# NORTH AMERICAN SOCCER LEAGUE

The 2016 NASL season features 12 teams across the United States, Canada and Puerto Rico. Miami FC and Rayo OKC begin play in the Spring Season, and Puerto Rico FC join in the Fall Season. The San Francisco Deltas will join the league in 2017.

- Carolina RailHawks
- FC Edmonton
- Fort Lauderdale Strikers
- Indy Eleven
- Jacksonville Armada FC
- Miami FC
- Minnesota United FC
- New York Cosmos
- Ottawa Fury FC
- Puerto Rico FC
- Rayo OKC
- Tampa Bay Rowdies
- San Francisco Deltas (2017)

The competition is split into Spring and Fall Seasons, with the champions of each season earning a spot in the NASL Championship, the league's four-team postseason tournament in November. The Spring/Fall winner with the better overall record will receive the #1 seed.

The two teams with the next highest overall points total will qualify as The Championship's 3rd and 4th seeds. Seeds 1 & 2 will host the semifinals, and the highest advancing seed will host The Championship Final, with the winner receiving the Soccer Bowl trophy.

# AROUND THE NASL

Week 8 of the NASL Fall Season is underway, and the chase for the NASL Championship is starting to shape up. Spring Champions Indy Eleven remain on top of both the Overall and Fall tables, looking for the first clean sweep since the NASL introduced the split season format in 2013. FC Edmonton, despite scoring the third fewest goals in league play all year, find themselves just one point from the top of the overall standings, looking to return to the postseason for the first time since their debut year in 2011. Close on the Eddie's heels however are the New York Cosmos, looking to avenge their late Spring Season collapse and capture the Fall title and a home semifinal matchup.

Minnesota United FC is within striking distance of the top three, but a separation between the trio at the top and everyone else is beginning to take shape. The Loons will be looking to hold on to the final postseason position and make a run for the Championship in their final year in NASL before moving to Major League Soccer in 2017.

Behind Minnesota is a mid-table quartet of **Rayo OKC**, **Tampa Bay Rowdies**, **Fort Lauderdale Strikers** and **Carolina RailHawks**, all separated by just 2 points and all chasing Minnesota for the valuable 4th position in the overall table. Among these clubs, Rayo holds the most realistic hopes of catching Fall Leaders Indy Eleven, only 6 points back as Week 8 begins.

Beyond this we find the final third, with **Ottawa Fury FC**, **Miami FC**, **Jacksonville Armada FC** and **Puerto Rico FC** finding their postseason hopes fading fast. Newcomers Puerto Rico, only participating in the Fall Season, have a herculean task ahead of them to try for the Fall title, while the rest face an ever-dwindling chance of qualifying via the combined table.

## KNOW YOUR OPPONENT

### OTTAWA FURY FC

**SATURDAY, AUGUST 20, 2016**

**Founded: 2011 (First Season 2014)**

**Home Stadium: TD Place**

**Head Coach: Paul Dalglish**

**2016 Record: 5-3-10 (18 points, 9th Place)**

Thus far in 2016, Ottawa Fury FC is struggling to live up to the previous year's edition, which advanced all the way to the NASL Championship Final, falling to the New York Cosmos. The Fury currently sit 12 points back of 4th place in the Overall table, and 10 points behind the leader in the Fall, giving Paul Dalglish's men a very tough road to return to the postseason.

Dalglish is in his first season as manager for Ottawa, replacing Marc Dos Santos, who will be moving on to manage 2017 NASL expansion side the San Francisco Deltas. Dalglish is the son of former Liverpool FC manager Kenny Dalglish.

Ottawa have scored the 3rd fewest goals in the NASL in 2016, and the offense will need a serious jumpstart for the Fury to get themselves back into postseason contention.

# A NEW HOME

## A NEW GAMEDAY EXPERIENCE DEBUTS

Beginning tonight, Strikers matches will have a distinctly different feel to them, in an all new location.

Central Broward Stadium will become just the fourth stadium to host an official Strikers home match in history, following Lockhart Stadium(1977-83, 1988-89, 1991-95, 2011-16), Pompano Municipal Stadium(1990) and the Royal Palm Polo Club(1990).

The stadium, part of the \$70 million dollar Central Broward Regional Park, opened in 2007 and has been renovated for soccer in 2016. Renovations include relocation of the pitch closer to the main stands and construction of expanded locker room and office facilities.

The Stadium's natural grass playing surface will be reserved exclusively for Strikers' home matches, keeping the pitch in pristine condition for game days. Central Broward Stadium also features indoor press and hospitality areas, a permanent video replay board and air conditioned restrooms. While the Strikers have been training part-time at Central Broward throughout 2016, a permanent natural grass practice field is also planned for the Strikers, which will be located adjacent to the main stadium and allow the club to practice full time at the facility.

The biggest feature of note to fans is the roof which covers the entirety of the main stand, offering protection from the South Florida sun, heat, and rain, that so often

strikes during soccer season. Coupled with a capacity of 6,000 for Strikers games, the roof will provide an intimate atmosphere unlike anything Strikers fans have experienced in the modern era of the club.

Originally constructed for the sport of cricket, Central Broward Stadium has undergone a pitch relocation to make the

feature the Club 77 Party Deck with standing room areas near the player benches for an up-close view.

Beyond the stadium itself, Central Broward Regional Park offers additional amenities for fans that will greatly expand the game day experience. The park features a water park, tennis, basketball and netball courts, four grass

views for soccer much better for fans. In fact, in many cases the views will be even better than what fans are used to, with many seats only 14 feet from the touchline, more than two times closer than comparable seats at Lockhart Stadium (32 feet from the touchline).

Additional seating areas are being added to the north sideline at Central Broward Stadium, offering the closest views of the game, and the south sideline will

“The move to Central Broward Stadium allows us to focus on our fans and improving the experience of attending a Strikers match -- a critical pillar of the club’s long-term success,” said Strikers Managing Director Luis Cuccatti. “It was important for the club to initially prioritize our coaching and playing resources this season, and now that has

allowed for us to shift our focus toward enhancing everything surrounding our fan experience. We look forward to a mutually beneficial partnership between the Strikers and Broward County, and the future successes of our new home.”

While built for cricket, Central Broward Stadium is no stranger to the beautiful game. The stadium has hosted

Soccer fans who have taken in matches at Central Broward Stadium in the past are in for a pleasant surprise with the upgrades made to the facility ahead of the Strikers arrival. Light poles, which formerly blocked views from the stands and forced the pitch to be significantly further from the fans, have been relocated behind the stands making for an up-close view from every seat.

numerous soccer matches and events since its opening, including Major League Soccer exhibition matches, USL Premier Development League and National Premier Development League clubs, and the FC Barcelona Soccer School. Central Broward has also hosted the annual MLS Combine since 2010.

“We’re happy that the Fort Lauderdale Strikers have decided to relocate to Central Broward Stadium and keep professional soccer in Broward County,” said Park Manager Duncan Finch. “The County made a crucial additional investment to the multi-use stadium by relocating two light posts behind the covered-seating area, which brings

the soccer field closer to the fans. This improvement convinced the Strikers to make the move to Central Broward Stadium, and to work with the County toward a long-term agreement.”

“The first Strikers game on Saturday, August 20 at Central Broward Stadium is sure to draw soccer fans from around the tri-county area and fill the stadium. It’s a win-win for both parties,” said Finch.

“While the history of Lockhart remains compelling and the pitch itself is a great venue, the recent changes to

Central Broward Stadium accompanied by the adjoining practice fields and the ability to house the front offices makes it an excellent fit for the future of the Fort Lauderdale Strikers,” said Strikers advisor Sean C. Guerin, who was instrumental in the move to Central Broward Stadium. “I already know the players and the staff love it, and I am convinced the fans will embrace our new home as well.”
