MATCH PREVIEW

FC Cincinnati played Red Bulls II on two occasions during the USL regular season, recording wins in each match. Cincinnati won the first match 2-1 at Red Bull Arena on June 2nd, with goals from two of FCC's double-digit scorers – Emmanuel Ledesma and Danni König– powering the Orange and Blue to victory. In the two sides' second meeting, FCC received goals from two of its center backs – Forrest Lasso and Paddy Barrett – to propel Cincinnati to a 2-1 victory at Nippert Stadium on July 21. FCC advanced on PK's after a 1-1 dogfight with Nashville SC last Saturday and Red Bulls II edged Charleston 1-Nil.

NEW YORK RED BULLS II

New York Red Bulls II's consistent year-on-year playoff success continued as it defeated the No. 4-seed Charleston Battery 1-0 at MUSC Health Stadium to give New York victories in each of the past four seasons. Barlow scored the lone goal midway through the first half to send the Red Bulls II past the Battery for a second consecutive postseason. The win was New York's third consecutive road victory after the side had gone winless in its first 15 away games of the season, and its fourth consecutive win overall as the 2016 USL Cup champion has hit its stride in the past month.

Goodbye IOUs. Hello U.

The U app by BB&T offers an easy, fast and safe way to send money to almost anyone within minutes. Whether you owe your cat sitter or your cousin, BB&T together with Zelle® makes it easy to pay your friends back fast - so they stay your friends.

Mobile carrier's message and data rates may apply. Mobile numbers may need to be enrolled with *Zelle* before they can be used with the service.

Transactions typically occur within minutes between enrolled users. If a recipient is not enrolled with *Zelle*, it could take one to three business days to receive the money once the enrollment is completed.

You must have a bank account in the U.S. to use *Zelle*.

Branch Banking and Trust Company is a Member FDIC and an Equal Housing Lender. 

Zelle and the Zelle related marks are wholly owned by Early Warning Services, LLC and are used herein under license.
