O U R H E R O

As our dram begins to unfold,
We see the lovely, curvey fem;
And what is that monster behind her?
Egad! It's the horrid, nasty old BEM.

Hark! And who is this to the rescue?
It's none other than Captain Dashing.
Lightning flashes from his cool gray eyes,
And his teeth are grinding and ghashing!

The monster gives a soul-piercing shriek,
And our blood begins to jell and curdle;
But Captain Dashing fights grimly on,
While the fem calmly adjusts her girdle.

Then suddenly, the battle is over,
And the silence is that of the dead.
Our hero refuses the maiden's kiss--
For the monster has torn off his head.
