# PENN FC

After experiencing a recent dip in form, winless in the last four, Rush Soccer's First Team will look at this weekend's matchup as an opportunity to turn things around for the better. Results at Nippert Stadium have come few and far between for traveling teams, but Head Coach Raoul Voss and his squad need no help entering the fixture with a positive outlook. Penn FC has blossomed as a second half team as the season progressed, with 20 of the team's 25 goals coming after halftime. One of the keys to earning all three points in Cincinnati is pitching a consistent performance for the whole 90 minutes.
