CLUB HISTORY

1995

On October 17, 1995, the New England Revolution was born. Behind the leadership of Investor/Operators Robert K. Kraft, Jonathan A. Kraft and the Kraft family, the Revolution was established as one of Major League Soccer's 10 original clubs with Foxboro Stadium as its home venue. U.S. internationals Alexi Lalas and Mike Burns - a Massachusetts native - were allocated to New England as the Revs' founding players.

1996

15-17 Overall

The Revolution began its inaugural campaign under head coach Frank Stapleton, fielding star players Burns, Lalas, Alberto Naveda, Wellon, and, later in the season, Joe-Max Moore. The Revs' first MLS game was a 3-2 loss at Tampa Bay Mutiny on April 13, 1996, but New England came back a week later to earn its first victory, a 1-0 win over the MetroStars. The following weekend, the Revs prevailed in their first game at Foxboro Stadium, defeating eventual MLS Cup champion D.C. United, 2-1, in a shootout. The Revs missed out on the 1996 MLS playoffs, although Foxboro Stadium was the site of the inaugural MLS Cup.

1997

15-17 Overall

MLS Cup Playoffs

Thomas Rongen replaced Stapleton, who resigned at the conclusion of the 1996 season, as head coach. Rongen led the Revolution to the club's first-ever berth in the MLS Cup Playoffs, where the team fell to defending MLS Cup champion D.C. United. New England also led the league in attendance, with 342,762 fans watching Revolution soccer in 1997. The team made some notable acquisitions during Rongen's first year, including goalkeeper Walter Zenga and forward Giuseppe Galderisi.

1998

11-21 Overall

In 1998, the team struggled throughout the club's third campaign as stalwarts Moore and Burns missed a substantial portion of the season with the U.S. National Team at the World Cup in France. The Revolution dropped nine straight games between May and early July. In August, Rongen and his staff resigned and Zenga, the Revs' goalkeeper, took over as player/coach. New England went 3-3 down the stretch. Off-season acquisition Raul Diaz Arce scored 18 goals to go along with eight assists, while Moore added seven goals and 15 assists.

1999

12-20 Overall

Prior to the season, the Revolution acquired former U.S. Men's National Team captain John Harkes, Giovanni Savarese and Dan Calichman to help boost the team's bid to return to the playoffs. Zenga continued as player/coach, and the team made several acquisitions in mid-season, including Mario Gori, Leonel Alvarez and Jeff Baicher, but the team was unable to come together and make a run into the postseason. For the second consecutive year, the Revs made a late-season coaching change as Zenga was relieved of his playing and coaching duties and replaced by Steve Nicol for the team's final two matches. For the second time in four years, Foxboro Stadium hosted MLS Cup.

2000

13-13-6 Overall

MLS Cup Playoffs

Before the start of the 2000 campaign, Sunil Gulati, a longtime executive with Major League Soccer and U.S. Soccer, was named Managing Director of Kraft Soccer, while Brian O'Donovan was appointed Chief Operating Officer and former U.S. National Team defender Fernando

Clavijo was named head coach. MLS also moved to three four-team divisions and eliminated shootouts to decide games. The Revs finished second in the Eastern Conference and earned the club's second-ever MLS Cup Playoffs berth on the last day of the regular season, finishing with the best record in club history. Wolde Harris scored 15 goals while Imad Baba added nine goals and eight assists and Ted Chronopoulos had five goals. The Revs advanced to the MLS Cup Playoffs, but lost to Chicago.

2001

7-14-6 Overall

U.S. Open Cup Final (Fullerton, Calif.)

Among the Revs' newcomers for 2001 were Jamaican midfielder Andy Williams, Caté, a Brazilian playmaker, and Jay Heaps - the 1999 MLS Rookie of the Year and Massachusetts product - who was acquired in a mid-season trade. The Revolution went winless in its first six games and despite several strong stretches during the season, the team failed to qualify for the MLS Cup Playoffs. In the 2001 U.S. Open Cup, however, the Revolution advanced to the championship game against the LA Galaxy. On Oct. 27, in Fullerton, Calif., the Revs took an early 1-0 lead into the second half, but LA leveled the game and Danny Callif scored two minutes into extra time to clinch the title for the Galaxy.

2002

12-14-2 Overall

MLS Cup Playoffs

MLS Cup 2002 (Foxborough, Mass.)

The Tampa Bay Mutiny and the Miami Fusion ceased operations in the off-season, and the Revs acquired Steve Ralston in the resulting Allocation Draft. New England also took Taylor Twellman with the second pick in the MLS SuperDraft and acquired goalkeeper Adin Brown. The Revs went 1-2-1 on their season-opening road trip, before defeating the Dallas Burn 2-0 on May 11 in the first event held at the newly-constructed, \$325 million Gillette Stadium. Twellman tallied twice in the win - two of his club single-season record 23 goals that season. Clavijo was fired on May 23, replaced on an interim basis by assistant coach Steve Nicol. The Revs went 5-0-1 down the stretch, clinching a playoff berth on the final day of the season. New England then defeated the Chicago Fire in the MLS Cup Quarterfinals, the club's first playoff series victory, before earning a series victory over Columbus in the Eastern Conference Championship to advance to MLS Cup 2002 at Gillette Stadium. An MLS Cup Playoffs record crowd of 61,316 saw the Revs lose to the Galaxy on a golden goal in the 113th minute. After earning MLS Coach of the Year, the Revs named Nicol head coach of the team on Nov. 6.

2003

12-9-9 Overall

MLS Cup Playoffs

Eastern Conference Final

Joe-Max Moore returned after a three-year stint with Everton in England, and the Revs also added key newcomers Pat Noonan, Shalrie Joseph and Matt Reis to the fold. The Revs struggled in the middle portion of the season, going two months without a win, and New England found itself mired in fifth place in early September. But the Revs went 6-0-1 to close the season and clinched second place in the Eastern Conference. Twellman (15 goals) was sidelined for the playoffs with a fractured left foot, and Noonan led the team to a victory over the MetroStars in the Eastern Conference Semifinals. In the Eastern Conference Final, the Revs missed the chance to return to MLS Cup when Chicago's Chris Armas scored the golden goal in the 11th minute of overtime. The Revs were the highest scoring team in MLS (55 goals) in the regular season.

2004

8-13-9 Overall

MLS Cup Playoffs

Eastern Conference Final

It was a roller coaster season, with the Revs earning a 1-4-2 mark through April and May before stringing together a seven-game midsum-

mer unbeaten run. Injuries to key players saw others like Andy Dorman and Matt Reis step up, but as September began, the Revs sal in last place. However, the Revs made another late-season push - going 3-2-0 down the stretch - and used a 2-1 home victory over Chicago on the last night of the season to clinch a playoff berth. New England defeated the Columbus Crew in the conference semifinals - helped by Reis' two penalty kick saves in Game Two of the series. The Revs then played D.C. in the Eastern Conference Final at RFK Stadium, a 3-3 thriller widely considered MLS' best match ever. New England lost to the eventual champions on penalty kicks after three times coming back from one-goal deficits, capped by Noonan's 85th minute equalizer. Also in 2004, Twellman scored his 42nd goal as a member of the Revolution to become the club's all-time leading goal scorer and Clint Dempsey earned MLS Rookie of the Year honors.

2005
17-7-8 Overall
MLS Cup Playoffs

MLS Cup 2005 (Frisco, Texas)
The Revolution had its best regular season in club history, setting team records for wins (17) and points (59). The Revs also set records with their six-game winning streak that was part of the club-record 11-game unbeaten streak to open the season. In the MLS Cup Conference Semifinals the Revs again came from behind to defeat the MetroStars on aggregate to advance to the team's fourth Eastern Conference Championship in a row, where the Revs downed Chicago, 1-0, at home on a fourth-minute Dempsey goal. In MLS Cup 2005, the Revs fell to LA, 1-0, in double overtime. Despite the championship game loss, the team accumulated many individual accolades, including Twellman claiming MLS MVP honors, Dempsey, Shalrie Joseph and Twellman earning spots on the league's Best XI squad, and unheralded first-year defender Michael Parkhurst winning Rookie of the Year accolades.

2006
12-8-12 Overall
MLS Cup Playoffs

MLS Cup 2006 (Frisco, Texas)
Although the Revs returned the majority of their roster from the record-setting 2005 squad, a rash of injuries and international call-ups limited the Revs' early-season success. Dempsey (U.S.) and Avery John (Trinidad & Tobago) were both named to their countries' World Cup squads and missed seven weeks of MLS action. Nicol used a different starting 11 almost every game to contend with his personnel shortages, but in what had become an annual ritual, the Revs assembled another late-season run, going 5-0-2 to close the schedule and surge into the playoffs. The Revs defeated Chicago in the Eastern Conference Semifinal series, coming back from a two-goal aggregate deficit at home in Game Two to earn the series victory in penalty kicks. Against D.C. in the Eastern Conference Championship, the Revs downed United, 1-0, for the conference crown behind Twellman's fourth-minute strike to advance to MLS Cup at Pizza Hut Park in Frisco, Texas, for the third time in club history. The Houston Dynamo, however, was crowned champion after winning on penalty kicks, 4-3, after the 1-1 stalemate following extra time, during which Twellman's 113th-minute go-ahead goal in extra time was negated by a Brian Ching tally just over a minute later.

2007
14-8-8 Overall
MLS Cup Playoffs

U.S. Open Cup Champion
MLS Cup 2007 (Washington, D.C.)
The Revs resumed their place at or near the top of the Eastern Conference standings, finishing second after another consistent season under Nicol, the longest-tenured coach in MLS. Midyear, the team won its first-ever cup championship, winning the Lamar Hunt U.S. Open Cup behind a 3-2 victory at FC Dallas on Oct. 3 as rookie Wells Thompson scored the game-winner in the second half. The team uncharacteristically entered the playoffs winless in their final three regular-season matches, but once again reached the MLS Cup championship match, defeating the New York Red Bulls in the Eastern Conference Semifinal Series (1-0 on aggregate) and Chicago, 1-0 in the Revs' record-setting sixth consec-

utive Eastern Conference Championship match. At MLS Cup 2007, New England and Houston played the first-ever rematch of the previous year's final, with the Dynamo repeating the 2006 result and taking a 2-1 victory at RFK Stadium in Washington. Twellman scored his league-leading third playoff goal in the first half, but Houston struck twice in the second to repeat as champions.

2008
12-11-7 Overall
MLS Cup Playoffs

SuperLiga Champion
The Revolution reached the postseason for the seventh consecutive year with a third-place finish in the Eastern Conference, but an up-and-down campaign ended with a first-round playoff exit. Despite early-season injuries to Twellman and Ralston, the Revs soared to the top of the MLS standings with a 10-4-3 record through 17 games. During a month-long break from the league schedule in July, New England became the first MLS team to win SuperLiga, a feat that was capped by a remarkable victory over the Houston Dynamo in a penalty shootout in the competition's final on Aug. 5. However, fixture congestion and a rash of injuries slowed the Revolution late in the season, as the club went 2-7-4 during the final 13 games and slipped from first to third in the conference. For the fourth consecutive year, New England met the rival Chicago Fire in the playoffs - this time in the Eastern Conference Semifinals - but for the first time in that stretch, the Fire eliminated the Revs. A 3-0 aggregate loss in the two-game series ended the Revolution's season and snapped the club's record of six straight appearances in the conference final.

2009
11-10-9 Overall
MLS Cup Playoffs

Once again, the Revolution reached the playoffs, pushing the league's longest active streak to eight straight seasons. With Twellman still out because of injury, the Revs recorded just two wins in the first nine games of the season. Twellman returned for two games, both of which the Revs won, but was shelved for the rest of the season. New England advanced to the semifinals of SuperLiga 2009, falling to the Fire in the semifinals, and came out of the tournament hot, going 5-1-1 in the next seven league games to move up the East standings at the end of August. Despite winning just three games the rest of the season, the team advanced to the postseason on the heels of a 1-0 win on the road at Supporters Shield winner Columbus in the final game of the regular-season. The Revs also extended their streak of meeting Chicago in the post-season, matching up against the Fire in the conference semifinals. After taking a 2-1 win at home in Game One, the Revs dropped a 2-0 decision on the road to bow out of the playoffs.

2010
9-16-5 Overall
SuperLiga runner-up

Shaped by retirements and ravaged by injuries for much of the 2010 season, the Revolution missed the MLS Cup Playoffs for the first time since 2001. Without key players like Jay Heaps (retired after 2009 season), Steve Ralston (left squad after 2009 season, returned mid-season and retired immediately), Matt Reis (offseason shoulder and knee surgeries), Taylor Twellman (concussion), Edgaras Jankauskas (series of injuries) and team captain Shalrie Joseph (series of strains, personal matters) for extended periods of time, New England registered just three wins in the 13 games leading up to the league's World Cup break in June. SuperLiga again proved to be a bright spot for the Revs, who advanced to the final but ultimately dropped a 2-1 decision to Mexican side Monarcas Morelia. Serbian forward Marko Perovic, who signed with the Revolution in late March, was joined in New England by countryman Ilija Stolica in late July. The pair left their mark on the latter part of the season, registering a goal and/or assist in five of the nine regular-season games following SuperLiga. Going 3-4-2 during that stretch, the Revs settled into sixth place in the Eastern Conference and failed to qualify for the postseason.

GILLETTE STADIUM

On May 11, 2002, Gillette Stadium opened its doors as the new home of the New England Revolution and has become one of the best home fields in all of Major League Soccer. With annual world-class soccer events staged at the facility, Gillette Stadium has also become the hub of soccer in the Northeast region.

Entering the 2011 season, the Revs have posted a 69-50-32 record (.563 winning percentage) in the confines of Gillette Stadium during the regular season, and a 9-1-4 postseason mark, including MLS Cup 2002 before 61,316 fans, an MLS Cup Playoffs attendance record.

The team's combined 76 victories in the regular season and post-season since the beginning of the 2002 season are tied for second in Major League Soccer. The Revs' nine home playoff wins are tied for the league lead with LA during that same time period.

On an international level, U.S. Soccer has enjoyed some of its greatest success on home turf at Gillette Stadium with the men's and women's national teams posting a combined 11-1-2 record at Gillette Stadium. On May 19, 2002, the U.S. Men's National Team played its final game on U.S. soil before the 2002 World Cup, facing European powerhouse, the Netherlands. On April 14, 2007, the U.S. women kicked off their final domestic tour before the 2007 Women's World Cup with a 5-0 victory over Mexico. Gillette Stadium has also hosted matches in the 2003, 2005, 2007 and 2009 CONCACAF Gold Cups with the U.S. men going undefeated (6-0-2) at the stadium in that span.

While the U.S. has seen great success in Foxborough - a 20-1-5 mark overall including matches at the former Foxboro Stadium - the facility has also hosted other world-class soccer events. On Sept. 12, 2007, the men's national teams of Brazil and Mexico played before a record crowd of 67,684 - the largest soccer crowd ever at the stadium and in New England. Other international powerhouses who have played at Gillette Stadium include Ireland and Bolivia.

Gillette Stadium has been the site of several memorable international club friendlies, including matches between European giants Barcelona and Juventus on Sunday, July 27, 2003; Chelsea and A.C. Milan on July 24, 2005, and most recently, A.C. Milan and Internazionale on July 26, 2009. Other international clubs that played at Gillette Stadium include Celtic FC, Sporting Lisbon, Benfica and Cruzeiro.

Gillette Stadium's predecessor - Foxboro Stadium - helped begin the tradition of world-class soccer in the region. Foxboro Stadium hosted 10 U.S. Men's National Team games, where the U.S. posted a 7-0-3 all-time record. The town of Foxborough, between Foxboro Stadium and Gillette Stadium, has also played host to men's and women's World Cup Qualifiers, 1994 FIFA World Cup matches, 1999 and 2003 FIFA Women's World Cup matches, international friendly matches and Women's Gold Cup games since 1991.

FieldTurf was laid at Gillette Stadium at the conclusion of the 2006 season. Ahead of the 2010 season, Gillette Stadium was fitted with FIFA 2-star rated FieldTurf Duraspine PRO, making it the first facility in North America to install the new system.

ROBERT K. KRAFT Investor/Operator

Robert Kraft is the Founder, Chairman and CEO of The Kraft Group, based in Foxborough, Mass. The Kraft Group is the holding company of the Kraft

family's many businesses, with interests concentrated in six areas: manufacturing of paper and packaging, international distribution of forest products, sports and entertainment, real estate development, private equity investing and philanthropy.

Kraft is widely recognized as one of the most successful owners in professional sports. As Investor/Operator of the New England Revolution (Major League Soccer) and Chairman and CEO of the New England Patriots (National Football League), Kraft has helped change the culture of professional sports in New England by delivering nine conference titles and three league championships in the past 15 years. In addition to building two championship-driven franchises, Kraft has committed the resources necessary to create a world-class sports and entertainment complex with the privately-financed construction of Gillette Stadium as well as the development of Patriot Place.

Kraft's long-standing support of soccer in the United States dates back to his efforts in the early 1990s to secure Foxborough as one of the nine host venues for the 1994 FIFA World Cup. The success of the 1994 World Cup ushered in a new era in New England sports and on June 6, 1995, the Kraft family became the founding Investor/Operator of the Revolution, joining Major League Soccer for its inaugural season in 1996. Since then, the Krafts have hosted the MLS Cup championship game in Foxborough three times, including the 2002 final between the Revolution and the Los Angeles Galaxy, which was played in front of the largest crowd in MLS Cup history (61,316).

The United States' Men's and Women's National soccer teams have also enjoyed tremendous support from the Kraft family and soccer fans throughout New England. Since 1990, Foxborough has hosted 29 international matches involving U.S. teams at Foxboro Stadium (1990-2001) and Gillette Stadium (2002-present). Those U.S. teams have enjoyed remarkable success in the games, compiling a combined record of 22-1-6. In addition to hosting games in the 1994 Men's World Cup, Foxborough was a host city for both the 1999 Women's World Cup and the 2003 Women's World Cup. In 1999, more than 50,000 fans watched the U.S. women defeat North Korea, 3-0, in the Women's World Cup.

Kraft is a lifelong New England sports fan who began attending Boston Patriots games during their infancy in the 1960s. When the franchise moved to Foxborough in 1971, he purchased season tickets for his family, an account he maintained for the next 23 years before purchasing the team in 1994.

The Kraft family has built the Patriots into one of professional sports' model organizations. Since purchasing the team in 1994, the Patriots have won more games (197),

including more playoff games (17), more conference championships (5) and more Super Bowls (3) than any other team in the NFL. The Patriots also own two records for the longest consecutive win streaks in NFL history with 21 straight victories (including playoff games) and 10 straight playoff wins. In the past decade, the Patriots have won more games (121) than any team during any 10-year period in NFL history.

Kraft began his business career with the Rand-Whitney Group, Inc. of Worcester, Mass., a company that converted paper into packaging for various industries. He later acquired the company. In 1972, he founded International Forest Products, a trader of paper commodities that now does business in more than 80 countries. Together, Rand-Whitney and International Forest Products comprise one of the largest privately-owned paper and packaging companies in the United States. The Kraft Group's holdings include the Rand-Whitney Group, Rand-Whitney Containerboard, International Forest Products, the New England Patriots, the New England Revolution, Gillette Stadium, Patriot Place and a portfolio of more than 30 private equity investments.

A native of Brookline, Mass., Kraft attended public schools before matriculating to Columbia on an academic scholarship. Upon graduation, he received a fellowship to Harvard Business School, where he earned a master's degree in business administration.

Kraft serves on the board of directors for Viacom. He is also on the executive committee of the Dana-Farber Cancer Institute, where he established the Robert K. Kraft Family Blood Donor Center. He is a trustee emeritus at Columbia and is a trustee of Boston College. He has also received honorary degrees from several colleges and universities. In 2006, Kraft was awarded the NCAA's highest honor when he received the Theodore Roosevelt Award, which is presented annually to a distinguished citizen of national reputation with outstanding accomplishments.

Over the past four decades, the Kraft family has been one of New England's most philanthropic families, donating tens of millions of dollars in support of local charities and civic affairs. The Krafts recently pledged \$20 million to Partners HealthCare to launch the Kraft Family National Center for Leadership and Training in Community Health, an initiative designed to improve access to quality healthcare at community health centers throughout New England. In Foxborough, a \$1 million donation by the Krafts helped fund the Kraft Family Center at the local branch of the YMCA, which was part of an expansion project that tripled the size of the center. The Kraft family also donated half a million dollars to the Greater Boston Food Bank to enhance the Kids Café program. Patriots Kids Cafés currently provide children with 160,000 nutritious meals per year.

JONATHAN A. KRAFT

Investor/Operator

Jonathan Kraft is the President of The Kraft Group, based in Foxborough, Mass. The Kraft Group is the holding company of the Kraft family's many business-

es, with interests concentrated in six areas: manufacturing of paper and packaging, international distribution of forest products, sports and entertainment, real estate development, private equity investing and philanthropy.

In its sports and entertainment division, The Kraft Group's holdings include the four-time conference champion New England Revolution and the three-time Super Bowl champion New England Patriots, as well as Gillette Stadium, the world-class venue that both franchises call home. Kraft oversees the operation of all three sports entities. As an Investor/Operator of the New England Revolution, Kraft has guided the organization from its infancy to its present position as one of the most successful and respected teams in Major League Soccer. In 1995, Kraft was involved in securing the Revolution as one of Major League Soccer's founding clubs and was principally responsible for bringing the MLS's inaugural championship game to New England in 1996. Since then, the Krafts have hosted two more MLS Cup championship games in Foxborough, including the 2002 final between the Revolution and the Los Angeles Galaxy, which was played in front of the largest crowd in MLS Cup history.

As the President of the Patriots, Kraft has been the day-to-day driving force behind the rebuilding and rebranding of the franchise since 1994, bringing long-overdue stability to the once wayward organization. It has been a remarkable transformation, as the Patriots have evolved from worst to first in many categories, both on and off the field. Over the past 17 seasons, the Patriots have won more Super Bowls (3), more overall games (197) and with more consistency (.661 winning percentage) than any other team in the NFL. The Patriots also set NFL records for the longest consecutive win streaks overall (21 games, including the playoffs) and in the postseason (10 games). In the past 10 seasons, the Patriots have won more games (121) than any other team in any 10-year period in NFL history.

In 1999, Kraft developed the creative private-financing strategy to gain approval for the construction of Gillette Stadium. Throughout the stadium initiative, no one was more involved in each phase of the project, including the planning, construction, opening and on-going operation and develop-

ment of Gillette Stadium. Kraft worked closely with stadium designers to create a world-class sports and entertainment facility that would highlight features indigenous to New England. His team delivered on the promise of a fan-friendly facility, on time and under budget.

Kraft and the project team also drew praise for innovative environmental practices. In June of 2001, the Environmental Business Council presented The Kraft Group with the Environmental Award for Corporate Leadership. In May of 2002, The Kraft Group received New England's Environmental Merit Award from the U.S. Environmental Protection Agency for the development and construction of Gillette Stadium.

On May 11, 2002, the Krafts opened Gillette Stadium, now known as one of the world's premier sports and entertainment facilities, with a match between the New England Revolution and the Dallas Burn. One week later, the U.S. Men's National Team made its first appearance at Gillette Stadium. On Oct. 20, 2002, MLS Cup returned to Foxborough for the third time in seven years, with the Revolution vying for the league's top honors in front of an MLS Cup record crowd of 61,316 fans.

A Williams College graduate, Kraft also earned an MBA from Harvard Business School. He is on the board of directors for several organizations, including the Children's Hospital Trust and Pop Warner Little Scholars, Inc. He is also currently serving as a member of the Overseers' Committee to Visit Harvard Business School and as a member of the board of trustees at Massachusetts General Hospital, Williams College and the Belmont Hill School.

Kraft is active in youth athletics, coaching Pop Warner football, youth soccer and Little League baseball in the greater Boston area. In 2006, he was the recipient of the Warner Award, named after Glenn S. "Pop" Warner. The award is presented annually and is considered Pop Warner's highest honor.

Kraft and his wife, Patti, have three children.

**STEVE
NICOL**
Head Coach

Now in his 10th season at the helm of the Revolution, Steve Nicol is the longest-tenured coach in Major League Soccer and is regarded as one of the top tacticians and evaluators of soccer talent in this country. His 107 career victories entering the 2011 season have eclipsed the combined win total (73) of the previous four head coaches in Revolution club history.

Nicol was named head coach of the team on Nov. 6, 2002, after serving as the interim head coach for the final 21 games of the 2002 regular season and the postseason. He has manned the Revolution's first team since that time and holds the MLS record for longest coaching tenure (nine seasons and counting) with a single club.

From 2002 through 2008, Nicol guided the club to the MLS Cup Playoffs in every season, including six consecutive Eastern Conference Championship games - an MLS record - between 2002 and 2007, and has four times led the team to MLS Cup (2002, 2005, 2006 & 2007). The Revs are one of just three MLS clubs to return to MLS Cup in back-to-back seasons. Nicol is the only coach in league history to bring the same team to the playoffs in eight consecutive seasons, and

the Revs' eight-year postseason run is the league's second longest in history.

Nicol's hiring marked yet another impressive accomplishment in the Scotland native's distinguished career. During his playing days, Nicol, 48, gained worldwide fame while playing for Liverpool FC in England's top division before moving on to play for Notts County, West Bromwich Albion, Sheffield Wednesday and Doncaster Rovers.

Nicol, who was born in Troon, Scotland, began his pro career at the age of 18 with Ayr United before being signed by Liverpool in 1981. At the time, his £300,000 transfer fee was the Ayr United club record.

While with Liverpool, Nicol made 467 appearances as a defender and midfielder and scored 46 goals. He was at the heart of a Liverpool side that won four English League Titles, three FA Cup Titles and the 1984 European Cup. In 1989, his importance to the team was honored when Britain's soccer writers named him Footballer of the Year. Between 1984 and 1992 Nicol appeared 27 times for the Scottish National Team, and started for his country at the 1986 World Cup in Mexico.

Nicol's coaching career began in 1995 when he was named player/manager at Notts County. Four years later, he arrived in New England as a player/assistant coach with the Boston Bulldogs. In September 1999, he joined the Revs as interim coach for the final two games of the season, both Revolution victories. He returned to the Bulldogs as a player/coach for the 2000 and 2001 seasons before re-joining the Revs as an assistant coach prior to the 2002 campaign.

Nicol was named the 2002 MLS Coach of the Year after leading the Revolution to MLS Cup, played before a record crowd at the new Gillette Stadium. In 2003 and 2004, he led the Revs to return trips to the conference final, falling in overtime and penalty kicks, respectively. He coached the Revs to his second MLS Cup final in 2005, after winning the Eastern Conference Championship with New England for a second time. Since 2005, Nicol has guided the Revs back to MLS Cup with two more Eastern Conference Championship titles and helped the team set the MLS record for consecutive appearances in the conference championship with six (2002-07).

Nicol was also honored for his coaching excellence in August 2005, when he was chosen to lead the MLS Select XI against Real Madrid at the Santiago Bernabeau Stadium. Nicol added to his coaching honors when he led the 2007 MLS All-Stars to a victory over Scottish giant Celtic FC in the 2007 Sierra Mist All-Star Game. In 2008, Nicol extended MLS' winning streak against foreign competition in the All-Star Game, when his all-star squad topped West Ham United, 3-2.

Nicol holds a USSF "A" coaching license. In addition to his coaching duties, Nicol is also a guest analyst for ESPN International and ESPN's weekly "Press Pass" show.

Nicol resides in the western suburbs of Boston with his wife, Eleanor. The couple has two adult children, Michael and Katy, and one grandson, Patrick.

snapped the Revs' 269-minute scoreless streak. Added a pair of assists in the 4-0 win against New York (June 7), setting up Jay Heaps' game-winning goal and Taylor Twellman's 100th-career goal. The games at LA (July 4) and against Kansas City (July 11) capped a five-game spell he missed - including three SuperLiga group play matches (June 21, June 24 and June 28) - with a bone bruise in his right knee, the same injury that required him to withdraw from the MLS All-Star Game later in the summer. Returned to the lineup on July 19 against Chivas USA, assisting on Kheli Dube's game-winning goal. Established a new career high with his sixth assist on Edgaras Jankauskas' game-tying goal against Toronto (Aug. 1). Played every minute of the Eastern Conference Semifinal Series against Chicago, serving primarily as a central midfielder but also seeing time at forward. Scored the game-winning goal in the 75th minute of the Game 1 victory, battling through a crowd of defenders and finishing from close range for his first career postseason goal.

2008: Started 27 regular-season matches, playing primarily as a defensive midfielder but also seeing limited action as a withdrawn forward and attacking midfielder. Recorded one goal and one assist. Collected his only assist of the 2008 season on Kheli Dube's game-winning goal in the sixth minute against San Jose (May 17). Had his penalty-kick attempt at Columbus (May 24) saved by William Hesmer, but Dube scored on the rebound. Missed his first match of the season on June 12 at Houston while with the Grenada National Team. Returned unexpectedly from international duty to start in the Revolution's 1-1 draw with New York (June 18) before departing for Costa Rica to meet up with Grenada for the second leg of its World Cup Qualifying series. Was red-carded in the 74th minute of the Aug. 9 match against Chicago and served a mandatory one-game suspension at San Jose (Aug. 16). Served as the team's captain in Steve Ralston's absence on Aug. 30 against LA and scored his only goal of the season, tying the game in the 71st minute as the teams drew, 2-2. Started in the defensive midfield at Kansas City (Oct. 11), but was pushed into a more attacking role after Ralston left the game with an injury in the 17th minute. Started all five SuperLiga matches, scoring three goals to tie for first in the competition. All three of his goals were headers off set pieces served by Steve Ralston. Recorded the game-tying strike at Chivas USA (July 20), and scored the only goal in the semifinal win over Atlanta (July 30). In the final against Houston (Aug. 5), scored the game-tying goal in the 102nd minute and notched the team's second PK in penalty kicks of the 6-5 shootout victory. Started and captained the team in the U.S. Open Cup semifinals at D.C. United (Aug. 12). Started both matches in the CONCACAF Champions League qualifying round against Joe Public FC, and in the away leg in Trinidad, drew a penalty kick which Mauricio Castro converted for the Revs' lone goal in the series. Started both matches against Chicago in the Eastern Conference Semifinal Series of the MLS Cup Playoffs. Captained the team for the final four games of the year after Steve Ralston suffered a broken leg at Kansas City (Oct. 11).

2007: An MLS Best XI selection at season's end. Was an MLS All-Star "First XI" honoree and started against Celtic FC at Dick's Sporting Goods Park in July. Started all 27 games in which he played during the regular season, missing two games with injuries and one with a red-card suspension. Scored four goals on the season: three penalty kicks (April 14 vs. TFC, May 26 vs. KC and July 22 vs. HOU) and the game-winner at Houston on May 19. 2006: An MLS All-Star "First XI" selection, but was unable to play in the league's all-star match against EPL champion Chelsea FC because of the Revs' rescheduled game at Chivas USA. Notched two goals on May 6 in the Revs' 4-0 victory over Los Angeles at Gillette Stadium. Missed the final five games of the regular season after undergoing surgery to repair torn ligaments and nerves in his right hand, but returned to start the three postseason games for which he was available. Played all 120 minutes of MLS Cup 2006, converting his shot in the game-deciding penalty kicks.

2005: Elected to the league Best XI and All-Star teams and voted Revolution Most Valuable Player by the New England soccer media. Considered by most observers to have been the MLS Select team's best player in the Trofeo Santiago Bernabeu match at Real Madrid on August 23. Added six goals to his usual tough-tackling, accurate-passing brand of play. Recorded his first-career two-goal game against the MetroStars at Giants Stadium on Sept. 17, also adding an assist in that game.

2004: In his sophomore season in MLS, Joseph staked a claim to being the premier contention midfielder in the league. Started and played in 23 regular season matches and all three Revs playoffs games, registering three regular-season assists. Missed two games in June to play in World Cup qualifying with Grenada. Also missed action because of a broken nose (two games) and a hip flexor/quadriceps injury (three games). Accumulated just four regular season yellow cards despite playing an aggressive style, a testament to his good timing and tackling technique. Was a 2004 Sierra Mist MLS All-Star.

One week later he made his first start in Dallas and was a fixture in Steve Nicol's startling lineup from that point on, missing just one game. YOUTH TEAM OVERVIEW

In April 2008, the New England Revolution announced the formation of its fully-funded youth development program, the only fully-funded youth training and development program in New England.

Now in its third year, the Revs field Under-16 and Under-18 teams which compete in the Northeast Division of the prestigious U.S. Soccer Development Academy, and the annual SUM (Soccer United Marketing) U17 Cup, held in conjunction with the MLS All-Star Game.

The U.S. Soccer Development Academy includes the top youth programs from around the country, as well as 13 other MLS clubs' youth development teams.

In an effort to afford the region's players the opportunity to train and compete at an elite level, the Revolution's youth development program is fully-funded by the club. Qualified and talented players are accepted on the teams without regard to their financial situation. All player needs and expenses related to soccer activities - training, facilities, equipment, uniforms, travel associated with competitions - are provided by the Revolution.

The Revolution's technical staff, under the direction of Vice President of Player Personnel Michael Burns, oversees all instruction and development of the teams' players. Bryan Scales, the Revs' Director of Youth Development, runs the program with the assistance of his staff.

Under Major League's Soccer's Home Grown Player initiative, league clubs are able to sign stand-out youth players to the first team without them being exposed in the annual SuperDraft. In November 2010, Diego Fagundez became the team's first-ever Home Grown signing.

Through the structure of MLS' youth development program, players' amateur status is preserved and they do not jeopardize their collegiate eligibility by playing for the Revs' youth teams. Beginning in 2011, youth players are able to play alongside first-team players in the MLS Reserve Division, gaining valuable experience at the highest levels without jeopardizing their college eligibility.

U.S. SOCCER DEVELOPMENT ACADEMY

DEVELOPING THE NEXT GENERATION

The U.S. Soccer Development Academy program is driven by the game and its players, coaches and referees. This game-centric approach allows for long-term development to occur through a deep understanding of what makes players successful around the world. As the sport of soccer grows in the United States, young players in our country need the proper environment to compete against the world's elite.

The U.S. Soccer Development Academy program provides the optimum developmental environment for the nation's top youth soccer players, coaches and referees by emphasizing development through quality training and limited, meaningful competition.

Youth National Teams, and 17 were a part of the U.S. rosters for the 2009 FIFA U-17 and U-20 World Cups. Several Academy players have attracted interest and signed with professional clubs both domestically and abroad. Virtually all college programs use the Academy program as a scouting vehicle and the program has received increased attention from professional scouts representing domestic and international clubs. Visit ussoccer.com to view the top Academy teams in action.

MEANINGFUL TRAINING

Academy teams spend a greater amount of time focused on training to improve as individuals and as a team. The teams and players receive direct feedback and evaluations from national team staff and ProZone video analysis. To round-out the complete training environment, Academy teams are tested in their physical capabilities using the SPARQ testing methodology and their hydration levels by Gatorade. They also receive a SPARQ training curriculum for soccer-specific fitness training and nutrition and hydration recommendations from Gatorade's Sports Science Institute. Each athlete then gains a greater understanding of how they compare physically against their peers and what they need to do to achieve their optimal performance levels.

COMPETITIVE ENVIRONMENT

The Academy program features teams from the top youth clubs from around the country. Each Academy team plays approximately 30 regular-season games to ensure all games are meaningful. Games are also played according to FIFA's Laws of the Game and officiated by a pool of the nation's top young referees in order to prepare players for the next level of competition. U.S. Soccer national team scouts regularly attend Academy games, so players are evaluated over the course of the season and in their natural positions allowing for better player assessment.

EARLY SUCCESS

As the program enters its fourth year, it has already dramatically impacted the player development process in the United States. Since inception, more than 300 players from Academy clubs have been included in U.S.

SUM UNDER-17 CUP

Every season, Major League Soccer hosts an annual youth development tournament for for age-eligible players in its league clubs: the SUM U-17 Cup.

The 2010 tournament, held in Houston in conjunction with the 2010 MLS All-Star Game, featured clubs from every MLS team for the first time in tournament history.

The tournament showcases the talent in the U17 development squads, and has been a launching platform of sorts for current MLS players Tristan Bowen (Chivas USA), Andy Najar (D.C. United), Bill Hamid (D.C.), Juan Agudelo (New York) and Bryan Leyva (FC Dallas).

The tournament begins with group play, and the top teams from each group advance to the single-game knockout stages.

BRYAN SCALES

**DIRECTOR OF YOUTH
DEVELOPMENT &
HEAD COACH UNDER-16s**

Bryan Scales, who was promoted to Director of Youth Development in November, enters his second season with the New England Revolution. In addition to directing the team's youth development program, Scales also serves as the head coach of the Under-16 squad.

Scales oversees the day-to-day management of both the Revolution's Under-16 and Under-18 teams, which recently completed their second seasons in U.S. Soccer's Development Academy and in which both teams advanced to the playoffs for the first time in program history. He will also oversee the youth development program and will work with the Revolution's technical staff to create and implement the youth teams' coaching curriculum and training systems.

Scales, the former head men's soccer coach at UMass-Lowell, is coming off the 2009-10 season in which he led the squad to the Northeast Division title this year and its first-ever appearance in the U.S. Soccer Development Academy playoffs, where they lost a tie-breaker to advance to the national finals. For his efforts, Scales was named the Eastern Conference coach of the year by U.S. Soccer following the season, while 21-goal scorer Diego Fagundez was named to the national U15/16 Development Academy Starting XI, and was signed by the Revolution as the team's first-ever Home Grown Player.

Scales came to the Revolution full-time after stepping down from his post at UMass-Lowell, which he held for two seasons. The Medway, Mass., native came to Lowell from Cornell, where he spent a total of 15 years - four years as an assistant coach (1994-98), followed by a successful 11-year run as head coach (1998-2008). In 2001, Scales was a finalist for national coach of the year honors after leading the Big Red to a No. 22 ranking in the polls and winning the New York region's coach of the year.

Before moving to Cornell, Scales spent two years as an assistant at Harvard (1992-94) and one season as an assistant at Plattsburgh State (1991-92) after a stellar playing career at Hartwick College.

Scales is also an assistant coach with the U.S. Boys (Under-15) National Team.

Scales holds Premier, Advanced National and National Diplomas from the NSCAA.

A 1991 graduate of Hartwick, Scales was a two-year starter in the midfield and defense and helped the Hawks to the 1987 and 1989 NCAA tournaments. A four-year letter winner, Scales received his bachelor's degree in political science.

Scales and his wife, Mindy, have three children: Aiden (10), Ciara (8) and Jack (6) and live in Nashua, N.H.

MLS PLAYER RULES AND REGULATIONS

I. MLS ROSTER COMPOSITION

A Major League Soccer club's first team roster is comprised of up to 30 players. All 30 players are eligible for selection to each 18-player game-day squad during the regular season and playoffs.

Salary & Budget

- o Players occupying roster spots 1-20 count against the club's 2011 salary budget of \$2,675,000, and are referred to collectively as the club's Salary Budget Players.
 - Roster spots 19 and 20 are not required to be filled, and teams may spread their salary budget across only 18 Salary Budget Players. A minimum salary budget charge will be imputed against a team's salary budget for each unfilled senior roster slot below 18.
 - The maximum budget charge for a single player is \$335,000.*
 - A Designated Player counts \$335,000 against the club's salary budget, unless the player joins his club in the middle of the season, in which case his budget charge will be \$167,500.

NOTE: See section entitled Allocation Money below, under Player Acquisition Mechanisms, for details on buying down a player's budget charge.
- o Players occupying roster spots 21-30 do not count against the club's salary budget, and are referred to collectively as the club's Off-Budget Players (maximum of 10 per team).
 - All Generation adidas players are Off-Budget players.
- o Players occupying roster spots 1-24 will earn at least \$42,000 in 2011.
- o Players occupying roster spots 25-30 will earn at least \$32,600 in 2011.
 - Clubs may elect to leave up to two of these roster spots (25-30) vacant and use \$35,000 for each empty spot as allocation money.
 - Clubs may sign up to two Home Grown Players to Generation adidas contracts.

Age Designations

- o Any player making \$32,600 must be under the age 25 (does not turn 25 or older in 2011).

Domestic/International

- o In 2011, a total of 144 international slots are divided among the 18 clubs. Each club began with eight international slots, which are tradable. There is no limit on the number of international slots on each club's roster.
 - The remaining roster slots must belong to domestic players. For clubs based in the United States, a domestic player is either a U.S. citizen, a permanent resident (green card holder) or the holder of other special status (e.g., refugee or asylum status).
- o The two MLS clubs based in Canada – Toronto FC and Vancouver Whitecaps FC – began with eight international slots, but their domestic slots may be filled with either Canadian or U.S. domestic players.
 - MLS clubs based in Canada are required to have a minimum of three Canadian domestic players on their rosters.
 - Players with the legal right to work in Canada are considered Canadian domestic players (i.e., Canadian citizen, permanent resident, part of a protected class).

NOTE: The terms Home Grown and Generation adidas are used to describe mechanisms by which players are acquired. They are not roster designations. All players' roster slots are determined by their compensation and/or age as outlined above.

II. PLAYER ACQUISITION MECHANISMS

MLS teams may acquire players and add them to their rosters via the following mechanisms:

(A) ALLOCATION RANKING

The allocation ranking is the mechanism used to determine which MLS club has first priority to acquire a U.S. National Team player who signs with MLS after playing abroad, or a former MLS player who returns to the League after having gone to a club abroad for a transfer fee. The allocation rankings may also be used in the event two or more clubs file a request for the same player on the same day. The allocations will be ranked in reverse order of finish for the 2010 season, taking playoff performance into account.

Once the club uses its allocation ranking to acquire a player, it drops to the bottom of the list. A ranking can be traded, provided that part of the compensation received in return is another club's ranking. At all times, each club is assigned one ranking. The rankings reset at the end of each MLS League season.

Allocation Money

Allocation money is a resource available to clubs in addition to their respective salary budgets.

A club may receive allocation money for:

- (1) failure to qualify for the MLS Cup Playoffs;
- (2) the transfer of a player to a club outside of MLS for value;
- (3) expansion status;
- (4) qualification for the CONCACAF Champions League;

Each year the MLS Competition Committee determines the allocation amount to be made available to each club. Allocation money can

be traded by clubs. Allocation money does not count against a club's salary budget and can be used:

- To sign players new to MLS (that is, a player who did not play in MLS during the previous season).
- To re-sign an existing MLS player, subject to League approval.
- To "buy-down" a player's salary budget charge below the League maximum of \$335,000.
- In connection with the exercise of an option to purchase a player's rights or the extension of a player's contract for the second year provided the player was new to MLS in the immediately prior year.

NOTE: To protect the interests of MLS and its clubs during discussions with prospective players or clubs in other leagues, amounts of allocation money held by each club will not be shared publicly. (Similarly, most clubs in other countries do not announce the amount of money they plan to spend during a given transfer window.)

(B) DESIGNATED PLAYER

The Designated Player Rule allows clubs to acquire up to three players whose salaries exceed their budget charges, with the club bearing financial responsibility for the amount of compensation above each player's budget charge. Designated Player slots may be used to acquire players new to MLS or to retain current MLS players, subject to League approval.

In 2011, a Designated Player's salary budget charge will be \$335,000, unless the player joins his club in the middle of the season, in which case his budget charge will be \$167,500.

Each club has two Designated Player slots, and clubs are allowed to "purchase" a third Designated Player slot for a one-time fee of \$250,000 that will be dispersed in the form of allocation money to all clubs that do not have three Designated Players.

Designated Player slots are not tradable.

Clubs have the option of "buying down" the budget charge of a Designated Player with allocation money. The reduced charge may not be less than \$150,000.

(C) SUPERDRAFT

The 2011 MLS SuperDraft, held Jan. 13 in Baltimore, Md., consisted of three rounds of 18 picks for a total of 54 player selections. A supplemental draft was held Jan. 18 via teleconference and consisted of three rounds.

The majority of draft prospects are NCAA college seniors who have exhausted their college eligibility. Generation adidas players and non-collegiate international players are also eligible for selection in the SuperDraft and supplemental draft. Clubs may nominate players for the League's draft-eligible list, and only players from that list may be selected.

Generation adidas is a joint program between MLS and adidas that is dedicated to developing exceptional domestic talent in a professional environment. Each year, a handful of top domestic underclassmen and youth national team players are signed to the league and placed in the SuperDraft through this program. Generation adidas players also receive an educational stipend.

Draft Order: Through the Expansion Priority Draft, Vancouver Whitecaps FC earned the first selection in the 2011 MLS SuperDraft while the Portland Timbers selected second. The next six selections went to clubs that did not qualify for the 2010 MLS Cup Playoffs beginning with the club with fewest regular season points (3 points per win, one point per tie). The remaining eight positions were ranked by fewest regular season points among the teams that were eliminated in the same round of the MLS Cup Playoffs.

Unless claimed on waivers, a player who was drafted by a particular team through the SuperDraft or supplemental draft and did not sign with the League, is placed on that team's "College Protected List" until the second December 31 following the draft in question, after which the team loses the rights to the player.

(D) TRADES

Players, SuperDraft and supplemental draft picks, allocation money, allocation rankings, and international player slots may all be exchanged in trades approved by the MLS League Office, provided all of the necessary rules regarding roster and salary budget compliance are met and the trade is completed during a valid trading period. No trades may occur after the Roster Freeze Deadline of September 15, 2011 at 5 p.m. ET.

(E) DISCOVERY SIGNINGS

Clubs may make discovery claims on players not yet under MLS contract who are not subject to the allocation ranking or lottery mechanisms.

Each club has the opportunity to make six discovery signings per season (expansion teams may make 10 discovery signings in their inaugural season). A club may have up to 10 discovery claims on unsigned players at any time and may remove or add players at any time. The last day for discovery player signings is September 15, 2011 – coinciding with the roster freeze date and trade deadline.

The six discovery signings can be used to fill senior roster spots only. If multiple clubs claim the same player using a discovery, the club that filed the claim first will have first rights to the player. Discovery claims expire following each season. If the League and player are unable to reach an agreement during the season, the club that first filed the discovery retains the right of first refusal in the event the player is later signed by the League.

NOTE: To protect interests of MLS clubs in scouting and negotiations with prospective players, the League office will not publicize the names of players on club discovery lists, nor specify if a discovery claim has been filed on a particular player.

(F) HOME GROWN PLAYER SIGNINGS

A club may sign a player to his first professional contract without subjecting him to the MLS SuperDraft if the player has trained for at least one year in the club's youth development program and has met League criteria. Players joining MLS through this mechanism are known as Home Grown Players.

There is no limit to the number of Home Grown Players a club may sign in a given year.

(G) RE-ENTRY PROCESS

The 2011 Re-Entry Process will commence after MLS Cup. The priority order for the Re-Entry Draft is reverse order of finish in 2011, taking into account playoff performance.

Available to all teams in Stage 1 of the Re-Entry draft will be:

1. Players who are at least 23 years old and have a minimum of three years experience in MLS whose options were not exercised by their clubs (available at option salary for 2012)
2. Players who are at least 25 years old with a minimum of four years of MLS experience who are out of contract and whose club does not wish to re-sign them at their previous salary (available for at least their 2011 salary).
3. Players who are at least 30 years old with a minimum of eight years of MLS experience who are out of contract and whose club does not wish to re-sign them (available for at least 105% of their 2011 salary).

Players who are not selected in Stage 1 of the Re-Entry Draft will be made available in Stage 2. Clubs selecting players in Stage 2 will negotiate a new salary with the player.

Players who remain unselected after Stage 2 will be available to any MLS club on a first come, first serve basis.

(H) WAIVERS

A team may place a player on waivers at any time during the regular season at which point he is made available to all other teams. The waiver claiming period shall commence on the first business day after the League delivers notice to teams and shall expire at 5 p.m. EST on the second business day after the Waiver Period Commencement Date. The claiming period is 48 hours.

The Waiver Draft order is determined via points per game once all teams have played at least three MLS League games. If the waiver takes place prior to all teams playing in at least three League games, priority shall be granted based upon the prior year's performance, taking playoff performance first, with teams eliminated from playoff contention at the same stage separated according to their point totals through the end of the regular season. New expansion teams shall be at the bottom of the waiver order.

Once a team selects a player off waivers, that club is automatically moved to the bottom of the priority list for subsequent waiver selections in a given season, regardless of its points-per-game total. Players who may be placed on the MLS waiver wire are as follows:

- (i) A player waived by an MLS team in the current season;
- (ii) A player who completed his college eligibility within the past season, who was not made available in the SuperDraft or supplemental draft;
- (iii) A player who has remaining college eligibility (and was not made available in the SuperDraft or supplemental draft), but the League at its discretion and after taking into account exceptional circumstances determines the player may be offered an MLS contract;
- (iv) A player who has played in MLS previously where his last MLS team does not wish to exercise their right of first refusal, except in the case of returning U.S. National Team players as stated above.
- (v) A player who was drafted in the SuperDraft or supplemental draft, and who after a trial with the club is not offered a contract by the first Monday of June.

(I) LOTTERY

Some players shall be assigned to MLS teams via the weighted Lottery process. Any team assigned a player through the lottery in any particular season shall not be assigned another lottery player that season unless and until all teams have received a lottery player or have agreed to waive their option to participate in a Lottery. The players made available through lotteries include:

- (i) Generation adidas players signed after the MLS SuperDraft;
- (ii) Draft eligible players to whom an MLS contract was offered but who failed to sign with the League prior to the Draft.

The weighted lottery takes into consideration each team's performance over its last 30 regular season games and the most recent postseason. The team with the worst record over its last 30 regular season games (dating back to previous season if necessary and taking playoff performance into account) will have the greatest probability of winning the lottery. Teams are not required to participate in a lottery. Players are assigned via the lottery system in order to prevent a player from potentially influencing his destination club with a strategic holdout.

(J) EXTREME HARDSHIP CALL-UPS

Teams may add players to their roster in cases of "extreme hardship" as follows: (1) a club with three goalkeepers on its 30-man roster, but has less than two available goalkeepers or (2) a team has less than 15 available players. Extreme hardship call-ups are made on a game-by-game basis.

(K) SEASON-ENDING INJURY REPLACEMENTS

A team with a player lost to a season-ending injury can replace that player on its roster, while remaining responsible for the full amount of the injured player's salary. A player can be placed on the season-ending injury list once another player has been signed as a replacement (provided the team has budget space). International player limits still apply at the time a season-ending replacement is made (with the player being replaced not counting against those limits).

(L) SHORT-TERM INJURY REPLACEMENTS

A team with a player who has a short-term injury can replace that player on its roster, while remaining responsible for the full amount of the injured player's salary. A player can be placed on the short-term injured reserve list once another player has been signed as a replacement (provided the team has budget space). Note that the injured player will have to sit out a minimum of six MLS League matches before he can rejoin the team's roster. International player limits still apply at the time a short-term replacement is made (with the player being replaced not counting against those limits).

NOTE: No changes may be made to a team's active full roster during the period beginning on September 16, 2011 (day after Roster Freeze Date) through the day after MLS Cup. Nevertheless, a team may obtain players in accordance with the extreme hardship rules and procedures to replace players who are injured or otherwise legitimately unavailable after the Roster Freeze Date. Any other replacements after the Roster Freeze Date may only be made in exceptional circumstances in the League's sole and absolute discretion.

(III.) METHODS OF RELEASING PLAYERS

(A) WAIVERS

Teams may waive players based on performance at any time during the MLS season. Players with guaranteed contracts will continue to have their salary budget charge applied to the team salary budget, subject to any settlement. Players on semi-guaranteed contracts can be waived prior to July 1 of any year and free up the corresponding budget space. If a player on a semi-guaranteed contract is waived after July 1, his salary budget charge will count against the team's salary budget and the team waiving the player will not receive a replacement except under the normal player acquisition mechanisms. Any settlement amount will be charged to the team's salary budget.

(B) TRANSFERS AND LOANS

An MLS player may be transferred or loaned at any time to a team outside the League (subject to that team's Federation's transfer window), subject to the consent of the player.

The registration windows – the dates between which MLS may request the transfer certificate of a player under contract in another country – are as follows:

- January 21 – April 15 (Primary Window)
- July 15 – August 14 (Secondary Window)

(C) CONTRACT EXPIRATION

When a player's contract expires, the player does not count against the roster or budget of the team in question. Subject to the Re-Entry Draft rules, a team retains the rights to the player indefinitely following the expiration of a contract only if attempts were made to re-sign the player.

(D) BUYOUT OF GUARANTEED CONTRACT

Teams may have the ability to buyout one guaranteed player as follows:

- A Team may buy out one (1) guaranteed player (including a DP's) contract during the off-season and free up the corresponding budget space. Such a buyout is at the particular MLS Team's own expense.
- A Team may not free up budget space with a buyout of a player's salary budget charge during the season. Such a buyout will be conducted by the League and count on a Club's budget in a manner consistent with current MLS guidelines.

(IV.) RIGHT OF FIRST REFUSAL

Right of first refusal grants one MLS club the first opportunity to add a player to its roster in the event that the player signs with MLS. Holding a right of first refusal applies only within MLS and does not indicate holding of the player's International Transfer Certificate.

OUT OF CONTRACT PLAYERS / OPTIONS NOT PICKED UP: Subject to the Re-Entry Draft rules, a team retains the right of first refusal to the player indefinitely only if attempts were made to re-sign the player.

DRAFTED BUT NOT SIGNED: A player who was drafted by a particular team through the SuperDraft or supplemental draft and did not sign, or who as of the first Monday in June is not offered a contract after a trial and clears waivers, is placed on that team's "College Protected List" until the second December 31 immediately following the draft in question, after which the team loses the rights to sign the player.

PLAYER TRANSFERRED OUTSIDE MLS: If a team receives allocation money as a result of a player's transfer, the team does not retain a right of first refusal.

MEDIA INFORMATION

2011 MEDIA POLICIES AND PROCEDURES

The New England Revolution is pleased to assist you in your coverage of the team. As an organization, Kraft Sports Group - the New England Patriots and New England Revolution - has specific media policies of which you should be aware as you prepare to cover the team.

PROFESSIONAL CONDUCT

All media who have been issued credentials - season, day-of-game or training - and who are granted access to the team, are expected to follow the guidelines set forth in this document, as well as the instructions of the Revolution staff, stadium employees and security, or risk limitation of access or revocation of credentials.

Media access is issued with the purpose of providing access to interviews and written, audio and visual accounts of the team, as appropriate. No member of the media should use this access for autographs, personal photographs or commercial requests.

At all times, those granted media access must abide by the conditions set forth on the back of their MLS or Revolution credentials.

MEDIA SERVICES

Press Releases: Requests to be added to the Revolution's media distribution should be emailed to media@revolutionssoccer.net.

Media Guides: Digital media guides will be made available to regular and national media in 2011. A full PDF version of the media guide will be available on revolutionssoccer.net, and all statistical and biographical information will also be continually updated on revolutionssoccer.net.

Official Web Site: revolutionssoccer.net is the official web site of the New England Revolution. All content posted on the site by the team may be republished in its entirety by media outlets, with credit cited as "New England Revolution." Note that user-generated content, including user comments, photos and videos, MAY NOT be republished without explicit permission.

Video: Media are welcome to embed videos that appear on revolutionssoccer.net.

Roll & Interviews: With sufficient notice, the Revolution Communications staff will usually be able to provide footage and interviews by request. To request b-roll or pre-taped interviews, please e-mail media@revolutionssoccer.net to inquire about availability.

Twitter: twitter.com/NERevolution (username: @nevolution) is the official Twitter page of the New England Revolution and features breaking news and new content posted to revolutionssoccer.net. Media are welcome to re-tweet Revolution content, including play-by-play accounts, using the "RT @nevolution" or "via @nevolution" tags.

Head shots & Action Photos: The New England Revolution maintains updated headshots of all members of the active roster, including coaches and staff, and has a growing archive that includes players from the last five seasons and most higher-profile players from the team's history. The team also has a growing archive of action shots of the same groups of personnel, which is available for use by members of the media with proper photo credit.

MEDIA ATTENDING TRAINING SESSIONS

In general, training sessions throughout the season are open to the media. In your coverage of daily sessions, we ask for your cooperation in observing the following practice policies:

1. Please do not report on match strategy deployed at training. This includes describing specific formations, personnel groupings, set pieces and combinations.
2. Please do not quote, paraphrase or report the comments made by coaches, staff or players during a training session.

GENERAL SECURITY POLICIES

Because of security procedures in place at Gillette Stadium, any member of the media who wishes to attend a training session at the stadium's practice fields or on the main stadium field must inform the Revolution Communications staff before the close of business the day before you wish to come. We cannot guarantee admittance to the stadium grounds if we are not aware that you are planning to come to training.

CHECKING IN AT GILLETTE STADIUM

All members of the media who attend any Revolution training session at Gillette Stadium must check in at **Security Command**, located at the south end of the stadium (through the doors under the red awning), unless otherwise indicated. All members of the media who have RSVP'd with the Revs Communications staff will be on a list at the check-in window. Please have proper forms of ID available, which can include MLS and/or Revolution season credentials.

GAMEDAY CREDENTIALS

Media members who are not issued season credentials must apply for gameday credentials to the Revolution Communications staff no later than 5 p.m. on Thursdays for Saturday and Sunday matches and 5 p.m. on Mondays for Wednesday and Thursday matches. All requests will be reviewed and media will be notified if they have been approved for credentials no later than 24 hours before kickoff. Parking passes will also be sent at that time.

MEDIA WILL CALL

Media Will Call is located at the south end of the stadium at Security Command (through the doors under the red awning). This is for **press and photo credentials only**.

MEDIA PARKING

For the majority of the season, all media are to park in Lot 6 for both training and games unless otherwise directed. To enter the stadium, please use the North Entrance (P1) off Rt. 1 and stop at the security gatehouse at the entrance to Gillette Stadium. You will be directed to the proper lot from there. Parking passes are needed for games.

PLAYER AND STAFF INTERVIEWS

All interviews for Revolution players, coaches, executives and staff must be coordinated through the Communications office.

Training: Unless weather conditions preclude it, all player and staff interviews will be conducted on the practice fields at the conclusion of the training session. Generally, head coach Steve Nicol will be available first, followed by the players after they have completed their cool down.

Any interview requests that will require additional time with a player or coach should be made well in advance so that we can make the appropriate arrangements.

Gamedays: Per MLS policy, teams are to be made available to media up to 60 minutes before advertised kick off of an MLS regular-season match. Players, however, can decline interviews at this time. Any violations of this policy for home or road teams should be reported to MLS Communications.

Following the final whistle of the game, teams will be afforded a 15-minute cooling off period in their locker rooms. Following that time, Steve Nicol will conduct a press conference in the production studio, and the team's locker room will be opened to the media. (Please note that the Revs' locker room will not be opened before the press conference begins.) Visiting teams may have different postgame policies so media is advised to check with visiting team PR officials for their protocols.

STILL PHOTOGRAPHERS

Training: Still photographers are allowed to shoot each practice in its entirety. All photographers must remain off the playing field and should stay behind the sideline and end line markings of the field.

In some instances - such as practice on set pieces, corner kicks and penalty kicks - a member of the Revolution Communications staff will ask all TV photographers to stop shooting for a brief time period.

Gamedays: All still photographers must wear the photo bib that was issued to them at media will call. Failure to wear the bib while out on the field could result in dismissal from the stadium.

Photographers should set up in the Media Work Room, located at the north end of the stadium service tunnel. A light meal and beverages will be provided in this room before the game. During Patriots Training Camp (late July- mid-August), all photographers must set up in the Blue Level Press Box and no photographers will be allowed in the Media Work Room.

GAMEDAY PHOTOGRAPHER REGULATIONS

Only photographers who are shooting for an accredited media outlet or wire service will be credentialled for games. Freelance photographers will not be credentialled. Photographers will be escorted to midfield prior to the game in order to shoot starting lineups and team photos. At the conclusion of those opportunities, all photographers must adhere to the following MLS-issued photographer guidelines:

1. General photographers are allowed to shoot the game from the end line only.
2. No photographer is allowed to shoot directly behind the goal, and must be off to either side of the goal stanchions.
3. Photographers must remain at one end of the field for the duration of the half, and are only allowed to switch ends at halftime.
4. No one with a PHOTO credential is allowed in the technical (bench) area at any time, including warm-ups.

VIDEO PHOTOGRAPHERS

Video cameras will be allowed to shoot training in its entirety, following the same rules above for Still Photographers.

At games, local ENG and news crews are allowed to shoot the first 15 minutes of each half. At the 15:00 and 60:00 marks of the game, all video cameras must be turned off.

FILING AT THE STADIUM ON NON-GAMEDAYS

If you need to work and file from Gillette Stadium on a non-gameday, please inform a member of the Communications staff in advance of your arrival so the appropriate arrangements can be made. We cannot guarantee available space if we do not know ahead of time.

TELEVISION AND RADIO

TELEVISION

In March 2010, the Revolution announced that the team had formed partnership with Comcast SportsNet, making the regional sports network the official home of the Revolution. Additionally, every regionally-produced Revs match is broadcast in high definition (HD).

The relationship continues the Revolution's proud tradition of having every MLS match televised during the course of the club's 16-season history.

In addition to the Revs' matches on CSN, a selection of Revs games will be televised on national broadcast partners **ESPN2** and **Fox Soccer Channel**, in addition to Spanish language broadcast partner **Univision** (which also includes the **Galavision** and **Teletutura** networks).

This season, Kraft Sports Productions will again produce every regionally-televised Revolution match. KSP is headed by Executive Producer Matt Smith and Senior Coordinating Producer Dave Mondillo. Supervising Producer Brad Feldman heads each show's production, with Shaw Brown and Jim Daddona returning as the primary producers. In addition to Daddona's directorial work when he's not producing, Bob Fratrotoli and Shawn Jensen will also share directorial duties.

RADIO

The Revolution is also committed to the best in live game radio coverage. For the second season, the Revolution have partnered with 98.5 The Sports Hub, which is the primary carrier for Revs radio.

98.5 The Sports Hub is an exciting, fastpaced FM Sports radio station with a distinct rock edge to it. In less than two years, 98.5 The Sports Hub has changed the entire Boston radio landscape. It's the perfect place to hear all of the Rev's play-by-play action!

All 34 Revolution regular-season games will again be broadcast on radio and on the web. Jason Dvorkin and Kevin Collins produce all Revolution radio and webcasting content, including weekly programming, "In the Net," on revolutionsoccer.net.

ANNOUNCERS

Veteran announcer **Brad Feldman** is now in his 11th season with the Revolution, having called more than 300 matches involving the club. This season marks his seventh as the primary play-by-play announcer for the team's telecasts.

Feldman's resume includes play-by-play commentary for top European competitions on ESPN International and Setanta Sports and announcing MLS, USL and college matches on Fox Soccer Channel. He began his MLS broadcasting career as a sideline reporter on Kansas City Wizards telecasts in 1999. Feldman is a frequent guest on New England and national radio and TV talk programs on the subject of soccer and he hosts the weekly online radio show/podcast, "In the Net" on revolutionsoccer.net.

Color Analyst **Jay Heaps** enters his second season in the broadcast booth after stepping away from the professional game following the 2009 season. Heaps closed his playing career after setting Revolution club records in games, starts and minutes in his eight-and-a-half year Revolution career. Heaps retired ranked third on MLS' career leaders in minutes (27,363), fourth in starts (299) and eighth in appearances (314). The 1999 MLS Rookie of the Year was originally drafted second overall in the 1999 MLS College Draft by the Miami Fusion, and was traded to his hometown Revolution in 2001.

An 11-year MLS veteran, Heaps was honored for his consistently stellar efforts with a call-up to the U.S. National Team in the summer of 2009, where he earned four caps in helping the U.S. earn a runner-up finish at the CONCACAF Gold Cup. At the conclusion of the MLS season, he was also voted Revolution Defender of the Year, marking the first such time he was honored in New England.

Veteran soccer announcer Brad Feldman (left) returns for his 11th season with the Revolution as the club's play-by-play voice, while Jay Heaps (right) enters his second campaign in the booth as the color analyst after an 11-year MLS career.
