## Programs

**Autocross Report:** No events to report on. Discussion was had around what went well and what can be updated next year, however more conversations should be had with next year's autocross director. We should also look into what other clubs do and if there is anything we can pick up from them.

**Hillclimb Report:** Mike's hillcross event went well. The venue was happy with the group and the timing test was very successful. There was discussion around potential insurance alternatives that came out of the event. Drew will talk to the council about it.

## Old Business

**TSD Rally:** George reports that we had 11 registered and 10 start the rally. 9 made it all the way to the end, but the 10<sup>th</sup> was accounted for. The weather was good, and it sounded like everyone had a good time.

**2020 Awards Ceremony and Charity Auction:** Brittini reports that we are having a remote party this year and is looking at a mid-January date. We will need to have trophies and prizes ready to go for that time.

Rob is looking for 5 to 8 prizes to raise money in addition to the club donation. So far, Chad is donating a photo package and Rob's work is donating a couple items as well. John requested an official flyer to use to solicit donations.

**Turkey Rally:** The November 15<sup>th</sup> rally is still on and looking good. It should be around a 4.5 hour event starting at Carson's Motors and ending at the Red Blazer restaurant. Details are on MSR
