This is the story of Teddy McGee,
A little boy who is almost three.

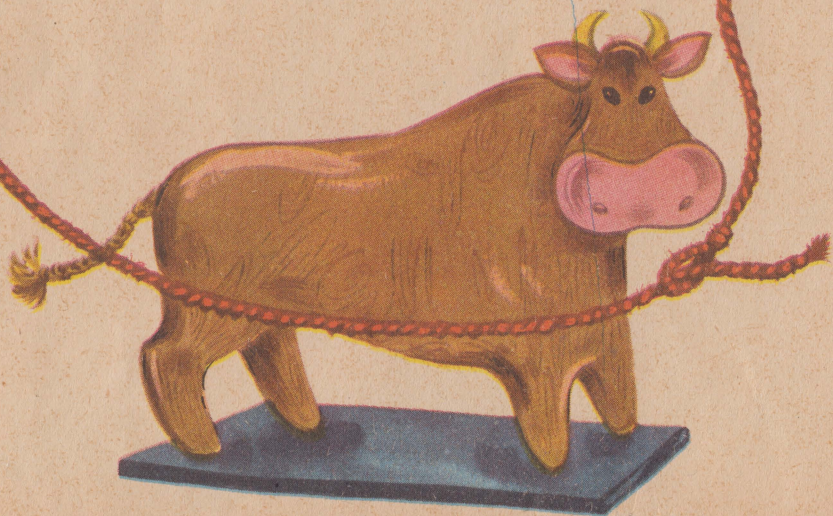

Teddy has boots—

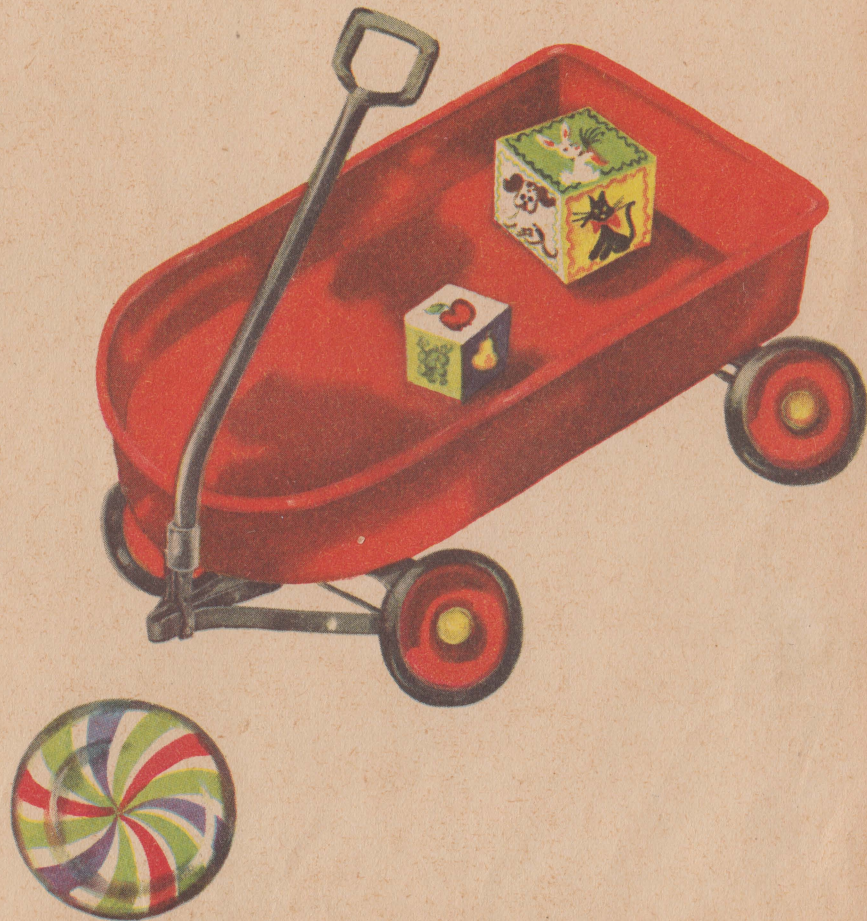

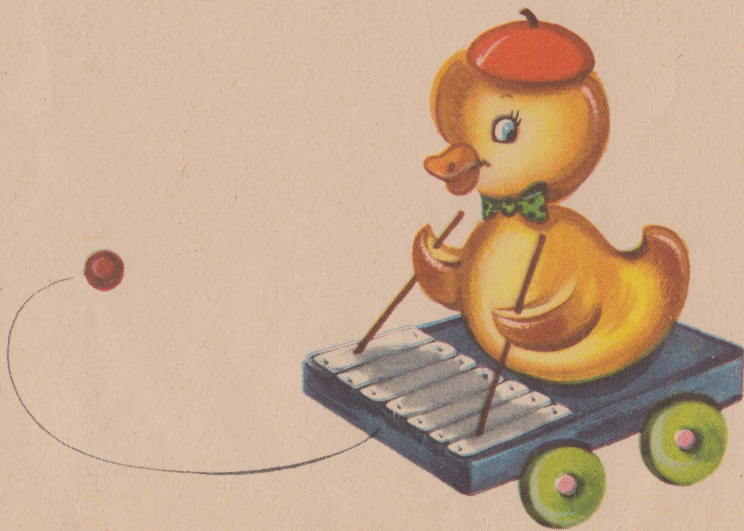

— and a cowboy hat

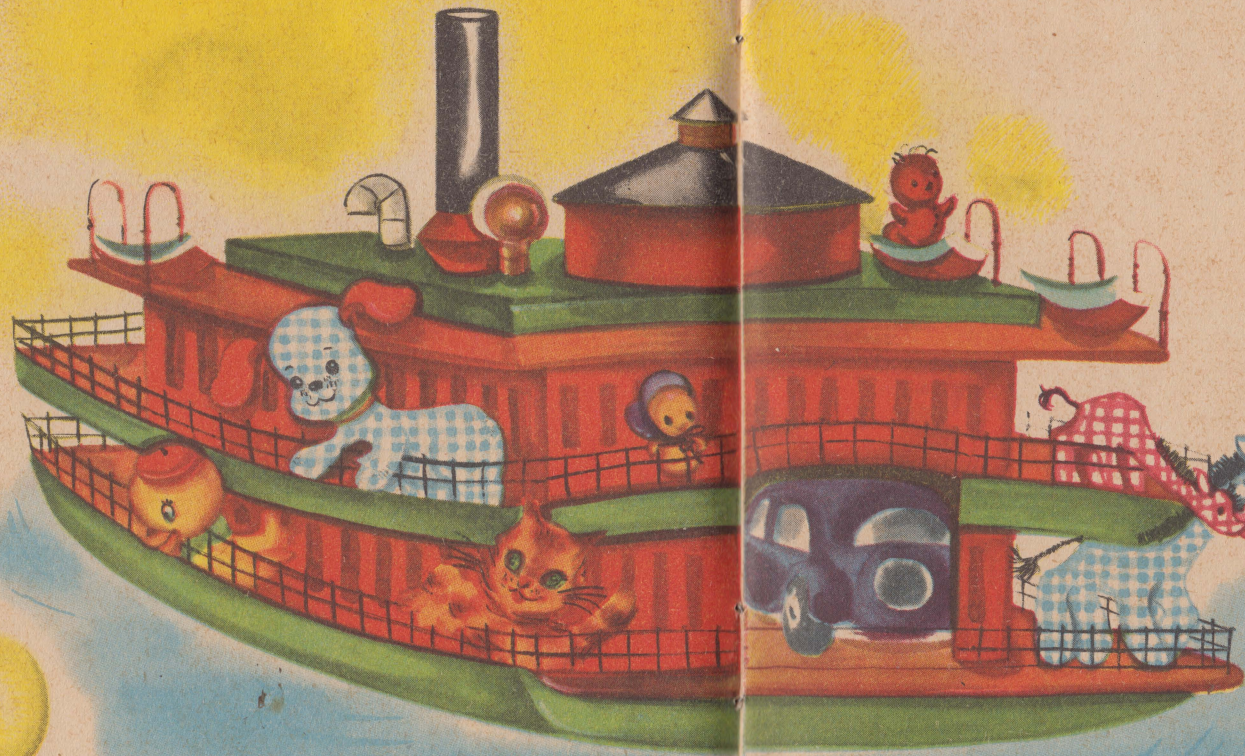

He has a wagon and toys like that.

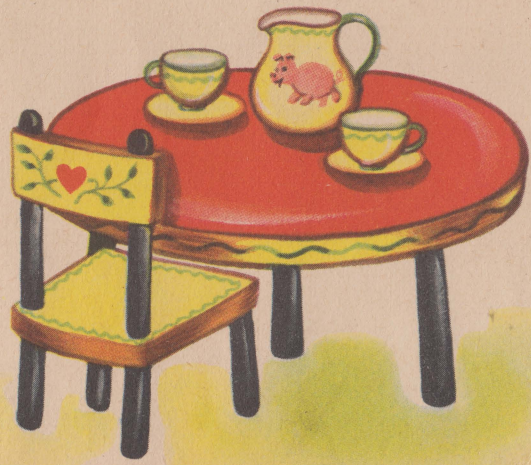

Here are his trains —

—and his ferryboat;

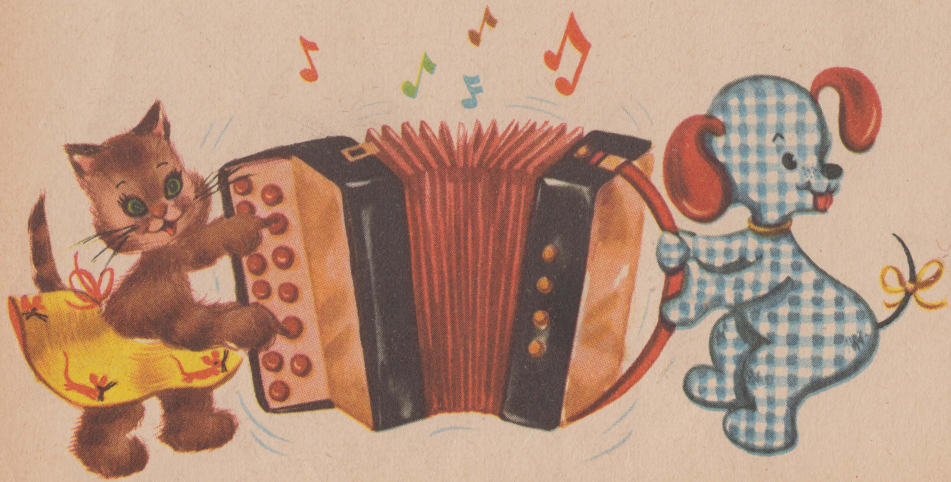

Here is his bear with a fuzzy coat.

See Teddy's fire truck, painted red,

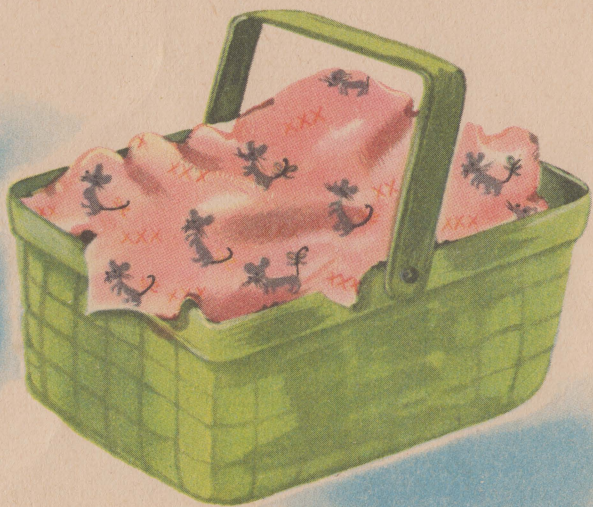

And his funny toy monkey
that stands on its head.

Teddy McGee had a happy surprise,
One day he woke up
and he rubbed his eyes,

For there was a basket right on the floor.
It hadn't been there the night before!

Out of his bed he jumped in a minute;
Teddy McGee had to see what was in it.

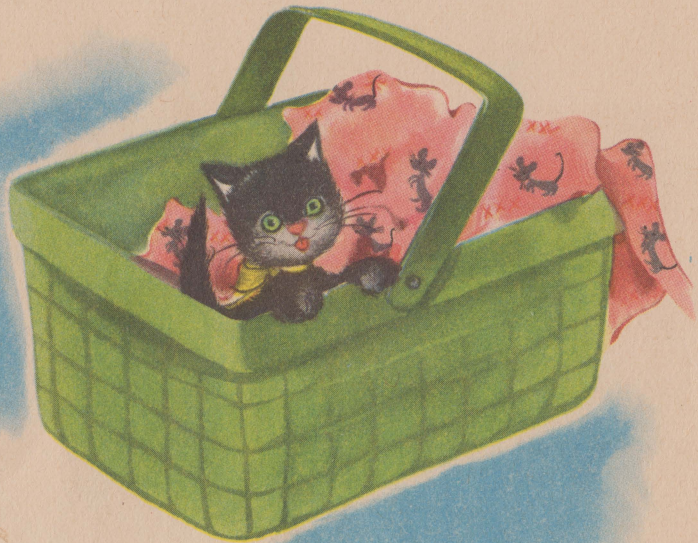

He opened the basket
and what do you think?

A wee furry kitten as black as ink!

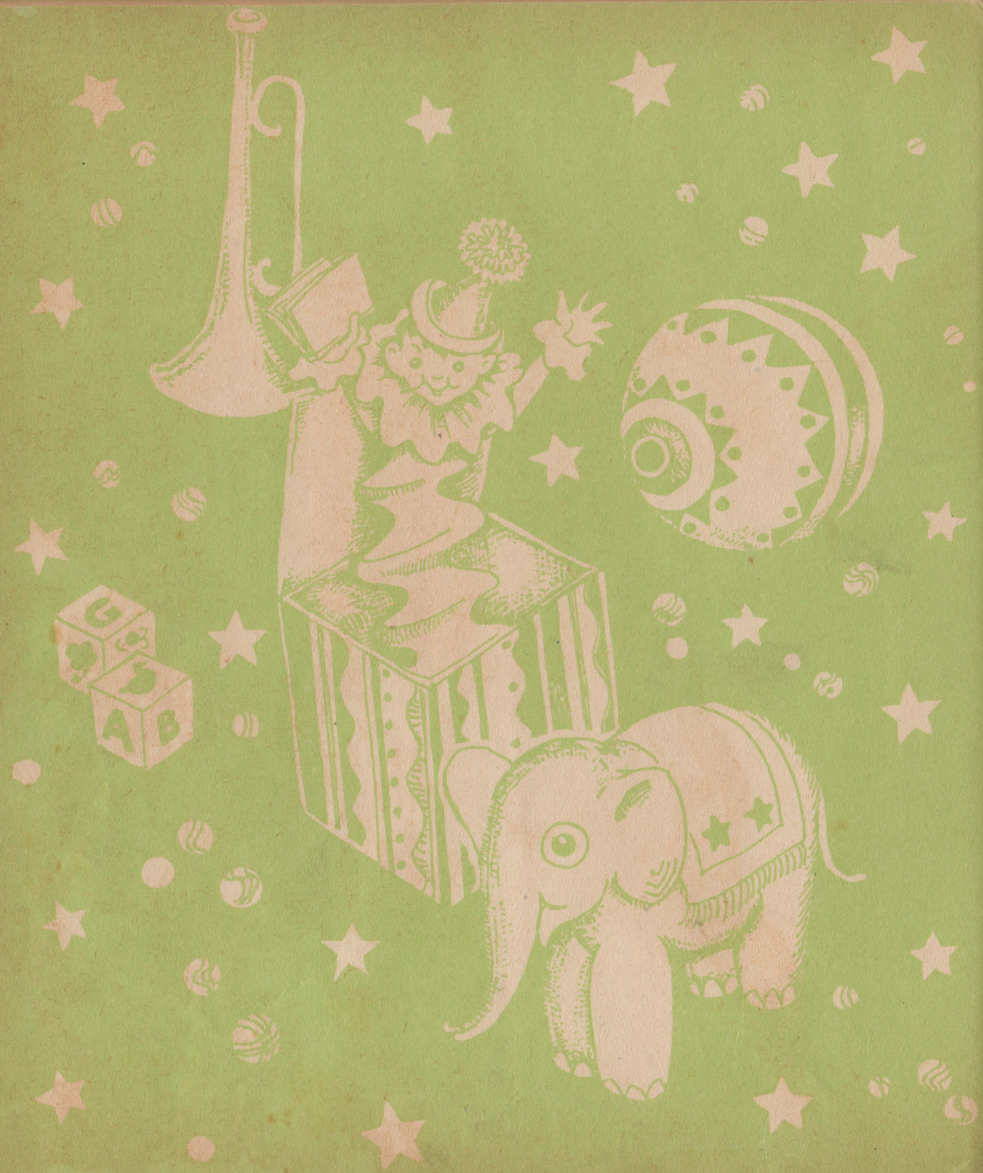

Mommy and Daddy peeped into say -

"Good morning, McGee,
and a Happy Birthday!"
