ATLANTA UNITED 2

Saturday's meeting with Atlanta United 2 is the first-ever between the clubs. Atlanta United 2 joined the USL upon its founding in November 2017 after the successful first year in MLS by Atlanta United FC. The first year MLS "B Team" enter Saturday's match sitting 12th in the table with a record of 1-2-3. They find themselves in that position mostly due to suffering a five-match streak without a win, including two straight losses. Their lone win of the season? It came all the way back in their first match of the season, a match that took place at home March 24th.
