# DARREN POWELL

## Head Coach

Fourth Season with San Antonio

UNC Greensboro '95

Nottingham, England

Darren Powell is entering his fourth season as head coach of San Antonio FC. As the head of the technical staff, Powell oversees all on-field aspects of the SAFC first team and academy. 2019 will mark 21 years of coaching for Powell.

Powell's third season with the club finished with a 14-12-7 record as SAFC were the highest-ever point gathering team to not make the USL playoffs. San Antonio scored 44 goals and conceded 47 during the season, while producing the all-time single-season top scorer in Ever Guzman (11).

Powell's second season with the club concluded with a second place finish in the Western Conference. His club recorded the league's best defense, leading the USL in both goals conceded (24) and shutouts (15). SAFC advanced to the USL Western Conference Semifinals. Under his reign, SAFC lost just four games -- the fewest in the league. SAFC had goalkeeper Diego Restrepo earn Goalkeeper of the Year honors while Sebastien Ibeagha was named Defender of the Year under tutelage from Powell. He improved his overall record with SAFC to 27-16-19. Powell's team went an entire calendar year (Sept. 2016 - Sept. 2017) without recording loss at home.

In Powell's first season with San Antonio FC, the club went 10-12-8, narrowly missing the playoffs by just three points. Under Powell, the club won its inaugural USL match, and had 10 Team of the Week honorees as well as one Player of the Week (Matt Cardone). SAFC went 7-4-4 at Toyota Field in 2016 and only allowed multiple goals in a single USL match nine times.

In January of 2016, Darren Powell was introduced to San Antonio as the first ever head coach of the later named San Antonio FC. Powell became the face of a new franchise in San Antonio and began working towards putting his roster and staff together for the 2016 USL season. Powell joined SAFC from MLS side Orlando City SC where he was the club's academy director. Powell led all aspects of the Orlando City Academy from its inception after OCSC was awarded an MLS expansion spot. Powell would help develop the style of play between all age groups in the academy that would match the MLS first team.

Prior to his time with Orlando City, Powell was the head coach of Elon University since December 2004. During Powell's tenure, the program produced 45 All-Southern Conference performers, four conference players of the year and two league freshmen of the year. Powell has been named the SoCon's Coach of the Year four times.

In 2013 the Powell-led Phoenix won 15 games and became only the third team in league history to capture three consecutive SoCon Tournament titles. Powell earned his second straight SoCon Coach of the Year accolade and fourth overall.

In 2012, Powell led the Phoenix to arguably its best season ever at the Division I level. The program won 15 games, including four against ranked competition, and captured the league's regular-season and tournament title for the first time in school history. Powell was rewarded as the SoCon's Coach of the Year for the third time in his career and led the maroon and gold to its second consecutive NCAA Tournament appearance.

The 2010 squad battled a tough schedule on its way to an 8-6-5 overall ledger, the sixth consecutive winning season for the program. In 2009, Elon finished the year with a .500 or better record for the fifth consecutive year, earning a 10-8-2 mark that included a victory over ACC-foe Clemson. The Phoenix also advanced to the SoCon Tournament championship game for the first time in program history.

In 2008, Powell guided Elon to its first-ever NCAA Division I league title and a perfect 7-0-0 mark in conference play during the regular season. Powell was honored as the conference's top coach, his second such honor in four seasons with the Phoenix. Under Powell's leadership, the Elon program claimed its first-ever NCAA Division I national ranking in 2006.

Powell joined Elon after serving four seasons as an assistant coach at Southern Conference rival UNC Greensboro.

During Powell's four seasons at UNCG, the Spartan program posted a 55-26-3 mark and became the nation's top-ranked program during the regular season in 2004. Powell assisted in all aspects of the program, including recruiting, scheduling and academic development. Powell was honored as one of the top NCAA Division I assistant coaches by College Soccer News and coached three MLS players. Prior to joining the Spartan staff, Powell headed the Greensboro College men's soccer program for three seasons, posting a 50-12-3 ledger. He led the Pride to the NCAA Division III finals in 1998 and Dixie Conference titles in 1998, 1999 and 2000.

Following a four-year collegiate career at UNC Greensboro, Powell played professionally for the Carolina Dynamo USISL team, the Raleigh Flyers A-League team and the Wilmington Hammerheads USISL team from 1995-1999. At UNCG, Powell helped the Spartans to two NCAA Tournament appearances in 1993 and 1994. He was a two-time captain, team MVP and All-South Region selection as well as a three-time All-Big South Conference honoree. Powell became the first Spartan player to score over 100 career points at the Division I level.

Powell graduated from UNC Greensboro in 1995 with a bachelor's degree in leisure studies. He and his wife, Elise, have two children -- Naomi and Caleb.

Holt arrived in San Antonio in January 2016 after a stint at Orlando City SC which he joined during its inaugural Major League Soccer (MLS) season as Vice President of Development. His immediate impact with the highly successful expansion team was marked by expansion of both the club and brand through the creation and launch of two new professional soccer franchises, Orlando Pride of the NWSL & Orlando City B of the USL. Additionally, he played a leadership role on behalf of the club within the local organizing group (along with the City of Orlando & Central Florida Sports Commission) which successfully delivered the prestigious 2016 Copa America Centenario for Orlando. Under the period of his leadership, the USL blossomed into the largest system of elite soccer leagues in North America with over 100 franchises and several hundred youth team members.

Holt has been repeatedly recognized as one of the leading executives in domestic soccer including having been named one of Soccer America's 'Rising Stars' in 2006 recognizing the top American soccer executives under the age of 35, as well as being recognized by SI.com in 2013 as one of "The 50 Most Powerful People in U.S. Soccer." ## HISTORY OF THE US OPEN CUP

# HISTORY OF THE US OPEN CUP

\*Dating back to 1914, the U.S. Open Cup is the oldest cup competition in United States soccer and is among the oldest in the world. Open to all affiliated amateur and professional teams in the United States, the annual U.S. Open Cup is a 100-plus-year-old single-elimination tournament.

In a nutshell, the U.S. Open Cup is very similar to domestic cup competitions popular throughout Europe, South America and the rest of the world. Cup competitions, which usually run concurrent with a country's league season, are open in the early stages to any club that qualifies, giving local amateur teams a chance to compete against the best teams a country has to offer.

In leagues like the English Premier League, Serie A in Italy and the Bundesliga in Germany, cup competitions are prestigious tournaments waged between countries' strongest teams such as Manchester United, AC Milan and Bayern Munich, and smaller teams like the amateur French side Calais that made it to the finals of the 2000 Coupe de France only to fall to defending champions Nantes on an injury time penalty kick. Watford F.C. in England, was another small-time club that hit it big in 1984 by making it all the way to the F.A. Cup Final. Unfashionable Chesterfield of the Second Division (the third flight in England) advanced to the semifinals of the 1997 F.A. Cup in England before finally losing. And the U.S. has seen its share of Cinderella runs, the most recent of which saw amateur side Cal FC advance past two professional clubs (Division III USL Pro side Wilmington Hammerheads and Division I MLS team Portland Timbers) on its march to the Round of 16 in 2012.

The winner of each country's domestic cup competition, in addition to taking home the prize money, is automatically placed into a tournament to compete against neighboring countries' cup winners.

In 1999, the U.S. Open Cup was renamed the Lamar Hunt U.S. Open Cup to honor the long-time soccer supporter and pioneer. Hunt, who died in 2006, was one of the sport's first major ownership figures in the United States and is a member of the National Soccer Hall of Fame. His family continues to operate FC Dallas in Major League Soccer.

The winning team of the U.S. Open Cup has its name engraved on the Dewar Challenge Trophy, which has been permanently retired and remains at U.S. Soccer House in Chicago. At present, Seattle Sounders FC are the reigning Open Cup champion after defeating the Philadelphia Union to claim the 2014 title - the Sounder's fourth in the last six years.\*

## USL PLAYOFF FORMAT

---

### 2019 USL Playoff Format

As a result of expanding to 36 teams, the USL Championship will also expand to 20 playoff teams, 10 in each conference. There will also be an added "Play-In Round" the midweek prior to the first weekend of the postseason.

More expansion teams means more playoff teams. The addition of seven USL Championship expansion teams means that 20 of the 36 total teams will now reach the postseason, the top 10 from each of the Western and Eastern Conference. Like last year, the higher seed will host each game in the USL Championship playoffs.

In 2019, the 7-10 seeds will play in a play-in round. The round will take place on the Wednesday after the season finishes and before the first playoff weekend. The No. 7 seed will host No. 10 and No. 8 will host No. 9. Then the lowest remaining seed of those games will travel to take on the No. 1 seed while the better seed will play the No. 2 team.

## SAFC PRO ACADEMY

---

In April of 2016, San Antonio FC launched the SAFC Pro Academy - a youth development program for the area's elite boys' players which started with a 2004 birth-year team this season. In June of 2016, the club named Nick Evans as the first SAFC Pro Academy Director in team history. The academy has expanded to four teams at the 2006 (U-12), 2005 (U-13) and 2004 (U-14) and 2003 (U-15) birth years.

In February of 2017 San Antonio FC and its academy teams were selected for admission to the U.S Soccer Federation's Development Academy starting in fall of 2017. The SAFC Pro Academy will have four boys' teams at the U-12, U-13, U-14 and U-15 levels that will participate in the 2018-19 and upcoming Development Academy seasons.

In February of 2019, San Antonio FC signed its first full-time academy product to a first-year contract when midfielder Leo Torres signed a professional deal.

The objective of the San Antonio FC Development Academy program is to identify and train the best players in the San Antonio market on a pathway to become a homegrown player for the SAFC professional team, national teams, and/or opportunities in college soccer. In addition to developing skilled and dynamic soccer players, key components of the program include each player displaying excellent personal character, becoming actively involved in community activities, and focusing on academic performance. The SAFC Pro Academy is structured to be a collaborative initiative between all local youth clubs and organizations in the San Antonio community by the opportunity to be an active part of the player identification process, as well as providing recognition and benefits to such participating clubs.

SAFC Pro Academy teams are fully-funded at no cost to players selected. This program is part of the professional club's strategic plan of establishing a nationally-respected youth academy.

# 2019 SAFC Supporters Groups

### MISSION CITY FIRM

Mission City Firm is an independent football organization whose mission is to give 100% of their support to San Antonio FC.

They strongly believe in professional football here in San Antonio. The founders began with an idea the day pro soccer came to San Antonio. The group has grown considerably since then and has acquired key sponsorships from Lone Star Beer, GLI Distributing, McFinnigans Irish Pub, Bull McCabe's Pub in Austin in the past.

MC 118 are a very diverse group of individuals and welcome any and all persons who share the same passion for the game and for what professional football here in San Antonio will do for our community.

### 210 ALLIANCE

In 2016 a group of like-minded individuals founded a new supporters group dedicated to San Antonio FC soccer and having an absolute blast supporting the team that we all love. You can find them in the northeast corner of the beer garden next to section 129 singing, chanting, and making life extremely difficult for any opposing player unfortunate enough to have to take a corner kick in front of them. We are small but vibrant - and continually growing!

Before the match begins, you can find them tailgating under the Thousand Oaks bridge, directly beside David Edwards drive. Our tailgates are full of craft beer and not-the-usual tailgating food - like when we have seafood boils. Any and all are welcome to join them at their tailgates or in the stadium.

### CROCKETTEERS

The Crocketteers were founded nine years ago in 2009 as a grassroots movement looking to drum up support for professional soccer in San Antonio. The group has traveled near and far by the busload to MLS matches, All Star games, USA matches and international friendlies. It was three years after the founding that they finally had a club in the now-defunct San Antonio Scorpions to support locally. With San Antonio FC now at the helm in the city, it only strengthens their drive to support at the highest level.

## SAN ANTONIO SPURS

In the summer of 1973, a group of local investors leased the Dallas Chaparrals and relocated the team to San Antonio. Midway through their first season in the Alamo City, the group purchased the team outright and the Spurs have been a mainstay in San Antonio culture ever since. The Silver and Black played their first three seasons in the ABA before joining the NBA in the summer of 1976.

Over the last 20-plus years, since Tim Duncan joined the team in 1997, the Spurs have captured five NBA Championships and have posted the best winning percentage of any team in the NBA and the second-best in the four major U.S. sports (MLB, NBA, NFL and NHL). During that time, San Antonio has posted the NBA's best record in five seasons (1998-99, 2000-01, 2002-03, 2011-12 and 2013-14) and has won 13 division titles. The Spurs record during that span ranks as the best 21-year run of any team in league history.

In September 2012, ESPN the Magazine named the Spurs the "Team of the Decade" in its annual Ultimate Standings survey. San Antonio has been named the best franchise in professional sports four times (2003, 2005, 2014 and 2015) and is the only franchise to rank in the Top 10 every year since ESPN introduced its annual survey in 2003.

The Spurs are led by head coach Gregg Popovich, who has been at the helm for the past 22 seasons. The longest tenured coach with the same team in all of the four major U.S. professional sports, Popovich holds the third-best winning percentage (minimum 250 games coached) in NBA history.

For more information on the Spurs or any of the SS&E franchises please call (210)-444-5000 or visit [www.spurs.com](http://www.spurs.com).

## AT&T CENTER

As the premier entertainment venue in South Texas, the AT&T Center opened in November of 2002. The AT&T Center was built by the initiatives of a public-private venture amongst Bexar County, the Coliseum Advisory Board, the San Antonio Livestock Show & Rodeo and Spurs Sports & Entertainment. The facility hosts four anchor tenants: the NBA Spurs, the AHL Rampage, the WNBA Stars and the San Antonio Stock Show & Rodeo. Additionally, the venue attracts a multitude of concerts, family shows and special events. In 14 years of operation, the AT&T Center has hosted over 1,000 events with entertaining in excess of 15 million guests. George Strait, the Rolling Stones, Billy Joel & Elton John, The Police, Luciano Pavarotti, George Lopez, Cirque du Soleil, Lady Gaga, Justin Bieber, Garth Brooks and Bon Jovi are just a few of the musical acts that have visited the AT&T Center. Other events include NCAA Basketball, WWE Royal Rumble, Walking with Dinosaurs and the Harlem Globetrotters. The AT&T Center recently underwent a \$100+ million renovation to enhance the fan experience at all levels of the Bexar County-owned arena. Renovations to the AT&T Center included all new seating arena-wide, along with infrastructure and technology improvements. Technology enhancements to the AT&T Center were prevalent arena-wide with the installation of high definition televisions and LED signage throughout the arena. The addition of LED displays to the NE, SE and SW ticket towers give the exterior a striking new look and provide the ability to showcase game action, event highlights and promotional messaging. The centerpiece of the technology updates is the installation of a brand new center-hung video board that will provide a state-of-the-art, high-definition display and have more than four times the viewable area of the previous board. A new audio system and improved Wi-Fi capabilities round out the technology enhancements that will help elevate and create a more immersive fan experience. Infrastructure improvements included expanded and updated concourses, enhancements to the arena entrances and updates to all the suites. There is something new for everyone at all levels of the AT&T Center. The AT&T Center offers diverse events to the San Antonio community and all of South Texas thanks in part to its various seating capabilities, building configurations, curtaining system and technology upgrades. Configurations from an ice show, to basketball, to rodeo, to boxing, to theater can all be accomplished at the AT&T Center. To leverage its ancillary meeting spaces and exhibition/trade configurations, the AT&T Center offers MSEs, Meetings and Special Events, throughout the year. This additional amenity further illustrates the facility's full-service approach and has resulted in non-traditional bookings such as Toyota's 2007 National Dealer Meeting and Product Launch, Ford's Customer Appreciation Concert with Toby Keith, and AT&T's 2007 National Leadership Meeting. Built in a "ranch tech" style, the AT&T Center is designed to present a sense of place, both inside and out. The external view, in addition to its distinctive architecture, features park-like landscaping that's both visually appealing and environmentally friendly. Inside, the design continues to capture the South Texas ambiance with festive colors and imaginative details. Adding to the interior appeal of the AT&T Center is a collection of fine art commissioned by Spurs owners Peter and Julianna Holt. The diverse collection is valued in excess of one million dollars and features Texas modern and basketball styled themes. "We are enormously proud of the AT&T Center and what it brings to the community," said Holt, chairman of Spurs Sports & Entertainment. "We're proud to provide South Texas with some of the best sports and entertainment available anywhere in the US.
