New Business:

- Canaan Race Track – About a 1 mile track with a couple of slightly narrow spots. SCCNH could possibly hold an event there if the price is right. Andrew Mercer wants to have another meeting with the owner there to discuss terms for events.
- Annual Banquet – The date chosen has been taken due to a mix-up caused by the passing of the event manager for that venue. Now SCCNH is searching for a new venue.
- Northeast Motorsports Museum – On September 25th the organization will be having an official groundbreaking ceremony. The foundation will be laid in the fall. This building will be available for banquet parties. Next Spring will be a gala event to raise funds for the museum.
