About Penn FC

Founded in 2018, Penn FC is Central Pennsylvania's professional United Soccer League (USL) team and the official professional team of Rush Soccer.

Led by majority owner George Altirs, local owner Eric Pettis, and Rush Soccer – an international soccer organization comprised of 85 clubs in the U.S. and abroad – Penn FC was unveiled in November 2017 as the new brand for Harrisburg's USL organization.

As the first team atop one of the world's largest soccer development systems, Penn FC is poised to be a U.S. soccer powerhouse, and a major platform for players across the United States and overseas who will now have the potential to become Penn FC players of the future.

Penn FC kicks off the club's inaugural season in the USL's Eastern Conference in March 2018. FNB Field in Harrisburg, Pa. will be the team's home field.

MESSAGE FROM THE OWNERS

Dear fans,

During this past USL offseason, Capelli Sport majority owner George Altirs, local club ownership and Rush Soccer came together to form a new pro club called Penn FC. Professional soccer in Harrisburg was able to continue because of the efforts from Capelli Sport and Rush Soccer partnerships. We aim to build on the storied history of this club as we transition into this new era and look to bring a fresh new look to the city and to all of the fans. Professional soccer has been here for 15 years and we hope the new brand can bring justice to the league and the landscape of Harrisburg.

We wanted the people of Harrisburg and Central Pennsylvania to feel and understand that their team is bigger. With Penn FC being the official first team for Rush Soccer, there is a national and international market that follows the team. Anything is possible for this club with the support of Central Pennsylvanians and the greater Rush Soccer network.

We celebrated the new brand and partnership with an exciting brand launch event. It was inspiring to see fans, local business members, and the media come to learn about the club's direction. Our goal was for everyone to leave the event with a renewed excitement for the team's future. Overall, it was a successful launch made possible by a staff that's as excited as the fans for this club's future. We strive for our city and fans to feel a rejuvenated passion about soccer in Harrisburg. Penn FC's future is bright, and we want to welcome all of the old and new fans to the Penn FC family.

Thank you for your continued support of Penn FC and we look forward to seeing you at FNB Field!

Sincerely,

George Altirs, Eric Pettis, Brian Bolinger, Brian Gobin and Chuck Fox

PENN FC TECHNICAL STAFF

GENERAL MANAGER TIM SCHULZ

Penn FC announced on Tuesday, January 23rd, it had appointed Rush Soccer President and CEO Tim Schulz as the club's new General Manager, bringing aboard the experienced soccer executive to lead the club's front office as it builds toward the 2018 USL season.

As Rush Soccer's President and CEO, Schulz brought both professional playing experience and a unique coaching mantra to the organization he founded in 1997 in Littleton, Colo. In the years following Rush Soccer's formation, Schulz served as the Head Coach of the U.S. U20 Women's National Team in 2005 and 2006, Head Coach for the Region IV Olympic Development Program from 2000-04 and was the assistant coach for the U.S. U18 Men's National Team from 1998-2000.

HEAD COACH RAOUL VOSS

German-born Raoul Voss worked on the technical staff for both TSG Hoffenheim and Concordia Hamburg after beginning his U.S. playing and coaching career at Florida International University in Miami. Voss recently served as an assistant coach for USL clubs Fort Lauderdale Strikers and Tampa Bay Rowdies.

Voss joins a unique organization in Penn FC, which champions a focus on player development and using a global network of professional and amateur players to ultimately feed the Penn FC system. Majority owner George Altirs and his company Capelli Sport, along with Penn FC affiliate Rush Soccer (which currently oversees 85 amateur clubs in the U.S. and abroad), will be crucial in helping Voss grow the club and improve the quality of professional soccer in Central Pennsylvania.

TECHNICAL ADVISOR BILL BECHER

The Penn FC front office has named former Head Coach Bill Becher as the club's Technical Advisor. Becher will provide valuable insight and stability to the technical staff as the club begins a new era of professional soccer in the Central Pennsylvania region.

The experience Becher brings to the organization is second-to-none. Serving as Head Coach of the Harrisburg City Islanders for 14 seasons, Becher amassed a career 119-93-67 record, culminating with a USL Cup Championship in 2007, as well as two championship appearances in 2011 and 2014, respectively. Becher has collected an impressive five wins against MLS competition in the U.S. Open Cup and sent nine players to the MLS level. In his new role Becher will assist the technical staff in player recruitment and development, as well as first team operations.
