The 2016 NASL season features 12 teams across the United States, Canada and Puerto Rico. Miami FC and Rayo OKC begin play in the Spring Season, and Puerto Rico FC join in the Fall Season. The San Francisco Deltas will join the league in 2017.

The two teams with the next highest overall points total will qualify as The Championship's 3rd and 4th seeds. Seeds 1 & 2 will host the semifinals, and the highest advancing seed will host The Championship Final, with the winner receiving the Soccer Bowl trophy.

AROUND THE NASL

Week 5 of the 2016 NASL Fall Season is underway, and there is a change at the top of the table(s). After suffering their first loss of the year in Week 3, **Indy Eleven** rebounded with Week 4 victory over FC Edmonton, putting them back at the top of the combined table. Meanwhile, league newcomers **Rayo OKC** have shot up the overall table, and now sit atop the the Fall standings as they look to be strong contenders to be the first NASL expansion team to qualify for the postseason in their first year(the last were the San Antonio Scorpions in 2012).

The Eddies have also impressed in 2016, continuing to fight for the top of the overall standings, sitting just one point from the top spot. In midweek action on July 27, Alberta's boys in blue defeated the **New York Cosmos** 2-1 in Edmonton to pull closer to the top. Despite not currently in a postseason spot, **Minnesota United FC** also remains in a strong position after winning their last two matches. **Puerto Rico FC** notched their first win in club history by defeating Rayo OKC 1-0 in Bayámon in Week 4, while **Jacksonville Armada FC** continue to struggle on the year, having scored just eight goals on the year(that's just three more than Puerto Rico FC have scored, despite having a ten game head start). **Ottawa Fury FC** and **Miami FC** join Jacksonville near the bottom, still looking to make a challenge for the top half of the standings. The **Carolina RailHawks** and **Tampa Bay Rowdies** round out the middle of the table, both just a few points back of a NASL Championship position as the schedule reaches the halfway point.

In **Lamar Hunt U.S. Open Cup** play, the Fort Lauderdale Strikers run ended in the quarterfinals with 3-0 loss vs the Chicago Fire in the Windy City. The Strikers were the only club in the final eight from outside of Major League Soccer, and the furthest advancing team from the lower divisions. The Strikers run equals the furthest advancement in the modern era of NASL clubs, tying the Carolina RailHawks who also reached the quarterfinals in 2014.

JACKSONVILLE ARMADA FC

SATURDAY, JULY 30, 2016

Founded: 2013

Home Stadium: Community First Park

Head Coach: Tony Meola

2016 Record: 2-5-8 (11 points, 11th Place)

Jacksonville entered 2016 looking to improve upon their 11th place overall finish from their inaugural 2015 campaign, however they currently sit in 11th place overall halfway through the year and on pace for nine less points than their debut season.

Tony Meola's side have struggled offensively so far, registering just eight goals through 15 games in 2016. Coupled with conceding the fourth most goals in the league, this leaves the Armada with plenty of work to do in the Fall Season as they compete for their first ever berth in the NASL Championship.

Jacksonville will be hoping that Scandinavian midseason additions Pekka Lagerblom, Alex Andersson and Nicklas Maripuu will bolster the squad and spark a turn in form that will put the club back into contention in 2016.

CAIO ZANARDI General Manager + Head Coach

Caio Zanardi was appointed Head Coach of the Strikers on December 2, 2015. Zanardi will oversee all soccer operations as general manager, a position he was appointed to in July 2015. Zanardi comes to the Strikers after nearly three years working for Brazil's national soccer federation (Confederação Brasileira de Futebol). Prior to his role at the highest level of Brazil's soccer pyramid, Zanardi served six years as soccer director for Al-Nasr Sports Club, a top team in the United Arab Emirates. "While I was happy in Brazil, I couldn't turn down this opportunity," said Zanardi. "I believe in where the Strikers are going and I want to be a part of it." Zanardi's coaching credentials include an English FA International License, learning at the hands of renowned soccer coaches Fabio Capello, Sven-Göran Eriksson, Louis van Gaal and Carlo Ancelotti. Zanardi's résumé includes time with Palmeiras, Audax/Pão de Açúcar - SP and Paulista de Jundiaí.

A NEW HOME

A NEW GAMEDAY EXPERIENCE AWAITS THIS FALL

Come August, Strikers matches will have a distinctly different feel to them, in an all new location.

Central Broward Stadium will become just the fourth stadium to host an official Strikers home match in history, following Lockhart Stadium(1977-83, 1988-89, 1991-95, 2011-16), Pompano Municipal Stadium(1990) and the Royal Palm Polo Club(1990).

The stadium, part of the \$70 million dollar Central Broward Regional Park, opened in 2007 and has been renovated for soccer in 2016. Renovations include relocation of the pitch closer to the main stands and construction of expanded locker room and office facilities.

The Stadium's natural grass playing surface will be reserved exclusively for Strikers' home matches, keeping the pitch in pristine condition for game days. Central Broward Stadium also features indoor press and hospitality areas, a permanent video replay board and air conditioned restrooms. While the Strikers have been training part-time at Central Broward throughout 2016, a permanent natural grass practice field is also planned for the Strikers, which will be located adjacent to the main stadium and allow the club to practice full time at the facility.

The biggest feature of note to fans is the roof which covers the entirety of the main stand, offering protection from the South Florida sun, heat, and rain, that so often

strikes during soccer season. Coupled with a capacity of 6,000 for Strikers games, the roof will provide an intimate atmosphere unlike anything Strikers fans have experienced in the modern era of the club.

Originally constructed for the sport of cricket, Central Broward Stadium has undergone a pitch relocation to make the

feature the Club 77 Party Deck with standing room areas near the player benches for an up-close view.

Beyond the stadium itself, Central Broward Regional Park offers additional amenities for fans that will greatly expand the game day experience. The park features a water park, tennis, basketball and netball courts, four grass

views for soccer much better for fans. In fact, in many cases the views will be even better than what fans are used to, with many seats only 14 feet from the touchline, more than two times closer than comparable seats at Lockhart Stadium (32 feet from the touchline).

Additional seating areas are being added to the north sideline at Central Broward Stadium, offering the closest views of the game, and the south sideline will

“The move to Central Broward Stadium allows us to focus on our fans and improving the experience of attending a Strikers match -- a critical pillar of the club’s long-term success,” said Strikers Managing Director Luis Cuccatti. “It was important for the club to initially prioritize our coaching and playing resources this season, and now that has

allowed for us to shift our focus toward enhancing everything surrounding our fan experience. We look forward to a mutually beneficial partnership between the Strikers and Broward County, and the future successes of our new home.”

While built for cricket, Central Broward Stadium is no stranger to the beautiful game. The stadium has hosted

Soccer fans who have taken in matches at Central Broward Stadium in the past are in for a pleasant surprise with the upgrades made to the facility ahead of the Strikers arrival. Light poles, which formerly blocked views from the stands and forced the pitch to be significantly further from the fans, have been relocated behind the stands making for an up-close view from every seat.

numerous soccer matches and events since its opening, including Major League Soccer exhibition matches, USL Premier Development League and National Premier Development League clubs, and the FC Barcelona Soccer School. Central Broward has also hosted the annual MLS Combine since 2010.

“We’re happy that the Fort Lauderdale Strikers have decided to relocate to Central Broward Stadium and keep professional soccer in Broward County,” said Park Manager Duncan Finch. “The County made a crucial additional investment to the multi-use stadium by relocating two light posts behind the covered-seating area, which brings

the soccer field closer to the fans. This improvement convinced the Strikers to make the move to Central Broward Stadium, and to work with the County toward a long-term agreement.”

“The first Strikers game on Saturday, August 20 at Central Broward Stadium is sure to draw soccer fans from around the tri-county area and fill the stadium. It’s a win-win for both parties,” said Finch.

“While the history of Lockhart remains compelling and the pitch itself is a great venue, the recent changes to

Central Broward Stadium accompanied by the adjoining practice fields and the ability to house the front offices makes it an excellent fit for the future of the Fort Lauderdale Strikers,” said Strikers advisor Sean C. Guerin, who was instrumental in the move to Central Broward Stadium. “I already know the players and the staff love it, and I am convinced the fans will embrace our new home as well.”
