CHAIRMAN OF THE BOARD

LAWRENCE M. (LARRY) TANENBAUM, O.C.

**CHAIRMAN OF THE BOARD
MAPLE LEAF SPORTS & ENTERTAINMENT
MLS GOVERNOR, TORONTO FC**

Larry Tanenbaum was appointed Chairman of Maple Leaf Sports & Entertainment in July 2003. He also serves as a Governor of the NBA for the Toronto Raptors, of the NHL for the Toronto Maple Leafs and of Major League Soccer for Toronto FC. He is a Member of the Board and Executive Committee of the Hockey Hall of Fame in Toronto, Ontario.

Mr. Tanenbaum was the primary force in bringing an NBA franchise to Toronto. In the early 1990's, Tanenbaum attempted to move established NBA clubs to Toronto and then, as head of the Palestra Group, he initiated the expansion process that introduced the NBA to Canada. Although he was unsuccessful in being awarded the initial expansion franchise, Tanenbaum established himself in NBA circles and the city as a legitimate contender for an NBA team.

In 1996, Mr. Tanenbaum acquired an interest in the Toronto Maple Leafs of the National Hockey League and Maple Leaf Gardens, Limited (now Maple Leaf Sports & Entertainment). With MLG's purchase of the Raptors and Air Canada Centre in February 1998, Tanenbaum fulfilled his goal of NBA and NHL ownership in Toronto under the same group.

Mr. Tanenbaum was reappointed to the Advisory/Finance Committee - the senior most committee of the NBA Board of Governors which considers and makes recommendations to the Board concerning a wide range of financial and league business matters.

Mr. Tanenbaum is Chairman and Chief Executive Officer of Kilmer Van Nostrand Co. Limited (Kilmer). Under his direction, Kilmer developed into a multi-faceted civil engineering and construction company whose operating divisions covered road building and paving, ready-mix concrete, aggregates, heavy construction, trucking and pipe manufacturing. Kilmer's road building, paving and aggregates operations were conducted through Kilmer's wholly owned subsidiary, The Warren Paving & Materials Group Limited. Mr. Tanenbaum served as Chairman of Warren, which, until its merger with Lafarge North America, was Canada's largest asphalt paving and aggregate company. In December 2000 Warren was merged into Lafarge North America Inc., North America's largest diversified construction materials company and supplier of cement, aggregates and concrete, and other materials for residential, commercial, institutional and public works construction in the United States and Canada. As a result of this merger, Kilmer became a significant shareholder in Lafarge, and Mr. Tanenbaum served on the Board and chaired its Finance Committee until the 2006 buyout by its parent company, Lafarge SA of France.

Today, Kilmer's roots in construction are expressed through innovative real estate development and leading edge public private partnership (P3). Its Kilmer Brownfield Equity Fund reclaims contaminated land in the urban context, through sophisticated risk management and optimizing for highest and best use. Its Kilmer Developments is currently managing three P3's: The Quickload

CEF in Prince Rupert, B.C.; the 23 Ontario Highway Service Centre locations under the ONroute banner, in partnership with HMS Host and Canadian Tire; and the design, finance and construction of the 2015 Pan Am Games Athletes' Village, in partnership with Dundee.

Kilmer also has significant investments in various sports-related entities, including Insight Sports Ltd, which is a leading sports media company involved in the creation, production and broadcasting, on all platforms, of sports and related lifestyle content. Insight Sports holds equity positions in Canadian specialty television services including The NHL Network and owns and/or operates the World Fishing Network (WFN) and Game TV.

In addition, Mr. Tanenbaum serves as Chairman of Kilmer Capital Partners, a private equity investment fund, which provides equity capital to small to mid-market companies, and is dedicated to building leading companies in partnership with management. Kilmer Capital's portfolio includes Altasciences Inc., Coalition, Atelka, English Bay Batter Inc. and Compact Power.

Mr. Tanenbaum served as National Revenue Chair of the Liberal Party of Canada during Prime Minister Paul Martin's term of office. He currently serves as a member of the Ontario Investment and Trade Advisory Council, the Advisory Council, Toronto Board of Trade and recently served as a member of the Toronto Prosperity Initiative. He has also served on the Independent Fiscal Review Panel of the City of Toronto and the Mayor's Economic Competitiveness Advisory Committee of the City of Toronto.

Mr. Tanenbaum's involvement in Community Associations includes the following: Vice-Chairman, Board of Directors, Mount Sinai Hospital - a tertiary care teaching hospital associated with the University of Toronto; Co-Chairman of the Research Board for the Lunenfeld-Tanenbaum Research Institute; Member, Board of Directors, Brain Canada; Member, University Council, Cornell University; Member, Advisory Board, Baycrest Centre for Geriatric Care; Member of the Advisory Board, Montreal Neurological Institute; Member, Dean's Advisory Council, Schulich School of Business, York University; Founding Board Member, Right to Play; Founding Member, Centre for Israel and Jewish Affairs; and Co-Chair, Tomorrow Campaign (UJA).

In recognition of his contributions in the areas of business, philanthropy, and volunteerism, Mr. Tanenbaum was appointed an Officer of the Order of Canada on October 25, 2007. The Order of Canada is the centrepiece of Canada's honors system and represents its highest civilian award.

In June, 2012 Mr. Tanenbaum was awarded an honorary degree of Doctor of Laws by the University of Toronto. He was inducted into the Ontario Road Builders' Hall of Fame in February, 2013.

Mr. Tanenbaum has a Bachelor of Science degree in Economics from Cornell University (1968).

PRESIDENT AND CHIEF EXECUTIVE OFFICER

MICHAEL FRIISDAHL

**PRESIDENT & CEO
MAPLE LEAF SPORTS & ENTERTAINMENT**

Michael Friisdahl was appointed President and Chief Executive Officer of Maple Leaf Sports & Entertainment (MLSE) in October, 2015. MLSE is one of the world's premier sports and entertainment companies as owners of the Toronto Maple Leafs (NHL), Toronto Raptors (NBA), Toronto FC (MLS), Toronto Marlies (AHL), Raptors 905 (NBA D-league) and Toronto FC II (United Soccer League).

MLSE owns and operates Air Canada Centre, a top venue in North America that has hosted more than 36 million fans over 2,500 events since its opening in 1999, and has also invested in four of Toronto's sports facilities – Ricoh Coliseum, home of the Marlies; BMO Field, home of Toronto FC; Lamport Stadium; and the MasterCard Centre for Hockey Excellence, the practice facility for the Maple Leafs and Marlies. MLSE operates and manages events at Ricoh Coliseum and BMO Field.

In 2016, MLSE and its venues will play host to some of the world's preminent events including the first-ever NBA All Star Weekend to be played outside the United States in February, the World Cup of Hockey in September, the 2016 Grey Cup to be played at BMO Field in November and the 2017 World Juniors Hockey Championship (with Montreal's Bell Centre), in addition to the re-opening of BMO Field in May after the completion of a \$130 million renovation and the opening of the Biosteel Centre in February, a new \$50 million training facility for the Toronto Raptors.

Friisdahl previously served as President and Chief Executive Officer of Air Canada's Leisure Group since it was formed in 2012, combining Air Canada Vacations tour operations with Air Canada rouge, the company's successful leisure airline. With Friisdahl at the helm, Air Canada rouge saw significant growth and has been an important contributor to Air Canada's very successful transformation.

Since the launch of Air Canada rouge with just 4 aircraft serving 13 destinations, the airline has grown to include a total of 34 planes and offers competitively priced travel to more than 75 routes in Europe, Mexico, the U.S., the Caribbean, Asia, South America and Canada.

Air Canada rouge, through a partnership with the Disney Institute, built a unique culture focused on customer engagement, along with applying next-generation communications technology to create an engaging and customer friendly experience. Air Canada rouge was one of the first airlines in North America to offer streaming inflight entertainment to its customers' own devices.

Friisdahl brings an extensive background in customer service, marketing and sales management, finance, mergers and acquisitions, and business integration to his role at MLSE. Prior to joining the Air Canada executive team, Friisdahl was CEO of Thomas Cook North America and a member of the international Group Executive Board of Thomas Cook Group plc. He was previously Chief Operating Officer of Thomas Cook Canada and later North America. Entering the industry as an entrepreneur in the mid-1980s, Friisdahl successfully built a travel wholesale business that merged to create The Holiday Network and become Canada's leading independent wholesaler, specializing in independent travel packages. As a partner and President and CEO of The Holiday Network, he continued to grow the business until its acquisition by Thomas Cook Group plc (formerly MyTravel plc), which led to his move into the corporate and international spheres.

PRESIDENT

BILL MANNING

PRESIDENT, TORONTO FC

Bill Manning was named President of Toronto FC on October 12, 2015.

Manning joins Toronto FC after spending the previous eight seasons as president of both Real Salt Lake (RSL) and Rio Tinto Stadium. During his time with RSL, Manning transformed the club into a winner, leading the organization to a 2009 MLS Cup championship, as well as a model franchise off the pitch where both season tickets and sponsorships more than tripled. The club also won the Eastern Conference title (2009), Western Conference title (2013) and were MLS Cup runners-up (2013) and CONCACAF Champions League runners-up (2011). Manning was the recipient of the Major League Soccer Doug Hamilton Executive of the Year award in both 2012 and 2014. In addition, he helped establish, open and sold naming rights to Rio Tinto Stadium, home to Real Salt Lake.

Manning brings a wealth of sports management experience to Toronto FC from his twenty-two year career in executive positions in the National Football League with the Philadelphia Eagles, the National Basketball Association's Houston Rockets and Real Salt Lake of MLS.

A native of Massapequa, New York, Manning was a nationally-recognized collegiate soccer player at the University of Bridgeport where, as a sophomore, he helped the Purple Knights to a NCAA quarterfinal berth, and as a senior in 1986 he led his team to a final four appearance while earning first-team All-America honors. Manning continued his playing career after college and won a U.S. Open Cup with the Brooklyn Italians in 1991, and played professionally in the United Soccer League (USL) with the Penn-Jersey Spirit (1991), Valley Golden Eagles (1993) and New York Fever (1994-95). Manning also holds a U.S. Soccer National "A" Coaching License.

Manning began his career in sports management with the Continental Indoor Soccer League during its inaugural season in 1993. After his last season with the Fever, he went on to leadership roles in the United Soccer League with the Long Island Rough Riders and then the Minnesota Thunder where he was named USL Executive of the Year in 1999 following their championship season. Manning got his start in MLS in 2000 with the Tampa Bay Mutiny as President and General Manager and was named 2000 MLS Executive of the Year by the Washington Post.

Manning received his Bachelor of Science degree (1987) and Masters in Business Administration (1989) from the University of Bridgeport in Connecticut where he was inducted into the school's Hall of Fame in 2006.

Manning and his wife, Jennifer, reside in Toronto with their sons John and Will.

GENERAL MANAGER

TIM BEZBATCHENKO

GENERAL MANAGER, TORONTO FC

Tim Bezbatchenko was named general manager of Toronto FC on September 20, 2013 after having spent three years at the Major League Soccer (MLS) as Senior Director of Player Relations and Competition.

Since joining Toronto FC, Bezbatchenko has been instrumental in making changes to a club who had never made the playoffs in its 7 year history prior to his arrival. His work focused on changes to the roster and creating a new vision for Toronto FC: to be a leader in player development, a leading edge organization in innovative practices and to be internationally recognized as a consistent contender for championships in North America. The changes have led to Toronto FC having its two best seasons in club history, including its first ever MLS playoffs birth.

In 2014, with a number of key acquisitions made through signings and trades, Bezbatchenko was a central figure in acquiring three Designated Players such as England international Jermain Defoe, American international Michael Bradley and Brazilian striker Gilberto. The club finished with the winningest season in club history at the time.

The 2015 season saw Bezbatchenko make additional roster changes to build on the core group of players established in 2014, including the addition of two Designated Players (Italian international Sebastian Giovinco and U.S. international Jozy Altidore). Bezbatchenko also added French midfielder Benoît Cheyrou and MLS talents such as Herculez Gomez, Robbie Findley, Josh Williams, Marky Delgado and Eriq Zavaleta through various trades and MLS drafts. As a result, the club was able to clinch a playoff berth for first time in club history and broke many club records along the way: total points in a season (49), total wins in a season (15), total goals in a season (58), home wins in a season (11), total home goals in a season (34) and recorded four consecutive wins for first time in club history.

The hallmark signing in Bezbatchenko's tenure as general manager has been Sebastian Giovinco. In his first season with Toronto FC and in MLS, Sebastian Giovinco broke multiple MLS and club records. He also captured numerous awards that included the 2015 Landon Donovan MLS Most Valuable Player, the 2015 Newcomer of the Year award, being named to the 2015 MLS Best XI and the 2015 Golden Boot as the league's top goal scorer.

On the player development side, Bezbatchenko was instrumental in securing a second professional team in the United Soccer League (USL) called Toronto FC II and hired Laurent Guyot from the French Football Federation (FFF) as Academy Director. Toronto FC II has helped create a clear developmental path from the Academy through to the First Team and gives TFC Academy players meaningful professional minutes.

Prior to joining Toronto FC, Bezbatchenko spent three years as the Senior Director of Player Relations and Competition with MLS located in New York City. In that role, he was responsible for negotiating and drafting player contracts, as well as finalizing loan and transfer agreements for the import and export of players to and from MLS. In addition he oversaw all MLS rosters, the MLS player pool, and team salary budgets. He was also responsible for youth and player development initiatives for the league, including the home-grown player signing process. Bezbatchenko also helped the Player Department manage the relationship between the Players Union and interpretation of the league's collective bargaining agreement (CBA). He also served as a liaison with the US Soccer Federation and the Canadian Soccer Association. During the 2013 season MLS announced a partnership with the FFF to create an educational course for MLS Academy Directors that was managed by Bezbatchenko.

Prior to joining MLS, Bezbatchenko served as an attorney for Shearman & Sterling LLP, in New York City, where he worked in their Mergers & Acquisitions group. He graduated with honours from the University of Richmond with a B.A. in Economics and Leadership Studies in 2004 and later from the University of Cincinnati College of Law in 2008.

Bezbatchenko played college soccer for the Richmond Spiders of the University of Richmond and was named two-time Academic All American and the Atlantic 10 Conference first team. A native of Westerville, Ohio, he played two professional seasons as a midfielder for the Pittsburgh Riverhounds, and won the USL Pro League Atlantic Division Championship in 2004 with a record of 17-2-1. Tim and his wife Annie live in Toronto with their children Jack and Sarah.

HEAD COACH

GREG VANNEY

HEAD COACH, TORONTO FC

Greg Vanney was named the ninth head coach in club history on August 31, 2014.

Vanney, 41, became the first head coach in club history to lead Toronto FC into the playoffs after doing so in 2015. Toronto FC set a number of MLS club records under Vanney in 2015 including: most wins (15), most points (49), most goals scored (58), home wins (11) and goals scored at home (34). Heading into the 2016 season, Vanney also has the most wins by a head coach during league play in Toronto FC history (17). He was originally hired on December 11, 2013 and served as the club's assistant general manager and academy director before taking over as head coach.

Prior to joining Toronto FC, Vanney held titles of director of soccer operations and director of Real Salt Lake-Arizona Youth Academy at Grande Sports World. It was there that he oversaw program and business development at the Grande Sports World facility. Vanney, Grande Sports World, and Real Salt Lake were responsible for creation of the first MLS Residential Academy in the United States, which began play in the Fall of 2010. Vanney also held a dual role at Chivas USA from 2011-2012 as assistant coach under Robin Fraser and technical director of the youth academy.

Vanney played professionally for 13 years, starting with the LA Galaxy in 1996. During his time with the Galaxy, Vanney helped lead the club to three MLS Cup championship finals, one Supporter's Shield, a US Open Cup Championship and a CONCACAF Champions Cup title. He was named to the MLS Best XI in 2000 and 2001. Following the 2001 season, Vanney transferred to SC Bastia, of France's Ligue 1, where he remained until 2005 helping the club reach the Coup de France Final in 2002. He rejoined MLS, signing with FC Dallas and spent two seasons with the Hoops; where he earned two All-Star selections, captaining the 2005 team to a 4-0 victory over Fulham. Vanney was traded to the Colorado Rapids in January 2007, and then to D.C. United later that same season. Vanney rejoined the LA Galaxy in February 2008 and retired at the conclusion of the season. During his playing career, Vanney earned 36 caps and scored one goal for the United States Men's National team. Vanney was added to the U.S. 2002 FIFA World Cup preliminary squad, but missed the tournament due to injury. He was also part of the U.S. side that won the 2005 CONCACAF Gold Cup.

Vanney holds a USSF "A" Coaching Licence.

LAST CLUB: JUVENTUS HOW ACQUIRED: SIGNED WITH TORONTO FC ON JANUARY 19, 2015.
PRONUNCIATION: "SE-BAS-TI-AN JOE-VIN-KO"

Giovinco enters his second season with Toronto FC after the club signed the Italian international forward as a Designated Player on January 19, 2015. Giovinco had a record setting first season with Toronto FC and in Major League Soccer. He was named the 2015 Landon Donovan MLS Most Valuable Player becoming the first player in club history to win the award, along with the 2015 Newcomer of the Year award and being named to the 2015 MLS Best XI. Giovinco finished with 22 goals and 16 assists to win the 2015 Audi Golden Boot award as the league's top goal scorer. He became the first player in MLS history to record at least 20 goals and 10 assists in a single season. Prior to joining Toronto FC, Giovinco spent six seasons at Juventus, where he made a combined 131 appearances, scoring 20 goals with 23 assists across Italian Serie A, UEFA Champions League, UEFA Europa League, Coppa Italia, and Supercoppa Italiana play. Giovinco began his career in the Juventus youth system where he was touted as a top prospect alongside midfielder Claudio Marchisio. In 2005-06, Giovinco was part of the club's Campionato Primavera winning side. That same year the club reached the final of the Viareggio Tournament, one of the biggest youth

football tournaments in the world. Giovinco made his professional debut for Juventus while the club was in Serie B on May 12, 2007 against Bologna; where he topped off his debut with an assist in a 3-1 win for Juventus. In July 2007, Giovinco was sent on loan to Italian side, Empoli F.C. (Empoli). With Empoli, he scored his first goal in Serie A on September 30, 2007 in a 3-1 victory over Palermo. At the conclusion of the season Empoli was relegated and Giovinco returned to Juventus, where he would remain for two more seasons (2008-09 and 2009-10). He scored his first goal for Juventus on December 7, 2008 from a free kick against Lecce in a 2-1 victory. Giovinco was again sent on loan to Italian side, Parma F.C. (Parma) in August 2010. Parma held an option to purchase 50% of his contract at the end of the loan agreement. Giovinco's impressive form for Parma saw him earn his first call to the Italian national team. After his first season at Parma, the club exercised the option to purchase half of his contract; he would remain at Parma for the 2011-12 season. That season Giovinco finished as the club's leader in goals (15) and assists (11) in Serie A play. In two seasons at Parma, Giovinco made a combined 70 appearances, scoring 23 goals, and added 22 assists.

In June 2012, Juventus purchased the 50% of Giovinco's contract back from Parma, returning him to Turin for the 2012-13 season. In his first season back at Juventus, Giovinco played a key role in the club's progression to the knock-out stages of the UEFA Champions League for the first time since 2008-09. Giovinco scored his first UEFA Champions League goal against FC Nordsjaelland during the group stage, which Juventus won 4-0. To date, Giovinco earned his first cap for the Italian national team on February 9, 2011 in a friendly match against Germany. Giovinco was part of Italy's

KIA TRAINING GROUND AND ACADEMY

In April 2011, Toronto FC unveiled plans to develop a state-of-the-art facility and soccer program that will look to develop the next generation of Canadian players through coaching, training, technology, equipment and support. The plans came to fruition and Kia Training Ground and Kia Toronto FC Academy opened its doors.

Located on 14-acres of land at Downsview Park, Kia Training Ground represents a \$21 million investment made by Toronto FC and Maple Leaf Sports & Entertainment in the future of Canadian soccer. After benchmarking some of the top soccer

practice facilities in Europe, United Kingdom and North America, Kia Training Ground includes four full-size grass fields (two heated), four artificial fields, including two with air-supported bubbles for year-round use, and a 40,000 square foot field house that will have locker rooms, training facilities and team offices. There is also a physiotherapy and rehabilitation area, private and cafeteria style dining and a video presentation theatre.

Accessible by public transportation and close to the major arteries, Downsview Park's existing sports venues and amenities complement Kia Training Ground and Academy. It already houses one of the biggest soccer facilities in the country with eight existing indoor and outdoor fields.

The completion of Kia Training Ground and Academy completes the club's sport and development vision to grow the game in Canada and provide Canadian players a world-class facility that will allow the next generation of professional soccer players to hone their skills.

Launched in 2008, the Academy Program's goal is to provide the most talented, committed and dedicated soccer players in the country an opportunity to receive advanced coaching instruction within the Academy structure and program. Currently there are over 200 players enrolled in the Kia Toronto FC Academy. Current Toronto FC players who have graduated from the Academy include: Ashtone Morgan, Quillan Roberts, Jordan Hamilton, Chris Mannella and Jay Chapman.

A photograph showing the lower legs and feet of several soccer players standing on a green grass field. They are wearing red shorts and red socks with a white logo. The players are wearing various colored cleats, including yellow, green, and white. The scene is lit with bright sunlight, creating long shadows on the grass.

If we could script this, we'd win the Cup.
But it would have to be a great story.

One that draws people in
and pulls us closer together.

The way these players,
our team,
and this game touches lives.

There'd be setbacks, of course.
Obstacles.
Close calls and tough lessons.

And, in the end, we'd win.

But there's no script.

Just determination.

The love of the game.

Yearning for victory.

Hard work and the strength of
character that can get us there.

So eyes up, and cleats down.

EXPANSION AND UPGRADES

Late 2014 saw the start of a two-phase expansion of BMO Field. The two-year process will see the stadium receive a major upgrade that will provide Toronto FC and its fans one of the top stadiums in Major League Soccer, while also giving the seven-year old facility the ability to host additional events outside of soccer.

Phase Two of BMO Field's \$120 million expansion will see some exciting changes in place for the 2016 campaign. Construction of the \$55 million second phase started late 2015 with the groundbreaking for the installation of the four massive super columns that will hold up the roof. Once completed, the canopy will cover all of the seats in the east, west and south stands.

With the addition of the canopy for the 2016 season, BMO Field will also be introducing a rigging system for tifo displays, similar to those in European stadiums, as well as new sound and lighting systems. Another notable change for Season 10 at BMO Field will be in the north end as the area has been renovated to increase configuration flexibility and the ability to host a wider range of events.

Phase One of the process, running from September, 2014 to May, 2015, saw BMO Field expanded to a seating capacity of 30,226 with 8,400 new seats in the East grandstands, additional washrooms and concession stands. It also included new suites, private clubs and the expansion of the Rogers Club as well as a new concourse on the second level connecting the stadium. The first phase of renovations featured a new larger HD video board to replace the existing video board in the North end. Plans for the renovated BMO Field include temporary seating for a total capacity of 40,000.

In 2010, BMO Field's 7,850-square meter playing field became the first major sports field in Canada to employ a SubAir System. The system acts like an underground vacuum to pull away excess water with a total of 34 kilometers of tubing lying beneath the pitch to heat the field. The new pitch and sub-pitch upgrades were part of the 2010 upgrade to BMO Field which also saw the addition of over 1,400 seats in the new North End Stand.

The connection to the downtown core is enhanced by Maple Leaf Square's direct underground link to public transit and the city's PATH system. Linked to Air Canada Centre by an enclosed glass bridge, Maple Leaf Square is home to Real Sports Bar & Grill, the Hotel Le Germain, a 48,000 square foot Longo's grocery store and eleven - fine dining destination. Modern, sophisticated and elegant, eleven embraces Toronto's energy in the heart of the sports and entertainment district. The large public area between Maple Leaf Square and Air Canada Centre (the 'square') creates a larger significant stage for fans to enjoy special events on the large screen. Since opening in 2010, the Square has hosted Leafs and Raptors season kick-off, draft and playoff parties, the Canadian Olympic team block party and events for the 2015 Pan Am Games.

SUPPORTERS GROUPS

RED PATCH BOYS

Passion, Pride and Purpose for every minute of every game – That is what the Red Patch Boys Supporters Club (RPB) is all about. Founded in 2006, a short time after the club was announced, the Red Patch Boys have grown to be Toronto's biggest and most accomplished Supporters Club. Being very driven and ambitious has led to tremendous accomplishments. From large scale banners, to organizing the largest supporters' road-trips in North American History, what makes the Red Patch Boys so large, vibrant and diverse is the inclusive nature of the group. Anyone that shares in our love of the team and wants to enhance their experience, or are looking for an outlet for their passion are welcomed with open arms. From the moment Major League Soccer announced the awarding of a new franchise in Toronto, the many lifelong football fans hibernating in the Toronto soccer "underground" came to the surface and the buzz began. The 2007 season saw the group rapidly expand as a "supporter's culture" began to take over BMO Field. Sections 111 and 112 were designated "supporters sections" by the club. There are RPB members in every section at BMO Field; however the heart of the group is in 111 and 112, known as "The Bunker."

U-SECTOR

U-Sector is the original supporter group of Toronto FC. Originally founded in 2000, U-Sector took its name from Section U, the area of Varsity Stadium the group called home, where they supported the Toronto Lynx. U-Sector is now based in Section 113 at the south end of BMO Field.

ORIGINAL 109

Originally founded in the upper half of section 109, Original 109 is a proud and passionate group of Toronto FC supporters. However, don't let the name fool you. Our members represent in sections all across the stadium. As a group our mandate is to support our club through all of the highs and lows. Whether it is on game day, at viewing parties or on road trips, we know that our voices make a difference. Contact us at info@original109.ca or follow us on Twitter @originalfc109 for more information.

SUPPORTERS GROUPS

KINGS IN THE NORTH

Kings in the North was founded in 2012 with the simple goal of keeping 127 as loud and boisterous a supporters section as possible. We're a bit more laid back, but make no mistake; we stand, we chant, we support our Reds! Interested in joining up?

TRIBAL RHYTHM NATION

Tribal Rhythm Nation is an original Toronto FC supporters club founded in March of 2007. This movement was created to bring a true multi-cultural presence to Toronto FC soccer games. We represent the African, Caribbean and Latin communities in the GTA and Canada. The goal of Tribal Rhythm Nation is to create an atmosphere at Toronto FC games that energizes the whole stadium. The beat of our drums will be heard by all. Everyone is welcome and membership is FREE, sign up today! "the BEATS the RHYTHM the VIBES" ALL for ONE!

INEBRIATTI

We are Inebriatti. We are not a fan club. We do our work together in the warehouses with our paintbrushes and with our voices and flags in the stands. Our mantra is simple: Flags up, full voices, all hands on deck for the full 90. We're in the stands an hour before kickoff and we'll be there long after the final whistle. When standing with us, participation is not suggested - it is expected.
