SOUTH TEXAS FLAVOR

This season, the Rio Grande Valley boasts three players from the South Texas region. Omar Ontiveros and Victor Garza return from last season and are joined by Aldo Quintanilla from Laredo, Texas.

Aldo Quintanilla was discovered in the Rio Grande Valley FC Tryouts in January of this year. Although Quintanilla was not in peak physical fitness, his class and technique was more than obvious. Quintanilla was born in Laredo, Texas but was raised in Mexico. His family made constant visits to Laredo and McAllen to visit family members. Aldo was

brought up in the Santos Laguna Academy and most recently part of the Queretaro organization.

Aldo is the second player from South Texas to get discovered through the RGV FC Tryouts. Omar Ontiveros returned for his second season at RGV FC after being identified during a team open tryout in January. Before signing with the Toros, the Pharr, Texas native played for the Santos Laguna U-20 squad in Mexico and played for Club Sportif-Grevenmacher in Luxembourg.

Victor Garza also returns to RGV FC for a second season on loan from Liga MX club Tigres UANL. The McAllen, Texas native represented his hometown team in 20 games. Before the Toros, Garza played for Arat Yerevan in the Armenian Premier League in 2015. In his spell in the Armenian league, he played in multiple games and dished an assist. Garza made his professional debut with Tigres in 2012 when he came in as a substitute in a 2-2 draw against Unión Española in the second leg of the Qualification Round of the 2012 Copa Libertadores.
