MATCH PREVIEW

After battling to a 1-0 home loss Fresno FC last Wednesday, Sounders FC 2 (1-2-0, 3 points) hits the road for its second away fixture of the season on Saturday against Sacramento Republic FC at Papa Murphy's Park. S2 opened its 2018 USL season and a new era of S2 soccer in Tacoma on March 16 with an emphatic 2-1 victory over archrival Portland Timbers 2 before falling 4-2 at Swope Park Rangers in the first road match of the campaign on March 24.

In November of 2017, Seattle Sounders FC and the Tacoma Rainiers announced that beginning in 2018, Sounders FC 2's previously-announced transition to Tacoma is accelerating, allowing S2 to play its home matches at Cheney Stadium while progress continues toward a new soccer-specific facility. The two clubs previously reached a historic agreement to build a 5,000-seat facility in Central Tacoma on the footprint of Cheney Stadium. While that process moves forward, South Sound soccer fans are now able to see their USL side play in Tacoma several seasons ahead of schedule.

S2 WEEKLY NOTES

S2 DROPS FIRST HOME RESULT OF '18

Sounders FC 2 (1-2-0, 3 points) lost a heartbreaker inside the friendly confines of Cheney Stadium last Wednesday night, as visiting Fresno FC (1-1-1, 4 points) stole a late strike courtesy of midfielder Jemal Johnson in the 82nd minute of play. Throughout the night, it was S2 that bossed much of the contest, earning 61.9 percent of the match's overall possession and registering seven shots on-goal to Fresno's two attempts. Nevertheless, it was the visitors that grabbed all three points, moving S2's record in its new home to 1-1-0 since completing the club's recent move to Tacoma.

The hosts carved out a number of quality chances in the opening 45 minutes, but were unable to find the back of the net. Fresno nearly opened the scoring in the 13th minute, only to be denied on a one-on-one opportunity with Bryan Meredith by a perfectly-timed sliding challenge from Francisco Narbon inside the area. Striker Felix Chenkam nearly handed S2 a lead when he found himself alone with Fresno goalkeeper Kyle Reynish on a counterattack, but the Cameroonian pulled his shot wide of the near post.

There was more action after the break, with both sides exchanging shots on goal. After dribbling past the left-back, S2 midfielder Nick Hinds slipped a pass into the feet of David Olsen, but the midfielder was denied from point-blank range by Reynish. The visitors eventually broke the deadlock late in the second half, with Johnson heading home Zachary Ellis-Hayden's cross from the right flank in the 82nd minute.

S2 pushed numbers forward throughout the final ten minutes in search of an equalizer. The best chances fell to Shandon Hopeau, as the Sounders Academy alum nearly pulled the hosts level with a long-range shot that crashed back off the crossbar, in addition to a close-range header that was saved by the goalkeeper.

ESTRADA RETURNS

Sounders FC 2 last month announced that it has signed veteran forward David Estrada. The 30-year-old returns to the club after spending over four seasons with Sounders FC from 2010-2014, where he tallied 41 appearances and five goals in MLS play. As part of his deal with the club, Estrada will serve a dual role as a player for S2 as well as an Assistant Coach for Sounders FC Academy.

Estrada made his first start with S2 in a 4-2 road loss at Swope Park Rangers on March 24, recording a brace as the lone striker on assists from Rodrigue Ele and Handwalla Bwana.

"David is an experienced pro that we think can bring great value to our young players from both a playing and coaching aspect, which is why we brought him on in this dual role," said Sounders FC Director of Player Development Marc Nicholls. "We are looking forward to seeing what expertise he can bring to S2 as well as our development pipeline as a whole."

Estrada was selected by Sounders FC in the First Round (11th overall) of the 2010 MLS SuperDraft out of UCLA, where he went from walk-on to multiple All-Pac-12 performer. He spent a little over four seasons with the club, including a career-best year in 2012 where he started 12 of 17 appearances and finished third in the club with five goals. The speedy attacker became the third player in club history to record a hat trick when he scored three goals against Toronto FC in the 2012 season opener at CenturyLink Field.

"Ever since David began training with us, he's had a lot to offer to the younger players on our squad playing around him," said S2 Head Coach John Hutchinson. "It will be great to have a guy like him around to not only help our team on the field, but also provide another experienced voice to assist Wade Webber and me working with our players."

Estrada played the 2014 season with D.C. United, where he recorded two assists in nine appearances before spending the next three seasons in USL for Sacramento Republic FC, the Orange County Blues and Charlotte Independence. The Salinas, California native most recently spent the 2016 and 2017 campaigns with Charlotte, where he scored 11 goals in 61 USL appearances.

S2 OPENING MATCH IN TACOMA - MARCH 16, 2018

S2 STRONG IN DEBUT IN TACOMA

Sounders FC 2 opened its 2018 USL season and a new era of S2 soccer in Tacoma with an emphatic 2-1 victory over archrival Portland Timbers 2 (0-0-1, 0 points) on March 16. It was a historic occasion, as a soldout Cheney Stadium crowd of 6,049 fans witnessed Tacoma's new professional club win its first match in the City of Destiny. Felix Chenkam and Nick Hinds bagged two goals at the end of the first half within two minutes of each other, giving Head Coach John Hutchinson his first win as S2 manager.

After Augustine Williams put Portland into the lead in the 30th minute, it was Chenkam that leveled the match at one goal apiece from the penalty spot, netting S2's first-ever goal in Tacoma in the 43rd minute. Hinds scored from open play minutes later, partnering with David Olsen on a one-touch combination inside the area for a clean finish in front of the supporters' section. Riding those two strikes to victory, S2 sealed the win at its new home, finishing the match with a passing accuracy of 75.5%, 15 total shots and 52.2% of the overall possession.

Tonight marked the first match at Cheney Stadium in the era of S2's new partnership with the Tacoma Rainiers. In November of 2017, Sounders FC and the Rainiers announced that beginning this season, Sounders FC 2's previously-announced transition to Tacoma was accelerating, allowing S2 to play its home matches at Cheney while progress continues toward a new soccer-specific facility. The two clubs previously reached a historic agreement to build a 5,000-seat facility in Central Tacoma on the footprint of Cheney Stadium. While that process moves forward, South Sound soccer fans are now able to see their USL side play in Tacoma several seasons ahead of schedule.

REACTIONS TO OPENER AT CHENEY

Following Seattle's 2-1 win over Timbers 2 in the club's 2018 USL opener on March 16, players and coaches reacted to the atmosphere and environment at Cheney Stadium, S2's new home venue after the club transitioned to playing matches in Tacoma.

SOUNDERS 2 HEAD COACH JOHN HUTCHINSON

On getting a win in the Cheney Stadium opener:

"Massive crowd, great environment for our team to play in first and foremost. I just want to thank all the people who came out tonight. It was a massive effort to support the S2 boys and I know they are very grateful – they couldn't wait to get out here and to start the home opener against Portland at home in front of a big crowd is an amazing goal for us."

On how the baseball field functioned as a soccer field:

"We came here today and the field was amazing. The groundsmen here are amazing and they do a good job. It's an amazing stadium and I couldn't believe how good it was, the grass was perfect. And the boys put on a good performance. We struggled towards the end but that's what's going to happen when you're a young team."

SOUNDERS FC 2 DEFENDER SAM ROGERS

On the atmosphere:

"It was absolutely fantastic, stellar crowd. It feels amazing to get the win because obviously it's the Timbers and everyone is super hyped in the locker room. You heard the whole fans the whole time."

SOUNDERS FC 2 FORWARD DAVID ESTRADA

On his S2 debut and playing at Cheney Stadium:

"Obviously, it was an unbelievable feeling. I was telling some of the younger guys that it felt like a mini-Century Link. I think this the type of atmosphere that these young guys are relishing the opportunity to get on the field. I think the fans were with us the whole game, it's a beautiful thing to see the support of Tacoma for this team, and kind of embracing it as their own."

S2 MOVES TO TACOMA

Seattle Sounders FC and the Tacoma Rainiers announced on November 1, 2017 that beginning in 2018, Sounders FC 2's previously-announced transition to Tacoma is accelerating, allowing S2 to play its home matches at Cheney Stadium, while progress continues toward a new soccer-specific facility. Earlier in 2017, the two clubs reached a historic agreement to build a 5,000-seat facility in Central Tacoma on the footprint of Cheney Stadium. While that process moves forward, South Sound soccer fans are now able to see their USL side play in Tacoma several seasons ahead of schedule.

"Our organization was already thrilled to be moving ahead with the Rainiers and the City of Tacoma on the new stadium project, but when we learned of the opportunity to begin playing USL games as soon as 2018 in a facility like Cheney Stadium, we embraced the chance," said Sounders FC Owner Adrian Hanauer. "From Rainiers leadership to the many civic officials in Tacoma that are working hard to deliver professional soccer to their city, we're humbled to have such willing partners in this effort. As soon as next season, fans can enjoy a first-class experience at Cheney, allowing the club to make a tangible connection to the City of Tacoma earlier than expected."

"We are so proud to bring another professional sports franchise to Tacoma," Rainiers President Aaron Artman said. "To partner with the top soccer organization in the country, the Sounders, adds a layer of passion and prestige to the project, fueled by a vibrant South Sound base of supporters. We are excited to deliver a fantastic USL experience with S2 at Cheney in 2018 and 2019, while keeping our focus on delivering a world class soccer specific stadium by 2020."

Originally announced in May of 2017, the partnership brings together two of the Northwest's premier professional sports organizations to reach a first-of-its-kind relationship in USL within the same regional market. The Tacoma Rainiers are an award-winning franchise that has been a staple of the South Sound community for over 50 years, operating as the top affiliate of Major League Baseball's Seattle Mariners. They will operate the business side of the new era of the USL club, taking advantage of the decades of experience operating a professional organization in the Tacoma market, while Sounders FC is set to maintain leadership over soccer operations and sporting infrastructure. With key details coming together - including a name for the organization that is representative of its new home - it was announced today that much like the naming of the Sounders FC First Team, Tacoma fans will have influence over the identity of their new club. Details for that process are forthcoming, with the team to play under the S2 brand in the near-term during this transition.

"From kids to adults of all ages, Tacoma is a city that loves sports," said Tacoma Mayor Marilyn Strickland. "Our baseball and soccer fans now have an opportunity to see professional soccer and baseball right here at home in facilities that the City of Tacoma and Metro Parks have developed with a true community partnership. Tacoma is the best kept secret on the West Coast and I am thrilled for the City we all love - Tacoma."

"Make no mistake about it, today's announcement is a big win for Tacoma," Council Ryan Member Mello said. "We will now have another significant regional attraction to draw people to Tacoma. That is good for the economy and it will add local jobs and commerce. However, it also improves our overall quality of life by adding another affordable attraction for our community's youth and families."

As previously announced, Sounders FC's soccer operations are set to remain at Starfire Sports, the club's Tukwila-based training ground. The First Team, S2 and Sounders FC Academy will all continue to train at Starfire under watchful eye of the club's technical staff led by General Manager & President of Soccer Garth Lagerwey. Both Cheney Stadium and the eventual new facility provide a first-class matchday experience for the rebranded S2 side, and gives the organization an opportunity to call-up players from Tacoma, mirroring the Mariners' relationship with the Rainiers. Additionally, Sounders FC is currently engaged with the Sounders Community Trust (SCT) - a charitable, fan and supporter-managed, non-profit organization that maintains a 20-percent interest of Sounders FC 2 - about next steps in Tacoma.

The City of Tacoma has a rooted soccer history and tradition. Current Sounders FC Head Coach Brian Schmetzer and club legend Alan Hinton were involved with the Tacoma Stars in the 1980s, an organization that the Rainiers recently helped relaunch, with Stars owner and Tacoma native Lane Smith, at the ShoWare Center in Kent. Tacoma's grassroots soccer ties run deep, from the formation of Washington Youth Soccer in the City of Destiny in 1966, to the professional ranks with sides like Tacoma Wanderers.

Born in Morwell, Victoria, Australia, Hutchinson made his senior debut for the Gippsland Falcons in 1997, where he made 89 appearances. From 2001-2004, Hutchinson played for the Northern Spirit, a Sydney-based club, then joined Manly United in 2004 as the club's captain. The final 10 years of his career were spent with the A-League's Central Coast Mariners, where he set a club record with 268 total appearances and scored 18 goals. A three-year captain for the Mariners, Hutchinson was part of the 2013 Grand Final champion squad. He also went on loan with the Chendu Blades in the China Super League.

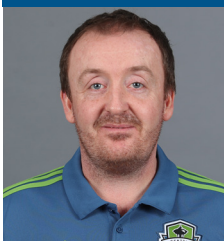

Eligible due to his grandmother's Maltese decent, Hutchinson earned 11 caps for Malta. He made his first appearance in a 2010 FIFA World Cup Qualifier against Sweden. During the 2015 season, Hutchinson, who has a Coaching A license, made a seamless transition to the technical side for the Mariners, where he served as a coach through the 2016 campaign before joining S2.

SOUNDERS FC 2 ASSISTANT COACH WADE WEBBER

Sounders FC Academy coach Wade Webber joined Hutchinson's staff as S2 Assistant Coach prior to the 2018 season. The former Sounder brings a decade of professional playing experience, including 53 MLS appearances for Dallas and Miami from 1997-1999. Since retiring from playing in 1999, Webber has coached youth soccer extensively throughout Western Washington, including the last two seasons with the Sounders FC Academy and the previous seven as Director of Coaching for Washington Premier FC. The two-time U.S. Academy coach of the year (2010 and 2012) joined the Sounders FC staff after three years (2011-13) as the Head Coach of the Carolina Dynamo of the USL PDL, where he led the team to the division title in all three seasons, including a PDL National Final appearance in 2012 and U.S. Soccer National Championship in 2013. He also served as Technical Director for NC Fusion, leading the club to three appearances in U.S. Academy Nationals, including a third-place finish for the U-18 squad in 2012. Before arriving in Seattle, he also combined his PDL coaching position with a scouting role for Montreal Impact. Nicholls holds his USSF National "A" License, the FIFA Futuro III program, as well as the prestigious French Formation License. He is currently a national staff member for U.S. Soccer. He is married to his wife Claire and has two daughters named Cally and Leah.
