U.S. OPEN CUP

SAN ANTONIO FC

HISTORY OF THE US OPEN CUP

In its 107th year, the Lamar Hunt U.S. Open Cup – U.S. Soccer’s National Championship – has crowned a champion annually since 1914. The history-filled tournament is conducted on a single-game, knockout basis and open to all professional and amateur teams affiliated with U.S. Soccer. In 1999, the oldest ongoing national soccer competition in the United States and the world’s third-longest continuously running open soccer tournament was renamed to honor United States soccer pioneer Lamar Hunt.

The 2020 U.S. Open Cup winner will earn \$300,000 in prize money, a berth in the 2021 Concacaf Champions League and have its name engraved on the Dewar Challenge Trophy – one of the oldest nationally-contested trophies in American team sports – now on permanent display at the National Soccer Hall of Fame in Frisco, Texas. The runner-up will earn \$100,000, while the team that advances the furthest from each lower division will take home a \$25,000 cash prize.

Atlanta United FC is the defending Open Cup champion, having earned the club’s first tournament title thanks to a 2-1 victory against Minnesota United FC on Aug. 27, 2019, in front of an Open Cup Final record 35,709 fans at Mercedes-Benz Stadium in Atlanta.

usopencup.com is the official website of the Lamar Hunt U.S. Open Cup. Fans can also follow the competition on Twitter and Instagram @OpenCup and Facebook @OfficialOpenCup.

USL CHAMPIONSHIP PLAYOFF FORMAT

2020 USL Championship Playoff Format

The 2020 USL Championship Playoffs will again include 10 teams from each conference, with the lowest four seeds in each conference opening the postseason in the Play-In Round, scheduled for Wednesday, October 21 with the No. 7 seed hosting the No. 10 seed and the No. 8 seed hosting the No. 9 seed for a place in the Conference Quarterfinals. Following the Play-In Round, the two teams to advance will be placed into the main bracket for the Conference Quarterfinals, with the lower remaining seed facing the conference's No. 1 seed and the higher remaining seed facing the No. 2 seed. The single-elimination format will then continue for the following four weekends in a fixed-bracket format with the higher seed in each matchup serving as host through the Eastern and Western Conference Finals.

The 2020 USL Championship Final will be held between November 12-16, 2020 and be hosted by the conference champion with the better regular-season record.

**SAFC PRO
ACADEMY**

SAFC PRO ACADEMY

In April of 2016, San Antonio FC launched the SAFC Pro Academy - a youth development program for the area's elite boys' players which started with a 2004 birth-year team this season. In June of 2016, the club named Nick Evans as the first SAFC Pro Academy Director in team history. The academy has expanded to five teams at the U-12, U-13, U-14, U-15 and U-17 levels

In February of 2017 San Antonio FC and its academy teams were selected for admission to the U.S Soccer Federation's Development Academy starting in fall of 2017. The SAFC Pro Academy will have five boys' teams at the U-12, U-13, U-14, U-15 and U-17 levels that will participate in the 2019-20 and upcoming Development Academy seasons.

In 2018-19, The SAFC Pro Academy coaching staff was named the U.S. Soccer Development Academy (DA) Central Conference Boys Coaching Staff of the Year. SAFC was honored alongside NYFC and LAFC of Major League Soccer

In February of 2019, San Antonio FC signed its first full-time academy product to a first-year contract when midfielder Leo Torres signed a professional deal.

The objective of the San Antonio FC Development Academy program is to identify and train the best players in the San Antonio market on a pathway to become a homegrown player for the SAFC professional team, national teams, and/or opportunities in college soccer. In addition to developing skilled and dynamic soccer players, key components of the program include each player displaying excellent personal character, becoming actively involved in community activities, and focusing on academic performance. The SAFC Pro Academy is structured to be a collaborative initiative between all local youth clubs and organizations in the San Antonio community by the opportunity to be an active part of the player identification process, as well as providing recognition and benefits to such participating clubs.

SAFC Pro Academy teams are fully-funded at no cost to players selected. This program is part of the professional club's strategic plan of establishing a nationally-respected youth academy.

IN THE
COMMUNITY

SPURS GIVE

Spurs Give (formerly Silver & Black Give Back) is a 501(c)(3) public charity that began in 1988 when the Spurs were the only team in the Spurs Sports & Entertainment family. Over the years, the SS&E family has grown to encompass three other franchises – the Rampage of the AHL, San Antonio FC of the USL Championship and the Austin Spurs of the NBA Development League.

Our mission is to strengthen and serve our community through impactful programming, player engagements, and investments that enrich the lives of the youth and those around them. We are a family – a team – passionate about sports. We are passionate about what sports can do for our community – especially our youth. At the heart of it, we believe sports can provide a family, a common goal, and a hope for a better future. We are Spurs Give. Since our founding, we have invested \$28 million in our community. Through our players' passions, our grants, and our impact programs, we are changing lives and leaving a legendary impact. Learn more about how you can be involved at www.spursgive.org.

CLUB AND CAMO

Founded in 2018 as part of Spurs Give, Club & Camo is a San Antonio FC specific initiative in which the team visits with children from military families for creative activities and outings. Participating children typically come from families in which one or both parents are or have been deployed on active military duty or who are recovering from injuries or conditions suffered while fighting for our country.

The purpose of Club & Camo is for SAFC players to spend time in the community and make a positive impact on youth who have been affected in any way by their parents' brave sacrifice for our nation. Players aim to serve as mentors, support figures, and positive influences for kids participating in the program.

SUPPORTERS GROUPS

2020 SAFC Supporters Groups

MISSION CITY FIRM

Mission City Firm is an independent football organization whose mission is to give 100% of their support to San Antonio FC.

They strongly believe in professional football here in San Antonio. The founders began with an idea the day pro soccer came to San Antonio. The group has grown considerably since then and has acquired key sponsorships from Lone Star Beer, GLI Distributing, McFinnigans Irish Pub, Bull McCabe's Pub in Austin in the past.

MC 118 are a very diverse group of individuals and welcome any and all persons who share the same passion for the game and for what professional football here in San Antonio will do for our community.

210 ALLIANCE

In 2016 a group of like-minded individuals founded a new supporters group dedicated to San Antonio FC soccer and having an absolute blast supporting the team that we all love. You can find them in the northeast corner of the beer garden next to section 129 singing, chanting, and making life extremely difficult for any opposing player unfortunate enough to have to take a corner kick in front of them. We are small but vibrant - and continually growing!

Before the match begins, you can find them tailgating under the Thousand Oaks bridge, directly beside David Edwards drive. Our tailgates are full of craft beer and not-the-usual tailgating food - like when we have seafood boils. Any and all are welcome to join them at their tailgates or in the stadium.

CROCKETTEERS

The Crocketteers were founded nine years ago in 2009 as a grassroots movement looking to drum up support for professional soccer in San Antonio. The group has traveled near and far by the busload to MLS matches, All Star games, USA matches and international friendlies. It was three years after the founding that they finally had a club in the now-defunct San Antonio Scorpions to support locally. With San Antonio FC now at the helm in the city, it only strengthens their drive to support at the highest level.

SAN ANTONIO SPURS

In the summer of 1973, a group of local investors leased the Dallas Chaparrals and relocated the team to San Antonio. Midway through their first season in the Alamo City, the group purchased the team outright and the Spurs have been a mainstay in San Antonio culture ever since. The Silver and Black played their first three seasons in the ABA before joining the NBA in the summer of 1976.

Over the last 20-plus years, since Tim Duncan joined the team in 1997, the Spurs have captured five NBA Championships and have posted the best winning percentage of any team in the NBA and the second-best in the four major U.S. sports (MLB, NBA, NFL and NHL). During that time, San Antonio has posted the NBA's best record in five seasons (1998-99, 2000-01, 2002-03, 2011-12 and 2013-14) and has won 13 division titles. The Spurs record during that span ranks as the best 23-year run of any team in league history.

The Spurs are led by head coach Gregg Popovich, who has been at the helm for the past 24 seasons. The longest tenured coach with the same team in all of the four major U.S. professional sports, Popovich is the NBA's all-time leader in combined wins (regular season and playoffs).

For more information on the Spurs or any of the SS&E franchises please call (210)-444-5000 or visit www.spurs.com.

GREGG POPOVICH

Gregg Popovich is in his 24th season as the Spurs head coach. He currently stands as the longest tenured active coach in all four U.S. major sports leagues. Popovich has led the Silver and Black to five NBA Championships (1999, 2003, 2005, 2007 and 2014) and is just one of five coaches in history with five-or-more NBA Championships (along with Phil Jackson, Red Auerbach, John Kundla and Pat Riley). On April 13, 2019, Popovich became the NBA's all-time leader in combined wins (regular season and playoffs) with his 1,413th career win. He ranks first all-time among NBA coaches for the most consecutive winning regular seasons with 23.

Popovich finished the 2018-19 season with an all-time regular season record of 1,245-575. His career winning percentage of .684 ranks third in NBA history (behind Jackson (.704) and Billy Cunningham (.698), min. 500 games). Popovich ranks third in NBA history in career regular season victories and is first among active coaches. On Feb. 4, 2017, he collected his 1,128th win as Spurs head coach to surpass Jerry Sloan for most wins with a single franchise in NBA history.

His 170 playoff wins rank third in NBA history (behind Jackson and Riley) and his playoff career winning percentage of .599 (170-114) is third-best in league history (min. 100 games).

Popovich was named NBA Coach of the Year in 2003, 2012 and 2014. He's led San Antonio to the NBA's best regular season record five times (1998-99, 2000-01, 2002-03, 2011-12 and 2013-14). He's also been named Western Conference All-Star coach four times and NBA Coach of the Month 17 times, the most in league history.

Born in East Chicago, Ind., Popovich graduated from the United States Air Force Academy with a degree in Soviet studies in 1970. While there he played basketball for four seasons. As a senior he was named the team's captain and was their leading scorer averaging 14.3 points. In 2007, he was honored by the Air Force Academy with its Distinguished Graduate Award.

Following his graduation in 1970 Popovich served his five-year military commitment in the U.S. Air Force. During that time he toured Eastern Europe and the Soviet Union as a member of the U.S. Armed Forces Team. In 1972, he was selected captain of the Armed Forces Team, which won the Amateur Athletic Union (AAU) championship. He was among 66 players invited by the U.S. Olympic Basketball Games Committee to try out for the 1972 U.S. Olympic Basketball Team.

Popovich returned in 1973 to the Air Force Academy and was head coach of the USAFA Prep School for three seasons (1973-76). He spent three seasons (1976-79) as an assistant at the U.S. Air Force Academy and he obtained a master's degree in physical education and sports sciences from the University of Denver. In 1979 Popovich was named the head coach at Pomona-Pitzer in Claremont, Calif. where he would spend the next eight seasons. During the 1985-86 season he led the team to its first conference championship in 68 years and to a berth in the NCAA Division III Tournament. While at Pomona Popovich was an active member of the school's academic community, working as an associate professor, chairing the college's Student Life committee, serving on the Women's Commission and even – for one year – living in a dorm with his family.

In July of 1988 Popovich made the move to the NBA joining the Spurs as an assistant coach on Larry Brown's staff. He spent the next four seasons in San Antonio with a Spurs team that won a pair of Midwest Division titles. In the summer of 1992 he was named an assistant coach on Don Nelson's staff with Golden State.

After two seasons with Golden State, Popovich returned to the Spurs after being named general manager and Vice President of Basketball Operations on May 31, 1994. Midway through the 1996-97 season he took over as head coach.

Popovich was named head coach of the USA Basketball Senior Men's National Team on Oct. 23, 2015 for the 2017-20 quadrennium. He served as an assistant coach for USA Basketball's Men's Senior Team for three consecutive summers (at the 2002 World Basketball Championship, the 2003 FIBA America Men's Olympic Qualifying Tournament and the 2004 Olympic Games).

Popovich is a very active member of the San Antonio community. In 1991 he teamed with Frank Martin to create the Spurs Youth Basketball League. Today the league plays at 75 locations in San Antonio and throughout South Texas. The league was honored with a Daily Point of Light Award by President George H.W. Bush in February of 1992. He is involved in several charities in the San Antonio area including the San Antonio Food Bank, Roy Maas' Youth Alternatives, Boys and Girls Club and The Miracle League.

AT&T CENTER

As the premier entertainment venue in South Texas, the AT&T Center opened in November of 2002. The AT&T Center was built by the initiatives of a public-private venture amongst Bexar County, the Coliseum Advisory Board, the San Antonio Livestock Show & Rodeo and Spurs Sports & Entertainment. The facility hosts four anchor tenants: the NBA Spurs, the AHL Rampage, the WNBA Stars and the San Antonio Stock Show & Rodeo. Additionally, the venue attracts a multitude of concerts, family shows and special events. In 14 years of operation, the AT&T Center has hosted over 1,000 events with entertaining in excess of 15 million guests. George Strait, the Rolling Stones, Billy Joel & Elton John, The Police, Luciano Pavarotti, George Lopez, Cirque du Soleil, Lady Gaga, Justin Bieber, Garth Brooks and Bon Jovi are just a few of the musical acts that have visited the AT&T Center. Other events include NCAA Basketball, WWE Royal Rumble, Walking with Dinosaurs and the Harlem Globetrotters. The AT&T Center recently underwent a \$100+ million renovation to enhance the fan experience at all levels of the Bexar County-owned arena. Renovations to the AT&T Center included all new seating arena-wide, along with infrastructure and technology improvements. Technology enhancements to the AT&T Center were prevalent arena-wide with the installation of high definition televisions and LED signage throughout the arena. The addition of LED displays to the NE, SE and SW ticket towers give the exterior a striking new look and provide the ability to showcase game action, event highlights and promotional messaging. The centerpiece of the technology updates is the installation of a brand new center-hung video board that will provide a state-of-the-art, high-definition display and have more than four times the viewable area of the previous board. A new audio system and improved Wi-Fi capabilities round out the technology enhancements that will help elevate and create a more immersive fan experience. Infrastructure improvements included expanded and updated concourses, enhancements to the arena entrances and updates to all the suites. There is something new for everyone at all levels of the AT&T Center. The AT&T Center offers diverse events to the San Antonio community and all of South Texas thanks in part to its various seating capabilities, building configurations, curtaining system and technology upgrades. Configurations from an ice show, to basketball, to rodeo, to boxing, to theater can all be accomplished at the AT&T Center. To leverage its ancillary meeting spaces and exhibition/trade configurations, the AT&T Center offers MSEs, Meetings and Special Events, throughout the year. This additional amenity further illustrates the facility's full-service approach and has resulted in non-traditional bookings such as Toyota's 2007 National Dealer Meeting and Product Launch, Ford's Customer Appreciation Concert with Toby Keith, and AT&T's 2007 National Leadership Meeting. Built in a "ranch tech" style, the AT&T Center is designed to present a sense of place, both inside and out. The external view, in addition to its distinctive architecture, features park-like landscaping that's both visually appealing and environmentally friendly. Inside, the design continues to capture the South Texas ambiance with festive colors and imaginative details. Adding to the interior appeal of the AT&T Center is a collection of fine art commissioned by Spurs owners Peter and Julianna Holt. The diverse collection is valued in excess of one million dollars and features Texas modern and basketball styled themes. "We are enormously proud of the AT&T Center and what it brings to the community," said Holt, chairman of Spurs Sports & Entertainment. "We're proud to provide South Texas with some of the best sports and entertainment available anywhere in the US.

Media credentials are issued to working media only. All single-game credentials may be picked up at media will call, located inside the Northwest VIP entrance of Toyota Field. All credentials are non-transferable and any unauthorized use will subject bearer to ejection from Toyota Field and confiscation of the pass.

NOTE: All personal items are subject to search upon entering Toyota Field. **Individual game credentials should be requested through the San Antonio FC Communications Department a minimum of 24 hours prior to game time or by 3 p.m. for all weekday matches.**

Media members covering SAFC on a regular basis will be issued full season credentials. Reserved seating requests should be made to the communications office 24 hours prior to match day by contacting the SAFC Communications Department at ppetri@attcenter.com.

Single-game credentials will be issued on a space available basis. Credentials are good for admittance to the stadium, media workroom and postgame media areas.

Visit SanAntonioFC.com/media-credential-application/ to apply for season and single-game credentials.

ABSOLUTELY NO AUTOGRAPHS DURING THE MEDIA ACCESS PERIOD.

Interviews that need advance preparation or special accommodation should be arranged by contacting the SAFC Communications Department. This includes all live television interviews for pre- and post-game.

PHOTOGRAPHERS

All photographers are required to wear a photo bib and credential to gain field level access during play. The photography areas of Toyota Field are located behind either end line of the field. Photographers are prohibited from entering the sideline areas in front of or behind the team benches or in front of fans on the East sideline. In addition, photographers are asked to observe USL guidelines.

MEDIA ENTRANCE AND PARKING

The media entrance is located at the Northwest entrance of Toyota Field. All media members must enter the building through this entrance. USL and SAFC season passes will be honored and single-game credentials will be available at the will call desk for pickup. The press doors open two hours prior to kick-off. For those media members who receive season parking privileges, the media parking is located in Lot 2 across from the Northwest entrance. Media covering SAFC on a game-by-game basis can request parking access along with their single-game credential.

MEDIA WORKROOM

The media workroom is located in the back of the press box, behind the operations booth and is only accessible with a valid credential. The room opens two hours prior to game time. The professional intent of the media workroom is to provide a working area for writers, photographers, broadcasters and game personnel. Family members and guests will not be admitted. Any abuse of the media workroom and/or press privileges will result in forfeiture of credentials. The media workroom is equipped with electrical outlets and Wifi access.

MEDIA SEATING

Reserved media seating has been designated along press row in the outdoor seating section of the press box. All seats are reserved for each individual media member. Seating charts, if applicable, will be posted on display throughout the press box. Electrical outlets are placed on press row for your convenience. Statistics will be distributed at halftime and after the game. Media are asked to finish and file stories in the press area to facilitate changeover at Toyota Field.
