GAME 24 vs. FC KANSAS CITY

NATIONAL WOMEN'S SOCCER LEAGUE

DASH WRAP UP REGULAR SEASON IN KANSAS CITY

The Houston Dash will play their final game of the 2017 NWSL regular season on Sunday as they travel to the Midwest to face FC Kansas City for the third time this season. Houston, currently on 23 points, will have its final opportunity to match or beat the previous record for most points earned in a season at 24.

Houston won its first visit to Swope Soccer Village on July 2 with goals from forwards Rachel Daly and Nichelle Prince. Daly is currently tied with defender Poliana for the team lead in goals scored this season with four. Defensively, the Dash will look to captain Amber Brooks to right the ship after allowing seven goals in their last two games. Brooks will anchor a defense that features rookie goalkeeper Jane Campbell, who can potentially start in her 16th game of the season.

FC Kansas City can still finish in fifth place, at best, with a victory on Sunday but will miss the postseason for the second consecutive year. The two-time NWSL Champions have won five out of their last seven games with notable road victories over the Chicago Red Stars and Seattle Reign FC. Once destined to finish in the bottom of the pack, forwards Shea Groom and Sydney Leroux have sparked a turnaround by combining for seven of FCKC's 12 goals in the last seven games. Defensively, Houston will have to break down a defense led by Yael Averbuch and U.S. Women's National Team co-captain Becky Sauerbrunn which has conceded five goals in the last seven matches.

Both teams have claimed a victory on the road in the series and Houston will look to maintain a two-game winning streak at Swope Soccer Village that began last season with a 2-1 victory. FCKC currently leads the all-time series with a 5-3-2 record against Houston.

DASH FALL IN FINAL HOME MATCH OF 2017

The Houston Dash were held scoreless as they fell 4-0 to the North Carolina Courage at H-E-B Park this evening.

The Courage scored the first goal of the game off a fast restart after a foul near midfield in the 13th minute. Sam Mewis charged to the edge of the box and her effort beat Jane Campbell at the far post.

Courage forward Lynn Williams doubled North Carolina's lead in the 38th minute after she cut back at the edge of the box to beat two defenders. The forward dribbled toward the six-yard box and beat the Dash goalkeeper at the far post for her seventh goal of the season.

Williams deflected a cross from Mewis in the 51st minute that found midfielder Debinha near the penalty spot for the third goal of the game.

The Brazilian added an assist five minutes later after she chipped the ball into the box for Ashley Hatch, who beat Campbell for the final goal of the game.

Houston's best opportunity of the first half came in the ninth minute when team captain Amber Brooks found Sarah Hagen off a free kick, but her header missed the inside of the far post.

BROOKS ONE OF SEVEN TO PLAY EVERY MINUTE IN 2017

Rachel Daly was inches away from her fifth goal of the season in the 70th minute after Kristie Mewis' corner kick found the forward inside the box, but her header bounced off the top corner of the near post.

Houston will wrap up the regular season at 5 p.m. on Sunday as they travel to the Midwest to face FC Kansas City at Swope Soccer Village. The match will be streamed live on the Go90 app and NWSLSoccer.com

DYNAMO, DASH AND MLS PLEDGE \$1 MILLION FOR RELIEF EFFORTS

The Houston Dynamo and Houston Dash today announced that the organization, along with Major League Soccer, MLS WORKS and MLS Clubs, will donate at least \$1 million to the American Red Cross Hurricane Harvey relief efforts in the Houston area.

"On behalf of our ownership group and organization, we are proud to play a role in helping our community to recover from this devastating storm," Dynamo and Dash majority owner Gabriel Brener said. "Our organization strongly believes in its responsibility to be a community leader in times of need. We are here to support people throughout the relief and recovery effort by initiating a number of efforts."

Fellow owner Oscar De La Hoya joined Mr. Brener in offering his support to the entire Southeast Texas community following the hurricane.

"Immediately after the storm made landfall, all of our thoughts turned to the people of Houston who were affected by it," De La Hoya said. "As a club, Southeast Texas is our home, and so many of our club's fans, friends and neighbors are in need of help. Our team has worked hard and will continue to work to provide support not just through financial resources but with effort, energy and initiative as we move forward together."

In addition to Major League Soccer's contribution, MLS and its community outreach initiative MLS WORKS are working with all Clubs to coordinate a League-wide digital, social and in-stadium communication program to spread the word on how to make donations to the American Red Cross to support Hurricane Harvey Relief efforts.

"Hurricane Harvey has had a devastating effect on the city of Houston and has significantly impacted the lives of millions of people throughout the region," said MLS Commissioner Don Garber. "We thank Gabriel Brener, his partners and the entire MLS family for coming together to support the relief efforts."

Additionally, the Dynamo and their most prominent partner, BBVA Compass, are working toward a pair of major charitable initiatives, including the annual BBVA Compass Dynamo Charities Cup, to continue raising funds to assist people in the Greater Houston area who have been affected by the hurricane.

"We are pleased to be able to help our fellow Hous-

tonians with this contribution to the relief and recovery effort, and we are humbled by the response from the entire soccer community during this situation," said Dynamo and Dash president Chris Cagnetti. "We also look forward to announcing some additional significant fundraising initiatives to keep fundraising for our friends and neighbors in need."

Further details regarding the BBVA Compass Dynamo Charities Cup and additional fundraising initiatives will be announced in the coming days.

ABOUT BBVA COMPASS STADIUM

BBVA Compass Stadium is a state-of-the-art, open-air stadium designed to host Houston Dynamo matches, Houston Dash matches and Texas Southern University football games as well as additional professional, collegiate and community sporting events, concerts, exhibitions, conventions and special events. Opened on May 12, 2012, the 340,000-square foot, 22,000-seat stadium is the first soccer-specific stadium in Major League Soccer located in a city's downtown district.

An architecturally stunning building, the stadium features 94,000 square feet of aluminum panels on its exterior, giving it a modern and stylish appearance. Each of the panels is 50 percent open to improve air flow throughout the concourses. Canopies extend 75 feet over the stands on the east and west sides of the stadium, and a stage canopy extends 125 feet over the south end, providing shade to soccer fans and a built-in speaker setup for concerts. With its downtown location, the stadium is a part of a true 'Stadium District,' which includes Minute Maid Park and the Toyota Center, as well as the George R. Brown Convention Center, Discovery Green, Warehouse Live and House of Blues.

BBVA Compass Stadium was awarded the LEED® Silver certification from the U.S. Green Building Council in December 2012. The stadium has been identified as a pioneering example of new construction and sustainable design and is considered a leader in transforming the building industry.
