PROUD SPONSORS OF THE INDY ELEVEN

Kelley Blue Book's KBB.com named the following as 2020 Best Buy award winners: the 2020 Civic in the Compact Car category and the 2020 CR-V in the Compact SUV category. For more information, visit www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. The following received a 5-Star Overall Vehicle Score from the National Highway Traffic Safety Administration (NHTSA): 2020 Civic, 2020 Insight, 2020 CR-V, and 2020 CR-V Hybrid. Models tested with standard side airbags (SAB). Government 5-Star Safety Ratings are part of the NHTSA's New Car Assessment Program (www.safercar.gov). Honda was named the most fuel-efficient automaker in America by the EPA. Based on EPA estimate of MY 2017 large automaker fleet-wide fuel economy. 2018 EPA Automotive Trends Report (March 2019).

@USLCHAMPIONSHIP

NEWS & NOTES

- ★ If it seems like it's been awhile since you saw Indy Eleven here at Lucas Oil Stadium, well, it's because it has been awhile! Not that we're counting ... but it's been 269 days since the Eleven's 2-1 win in the 2019 regular season finale on October 16th over a Swope Park Rangers side that has since changed its moniker to Sporting Kansas City II.
- ★ What's been even longer in the making at the corner of Capitol & South is Indy Eleven's regular season home unbeaten streak, which passed the two-year mark on this past Tuesday, July 7 (currently 735 days). Since a 2-1 win over Charlotte Independence on that date in 2018, Indiana's Team has gone an impressive 18W-0L-7D at Lucas Oil Stadium, including a 13W-0L-4D mark in 2019.
- ★ Indy will face Saint Louis FC four times across the next three months, with the squads bookending their reopened campaigns tonight here in Indy and on October 3 in Missouri for the regular season finale. In between, the Eleven will head to Saint Louis on July 26 and welcome STL back to Lucas Oil Stadium on September 23.

COMMUNITY TICKET BLOCK SPONSORS

Indy Eleven would like to thank the following organizations that have donated tickets to various charitable and community groups as part of the new Community Ticket Block program. To see how your group and others can benefit from this charitable program, visit the "Tickets" section of IndyEleven.com or call 317-685-1100.

Guiding Principles

Indy Eleven aims to create a safe stadium environment for our fans by adhering to federal, state, and local guidelines relating to the COVID-19 pandemic with specific focus on the following strategic elements:

Mandatory Requirements – Face masks and temperature checks upon entry for all fans:

- All fans who require a ticket (aged 3 years or older) will be required to wear a self-provided cloth mask, medical mask, or face covering that securely covers their mouth and nose at all times inside the stadium, except for when eating or drinking.
- A health employee will perform a temperature check with a temporal thermometer on all fans prior to entering the facility.

Social Distancing – mitigating key congregation points to ensure the maintenance of social distancing wherever possible.

Minimal Contact – institute strategies that reduce physical contact points with people and surfaces.

Cleanliness – ensure focus on routine cleaning of high-volume touch areas such as handrails and common surfaces.

Participant Safety – mitigating risk to fans, players, coaches, and officials.

Indy Eleven Home Game with Limited Crowd Size & Social Distancing Measures

A. Roof & Window

- The roof and window will be open weather permitting.

B. Ticketing

- All ticketing will be reserved seating only.
- Seats will only be sold in lower level with social distancing built into the ticket manifest to ensure the highest level of safety for fans.
- Seats will be sold in small groups of 1-4 seats and will be separated from surrounding seats by a minimum of 4 seats or 6 feet. (example below)
- Groups will be staggered to ensure a minimum of one full row between groups immediately in front or behind a group to ensure 6 feet of social distance.
- Box Office
- Guest ticket will call and game day ticket purchase options will continue to take place at the box office.
- All box office lines will have marked guidelines for fans to maintain social distancing during purchase.
- All lines will be at least six feet apart and will be marked on the ground.

C. Parking

- No tailgating will be permitted.
- Parking will open 90 minutes prior to stated kickoff time; For example: parking lots will open at 5:30 p.m. for a 7:00 p.m. kickoff

- Credit cards and cash will be accepted.
- Parking Gates 1 & 6 will be only open gates for spectators.
- All parking attendants will be required to wear face masks.
- Guests will be required to show their pre-paid pass to the attendant; all attendants will maintain social distancing and the Guest will be required to present the pass behind a closed window.

D. Stadium Entry & Security

- **Fan Ingress**
All fans should enter the venue via the gate designated on their ticket, which will correspond to their seating location.
Ex: Fans with South Goal ticket should enter through the South Gate.
- All fans who require a ticket (aged 3 years or older) will be required to wear a self-provided cloth mask, medical mask, or face covering that securely covers their mouth and nose at all times inside the stadium, except for when eating or drinking.
- Gates North, East, South, and West will be open for entry.
- Every other door in the entry door banks will be open at each location; doors will be propped open so that guests do not have to touch the door or door handle.
- Guest entry lines will have a marked every 6 feet to mark the social distancing queues.
- Fans should enter the venue in stages
Exact details are being finalized:
For example, for a 7:00 advertised kickoff:
6:00 to 6:15 – Group 1 (First 30% of rows in each section)
6:15 to 6:30 – Group 2 (Next 25%)
6:30 to 6:45 – Group 3 (Next 25%)
6:45 to 7:00 – Group 4 (Final 20%)
7:00 to 8:00 – All Groups
8:00 – Gates closed for ingress

1. The first of three parts of spectator entry to the stadium will be a health/temperature checkpoint.

- A security gameday employee will verbally ask each fan if they have been in close contact with a confirmed case of COVID-19 in the last 14 days, are experiencing a loss of taste or smell, cough, shortness of breath, or sore throat.
- If the fan answers yes, then they will be denied entry and asked to contact Indy Eleven customer service via phone or e-mail the next business day to seek a ticket exchange.
- If the fan answers no, then the health employee will perform a temperature check with a temporal thermometer.
- A fan who registers a temperature under 100.4 degrees will move on to the next part of entry.
- If the fan registers a temperature over 100.4 then they will be denied entry and asked to contact Indy Eleven customer service via phone or e-mail the next business day to seek a ticket exchange.
- If a fan feels their temperature reading may have been inflated because of external factors like the heat of the day or excess physical exertion they will have the option to try to "cool down" either in their vehicle or away from the gates at the perimeter of the venue before attempting entry again.

2. Part two of spectator entry will be the security screening.

- Walkthrough magnetometers will be utilized at each gate.
- Wands will be available if necessary.
- Bags will be prohibited from entering the venue with the following exceptions:
- Bags needed for medical purposes
- Diaper bags accompanying an infant
- Small clutch or zipped wallets will be permitted inside the building (No larger than 4.5"x 6.5")
- All bags meeting the exception standards will be subject to search in a touchless manner.
- Typical supporter allowances such as tifo and instruments are prohibited
- Individual signs of support (2 poles, flags) are still permitted.

3. The third and final part of spectator entry will be the ticket scan.

- Ticket scanning will be contactless. The fan will be required to display their barcode to the scanner who will scan the ticket.
- Hand sanitation stations will be placed by ingress points.
- Fan Egress will be managed by security event staff
- Sections will exit by row, with the last row exiting first and the first row exiting last.
- Fans will be encouraged to exit the stadium through the same gate in which they entered.
- Fan egress will be monitored by each section's usher.
- Hand sanitation stations will be placed by egress points.
- The stadium PA announcer will make multiple addresses in support of the fan egress procedures.

E. Housekeeping/Cleaning Procedures

- All housekeeping staff and efforts will have to be highly visible and follow a consistent

cleaning and sanitation process through the entire duration of the event, in all the areas of the building.

- All employees will be required to wear face masks and encouraged to wash their hands with soap and water frequently/when breaks are taken.
- Housekeeping will ensure all spectator areas are cleaned and sanitized before gates open

F. Food & Beverage/Concessions

All Centerplate staff will adhere to the strict guidelines put in place regarding the self-temperature screenings/temperature screening on property, wearing of face masks and gloves, increased hand washing practices as well as implementing safety shields/sneeze guards on all concession stands and food areas.

Food & Beverage Modifications – The following is a list of operational changes that Centerplate is implementing in response to COVID-19 preparedness.

Modified food and beverage service

- Adaptable menus and served in closed containers
- Replacing bulk condiments with single-serve packets
- Eliminating any/all refills (food or beverage)
- Individually packaged meals
- Lids on all beverages before service
- Increased availability of grab and go items
- Modified catering/buffet services (back of house service areas/locker rooms)
- Placement of hand sanitizer in all service areas and at fronts of “served” Buffet areas

Single-use supplies

- Covered dispensers for utensils, service ware and napkins
- Individually wrapped cutlery
- Use of sealed containers, wraps and lids for all food and beverage items

Elevated COVID-19 training for team members to return to work

- Appointment of onsite Health Ambassador focused on COVID-19 policies for ALL staff

G. Merchandise

A limited selection of items will be available for sale at merchandise stands.

- Items will not be able to be tried on.
- Each stand will have a minimum of two points of sale.
- Each point of sale will be separated by at least 6 feet.
- Checkout lines will have floor markings indicating 6 foot intervals where customers wait.
- All employees will wear masks.
- Hand sanitizer will be available for use at each point of sale.

H. Guest Movement Management

Concourse Lanes will be implemented. Arrows will be placed on the floor to show which direction stadium guests will be recommended to travel. Stadium security staff will encourage concourse traffic lanes to cut down on guests crossing paths and limit person to person contact.

J. Event Staff Requirements

All stadium and event staff will be:

- required to wear a self-provided cloth or medical mask at all times.
- required to regularly wash or sanitize their hands.
- subject to temperature checks.

K. Player Safety

- Field level access will be restricted to essential employees only; no fans will be allowed onto the field, with no exceptions.
- Referees, players, and staff must wear cloth or medical masks throughout the match (including transportation to the match for visiting team) with the exception of players and referees engaged in on-field activities.
- Player escorts, flag bearers, and ball kids are not permitted.
- Players are discouraged from hugging, high fiving, etc. following matches and goals.

SPICED RUM

Grassroots support for professional soccer in Indianapolis was established August 3, 2011, with the creation of The **Brickyard Battalion** supporters group. What began as a group of eight soccer fans watching games at a local establishment has exploded into an independent supporters group of more than 3,500 members from across the state – and beyond – ready to support their beloved Indy Eleven!

You won't be able to miss the Brickyard Battalion on gamedays, as the group's members will be loud and proud well before they take their place at the North Goal stands. Screaming chants and cheering on the "Boys in Blue" to victory, the BYB provides energy and passion for the players and other fans alike to feed off of for the full 90 minutes.

TAILGATE INFO

The BYB has pregame tailgate in the south corner of the South Lot near Mission and Locust Streets. Tailgate is started 3 hours prior to kickoff. Tailgate events happen throughout the season, including food pitch-ins, Chili Cook-off, and more!
