January 2025

Dear Friend of the Y,

In many places, the Y is known as a place to go swimming or work out, but it's much more than that—it's a place that changes lives.

LIVESTRONG at the YMCA is a research-based physical activity and well-being program designed in partnership with the **LIVESTRONG** Foundation® and the Y to help adult cancer survivors reclaim their total health. Participants of our **LIVESTRONG** at the YMCA restorative health program work with Pav YMCA staff trained in supportive cancer care in a comfortable workout environment, with a final goal of assisting individuals in developing their own physical fitness program so they can continue to practice a healthy lifestyle, not only as part of their recovery, but as a way of life. By focusing on the whole person, **LIVESTRONG** at the YMCA is helping people move beyond cancer care in spirit, mind and body.

The Pav YMCA is thrilled to announce we are bringing back our annual **Strike Down Cancer Bowling Fundraiser, a community event that benefits LIVESTRONG at the YMCA on Friday, February 21, 2025 at Eden Lanes in Westchester, IL.** This signature event will feature bowling, pizza, raffles, an after hour social, and more. We invite you to join us and support our event to raise essential funds for our **LIVESTRONG** at the YMCA restorative health program.

An event sponsorship or raffle donation will help continue the important work the Y does. Your support will make a world of difference in helping people move beyond cancer care in spirit, mind and body.

100% of your donation will benefit the Pav YMCA's **LIVESTRONG** at the YMCA restorative health program.

If you have any questions about how you can support the Pav YMCA's Strike Down Cancer **LIVESTRONG** at the YMCA Bowling Fundraiser, please contact Raj Waller at rwaller@pavymca.org or 708.749.0606 ext 320.

Sincerely,

Jamie Kucera
