Pav YMCA

Serving Our Community Since 1970

OUR MISSION:

Our mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

OUR CAUSE:

At the Y, strengthening community is our cause; we work side-by-side with our neighbors every day. Our approach helps us make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

OUR HISTORY:

The Pav YMCA is a chartered member of the YMCA of the USA. YMCAs welcome all faiths, races, ages, incomes, and abilities. We are one of the nation's 2,686 YMCAs which serve more than 21 million people, including 10 million children, through a broad range of programs focused on spirit, mind and body.

The Pav YMCA was formed in 1970 to serve central Cook County in Illinois—specifically the near west suburban communities of Chicago which include Berwyn, Cicero, Stickney, Lyons, Forest View, Riverside, and North Riverside. We are a charitable, not-for-profit, 501(c)3 organization with the mission to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

After initially providing programs and services out of storefront facilities, churches, and schools, our YMCA facility was completed and opened in 1986. Since then, our building at the corner of 29th Street and South Oak Park Avenue in Berwyn has undergone two expansions—one to expand the second-floor Wellness/Fitness Center, and the other to accommodate a handicap accessible elevator and a multi-purpose Senior Center.

Our organization is an independent, community-based YMCA. Our volunteer base involves community-minded individuals, including our volunteer Board of Directors. The Pav YMCA annually employs full and part-time staff. We have a diverse membership of individuals, nearly one-third of whom are seniors, and we see nearly one-half million visitors each year.

DIABETES PREVENTION PROGRAM

RAJ WALLER
Senior Program Director
708.749.0606 ext. 320
rwaller@pavymca.org

WHAT IS DIABETES?

Diabetes is a chronic disease that causes blood sugar levels to rise higher than normal. Diabetes affects more than 29 million people. A condition called prediabetes occurs when blood sugar levels are higher than normal but not high enough for a Type 2 diabetes diagnosis. More than 84 million Americans have prediabetes and are at risk of developing diabetes. Diabetes has no cure, but prediabetes can be reversed.

ABOUT THE PROGRAM

The YMCA'S Diabetes Prevention Program is a support group that helps those at risk of developing Type 2 diabetes adopt and maintain a healthy lifestyle. This is achieved by helping participants eat better, increase physical activity, and lose a modest amount of weight in order to reduce their chance of developing the disease. Based on research by the National Institutes of Health and the Centers for Disease Control and Prevention, this program can reduce the risk of developing Type 2 diabetes by nearly 60%. This program is driven by the Centers for Disease Control and Prevention, the National Diabetes Prevention Program, and the Diabetes Prevention and Control Alliance.

PROGRAM COST

The cost of the program is \$475 for the year. Some participants may qualify to participate in this program at either a discounted rate or cost free. For more information on how to qualify for a stipend, please contact our Senior Program Director.

PROGRAM OVERVIEW

You will be given access to a trained Lifestyle Coach and 12 months of group support. Please note, this program is not an exercise class. Participants receive guidance on eating healthier, managing stress, preparing healthy meals on a budget, and staying motivated after the program's completion. Useful tools like a program manual, food journals, fat gram counting resources, and a complimentary family membership (up to 6 people per household) to the YMCA is provided for the entire year of participation. A minimum of 6 participants is needed in order to start each cohort.

PARTICIPATION CONDITIONS

- 18 years or older with BMI of 25 or higher
- A1C between 5.7%–6.4%
- Fasting Plasma Glucose 100–125 MG/DL
- 2 Hour Glucose 140–199 MG/DL
- Qualified blood results in the prediabetes range are needed to confirm eligibility. Individuals who have already been diagnosed with either Type 1 or 2 diabetes do not qualify for this program.

If you or someone you know may be at risk for developing diabetes, the YMCA'S Diabetes Prevention Program can help. For more information or to schedule an appointment, please contact our Senior Program Director, Raj Waller at ext. 320 or rwaller@pavymca.org.

NEXT COHORT TBD. PLEASE CONTACT RAJ WALLER FOR MORE INFORMATION.

LIVESTRONG®

FOUNDATION

THE PURPOSE

Cancer is a life-changing disease that takes a tremendous physical and emotional toll on those affected. The Y and LIVESTRONG® have joined together to create LIVESTRONG® at the YMCA, a research-based physical activity and well-being program designed to help adult cancer survivors reclaim their total health. Cancer survivors are defined as anyone from diagnosis through remission.

LIVESTRONG® at the YMCA fulfills the important need of supporting the increasing number of cancer survivors who find themselves in the transitional period between completing their cancer treatment and the shift to feeling physically and emotionally strong enough to lead their lives to the fullest.

ABOUT THE PROGRAM

LIVESTRONG® at the YMCA is a research-based physical activity and well-being program designed to help adult cancer survivors reclaim their total health. Over the 12 week session, participants work with Pav YMCA staff trained in supportive cancer care in a comfortable workout environment. By focusing on the whole person, LIVESTRONG® at the YMCA is helping people move beyond cancer care in spirit, mind and body.

A final goal of the program is to assist participants in developing their own physical fitness program, so they can continue to practice a healthy lifestyle, not only as part of their recovery, but as a way of life.

THE BENEFITS

In addition to the physical benefits, the program provides participants a supportive environment and a feeling of community with their fellow survivors, Pav YMCA staff and members.

- Build muscle mass and strength
- Increase flexibility, balance and endurance
- Improve ability to do everyday activities
- Reduce the severity of therapy side effects
- Prevent unwanted weight changes
- Boost energy levels and self esteem
- Connect with other cancer survivors

PARTICIPATION CONDITIONS

This program is recommended for individuals who have recently finished cancer treatment or any survivor looking to regain their health and well-being. Enrollment will be handled on a case-by-case basis.

- Personally meet with the Senior Program Director
- Commits to attending 2 classes per week
- Inform your physician that you are joining
- Receives medical clearance if currently undergoing treatment

CLASS DAYS & TIMES

Classes begin Tuesday, September 10. All classes will be held at the Pav YMCA on Tuesdays, Thursdays, and Saturdays. Please contact our Senior Program Director, Raj Waller for more information on the next cohort and to register.

COST

The cost of the 12-week program is \$120. Some participants may qualify to participate in this program at either a discounted rate or cost free. For more information on how to qualify for a stipend, please contact our Senior Program Director. During the program, survivors and immediate family (or support) receive a three month complimentary Pav YMCA membership at no cost. At the conclusion of the 12 week program, the participants can continue their membership at a discounted monthly rate.

ABOUT OUR SWIM LESSONS

Swim lessons are 30 minutes in length. There is a 15 minute grace period between lessons to give instructors time to clean and prepare for the next lesson. Participants are initially divided into groups by age and will be moved either up or down in level if the instructor determines that their skill level exceeds or does not meet the requirements of the class. If they are enrolled in the wrong class, accommodations will be made to place them in the class that meets their skill level. Swimmers will remain in the class of their skill level until the instructor has successfully passed them on to the next level. All swim instructors are nationally certified through an accreditation approved by Y-USA standards. A parent or guardian over the age of 18 must be in the pool with all "Swim Starters" participants. Please inform the instructor of any current health conditions, mental health conditions, or behavioral concerns requiring medical attention, treatment, or special consideration while in the care of the Pav YMCA. This will allow the instructor to prepare in advance and ensure a safe environment for all participants.

SWIM LESSON POLICIES

- > Registration remains open for all time slots throughout the first week of the session. Classes will close the second week of the session. The front desk can assist you in finding an available class that fits your needs.
- > Classes are formed based on skill and age. We reserve the right to combine skill and age as needed. The Aquatics Director or Coordinator may move your child to another level as they see fit.
- > If the Pav YMCA cancels lessons due to pool contamination, weather, or other acts of God beyond staff control, we will issue a partial credit for the day.
- > We cannot guarantee a specific instructor for a class. We recommend private lessons if your child would learn best with a specific instructor.
- > Please review all of our refund, credit and general class policies on page 5.

SWIM STARTERS (6MO-3YRS)

Accompanied by a parent or guardian (18+), infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while adults learn about water safety, drowning prevention, and the importance of supervision.

SOCIAL RESPONSIBILITY

VOLUNTEER, DONATE, ADVOCATE

As a nonprofit, the Y is able to strengthen communities because of the dedicated youth, families and individuals who share our passion and make the Y part of their lives.

They give their time, resources and talents—every day and in hundreds of ways—because they know they can improve the lives of others while enhancing their own through the Y.

With your help, the Y can continue to expand programming and outreach where it is needed most. Please consider volunteering your time, making a contribution, or sharing your story of the Y's impact. Stop in or visit our website for the volunteer form or to make a donation.

MILITARY OUTREACH

The Pav YMCA is visited by active duty military personnel every month. Use of the Pav YMCA is made available, free of charge, to anyone on active duty in the U.S. Armed Services. Facility admission is as simple as completing a membership form and providing proof of current service with valid identification. This is our way of supporting the health and well-being of our troops here at home. Thank you for your service!

AREAS OF IMPACT

YOUTH DEVELOPMENT

The Y nurtures the potential of every child and teen by supporting their unique youth development journey through holistic programming. From cradle to career, the Y provides all youth with the tools and resources they need to succeed in life.

HEALTHY LIVING

The Y aims to improve the nation's health and well-being by providing programs and activities that promote wellness, reduce risk for disease and help others reclaim their health. These programs and everything else the Y does are in service of making us—our Y's and our communities—better. The result is a country that values health and communities that support healthy choices.

SOCIAL RESPONSIBILITY

We know that when we work together, we move individuals, families and communities forward. The Y responds to society's most pressing needs by developing innovative, community-based solutions to help those in need to reach their full potential. We are also committed to inspiring a spirit of service by uniting individuals from all walks of life to participate in and work for positive social change.

INTERESTED IN VOLUNTEERING WITH US?

Imagine volunteering where you know what you do each day positively influences the lives of people and communities.

As the nation's leading nonprofit organization committed to strengthening communities, the Y offers more than just a volunteer opportunity. At the Y, you can discover your passion while helping to solve some of the nation's most pressing social issues.

For more information or ways to volunteer, please contact Jamie Kucera at ext. 311 or jkucera@pavymca.org.

WAYS TO GIVE

VOLUNTEER

Giving a little bit of your time makes a tremendous impact, whether it be packing groceries for Senior Choice Market days twice a month, assisting with event setup, or being a mentor with Big Brothers Big Sisters of Metropolitan Chicago. We welcome volunteers of all ages and backgrounds. We can even help you add some skills to your resume or find meaningful service in retirement.

DONATE

As a nonprofit organization, we never turn away anyone who needs us. Financial assistance keeps the Y available for kids and families who need us most. We count on the generosity of our members and community to help people of all ages and from all walks of life be more healthy, confident, connected, and secure. Our hopes for the future are to expand health services, embrace technology, improve our facility and grow our financial assistance program. In this complex and ever-changing world we now live in, our vision and our goals need support more than ever.

PARTICIPATE

Participating in our events and fundraisers helps support your neighbors. By attending our fundraisers, family events, and more, you are showing support for the communities we serve. Showing up means showing you care.

SPONSOR

When you sponsor an event, you help us raise essential funds to benefit all who receive scholarships from our Annual Support Campaign. Sponsoring an event not only benefits our community members, it is a great opportunity to showcase your business or organization.

PARTNER

We are always looking for ways to make a bigger impact in the communities we serve through partnerships with fellow nonprofits and community organizations. Through current and past partnerships, we were able to make vital goods and services available at no cost to those in need. Our partnership with the Greater Chicago Food Depository provides free, nutritious foods and fresh produce to seniors twice a month, Big Brothers Big Sisters provides a mentorship program to youth, and Alivio Medical Center provided free vaccinations from the beginning of the pandemic through 2022.
