Colt Police Positive Special

The COLT POLICE POSITIVE SPECIAL is the standard service revolver of many large police departments in this country and abroad. It is a medium weight arm chambered for the powerful .38 Special cartridge, or, if desired, for the .32 Police Positive and other .32 calibre ammunition. Equipped with the Colt positive safety lock which prevents accidental discharge, it is ideally suited to the needs of the on-foot patrolman, or as a house gun for home protection.
