' den over self-preservation and when they fall, they aren't crushed on the rocks. It is not normal to eat vegetables and end up looking ten times better than the people who have been eating choice meat and wine from the king's table. No one worships and praises God while being thrown into a fiery furnace which kills the people who threw them in, yet they who were thrown in have a soft landing and are joined by the son of God.

These guys weren't operating on normal sense. These guys were completely mad in the sense that their faith was totally crazy. And such are the young people we need in this day and age. And those are the incredible youth. Young people who are not going to allow the status quo like Abel.

ABEL.

Abel was a righteous man whose offering was accepted before God, but he allowed an evil man to kill him. This is not the generation of Abel, who gave a good offering, yet was a weak man who did not portray the strength of his God. He was weak. That is why in spite of the fact that Abel was a righteous man, we do not see him in the genealogy of Adam. He didn't demonstrate the anointing that was operational upon his life.

Physical strength is what demonstrates the kind of God that we are dealing with; to stand up and fight and refuse to be bound by witchcraft, and to be enslaved by prostitution and all the evil in the world. If young people cannot then they cannot be a part of the genealogy of the great. Somebody has to fight back.

We see it when Adam sinned and realized he was naked and at least did something about it; he covered himself with leaves. He didn't stay naked until God arrived. This generation of young people must learn to do something before foreign help comes. This generation of M.A.D.S does something. Daniel did something. He did not just wait for his king or help from elsewhere, because his king was

also taken captive, but he purposed in his heart to not bow down before the king of Babylon. He said, “I’ll interpret your dreams, but you must understand, I am Hebrew, you’re Babylonian. We Hebrews don’t worship the way you worship and we don’t eat the way you eat. We refuse your food;” Simple opposition, but very profound in the kingdom of God.

That generation of the M.A.D.S must come back. It is not like the generation of Cain and Abel; a generation of the greedy and weaklings. The Bible says that Cain fell on Abel and he died. Think about it. The man just fell on him. Things are going to fall on us. People will sit in capitals out in the world and pass their humanistic thinking to the younger generation. Governments are going to pass bills which will fall on the youth, but the youth must determine, ‘we are not dying!’ This will not kill us. This has come to revive us and change things.

And what we see in these four is that they changed Babylon. The king not only once, but several times confessed that there is no god like the God of Meshach, Abednego, Daniel and Shadrach, the MADS, and our young people must understand that.

These guys knew that they had been taken from their home,

they were in a new country and a new culture, but they refused to bow down and be killed by whatever fell on them like Abel when he accepted to be killed when Cain fell on him. They kept on knowing their God, being strong and doing exploits. Unlike Abel who gave God a great offering but never rejoiced in his God, these MADS rejoiced in their God. They were proud of being Hebrews and they were proud of their God.

NICHOLAS MULEME

Our church has received many young people who have subscribed and are members of this MADS company. One of them is Nicholas C Muleme. His father was living abroad and his mother did not want him to get involved with born again Christians and was also involved in witchcraft. Nicholas hated the witchcraft and was ready to run away from home to avoid it. I talked to his dad when he was abroad and he was infuriated by the fact that his son wanted to leave home. His father kept calling, his mother kept calling and it created a whole pandemonium here at church.

I talked to Nicholas, because here, we believe in family. I told him, Listen to your dad and mom. Hear what they are telling you. But Nicholas insisted, “Those people are

practicing witchcraft. I cannot live in that house.” If Nicholas had stayed and allowed to practice witchcraft, all of his siblings would be in witchcraft and his entire family would be in the same bondage. Right now, many of his siblings are born again.

In addition to that, Nicholas has been very instrumental in the birthing and sustainance of a ministry called Proclaim. Because of his obedience, Nicholas has been graced with an anointing to produce and direct the greatest children’s music ministry, probably in the whole world, Proclaim.

So how do you tap into the anointing? You must be ‘mad.’ That is what they called Nicholas and all these other people who have chosen to stand out for God. They don’t call them super, great or too much; they call them mad. But for us who are incredible in God’s eyes, we know it stands for the spirit that was upon Meshach, Abednego, Daniel and Shadrach. And that is what we need in the world today!!!

THE INCREDIBLE YOUTH

THE MADS
COMPANY

The Bible advises young men to rejoice in the days of their youth, but it also cautions them to beware of the fact that there is a day of judgement later on. This book is dedicated to the young people, to help them maximize themselves in this time of great energy and critical decision making.

The Bible is full of examples of men who changed the world because they made certain decisions when they were younger. I like to pick on Meshach, Abednego, Daniel and Shadrach who chose from the time they were young men in the king's palace, to go against the status quo and hold high the name of Jehovah, the God of their fathers with integrity.

I pray that this book will inspire our youth to be a generation such as this; Not just youth, but INCREDIBLE YOUTH.

Called to the ministry at the age of 17, Robert Kayanja started his ministry at 22. Founder of the Miracle Centre, now a 10,500-seater cathedral.
