## 1. Unlimited

**Class Designator: U**

This class is for purpose build or heavily modified cars, 2WD or AWD. They may be open wheeled or full bodied using composite, metal or other approved materials.

---

## 2. Open

**Class Designator: O**

This class is for open wheel and closed body cars made specifically for racing, 2WD or AWD. They may be custom made including frames and running gear. Naturally aspirated motors up to 7 liters allowed. Forced induction motors up to 3.5 liters are allowed.

---

### **3. Open Lite**

**Class Designator: O**

This class is for open wheel and closed body cars specifically made for racing, 2WD only. Forced induction or normally aspirated up to 1.5 liters and must be motorcycle based engine and transmission.

---

### **4. Prepared**

This class is for production based cars that were available to the general public with more than 500 produced by a recognized manufacturer. Body shall remain recognizable as its model.

#### **4.1. Prepared 1 class**

**Class Designator: P1**

AWD, 2.5 liters or below forced induced or 3.5 liters or below naturally aspirated

#### **4.2. Prepared 2 class**

**Class Designator: P2**

2WD, 2.5 liters or below with forced induction or 6 liters or below naturally aspirated

#### **4.3. Prepared 3 class**

**Class Designator: P3**

2WD or AWD, 2.5 liters or below naturally aspirated.

---

### **5. High Performance Showroom Stock** **Class Designator: HPSS**

This class is for AWD and 2WD production based cars that were available to the general public with more than 500 produced by a recognized manufacturer. The car must appear to be stock.

---

### **6. Americas Rally Cross**

**Class Designator: ARX**

This class is for Americas Rally Cross cars

---

## **7. Rally**

This class is for rally cars as defined by ARA, RA or CARS

### **7.1. Rally 1 class**

**Class Designator: R1**

This class is for AWD Rally cars

### **7.2. Rally 2 class**

**Class Designator: R2**

This class is for 2WD Rally cars

---

## **8. Vintage Class**

**Class Designator: V**

Participation in this class is by invitation only. Cars competing in this class must comply with current VSCCA safety requirements.

---

## **9. Modified Electric**

**Class Designator: ME**

This class is for electric cars made for, or modified for, racing.

---

## **10. Stock Electric**

**Class Designator: SE**

This class is for production electric vehicles and they must be run as manufactured.

---
